The Grand Secretary read the rules and regulations for the government of Grand Lodge during the time of business.

It was moved by R. W. Bro. Rev. Vincent Clementi, seconded by V. W. Bro. F. C. Dettmers, and

RESOLVED—That the minutes of the proceedings of Grand Lodge, at the Tenth Annual Communication, held at the City of Toronto, on the 12th, 13th and 14th days of July, A.D., 1865, having been printed and copies thereof forwarded to the Lodges, the same be considered, read and confirmed.

The M. W. Grand Master read the following address to the brethren in Grand Lodge assembled:

ADDRESS.

BRETHREN:

The rapid and unerring tide of time has borne another year to its fathers in the endless vaults of eternity, and we all are again permitted, by the G. A. O. T. U. to assemble in annual

communication to review the past, and to devise means whereby the principles of our order may be more thoroughly inculcated, and our organization for good be rendered more efficient for the future.

When I had last the pleasure of addressing you, I took occasion of drawing your attention to the eventful times we were living in, and to remark that, notwithstanding the many changes which had taken place across the wide Atlantic, yet, that upon the dim horizon of the future, portentous clouds loomed up. Since then a mighty struggle has commenced, one which will deluge Europe with blood, and shake it to its centre. Who can foresee the end, or say that this, our native land, shall escape the tide of war? Be it, therefore, our duty, my brethren, to be prepared for every emergency, so that whether we be called upon to repel the foreign foe, or to perform the peaceful duties that more immediately pertain to our order, our motto may ever be, "ready, aye ready."

Within the last few weeks the soil of Canada has been polluted by the tread of a band of lawless invaders the very pariahs of society, such men in fact as the great and terrible war in the neighboring States was but too likely to produce, and whose object in life is to prey on society. It matters little whether it be by appropriating the hard-earned savings of the poor Irish servant, or by deliberate theft and rapine. A more criminal raid was never heard of in the history of modern nations. The idea of assisting Irish independence by a murderous onslaught on the peaceful inhabitants of a remote and happy British Province, is too absurd to be entertained. Plunder was the object, and may the just laws of our country mete out to them a just reward. Deeply is it to be lamented that any of our brave and gallant volunteers, "the flower of the youth of Canada," should have fallen by such ignoble hands. Be it our duty, my brethren, to cherish their memory by an ever-green remembrance, and like them, let us ever be prepared at our country's call, to shed our hearts' best blood in her defence.

If there is one duty more strongly inculcated by Freemasonry than another, it is Loyalty. With political questions, we, as a

body, have nothing to do, but to be true and loyal to our Sovereign and country, is, as you are well aware, not only our paramount duty, but our highest privilege; and yet there are those who, either in consequence of having been refused admittance into our Lodges, or because the See of Rome has lately issued a silly document against Freemasonry, have not hesitated foully to slander us in public prints, and to class us with Fenians and other subverters of the peace of society, forgetting that not only the uncle but also the father of our gracious and much loved Queen, was a Grand Master of our Order, itself a sufficient guarantee, were any necessary, for our loyalty. But, brethren, I am not here as an apologist for Freemasonry—it needs no apology—its acts speak for themselves, and by those acts I am willing that it should be judged. Nor should I have alluded to these foul slanders, but that I feared, as a prominent member of the Craft had noticed them in the public prints, my silence might be misconstrued. I am at all times much opposed to rushing into print on Masonic matters, but in this instance I was particularly so, for I deemed it beneath my notice as your Grand Master to pay the slightest attention to such palpable calumnies.

From present appearances, there is every reason to believe that the great question of Confederation of the British North American Provinces will, within a few short weeks, be accomplished. Let us then carefully consider the position in which this Grand Lodge will be placed by that event. A strong feeling is, I am given to understand, entertained by many prominent Masons in the sister Provinces in favor of a Grand Lodge for the whole of British North America, with a Provincial Grand Lodge in each Province. With these views, as you are well aware from the remarks I made at the Toronto Masonic Banquet last July, I fully concur; being persuaded that such a Confederation would prove of incalculable benefit to our Order, and place us in the foremost rank of the Grand Lodges of the world—not even second to our honored and revered parent, the Grand Lodge of England. Ponder well, then, my brethren, the advisability of uniting with our brethren of the Maritime Provinces for this purpose. And if, on due deliberation, you concur in my views, let a committee be appointed by this Grand Lodge,

whose duty it shall be to invite the Lodges in the sister Provinces, by their delegates, to meet them at some central place, and there prepare the necessary steps to receive them into this Grand Lodge, which may then be called together for the purpose of ratifying their acts and declaring itself the Grand Lodge of British North America. Before closing this part of my address, I would draw your attention to the important fact, that so soon as the confederation of these Provinces takes place, the Grand Lodge of Canada is necessarily placed in precisely the same position in regard to the sister Provinces as the Grand Lodge of England, Ireland and Scotland, and may at any time erect Lodges in either of them.

Early in the month of March I received a communication signed by three brothers, styling themselves respectively Grand Master, Grand Registrar, and Grand Secretary elect of the Grand Lodge of Nova Scotia, informing me that after due deliberation the Scottish Provincial Grand Lodge of Nova Scotia had dissolved itself, and that a convention of Scottish Masons had then been held, at which a Grand Lodge was formed, and the officers thereof duly elected, and requesting me to nominate some brother to proceed to Halifax to install the Grand Master. To this communication, I regret to say, I found it impossible to return a favorable answer, for, on carefully perusing the statement sent me of the course pursued by our Nova Scotia brethren, I found their whole proceedings so irregular as to render, in my opinion, the legality of the formation of the Grand Lodge of Nova Scotia more than doubtful. I therefore directed the Grand Secretary to acknowledge the receipt of their letter, and to say that, taking into consideration the peculiar action of the Provincial Grand Lodge of Nova Scotia in the proposed formation of a Grand Lodge for that Province, the Grand Master of Canada did not feel justified in exercising his prerogative in installing their Grand Master, without first consulting the Grand Lodge of Canada at its next regular Communication, that had the movement to form a Grand Lodge been participated in by the Lodges hailing indiscriminately from other jurisdictions than the Grand Lodge of Scotland, the Grand Master would not have had the slightest hesitation in at once extending to them the right hand

