BYE-LAWS

OF

THE AUXILIARY BIBLE SOCIETY OF NEW BRUNSWICK.

I. The Society shall be called the AUXILIARY BIBLE SOCIETY OF NEW BRUNSWICK, for the purpose of co-operating with the BRITISH AND FOREIGN BIBLE SOCIETY, in promoting the distribution of the Holy Scriptures both at home and abroad.

II. The Bibles and Testaments to be circulated by the Society shall be only those issued and circulated by the Parent Society.

III. All persons subscribing \$1.00 or upwards per annum shall be members, and all subscribers of \$20.00 or upwards, at any one time, shall be life members. The ministers of all evangelical churches in the city shall be *ex officio* members of the Society.

IV. The annual meeting shall be held on the third Thursday in May of each year, at which a Board of Management, consisting of not less than twenty members, shall be elected from various religious denominations.

V. The Board of Management, at their first meeting, shall elect from their number a President, four Vice-Presidents, a Treasurer, and a Secretary for the current year. They shall also appoint a Depository Committee, an Audit Committee, and all other Standing Committees. The Board shall meet quarterly, or as often as business may require, and shall have power to fill all vacancies. Seven members shall constitute a quorum.

VI. THE PRESIDENT.—The President shall preside at all meetings of the Society, countersign all cheques drawn by the Treasurer, and be a member *ex officio* of all Committees. Special meetings shall be called by him at his discretion, or on the written request of five members.

VICE-PRESIDENTS.—In the absence of the President, any Vice-President may preside and transact all the duties of the office.

TREASURER.—The Treasurer shall keep a proper record of the finances, deposit in a bank, to be selected by the Board, to the credit of the Society, all moneys belonging to it coming into his hands, make all cheques for the payments of the Society, furnish at each quarterly meeting of the Board an abstract statement of account, and render a full and detailed account at the end of the financial year.

SECRETARY.—The Secretary shall keep a record of all the meetings of the Society, conduct the correspondence, and generally perform such other acts as may at any time be ordered by the Board.

VII. The Board shall make arrangements for soliciting subscriptions and donations from the inhabitants of St. John, and they shall establish proper agents and correspondents in different parts within the limits of the Auxiliary Society.

VIII. The subscriptions and donations received by the Society shall be applied, after deducting incidental expenses, to the purchase of such a number of Bibles and Testaments from the parent institution as are required for local supplies, to the support of Bible women or colporteurs; and the surplus funds shall be given to the Parent Society as a free contribution.

IX. For the purpose of giving full effect to the benevolent designs of the British and Foreign Bible Society in their grant of the Scriptures for distribution among the poor, the Board shall make it their business to enquire what families or individuals are in want of Bibles and Testaments, and unable to procure them, and it shall be the duty of the Board to furnish them therewith at prime cost, reduced price or gratis, according to circumstances.

X. For the still further promotion of the circulation of the Scriptures, it is expedient to encourage the formation of Branch Societies within the sphere of the Auxiliary Society, such Branch Societies to be entitled to the same privileges from the Auxiliary Society as it enjoys from the parent institution.

XI. No change shall be made in these Bye-laws except at a general meeting of the Society, notice of the proposed alteration having been given at the previous quarterly meeting of the Board.

SUGGESTIONS

FOR THE

COMPLETE ORGANIZATION AND WORKING OF A BRANCH BIBLE SOCIETY.

Any branch which in the past has not attained eminence as a tributary to this Auxiliary—whose annual grant has not compared favorably with others in districts of less note as to population, wealth or religious privileges—is earnestly requested to consider the following suggestions of means whereby its latent resources may be made more available in the blessed cause of Bible dissemination.

1st. The Bible Society being undenominational, care should be taken to preserve its character as such, in its branch organization, and to this end the committee and collectors should, as far as possible, represent every Christian denomination in its locality. The page in the Auxiliary's Report containing the list of branches specifies only the three chief officers of each branch, viz.: President, Treasurer and Secretary; but where there are more than three denominations within the bounds of a branch, they may all be represented by Vice-Presidents, whose names may appear on the page presenting the full committee, together with the collectors and list of subscribers.

2nd. When a branch embraces an extensive district, its outlying sections should be represented also by Vice-Presidents who could superintend the work of collecting in their respective sections. Great care should be taken in choosing collectors who are competent to present, if necessary, the Society's claims; for to collectors rather than to committees belongs the honor of placing the silver and gold at the service of the Redeemer.

3rd. At every annual meeting (which it is desirable should be held during the agent's visit) the committee if necessary, should be re-cast, and collectors chosen. Should the agent's visit happen on a Sunday, such business should be transacted on the preceding Saturday. And should a Committee be subsequently impaired by death or removal of any of its chief officers, notice of such should immediately be furnished to the agent, and also the names of the persons chosen to fill the vacated positions.

4th. When a committee receives notice from the agent of his intended visit, no delay should be made in appointing the

place of meeting, and making such known from pulpit and press ; for the delay of only one day may possibly result in the preclusion of the meeting by another of a merely local character, whose object might probably as well be attained at any other time ; whereas the loss of one day means the loss of a whole year in so far as a due visitation of a branch by the agent is concerned. All ministers in the locality should receive special invitations from the committee to be present on the platform, and should also be requested to call the special attention of their congregations to the meetings and urge upon them their attendance. The editors of local newspapers should also be asked to insert a brief notice of the meeting ; and church choirs, if asked, will generally unite for the occasion, thus making the annual meeting of the Bible Society the most instructive and entertaining of the season.

