BISHOP'S ADDRESS.

REV. BRETHREN AND BRETHREN OF THE LAITY—

Since our last meeting it has pleased Almighty God to take unto himself our dear brother, the late Archdeacon of Ontario, the Ven. Henry Patton, D.C.L., and of all the events which have occurred during the past year in our Diocese, I consider his loss the most noteworthy. For forty-five years he served God in the Ministry of His Church in that part of this Province which constitutes the Diocese of Ontario, first as Missionary at Kemptville, next as Rector of Cornwall, where he laboured for twenty-five years, and lastly as Rector of Belleville, for a little more than two years. In him the Diocese has lost an admirable business man and a most energetic officer. I myself mourn an attached and loyal friend, and the Clergy a brother whose praise is in all the Churches in Canada, and whose life and general example may well tend to stir us all to imitation of his devotedness and zeal. In looking back, I am thankful that I was able to recognize his merits by appointing him to the Archdeaconry of the Diocese, and at a later period to the Rectory of Belleville. The whole Ecclesiastical Province unanimously elected him to the honourable position of Prolocutor on three different occasions, thereby proving the high estimate for impartiality and tact in which he had been held by the whole Church. The characteristic of his life which seems to me most remarkable was his untiring avidity for work. Constant work in God's vineyard was indeed to him a labour of love. I can never forget the promptitude with which he was ever ready to anticipate my wishes, even when it involved long journeys and disagreeable errands. No impediments daunted, no difficulties dismayed him when duty called. His charities were large and those of a cheerful giver. Sometimes he may have seemed to the younger men a little stern, particularly when a question of the performance of arduous duty was the subject of conversation; but further acquaintance modified their estimate and proved that he possessed as kind and affectionate a heart as ever lived. I bear this tribute of my affection and esteem not only from what I have heard from those who knew him well and long, but from the surer testimony of my own personal experience. But now he is gone. His familiar face will no more be seen in our assemblies, and his wise words will no longer guide and animate us, but it will be long ere his memory is effaced from the hearts of those who enjoyed his friendship or appreciated his labors. I rejoice to learn that the Building Committee of the Cornwall Memorial Church have determined to make a fitting acknowledgment of his labors for twenty-six years in that parish, and that the friends of the late Archdeacon will have

an opportunity of honoring his memory by the erection of some permanent monument in connection with that church.

We have also to mourn the loss by death of the Rev. William Macaulay, Rector of Picton. Mr. Macaulay was one of the pioneer missionaries of Canada, a faithful and pious churchman, and a refined and courteous gentleman. He died in a good old age, amid the regrets and esteem of his parishioners.

Since the last Session of Synod I have visited the following Parishes, and held confirmations in all of them :—

The total number confirmed has been 1,156, of whom 1,102 received at the same time their first communion.

The following Churches have been consecrated during the same period :

October 10th, 1873—St. James' Church, Perth.

October 13th, 1873—St. Thomas' Church, Goulbourn.

January 18th, 1874—St. George's Church, Osnabruck.

June 2nd, 1874—St. John's Church, Eganville.

The following Church Burial Grounds were consecrated :—That of St. Thomas' Church, Goulbourn, and that of St. George's Church, Osnabruck.

At the request of the respective Corporations, I consecrated the following Public Cemeteries :—

October 9th, 1873—Elmwood Cemetery, Perth.

October 25th—Beechwood Cemetery, Ottawa.

November 10th—Public Cemetery, Belleville.

November 11th—Glenwood Cemetery, Picton.

Five Deacons and four Priests were ordained by me at St. Thomas' Church, Belleville, on the 9th November last.

The whole number of Clergy in the Diocese is now eighty-six, the largest we have ever had. This is a subject for sincere congratulation, because there is every prospect of a continued supply of candidates for Holy Orders. Thirteen students in Divinity for this Diocese are now in course of preparation for the sacred Ministry in Trinity College and Bishop's College, Lennoxville, while applications for appointments in the Diocese continue to reach me in greater numbers than heretofore. We have, indeed, good reason to believe that God has heard the devout prayers and intercessions of His Church, and put it into the hearts of many to offer themselves for Missionary work in His vineyard; and we have also grounds for gratitude in the general prosperity of the Diocese. Our Mission Fund continues to prosper, and has hitherto been able to meet all the demands upon it, while six of the uncommuted Clergy have been placed upon the Clergy Trust Fund as annuitants at the rate of £100 per annum each.

I have thought it advisable to divide the Diocese into two Archdeaconries. The first, that of Kingston, will comprise the Counties of Prince Edward, Hastings, Lennox, Addington, Frontenac, Leeds and Grenville. The second, that of Ottawa, will comprise the Counties of Renfrew, Lanark, Carleton, Russell, Prescott, Glengarry, Stormont and Dundas. The Rev. Thomas Alexander Parnell has been appointed to the Archdeaconry of Kingston, and the Rev. John Strut Lauder, M.A., to the Archdeaconry of Ottawa.