of fellowship; but that he feared the simple fact of the English and the Irish Lodges not having been formally invited or solicited to co-operate in the movement, although possessing equal rights with the Scottish Lodges, must prove fatal to the speedy acknowledgement of the proposed Grand Lodge of Nova Scotia. As this question is one which demands the most careful consideration, I shall recommend that a special Committee be appointed to enquire into the action taken by our Nova Scotian brethren, and to report to this Grand Lodge to-morrow evening. I last year drew the attention of the Grand Lodge to the existing want of uniformity of work in our subordinate Lodges, and earnestly endeavored to impress upon it the necessity of immediately appointing one or two Grand Lectures to remedy this evil; but as this would trench largely upon the funds of the Grand Lodge, it was not then thought advisable to act upon my advice; another method was therefore adopted which, I regret to say, has produced no beneficial results. Now, brethren, believe me, this is the falsest of all false economy, for nothing can be more calculated to lessen the love of our brethren for Masonry than a want of system, correctness, and uniformity of work. Why is it that we have so many unaffiliated Masons in our midst? Undoubtedly because they have either never been properly taught, or their young love has been cooled by the slovenly working of their Lodges. Correct, then, this evil without loss of time; let the necessary questions be invariably put to the candidate, in the anti-room before his initiation, rigidly enforce the law requiring the candidate to be well instructed in the preceding degrees before he is advanced higher, compel every Worshipful Master elect to pass an examination as to his qualifications to fill the chair before he is installed into that high and responsible office, above all appoint a Grand Lecturer, who shall teach our Lodges to be prouder of the correctness of their work, than the accumulation of material, and I am satisfied that in less than a twelvemonth you will not only see a noble advancement towards perfect Masonry, but such a large increase in our roll of membership, by the return to our fold of the unaffiliated, as will amply repay Grand Lodge the outlay I now recommend.

Such of my official acts as may be deemed of sufficient importance to engage your attention, I shall now endeavor to enumerate; I shall at any time hereafter be happy to afford such additional information on the subjects treated of as may be desired, so far as may lie in my power.

In compliance with the resolution passed by the Grand Lodge requesting me to take the necessary steps to get the Consolidated Statutes of Lower Canada amended so as to remove the doubts which existed as to the standing of the Grand Lodge in Lower Canada, I proceeded to Quebec, and with the kindness of several gentlemen of both Houses, belonging to our Order, succeeded in getting the amendment passed by the Legislature.

I had much pleasure in presenting our worthy Grand Pursuivant, V. W. Bro. Blondheim, with the jewel of his office, as directed by resolution of Grand Lodge, at its Annual Communication, in 1863. The jewel which was ordered by Grand Lodge, at its last Annual Communication, to be presented to R. W. Bro. Groff, in testimony of the high sense it entertained of the services he has rendered to the Craft, in the faithful and efficient performance of the important and highly responsible duties of Grand Treasurer, I have only recently been enabled to procure, and shall take an early opportunity of presenting it to that meritorious officer.

Since last Annual Communication of Grand Lodge, I have granted Dispensations for the erection of the following Lodges:

PLATTSVILLE.....	Of Plattsville.
BOTHWELL.....	Of Bothwell.
SPEED	Of Guelph.

In each case the petitions were regularly and strongly recommended, and were accompanied by the regular certificates from the D. D. G. M., as to the competency of the proposed Worshipful Master. I trust, therefore, that the Grand Lodge will see fit to confirm them by warrant.

The Worshipful Brother who was appointed first Master of Simpson Lodge, having, through some misunderstanding with the P. D. D. G. M., failed to pass [his examination, and the

warrant never having been delivered to him, he, together with ten other members, have petitioned that the Rev. C. S. Denroche may be appointed the first Worshipful Master in his stead, as it would not now be convenient for him to accept that office. This case appearing to me to be a hard one for the brethren interested, I have deemed it advisable to accede to the prayer of the petition. In order to fulfil, as far as was in my power, the responsible duty of examining and correcting the by-laws of the subordinate Lodges under this Grand Lodge, I directed the Grand Secretary to issue a circular directing them to transmit to me copies without delay. One hundred have been received, all of which I have corrected with the greatest care and returned. Why the balance have not been sent to me, I am unable to say, but trust they will be handed in at this Communication, so that the great desideratum, uniformity, may be carried out.

It is my melancholy duty to announce to you the death of that exalted Mason and good man, the Ven. Archdeacon Scott, R. W. Past Deputy Grand Master of this Grand Lodge. All who knew him revered and respected him for his many virtues, kind disposition and amiable deportment; and I trust the Grand Lodge will take an early opportunity of paying a tribute of respect to his memory.

Among the prominent members of the Craft in other-jurisdictions whom it has pleased the wise Master Builder to summon from the earthly tabernacle which their life adorned, I would mention the names of R. W. Bros. W. H. White, P. Grand Secretary of the Grand Lodge of England; W. H. Adams, Grand Secretary of the Grand Lodge of Pennsylvania; Thos. D. Merrick, Grand Secretary of the Grand Lodge of Arkansas, and Cyril Pearl, our late representative in Maine. Time does not permit me to do more than to make a passing record of the names of these Fathers in Masonry, whose loss we deplore. Be it our duty to honor their memory by striving to emulate their virtues. The position of this Grand Lodge, with reference to the other Grand Lodges of the world, is, I am happy to say, of the most cordial and fraternal kind. A report on this head will, I have no doubt, be submitted by the Board of General Purposes; but as the

time at the disposal of the Board at our annual meetings is totally inadequate to permit of a comprehensive report on foreign correspondence being drawn up, I would strongly recommend that, in future, this important subject be placed in the hands of a sub-committee of one, or at most of two of said Board.

Before closing my address, I wish to draw the attention of Grand Lodge to the awful conflagration which has recently visited the beautiful city of Portland, the seat of the Grand Lodge of Maine, and to recommend that some suitable and substantial expression of our warm and heartfelt sympathy be immediately sent to the brethren of that city.

Notwithstanding the length of these remarks, I fear that there are many topics of importance to us in a local point of view to which I have failed to refer. As however, many subjects of interest to individual Lodges, and to us as a whole, will undoubtedly be found in the reports of the District Deputy Grand Masters, I would refer you to them for information on such points as I may have omitted.

In conclusion, let me express the hope that our proceedings at this Communication may be characterized by that harmony and fraternal bearing which should ever illustrate the intercourse of Masons, and that our legislation, guarded by prudence and wisdom, may promote the best interests of our Order. Thanking you for the courtesy and patience with which you have listened to my remarks, and submitting them to your calm consideration, I humbly invoke the guidance of the G.A.O.T.U. on all our deliberations.

W. B. SIMPSON,

Grand Master.