5th. Each branch should decide upon always carrying on its collecting work during the month most favorable for such in its district (of which also the agent should be informed) ; and previous to the canvass the annual reports should be distributed among the best subscribers, and also placed in the hands of other persons likely to become valuable supporters.

6th. As the annual accounts of the Auxiliary are closed on the last of February, remittances, with lists of subscribers and officers, should be forwarded to the Treasurer, Joshua Clawson, Esq., St. John, before that date, but still more desirable if remitted before the Auxiliary Annual Meeting, which is usually held on the first Thursday in January.

7th. Every Branch may, if necessary, have a Bible Depository, but such should be under its own care ; part of the general contributions being applied for the purchase of the stock. The Depository may be paid a commission of, say, 10 per cent on the sales. All orders for supply of Bibles should be sent by the Secretary of the Branch to the Secretary or Treasurer of the Auxiliary in St. John.

8th. In view of a work of such transcendent importance, it is hoped that in every locality a few ladies and gentlemen may feel moved to espouse the cause of the British and Foreign Bible Society, and use their influence in making their branch an institution deeply established in the popular heart.

T. M. MACKELVIE, AGENT,

The President, John E. Irvine, Esq., in the chair.

The singing of the hymns was led by the choir of the Church.

A portion of scripture was read by Rev. John Read, and prayer offered by Rev. Dr. Morrison.

The President delivered an address upon the work of the Society.

The Secretary's report was read.

Second hymn : "From Greenland's icy mountains."

It was moved by Rev. J. A. Richardson, seconded by Rev. Ira Smith, and

Resolved, That from the increased facilities of intercourse among the nations, the strenuous exertions of the Christian churches, and the efforts of able men to maintain the truth of God's Word, we, the friends of the Bible Society, have more and more reason to look for the final success of that book which tells us that "the commandment of the Lord is pure enlightening the eyes, and the statutes of the Lord are right rejoicing the heart."

Hymn during collection : "Onward, Christian soldiers."

On motion of Rev. James L. Gordon, seconded by Mr. A. L. Law, it was

Resolved, That the thanks of this meeting be given to the Ladies' Association, and the various Branches, their several committees and collectors, for the efficient and valuable assistance which they continue from year to year to extend to this Auxiliary.

The hymn "Jesus shall reign where'er the sun" was then sung, and the meeting was closed with the Benediction.

SECRETARY'S REPORT.

The occasion for presenting the eightieth annual report of the work of the Auxiliary Bible Society of New Brunswick is at hand.

Looking backwards to the Society's inception we realize that few local institutions can claim an existence as lengthened or so honored. Very few, indeed, of the generation living at the time of its institution now remain, while all who took an active part in the Society's formation have passed away. A concise history of the work of the Auxiliary during these years, coupled with a list of the honored names connected with the management, would doubtless prove of interest to many. But it is not intended, neither would it be practicable, to give even an outline in the short space of an annual report. It is the purpose rather to refer briefly to the work of the past year, and also to present some facts of interest regarding what has been accomplished by the British and Foreign Bible Society, with which the Auxiliary is connected.

There are more than sixty branches connected with the Auxiliary, and they are located in all the principal towns and districts throughout the province. Each has its president, secretary and treasurer. The Branches undertake the distribution of copies of the Holy Scriptures and other publications of the British and Foreign Bible Society. They also secure contributions in aid of the Society's objects, and forward them to the treasurer of the Auxiliary at St. John, N. B. Public meetings are held in the districts at least once a year. The claims of the Society to the sympathy and liberality of all interested in the work of disseminating the Scriptures are then specially presented. Usually these meetings are held at a date to coincide with the visit of our agent, Mr. Mackelvie. The advantage of this arrangement to the Branch, as well as to the Agent, is apparent. A number of the Branches are conspicuous for their zeal and liberality in the cause; while others, for some reason, have not yet reached the expectation of the Society in these respects. Much good practical work has, however, been done by the Branches as a whole, and it is greatly appreciated by the Committee.

In this connection it will be in order to refer to the good work done by Mr. Mackelvie. All the Branches are under his immediate care and supervision. He regularly visits them, and has been most assiduous in the discharge of his duties. To his personal efforts and wise counsel are due, in a large measure, the favorable results which are apparent in his field of labor.

The Committee of the Auxiliary is composed of twenty-five members, who are elected annually. These, in turn, choose their own officers. Regular meetings are held quarterly, and special meetings as required. Out of the funds annually received the Auxiliary maintains the services of the Agent, who, as already mentioned, has charge of the Branches. It also employs two Bible women, whose districts embrace the City of St. John and vicinity. Their work is especially helpful and acceptable to the families of the working classes. A depository is likewise maintained in St. John, at No. 67 Charlotte street, where copies of the Scriptures and other publications of the Parent Society are for sale at cost price. From the Depository liberal grants of Scriptures are also made, either free or at reduced rates, to persons and institutions not in circumstances to acquire them otherwise. From the balance of the funds in hand grants are remitted to the British and Foreign Bible Society in aid of the work of translation, publication and distribution of the Scriptures.

The Ladies' Bible Association, of St. John, whose efforts are always appreciated, report that contributions for the present year will amount to about \$280.00.

BRITISH AND FOREIGN BIBLE SOCIETY.

From the last annual report of the British and Foreign Bible Society are gleaned the following facts, which will be found both interesting and instructive.

