Large Reinforcements To Be Sent By The Allies To Balkans

Greek Government So Notified By Britain and Russia

Railway Line Has Not Been Cut and Bulgarians Have Been Thrown Back With Heavy Losses

London, Oct. 18.—The decision of the Entente Powers to send large reinforcements to the Balkan front is indicated in a despatch from Athens today to the Exchange Telegraph Company. It is said this decision has been communicated to the Greek government.

This information was conveyed, the correspondent asserts, in a friendly note from the British and Russian ministers at Athens to the Greek government. The note is said also to have pointed out that the Quadruple Entente's interpretation of Greece's treaty obligations to Serbia apparently was not in conformity to that of the Greek government.

Paris, Oct. 18.—Denial is made, in Athens, that railway communication between Saloniki and Nish has been interrupted. The Athens correspondent of the Havana News Agency reports also that the arrival of the first train bearing French soldiers wounded in fighting with the Bulgarians is expected at Saloniki.

The Heats of Athens says that the arrival of French troops has prevented the Bulgarians from interrupting railway communication. The Bulgarians, this newspaper states, were thrown back with heavy losses. A train has arrived at Saloniki on its way to Monastir, in Southern Serbia, near the Greek border, carrying the books and money of the Serbian national bank. The train showed the marks of the rifle fire through which it had passed.

Paris, Oct. 18.—A Russian declaration of war against Bulgaria is imminent according to the Petit Parisien. "The declaration of war," says the newspaper, "probably will coincide with a manifesto to the Bulgarians by Emperor Nicholas, which will characterize the Central Powers from the entry into the war. The delay in publishing the two documents is due to the fact that they had to be sent to the Czar at the front. Italy also is preparing to proclaim a state of war against Bulgaria. Premier Salandra has sent the king, who is in the firing line, the text of the declaration he has drawn up in collaboration with Baron Sonnino, the foreign minister.

"The Italian navy will assist in enforcing the allied blockade in the Aegean Sea."

Rome, Oct. 18.—Italy has declared war on Bulgaria, according to an announcement by the Italian News Agency.

Another view of reason for war in Balkans

Naples, Oct. 18.—Travelers from the Near East assert that the real purpose of the present struggle in the Balkans is not to prevent the sending of munitions and food to Constantinople, but to prevent the Central Powers from cutting off the supply of munitions sent to Russia by her allies over the Saloniki-Nish railroad.

They say that the Bulgarians were in the best position to carry out the plan of cutting off these Russian supplies, and at the same time deprive Serbia of munitions from the same source.

Serbia Operations.

Milan, via Paris, Oct. 18.—The Bucharest correspondent of the Secolo telegraphs that the Serbians are striving to occupy Widin, to prevent the Germans from establishing communication with the Bulgarians by the Low-Palanka route. The Serbian army is seeking to envelop the Bulgarian troops operating in the direction of the Timok River.

JUDGE McLEOD OF P. E. I. DEAD

Charlottetown, P. E. I., Oct. 18.—McLeod, judge of the county court of Prince county, died this morning in Summerside, after a year's illness. He was born in 1848, and was formerly a member of the law firm of Hodgson & McLeod. He was premier and attorney general 1888-91 and appointed judge in 1898.

DEATH OF MRS. CATHERINE HORGAN

The death of Mrs. Catherine Horgan, wife of Jeremiah Horgan, took place last night at the Sisters' Infirmary. Besides her husband, she is survived by five sons, John and William of Boston, and Lewis, Jeremiah and Michael, of this city; also six daughters, Mrs. J. Clancy, Mrs. J. Hanna of this city, and Misses Catherine, Gertrude and Josephine at home, and Maud of Worcester, Mass. Four sisters and three brothers also survive. They are Mrs. Annie McGovern, Mrs. Mary Desmond and Mrs. Bernard McGovern of Boston, and Mrs. Mary Horgan of Golden Grove. The brothers are George, William and Edwin Duffley. Mrs. Horgan was well known and respected and her death will be heard with regret by a wide circle of friends.

Votes for Women's Election

Newark, N. J., Oct. 18.—The fight for woman suffrage in New Jersey is on today.

No Weakening at Dardanelles To Aid Serbians

London, Oct. 18.—The Athens correspondent of the Daily Mail telegraphs that reports of a depletion of the forces at the Dardanelles or a slackening of the operations there in order to assist the Serbians are characterized by a military authority as purely fantastic.

The allies on the Gallipoli Peninsula, says this authority, have been reinforced and are holding their positions stubbornly. Their pressure against the Turkish line, is in fact, described as being so strong that not one Turkish soldier can be released for assistance to Bulgaria.

WESTMORLAND SOLDIER DIES WHILE PRISONER

Private Sydney C. Renton of Stileville Was Wounded at Ypres

NEWS OF LOCAL SOLDIERS

The 85th at Full Strength in a Month—Indian Guide, Jim Paul, Going With 88th "To Get the Kaiser's Scalp"—Recruiting in Westmorland

Another Westmorland county man has given his life for his country—The Sydney C. Renton, son of John Renton of Stileville, who enlisted with the 10th Battalion is officially reported to have died while a prisoner of war.

Last April, soon after the battle of Ypres, the 10th Battalion received word that he had been wounded. Fears that he had since died were confirmed on receipt of a telegram from the adjutant general at Ottawa to Mrs. Ebenezer A. Wilson of Hildesburg, sister of the soldier stating that he had died while a prisoner of war.

Private Wilson went west several years ago and entered the employ of the C. P. R. At the time of his enlistment at Lethbridge, Alberta, he was a driver on the road. He is thirty years of age and unmarried. Mrs. Wilson has been doubly bereaved since the beginning of the war. Her son, Gordon Allen Wilson, who enlisted with the New Brunswick battery, under Major Anderson, died of cerebro spinal meningitis at Salisbury Plain on December 22.

Battalion in a Month

Amherst News.—The 88th Battalion has arrived at full strength according to word received. Recruiting officer Major W. A. Fillmore this morning. It is barely a month since the adjutant general was recruiting for this regiment to the time of its complement of men being filled. It is not mistaken this is a record for the maritime provinces and the greater portion of Canada.

Moxton Men Heard From

Major S. B. Anderson, writing from "Somewhere in France" to H. C. Ward, deputy recruiting sergeant, Moxton, says he is as hard as a prize fighter and is feeling fine. He is now in the hands of the Germans. He is now in the hands of the Germans. He is now in the hands of the Germans.

Given Wrist Watch

Francis Stinson on Saturday night, Lieut. Clements secured a total of twenty-eight recruits for the 88th Battalion.

Orders were received by Recruiting Officer McCaffrey, in Fredericton, Monday, to commence recruiting for No. 4 Overseas Siege Battery, which is to be mobilized at St. John. The first volunteer sworn in was Geoffrey Bidlake, who has been head clerk at the Queen hotel.

Other Fredericton men who had volunteered with the battery have received instructions from Lieut.-Col. B. R. Armstrong to report at St. John as soon as possible. Seven Fredericton young men in all have been accepted for the battery, and they all received notification to report at Partridge Island. The latest volunteer who has been accepted is Fred W. Nesbitt. He served three years in the Royal Canadian Regiment.

Other six who have been accepted are: Harry A. Gibson, Gerald A. Hubbard, Guy Horncastle, Brock Allen, Clive Van Wart and Geoffrey Bidlake.

Germans Three Times Attack and Three Times French Drive Them Back

Serious Assaults Near Souchez Bring No Results For Enemy—Italians Report New Successes Against Austrians

Paris, Oct. 18.—Three serious German attacks with hand grenades last night, to the northeast of Souchez, were completely repulsed by the French forces, according to the French official statement given out by the war office this afternoon.

To the south of the river Somme, in the sector of Lihons, there were spirited rifle exchanges. In Champagne district there has been some fighting with bombs.

A concentrated fire of our artillery against the batteries of the enemy put a stop to a severe bombardment directed by them against our position at Les Eparges.

