## Valley Cricket League

Organized Tuesday Night—Rev. R. F. Dixon the President

At the invitation of the Wolfville Cricket Club representatives from the Windsor, Kentville and Bridgetown clubs met with representatives from the local club on Tuesday evening and organized the Valley Cricket League. Those present at the meeting were Messrs. Ollerhead and Whiteway, of Bridgetown; Messrs. Holland and Walker, of Kentville; Rev. J. F. Armitage and Mr. H. S. Anslow, of Windsor; and Rev. R. F. Dixon, Mr. W. H. G. Phipps and Dr. Coit, of Wolfville. The constitution, as drafted by the Wolfville committee, was adopted with some amendments. The following officers were elected:

President—Rev. R. F. Dixon.  
Vice-president—Capt. Holland.  
Secy.—Treas.—Dr. Coit.

A telegram having been received from the Annapolis Cricket Club applying for admission to the league, it was unanimously agreed to accede to the request.

The schedule of matches was drawn up as follows: the first mentioned team in each case being the home team:

- June 3, Windsor vs. Bridgetown.
- June 16, Windsor vs. Annapolis.
- June 23, Bridgetown vs. Annapolis.
- June 24, Annapolis vs. Wolfville.
- July 1, Wolfville vs. Bridgetown.
- July 9, Kentville vs. Annapolis.
- July 14, Bridgetown vs. Windsor.
- July 21, Windsor vs. Wolfville.
- July 23, Kentville vs. Bridgetown.
- July 30, Annapolis vs. Kentville.
- August 4, Bridgetown vs. Wolfville.
- August 6, Kentville vs. Windsor.
- August 11, Annapolis vs. Windsor.
- August 13, Wolfville vs. Kentville.
- August 19, Wolfville vs. Windsor.
- August 20, Annapolis vs. Bridgetown.
- August 27, Bridgetown vs. Kentville.
- September 5, Windsor vs. Kentville.
- September 9, Wolfville vs. Annapolis.
- September 17, Kentville vs. Wolfville.

After completing their business the delegates retired to the Devonshire Tea Rooms for refreshments and a most enjoyable social hour was spent. Messrs. Elliott Smith, Chas. Koppel, Henry Ruffee and Gerald Bauld composed the entertainment committee and they did credit to themselves and the Club.

Rev. R. F. Dixon, who presided, proposed the toast to the visitors and in doing so tendered his thanks for the honor of being elected the League's first president. Mr. Elliott Smith also spoke a few words of welcome to the visitors, for whom the Rev. Mr. Armitage responded and voiced everybody's appreciation of Mr. Dixon's services to cricket.

Mr. Whiteway, of Bridgetown, suggested that a series of County matches be arranged, and on behalf of Annapolis county issued a challenge, which Captain Holland of Kentville, promptly accepted on behalf of King's County; and Mr. Andow, of Windsor, with equal alacrity, on behalf of Hants county, challenged the winner of the King's-Annapolis game.

Elliott Smith, of Wolfville, was given quite an ovation on his offering to present a bat to the player topping the batting averages in League games. It only remains now for some well-wishers of the queen of sports to offer a prize to the bowler who is highest on the bowling averages, and a suitable trophy for the League Champions!

## Old Maids' Convention

Splendidly Presented by St. John's Ladies.

Those who missed The Old Maid's Convention given by the ladies of the St. John's parish church on Friday evening of last week, and many were of necessity turned away from a crowded Parish Hall, took advantage of the matinee in the Opera House, Saturday, and went away satisfied. We are an exacting public, but when pleased, we do not hesitate to say so; and the acting of each player who took part was of such high merit that we are at a loss for adequate words to express our appreciation. There was not a flaw in the presentation of the play that recalled the days of our great grandmothers. The costumes, many of which were supplied from the magic attic of Mrs. W. M. Black, were real—that was the charm of it—and beautiful in every detail. Laces, priceless in value; crinoline that creaked; silks that bespoke an age when values were nothing lacking—all lent an air of regal loveliness and beauty to a scene that carried us back to those gracious days of delicate living, of lavender and old lace, of soft spoken voices and mincing manners.

From the imposing entrance of the Sister President (Mrs. Harry Brown) in priceless black silk and old lace—lace that was new one hundred and ten years ago—to the shocking fate of sister Amy Little (Mrs. Troyte-Bullock), possibly the star actress, who wished to become a man—the audience was convulsed with merriment and soul-satisfying amusement. And here is the cast of performers:

Maribah Lovejoy, Mrs. Harry Brown, President of the Old Maid's Matrimonial Club.

Amarilla Heywood, Mrs. W. M. Black, Secretary.

Priscilla Hope, Mrs. H. E. Calkin, Treasurer.

Anxiety Doherty, Mrs. John Collins.

Augusta Prim, Mrs. A. J. Mason.

Faithful Blossom, Mrs. Herbin.

Rhoda Larkin, Mrs. Fearon.

Selina Baxter, Mrs. Brady.

Susannah Smith, Miss Huxtable.

Mary Ann Barnes, Mrs. Cox.

Sarah Jane Springster, Mrs. Percy Starr.

Eliza Hooker, Mrs. Robert Harvey.

Eather Snyder, Mrs. Creighton.

Marion Perkins, Mrs. Hutchinson.

Asepath Baker, Mrs. Purdy.

Amanda Horn, Mrs. Evans.

Amy Little, Mrs. Troyte-Bullock.

Sophia Potter, Mrs. Flick.

Professor Pinkerton, Mr. Troyte-Bullock.

Assisting Performers: The Misses Mabel and Ruth Pollard, Misses Anne McLean, Bernice Sproule, Dorothy Giffin, of Acadia Ladies Seminary; Mrs. (Dr.) Thompson (violin), Mrs. F. G. Kingston of Windsor, Miss Harwood, accompanist, Miss Violet Black, Miss Felice Herbin; Mr. A. J. Mason, Mr. Roy Evans, soloists.