It was moved by M.W. Bro. A. Bernard, seconded by R.W. Bro. A. A. Stevenson, and

RESOLVED—That so much of the address of the M.W. Grand Master as relates to the organization of a Grand Lodge for Nova Scotia, be referred to a Special Committee, to be named by the Grand Master, with instructions to report thereon to-morrow.

The M. W. Grand Master was pleased to name the following Brethren to compose such Committee, viz:—

M.W. Bros. T. Douglas Harington, A. Bernard, W. M. Wilson ; R.W. Bros. A.A. Stevenson, S. D. Fowler, W. H. Weller and Henry Macpherson.

It was moved by M.W. Bro. A. Bernard, seconded by R.W. Bro. John Renshaw, and

RESOLVED—That all matters contained in the address of the M. W. Grand Master, with the exception of such as refers to the organization of a Grand Lodge for Nova Scotia, be referred to the Board of General Purposes.

Reports of the R.W. District Deputy Grand Masters for the various Masonic Districts were read :

LONDON DISTRICT.

To the Most Worshipful Grand Master, and Brethren of the Grand Lodge of Canada, in Grand Lodge assembled :

MOST WORSHIPFUL GRAND MASTER, OFFICERS AND BRETHREN :

In accordance with the requirements of the Constitution, and with our established usages, I have the honor to lay before you the following report upon the state and progress of Masonry in the District over which I have had the honor of presiding during the past Masonic year.

I am happy to state that Masonary is progressing rather than retrograding in this District, and though in a few Lodges there is yet room for advancement, on the whole I have been gratified by the steady improvement in the working, in the more regular attendance of the members—all of whom seem most desirous of improving themselves, and becoming well acquainted with the beautiful ritual established by the Grand Lodge.

DISPENSATIONS.

I granted Dispensations to the following Lodges to walk to church in regalia on the 27th of December, the Festival of St. John the Evangelist, and to wear the same at a Ball in the evening, on an application from the Master and brethren :

GRAND LODGE OF CANADA.

GREAT WESTERN	Windsor.
PRINCE OF WALES	Iona.
ST. JOHN'S	London.
ST. GEORGE'S	London.
KILWINNING	London.

OBITUARY.

The deaths of the following brethren have been reported to me during the past year :

Bro. James Riggs, Great Western, Windsor, December 4th ;
 Bro. Johnston Waddell, St. George's, London, January 4th ;
 Bro. Thomas Todd, Albion, Newbury.

I have much pleasure in bearing testimony to the uniform courtesy and kindness I have received from the officers and brethren of the several Lodges, during my visits to them, and am much pleased in having to report to you that no Masonic difference has arisen in this District.

I much regret that illness prevents me from attending the Grand Lodge at its present session.

All of which is respectfully submitted.

CHAS. J. S. ASKIN,
 D. D. G. M., London District.

 HURON DISTRICT.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of Canada.

In accordance with the regulations of Grand Lodge, I have much pleasure in submitting my second annual report on the condition of Masonry in the Huron District.

I am happy in being able to state that, with one exception, all the Lodges I have visited are in a prosperous condition.

On the 3rd of May, I considered it my duty to suspend Clinton Lodge, No. 84, until the pleasure of the M.W. Grand Master should be made known. The reason for my taking this

step was set forth in a report and sent to the Grand Master, by whose order I, on the 4th inst., removed the interdicit.

In November last, I installed the Worshipful Master and invested the officers of Ayr Lodge.

I have also recommended the application for a new Lodge at Guelph, to be called the Speed Lodge, and to which the M. W. Grand Master has been pleased to issue his Dispensation.

In accordance with the recommendation of Grand Lodge, at the last Annual Communication, St. James' Lodge, No. 73, St. Mary's, and Irving Lodge, No. 154, Lucan, have availed themselves of the services of Bro. Eacrett, W.M. of Lebanon Forest Lodge, No. 133, Franceston, from whom they have received instruction in working the Lodge; and both these Lodges do credit to their instructor.

On my application, the Lodges in this District have complied with the recommendation of Grand Lodge in purchasing a regalia for the use of the D.D.G.M., for the time being.

Bro. John Fishleigh, Treasurer of Tudor Lodge, No. 141, Mitchell, has been suspended for unmasonic conduct; the papers relating thereto have been forwarded to the Grand Secretary, who no doubt will lay them before Grand Lodge, so that Brother Fishleigh may be further dealt with in accordance with the laws of Freemasonry.

On the 27th December, I granted Dispensations to Tecumseh Lodge, No. 144, Stratford, and Irving Lodge, No. 154, Lucan, the former to appear in masonic regalia on the opening of their new Lodge-room; and I am happy to be able to add, that the new hall of Tecumseh Lodge, for the beauty of its design, and furniture, would do no discredit to the largest city in Canada.

I have likewise granted a Dispensation to Maitland Lodge, No. 112, Goderich, and Lebanon Forest Lodge, No. 133, Exeter, to celebrate the Festival of St. John the Baptist, by a Pic-Nic, and to appear there in masonic clothing.

Bro. Duncan Lockhart, Tyler of Tecumseh Lodge, died on the 12th of August, 1865, aged sixty-one years, and Bro. Henry Sewell, also a member of Tecumseh Lodge, died on the 12th of

January, 1866, aged forty-two. Both were buried with masonic honors. These are the only deaths reported to me.

In conclusion, I would desire to return my heartfelt thanks to the brethren of the Lodges in the Huron District, for their uniform kindness towards me, when I have had occasion to visit them.

All of which is respectfully submitted.

CHARLES KAHN,

D.D.G.M., Huron District.

STRAFORD, July 6th, 1866.

TORONTO DISTRICT.

To the Most Worshipful the Grand Lodge of Canada.

In accordance with the requirements of the Constitution, I beg leave to present my report and render an account of my stewardship for the past year, as District Deputy Grand Master of the Toronto District.

Notwithstanding the several Fenian alarms which have from time to time prevailed throughout this section of our country, Masonry has steadily progressed, and is at present on as firm a basis and in as prosperous a condition as ever. In several instances it has bettered its position; in no point has it retrograded, and in the judicious selection of rulers chosen by the several Lodges of this District for the current year, we hail a pledge of its continued advancement.

I am happy to say the utmost harmony exists between the brethren and Lodges of this District, and in no instance is there the slightest evidence of this harmony being interrupted.

During the past year I have granted Dispensations to the following Lodges, to appear in public in masonic clothing, viz: to St. George's, No. 88, and Pythagoras, No. 137, on a joint excursion on Georgian Bay; Tuscan Lodge, No. 99, to celebrate the Festival of St. John the Evangelist; and St. George's Lodge, No. 88, for a Pic-Nic, also on Georgian Bay.