A group of French aviators during the night of October 18-19, bombarded the German position held at Buzinacourt. It was apparent that some heavy Italian successes.

ASQUITH TAKEN SUDDENLY ILL

Premier Stricken at Time When There is Cabinet Disturbance

Several Days of Complete Rest Required—Conditions in British Government Reported to be Causing More Anxious Interest Than Military Situation

London, Oct. 18.—A little before one o'clock the following bulletin was issued at Downing Street:

"The premier is suffering from an attack of gastro-intestinal catarrh, which will necessitate a few days of complete rest."

Earlier in the day, Mr. Asquith attended meetings of the war committee and the cabinet, both of them held in his official residence. The premier's attack was sudden.

London, Oct. 18.—Britain is waiting anxiously to learn whether the cabinet ministers will be able to compose their differences and continue the government without swapping horses in midstream.

The military difficulties which confront the allies have taken a position of secondary importance for the time being. The cabinet has been holding long and frequent meetings since the Balkan crisis developed.

Both newspapers and politicians agree that vital differences of opinion have arisen over the conscription issue and the Near East question. In the meantime party newspapers are carrying on a bitter debate and exchanging accusations of lack of patriotism and of plotting party and private interests above those of the country.

The resignation of Sir Edward Carson, attorney-general, was the first proof of differences in the cabinet. The reason assigned for his withdrawal is disagreement with the cabinet's policy in regard to the Near East, but the specific point of division is withheld, as in the case of the resignation of Foreign Minister Delcasse, of France, in whose footsteps Sir Edward appears to follow.

Speaking in Dublin last night, John Redmond declared the position of the coalition government was precarious. "Any day we may be faced with another reconstruction," he said, "or with proposals which would end instantly the political truce and would lead the British people into contending factions."

TIED TO THE TRACK, TRAIN RUNS OVER HIM

Hoffman's Foot Cut Off But His Head is Unhurt

HIGHWAYMEN DID IT

Armed Robbers Hold up Trains in New York State and Texas—Kill Two Passengers in Later Instance

Rochester, N. Y., Oct. 18.—Highwaymen sandbagged Newton Hoffman, twenty-two years old, as he stepped from a train at South Avon last night and wired him, head and feet, to the tracks. He was run over by a train an hour later, and his foot taken off. His head was placed between the tracks and was unhurt. He regained consciousness and told the story of his hold-up. He remembered nothing, he said, from the time he was sandbagged, until he felt a sharp pain in his foot. He was rushed to a Rochester hospital, and it is thought he will recover.

New York, Oct. 18.—Six armed men held up and robbed two freight trains and attempted to rob an American express train on the West Shore Railroad at the entrance to a tunnel between Congers and Haverstraw, N. Y., early today. After loading an automobile with packages taken from the two freight trains the bandits escaped.

Brownsville, Texas, Oct. 18.—Mexican bandits held up and robbed a passenger train on the St. Louis and San Francisco Railroad early today, killing two men and wounding three others. The hold-up occurred near Olimite, seven miles north of here. H. H. Kendall, engineer of the train, and an unidentified United States cavalryman were killed.

The sheriff and a posse started in automobiles and a special train, carrying two companies of infantry, started for the scene. A troop of cavalry left soon afterwards.

SOLDIER BEREAVED

Under unusually pathetic circumstances the death of Mrs. Edith Angel occurred last night at her home in McClellan street. She was the wife of Pte. Albert Angel, now a member of the 64th Battalion, Sussex, who was called home a few days ago owing to her serious illness. Five small children also survive, the eldest of whom is only thirteen years of age. Mrs. Angel had been ill about four months.

The funeral will be held on Wednesday afternoon. The death of Mrs. Angel will arouse general sympathy for her husband and his five little ones.

TURKISH FLEET NO LONGER EXISTS

Only One Cruiser Remains—Practically All Merchant Service Also Destroyed by Allies

Copenhagen, Oct. 18.—A Danish gentleman who has just arrived from Constantinople, says the Turkish fleet no longer exists. The British fleet, he says, destroyed the Turkish fleet, the cruiser Medjidieh, wrecked during the battle of the Dardanelles, was torpedoed by the Turks themselves. Later the Russians set her afloat and she sailed to Odessa. The Haidredin Barbarossa, an armored cruiser of 10,000 tons, on the way to the Dardanelles was sunk by the British fleet. She was torpedoed by a small cruiser and a destroyer, and 1,400 perished. The Turkish fleet was destroyed by the allies of its own guns, twenty-five men being killed. Many smaller cruisers and torpedo boats were destroyed by mines.

The Hamidieh is the only cruiser remaining. Nearly the whole Turkish merchant fleet was destroyed by the allies' submarines.

They Rode Part of the Way Free

But This Got Finkelstein and Turkey Into the Police Court

Maurice Finkelstein and Louis Tirsky, two young Russians, appeared in the police court this morning to answer a charge of stealing a ride on the Boston train from McAdam Junction to St. John. They said they were party guests. When asked to explain what he meant Finkelstein said they stole a ride on the Boston train recently from McAdam Junction to Fredericton, but that they had purchased tickets for this city. He said he was born in Russia, but left for New York when only a young boy. Since then he was engaged in business and made his home in St. John. He said he was in New York, and accompanied by Tirsky, started for Boston. As they were unable to obtain work there they went to a lumber camp outside of Bangor, but found the work very hard. They learned of brass works in this city and as they had only a little money, they tried to steal a ride on the train. When near Fredericton Junction the conductor caught them and said he would have to put them in the station and turn them over to the police. At Fredericton Junction they left the train and purchased tickets for this city. He said he was married and was anxious to obtain work to support his wife. The other young man corroborated his friend's statements.

Magistrate Ritchie judged them guilty of stealing a ride on the train and then sent them below. An arrangement is being made for them to be sent back to the States.

Maurice Arasoff, a young Hebrew, who it is alleged, so rudely assaulted a young girl named Howells, that he is now in the hospital receiving treatment for a fractured skull. The assault took place on the train this morning. The defendant was unable to give a statement. He was charged with conspiracy to ruin Judge Lindsay, a "When Sullivan, Rose's attorney, reached the point charging me with maligning my city and state," said Judge Lindsay, "and the judge sat quietly without interrupting him, I got up and deliberately called him a liar. The judge was entirely responsible for this necessity."

Must Have More Men or Cannot Beat Serbians

Paris, Oct. 18.—The Serbians are offering stout resistance to the Teutonic advance in the Semendria section, according to information from Nish. A wireless message sent by the Austrian general in charge there to Field Marshal Von Mackensen, and intercepted by the Serbians, is said to be as follows:

"It is impossible to accomplish my task successfully, unless you send heavy reinforcements immediately."

It is reported that a Bulgarian regiment refused to fight against the Serbs at Kadibogatz, and killed its colonel. The regiment, it is said, was surrounded and decimated by the rest of the division.

SON OF CANON LLOYD IS SHOT

Wounded While Fighting in 28th Battalion—Was Born Here

A name familiar to many in St. John has appeared among the western casualties. It is that of Lance Corporal William Exton Lloyd, of Seabrook, of the 28th Battalion, who is reported to have been killed in action in the western provinces, a settlement which after some hard struggles developed into a rapidly growing city.

Those who are acquainted with the father's early history will not be surprised to find his son in the firing line. At the time of the Reil rebellion in 1865 Mr. Lloyd was one of the first to volunteer with the Queen's University Corps and during one of the battles received a wound, which made its effects felt for a long time afterwards.

His son was born while Canon Lloyd was with the Rothsey school.

"LIAR!" SAYS LINDSEY TO JUDGE; IS EJECTED

Denver, Oct. 18.—Judge Ben R. Lindsey was ejected from the District Court here when he accused Judge Wright of making unfair rulings and displaying prejudice. The clash came during the trial of Frank L. Rose, charged with conspiracy to ruin Judge Lindsey, a "When Sullivan, Rose's attorney, reached the point charging me with maligning my city and state," said Judge Lindsey, "and the judge sat quietly without interrupting him, I got up and deliberately called him a liar. The judge was entirely responsible for this necessity."