As the result of ninety-five years' work, the gospel is now communicated through some 350 languages and dialects.

The total issue of Bibles, testaments and portions for the year ended March 31st, 1899, was 4,479,439, being the highest yet attained, and 92,287 copies in excess of the previous year.

Since the Society's organization no fewer than 160,009,393 copies have been issued.

About thirty per cent of the year's issue were in England and Wales.

The total expenditure for the year was about \$1,093,000, of which \$514,000 was for translating, revising, printing and binding Scriptures; and \$579,000 for grants to home and foreign agencies, colportage, depots, and all other charges. At the present time there are more than 7,600 Auxiliaries, Branches and Associations in different parts of the world—nearly 5,700 of these being in England and Wales.

The Society has 725 colporteurs employed, who have sold above 1,500,000 copies of the Scriptures. These colporteurs are mostly natives of the land in which they work.

Last year 552 native Christian Bible women were maintained, their fields being principally in India and Ceylon.

On an average nearly 32,000 women have been read to each week, or over 1,500,000 yearly. Nearly 2,000 have been taught to read for themselves, and over 20,000 copies of the Scriptures put in circulation by these Bible women.

The work of translation and revision shows in each year an increase and expansion over the preceding year. The record of 1898 shows a marked advance over 1897. Active work is now in progress in over 130 languages.

Respectfully submitted,

F. S. SHARPE,

Secretary.

BIBLE WOMAN'S REPORT.

To the President of the St. John Branch of the British and Foreign Bible Society:

In entering on my seventh year of Bible work, I would acknowledge, first, the protecting care of our Heavenly Father, in whose hands are all our ways. The work is progressing in interest and power. Early in the year our new Bible woman came; for a while we visited together, and our work was very pleasant; later we parted, and she is now in other parts of the city doing a good work in the homes she visits. I have passed through my usual scenes of light and shade during the year, and the many strange people I have visited, the stories of sin and suffering to which I have listened, and through the reading of God's Word and prayer have endeavored to lead them from their evil ways and show to them the power of the Master's love. Many of my old friends have passed away, and though they were very humble, yet I miss them, having had such close connection with them in my visitations. Even my Roman Catholic friends among them are drawing nearer as the years roll on; and though their religion is full of shadow and darkness, yet I find much of common interest in my intercourse with them. When I cannot get them to understand, and they and I grow very earnest, I turn to my favorite chapter, thirteenth of first Corinthians, which is a wonderful chapter on which we can meet on common ground.

One of them told me their church was the only true church. She was very angry at a clergyman who spoke of some of its false teaching. Not wishing to leave her with a false impression of our religion, I said: "I will not argue about our churches, I will turn to God's Word. I believe this chapter is the same in your version and mine." I then turned to the chapter before mentioned. After reading it through, I spoke of God's love and said: "No matter to what church we belong, if we do not love one another we cannot see God." You would be surprised to hear what answer she gave me. "Oh, Miss, it is in our church you ought to be; you would make a splendid nun."

I have paid many visits to the Public Hospital during the year and found some very interesting cases. An old woman who lived in an alley off one of our public streets sent for me, and I

removed her to this institution, where she died last August. Her case was very interesting, but I have not space in this report to relate it. Two of our clergymen kindly visited her and partook of the holy communion with her. This was a great comfort both to her and me.

I find the Bible Society Almanac eagerly sought after by my poor people, and they are waiting anxiously for those of the present year, several having paid in advance for them.

I find of great help in my Bible work the assistance of two other kindred associations—the S. P. C. A. and the Victorian Order of Nurses. Through the instrumentality of the first many changes have been made—men have been compelled to treat their wives and children in a more humane manner; and in passing I would remark that only one case has come under my notice where the woman abused her husband, which speaks well for the poor suffering women of our city.

In connection with the second mentioned society, I have found their ministrations of great assistance, especially in homes of very poor people, and hope they may be strengthened and encouraged in their work not only by the aid of God's Holy Spirit, but by the sympathy and financial assistance of all Christian people; and my prayer is that the Master Himself will continue to guide and protect His work, and that His Holy Spirit may be poured on all those working for Him, so that they may be filled with faith and courage.

Before closing I wish to call the attention of the committee to the condition of the people at the east end of our city. The lives and morals of these people are in a very low state, and something practical ought to be done to raise them to a higher standard. As a specimen, I might mention that when I made my usual visit there on Christmas eve I found two parties—a man and a woman—chasing each other and using profane and obscene language. Two clothes-lines filled with clothes obstructed their way, and at times it was such a medley of dark clouds and clothes-lines that it was hard to tell one from the other. Finally the woman emerged from some unseen place with a hatchet in her hand. This ended the disturbance; the man not being proof against cold steel, he ran into his wretched den; and when I came out of the tenement where I had been waiting till the war was over, the woman made her way across the alley into another wretched hovel. I followed her, when she ran into a bedroom, closing her door behind her. I called, but received no answer. A little child was in the room, which was without a

spark of fire, shivering with the cold. I gave the little one some candy I had brought with me. Made my way across the alley into another abode. Here I found an old man feeding a little child with a mixture of bread and water. Lying on a bed in one corner was an infant two months old. The man said the mother was out to work. I visited four other tenements and distributed oranges, candy and cards to the children and old women. I found in one tenement the following inmates: one white woman, two colored women, one colored man, one little boy, five dogs, one hen, and one parrot. I occupied a rocking chair in the centre of this group. In another tenement I asked for a large print testament I had left there a short time before. I was surprissd to find it rolled carefully in paper to keep it clean for me till I should call to read for them.