Before the performance, Mr. Evans on Friday evening, and Mr. Mason on Saturday, delighted the audience with well rendered solos. As the sound of the Overture, by Mrs. Kingston and Mrs. Thompson, died away, the rising curtain revealed a room prepared for the Convention. Then came in one after another at perfect intervals for appreciation of costume, and manner of walking or tripping in mincing old world manner, the fourteen members who had met for the express purpose of discussing ways and means

## Creditable Enterprise

Displayed by Wolfville Merchant

The work on the new front of C. H. Porter's dry goods store, which has been in progress the past six weeks, has been completed and the result is thought by many to be the finest store front in the Valley. The design is by Mr. Graham Johnson, architect, of Kentville, and the workmanship does credit to Mr. Henry Henderson, foreman for Mr. C. H. Wright, the contractor. The windows and background are built from selected Douglas fir finished in the natural shade, with the plate-glass joined at the angles by copper corners. A row of prism lights over the windows supplies abundance of light during the daytime. The doors are made of quartered oak and are very handsome.

The store has been wired and the windows fitted with three Brascollites with 200 Watt lamps, giving the store a very fine appearance at night. This work was done by Mr. J. C. Mitchell.

Mr. Porter is one of our Wolfville boys who has made good. He started in business eleven years ago in the store recently purchased by Mr. T. S. Sanford. Two years ago he purchased the dry goods business of Mr. J. D. Chambers, which has prospered under his close personal supervision. In making these improvements, which represent a considerable expense, he shows his faith in the future growth of his native town.

Of securing a husband. As each Sister rose with a suitable quotation in response to the roll call imitatively given by Sister Amarilla Heywood (Mrs. Black), whose costume and air of dignity left nothing to be desired, a ripple of laughter convulsed the audience until the end, as each Sister expressed her desire to obtain by hook or crook, a man!—with but one dissenting voice—that of Mary Ann Barnes (Mrs. Cox) who gave just the right tone of discord to complete the perfect harmony. The order of business was gone through with in most impressive, Cranfordian style, feminine to the last degree. Sarah Jane Springster, perhaps the very quaintest of the Sisters, then reported for the Look Out Committee, sketching rapidly the possibilities of all the shy, fickle, obdurate, yielding bachelors and widowers in the vicinity. Of the ways and means committee, Eliza Hooker (Mrs. Harvey) suggested correspondence; Sophie Potter (Mrs. Flick) nursing; Susannah Smith (Miss Huxtable), love powders; Marion Perkins (Mrs. Hutchinson), cats. All were received with more or less enthusiasm and discussion. One felt a rir of sympathetic interest and hope that the plans might succeed; but when Mary Ann Barnes (Mrs. Cox) rose to a point of rebellion in her well rendered song, "Bother the Men", one felt equally ready to drown her voice and hurl indignant hisses with the Sisters at such herey! Before proper admonition could be given her, however, a knock was heard and Rhoda Larkin (Mrs. Fearon) admitted—a man—Professor Pinkerton (Mr. Troyte-Bullock). Such a gale of laughter rose from the audience at his appearance, for surely he had stepped out of Pickwick, it was with difficulty that the President (Mrs. Brown) could introduce him to the Sisterhood.

Words fail to do justice to the acting of Mr. Troyte-Bullock as Professor Pinkerton. No one could better have taken the part—a difficult one enough, too, to carry out without tedium. It was a masterpiece from beginning to end, and his original side show of dumb flirtation with Sophia Potter (Mrs. Flick) brought down the house. A merry moment was that, also, when he and Mrs. Troyte-Bullock as Sister Amy Little, who wished to be made a man, faced each other in stern and unyielding colloquy. They carried the day as supreme actors. The original interpolations of each member, the funny sides and innuendoes all lead us to believe that we have, in Wolfville, latent talent that might be developed into the forming of a Dramatic Club.

To go into further detail would be to give away the performance which we believe is to be called to two other towns of importance. Suffice it to say that the spirit of appreciation was well expressed by an eminent divine whose only regret was that so many of the performers were already married; for he was sure it would otherwise mean large business for himself!

The talent of the Seminary was well brought out in the readings of Miss Ruth Pollard and Miss McLean. In the singing of Miss Mabel Black and Miss Giffin; while the beautiful violin solos of Mrs. Thompson and the graceful dancing of Miss Black and Miss Herbin, and the droll "mistake" of Miss Mary Brady, gave just the right note of contrast of present to past tense.

To Mrs. Harry Brown is to be given much praise and credit for so ably and efficiently carrying out the ideas of the play.

## Greenwich News

The heavy fall of snow last week and so many cold days and nights during the last two weeks, gives us the idea that March and April must have changed places on the calendar this year. Mayflowers in full bloom were seen in the hands of children of the place on Easter Sunday, March 27th, which is early for old Nova Scotia.

On Sunday, April 10th, those who were present at the service in our church, thoroughly enjoyed the sermon given by Rev. F. S. Porter, secretary of the Canadian Branch of the British and Foreign Bible Society.

Mr. and Mrs. McCabe recently took possession of their new home.

Miss Marshall, of Halifax, was the guest of Mr. and Mrs. H. H. Marshall for a few days recently.

Mrs. Rupert Porter, of Upper Perau, has been visiting her daughter, Mrs. Dexter Forsythe.

Mr. Edward Hennigar of White Rock, who has purchased the fine Shaw property, which has been owned by Mr. Stephens and family have returned to Halifax. We hear that our popular meat man, "Eddie" Hennigar will occupy the place in June. The community will extend to him and—(of course he will not live alone), a cordial welcome.

The pupils of our school were recently given a talk on the Exhibition work by Mrs. Burpee Bishop, chairman of our committee. New and larger prize lists were printed and distributed over three weeks ago. We hope our school will take a far greater interest in the Exhibition this year than last. It seems too bad that the children of three or four families of our section are not attending school at all.

The friends of Mr. Lovett Forsythe, mail driver on Route No. 2, are glad to see that he is again on duty, commencing this week.