A Dispensation also having been requested from me to allow Richardson Lodge, No. 136, meeting at Cashel, to remove to Stouffville, after due consideration, I granted it, finding it to be the unanimous desire of its members. I have long felt that some of the Lodges in my District might move to advantage; at present they are too much centralized.

In the Toronto District, during the past year, several worthy brethren have been called away from amongst us, let us hope to a seat in the Grand Lodge above, prominent among whom was Bro. Hiram Piper, of St. Andrew's Lodge, No. 16, a very old and worthy Mason; Bro. Way, of St. John's, No. 75, and Brother Sangster, of Markham Union, No. 87.

The M. W. Grand Master was pleased to appoint me his representative, in January last, to consecrate the new Hall, the property of Rising Sun Lodge, No. 129, Aurora.

On account of illness last fall and winter and the absence of my partner in Europe, I have not been able to carry out fully my intention of visiting all the Lodges in my District, for which I have to apologize to some of the Lodges. I had hoped to have done so before the last St. John's day, but circumstances over which none of us had control prevented it.

All of which is respectfully submitted.

A. DE GRASSI,

D.D.G.M., Toronto District.

ONTARIO DISTRICT.

*To the Most Worshipful the Grand Lodge of Ancient Free and Accepted
Masons of Canada.*

In accordance with the requirements of the Constitution, I beg to lay before Grand Lodge the following report of the past year for the Ontario District.

VISITS.

It was my intention on assuming the duties of District Deputy

Grand Master to visit all the Lodges in the District. Up to the 1st June, I visited all but six, those it was my intention to have visited, (during this month,) but owing to the invasion of our common country by a lawless body of marauders, in the early part of the month, the great excitement then prevailing, a great many of our people also actively engaged in organising for their defence, and others being at or near the scene of strife, I deemed it inexpedient in the then excited state of the country to pay any official visits; therefore I am unable to make (as I would have desired) an individual report of each Lodge in the Ontario District. But the Lodges I have visited during the past year, I found in good working order, and indeed they reflect credit on the officers and brethren. I have also great pleasure in bearing witness to the true Masonic spirit and emulation which prevails among the brethren. I am led to believe from reports and my own personal knowledge, that the work sanctioned by the Grand Lodge has been adopted as closely as possible by all the Lodges in the District, and it has likewise been a great source of satisfaction to me to find that all the Lodges which I have had the pleasure of visiting readily and cheerfully acquiesced in any changes that I recommended so as to conform as strictly as possible with the Ritual adopted and sanctioned by Grand Lodge.

DISPENSATIONS,

On the 20th December, 1865, I received a letter from the Worshipful Master, Wardens, and brethren of Hastings Lodge, No. 150, asking for a Dispensation to appear in Masonic clothing at a Ball to be given by them on the Festival of St. John the Evangelist, the proceeds to be devoted to charity; understanding from the Most Worshipful the Grand Master that a District Deputy Grand Master had not the power to give such dispensation, I forwarded the application to him, when he was pleased to grant the same.

The Worshipful Master, Wardens and brethren of Composite Lodge, No. 30, Whitby, applied for a Dispensation to enable them to appear in Masonic Clothing at a Festival to be given under the auspices of the Lodge on the 9th of February, 1866, which I granted.

I received a similar application from the Worshipful Master, Wardens and brethren of J. B. Hall Lodge, No. 145, Millbrook, to hold a Festival on the 28th day of February, 1866, the proceeds to be devoted to the relief of a widow of a deceased brother, which I had great pleasure in granting. I am happy to say that the amount realised was greatly in excess of the sum that was expected.

On the 18th of June, 1866, I received an application from the Worshipful Master, Wardens and brethren of Colborne Lodge, No. 91, Colborne, for a dispensation to walk in procession, to attend Divine service, and dine together, clothed as Masons, on Monday, the 25th day of June, 1866, to celebrate the Festival of St. John the Baptist, which I also granted.

SURRENDER OF WARRANTS.

I regret to inform Grand Lodge that in January last the Worshipful Master, Wardens and brethren of Hope Lodge, No. 114, Port Hope, surrendered their Warrant, and forwarded the same to the Grand Secretary, together with the Jewels, &c. I cannot assign any reason for their so doing, being unacquainted with the cause.

In April I received the Warrant and Jewels of King Hiram Lodge, No. 89, Lindsay, they being surrendered by Resolution of the Lodge; also the Warrant and Jewels of Faithful Brethren Lodge, No. 77, Oakwood, from the Secretary, in whose custody they had been since the Lodge had ceased working—both of these Lodges had not been working for a number of years. I observe by referring to the proceedings of Grand Lodge, held at Toronto, 5865, that Faithful Brethren, No. 77, Oakwood, has made no return, nor paid dues for five and a half years, and that King Hiram, No. 89, Lindsay, has been in arrears for three years. Faithful Brethren, No. 77, has not surrendered their Warrant, &c., but the Secretary in whose hands they were, and who resides at Lindsay, offered them to me, and I consider it my duty to take them. Availing myself of the opportunity, when in Kingston shortly after, I waited on the Most Worshipful the Grand Master, and explained to him the circumstances, when he directed me to inform both the Lodges that if seven members

in good standing, of each Lodge, wished to retain their Warrants, they could do so. I wrote as directed, and not receiving any reply up to this time, 27th June, I forwarded the same by express to the Most Worshipful the Grand Master.

REVIVAL OF LODGES.

I have much pleasure in reporting the revival of Corinthian Lodge, No. 101, Peterborough. This Lodge had for a length of time ceased working. Not having held their election at the proper time, on the 28th March, 1866, they met and elected officers for the balance of the year, viz., until the 27th December next. I reported the same to the Most Worshipful Grand Master, who granted his dispensation legalising the election, and empowering me to instal, on the 23rd May last, the Worshipful Master elect, and inducted the officers, which duty I had much pleasure in performing.

OBITUARY.

Only one death among the brethren of the District has been reported to me during the year, viz., of Bro. John Drake, Tyler of Peterborough Lodge, No. 155, Peterboro', who died the 21st day of May last, aged seventy-seven years, and was buried with Masonic honors on the 23rd of the same month.

MASONIC COMPLAINTS.

I am happy to report that no Masonic complaint or grievance has been brought under my notice during the period that I have had the honor of presiding over the District.

In conclusion it remains for me to thank the brethren of Ontario District for the many acts of kindness and courtesy evinced on all my official visits to their several Lodges.