From the sketches here given you will see the need of much work yet to be done in these districts.

I wish to thank my friends for money and clothes provided for those in need of them. I wish, in particular, to mention one invalid lady who regularly, year after year, buys a number of testaments and portions, praying over them that they may be blessed to the recipients; also for a donation of two dollars, which she puts away, calling it the Lord's money, and which she will not touch for any other purpose.

I now close this part of the report with a thankful heart, leaving all in the hands of our dear Heavenly Father. What the new year has in store, I know not; but this I know, we are still safe with Him, and whatever success we may have will be seen in His own good time.

"So be it, Lord, Thy throne shall never
Like Earth's proud empires pass away;
But stand, and rule, and grow for ever,
Till all Thy creatures own Thy sway."

I have made during the year 1,699 visits, 1,169 families where reading or prayer was offered, 121 Bibles sold, 137 Testaments, 205 Portions, 891 Almanacs; given away 426 Bible Gleanings, Reporters and papers; attended to 12 special cases; distributed clothing and assisted with small sums of money.

As to the results of this work, my earnest hope is that it may be blessed to all engaged in this grand and noble work.

Wishing all a very Happy New Year, I am,

Yours respectfully,

EMMA M. WESLEY.

AGENT'S REPORT.

To the President and Committee of the New Brunswick Auxiliary Bible Society :

GENTLEMEN,—The time has again arrived for the submission of your Agent's annual report of Branch visitation and review of work accomplished by the Society's friends in the province. About a month ago I had the honor of presenting my report to the Nova Scotia Auxiliary, and as soon as I finish this I again leave home to continue my first round for the season in that province. Last year I began my work on May 3rd, on which night we had a fair meeting at SHEDIAC, with a plate collection of \$3.35 and the promise of a good subscription later on. I do not expect that Shediac can do very much for us in future, as it is annually becoming a French town. I nevertheless always intend to call there as I can get at least a plate collection, and have an early start by train on my western trip, thus saving almost a whole day in reaching St. John.

Availing the favor of a season's free pass on the Star Line I reached PRINCE WILLIAM, York Co., on the 6th, and on the following Sabbath addressed three Presbyterian congregations, being conveyed from place to place on both sides of the St. John River by the Rev. Wm. Ross, the President of Prince William and Dumfries Branch. On Monday we had a small meeting at HAWKSHAW in the same Branch—plate collection 43 cents. I conveyed your thanks to the Rev. Mr. Ross and his congregation for last year's very liberal contribution, and I hope that every year \$50 thus so kindly given to our cause will be fruitful of much joy to the givers and priceless blessings to thousands who may receive the Word of God through their abounding liberality. On the "Aberdeen's" return trip up river on Tuesday I landed at NORTHAMPTON. There I learned that no meeting was expected, but a run among some friends, and the vigorous ringing of the bell of the old Scotch Kirk soon gathered a goodly number of people; and after enjoying the hospitality offered by Robert Brown, Esq., I was kindly conveyed by him on Wednesday to WOODSTOCK. We stopped on the way a short time at the resi-

dence of Mr. Hemphill to convey to him our greetings, and was glad to see once more the venerable president of Northampton Branch in the enjoyment of good health. On arriving at Woodstock I learned that no meeting had been appointed, or contribution raised, except that which was given to you by the president as his own subscription of \$10.00. I therefore appointed a meeting that I could attend on my return down river, and by calling on some of the leading citizens I gathered \$13.58. At that meeting some new officers were appointed, and the promise of a general canvass of the town was given; but at this writing I have no information that such was accomplished. My correspondence, however, lately may promote this very desirable action on behalf of our cause.

I was very kindly received at JACKSONVILLE on the 11th, although the meeting there was small. I got the collection of \$1.38, and fifty cents the following night at WATERVILLE from my kind host Mr. Ernest Plumer, which sum, when added to what you have lately received, shows a total from Jacksonville Branch of \$16.48, and indicates an advance in our cause there.

On Sabbath, the 14th, I addressed two good meetings at LAKEVILLE and BLOOMFIELD (Carleton Co.) At the former place I received on the plate ninety-five cents, and was also handed \$3.00 as the gift of the Sunday-school. I am always deeply indebted to my friend, Mr. Colin King, for his warm hospitality and for conveyance to Bloomfield at a time of the year when the roads are very bad.

At Bloomfield meeting I received the plate collection, \$1.83, and on the following day \$4.00 from my very kind friends the Misses and Mr. Sherard.

On Monday afternoon I walked to CENTREVILLE, where I was assisted in gathering \$9.00. We had quite a good meeting in the Methodist Church, but I regret the difficulty in arousing such interest in Bible Society affairs as would procure a contribution worthy of that business village in the centre of a rich agricultural country. On the 17th we had a small meeting in the Baptist Church at FLORENCEVILLE—collection fifty cents, and the promise of a general canvass there and in GREENFIELD. The following day at ANDOVER we had also a small meeting. During my short stay there I gathered from a few friends \$8.03, and was hopeful that a further gift would soon follow. I was at BRISTOL on the 19th, but the night was very stormy and only a few persons came to our meeting. On my return there on Monday I received from a collector \$4.75.