Mr. Willis Bell, accompanied by his friend, Mr. Flynn, who have been visiting at the home of the former's sister, Mrs. Cutler Forsythe, returned to their homes in Massachusetts, on Wednesday the 13th. Mr. Lovett Bishop and daughter, Mrs. Robertson, with three children, recently arrived from the home of Mrs. Robertson in the North-West. After being guests at the home of Mr. and Mrs. George Bishop for a few days, they took possession of their own home and their many friends extend to them a hearty welcome "home again".

Miss Bessie Fraser is visiting in Aylesford this week.

There arrived at the station here one day last week, a heavy piece of machinery, which was taken by horse teams to its destination, the Pulp Mill at White Rock.

## BORN

RATHBURN.—At Wolfville, on Friday, April 15th, to Mr. and Mrs. James Rathburn, a son.

## Board of Trade

Declares Itself in Favor of Sidewalk Construction

There was a good attendance of citizens at the meeting of the Wolfville Board of Trade on Wednesday evening, and the discussion of the different matters introduced evidenced a lively interest in public affairs on the part of the members present.

The names of Messrs. A. J. Mason and W. O. Pulsifer were proposed for membership and they were unanimously elected. The membership now numbers 43.

President Woodman outlined the activities of the Council and committees since the last meeting, showing that the members of the Board are putting forth efforts in many directions to advance the progress of the community.

The chief matter before the meeting was the discussion of the proposed work of constructing sidewalks in Wolfville during the coming summer. Considerable discussion took place, the outcome being the unanimous vote of those present in favor of having the work undertaken at once. A committee was appointed to interview the owners of property within the contemplated district and get their views concerning the matter.

An animated discussion took place with regard to the proposed harbor improvement at this port and a committee was appointed to draft and circulate a petition among the residents of Wolfville and adjacent sections asking that the government take immediate steps to have the work carried out in accordance with the plans of the engineer.

The matter of a "Clean Up Week" was discussed and the Council and its committee on Town Improvement was instructed to co-operate with the Town Council in making this a real feature of the season.

## INSTALLATION OF OFFICERS

The officers for the ensuing year were installed at St. George's Lodge on Monday evening by District Deputy Grand Master T. R. Caldwell, of Kentville, assisted by Past Master G. H. Wallace. The officers are as follows:

- W. M.—H. E. Fraser.
- S. W.—H. E. Woodman.
- J. W.—W. A. Coyle.
- Treas.—A. V. Ray.
- Secy.—G. W. Allen.
- S. D.—T. Watson.
- J. D.—C. A. Brown.
- Chap.—W. L. Archibald.
- Marshall—A. M. Wheaton, P. M.
- S. S.—Harry Sleep.
- J. S.—Philip Isley.
- Tyler—W. M. Pick, P. M.

The captured German gun presented to the town of Wolfville last summer, will be mounted in the centre of the west lawn at the post office grounds. The foundation has already been laid.

## N. S. Teachers' Union

Active

Principal R. W. Ford was in Halifax last week attending a meeting of the committee recently appointed at the meeting of the Executive of the Nova Scotia Teachers' Union at Truro. The delegation waited upon the Executive Council of the Government on Thursday evening asking that the following important changes be made in the regulations governing the Public Schools of the province:

1.—That the scholastic and professional qualifications of teachers be improved by ceasing to issue permissive licenses after 1921 and D licenses after 1923.

2.—That, except in the case of the principal of the schools of the section, the Government grant depend entirely upon the class of license held.

3.—That, in the case of A's and B's, and also of those C's whose licenses were issued prior to 1910, the pension be twice the Government grant and be based every year on the Government grant then current.

4.—That the pension be continued to the widow of dependent children under 15 years of age.

5.—That the pension period for veteran service and that for disability be 30 and 15 years respectively.

A full discussion of the points raised took place. The representatives of the Government showed keen interest and gave the delegation a very cordial and sympathetic reception. After a careful hearing of the arguments presented, they gave the assurance that they realized the importance of the measures laid before them, and the delegation went away feeling that every effort would be made to bring about the desired changes.

## GASPEREAU ITEMS

Congratulations are extended to Mr. and Mrs. Llewelyn Westcott on the birth of a son at "Woods Hospital", April 10th. Mr. Carleton Kenne has returned home from Falmouth after spending a few days with relatives there.

A pound party was given to Mr. and Mrs. Dr. Bennett on Thursday evening, April 14. A very pleasant evening was spent. Many useful articles were given.

The GasperEAU Division's night of music was held on Saturday evening, April 17th, at the home of Mr. Peter Gertridge.

Rev. George E. Horr, D. D., L. L. D., President of Newton Theological Institution, Newton Centre, Mass., preached at both services in the Baptist church on Sunday last. The relation between Acadia and Newton has always been most intimate and the visit of the distinguished scholar and educator was greatly appreciated by the people of Wolfville.

## When Sleep Comes Back

(By G. J. Randall, D. C.)

When sleep deserts you, then strength departs. It is a great day when sleep comes back.

Loss of sleep is due to pressure on spinal nerves affecting the brain. Seemingly the victim of this ailment cannot stop the train of thought.

Lack of ability to rest brings on extreme nervousness; often times the victim fears that that he is going to pieces and may even fear of his sanity.

When the Chiropractor by his skillful adjustments restores the joints of the spine to alignment and removes the pressure on the spinal nerves which is causing this trouble the patient experiences a relaxation that is all the more profound because of the need of the exhausted body. Strength is rapidly regained once the ability to sleep is regained.

Unable to Relax or Sleep but Can Now

"I had not slept more than three hours out of every twenty-four. After my husband died I could not discuss my business affairs with my Attorneys without 'going to pieces.' When I tried Chiropractic I was desperate. After the first adjustment I slept fourteen hours. In forty more, I was a new woman, able to sleep all night, and eating what I wanted. Chiropractic should be welcomed as the greatest panacea of human ills."