FIRST COAST TO COAST TRAIN ON C.N.R. ARRIVES

The new coast to coast service over the Canadian Northern Railway has been inaugurated with the arrival yesterday of a lengthy passenger train at Vancouver, B. C., bearing the special party who are guests of the company on the maiden trip. The party is composed of members of parliament, railway officials, newspaper men and others. The party has been delighted with the trip and the excellent condition of the line, to say nothing of the many acts of courtesy extended by the company. The roadbed came in for particular commendation, as it was the cause of the big train running most smoothly, and gave rise to the belief that the cross-country transportation problem has been greatly simplified.

With a clothes basket as a cradle for his month-old motherless babe, R. E. Hiett made the journey from Eagle Arm, to Sidney, Ia., to place the infant in the care of its grandmother. A woman on the train volunteered to assist the young father and the infant reached its destination safely.

An Appeal From Sister of a Man in Khaki

THEY WANT GOOD INFLUENCES

St. John Writer Supports Strong Plea Made by a Clergyman Through a Halifax Newspaper—Easy and Profitable

St. John, N. B., Oct. 14, 1915.

To the Editor of the Times:

Sir:—I have had in mind for some time the idea of using your columns as a medium for impressing upon the women of St. John the very thing the enclosed clipping from a Halifax paper so splendidly put into words.

There were many lonely ones in the battalion quartered here last winter (men whose life blood ebbs freely in the trenches of Belgium) who were in the arms of their mothers, fathers, sisters, brothers, and friends, and I may still enjoy, undisturbed the comforts of home and family, there will be many more such in the near future.

Christian women of St. John, what can we do along this line to make the other woman's son, husband or brother feel at home in our city?

Trusting you will publish this, and thanking you for space, I remain, sir,

THE SISTER OF THE MAN IN KHAKI.

First Man of 26th To Be Killed

Ottawa, Oct. 18.—The casualty list issued midnight reveals the hero of the gallant exploit of the 26th Battalion who, it may fairly be expected, will be recommended for honors for bringing in a wounded man under heavy fire. His name is Sergeant William C. Ryer, of Middle Clyde (N. S.). His name appears among the slightly wounded and he is again back on duty.

At the time Ryer left St. John he was a lance-corporal but he has proved himself worthy of the promotion he has received. He is 28 years of age and single. His next of kin is his mother, Mrs. Sarah Ryer, Middle Clyde (N. S.). He had no military experience when he enlisted.

The first mortality in the 26th also appears in the list. Moses Gallant, of Charlottetown (P. E. I.), is reported killed in action. He was 26 years of age, single, and his next of kin is Miss K. Quinn, 138 Elm avenue, Charlottetown (P. E. I.).

John W. Roberts, Chipman (N. B.), is among the slightly wounded in the battalion. He is 36 years of age. He was a member of the 3rd Battalion, R. C. R. for some time. His wife lives at Chipman.

Joseph Crouse, of North Brookfield, Queens county (N. S.), 4th Battalion, died of wounds.

The British official statement issued with regard to last Wednesday's Zepplin raid gave the military casualties at fourteen killed and thirteen wounded. With the announcement of the death by bombs from a Zepplin of Gunner Charles G. Peterkin, of the 29th Battery, C. F. A. in the midnight casualty list, the total number of Canadians killed in the air raid has reached fourteen, indicating that the only military losses occurred among the Canadians.

An Appeal From Sister of a Man in Khaki

THEY WANT GOOD INFLUENCES

St. John Writer Supports Strong Plea Made by a Clergyman Through a Halifax Newspaper—Easy and Profitable

St. John, N. B., Oct. 14, 1915.

To the Editor of the Times:

Sir:—I have had in mind for some time the idea of using your columns as a medium for impressing upon the women of St. John the very thing the enclosed clipping from a Halifax paper so splendidly put into words.

There were many lonely ones in the battalion quartered here last winter (men whose life blood ebbs freely in the trenches of Belgium) who were in the arms of their mothers, fathers, sisters, brothers, and friends, and I may still enjoy, undisturbed the comforts of home and family, there will be many more such in the near future.

Christian women of St. John, what can we do along this line to make the other woman's son, husband or brother feel at home in our city?

Trusting you will publish this, and thanking you for space, I remain, sir,

THE SISTER OF THE MAN IN KHAKI.

MAN WANTED

Many Positions Carrying Large Salaries

are open today to men in every walk of life. But the men must possess vigorous bodies and keen, active minds.

Success-making mental and physical activity relies largely upon right living wherein the right kind of food plays a most vital part.

In many cases the daily diet lacks certain of Nature's elements essential to organizing and upbuilding the mental and physical faculties. Most white products, such as white bread and many other commonly used foods, are in that class.

A food especially designed to offset this lack—

Grape-Nuts

—made of wheat and malted barley, supplies all the nutriment of the grains, including the mineral salts—sturdy builders of brain, nerve and muscle.

Grape-Nuts is thoroughly processed, ready to serve from the package, fresh, crisp and delicious. Then, too, there's a wonderful return of the power to "do" and to "be" for the small energy required in its digestion.

After repeated set-backs thousands have found a change to right eating means forging ahead.

LOCAL BRANCH VOTES \$1,000 FOR BRITISH RED CROSS

The chief business of interest at yesterday's meeting of the St. John branch of the British Red Cross Society, it was decided to send \$100 at once to Miss Warner, nursing at Dinant, France, to be used for her men.

Miss E. O. Skinner reported \$2,811 to date in the campaign fund. Mrs. F. S. White reported several new circles formed and 1,000 articles received in the two weeks.

It was announced that in connection with the appeal from the British Red Cross a service would be held on Thursday, Trafalgar Day, in Trinity church at 12 o'clock. All are invited to this service, which will last about half an hour.

THE WAR NEWS

The news from the Balkans is more favorable today. Allied troops have been landed at Enos, in Turkey, as well as at Saloniki, and hope is expressed that the German drive to bring relief to Turkey may be stopped.

Turkish power; they resist the beneficent aim of the Turk to subject them to his tyranny; they prefer their own Prophet to his, just as the Belgians preferred their own King to the Kaiser and ventured to defend home, family and frontier.

WHAT THIS WAR MEANS

The world is shocked by the story of the wholesale slaughter, unspeakable atrocities, and universal misery and desolation wrought by the Turks upon the hapless Armenian Christians.

The German phenomenon which has filled the world for more than a year now is nothing but one more assertion of the principle that might is right.

The evidence in detail is such as to make the reader shudder with horror and blaze with indignation. Thousands of the hapless Armenians, who were not murdered, were stripped of all their belongings and driven into the wilderness to die.

Divisions in the British cabinet at this time are very unfortunate. Those responsible for such a condition of affairs are giving comfort to the enemy.

St. John extends a cordial greeting to Canada's prime minister, and assures him of the desire of its people to uphold the hands of the government in redeeming Canada's pledge, to give her aid to the utmost in the prosecution of the war which threatens the very existence of the British Empire.

The United States has notified Germany that giving the passengers and crew of an American vessel "an opportunity to escape in life-boats" before the vessel is destroyed will not be enough.

A man who is sixty-eight years of age but is in vigorous health has offered to take any position for which he is fitted, in order that the younger man now in that position may go to the war, and he will give half of what he earns to that other man's family or the Patriotic Fund.

Editor J. L. Stewart of the Chatham World, who was one of the coteries of clever newspaper men in St. John when Hiram Ladd Spencer was at his best as a writer of verse, pays a kindly tribute to the man whose poems "were pervaded by a tone of tender melancholy," and who was "too good a poet to succeed in mercantile life."

MAGIC BAKING POWDER IS USED BY THE BEST BAKERS AND CATERERS EVERYWHERE, ALSO BY CHEFS IN THE LARGE HOTELS, AND ON DINING CARS, STEAMSHIPS, ETC.