My trip on the 21st to GLASSVILLE was not very profitable, financially considered. From the plate I received \$1.66, and from Mr. John Ronald \$1.00. I was glad, however, to see my old friends there, and I am sure that under circumstances more favorable than then we will in future bring away with us a more substantial token of their regard for the Bible Society.

Although the night was fine when at HARTLAND, the meeting was very small. I collected from a few friends in that village \$5.03, and was promised a canvass of the place and adjacent parts during summer or autumn. At DEBEC we had a small meeting, with collection sixty-two cents. On Sabbath, 28th, I held three other meetings in the same (Richmond) Branch, obtaining in these contributions, including Debec, \$3.81, and I notice that your Treasurer has since received \$16.80. On Monday following, at a meeting at HARVEY STATION, I obtained thirty-one cents, and from Mrs. W. E. Smith \$1.00. This place is connected with Fredericton Auxiliary, but I fear almost nominally so. I call there occasionally with the view of stirring the people to more action on its behalf,

We had a small meeting at PATTERSON, with collection forty-six cents.

At WELSFORD on the 31st our meeting was, as usual, very good. There I was assisted by the Revs. Armstrong and McCully. The plate collection, \$1.52, was given to me, and I think that you will ere long have a good subscription list from that Branch. On the 1st June we had a fair meeting in St. ANDREWS, at which the Revs. Berry and Mahon gave very encouraging addresses. My visit to MILLTOWN (St. Stephen) was inopportune. A series of religious meetings there had just closed that day. The good people, I was told, were "played out," at least all but the very few who came to our meeting were so. I received on the plate ninety cents. Regrets were freely expressed at my untimely visit, for a revival of interest in Bible Society affairs is very desirable in that part of St. Stephen Branch. On Sabbath, the 4th, I addressed three meetings. At PENNFIELD in the morning, and in St. GEORGE afternoon and evening. The collections at these, assisted by two individual subscriptions, were \$10.06. I also received from our Depositary there \$5.46 for Bibles sold, which latter sum I handed to your Treasurer in St. John. I addressed a small meeting on the 5th at PISARINCO. On the 7th, accompanied by the Rev. N. A. McNeill and Mr. John F. Frost, the president and secretary of Hampton Branch, we drove to SMITHTOWN, an outlying district

of Hampton, where we had a very successful meeting in the Baptist Church, with plate collection \$1.34. This was our first meeting held there, and doubtless the stirring address of Mr. McNeill helped to swell Hampton's large subscription list this winter. On Saturday, 10th, I reached WHITNEYVILLE, Northumberland Co., and on the following Sabbath held a meeting and received \$1.50. Another meeting had been arranged for me at RED BANK, but I was not informed of it in time to reach there. We had a very good meeting at BELLEDUNE, Gloucester County, on the 12th, when I received \$7.33.

When at CAMPBELLTON, on the 14th, I collected \$17.25, and was promised a general canvass of that town and vicinity later on.

At DALHOUSIE and EEL RIVER, on the 15th, I collected \$13.37.

On Sabbath, 18th, I addressed three meetings in the Presbyterian congregations of CHARLO, NEW MILLS and JACQUET. From a few friends in these places I collected \$9.00, and, in response to my appeal, I received from the congregation in November \$20.00. I most heartily thank that kind congregation for their annual remembrance of the Bible Society.

When at BATHURST on the 19th we regretted the absence of Rev. Wm. Harrison, president of that Branch. The night was fine and the meeting well attended. I obtained \$4.74, and I am sure that you will be glad at seeing the grand subscription list of \$59.77. Although our friends there do not seek for our praise, yet such in the highest terms is due. If reports are true, the Bathurst Branch will next June lose its present talented and esteemed president, to whose efforts its success during the last few years has been mainly due. I hope, however, that he will leave the pattern of his mantle in Bathurst, for neither church nor state can, for many years to come, afford to lose his personal presence and form.

On the 20th we held a small meeting at HARCOURT, with collection sixty-eight cents.

When at BASS RIVER on the 21st the weather was very stormy, and consequently our meeting was small. I am very glad to see from the Treasurer's memo. of receipts that several contributions from there and NICHOLAS RIVER came in during the past year, amounting in all to \$20.52. Such is very good from that inland Branch. The 22nd was also a very wet day, but it cleared up, fortunately, in the evening, and we had a very good meeting in RICHIBUCTO, and on the following night the

meeting at KINGSTON was also good. The collections were respectively \$2.12 and \$4.56. At both of these meetings we were ably assisted by the Revs. Messrs. Meek and Bury; the other ministers of the town being from home, we were all the more indebted to these gentlemen for their valuable services on both occasions. I am delighted at seeing the present noble subscription list from that old and loyal Branch, amounting (with \$6.68 at meetings added) to \$66.59. This large sum calls from us deep thanks to the ladies of Richibucto and Kingston.

I held three meetings in BUCTOUCHE and vicinity on Sabbath, 25th, and obtained plate collections amounting to \$5.65, and the promise of a collector's canvass. The amount may not be large, but such will be gratefully received, knowing that the Protestants there are few in number, while their obligations are heavy for support of their several churches.

On the 1st and 2nd July I addressed meetings at COCAGNE and McDOUGALL and SCOTCH SETTLEMENTS, Kent and Westmorland Counties, and am glad to notice an advance in the annual gift from the latter mentioned Branch. These meetings closed my first round of the season in this province, and on the 4th I started on my second trip through Nova Scotia.

On August 12th I visited BOTSFORD Branch in the hope of addressing two or three meetings on the following Sabbath, but I was unfortunate in obtaining only one meeting at the UPPER CAPE.