### How Rheumatism Can Be Overcome

Not by Rubbing, But by Enriching the Blood

Rheumatism is a disorder of the blood. It attacks people when the blood is overcharged with acid and impurities, thus setting up inflammation in the muscles and joints. Wet weather or cold weather may start the tortures of rheumatism, but it is not the cause. The cause is in the blood. Victims of this malady have every reason to fear the first dull ache in the limbs and joints, followed by sharp pains through the flesh and muscles; these are the symptoms of poison in the blood, which will shortly leave the victim pain-racked and helpless. Liniments, hot applications and rubbing may give temporary ease, but cannot possibly root the trouble out of the system. That can only be done by enriching the blood. This new blood drives out the poison as impurities and the rheumatism disappears. If you are a sufferer from this painful malady, begin the use of Dr. Williams' Pink Pills and see how soon the pains and stiffness of the joints fade away. Among those who have benefited by the use of these pills is Mr. Freeman Irving, Baxter Harbor, N. S., who says: "Some time ago my blood was in a terrible condition, leaving me very much run down, and with boils breaking out on my body. To add to my misery rheumatism set in, and I not only suffered greatly from the pain, but could only get around with the greatest difficulty. After trying several medicines without much success, I decided to give Dr. Williams' Pink Pills a trial, as they had been warmly recommended to me. I think I used nine boxes altogether, but the results met my every expectation, as both the boils and the rheumatism disappeared. Naturally I feel that I cannot praise the pills too highly."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50c a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

### CAPT. ARTHUR HUNT CHUTE SPEAKS IN BERMUDA

A banquet was held at the Hamilton Hotel at Hamilton, Bermuda, on March 10th. It was a mingling of Canadians and Bermudians. All the prominent men of the Island were present. The Governor-General, Sir James Wolcott, made a most complimentary speech about Canada. He said in the recent war that his first command was that of the First Canadian Division, though he did not remain long with them, owing to the arrival in France of the Indian Army Corps. He spoke of the gallantry of the Canadian troops at Festubert when first confronted with gas, and added that his son, Captain Wilcocks, at present Chief Staff Officer in Bermuda, never wearied of telling him what the Canadians did at Festubert and Vimy Ridge. These accounts, based on ocular evidence, he declared, never failed to make his heart beat with pride.

Capt. Arthur Hunt Chute was one of the managing committee of this love-feast, and a Bermuda paper thus reported him: Captain Arthur Hunt Chute, political aspirant, preacher of the gospel of strenuous endeavour, and typical product of the Young Canada Party, made the "flag-waving" speech of the evening. His subject was "British America", and he stated that between 1914 and 1917 the truest Americans were the British-Americans.

He asked Bermudians to regard Canada as a big brother, and recommended those who questioned the spirit that animated her to study the self-sacrificing conduct of her sons at Ypres on April 22, 1915, and spoke for a patriotic combination, not merely for onions and peas and cheese, but for the exaltation of British ideals. "Next to the Kingdom of God, I believe the British Empire to be the greatest force for righteousness in the world today," was the concluding remark of a speech which produced intense enthusiasm, bringing all the guests to their feet as the Governor, waving his table napkin, called for three cheers and a tiger.

### X-RAY MOVIES

The newest invention in photography is the X-Ray moving picture. It has been possible, of course, to look through one's body and make pictures of living organs, but now every movement of every part of the body may be produced on the screen. The slightest movement of the heart, the muscles, joints, intestines and lungs can be watched for hours at a time. Such pictures are expected to be of the greatest importance to medicine and surgery and make possible many new cures. These pictures have been so far of animals only but human beings will soon be filmed in the same way. The human body will have no secrets in future which the physician and surgeon cannot read. —Boys' Life.

What is said to be the largest pipe organ in the world, costing \$72,000, which was built in North Tonawanda, N. Y., is being shipped to a theatre in St. Louis, on ten freight cars. It took one year to complete and the largest pipe is 38 feet long.

"I say, porter," cried a startled passenger, waiting at the station, "isn't that the 4.15 to Newtown?? Why didn't it stop here?"

## This is Battery Inspection Week

Free examination and unbiased advice at Prest-O-Lite Service Stations

DRIVE around to the Prest-O-Lite Service Station this week and let experts give your battery the once-over. Get ready for the motoring season just ahead.

No matter what make your battery is, the service station's job is to examine it and advise you intelligently and honestly. Maybe it doesn't need so much as a drink of distilled water.

Anyway, it won't cost you a nickel to find out. And now's the time to do that. Some little five-minute adjustment NOW may save you the price of a new battery later.

You are careful to see that your car has gas, oil and water. Don't overlook that equally important element—battery-juice. Every Prest-O-Lite Service Station is a life-extension dispensary for batteries.

When you do need a new battery, you'll be glad to know that Prest-O-Lite is back to pre-war prices and that an allowance will be made on your old battery. Get that examination now.

**LOCAL PAPER SHOW WINDOW OF COMMUNITY**

**Its value to Neighborhood Depends On Local Merchants**

"One of the best indications of the business spirit of any town is the advertising columns of its local paper," said a successful business man recently. "The press is the show window of the community. If its columns are well patronized by merchants with progressive displays, it indicates a town where up-to-date business methods prevail. If, on the other hand, the merchants fail to make use of the local press, or simply run announcement cards in its columns, it is almost certain to follow that the stores of that town are run in a haphazard, listless sort of a way. "Every time I learn of a merchant who does not believe in advertising, my mind goes back to a store in which I worked when a boy. The front windows were seldom washed, while the window seat, instead of having attractive displays usually featured bits of broken box tops, oranges dumped without care, some wrapped in tissue, others unwrapped, and some decaying, with other fruits in the same condition. Perhaps a few tins of corned beef or vegetables, or perchance a pair of boots, would complete the disorder. "Then the store had a musty, dusty odour, and well it might, for its back shelves were piled high with goods that had accumulated each year. We never sold anything from these poorly lighted regions in the back of the store. The merchandise had found a permanent home. No person knew what the shelves contained—for the proprietor did not believe in advertising. He never had a sale to keep his stock moving. New arrivals in the town did not know that he was doing business when they selected stores with which to trade. "The store is still running—but the proprietor is gone. To-day it is doing a large business, for the man who secured it when my boss had old to relinquish it, advertises. He does not simply make an announcement that he is in business. He tells the world what his stock contains. He runs special bargains every week and reduces the prices on many lines because they move fast. His stock is constantly turning over, consequently his foodstuffs are fresh, and his clothing lines are up-to-date—and his customers are satisfied. "This merchant's credit is good. He does not require much accommodation, but at any time that he does, his bank will oblige him, for he is progressive."