I have been frequently urged to constitute a Cathedral Chapter, but I had objections to doing so: principally because I did not quite under-

stand how the duties of Canons could be performed or indeed assigned. My objections, however, have been overruled, and I have accordingly constituted a Chapter for the Cathedral of St. George, to consist of the Dean, the two Archdeacons, and the following five Canons: the Rev. Wm. Bleasdel, M.A., Rev. John A. Mulock, Rev. T. Bedford Jones, LL.D., Precentor; Rev. J. A. Preston, M.A., and the Rev. F. R. Tane. I earnestly hope that the Chapter will soon organize, and by their proceedings add to the efficiency and prominence of the Cathedral Church.

I pray God now to bless our deliberations to His own glory and the edification of His Church for the sake of Jesus Christ. Amen.

The Rules of Order were suspended to allow the Rev. Dr. Boswell, seconded by the Chancellor, to move the following resolution:

That this Synod desires to place upon record the very deep sense of the loss it has sustained through the death of the late Venerable Henry Patton, D.C.L., Archdeacon of the Diocese. This great loss is felt the more as he was one of the most laborious of Missionaries, and a very successful Parish Priest, and also one of the most indefatigable members of this Synod and of its various Committees, while the record of its proceedings show the earnest desire he evinced to forward the prosperity of the Diocese.—*Carried unanimously.*

CORRESPONDENCE.

A communication from the Secretaries of the Temperance Prohibitory League was laid before the Synod.

The Rev. Canon Bleasdel presented a memorial praying for permission to sell a lot of land in the Village of Trenton.

REPORTS OF COMMITTEES.

The Rev. Dr. Boswell presented the Report of the Clergy Trust Committee, and gave notice that he would move its adoption.—See Appendix A.

The Rev. Dr. Boswell presented the Report of the Widows' and Orphans' Fund Committee, and gave notice that he would move its adoption.—See Appendix B.

The Rev. Canon Bleasdel moved, seconded by the Rev. T. Bonsfield,

That the Rev. Dr. Whiting, of the Diocese of Central New York, be invited to take a seat in the Synod.—*Carried.*

NOTICES OF MOTIONS.

By Rev. E. P. Crawford—

That so soon as the Sustentation Fund of the Diocese reaches the sum of \$30,000, that the interest be no longer added to the principal, but be added to the Mission Fund for the purpose of supplementing the grants to present Missions where necessary, and of opening up new Missions.

By Rev. H. Auston—

That no Missionary shall be deprived of any portion of the grant which he now receives from the Mission Board until his removal to some other Parish.

By Rev. W. B. Carey—

That the Secretary, on behalf of this Synod, be requested to memorialize the Hon. the Minister of Public Works to close the Edwardsburg and Morrisburg Canals to traffic during the Lord's Day.

By Rev. Canon Jones—

That the Synod of Ontario regrets the change of nomenclature adopted in the last Census Tables whereby it appears that the members of the Church of England are represented as "non-Catholics," the members of the "Church of Rome" for the first time in Canada being classed under a designation that is the common and honored title claimed by branches of the Church which have both Evangelical Truth and Apostolic Order.

By Rev. H. Pollard—

That a Committee be appointed to consider what alterations in the Canons and By-laws would be rendered necessary if the meetings of Synod were held every second year instead of annually.

By Archdeacon Lauder—

That this Synod, desirous of advancing the cause of Church education, commends to the favorable attention of the members of the Church in this Diocese the Church of England Ladies' School at Ottawa as deserving of their support,

Also that the Secretary be directed to notify all mortgagors of the interest or principal falling due, at least one week previous to the date of its becoming due; and also that the interest be paid to the Rectors entitled to it, half yearly, as it may be received.

UNFINISHED BUSINESS.

It was moved by W. Ellis, seconded by the Rev. Canon Mulock,

And that section No. 5, sub-section 5 of order of proceedings be amended by striking out "on second morning of the Synod the election of Provincial Delegates," and inserting "the election of delegates to Provincial Synod shall be the first order on the third day, if the Session shall last so long, or the last business transacted if the Session be of shorter duration."

The first part of the resolution was put and carried. The second part was put and carried. The motion was then put as a whole and *carried.*

It being the hour of 1 o'clock, the Synod adjourned until 3 P.M.

AFTERNOON SESSION.

The Synod re-assembled at 3 P.M.

The Rules of Order were suspended to allow Mr. Walkem to present the following reports:—

R. T. Walkem presented the Report of the Auditors, and gave notice that he would move its adoption.—See Appendix E.

R. T. Walkem presented the Report of the Treasurer, and gave notice that he would move its adoption.—See Appendix F.

UNFINISHED BUSINESS CONTINUED.