All which is respectfully submitted,

CHARLES D. MACDONNELL,

D.D.G.M., Ontario District.

PETERBOROUGH, June 27, 1866.

PRINCE EDWARD DISTRICT.

To the Most Worshipful the Grand Lodge of Canada :

I have the honor of submitting the following brief Report of my proceedings in the District of Prince Edward, over which I have had the honor to preside.

I regret exceedingly that from various causes I have been unable to visit all of the Lodges in this District during the past year of office; such as I have been able to visit afforded me much satisfaction, and the brethren accompanying me on those occasions were much gratified at the kindly feelings and courtesies evinced to them as well as myself.

I am happy to say that no complaints have been laid before me worthy of the consideration of Grand Lodge, on the contrary, our time-honored institution has been working harmoniously and well.

In the month of last September I had the honor of receiving a Dispensation from the Most Worshipful the Grand Master, to lay the corner stone of a church in connection with the United Church of England and Ireland, at Madoc, C. W., on which occasion I was assisted by R. W. Bro. Edmond J. Sisson, P. G. S. W., and a number of the brethren of Madoc Lodge, as well as the Moira, The Belleville, Stirling and Trenton Lodges. The proceedings were conducted in accordance with the ancient usages of the Order. The Building Committee on that occasion were kind enough to present me, on behalf of the brethren of Madoc Lodge, with a very handsome silver trowel, suitably engraved. At the request of the Belleville Lodges, I granted a Dispensation for the brethren to appear in regalia at a Masonic celebration on the Festival of St. John the Evangelist.

I regret to bring before Grand Lodge that complaints have arisen, caused by the course pursued by St. George's Lodge, E. R., Montreal, and that the Lodges in Belleville have felt aggrieved thereby, in permitting gentlemen, residents of Belleville, to be initiated into the Order *without* in the first place

consulting the brethren here on the standing and position of those candidates for Masonry in their respective localities.

I would again urge on Grand Lodge the necessity of revising this Masonic District, by attaching the County of Renfrew to the Central District.

In conclusion it affords me much gratification to bear testimony to the harmony and good-will that prevades the District at large.

Respectfully submitted,

L. H. HENDERSON,

D.D.G.M., Prince Edward District.

CENTRAL DISTRICT.

To the Most Worshipful the Grand Master, and Grand Lodge of Canada:

In compliance with the requirements of the Grand Lodge, I beg leave to submit the following report of my proceedings in the District over which I have had the honor to preside.

I much regret that my business avocations and [other reasons prevented my visiting the Lodges I had intended, the few I have visited are flourishing and in good working order, and it affords me pleasure to be able to state that during my year of office, but one complaint has been brought under my notice, an evidence of the harmony and good fellowship that prevails among the brethren.

In October last I received a communication from Mount Zion Lodge, No. 28, Kemptville, stating that Bro. Henry Hurd had been suspended for unmasonic conduct towards Bro. Alfred Holmes, till such time as he made suitable amends.

In September last I had the pleasure of installing Bro. Nathan F. Dupuis as Worshipful Master of Albion Lodge, No. 109, at Harrowsmith. This Lodge, I am happy to state, is now reviving under the able management of its present Master. Bro. Dupuis was installed under a Dispensation from the Most Worshipful the Grand Master, not having occupied either of the Wardens' chairs.

I granted a Dispensation to Mirickville Lodge, No. 55, to have a public procession for the purpose of attending Divine Worship on St. John the Evangelist's day; also to Aylmer Lodge, No. 138, to enable them to confer the first three degrees in Freemasonry without fee, on Mr. George Watson, a serving brother.

The death of W. Bro. Alexander Mathieson, P. M. of St. Francis Lodge; No. 24, Smith Falls, was duly reported to me. He was buried with Masonic honors.

I had invitations from several Lodges to instal their officers elect, which I much regretted not being able to accept.

In concluding this brief report I would express my thanks to the officers and brethren of the Lodges within my District for the kindness and courtesy shown to me while in the discharge of my duties.

All of which is respectfully submitted,

JOHN V. NOEL,

D.D.G.M., Central District.

KINGSTON, C. W., July 7, 1866.

MONTREAL DISTRICT.

To the M. W. the Grand Master, and the Grand Lodge of A. F. and A. M. of Canada:

M. W. SIR AND BRETHREN,

It affords me much satisfaction to report most favorably of the progress and state of Masonry in the Montreal District, having visited each Lodge officially, and those within the city very frequently, during the year just closing; and here I may be permitted to testify to the fraternal courtesy and kindness extended towards me on these interesting occasions—specially by the Lodge of Antiquity, the first on the registry of the Grand Lodge of Canada, whose members entertained me at a banquet provided in the most generous and bountiful manner.

During the past year, the Craft in this city have united in

the pleasing duty of preparing a new room for the accommodation of the several Lodges hailing under the jurisdiction of our own beloved Grand Lodge, and I have to record the fact that the corner stone of the elegant building in which your Grand Lodge will meet, was laid with Masonic honors by the M. W. the Grand Master, W. B. Simpson, Esq., and that the Hall was dedicated by that indefatigable officer, the Deputy Grand Master, A. A. Stevenson, Esq., on the Festival of St. John the Evangelist. These ceremonies, always interesting, were, on the occasions just alluded to, conducted with marked satisfaction, under the surveillance of distinguished members of the Craft.

I have also much pleasure in recording the fact, that during the past winter I inaugurated a series of Masonic Lectures, which were attended by large numbers of the Craft, and I am happy to add that an interest has been awakened to the true value of our time-honored institution, to its teachings, its history and its Ritual, which is exceedingly gratifying, and must be productive of much good. The continuance of these Lectures I commend most earnestly to the consideration of my successor in office.

All which is respectfully submitted,

RICHARD BULL,

D. D. G. M., Montreal District.

MONTREAL, July 11, 1866.

EASTERN TOWNSHIPS DISTRICT.

To the M. W. the Grand Master, and the Grand Lodge of Canada:

In accordance with the requirements of the Constitution, I beg leave to present my Annual Report for the District over which I have the honor to preside.

I must premise that in assuming the duties of my office, I did so with the full intention and expectation of being able to visit every Lodge in the District, and of devoting sufficient time to instruct the whole, if necessary, in the established work. This desire (owing to my business engagements, which took up a

good deal of my time,) I have not been able to entirely carry out. To those Lodges which I have not had the pleasure of visiting, my apologies are due—they must accept the will for the deed.