**KEEP WINDSHIELD CLEAR OF RAIN**

There are many inquiries for something which will keep the windshield clean enough for careful driving in a storm. Only one who has sat behind a foggy windshield will know the feeling of anxiety al-

most helplessness, which the driver has. There are a number of mixtures sold which are guaranteed to keep rain off the windshield, but a simple one may be made by any driver.

A small bottle filled with alcohol and glycerine half and half, and a soft cloth to apply it, are all that one needs. It is not necessary to paint the whole glass with this. Take a strip six or eight inches wide and the height of the windshield and coat it with the mixture, and the rain or snow will not stick to that part. This will give ample vision for driving, and when the shower is over there is plenty of clear glass on either side.

**KEEP ANTI-GLARE DEVICES ADJUSTED**

Some of the light diffusers or devices intended to redirect the rays of light are designed to be effective only when in a certain fixed position. Vibration may so loosen the glass in the rim that the glass will be permitted to creep around, in which case the whole scheme fails. Not all headlights have means for anchoring the glass permanently, so it is a matter for the owner's attention to see that the glasses are properly fastened in place. If screws are used it might do to insert a lock washer under each one.

Motor vehicles increased 379 per cent. in the period from 1911 to January 1, 1920.

**STRAIGHT TALK ABOUT USED CARS**

**Expert Gives the Public Valuable Advice on Very Important Question**

There are many good reasons for buying rebuilt cars. Also many good reasons for not buying them, writes an expert.

The most important thing to be considered in the purchase of a rebuilt car is the responsibility of the seller.

Faith, not only in the article, but in the concern offering it, must accompany the car in order that the buyer may obtain full value.

Many reputable concerns are offering motor cars whose future depends on their honesty and integrity in every transaction. They cannot afford to misrepresent.

Many so-called rebuilt car dealers are in business to make a quick profit. Having nothing invested, they do not expect to stay in business. They are not real merchants.

In no other line of business is there so great an opportunity for prices to fluctuate as there is in the sale of rebuilt motor cars. The average buyer cannot know or judge the market values, and unscrupulous "day-by-night" dealers are offered a fair chance for long profits on cars of doubtful value.

Every article of merchandise has a market value.

All rebuilt cars have market values, and the reliable dealer representing an old time and reliable manufacturer knows more about these values than any other

group of men can possibly know. There is no guess work when it comes to dealing with this kind of dealers, for with them the motor car business is just as sound as any other retail business.

If you are in the market for a rebuilt car go to such a concern which cannot afford to offer you a rebuilt car at anything but the prevailing market price.

**A Splendid Medicine For The Children**

Baby's Own Tablets are the best medicine a mother can give her little ones. They are a mild laxative which quickly regulates the bowels and stomach and are guaranteed to be entirely free from any injurious drugs. Concerning them Mrs. A. D. West, Loreburn, Sask., writes: "Baby's Own Tablets have given me more satisfaction than anything else I have ever given my children. They are easily taken; always work well and though I have given quite a few to my baby they seem to work as well now as at first, which is something other laxatives seldom do." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**High Average Mileage**

Sometimes you find a tire that gives extraordinary mileage—one in a dozen perhaps. Whereas the average of mileage given by a dozen—or a hundred—Ames Holden "Auto-Shoes" will be as high as that given by the exceptional ordinary tire.

It's the high average that counts—that cuts the cost of miles—that makes it worth while to get Ames Holden "Auto-Shoes" instead of ordinary tires.

## Editorial Notes

The stone structure on which is to be placed the tablet in memory of Wolfville's sons who fell in the Great War was completed last week and has since been the object of not a little adverse criticism from citizens. THE ACADIAN is not in a position to fix the responsibility for the selection of the design and has no wish to do so, but we agree with the freely expressed opinion that such selection was far from being a wise one. Possibly it is not yet too late to effect a change that would be a decided improvement. We would suggest that the bungalow style of architecture is now very popular and that if the top story of the present structure were removed its appearance would be vastly improved. We would also beg to recommend that provision be made for placing the tablet on the base of the monument and on a level with the vision of those who might wish to study the names contained. It is not with a desire to find fault that this brief article is written but with the wish that when completed the monument may present the best possible appearance and be a fitting expression of our regard for the memory of our brave boys.

The attention of THE ACADIAN has been called to the fact that there has been no appointment of Inspector under the Nova Scotia Temperance Act in Wolfville since 1913. This appointment, we understand, is required by law and may be made by the Governor and Council if neglected by the Municipality or town. The Council ought to appoint an Inspector at its next meeting and citizens and Council should give him hearty support in carrying out the requirements of the law.

## NAMES OF STREETS

To the Editor of THE ACADIAN.  
Sir—A communication in your valuable paper some weeks ago, proposed to change the present names of the streets, which mean nothing, to names associated with the progress and development of the town. A sense of gratitude, if nothing else, ought to stimulate the towns people to perpetuate the names of those beneficiaries, who have contributed to its welfare. A town that shews itself grateful to those who have labored in its interests invites others to add to the institutions or improvements of the town, no town can have too many benefactors. Following up this suggestion, I take the liberty of suggesting changes that I think would be highly appropriate.

## CANNING NOTES

The pupils of the High School gave a very enjoyable Supper in the Armouries Monday night, realizing thirty-five dollars as a nucleus for a laboratory fund.

The ladies of the town will present the play "Lotus Eaters" in the Armouries on Friday night next. Musical talent from Wolfville will contribute to the program. Proceeds for benefit of Rink.