It was moved by the Rev. C. H. Mockridge, seconded by the Rev. Canon Mulock,

That, while admitting the principle of classification of Missions, as stated in the proposed amendment to part of Canon XVI, it is the opinion of this Synod that no Clergyman should be deprived of any portion of the grant which he now receives from the Mission Board until said Board has made arrangements with his people to make up the loss which, by this action, he will sustain.

Moved, in amendment, by the Rev. C. Forest, seconded by R. T. Walkem,

That, while admitting the principle of classification of Missions, as stated in the amendment to part of Canon XVI, it is the opinion of this Synod that no Clergyman shall be deprived of any portion of the grant which he now receives from the Mission Board until the Archdeacon having jurisdiction over the section of the Diocese in which such Missionary is at work, certifies the Mission Board that arrangements have been made with the people of that particular Mission to make up the loss which the Missionary otherwise would sustain by any reduction on the part of the Board.—*Carried.*

It was moved by the Rev. J. Stannage, seconded by the Rev. A. Spencer,

May and the mover and seconder be appointed to confer with the Bishop of the Diocese, and to consider the whole question of the appointment of Ministers to vacant Parishes, such Committee to report at the next regular meeting of Synod.

It was moved, in amendment, by the Rev. C. P. Mulvany, seconded by the Rev. Canon Bleasdel,

That all after the word "that" be omitted, and that the following be substituted :—

This Synod reiterates its entire confidence in the present system of patronage as exercised by the Bishop.

Moved, in amendment to the amendment, by G. A. Kirkpatrick, seconded by C. Francis,

That, while having confidence in the exercise of the patronage by the Right Rev. J. T. Lewis, Lord Bishop of the Diocese, this Synod deems it is expedient, before the avoidance of the See, to consider the best system of exercising the patronage of the Rectories and appointment to Parishes which will then be vested in the Synod.

That a Committee be appointed to consider the advisability and practicability of taking immediate steps for the carrying into operation Canon XXVII, intituled *Non-commuting Clergy Superannuated Fund*, and to prepare rules and regulations for the management of such fund.—*Carried.*

The Bishop appointed the following Committee:—

Revs. Canon Preston, E. H. M. Baker, Messrs. Geo. May and the mover and seconder.

The Rev. C. H. Mockridge moved—

That in Sec. 5, of Canon XXVIII (Widows' and Orphans' Fund), the words "for two years from the passing of this Canon" be omitted; and that after the words "Clerical Secretary" in the same sentence, the words, "after having duly warned him of the consequence of such neglect," be inserted.

Withdrawn in consequence of Dr. Boswell's motion.

It was moved by Rev. Dr. Boswell, seconded by Geo. May,

"That the following words, "Comply with the requirements of Section 4, and further," be inserted after the words in the fourth line in Section 5, "Shall in each and every year." That the sentence beginning with the words "in case a Clergyman," in the 16th line of said Section 5, shall be struck out as far as the colon in the 19th line, and the following words be inserted: "In case a Clergyman shall neglect to pay his annual subscription for two years at any time, the Clerical Secretary shall inform him that he has forfeited all claim on the said Fund. But provided he shall at any time afterwards pay, or cause to be paid, to the said Secretary, the said sum of five dollars for each and every year, that the same has been unpaid, together with eight per cent per annum for interest on the whole amount to be paid, then and in that case his widow and children, if there be any, shall be entitled to the benefits arising from this Fund in the same manner as though the sum of five dollars had been paid regularly in each and every year.—*Carried.*

It was moved by Rev. Canon Bleasdel, seconded by W. Shea,

That the assent of the Synod be given to the Incumbent and Churchwardens of St. George's Church, Trenton, for the sale of two acres, being a portion of the glebe land in the western portion of said Village; the proceeds of such sale to be appropriated to the Endowment of the Church or Parsonage in West Trenton.—*Carried.*

The Rev. A. C. Nesbitt moved, seconded by the Rev. A. Spencer,

That the second clause of the second Section of Canon XXX be, in the special case of the Rev. John Stannage, so far relaxed as to allow him the time which he served in the Diocese of Toronto before the election of the Bishop of this Diocese, in reckoning his seniority with reference to the Commutation Fund, he having come into this Diocese soon after the election of the Bishop but before the passing of the said Canon, without foreseeing the loss which he would sustain thereby.

Moved, in amendment, by W. Shea, seconded by the Rev. C. P. Emery,

That the motion of the Rev. Mr. Nesbitt be referred to a Committee composed of the Clergy present, for them to take action thereon and report to the Synod, the Lay Delegates pledging themselves to endorse their decision.—*Lost*.

The original motion was then put and lost.
It being six o'clock, the Synod adjourned.

FOURTH DAY.

Morning Prayer was said in the Cathedral at 8 o'clock.

The Synod re-assembled for business in St. George's Hall at 10 A.M.

APPENDIX.

(A)

REPORT OF THE CLERGY TRUST FUND COMMITTEE.