The District now comprises twelve Lodges, viz :—

<i>Prevost,</i>	No. 1.....	Dunham,
<i>Dorchester,</i>	No. 4.....	St. Johns,
<i>Nelson,</i>	No. 8.....	Phillipsburg,
<i>Golden Rule,</i>	No. 12.....	Stanstead,
<i>Shefford,</i>	No. 53.....	Waterloo,
<i>St. Francis,</i>	No. 67.....	Richmond,
<i>Victoria,</i>	No. 71.....	Sherbrooke,
<i>Stanbridge,</i>	No. 117.....	Stanbridge,
<i>Yamaska,</i>	No. 130.....	Granby,
<i>Clarenceville,</i>	No. 152.....	Clarenceville
<i>Browne,</i>	No. 163.....	Adamsville,
<i>St. Johns,</i>	No. 175.....	South Potton

You will see they are spread over a large district of country, so that it is almost impossible to visit all. I have visited most of the above-named Lodges, and those which I have not visited I have heard from through worthy brothers, and I feel pleased to say they are all prospering, and in good working order, with the exception of Dorchester Lodge, No. 4, St. Johns, which, for some reason, has not met for some time.

I installed the officers of St. John's Lodge, No. 175, on the 2nd of January last, who are all that could be desired for a Lodge so young, and for the zeal which both officers and members exhibit, the Lodge is, and will doubtless continue to be, a credit to the Eastern Townships District. I return them my cordial thanks for the kind hospitality they showed me when there. I likewise installed the officers of Stanbridge Lodge, No. 117, on St. John the Evangelist's day, and have pleasure in saying the officers are well up in their work. This Lodge is in a very prosperous and flourishing condition. I likewise installed the officers of Nelson, Prevost and Browne Lodges; they are all in good working order, and prospering, with good and able officers at their heads. It is gratifying to be able to state

that the District over which I have had the honor to preside, is augmenting in numbers rapidly, and as I have always advised them to guard well the outer door, the material is good.

I granted two Dispensations to hold Masonic Balls, to appear clothed as Masons; one to Bro. N. Seager, of Pigeon Hill, on the 18th of January, and one to Bro. H. Seely of Dunham, on the 9th of February—both members of Prevost Lodge, No. 1.

OBITUARY.

On the 5th of December I buried David B. Hawk, a member of Shefford Lodge, No. 53, Waterloo, at Pigeon Hill, a young man of great promise, and universally respected by the Craft. On the 17th of April, that of Bro. R. T. M. Wells, of Stanbridge, and a member of Stanbridge Lodge, No. 117, who was buried with Masonic honors at Pigeon Hill Cemetery. Deceased was a physician of long standing and of great promise, and had, from the kindness of his disposition, endeared himself to all who knew him. He was a man of great natural talents and genius, and died in the full hope of being admitted into that Celestial Lodge above, where the Most High ever presides. He was followed to the grave by a very large concourse of Masons and Friends. Our worthy Chaplain, the Rev. H. Montgomery, presiding, assisted by the Rev. J. Constantine, who delivered a very worthy eulogium on the character and last days of the deceased.

On returning into the hands of the Grand Lodge the trust reposed in me, I beg to thank the officers and brethren of all the Lodges I have visited during the year that I have had the honor to preside over them, and at the same time to assure them of my best wishes for the welfare of the Craft in Canada, and in the Eastern Townships District in particular.

All of which is most respectfully submitted,

D. W. BRYAN,

D.D.G.M., Eastern Townships District.

It was moved by V. W. Bro. George Smith, seconded by R. W. Bro. Denis Bryan, and

BENEVOLENCE.

The Board had under consideration several applications for assistance, and after due consideration made the following appropriations to be paid from the funds at the disposal of the Board for benevolent purposes, viz :

To a brother in distress, to be paid through the Deputy Grand Master in such amounts as he may think necessary from time to time.. 40 00

The Board had also under consideration the subject of the investment of Grand Lodge Funds, and although it was the opinion of the Board that a higher rate of interest ought to be obtained, it was deemed best to defer any action thereon until Grand Lodge should have an opportunity of expressing its decision on this important subject.

GRIEVANCES AND APPEALS.

The Board likewise had under consideration the matter of complaint made by Sharon Lodge, No. 97, against the Tuscan Lodge, No. 99. The question at issue being a point of territorial jurisdiction, and neither party being present to give evidence, the Board referred the case to the District Deputy Grand Master for the Toronto District, to examine into and to report thereon to this Board at its next meeting; and in accordance with this request of the Board the D. D. G. M. had entered into an enquiry of the cause for complaint, and he had reported the case mutually arranged between the Lodges and amicably settled.

The Board had before them the papers having reference to a charge preferred by R. W. Bro. Geo. T. Morehouse and others, against R. W. Bro. D. Browne, and directed the Grand Secretary to summon said parties to appear before the Board at its July Session.

In the matter of an appeal made by V. W. Bro. William Graham, against the decision of the District Deputy Grand Master for the Toronto District, having reference to the differences between the Western Light and True Blue Lodges. The Board beg to state that they gave V. W. Bro. Graham a patient hearing of several hours duration, and having likewise heard R. W. Bro. the District Deputy Grand Master's explanations

RESOLVED—That the Board having heard the evidence adduced by R. W. Bro. Graham, and also R. W. Bro. DeGrassi's statements of the view he had taken of the case, are of opinion that the decision of R. W. Bro. A. DeGrassi, having been based on an incomplete narration of the matters in dispute, should be reconsidered, and in order that the fullest justice may be done in the premises, be it resolved, that all the parties concerned be summoned to appear before the Board at its meeting in July next.

With regard to J. B. Hall Lodge, No. 145, summoned before the Board, it appearing that said Lodge had fallen into arrears from unavoidable circumstances. The matter was left in the hands of the Grand Secretary, to make a satisfactory arrangement with the officers of the Lodge.

The Board had under consideration the recommendation made

by W. Bro. F. Westlake, having reference to the procuring by Grand Lodge of suitable books for the keeping of accounts, minutes, &c., and also blank forms, &c., for the use of private Lodges, and as the question involved a large outlay of money, it was deemed advisable to postpone definite action thereon until the annual meeting of the Board in July.

The whole most respectfully submitted on behalf of the Board,

A. A. STEVENSON,

P. B. G. P.

It was moved by R. W. Bro. Vincent Clementi, seconded by R. W. Bro. F. Westlake, and

R. W. Bro. A. A. Stevenson submitted the following semi-annual report on Audit and Finance:

Two hundred and forty-one dollars and seventy-one cents, leaving a balance still in hands of the Grand Secretary of forty-nine dollars and sixty-two cents.