The W. C. T. U. enjoyed a profitable meeting with Mrs. N. W. Eaton on Thursday last. On Thursday, 28th inst., Mrs. Eaton will entertain the Women's Institute at what promises to be a particularly interesting meeting.

The Rev. Hogan, of the Y. M. C. A. Sanatorium, Kentville, filled the pulpit of the Methodist church Sunday morning last. The pews, possibly owing to violent rain storm, were not as well filled, but those attending were amply rewarded. As we remember "Keep your powder dry" is not a Biblical commandment. Anyway our people are half men or some are. Please fix this up to suit yourselves. Your correspondent is puzzled to express the proper thought.

Mr. and Mrs. Clarence Vickery are receiving congratulations on the arrival of twin boys.

The D. A. R. express, Yarmouth bound, left the rails near Wilmot on Tuesday morning. There were no serious consequences beyond the tying up of traffic for several hours.

Mrs. B. O. Davidson entertained the Ladies Bridge Club on Tuesday evening.

On Friday evening the ladies of the Social and Benevolent Society of the Baptist church entertained the members of the Choir and the Glee Club of the Seminary in the Lecture Hall of the church. After pleasant games an entertaining programme was carried out under the direction of Dr. Spidle. Later the guests repaired to the dining room, where tempting and delicious refreshments of salads, cake, and coffee were enjoyed.

Wolfville theatre goes had a treat this week in the Young-Adams Co., which gave three performances at the Opera House on Monday and Tuesday. On Monday evening "True Irish Hearts" drew rather a slim house but those present enjoyed the play greatly. Tuesday afternoon a matinee was given when the old favorite, "Uncle Tom's Cabin" charmed and pleased a good audience composed largely of children. In the evening "St. Elmo" was exceedingly well put on and was greatly enjoyed by a fine audience. The Young-Adams Co. is a well balanced and clever organization that will deserve a warm welcome when it again comes to Wolfville. Throughout, their performances were well presented and void of anything that would offend.

**ACADIA SEMINARY NOTES**

The Closing Exercises of the Physical Training Classes, which have been so successfully carried on during the year will be held under the direction of Mrs. Edna Connaughton, in the Memorial Gymnasium, Friday Evening, April 29, 1921, at eight o'clock. The programme will include Marching, Free Gymnastics Dumb Bell and Club Drills, Games, Maze Running, etc. A limited number of tickets will be on sale at 35 cents each. Spectators will occupy the gallery. Miss Anna Mae Schneider will preside at the Piano.

**NO SERIOUS DISEASE AMONG CHILDREN**

To the Editor of THE ACADIAN.

Mr. Editor:—On having heard rumors unfounded, and untrue concerning some slight skin eruptions which have now and then occurred among some of the pupils of the Public School, it is my duty to report the facts as they are known to me. I have for the past three or four months visited the school in periods varying from a week to ten days and during those visits have given advice for the care of such cases. Chicken Pox, Measles and Mumps have kept some of the pupils at home, it being imperative to observe moderate quarantine when dealing with these diseases. Owing however to a veiled untruthful and unwarranted rumor to the effect that a more serious disease existed among the pupils I have at the request of the School Board held a consultation with Dr. Elliott. We have examined every pupil in each room of the two school buildings and as the result of our investigation, unhesitatingly state that no skin disease, other than a simple form of herpes and facial impetigo were found to be present, and the latter, only in three or four cases. These pupils are under surveillance and medical treatment. We therefore ask those who circulated the report that a certain "serious disease" existed amongst the pupils of the school, to be more guarded in their remarks in the future and cease to cast an odium where it does not belong and for which there is neither cause nor justification.  
G. E. DEWITT, M.H.D.

**Coming Events**

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

A Tea Dance will be held Saturday afternoon, April 23rd, at the Parish Hall from 4 to 6 o'clock. Admission 35 cents.

Entertainment by the Crusaders class, St. John's church, assisted by local talent, Wednesday, April 27th, Parish Hall, tickets 25 cents.

There will be a meeting of Wolfville Division, S. of T., at Temperance Hall, on Monday evening next, when it is hoped that every member will make an effort to be present as important matters are to be discussed.

**MOTOR AND LIVERY CHARGES**

To the Editor of THE ACADIAN.

Sir:—It is not conducive to the good reputation of a town to have its livery and motor car services undetermined by any regulation or by-law. No matter what the charge is—if not fixed by law—a stranger is apt to think he is a victim of imposition, and it is to his interest to be protected. On the other hand the tourist or traveller ought to be made to feel that the charges made are fair, just and legal. Wolfville is about twenty years in the back woods that it has not adopted a scale of rates for both services and have the same duly advertised in the hotels, town hall, Railway station and other places. The rates I would suggest, if the Kentville rates be not adopted are:—  
Within the Town limits,  
1 passenger 25 cents.  
2 passengers 50 cents.  
3 passengers 75 cents.  
4 passengers 75 cents.  
each trunk 10 cents extra.  
Outside the town—  
1 passenger per mile 15 cents going and coming.  
2 or more passengers, 10 cents each per mile.  
Why not have the livery and car drivers licensed as in other places, and liable to have their licenses cancelled if any extortion is attempted?  
A fixed rate would greatly stimulate business and be a great benefit all around.

**Wolfville in 1865**

(Continued from last week.)

The Randall home was occupied at the time of which we write by the late Charles D. Randall, the father of the present occupants. This house was erected by Mr. Randall's father, who lived where Mr. J. L. Franklin now resides. A school for girls was conducted here by a Miss Wells for some years, and Mr. Randall also carried on a school for some time. The latter was in its early days a frequent contributor to the columns of THE ACADIAN.

The late David J. Harris resided in the house now occupied by Mr. J. L. Franklin and carried on a general business in a store which stood on where is now Victoria avenue. The latter was afterwards used for different purposes and finally as a mission school. It was moved back of Mr. Randall's house to provide for the opening of the new street. The dwelling was remodelled by Mr. Franklin. Mr. Harris was an enterprising citizen and carried on a ship-yard on the east side of the creek and constructed a number of fine vessels. He afterwards went to New England where he died a few years ago.