On the 18th, by the kind help of George Raymond, Esq., ex-president of Hampton and Lower Norton Branch, we had a very good meeting in BLOOMFIELD hall, and collection \$1.90. I deeply regretted to have to put him to so much trouble in conveying me early the following morning to Hampton Station, a distance of seven miles, at a time, too, when all his horses were needed in the hayfield; but by his kindness I made train and steamboat connection for SHEFFIELD, where I had three appointments the following Sunday. At Sheffield I had the favor of the Methodist pulpit in the morning, that of the Congregational Church afternoon, and was conveyed to LAKEVILLE in time for evening service in the Methodist there.

The following day we had a fairly good meeting in UPPER MAUGERVILLE hall. As usual, during my visit to Maugerville I was kindly entertained by the Honorable Archibald Harrison, who also arranges for our meetings in the upper part of Sheffield Branch, and to whose family our Society has for many years

been deeply indebted for valuable aid as contributors and collectors.

Last year SHEFFIELD did most nobly for our cause, and I expect that in a few days you will receive another no less valuable contribution from that, perhaps the oldest of our Branches, and which still embraces so many good subscribers. Of all Christian philanthropies, the Bible Society has the warmest place in the hearts of the cultured residents of Sheffield. At LAKEVILLE CORNER meeting I received \$1.02, and at UPPER MAUGERVILLE \$1.37.

On the 22nd we had a small meeting at LOWER JEMSEG (Cambridge Branch), when I received seventy-nine cents, and also arranged for another meeting in the eastern part of the Branch. A heavy rainstorm interfered somewhat with our meeting at DOUGLAS HARBOR (Grand Lake) on the 23rd. On that occasion the esteemed secretary gave a brief but very interesting review of the Branch's history, and of the long term of happy service of himself and his friendly associates engaged in our cause. Too much praise cannot be given to Mr. Wm. E. Palmer, the sole collector for this good Branch, and to whom, for a great many years, we have been indebted for an annual subscription list, averaging \$25.00.

We had a very good meeting on the 24th at GAGETOWN—collection \$1.46. While conveying our thanks at the meeting for past favors, I again urged the committee to endeavor to take in a wider range in their canvass. There may be hundreds of persons in their neighborhood who would gladly share in the work of sustaining our Society if asked to do so.

On Sabbath, 27th, we held a meeting in the Free Baptist Church at NORTON STATION. I received the collection, \$2.62, and also a collection of \$1.55 taken up in the same church after one of my former visits. I also received \$1.00 as the subscription of Miss Baxter. In all \$5.17. This place is in Sussex Branch.

On Sabbath, September 3rd, I addressed meetings at BRISTOL and BAIE VERTE. The former place is the extreme west of Botsford Branch.

I was indebted to my friend, the Rev. S. Howard, for conveyance from place to place, and for platform assistance in these Methodist Churches.

On the 5th I expected a meeting at SALISBURY, but was forestalled by an important meeting on that evening in the Baptist Church.

On the 6th, when at HILLSBOROUGH, the weather was so wild that only four persons ventured to our meeting. Hillsborough did very well for us last year, and I am hopeful for a continuance of favors from that Branch.

On the 7th we had a fair meeting in the Methodist Church at ALBERT—collection \$2.07. On the 8th, at NAUWIGEWAUK, we had a large and very interesting meeting. The Revs. McNeill and Douglas drove all the way from Hampton Village to render platform service. I received the collection—\$2.30. This was my third meeting within the bounds of Hampton Branch, and the second in the season which Mr. McNeill arranged for and attended. I regretted that an engagement elsewhere prevented me from attending Hampton's annual meeting in the winter; but I learned from Mr. Frost that the meeting was quite a success, and the subscription list lately sent in the very best in the Branch's history—\$128.00; to which may be added \$5.54 at my meetings, making the grand total \$133.54. Such good work merits our highest praise of all concerned in rolling up so valuable a sum. The following clipping from a newspaper tells of the meeting, the reading of which may stimulate action in some other Branches as to "*how to do it*:"

HAMPTON, Kings Co., February 7.—Last night the annual meeting of the Hampton and Lower Norton Branch of the Auxiliary Bible Society was held in Agricultural Hall, and was attended by one of the largest audiences ever gathered within its walls. The platform was occupied by the speakers of the evening, and a choir of singers gathered from the respective church choirs, who sang two anthems and led the congregation in the hymn tunes at intervals throughout the evening. The harmony, precision, expression and spirit with which these pieces were given under the direction of the organist, Mrs. R. A. March, formed a pleasing feature of the occasion. Rev. N. McNeil (Baptist), president of the Branch, occupied the chair.

The first speaker, Rev. R. J. Douglas (Presbyterian), referred to the aims and objects of the Society, and then, going back to the founders of Christianity, traced the history of the "written Word" down to our times. A brief reference to financial matters, and a strong appeal for help, closed a most interesting address of forty minutes' duration.

William Frost, secretary of the Branch, reported on the visits paid by the Agent and the amounts contributed during the year, as compared with those of last year, and read the list of collectors through whom the treasury had been sustained. There were still a number from whom returns had not been received, but the total receipts would probably reach \$140.00, as against \$127.00 for 1898.