LIGHTER VEIN

Adroit Flattery. "Whenever a man expresses an opinion you invariably start in by disagreeing with him."

In a rural justice court the defendant in a case was sentenced to serve thirty days in jail. He had known the judge from boyhood and addressed him as follows: "I visited New York City a day, in fact, for room and bath. But what service?"

Dr. William Lynd Stevenson, president of the Anti-Tipping League of Idaho, said at a league banquet in Boise: "I visited New York last month. I put up at a fine hotel there—\$4 a day, in fact, for room and bath. But what service?"

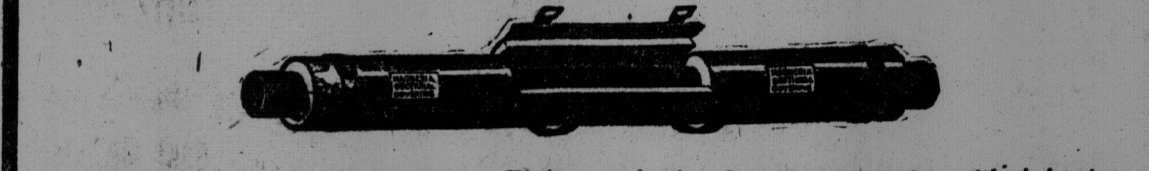

"I went into the hotel restaurant on the evening of my arrival to order dinner, according to a simple enough dinner, and a dinner of simple things, such as brook trout, filet of beef with mushrooms, chicken a la breche, and so on—yes, a simple enough Idaho dinner; but, by crims, they kept me waiting in the heat and noise and smells an uncomprehensible time. Uncomprehensible!"

A man whose wife was ill at a hospital in Brooklyn called the first evening she was there and inquired how she was getting along. He was told that she was improving.

Next day he called again and was told she was still improving. This went on for some time, each day the report being that his wife was improving.

Finally, one evening when he called he was told that his wife was dead. Seeing the doctor he went up to him and said, with a world of sarcasm in his voice: "Well, doctor, what did she die of—improvement?" Medical Pickwick.

LATEST MOVE OF N. S. GOVERNMENT TO AID FARMING

Purchase Portable Machine To Make Underdrainage Tile—Good Work in Picquet

Truro, N. S., Oct. 19.—(Chep, durable under-drainage is the latest practical move of the Nova Scotia Department of Agriculture in making to encourage better farming in the province.

The use of the machine means several important advantages to farmers. They can manufacture tile on their own farms, if gravel and sand are readily obtainable.

Nova Scotia most farmers are located at considerable distance from a tile manufacturing plant. This and the freight they have to pay on such a bulky article as the discolors them from underdraining their farms, even though the under-drainage is essential to a large proportion of the lands in the province.

But by use of the portable tile-making machine, farmers can not only use it on their own properties, but also employ their own labor in all the processes, and thus need not put up the spot cash which would be required from them by the tile plants and the railroads.

Then there is the co-operative advantage. The department of agriculture ships the machine to and from the centre or district that asks for its services, and also pays the traveling expenses of the operator. For their part, the farmers sign an agreement to manufacture not fewer than 20,000 tile for use in their district, and to unload and reload the machine at the centre railway station.

In all this the farmers co-operate amongst themselves and with the government to the mutual advantage of all parties concerned.

VASSIE'S ROLL OF HONOR.

A "roll of honor" in the organ of the dry goods trade of Canada, the Dry Goods Review, of October, gives first place to a list of the employees of Vassie & Co., St. John, who out of a male staff of forty-one have contributed thirteen members to the dominion forces.

The names given are: Lieut. Wm. Vassie, secretary of the company; DeWitt Mullin, Ronald Livingston, Murray Cowan, Clinton Brown, Ernest Evans, Frank H. Hamm, Arthur Knight, Harry S. Kern, Bates Tapley, W. P. Lawton, Allen Bowers and Charles Ferguson. No wonder that W. E. Foster asks "Can this be beaten?" Since the list was published another member of the staff, Albert Drake, has joined the siege battery.

A Really Handsome Shoe

This season we have added to our line of Men's Six Dollar Boots a real Kangaroo Skin Laced Boot, made on the "Princeton" last with a good heavy sole.

There is not much genuine Kangaroo leather used in boots nowadays on account of its scarcity and high price. Some dealers have been known to offer Vici Kid as Kangaroo. The advantage of Kangaroo is that it is as soft as kid, but will not peel, check or become defaced. The last we have had these boots made on will appeal to the man who seeks a modest shapely shoe, devoid of all freakish tendencies.

A DOZEN MORE FOR THE 88TH

Siege Battery Secured Ten Yesterday Also—North End Meeting Last Evening—Work For Returned Soldiers

Twelve men signed the roll of the 88th Battalion yesterday in St. John: Vincent Alexander, Rothney; James E. Ferguson, Croxford, Eng.; Carl Langbein, Jack Thompson and C. W. Thistle, St. John; George W. Waddell, London; Frank Dimock and H. Atkinson, Havelock, N. B.; George E. Alloway, London, Eng.; Roy McCollum, Lynn, Mass. (Canadian parents); Grover C. Beasley, Long Beach, and Kenneth Woods, Armstrong's Corner.

At yesterday's meeting of the citizens recruiting committee, C. B. Lockhart, M. P. E., was elected chairman of the returned soldiers' committee and it was proposed that St. John should copy Toronto in the class of work done. Judge Carleton and W. S. Fisher were asked to be the speakers at next Sunday's meeting at the Imperial Theatre. At Sir Robert Borden is visiting St. John today there will be no public meeting at the Mill street office but the meeting will be open for the enrollment of recruits as usual.

Colonel Sturdee presided and after discussion of the work of the executive it was decided to increase that committee by the following names: J. M. Robinson, W. C. Allison, E. E. Church, W. J. Mahoney, M. E. Agar, W. C. Rising, W. A. Lockhart, H. Waterbury, J. Fraser Gregory and J. L. Sugrue.

On Thursday evening there will be a physical culture display at St. Andrew's rink arranged by the eastern committee in conjunction with John T. Power, The Temple Band will play selections and the opportunity will be taken to present to the handmaster, F. W. McNichol, the long service medal for twenty-one years work in the militia.

North End Meeting.

The first recruiting meeting of the week for the North End was held last night in St. Peter's hall with a large attendance. T. H. Estabrooks gave a fine address. The Rev. J. Adams, chairman and R. J. Adams, secretary.

The following men were appointed to the committee: Russell, Jr., J. C. Chesley, H. C. Green, J. Thornton, J. F. Gregory, M. D. Sweeney, J. J. Ryan, J. Miller, F. W. Tapley, F. Flaherty, J. Quinn, P. Marry, J. Bradley, Joseph Quinn, F. W. McNichol, R. W. Walsh, G. B. Brown, and J. Pyle.

The rooms at the hall will be open every night this week and every man is invited to attend. On Wednesday a grand smoker is planned for. The Temple of Honor Band have volunteered to play and a programme has been arranged for.

Walter B. Young, writing from France, where he is serving with the Divisional Ammunition Column, to his brother, Foltman, Young, here, says he has been twice under the fire of the German guns, but is still safe.

Lieut. F. A. Kirkpatrick, quartermaster with the 88th Battalion, has been promoted to a captaincy.

quent and prolonged applause. The drama was thrilling at times, and in addition a generous sprinkling of comedy which made it very interesting.

Miss Kennedy was seen in the title role and her portrayal of the daughter of a Russian refugee was exceptionally good. She was especially supported by Ralph W. Chambers whose interpretation of the part of a young Englishman was that could be desired.

Elizabeth Johnson, as the baroness, won new laurels by the clever way she handled a most amusing though difficult character. Earl May as the villain and Ernest Kent, as his accomplice, did well and contributed in making the play a success. The other members of the cast gave clever impersonations and won well merited applause. The play held the attention of the audience and from all indications will be well liked and patronized.

The introduction of vaudeville was a good move on the part of the management. The three plucky harmonists gave a delightful performance. Their playing of various instruments was unusually good and the choice of their selections was of the best.