The Committee of the Clergy Trust Fund beg, through their Chairman, to report as follows:—

By the Report of the Treasurer of the Synod, it appears that the total of the Invested Capital of this Fund, on the 30th of last April, amounted \$277,340.26.

It is considered to be unnecessary to give a statement of the various securities belonging to this Fund, as they will appear in another document to be printed in the Journal of Synod.

It is satisfactory to be able to add that in all probability, between this present time and the 1st January, 1875, the Fund will permit the placing of four Clergymen upon it, in consequence of the increase of interest, \$580, derived from the Debentures of the City of Hamilton, the sale of a part of the de Blaquiére Estate, and the lamented death of the late Archdeacon. Should another portion of the de Blaquiére Estate be sold, as is expected, then a fifth Clergyman will be placed upon it, so making the whole number to be ten Clergymen receiving each \$400 per annum from it.

All of which is respectfully submitted.

ANNUAL REPORT OF BOARD OF MISSIONS.

In presenting their Annual Report, your Board feel that it becomes their sad duty to refer to the loss which not only the Mission Board but the Diocese at large has sustained in the death of their late Chairman, the Ven. H. Patton, D.C.L., Archdeacon of Ontario. We cannot express our deep sense of this loss more fitly than by quoting the resolution unanimously, and with deep feeling, adopted at the regular meeting of the Board in May last:

"Resolved—That before proceeding to business, this Board desires to record its sense of the very serious loss which the Church in this Diocese has sustained by the death of the Ven. Henry Patton, D.C.L., Archdeacon

of Ontario. To his untiring energy and able management the Board is confessedly indebted for the large measure of success which has attended its Missionary operations—success which must stand as a lasting memorial of the earnest zeal for Christ and His Church for which he stood pre-eminent amongst his brethren.”

That this feeling has been shared by others, and that this Board and Diocese has the sympathy, in regard to this sad subject, of their brethren of our Sister Church is shown by the following resolution adopted by the Convention at Ogdensburg, in the Diocese of Albany :

Gouverneur, May 25th, 1874.

TO THE RT. REV. JOHN T. ONTARIO, D.D., LL.D. :

MY LORD—It becomes my official duty as Secretary of the Convocation of Ogdensburg, in the Diocese of Albany, to communicate to you the following minute passed by a rising vote at their late meeting held at Ogdensburg on the 5th day of May, 1874 :

“The Convocation of Ogdensburg, with humble humiliation to the will of God, records the death of one of its honorary and honored members, the Ven. the Archdeacon Patton, of the Synod of Ontario. In the death of Dr. Patton the Right Rev. the Bishop of Ontario has been deprived of a trusted and wise counsellor, and the Synod of a valuable officer and most useful member. The personal relations of the deceased with this Convocation, and the services formerly rendered by him within its limits, add to our general feeling of bereavement a sense of personal loss ; so that while we offer to the Bishop of Ontario our sympathy, we at the same time express our own sorrow.”

I remain,

Your Lordship's most obdt. servt.

WM. M. OGDEN.

In reviewing the operations of the past year, your Board feel that there is much cause for thankfulness to the Giver of all good for the continued prosperity of our Missionary operations.

The Reports of the Conveners of the several Deputations are of a very encouraging character.

DEPUTATION No. 1—Rev. E. H. M. Baker, Convener—

Deputation No. 1, consisting of the Revs. F. W. Kirkpatrick, C. H. Mockridge and myself, visited all the places named in the programme, beginning at Salmon River on Sunday morning, February 1st, and ending at Wolfe Island on Friday evening, February 13th. At the latter place, owing to the setting in of a drenching rain and the unsafe condition of

the ice, the consequently were generally offertories the Cathedral of St. and Christ Church where the offering year—a humble to be present the contribution her tithe. Christ tory of the V means of this done but her city, was not more than in

the ice, the congregation did not expect the Deputation, and there was consequently no meeting. Everywhere else meetings were held, which were generally well attended, and returned, with but one exception, larger offertories than last year. The most notable instances of increase were the Cathedral of St. George, which advanced 20 per cent; All Saints', Kingston, and Christ Church, Cataraqui, which added 50 per cent; and Newburgh, where the offertory was within a little of fivefold that of the preceding year—a humble but faithful young Churchwoman having, though unable to be present at the meeting, brought it up to the amount of \$21.48 by the contribution, through the Rev. J. J. Bogert, of \$17, a portion only of her tithe. Clark's Mills had been vacant for some months, and the offertory of the Village Church was less than the year before, and yet by means of this one young person connected with the outstation having done *but her duty*, the Parish as a whole, in its rate of increase in liberality, was not outdone by the best upon our route, but returned 50 per cent more than in 1873.

A curious coincidence, deserving of mention, happened in connection with the Barriefield meeting. At the close of a delightfully hearty and inspiring Service, in which seven Clergymen and a goodly congregation joined, the offertory was made when lo! not a copper was to be found in the plates! The collection—a good one—was made up wholly of silver and bank notes! Evidently Alex. the Coppersmith does not reside in Barriefield, nor send his agent there.