Rev. Thos. Stebbings (Methodist), the next speaker, opened with a complimentary reference to the widespread influence and high moral character of the daily press of the day, and to the more refined and elevating tone of our general literature, which undoubtedly were largely

due to the extended circulation of the printed scriptures and the spoken truths they contain, as brought to the people by the preachers of righteousness in all lands. Several phases of the methods pursued by the British and Foreign Bible Society were dwelt upon, particularly the free distribution of the scriptures.

The last speaker was Rev. D. J. Fraser, of St. Stephen Presbyterian Church, St. John, who addressed himself to the discussion of questions touching the "higher" criticism to which the Bible has been subjected in these later times, and its effect upon the standing and authority of the doctrines it sets forth, so far as man's belief in God and righteousness are concerned. Scholarly, polished, chaste in style, and logical from first to last, the address made a profound impression upon the audience.

A collection amounting to \$7.05 was taken up; the officers of last year were re-appointed; thanks were returned to the collectors, choir and speakers; a hymn was sung; the benediction given by Rev. Mr. Douglas, and with "God Save the Queen" the people went to their homes, satisfied that they had enjoyed the best Bible meeting held in many years.

On the 11th September we held a small meeting in Cody's hall, Johnston Branch—collection sixty-one cents. I am glad to know that Mr. Cody succeeds so well every year in gathering funds for our cause. This Branch bears the name of a parish, but it may properly be called Cody's, for in that little settlement alone is any help obtained for our cause, until we reach English Settlement, or Highfield, on its eastern border. The following day we had a good meeting in ENGLISH SETTLEMENT. In addition to the plate collection of \$1.12, I received two collectors' cards with \$5.75, in all \$6.87. On the 13th, at our meeting in SCOTCH SETTLEMENT (Kings Co.), the collection was eighty cents, and you have since received that little Branch's gift.

On Sabbath, 17th, I addressed three good meetings in CHIPMAN Branch, with collections as follows: Red Bank Presbyterian Church, \$5.85; Salmon Creek Church, \$7.45; and Baptist Church, \$4.11; in all \$17.41. I was very grateful for this good sum in a place where two new churches were just about to be opened.

On the 18th we had a fair meeting in the Methodist Church at JERUSALEM. Our thanks are due to the ever-faithful president of that Branch for the good subscription lately obtained.

On the 19th I addressed a meeting at CAMBRIDGE—collection seventy cents. I notice that your Treasurer has lately received \$25.23 from that Branch. I hope that more will follow, for that sum is just about half of the average contribution from Cambridge. I had intended to have one or two other meetings in that parish, but circumstances prevented such being accomplished.

On the 20th I was at HAMPSTEAD, but a very wet night prevented our meeting.

On Sabbath, the 24th September, two meetings were held in the Methodist Churches in SACKVILLE under the auspices of the Bible Society. At both of these meetings the president of the Branch and the Rev. Dr. Sprague presented the Society's work and its claims upon all Christian people, but their addresses in the evening were especially good, and promotive of the Book's glory as the inspired word, and of the success of the Society, whose single aim is the circulation in every tongue of the saving oracles of God. I have not yet heard the amount of Sackville's contribution for this year, but I trust that notwithstanding the very urgent calls there for church and college funds, your hearts will be again cheered with a sum equal to that of last year.

On the 25th we had a small meeting in PETITCODIAC, when some officers were elected for Branch work. Collection fifty-five cents, but I have yet to learn the sum of the promised canvass of the village.

On the 26th, at CORN HILL, I received some collectors' cards with \$13.00. That sum shows quite an advance in that Branch, and for which success we are indebted chiefly to the efforts of the esteemed secretary, Mr. John Debow, to whose kindness I am always greatly obliged for hospitalities and conveyance by the way.

At NEWTOWN we had a small meeting, with the collection the same to a cent as that of the previous year.

At CARSONVILLE the meeting was fair—collection forty-five cents, and the promise of a general canvass in the fall or winter.

The meeting at MILLSTREAM on 29th September was smaller than I expected. I got the collection, \$1.17, and I trust that ere this you have received the results of a general canvass. This finished my second journey among the New Brunswick Branches.

On the 6th and 7th January I visited again the Branches of BOTSFORD and BAY VERTE and PORT ELGIN, and addressed very good meetings in three places. Botsford still makes a good record, and Bay Verte and Port Elgin Branch is steadily growing in value to our cause. The officers of both Branches, in commendable loyalty, magnify their office, and faithfully discharge the work to which they are called.

DORCHESTER Branch held its annual meeting on the 8th. The weather was far from favorable for a large gathering, still the attendance was fair. The Honorable Justice Hanington,

president of the Branch, as usual, on such occasions, gave a stirring address. Appropriate resolutions were moved and seconded in very profitable and felicitous speeches by the Revs. J. Roy Campbell and Lamb. I have learned that the contribution of Dorchester is equal to that of last year, which is really good for a town which has already contributed so well towards the African campaign, and many charities.

On the 9th the weather was charming, and everything favorable for the SUSSEX annual meeting. The Baptist Church was well filled, and the addresses of the ministers of the various churches were appropriate to the occasion and very cheering. I hope that Sussex's gift will soon be in your Treasurer's hands, and the expected advance will justify the president's expressed hope and gladden his heart. At the outlying district I received (as mentioned on another page) \$5.17.