The concertist was undoubtedly the best player. The ease with which she took her part in the orchestra was a knowledge of the instrument, and her tone was exceptionally good.

AT LYRIC ELIA HALL

IN FEATURE PICTURE

Jewel Replaces Wildfire, Last in Transit—Vaudeville Holds Attention

Due to the fact that the production of Wildfire with Miss Effie Russell in her original role was being transported from Montreal to St. John, the management of the Lyric theatre were successful in arranging for the presentation of Miss Elia Hall in the Broadway Revue Universal feature, Jewel. It is expected that Wildfire will be shown next week.

The substitute is decidedly a worthy one as it affords lovers of Miss Hall, and they are numerous, to see her in a role that suits her peculiar and pleasing style of acting. The story of Jewel is from the book by Clara Louise Burnham and the picture scenario was written by Lois Weber.

The telling of the story shows the touch of a feminine hand all the way. Miss Weber was also the producer. Jewel contains pathos in abundance but it is interwoven with smiles that will alternate with the tears of the audience. The story is framed by that of a child brought up in a home where truth and happiness in a small way, and it cannot help but move and stir those who go to make up the great picture-going public.

Added to this feature, the balance of the programme is one that can be strongly recommended. A two-part Bison picture, entitled "The Governor's Daughter," which represents the last word in farcical playlets, the chase scenes being particularly funny.

The baseball picture and the other features will be shown for the last time today. The Great Ruby Mystery is the headline offering for the mid-week.

GEORGE P. MELROSE OF ST. JOHN AND MISS LOMBARDO MARRIED

Wedding of Interest to Many Here Took Place in Missoula, Mont.

The Sunday Missoulian of Oct. 10 prints a large portrait of Miss Agnes Lombardo, who was married the week before, in Missoula, to George P. Melrose, son of Mr. and Mrs. A. R. Melrose, of St. John. These lines are under the picture.

"Mrs. George Payson Melrose, formerly Miss Agnes Lombardo, whose wedding with Mr. Melrose was solemnized on Tuesday, Oct. 5. Mrs. Melrose spent her childhood years in Missoula, and she is admired and loved by a host of friends here as well as in the eastern cities."

Mrs. Melrose is a niece of Mrs. Wardroper and Mrs. Thos. Perkins of St. John, and is also related to the Hatheway and some other families in St. John. The following account of the wedding is taken from the Missoulian:

Melrose-Lombardo.

The wedding of Miss Agnes Louise Lombardo and George Payson Melrose was solemnized at eleven o'clock Tuesday morning at the home of the bride's mother, Mrs. Agnes Lombardo, corner of Miriam and Beckwith avenues. Rev. H. S. Gately, rector of the Church of the Holy Spirit, performed the ceremony, which was followed by the wedding march from "Lohengrin" and Mendelssohn's "Wedding March" for the entrance of the bridal party. The setting of the service was most artistic. White pillars were placed against a background of pink and white asters and gaided with vines and banded with pink asters. Leading the bridal procession walked little Miss Patricia Seely, niece of the bride, carrying a basket of pink roses and dropping blossoms in her path. Then came Master Edwin Dodds, the small nephew of the bride, carrying the ring in a rose. Miss Madeline Lombardo was the bridesmaid, gowned in pale pink silk and carrying pink carnations. The bride wore a flower petal gown of white tulle and a veil caught with white roses. She carried a shower bouquet of bride roses. Edwin Boone Craighead, Jr., was groomsmen, and Thomas W. Seely, brother-in-law of the bride, gave her in marriage. A small company of relatives and intimate friends witnessed the ceremony and partook of the wedding breakfast following with the wedding march from "Lohengrin" and Mendelssohn's "Wedding March" for the entrance of the bridal party. FIND IT HARD TO ECONOMIZE

Englishmen Won't Reduce Domestic Expenditures

London, Oct. 19.—Sir George Paish, editor of the Statist commenting on the speech in parliament by Mr. Montagu, Financial Secretary to the Treasury, in which he foreshadowed sweeping measures to obtain funds for the prosecution of the war, said:
"The speech of the Financial Secretary to the Treasury is being much discussed. No one acquainted with the financial needs of Great Britain can doubt her power to maintain her war expenses and to continue her valuable financial assistance to her allies in a manner that will yield the greatest advantage."

WALKERS OF ALL SORTS

Being a Disposition on the Difference Between Literary Walkers and Those Who Get Ahead.

At various times and under various circumstances men and women have started out to walk for no other reason than that they enjoy walking. It is known, because no sooner were they through walking than they sat down and told all about it on paper. It is not that they went walking in order that they might have something to write about. What they have said about walking now and then leads to this grave suspicion. Between the lines one may see the sitting down to write about something, giving up for want of an idea, then starting out to walk, expecting to come across some adventure which will afford them an idea.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If Your Back Hurts or Bladder Bothers, Drink Lots of Water

When your kidneys hurt and your back feels sore, don't get excited and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood in 24 hours they strain from it 200 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

HOW TO COOK ROMAN MEAL PORRIDGE

Invariably use double boiler, or set boiler in basin of boiling water. Have water boiling in both vessels, that is inner one salted to taste. Slowly stir in one cup Roman Meal to each cup water, cover, set in outer vessel, and never stir again until serving. For early breakfast cook at evening meal and warm in morning, using a little less Roman Meal. It's a dark nut-brown granular, rich porridge. It is nourishing better than meat, prevents indigestion and positively relieves constipation on "money back." Ask your doctor. All grocers, 25 cents.

SAVE YOUR HAIR AND BEAUTIFY IT WITH "DANDERINE"

Spends 25 Cents! Dandruff Disappears and Hair Stops Coming Out
Try This! Hair Grows Beautiful, Wavy and Thick in Few Moments

If you care for heavy hair, that glitters with beauty and is radiant and fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you have dandruff. This destructive scourge is the cause of baldness, and its very life, and if not overcome it produces a feverishness and itching of the scalp, the hair roots fall out, and die; then the hair falls out fast.

GIN DILLS

What They Have Done
I suffered a great many years with kidney troubles, tried several remedies, and also doctors' medicines, with no result. Two years ago I read in a newspaper of "GIN PILLS FOR THE KIDNEYS," and sent for two boxes. They did me more good than all the medicine I had ever taken. After I used the first two I sent for a third box, and after that I knew, and also know, that Gin Pills are the best kidney remedy ever made.

Mutt and Jeff-In Marching the Germans Use What is Known as the Goose Step, But How Was Jeff to Know - By "Bud Fisher"

Allies Land at Enos

Last Night's War Reports Continued Good—Russian Success—Sir Edward Carson Leaves Cabinet