Next to this was a small house that stood on the street in front of where the old carriage shop later stood. It fell a victim to fire.

The dwellings now occupied by Mrs. Black and Mr. C. M. Vaughn came next. These have undergone much change at different times. The latter was at one time occupied by a Capt. Trenholm, who sailed a small vessel to St. John and on his last trip fell overboard and was drowned.

Next came the present double-house then the old Bergin home and the house now owned by Mr. G. W. Baines was the home of John Bergin, a son of the owner and occupant of the former dwelling.

The dwelling now the home of Mr. Leslie was erected by David J. Harris for employees in his shipyard. For many years it was a tenement.

On the corner of Main street and Orchard avenue was the dwelling formerly occupied by the late Joseph Jones. This was built by Edward Paine and was removed by the late Clarence H. Borden to its present site further up Orchard avenue.

Next was the old Borden place now the property of Mr. N. Evans. It was at the time of this sketch occupied by J. W. Burns, who carried on a blacksmith business at "the bridge". This dwelling was erected by Colonel Crane and was owned for many years by the late Samuel S. Borden. It was also the home of the late Capt. G. H. Gillmore.

The present summer home of Sir Chas. Townshend was the old home of the late J. W. Brss. The present house was erected in 1888 to replace the former one destroyed by fire in February of the previous year. The first house was erected in the year 1845 by Mr. Barss who purchased the land from the late Dr. James Johnstone. The late John Woodworth was the builder and the material for its construction was brought from various places. Mr. Barss spent much thought in the erection of this house and two years were occupied in its erection. Some of our older readers will remember the night when it was destroyed with most of its contents. Mr. Barss was the foremost citizen in those days and did much for his home town. The land for Willow Bank Cemetery was purchased and presented to the community by Mr. Barss who was also a warm friend of the College and Baptist church.

The old home of the late A. D. DeWolf stood where the residence of his grandson Mr. Dwight Sherwood, now is. Mr. DeWolfe was one of Wolfville's leading orchardists. His later home is now the residence of his daughter, Mrs. T. E. Sherwood. This fine modern appearing residence was erected at an earlier date than its present appearance would indicate.

The cottage recently purchased by the Misses Johnson from Mrs. Marshall is an old one and was the home formerly of Rev. Charles DeWolf, a Methodist minister and an uncle of Mrs. Sherwood.

The property now occupied by Mr. J. F. Herbin was formerly the home of a Rev. Mr. Clark, a Church of England clergyman. It was afterwards the property of the late Dr. James Fitch, who had a very large practice. The late Edwin DeWolfe owned the place for many years

and it was sold by his family after his death to Mr. Herbin. Mr. DeWolf was for years Customs Officer at this port. Mrs. Blair is a daughter.

THE END

For years I have never considered my stock of household remedies complete unless a bottle of Minard's Liniment was included. For burns, bruises, sprains, frostbites or chilblains it excels, and I know of no better remedy for a severe cold in the head, or that will give more immediate relief, than to inhale from the bottle through the nasal organ.

And as to my supply of veterinary remedies it is essential, as it has in very many instances proven its value. A recent experience in reclaiming what was supposed to be a lost section of a valuable cow's udder has again demonstrated its great worth and prompts me to recommend it in the highest terms to all who have a herd of cows, large or small. I think I am safe in saying among all the patent medicines there is none that covers as large a field of usefulness as does Minard's Liniment. A real truisim good for man or beast.

**"FROM THE VASTY DEEP"**

Fish leather may reduce the cost of boots and shoes. The appearance of leather made from the skins of the finny tribe is heralded by tanners and shoe manufacturers as the beginning of a new national industry. Experts say fish leather will soon be used for all kinds of footwear from the finest of women's shoes to heavy hunting boots. It will also be in demand for bookbinding, bas, trunks and harness. Leather made from fish skins, it is said, equals in quality that made from land animals.

**Unusual Value Throughout This Car**

It seems to be generally accepted now that anyone who is interested in a motor car must consider the Gray-Dort.

More and more men are coming to regard the Gray-Dort as the best light car and the biggest value at any price.

This intensely favorable attitude to the Gray-Dort is the result of the complete value of this car—low price, gasoline and tire economy, unusual good looks, power, speed, comfort and long trouble-free life. Not one feature is sacrificed.

Naturally, such value makes it difficult to supply the demand. Gray-Dort dealers are able to make early deliveries to a few owners. See your dealer now.

**U.B.W.M.U. EXECUTIVE IN SESSION**

**Mrs. Grant Appointed Vice-President for Nova Scotia**

The following account of the meeting of the executive of the U.B.W.M.U. taken from the St. John Telegraph of April 9th, will no doubt be of interest to our readers:

With very great regret, the resignation of Mrs. David Hutchinson as president of the United Baptist Woman's Missionary Union of the Maritime Provinces was accepted at the closing session of the executive meeting held in the Germain street Baptist Institute yesterday afternoon. Mrs. Hutchinson had served the Union as president for fourteen years and in fullest measure had earned the love and confidence of all its members. She was an able leader and a faithful member. Mrs. W. C. Clark, of Fredericton, vice-president for New Brunswick, was appointed as president for the remainder of the year.

The executive resumed work in the morning and from 9 o'clock until 10.30 was in committee, reading the manuscript of the history of the union, which has been written in collaboration by Mrs. C. H. Martell, Miss C. R. Fullerton and Mrs. David Hutchinson, and which covers a period of fifty years. The history is to be published later and will be fully illustrated with cuts of the prominent workers in the Union.