The Board has much pleasure in stating that the system inaugurated by Grand Lodge for the purpose of collecting Lodge dues, has been found to work admirably, the only Lodges at present over twelve months in arrears, being

No. 14 True Briton's Lodge.....	Perth.

An application has been received from Northern Light Lodge, Kincardine, for a loan of two hundred dollars, but the Board being of opinion that the principle of lending Grand Lodge funds to subordinate Lodges would be attended with injurious results, cannot recommend Grand Lodge to entertain the proposition.

Continuation of the report of the Board of General Purposes:

GRIEVANCES AND APPEALS.

The Board of General Purposes beg leave to report,

1. That they have examined the case of Bro. W. C. Seaton, suspended by St. Andrew's Lodge, No. 16, Toronto, on the charge of gross unmasonic conduct. By direction of the M. W. the Grand Master, Bro. Seaton has been summoned to appear before this Grand Lodge to show cause why he should not be expelled from the Craft, and having failed to appear, the Board consider the charge sustained by such default, and would recommend that he be formally expelled the Craft. The Board desires to express its high approval of the complete manner in which this case has been got up and placed before the Board by St. Andrew's Lodge, and further states that were the same care and attention to the necessary formalities displayed in every case, both Grand Lodge and its committees would be able to proceed with business in a much more thorough and satisfactory manner.

2. With reference to the complaint of R. W. Bro. G. T. Morehouse and others against R. W. Bro. Browne, it is recommended that the same be dismissed.

3. That in the case of Bro. John Fishleigh, late Treasurer of Tudor Lodge, charged with forgery in endorsing the names of the W. M., and several others, on promissory notes, which he continued to do for several years; and the said Bro. Fishleigh, having been regularly summoned by Tudor Lodge to show cause why he should not be suspended for such gross unmasonic conduct, which summons he contumaciously neglected to obey, the Board concurs in the action of Tudor Lodge in suspending

said brother, and would further recommend that he be formally expelled from the Craft.

4. In the case of Bro. Knight, of Stanbridge Lodge, No. 117, who complains of injustice done him by R. W. Bro. Bryan, (D. D. G. M. of the Eastern Townships District,) in taking a grievance submitted to said Lodge out of its hands while under consideration therein. Your Board are of opinion, from a careful review of the facts adduced, that the D. D. G. M. exceeded his duty in thus interfering with said Lodge while proceeding constitutionally to arrive at a correct solution; and while regretting that they should have to disapprove of the course pursued—no doubt the result of misconception rather than intentional wrong—they feel that the principle involved is one of so vital a nature towards the rights of private Lodges, that they cannot do otherwise than declare the action complained of contrary to the usages and spirit of our Order. They therefore recommend that the case be referred back to said Lodge for adjudication.

In the case of Bro. George W. Kent, of Sherbrooke, an unaffiliated brother charged with gross dereliction of duty in violating his Masonic obligations, the Board find the charge fully proved, and all constitutional requirements having been complied with, would recommend that Bro. G. W. Kent be expelled from the Craft, and that the Grand Secretary be directed to notify the Grand Lodges of the United States thereof, in addition to the usual notification to Lodges under the jurisdiction of the Grand Lodge of Canada.

Respecting the suggestion of W. Bro. Allan McLean, W. M. of St. John's Lodge, Ingersoll, relative to alleged irregularities practiced by Lodges in Canada working under foreign jurisdiction, the Board have ordered that the communication be referred back to Bro. McLean, for such facts or information as will warrant them in taking action on the same.

All which is respectfully submitted,

A. A. STEVENSON,

P. B. G. P.

FINANCE.

The Board have had under consideration an application from the Yamaska Lodge, No. 130, Granby, that the amount of arrears, \$17.00, appearing against the Lodge on the books of Grand Lodge for a number of years past, be written off. The Board consider that it is not in their power to comply with the request; but, nevertheless, as the circumstances attending this case are of a peculiar nature, and as there is no likelihood whatever, that the Lodge will be in a position to pay up the amount in full, the Board would recommend that it be made an exceptional case, and that on the receipt of \$4.00 the Grand Secretary be instructed to grant a receipt in full, it being distinctly understood, however, that this is not to be construed as affording any encouragement whatever for Lodges to allow themselves to fall into arrears.

All which is respectfully submitted,

A. A. STEVENSON,

P. B. G. P.

On motion the foregoing reports were received.

M. W. Bro. T. D. Harington, on behalf of the special Committee, to whom was referred for consideration so much of the Address of the M. W. Grand Master as had reference to the establishment of a Grand Lodge of Nova Scotia, submitted the following

W. the Grand Master of the Grand Lodge of Canada, and having had the advantage of the oral evidence of M. W. Bro. W. M. Wilson, P. G. M., who had made full enquiry at Halifax, it is the opinion of the said Committee that the new Grand Lodge of Nova Scotia is

Continuation of the report of the Board of General Purposes on Grand Master's Address:

ON ADDRESS OF THE M. W. GRAND MASTER.

The Board beg leave to report on the Address of the M. W. Grand Master, and with him they deeply lament that from all present appearances, that fell scourge which all true Masons dread more than any other, is again about to take up its deadly march, that war with all its train of horrors, now actually devastating some of the most populous countries on the continent of Europe, and as if not content with the holocausts offered up within the last few years on this continent, the baser passions of men were again let loose to riot in blood, let us fervently hope that the G. A. O. T. U. may soon cause the sword to return to its scabbard, and that while the storm lasts the spirit of our order may as much as possible alleviate its miseries.

The prospect of a political confederation of the British American Provinces opens up to this Grand Lodge a pleasing hope that the vital interests of Masonry may be advanced thereby, and that it may look forward to a Masonic as well as a National Union, that the Board believe that there is no special action necessary to be taken at this time beyond what has already been done, and the matter may safely be left in the hands of the M. W. Grand Master until the next meeting of Grand Lodge. With respect to uniformity of work in our Lodges, the Board believe that progress is being made toward that great desideratum, but strongly recommend that a full exemplification of the whole of the work of the three degrees of symbolic Freemasonry be given if possible at this session of Grand Lodge, but if this cannot be done, that it be an instruction to the Grand Secretary in July, 1867, to inform them that such work will be exemplified in Grand Lodge on the second day of the session.

The Board desire to congratulate Grand Lodge on the necessary change having been made in the consolidated statutes of Canada, to set at rest the doubts of brethren as respects the legality of Masonic Lodges in Canada East.