London, Oct. 18.—The reports that the Allies have occupied Strumitza and landed at Enos, which was recently transferred from Turkish to Bulgarian rule, have caused a more optimistic feeling throughout the allied countries. As to the progress of the Near Eastern campaign, it is known from both Serbian and German accounts that Field Marshal Von Mackensen's army is meeting with greater resistance than was expected, and, although it is probable that the Serbians eventually must fall back on stronger strategic positions in the north, the fact that the Allies are bringing heavy forces against the Bulgarians, and so placing them where the Bulgarians will be compelled to divide their armies, gives hope here that the Germans may be balked in their latest attempt to reach the sea and bring assistance to the Turks. All along the line the Serbians and their Montenegrin neighbors, who are still being attacked, are offering very stubborn resistance to both Austro-Germans and Bulgarians and while they have given up a number of towns and positions they have not yet reached the line on which they expect to make their stand. The Italians, according to the latest reports, will not send a contingent to the Balkans, but co-operation of their navy in the Aegean, where an allied fleet has already gathered, is looked for. The point at which the Russians will strike has not yet been disclosed. The expectation is, however, that the Allies have a surprise for the Central Powers, and that steps are being taken to bring Turkey to her knees before assistance can reach her. London, Oct. 18.—There has been plenty of heavy fighting on both the eastern and western fronts, but in neither case has either side attempted a general offensive. The Germans are still making a great effort between Riga and Dvinsk, and claim to have met with some minor successes, but thanks to the Russian army, wherever there has been any fighting, it is the Russians who are attacking, and they have made gains. Much the same conditions prevail on the western front. The British have been attacking east of Verdun, according to the Berlin report, while the Germans attacked the French near Soissons and the French took the offensive in Champagne, Lorraine and the Vosges. None of these attempts is making, just yet, any marked alterations in the positions of the armies. London, Oct. 19.—A German mine patrol boat has been blown up in the Baltic Sea, and her crew of ten men are missing and are supposed to have been drowned, says a despatch to the Exchange Telegraph from Copenhagen. The despatch adds that wreckage of the boat has been found at Marstal. London, Oct. 19, 12.10 a.m.—Major General Charles Carmichael Monro has been appointed to command the Dardanelles expedition in succession to Gen. Ian Hamilton, who is returning to England to make a report. This announcement is made by the war office. Pending Gen. Monro's arrival at Gallipoli, Major General William Riddell Birdwood will temporarily command the troops. London, Oct. 18, 10.40 p.m.—Sir Edward Carson, attorney-general, has resigned from the British cabinet. The resignation of Sir Edward Carson, the first open manifestation of the divergence of views to exist among the ministers, according to an authoritative source, is not because of controversy over conscription, but owing to conditions in the near east. Sir Edward, so far, has made no personal explanation of his resignation, but it is understood he disapproves of the policy which is being followed in the Balkans, and of the method of confining the whole national policy to a small "inner cabinet." It is expected there will be exciting debates in the house of commons this week, as severe attacks on the government are planned by members of the house in connection with the general military policy, especially in the near east. Dublin, Oct. 18.—Presiding at the Nationalist convention yesterday, John E. Redmond said that a grave political

SCHOOL MATTERS

Congestion in Some of the Buildings

It Probably Will be Revived—Matter of Separate Assessment is Brought up—Large Daily Attendance

At a meeting of the school board last night a committee was appointed to investigate congestion in the schools of the north end and west side and to report back to the board with recommendations; it was decided to make special police officers of all school janitors for the purpose of preserving school property; the possibility of reviving the penny system in the schools was discussed and the matter was also raised of separate taxation for school purposes and a suggestion was made that a representative of the board tender views on this question to the assessment committee. The meeting was presided over by R. B. Emerson, chairman, and those present were: E. R. W. Ingraham, Thomas Nagle, G. H. Green, George E. Day, Commissioner Russell, Dr. James Manning, Mrs. Dever, Mrs. Taylor, Dr. H. S. Bridges, superintendent of schools, and the secretary, A. Gordon Leavitt. Among the communications was an application from Lieut. John R. Gale of the 64th Battalion, for leave of absence from his position on the high school teaching staff. He was granted a year's leave on half pay, the same as was granted other teachers who enlisted. Lieut. Henry, also of the high school staff, thanked the board for granting him half pay and a year's leave and returned \$47.50, saying that he would explain later. Cecil C. Jones, of Moncton, and Robert C. Fraser sought positions on the teaching staff. Their applications were referred to the teachers' committee. Mr. and Mrs. Joseph Gordon wanted their application filed for the first vacancy in janitor work. J. Harvey Brown asked that two or three pupils in the school for the Deaf be trained in the public schools, especially in manual training. This was referred to one of the committees. Dr. Bridges reported that Fred Manning, son of Dr. James Manning, had received leave of absence from Acadia University and was accommodating the board by teaching until the end of the term in high school, replacing Mr. Gale. The board fixed his salary at \$90 a month. G. H. Green made a resolution that all the janitors be sworn in as special constables in order to protect school property. This was adopted. Mr. Green brought up the matter of separate taxation for school purposes but other members met with it was rejected. It was suggested that the board should be authorized to raise the school tax. It was sufficient to know that the commissioners would provide money for the board. Mr. Green felt that some suggestion should be made to the assessment com-

FRENCH HOLD FUNERAL FOR THE RUM BOTTLE

Wreaths Were Made For Its Grave, and a Moving Death Card Announced

Paris, Oct. 18.—Gen. Gaillon's order against alcohol being served to military men has caused many an amusing scene in the Paris restaurants. In the provinces the order is not so strictly observed. An official definition as to what constitutes alcohol has been given by which it appears that men in uniform are entitled to drink any natural wine or any liquor not more than 16 degrees strong. This bars even vermouths and quinquinas, all of which contain more than 16 degrees, in fact it leaves no "aperitif" that is considered worth drinking. The report of the secretary submitted at the school board last night showed that the average daily attendance to the last of September was 7,186, or 91.78 per cent of the enrollment. Dr. Bridges commented on this, and said that only once before was the attendance greater. The report of the treasurer, J. B. McMann, showed that since school opened there have been 54 irregular attendants, and eleven truant. This was considered quite favorable.

King Albert Thanks Commonwealth For Their Proposal

New York, Oct. 19.—Mrs. Ada M. Holman, wife of the Premier of New South Wales, who is visiting in New York, is reported as follows: "We have made an offer to Albert, King of the Belgians, to accept all the widows and orphans who will be left destitute by the war. We are not only going to bring them to Australia, but we are going to give them land enough to make them a good income, and all the opportunity they desire. Australia needs men. The Belgian king has thanked us for the offer and has promised that if it is impossible for him to regain his lost country, he will recommend to his people that they accept this offer." Commenting on this statement, the New York Evening Telegram says: "Well intentioned as Australia's offer is and creditable to the good heart of the country, it is hoped it will not have to be accepted. A little more than a year ago Belgium was a nation and Albert every inch a king. Today the land is a mass of ruins overrun by a most brutal invader. "The very possibility of the Belgians being compelled to seek sanctuary in a foreign land is enough to make the civilized world shudder and the allies redouble their energies." Dr. H. G. Huffman of Cleveland, who fasted forty-seven days last year, has just completed another fast of thirty-one days. He undertook the first one to save his life, and now he intends to repeat the practice for one month each year as long as he lives.

BRITISH ALSO AFFECTED

British Generals Have Been Refused Whiskey and Soda at Dinner, Much to their Indignation, and, when as often happens, their French is not sufficient to enable them to understand the reason, the other diners have had some fun out of the incidents. At many a restaurant when the coffee stage was reached it could be noted that officers seemed to be taking two cups at once. One contained a liqueur. Some restaurant keepers close their eyes when an officer orders a soft drink for himself and alcohol for his wife, and each drinks from the other's glass. Other restaurants are more careful, explaining that such and such a place had been closed for two days for allowing such a dodge. Funeral of Rum Bottle. Men on leave from the front take the matter philosophically, some resentfully, some smilingly. At the front itself the rum ration has been suppressed, except for the men in the first line trenches. A returned "pollu" when asked by a correspondent what was his chief souvenir of the campaign so far (he had been at the front all the time since August) said at once: "The funeral of the rum bottle. When the order suppressing the rum ration went into force we got an empty bottle and buried it with all the military honors we could arrange. We made wreaths for its grave and drew up a eulogistic death card, announcing the death of a much-loved comrade, deeply regretted by all who knew him. They said the officers were much amused when they saw it."

50¢ FOR A PINE FOREST

People with bronchitis, asthma and lung troubles benefit very much by living amongst Pine trees. Why? Because they breathe the healthy aroma of the Pines. Peps contain beneficial Pine essences, together with their medicinal ingredients; and for 50¢ you may bring into your home a veritable Pine forest. Peps are tablets made up of Pine extracts and medicinal essences, which when put into the mouth turn into healing vapors. These are breathed down direct to the lungs, throat and bronchial tubes—not swallowed down to the stomach, which is not ailing. Try a 50¢ box of Peps for your cold, your cough, bronchitis or asthma. A skin you love to touch

Can be yours when you understand the skin and its needs

Whatever the condition that is keeping your skin from being beautiful, it can be changed. Like the rest of your body, your skin is continually being rebuilt. As old skin dies, new forms. Every day, in washing, you rub off the old, dead skin. This is your opportunity. By using the following Woodbury treatment regularly, you can make this new skin so strong and healthy that it will truly be "a skin you love to touch."