The Convener having passed over a large portion of this route in 1865, on the same errand, cannot refrain from giving expression to the pride and pleasure he experienced in witnessing, almost everywhere, very decided proofs of Church progress. Within the period intervening since 1865, very beautiful and substantial Churches have been built in Selby, Napanee and Cataraqui; the church at Tamworth finished and relieved of its enormous debt, and a neat Parsonage with suitable outbuildings erected and paid for; the Sydenham Church renovated and changed so much for the better in the interior as to be almost past recognition as the same building, with a congregation second to none in the Diocese for reverence and devoutness. All these and other similar signs of prosperity witnessed by the Deputation made the heart truly glad, and inspired the belief that a glorious future under God is in store for the Church in this region.

The united offerings of the Sunday School children of Selby, Napanee, Christ Church, Cataraqui, and St. George's, Kingston, for the Algoma Bishopric Fund were \$48.53; for the Mission Fund of the Diocese of Ontario, we received from fourteen congregations \$214.13; total sum collected, 262.66.

No Report from Deputation No. 2.

DEPUTATION No. 3—*Rev. J. W. Burke, Convener.*

The Deputation, which originally consisted of the Convener, Revs. W. Roberts and S Tighe, was, in fact, represented by the two former, only; as, owing to some changes in the appointment of other Deputations, the Rev. S. Tighe was not present with it.

The Deputation commenced its labours at Mill Point, and visited all the stations named in the programme. The number of miles travelled on actual tour was about 132, and amount collected, \$142.63.

The expenses of tour were \$8.15.

The details of collections are as follows:—

Mill Point	\$3 50
Tyendinaga	4 21
Frizzell's Mills	2 63

Queensboro'	5 60

Thomasburgh	5 32
Roslyn	5 00
Total	\$142 63

This amount was in excess of that collected last year by about \$20.

The best meeting of the tour was, as might be expected, where a missionary meeting was held in St. Thomas Church after evening service on Sunday, 11th January. The Ven. Archdeacon Patton presided; and in addition to the Deputation Rev. Messrs. Low, Forneri (Incumbent of Christ Church, Belleville), and Halliwell, addressed the meeting; and an excellent, practical and effective speech was made by F. McAnnany, Esq. which contributed materially to the success and profit of the meeting.

Several other meetings were also well attended and the results gratifying; although at the commencement of the tour the weather was very unfavorable, and throughout it the election contests going on over the country, had a decided tendency to diminish our success.

Generally we were rejoiced to find the Clergy earnestly and vigorously employed in their Master's service, and their labors not unappreciated by the people; although the prevalence of various forms of Dissent and a low standard of Church feeling are in some places found to offer much discouragement. Some thirteen or fourteen days were occupied in the tour, and the deputation carried away a pleasant memory of the kindness and hospitality which everywhere awaited them, and desire to thank Almighty God for the measure of success vouchsafed to their exertions,

Deputation No. 4 consisted of the Rev. Messrs. Emery, O'Loughlin and Fox. Mr. Emery, the Convener, began operations alone—Mr. Fox being incapacitated from ulcerated sore throat, and Mr. O'Loughlin hindered by parochial engagements. The latter gentleman, however, joined the Convener at Lanark, and continued with him up to New Boyne. At Lanark and Balderson's Corners the Convener was ably assisted by the Rev. J. K. McMorine, at Montague by two earnest-minded Laymen, A. Code, M.P.P., and the Lay Reader of the Parish, and at Smith's Falls by Rev. C. Forest.

In some instances the offertories were not so good as last year, whilst in others they were greatly in advance.

The congregations, without exception, paid great attention to the different addresses. As a rule Churchmen do not seem to give on principle for promoting God's work. A good stirring pastoral, on the duty of giving, from His Lordship the Bishop, would doubtless prove effectual in opening the eyes and hearts of, and eventually, the purses of the people.

DEPUTATION No. 7—*Rev. W. Bleasdel, M.A., Convener.*

This Deputation commenced its tour at Rochesterville, City of Ottawa, on Wednesday evening, February 4, where a first and encouraging meeting was held in this suburb of the Capital of Canada. The Bishop of Ontario was present and spoke at it, as also the Rev. J. S. Lauder, M.A. The result was an encouragement from this small nucleus of a future parish. The meeting at Bell's Corners followed, and was an encouraging and interesting one. At Richmond, the oldest Parish in this Section of the Diocese, the meeting was of a discouraging character, but this was in