The regular session opened with Mrs. Hutchinson in the chair and the devotional

exercises were led by her. The resignation of Mrs. M. L. Gregg as vice-president for Nova Scotia was received and was accepted, Mrs. Gregg having moved from the province. Mrs. Grant, of the Ladies' Seminary at Wolfville was appointed in her place. The principal business of the morning session was the drawing up of a scheme of pensions for lady missionaries. The scheme decided upon provided a pension of \$500 after thirty-five years of service and fixed the age retirement as sixty-five years. Any lady missionary retiring after ten years of service with the consent of the board was to receive a pension of \$200 and \$20 would be added for each additional year up to twenty years of service. Any one retiring on account of ill health would receive sympathetic consideration by the board.

The gift of a \$1,000 Victory bond from Mrs. Mason, of Halifax, which was presented to provide an automobile for the use of a lady missionary in the field, was gratefully accepted. Another lady missionary has provided her own automobile for field work and it was decided to allow her a grant of \$250 a year for its upkeep. In the afternoon session, the appointment of two ladies as missionaries, one for the Indian field, and one for the Bolivian field was considered. The appointments were deferred until further information had been received.

A committee was appointed to prepare a programme for the coming convention this fall and consisted of the following: Mrs. G. B. Cutten, Mrs. J. H. Macdonald, Miss Hume, Mrs. Edna Wilson.

**THOSE WHO GOSSIP**

(From the Winchester Press.)

A liar is a liar, and a thief is a thief, but they have no place in society. But a gossip is worse than either a thief or a liar, because they are both, and yet they are sometimes in society, yes, a majority of them have their names engraved on the church roll. If we had our way these pests would be enjoying their reward in their long home. The above observation taken from an exchange, may not be expressed in parliamentary language, and just what is meant by the liar and gossip enjoying their reward in their long home, we don't know. But the "gossiper" and the "liar" have always been, and we doubt not always will be, the pests of society. Many a pure girl and upright young man have suffered from the "they say" evil tongue that starts or repeats some evil report. But purity of life and uprightness of character will triumph in the end. The liar and the gossip is always and everywhere a coward. They stab you in the back and smile sweetly to your face. Nothing hurts them more than to compel them to prove their statement, and if you want to prove their cowardice just insist on their repeating their gossip in the presence of the person they are talking about. A prominent minister in Ottawa recently stated that he did not believe in the "old-fashioned hell of fire and brimstone," but in our humble judgement no hell could be bad enough for the person who repeats an evil suggestion that they cannot back up with facts, or casts a reflection on the reputation of any person on hearsay evidence.

**Personal Paragraphs**

Mr and Mrs. W. C. Milner are spending a few weeks in Halifax.

Mr. Fred Mills, of THE ACADIAN staff, spent Sunday at his home in Truro.

Mr. and Mrs. Nat Evans have returned from a weeks visit to Halifax.

Mr. J. C. Mitchell returned last week from a three weeks visit to Boston and vicinity.

Mrs. W. A. Chipman has been in Bridgetown this week, visiting her friend, Mrs. Warren.

Mrs. R. Earl Burgess was in town over Tuesday night, the guest of her sister-in-law, Mrs. Macklin, at the Royal Hotel.

Dr. G. B. Cutten returned on Monday from Boston and New York where he had been in the interests of the University.

Mr. and Mrs. S. B. Chute, of Berwick, returned last week from Florida where they spent the winter. Mrs. Chute was in Wolfville on Tuesday.

Mr. William Smith, Secretary of the Archives Department, Ottawa, spent the week end with his niece, Mrs. (Dr.) Leslie Eaton. He left on Monday for Newfoundland.

Mr. and Mrs. N. B. Kilcup will remove about the first of June to Hantsport, where Mr. Kilcup has purchased a home. Their many Wolfville friends will be sorry to have them take their departure from our town.

Mrs. Harrison S. Lewis and little son, who have been visiting the former's parents, Rev. and Mrs. A. H. McLeod, have returned to their home in Quebec. They were accompanied as far as Moncton by Mrs. McLeod.

Mrs. R. deW. Archibald has returned from Hants county where she delivered a paper before the W. M. A. S. of Falmouth, the oldest society of its kind in Nova Scotia, on the subject, "Notes from the St. John Convention and a Review of North-west Missions".

Mr. N. W. Eaton, Grand Worthy Patriarch of the Sons of Temperance, went to Lawrencetown, Annapolis county, on Wednesday, to visit the local Division and make arrangements for the approaching quarterly session of the Grand Division at that place on May 10th.

Mrs. J. Howard Bars left last week for Chicago, where she will visit her sister, Mrs. E. D. Burton and meet another sister from California. On her return journey she will visit her son, Ernest, in Ann Arbor, Michigan, where he is pursuing his medical studies at the University of Michigan. She will also visit relatives in Rochester, N. Y.

Miss Rosamond Archibald is the author of the slogan, "Make a Million Make Acadia", to be used in the Acadia Million Campaign.

Mr. G. H. Ruffee went to Halifax last evening to meet Mrs. Ruffee and little daughter, who were expected by the S. S. Carmania which arrives today.

Mrs. A. D. Elderkin was called to Boston last week by the illness of her sister, Mrs. Lewis Woodworth, of Waltham. She expects to be absent about two weeks.

Rev. Dr. J. A. White, General Secretary of the Baptist Young Peoples' Union of America, addressed a meeting of young people in the Baptist church on Monday evening. Dr. White accompanied by Rev. Waldo C. Machum, is making a tour of the Maritime Provinces, and his addresses and conferences are proving of great inspirational value to the leaders in young peoples work.

**DEATH OF FORMER WOLFVILLE LADY**

At Islington, Mass., U. S. A., April 12th, 1921, Frances A., wife of Wesley M. Biggs, and eldest daughter of the late Colin W. and Annie A. Roscoe, of Wolfville, passed away, aged fifty-three years. She leaves to mourn their loss, her husband, five daughters and four sons, beside her mother and two sisters.

The funeral service, which was largely attended and deeply impressive, was conducted, at the home, by Dr. Austin Kempton, a life long friend. The body was laid to rest in the Westwood Cemetery.

Dr. J. H. MacDonald spent last week in New Brunswick visiting St. John and Fredericton. At the latter place he delivered his lecture on "Lloyd George" to a large audience.