Just before retiring, wash with Woodbury's Facial Soap in the following way: with warm water work up a heavy lather of Woodbury's in your hands. Then work this cleansing, antiseptic lather into your skin—always with an upward and outward motion. Rinse with warm water, then with cold. Finish by rubbing your face for a few minutes with a piece of ice. Woodbury's Facial Soap is the work of a skin specialist. Use this treatment persistently and before long your skin will take on that greater freshness, clearness and charm of "a skin you love to touch."

Rheumatism

A Home Cure Given by One Who Had It

In the spring of 1893 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bed-ridden with Rheumatism, and it effected a cure in every case. I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your Rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today. Mark H. Jackson, No. 208B, Gurney Bldg., Syracuse, N. Y.

NEW REGULATIONS FOR THE PATRIOTIC FUND

A statement prepared by the Ottawa officials of the Canadian patriotic fund shows that the total amount to the credit of the fund at the end of September was \$2,078,183. Instructions have been sent out to branches of the association, with a view to preventing any unnecessary, or undesired payments from the fund to applicants. These instructions state that families in which the father is alive, able-bodied, and under 65 years of age, or where there are other males over fifteen years of age, capable of assuming their support, should receive no assistance from the fund. Families of men on garrison or picket duty in Canada, must not thereafter receive assistance from the fund. Wives of Canadian volunteers, in receipt of separation allowance and assigned pay, should not receive more than \$5 per month from the fund, and in any case families of soldiers at the front should not receive more than \$30 per month. As soon as a widow receives the first of her pension checks, and as soon as a disabled man accepts the pension fixed by the militia department, no further payments can legally be paid to the family from the fund. Carried Out Freak Bet.

Nashua, N. H., Oct. 16.—Moses Richards, in his stockings and with his knees protected, rolled a "giant" from the corner of Trolley and Canal streets to City Hall tonight, and finished in the distance of three-quarters of a mile. He began at eight o'clock and finished in one hour and fifty-three minutes, quite exhausted. The feat was in payment of a bet with Edwin Latour on the World's Series. A large throng watched the feat.

News of the Boxers.

Eddie Mack, a Boston manager of boxers, is planning for a busy winter. He has added Tommy O'Keefe of Philadelphia to the string he is going to play along the circuit.

Johnny Harry who is to meet Charley White in Boston tonight has been after a bout with White for some time. He has also been trying for a crack at Champion Freddie Welsh, and must have been considered a worthy opponent by the promoters when they offered to hang up a good purse for that bout. He was once signed to meet Welsh at Columbus, O., but Welsh hurt his hand on the night previous in a bout in Canada. Charley White was accepted as a substitute, but when the promoter wanted to cut down the purse the match fell through.

Rocky Kansas, a Buffalo lightweight, has a manager who thinks him capable of boxing two 15-round bouts on the same night for he has signed for Kansas to box at two New Orleans clubs on October 25.

Tommy Wals, manager of Joe Wandot, writes that everything is all arranged for Wandot to box Ted Lewis in Boston on October 26.

DONNOLLY BROS. YAMADA AND HOPPE IN HUB

ARE GOOD PLAYERS

High School Victory Attributed to Their Good Work

(Frederickton Gleason)

When the St. John High School football team romped away with an 18 to 6 win over Frederickton High School here on Saturday, they administered the worst trouncing ever received by a fifteen representing the local institution.

The visitors didn't have the best team that St. John High School ever turned out, by a long way, but it is felt that the local school are surely short of football players this fall is a case of getting the inferior local team is when compared with others that have won the yellow and black during the last few years.

The victory from a St. John standpoint was a purely Donnelly one. Capt. Bill Donnelly and his brother Russell started out to show which one was the best footballer and when the whistle had blown for the last of the second half it was found that both players were "even" in regard to scores, each having made three tries.

No other St. John players got over the line during the afternoon, and the eighteen points scored by the visitors were credited to the Donnelly brothers. Captain Donnelly has been playing with the St. John High School for the last few years and his work was no surprise to the spectators, but his brother Russell is the best footballer of the family. He gave a fine exhibition of line plunging on Saturday and was always in evidence when in the yellow and black territory.

St. John High School have won two games in the Interscholastic League's record and on the form displayed on Saturday they should win in the league.

They have an exceptionally strong forward line for a high school team, and their back division is composed of players who are speedy and can tackle. They greatly outclassed the locals, and the game was never in doubt.

FURTHER WORK OF MUNITIONS MAKING IN DOMINION

Ottawa, Oct. 18.—Further progress was made today by D. A. Thomas, Lloyd George's representative in Canada, and the two British experts who came out, Sir Frederick Donalson and Lionel Hitchens, towards securing an effective reorganization of the works of manufacturing munitions in Canada. While the proposed new commission will be practically under the control of the war office, there is no desire to override in any way the wishes or the plans of the government here in regard to personnel or work.

There are over 900 firms in Canada employing some 175,000 men now engaged on war orders of one kind or another. It is believed that under proper organization the present output can be more than doubled, and the number of firms capable of making shells or other munitions can be increased probably 100 per cent.

LONGSHORE TROUBLE AT PORTLAND

Managers Ready to Give Two Cents Raise But Not 10 Cents Hour Extra for Nights, Sundays and Holidays

Portland, Me., Oct. 18.—There is a possibility that the transatlantic business from this port may temporarily disappear as an outcome of the trouble now existing between the managers of the great lines of ocean-going steamships and representatives of the longshoremen. The managers of all the lines are willing to give the men an advance from thirty-three to thirty-five cents an hour, but they are not willing to go further and to give them an increase of ten cents an hour for night, and Sunday and holiday work.

The managers insist that business conditions, to say nothing of the great war in Europe, will not permit the advancing of the rate of wages here at this time. They believe that the men are taking into consideration the improbability that the lines will be able to secure any particularly large portion of the passenger business if any at all, they hold that the men are ill-advised and that Portland is not ready for an industrial war.

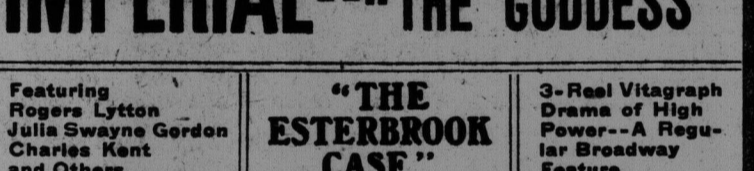

The men say that they do not want a strike or to interfere in any way with the commerce of the port and will less to lessen it. They believe they have not made an unreasonable request but they say that there is very great uncertainty whether there will be work for them steadily or anything like it during the winter, to the full assurance that there will not be work at all next summer unless there are a few tramp steamships sent from here for cargo of provisions or horses for the allies.

They insist that they ought and do know better than anyone else how much the work is actually worth, and they do not see their way clear to accept the wage rate of the season of 1914-15.

The managers say that they can not and will not give the men an advance of ten cents an hour for night and holiday work. There is no strike but the men, like the managers, have of late been looking the future in the face and there can be no doubt that this part of Maine, and Portland in particular, may see the greatest industrial struggle for many years in this state.

Collector Emmons said that there has been no formal protest made by any one against the forwarding of horses from here to England and France to serve as remounts, and the stock-yards at East Deering have been fitted up so that they will take 1,500 at once.