part owing, the Convener believes, to the absence of the Rector, the Rev. C. B. Pettit, from a sudden and very recent bereavement of a sister in Montreal, and something to the apathy of the people. The meeting at Goulbourn (ninth line), followed, with more interest evinced and somewhat more of success. The meetings in the Parish of Huntley were very successful. At Hazeldean, Huntley (3rd line), Stittsville and Carpe, the results of the meeting were very successful; and at the three former ones the services were hearty and musical, and reflected great credit upon the energetic Missionary and Mrs. Mulvany, who had trained the young people to join with such a Church-like spirit in the offices of the Church, and which the whole congregation, with one or two exceptions, appeared to unite in an appropriate spirit. At Hazeldean, a new Church just completed was deemed by the Convener as the best and most Church-like edifice in wood he had ever seen. St. Margaret's Church, Stittsville, an entirely new edifice and station, erected recently through the self-sacrifice of the Missionary, presented a service which, from its crowded state, its hearty musical responses and renderings, was one of the most cheering and delightful services the Convener ever attended. At South and North March, which followed these, the meetings were eminently successful, and especially at the former, as the result showed. The Deputation closed its labors at Hopper's, in the Township of Nepean, February 13th, where a highly satisfactory meeting was held in a neat, new Church, recently erected, and opened for the first time for service by the Deputation. The result of the meeting and the Church edifice itself reflects great credit upon the zeal and liberality of the Churchmen in that locality.

The total pecuniary result of the Deputation's labors was \$103.44, which, compared with the proceeds of same meetings last year, was a gain of \$10.61; and adding to this the two new stations of Rochesterville and St. Margaret's, Stittsville, making in all \$21.09 as the gain in this section of the north part of the County of Carleton (the Deputation's allotted circuit), on the previous year. The Convener must also note that the expenses of the Deputation were materially lessened by the ample use of the Rev. C. P. Mulvany's horse, which was chiefly employed to convey the Deputation on its route.

DEPUTATION No. 8—*Rev. S. Tighe, Convener.*

After a long and tedious journey I arrived at Metcalfe, in the County of Russell, on the 30th of January in this year, and learned by letter received there from the Rev. A. C. Nesbitt, who was appointed to accompany me, that I should have to travel the whole route assigned me alone, as he was unable to leave home in consequence of one of his parishioners being dangerously ill and requiring his attendance. happening to be here, we addressed a meeting of about eighty persons, and having to make some changes in my arrangements, the next day was an idle one for me, so I gave notice at the meeting that I would preach the next evening, which I did, and added the amount of the collection to that received at the meeting. On the following day I held meetings at Duncanville and Bearbrooke, and on the evening of the day after at Navan. The meeting at Duncanville was small, but those at Bearbrooke and Navan were very good; the collections, however, were in the three places \$16.20 less than the previous year. This decrease was apparently caused by the dissatisfaction which seemed to exist in the Parish from the Board having withdrawn the grant made to the Mission. At Navan I received a Sunday School collection of \$4 on account of the Diocese of Algoma. At those meetings I had no assistance except in the reading of the Service by the Parish clergyman. The meetings at North Gower and Kars were well attended, and the collections were very good, especially as the congregation of North Gower had recently expended much money in local Church matters, and previous to the incumbency of the Rev. A. J. O'Loughlin the Parish was much neglected. On Sunday the 8th I held meetings at Nepean and Christ Church, Ottawa. At the former place the attendance was not very numerous, and the collection was therefore small; at the latter the attendance was about 600, and the collection \$90, which was \$24 better than that of the previous year. The Lord Bishop of the Diocese and the Rev. J. S. Lauder addressed this meeting. As I had the morning to spare, at the request of Rev. G. Jemmett, I preached at Rochesterville.

There being no Service held at Billingsbridge, and no notice of a meeting given, none was held. On the whole route I attended eight meetings, addressed 1078 persons, received \$152.27, preached twice, and travelled 452 miles.

DEPUTATION No. 10—*Rev. G. J. Low, Convener.*

The Rev. C. Cartwright, who had been appointed Convener of this Deputation, having been unable to join us, the duties of the Deputation devolved upon Rev. Mr. McMorine and your subscriber.

We commenced our work on Thursday evening, the 5th February, at Burritt's Rapids, and closed on Sunday evening the 15th, at St. Paul's, Kingston.

At Burritt's Rapids the attendance was considerably injured by a wedding that had just taken place, which kept away many staunch and liberal Churchmen, who doubtless will give their wonted offerings through other channels; notwithstanding, the congregation was very fair and the offering good.

The next evening our meeting was at Merrickville. Here we had the kind and efficient assistance of the Rev. G. W. White. The congregation was pretty large, and the offertory, although not so considerable as on the previous occasion, still very good. The Services at both these Churches were more than ordinarily hearty, the singing good, and the Xmas Decorations tasteful.

The Rev. Mr. McMorine was obliged to return to his own Parish the next day, so I was alone upon Sunday. This was spent in the Mission of North Augusta. Divine Service was held in the morning at the Church in the Village, in the afternoon at St. Andrew's, and at 7 P.M. at St. James'. The congregations at all these were very good, the offertory at the first of the three was nearly double that of last year, and although the other two Churches fell slightly behind, yet the total contributions from the whole Parish were considerably in excess of those of the year before.