On the 11th we had a very good meeting in BARNESVILLE (Upham and St. Martins Branch); indeed the Reformed Presbyterian Church was filled from pulpit to vestibule, and every chair on the platform was occupied. The functions of the chair were ably and felicitously discharged by the new president, Samuel Patterson, Esq., and stirring addresses were made by some ministers of the district and from St. John. To the Revs. Messrs. Thompson and Beattie, who travelled so far to encourage our cause, we owe a debt of gratitude; and also to Mr. J. W. Smith, of Hampton, for his unfailing services in providing conveyances for the deputation over a usually rough road, and on a journey which generally terminates about midnight. We are again delighted to see such a large contribution from UPHAM and ST. MARTINS. The sum of \$156.23 means an immense amount of plodding work by the collectors, as well as good business tact on the part of president and committee. I may state here that during summer I had the privilege of giving three addresses in and near St. Martins, and if arrangements can be made by the committee (of the Branch) I will gladly double my past efforts to strengthen the cause in other parts of that extensive Branch.

On the same night of Barnesville meeting MONCTON Branch held their anniversary, the report of which is given by the following clipping from a newspaper of that city:

WEEK OF PRAYER SERVICE.—The Bible Society meeting in the Central Methodist Church last evening was a great success in point of numbers and interest. The officers of the year were elected. The singing was enthusiastic, the prayers fervent, and the address on the Bible

by Rev. Mr. Parshley were most appropriate. It was thoughtful, eloquent and earnest, and must be productive of great good. The following officers and representatives from the different churches were elected for 1900: James McAllister, President; all the local clergymen, Vice-presidents; A. E. Chapman, Treasurer; G. A. McWilliam, Secretary. Representatives from the Presbyterian Church, Messrs. George Younger and Murdoch McLeod; Wesley Memorial, J. S. Marnie and T. Sands; Reformed Episcopal, Capt. Masters and Thos. Williams; Central Methodist, G. J. Oulton and F. G. Hunter; Church of England, G. A. Dodge and D. McManus; First Baptist, J. J. Wallace and A. H. Jones; Free Baptist, C. Nielsen and G. A. Harshman; Reformed Baptist, A. Good and Geo. Harrop.

The clergymen of the various churches will have collectors appointed, who will solicit the yearly subscriptions from the members of their congregations; and as the work of these collectors is wholly voluntary, the citizens are requested to make it as pleasant as possible for them.

The report for last year shows \$137.45 collected in Moncton. Owing to a number of subscriptions not being received before the first of March, they were not in time to be published in the report of last year.

A report of the work of the Society for the last year can be obtained by calling at the Y. M. C. A. office.

I went to MIDLAND, Springfield Branch, on the 12th, but the day was stormy and we had no meeting.

On Sabbath the 14th I had the favor of the pulpit in the Presbyterian Church, WATERFORD, and was kindly conveyed to MECHANICS' SETTLEMENT in time for another meeting in the afternoon. The snow was very deep, and our progress over the mountains of Donegal very slow. It was near midnight when we returned to Waterford. The friends in Waterford promised a canvass as soon as possible, and those at Mechanics may soon be again able to send us a token of their loyalty to the cause. The following night we had a small meeting at PENOBSCQUIS, where we have a few annual subscribers in connection with Sussex Branch.

January 17th was a very cold day, hence our meeting at BELLEISLE STATION was poorly attended. This is a part of Springfield Branch, but only occasionally renders any financial aid. I hope that the Rev. Mr. Pickles, my kind host on that visit, will be able to obtain a collector.

On the 7th and 8th February I held meetings at POINT DE BUTE and JOLICURE, and received the plate collection of \$1.34 and \$1.27 respectively. I hope soon to hear of that Branch having advanced to a place in our financial columns worthy of its position in the province, and such as may be expected of a people rich in heritage and social and religious privileges.

This closed my travels for the year in New Brunswick.

Since then I have taken short trips across the border for Sunday services; but I have chiefly remained at home in order to accomplish necessary correspondence with the slow Branches in both provinces.

As to the Branches of the Auxiliary. I think the most of them are in a healthy condition; some, indeed, are growing from year to year. I will not be surprised if some contributions may fall short of former years, for, although crops have been abundant, and the lumber industry prosperous, yet there have been urgent demands upon people lately in support of the Patriotic Fund, the Red Cross Society and the overwhelming oracle called "The Century Fund,"—an oracle of a thousand tongues—for is not every minister in its service, and at whose eloquent appeals the purses of rich and poor are freely emptied. And now comes the wail of sufferers by famine in India—a cry that must touch every heart and draw from us what help we can give. If in spite of all these appeals for help we can even hold our own, we are justified in still expressing the opinion that the Bible Society still stands higher in the affections of our people than does any other institution of a philanthropic nature.

In closing this, perhaps already too lengthy report, one word more will, I trust, be kindly received by those to *whom it may concern* among our friends, the officers and collectors of country branches. Avoid making a canvass in mid-winter, if such can be more easily accomplished in summer or autumn. Ladies who volunteer their service usually prefer mild weather and good roads. Let collectors have plenty of cards, so that each can always have one in pocket, and thus be able to embrace every opportunity of presenting the appeal; but cards, if crumpled, can be copied with ink on another card or sheet of paper.

As the Auxiliary now supplies the Agent with a few hundred Bible Society Almanacs or wall calendars for free distribution among collectors and officers, the same will be mailed to the Branches about Christmas. Should in any case such be forgotten, the Agent will mail these on application to his home address. My thanks are due to the proprietors of the Star Line and Grand Lake steamers for free passes from year to year. Happy in the continuance of this good work, and thankful for health and all journeying mercies, I am,

Yours truly,

THOS. M. MACKELVIE.