WELCOME GIVEN CANADA'S PREMIER

Sir Robert and Lady Borden Arrived Here at Noon

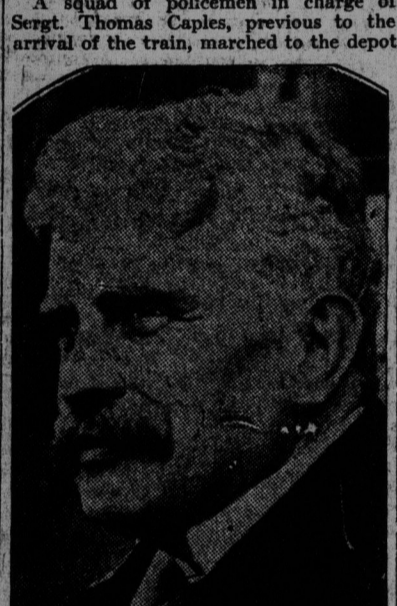

PROCESSION AS ESCORT

They Go to Home of Hon. J. D. and Mrs. Hazen - Tonight's Meeting - Local Ladies Who Will Occupy Box

Arriving at noon today on the C. P. R. train in his private car, Sir Robert L. Borden, Premier of Canada, accompanied by Lady Borden, was given a hearty reception by the people of St. John. A lengthy procession of motor cars was arranged in his honor, each decorated with flags, and he was thus escorted to the home of Hon. J. D. Hazen, and Mrs. Hazen, whose guests Sir Robert and Lady Borden will be during their stay. They will leave this evening for Halifax on the late train.

Tonight at 8:45 o'clock Sir Robert will give a patriotic address in the Imperial Theatre; this afternoon at 4:45 o'clock, Lady Borden will be the guest of honor at a reception to be tendered her in the Manor House, Glen Falls, by the executives of the local women's patriotic societies.

A squad of policemen in charge of Sgt. Thomas Coates, proceeded to the arrival of the train, marched to the depot

SIR ROBERT BORDEN

and arranged a space through the crowd. The Carleton Cornet Band was lined up near the C. P. R. track and as the train pulled in, gave a patriotic selection. Just as the premier and his wife stepped from the train, three vigorous cheers were given. Sir Robert and Lady Borden were then greeted by Hon. Mr. Hazen and Mrs. Hazen, the provincial government members, city representatives and the members of the executives of the Canadian Patriotic Fund, and the general recruiting committee. E. A. Schofield was in active charge of the parade arrangements.

The premier was then escorted to Hon. Mr. Hazen's car and was accompanied in it by Hon. Mr. Hazen, Hon. J. B. M. Baxter, K. C., L. D. Tilley, K. C., Lady Borden and Mrs. Hazen. In the next car there followed Mayor Fritik, Commissioners Russell, Potts and Wigmore, while in the various other cars were members of the local government, the patriotic executives, the military, and citizens in general. In all there were twenty-one cars in the procession.

Two mounted policemen headed the parade after which came the City Cornet Band, a guard of policemen, some of the cars, the Carleton Cornet Band, and the remainder of automobiles. Lively patriotic airs were well played by the bands as they marched along. The route was capably cleared by members of the police force in charge of Inspector Williams, including Policemen O'Neil, Spangway, Winter, Linton, McGleese, Boas, Gibbs, Merrick, McNamee, Howard and Fuller. The procession went from the depot to Mill, to Dock street, to Market square, up King street to Charlotte, and along and into the grounds of Hon. Mr. Hazen, where it disbanded.

Ladies to Occupy Box

The only box reserved for private purposes at this evening's meeting in the Imperial Theatre will be occupied by the following ladies. All other boxes are open to public engagement—Lady Borden, wife of the premier; Mrs. J. Douglas Hazen, Mrs. J. H. Fritik, Lady Tilley, organizing president for N. B. of Canadian Red Cross Society; Mrs. John McAvity, president St. John branch Red Cross Society; Mrs. George McAvity, president Soldiers' Comfort Association; Mrs. G. A. Kubring, president Women's Canadian Club; Mrs. H. A. Powell, first vice-president Women's Canadian Club; Mrs. L. P. D. Tilley, second vice-president Women's Canadian Club; Mrs. B. PREMIER TALKS TO TIMES MAN

Through the courtesy of Hon. Mr. Hazen, a Times representative was given an opportunity for a few minutes' chat with Sir Robert at Mr. Hazen's residence. The premier is looking well despite the strain and pressure of war times, and said that his health was excellent.

Owing to the fact that he is to address the citizens this evening, Sir Robert had little to say in the meantime, preferring to reserve any announcements he may have for that occasion.

"Yes," he said, "the last fifteen months have been busy ones, and we are not through with it yet. There is much to look forward to before the war is over. With regard to the announcement by Lord Kitchener that more men are needed and the suggestion that this may mean more men from Canada, I

ANOTHER ST. JOHN SOLDIER WOUNDED

Corporal James Ryan Hit While Taking Part in Allies' Drive in West

Corporal James Ryan of the 14th Battalion, son of Patrick Ryan of 49 Montreal street, was wounded at the outset of the Allies' great drive in the west. It is believed he was fighting in the trenches in Belgium when he was wounded. He had been writing home weekly and there was some anxiety when a break came but this was relieved today when there came a letter written in the North Leicester Hospital in England. He had been taken to a base hospital in France and thence to England. Friends will be pleased to know that his wounds are not serious. Mr. Ryan has done his share well for he has been in the fighting continuously since last December.

SUIT OVER WILL OF DR. WALKER

Matter of Mortgage on St. Andrew's Church Cause of Litigation

At a sitting of the Supreme Court, chancery division, held before Mr. Justice Grimmer today, a case was set down for trial on November 1, which will no doubt prove of unusual interest. It is that of Honorable, executor of the late Dr. Walker, vs. St. Andrew's church. This suit is the result of complications arising out of the will of Dr. Walker of South Bay. During his life time he had a \$40,000 mortgage on St. Andrew's church, and by his will left this mortgage to the church. After his death it was discovered that the mortgage had previously been assigned to his son. The church now refuses to pay interest on the mortgage, contending it is entitled to the \$40,000. It has been contended that as it was clearly the intention of the testator to leave the mortgage to the church, it having been previously assigned, that the amount should now be made good out of the son's share of the estate. This is the question that it is to be decided. Barristers Ewing & Sanford are the plaintiffs' solicitors, and Dr. Baxter, K. C., will appear for St. Andrew's church.

SEND XMAS BOXES TO THE SOLDIERS LAST WEEK OF OCTOBER

Word has been received by the executives of the Soldiers' Comfort League that Christmas boxes intended for the men at the front should be shipped by the last of October. It is better to ship early than late. The boxes should be sent in the last week of October. The boxes should be sent in the last week of October. The boxes should be sent in the last week of October.

TWO NEW POLICEMEN

William R. Powell and Herbert W. Howard were this morning sworn in as members of the local police force. The latter is an exceptionally well built young man and should be a valuable addition to the force.

Before administering the oath of allegiance this morning, Magistrate Ritchie read some letters on the conduct of a young man recently while he was administering it to another member of the force. He said that the people of St. John had always been loyal to their sovereign and that when an oath of allegiance was being administered or when the national anthem was being sung or when they were to show their respect by fitting conduct.

MATTER OF SHORT-WEIGHT BUTTER

"If any merchant finds purchases made in the city market are below the represented weight he should report the matter immediately to the clerk of the market" said Commissioner McLellan this morning, commenting on the case reported on Saturday when a citizen showed three one-pound prints of butter a total weight of only two pounds.

"The clerk has full authority to deal with all such cases" he continued "and it is the desire of the city to protect the purchasers. If proper evidence can be secured we will see that those who have been giving short weight will not have another opportunity to sell their products in the city market."

THE CHINESE CASE

The case against the Chinese was continued in the police court this morning. Several of the defendants took the stand on their own behalf, after which the court adjourned until this afternoon.

only can say that the work will go on. What Canada has done and the part the dominion has taken in the war so far will be dealt with in my address this evening, and it is possible that I may have something to say of the future."

An inquiry regarding the political situation and the possibility of a general election throughout the realm, "There was a great deal of talk about an election in some of the papers for a while, but we do not seem to have heard so much of it lately. There is nothing new in the political situation in Canada at present. I see that there have been some interesting developments in the British cabinet, but of course I cannot comment on that."