The same may be said of the next Mission we visited, that of Elizabethtown. Of the three Churches one, that of Lyn, did not come up to the standard of previous years; but the other two, by their liberal offerings, far more than counterbalanced this loss. The Rev. J. K. McMorine rejoined the Deputation on Monday at New Dublin, where we had a good congregation. The following evening we held the Lyn meeting. The following morning I was summoned home by telegram on account of sickness in my family, and had to leave Mr. McMorine in sole charge. That night he held the meeting at St. Luke's, Younge, which was a great success, the congregation being very large and the offertory greater than it had ever been before. The meeting next evening, at Lansdowne Front, was pretty fair, but not so good as last year. The South Lake meeting was, in point of numbers, a comparative failure, owing to the weather; it was raining hard, the snow was rapidly disappearing, and travel had become almost impossible. Yet the offertory was \$4.33, by far the largest, in proportion to the number present, of any on the route.

I was enabled to rejoin the Deputation at Gananoque, where, on Sunday morning, we had a large congregation; and after a hearty Service in their handsome and prettily decorated Church, we received an offering of \$32.62. This liberal donation was made, notwithstanding that the Churchmen of Gananoque seem to be taxing themselves pretty heavily just now for the improvement of their own Church edifice by an elegant tower and steeple and a Vestry Room, which are now in course of erection. In the afternoon we drove to Kingston, and that evening had the pleasure of addressing a very large congregation at St. Paul's Church, and receiving from them \$36.49, a much larger sum than they had ever given before. Here our labors closed.

Our total collections are not so large as those of last year, but it must be remembered that this is owing to our route being more circumscribed. The important Parish of Brockville and that of Maitland, which were last year in this beat, were this time attached to another Deputation. The following table gives the collections by Parishes as compared with last year :—

The absence of the usual contribution from the North Augusta Sunday School was owing to the Rev. Mr. Cooke's being away last summer in England. It is also but right to remark that the decrease in the first named Parish and the large increase in the last are both traceable to the circumstance that in 1873 the meetings in Merrickville Parish were held on a Sunday, while this year the Sunday was given to Gananoque and St Paul's Church, Kingston.

The result of the offertories at our Missionary Meetings for the past winter is an excess over the previous year of \$325.78; and when it is remembered that the system of sending out Deputations throughout the Diocese has been in existence for twelve years, and consequently the novelty has ceased, it is a cause of deep thankfulness that, on the one hand there is no falling off of the collections nor flagging of the zeal with which the work was undertaken by the Clergy, and on the other that a steady increase has marked the course of this source of our income, and our faithful and laborious members of Deputations still manifest an ardor and self-denial in this branch of the Church's work that proves that they are in earnest in what they have undertaken. It is too little considered that the Clergy, in going out on Missionary Deputations, at the most trying and inclement season of the year, suffer inconvenience and loss to a far greater extent than any of those whom they address. This consideration should act as an incentive to the lay members of the Church to cheer and encourage the Clergy by, at least, their presence at our Missionary Meetings.

The Committee to whom was referred the question as to the necessity and advisability of making certain alterations in Cap. 16, of 29-30 Vict. (on Sale of Rectory Lands), beg to Report.

That they have carefully considered the questions and matters committed to them.

That they find that in the Diocese of Huron, in the case of the Rectory of London the surplus income above \$3,000 is divided among the other Clergymen of the Rectory in equal shares. No Legislative action has, however, been taken, nor does any appear to be contemplated.

In the Diocese of Toronto, at their last meeting of Synod, a resolution to the effect that application should be made to the Legislature for an Act transferring all the Rectorial Lands and property to the Synod with power to dispose of the same in such way as the Synod should decide, was introduced; but at the earnest request of the Bishop, was allowed to stand over until this year, when it will come up again.

Your Committee would recommend that an application be made to the Local Legislature during their next Session for an Act extending and explaining the present Act, and in accordance with the draft herewith submitted; and that they may be permitted to continue to act until such Legislative enactment be obtained; and they further recommend that a copy of the draft act herewith submitted be sent to the other Dioceses.

AUDITORS' REPORT.

We the Auditors appointed to examine the accounts of the Treasurer and Secretary of the Synod of Ontario for the year ending the 30th day of April last, submit the following Report of our labors.

We have examined the securities belonging to the various funds under the control of the Synod.

Those belonging to the Clergy Trust Fund were ascertained by us to be in the joint possession of the Treasurer and Secretary, with the exception of the London Debentures mentioned in the Auditors' Report of last year, which are still in possession of the City Bank of London for the purpose of conveniently collecting the interest accruing due upon them. The certificate of the Manager of that institution, showing the purpose for which these Debentures are held by it, was produced to us. The total amount of the Permanent Clergy Trust Securities, not including interest, is the sum of \$277,340.26, showing an increase since last year of \$1,714.31.

We have also examined the Securities held by the Synod in trust for the undermentioned funds, and have found that those transferable by delivery were in the joint possession of the Treasurer and Secretary, and that the Mortgages, with the exception of those in suit, which are but two in number, were in the possession of the Secretary. Vouchers were produced for those in the hands of the Synod's Solicitor.

The capital sums represented by these Securities are—

The balances at the credit or debit of the various Funds in the Bank of Montreal on the 30th day of April last, are as follows:—

Clergy Trust (debit)	\$1,794 48
Divinity Students' (credit)	535 95
Episcopal (credit)	1,013 85
General Purposes (debit)	5 85
Mission (credit)	2,734 60
Prayer Book (credit)	113 03
Sustentation (credit)	99 79
Rectorry Land (debit)	66 26
Algoma Bishopric (credit)	4 10
Widows' and Orphans' (credit)	184 65
Assessment (debit)	481 57

We found that the various fund balances in the Bank agreed with those in the books of the Treasurer and Clerical Secretary with the exception of the Mission, the Episcopal, and the Divinity Students' Funds.

The Mission Fund balance exceeds that in the Secretary's books by \$154.10, amount of two outstanding cheques and of a balance of \$4.10, which is credited in the Secretary's Books to the Algoma Bishopric Fund.

The Bank balance of the Episcopal Fund exceeds the Secretary's balance by 52 cents, from some cause which we were unable to ascertain.

The Bank balance of the Divinity Students' Fund exceeds the Secretary's balance by \$116.68, amount of two outstanding cheques.

We have examined the Clerical Secretary's Books of Account, and in doing so have availed ourselves of the assistance of Mr. Christie, a professional Accountant. The payments were all vouched by cheque, and in other respects the entries seemed to be correct. A large number of cheques, however, were not signed by the Bishop.

All which is respectfully submitted.

THE BOOK AND TRACT COMMITTEE'S REPORT.

The Book and Tract Committee beg leave to report, with thankfulness to Almighty God, that, notwithstanding the dullness of the business of last Autumn and early Spring (ordinarily busy times), there has been a very fair amount of sales during the past financial year: not as much as they could have wished, it is true, but more than was, under the circumstances of trade in the country, to be expected.

The value of the stock is slightly increased; the quality of the books is better: and the variety much greater than at any previous time.

Your Committee have endeavored to promote the efficiency of the Depository, and to give general satisfaction as far as was in their power.

It is gratifying to be able to state that the sale of larger works has considerably increased, and that only in a few lines has the amount of sales fallen below what they might fairly desire.

With the number and variety now on the shelves they anticipate large sales during this session of Synod.

The Sunday School requisites are of a first-class order, and there are on hand some very excellent publications of the venerable Society for Promoting Christian Knowledge.

J. A. MULOCK,
Chairman.

REPORT OF THE CHURCH TEMPERANCE SOCIETY.

The Committee to which was referred the motion of the Rev. F. W. Kirkpatrick in reference to the establishment of a Church Temperance Society in connection with the Synod of Ontario, beg leave to report that, having duly considered the various points of difficulty suggested in the debate of yesterday, they have agreed to recommend that a Society be formed in the Diocese of Ontario in accordance with the constitution proposed; but that no more intimate connection with the Synod be sought than is involved in that which has been already to it, viz., by the resolution of Synod, p. 1109.

All of which is respectfully submitted.

REPORT OF COMMITTEE ON MISSIONARY DEPUTATIONS.

The Committee appointed to consider the subject of Missionary Deputations beg to submit the following Report, drawn up in the shape of certain recommendations.

They recommend as follows :—

1st. That the number of Missionary Deputations shall not be less than fifteen.

2nd. That the time occupied by each Deputation shall not include more than one Sunday.

3rd. That each Deputation shall consist of two members, and no more.

4th. That the various beats be numbered from west to east, and that the Deputations take them in order.

5th. That in view of the great benefit which would result from the presence of the Bishop at the meetings in the country, His Lordship be respectfully requested to accompany, so far as it may be possible, one Deputation each year. It being the opinion of this meeting that greater and more abiding interest would thus be enlisted in the Missionary work.

6th. That it should be an instruction to Conveners that they consult the convenience of the Clergy in the District to be visited as far as possible.

7th. That the Deputations visit all the places in a Mission where there are regular congregations.

8th. That the Convener be careful to instruct the people that their action at the meeting is only the beginning of their good work ; and that this be followed up by a thorough canvass of the Mission by agents duly authorized to solicit their aid.

9th. That the collecting cards be given out at the close of each meeting, with instructions that they be returned to the Incumbent within one month.

10th. That all monies collected at Missionary Meetings be transmitted to the Clerical Secretary, without delay, so soon as the Deputation work of the district has been completed.

The foregoing suggestions are respectfully submitted.

Chairman.