The Board consider that the thanks of Grand Lodge are justly due to the M. W. Grand Master for his care in examining and bringing into use the system of uniformity in the By-Laws of

the various Lodges as had been previously recommended by Grand Lodge.

The Board recommend to Grand Lodge the propriety of appropriating the sum of fifty dollars (\$50) toward a monument to the late respected and Reverend Bro. Archdeacon Scott, that a suitable memorial page be prepared and inserted in the printed proceedings for the present year, and that a letter of condolence be forwarded by Grand Secretary to his family.

It is very satisfactory to the Board to be able to congratulate Grand Lodge on the cordial and friendly relations existing between it and other sister Grand Lodges, and they hope such will ever remain the case.

The sympathy of this Board is strongly drawn forth by the awful conflagration at Portland, and they trust that the brethren, when they return to their homes, will awaken the charitable feelings of townsmen and neighbors on this subject.

IN MEMORIAM

During the course of the year past, the Board learns with unfeigned regret that the hand of death has been busy amongst many of the distinguished lights of our Order. The memorial records submitted by the Grand Secretary record the virtues and worth of the brethren referred to in most appropriate terms, which the Board feels sorry it cannot do more than briefly summarise.

First amongst the number is the name of our late lamented R. W. Bro. William Henry White, Past Grand Secretary of the Grand Lodge of England, whose demise took place on the 5th April, 1866, at the ripe old age of 89 years. The valuable services in the onerous position held by him for upwards of half a century, rendered by this distinguished brother, have endeared his name to the Craft throughout the British Empire, and left a record that will long preserve his memory in the hearts of all true Masons.

A writer in the Freemason's Magazine London, beautifully, apostrophises the end of this venerable Mason :

At last the subtle thread of life is broken—

The venerable Mason sleeps at last—

Death came and signalled him with mystic token,

To join the phantom brethren of the past,

Bowed with the weight of nearly ninety years,

Our patriarch passes from this vale of tears,

Born when Columbia's flag was first unfurled,

When Washington's was yet an unknown name,

And long before Napoleon shook the world,

Or Nelson soared upon the wings of fame.

Through the long vista of his life we gaze,

O'ercome with visions of those bygone days.

Empires and States have had their rise and fall

Since he appeared upon this stage of time ;

But Masonry—his pride—survives them all,

Fixed on foundations heavenly and sublime.

Age has not dimmed its lustre, nor effaced

The principles on which its power is based.

Peace to the dead—his pilgrimage is done

And requiems at his sepulchre we sing.

For him the fight is fought, the battle won,

Yet this last tribute to his tomb we bring

That Masonry he long and ably served,

And never from the path of duty swerved.

Then may the Acacia o'er his ashes bloom

His memory still be cherished warm and bright,

Till the last trump shall call him from the tomb,

Again to mingle with the sons of light,

In that divine, celestial lodge above,

Where the world's Architect presides in love.

The Grand Lodge of Pennsylvania has to deplore the loss of M. W. P. G. Master, George M. Dallas, whose demise occurred on the 6th March, 1865, at the advanced age of 77 years. The bright example of probity and rectitude left by this distinguished Mason, who refused to desert the Craft in his native land, or do violence to his obligation at a time when a persecuting anti-

beautifully,
Masonic crusade overspread the United States, in addition to the many instances in which he materially contributed to the advancement of Masonry in various offices of honor and trust, deservedly entitles his memory to the profound regret manifested at his irreparable loss by the Grand Lodge over which he so worthily presided.

The M. W. P. G. Master, William Whitney's name also appears amongst the illustrious dead of Pennsylvania. In the decease of this eminent Mason, for many years a very active officer in Grand Lodge, the fraternity has lost a brother and society at large a member whose example was full of instruction and worthy of imitation, and whose services were of great benefit to the Craft at large.

The V. W. Bro. William H. Adams, Grand Secretary of the Grand Lodge of Pennsylvania, departed this life on the 11th February, 1866, aged 55 years, having held the responsible office of Grand Secretary from 1842 to the time of his death. M. E. Comp. S. C. Perkins, thus concludes a most interesting and appropriate eulogy, delivered in Washington Lodge, No 59, in memoriam of the deceased brother:

"He has been taken from us. It is a sad pleasure to be called upon to unite with the fellow members of his Lodge and Chapter in these special commemorative services, to linger awhile over his yet freshly made grave, to pass in review the acts of his Masonic life, and to dwell upon the pleasant memory of his virtues and excellencies. Let us strive, brethren and companions, so to live that our memory may be cherished with affection and respect when the dark portals of the tomb shall close over our lifeless remains. Let us remember, too, the lesson of the soul's immortality, of which the evergreen deposited in the grave of our departed brethren is the fitting emblem. Let us cherish that full hope through faith in the Divine promises, so sublimely so earnestly set forth in the volume of the Sacred Law, the great light of Masonry, and see to it that we make our calling and election sure. So let us endeavor through Divine aid and Grace ever seeking the gracious assistance vouchsafed to us from on High, to fill our appointed stations and places in life, that when

our work is accomplished and our labors completed, we may receive the joyful announcement—'Well done good and faithful servant, enter ye into the joy of our Lord.'"

ON CONDITION OF MASONRY.

The Board of General Purposes having had under consideration the several reports from the District Deputy Grand Masters, observe that those reports, as well as previous ones from the same sources, express most invariably the inability of the D. D. G. Masters, from want of time, to perform that part of their onerous duties which requires them to visit the several Lodges within their jurisdiction, by reason of the territory being too large and the Lodges therein too numerous.

It is pleasing, however, to notice that in general these reports inform the Grand Lodge of the steady progress of Freemasonry throughout the Province, and the improved state of working. A few Lodges have surrendered their Warrants, a number of new Lodges have been opened under Dispensation.

In respect to the appointment of Grand Lecturers at the expense of the Grand Lodge, the Board entertains the same views as those expressed at the Annual Communication last year, viz: That the Grand Secretary should communicate, by printed circular, to all Lodges, that the D. D. G. M.'s will, on request, appoint an experienced brother to attend any Lodge desiring instruction within his District, if he should find it inconvenient to give such instruction himself, it being understood that in the event of Lodges availing themselves of that privilege, such Lodges should pay the actual travelling expenses, if any there be, of such instructing experienced brother; the giving of such instruction being always under the responsibility of the D. D. G. M. appointing such brother.

The recommendation made by this Board in July, 1866, in relation to Lodges of each District uniting in purchasing the Regalia for the D. D. G. M., to be held for the use of the brother who may at any time fill that office, appears to have been in some cases acted upon and given satisfaction; it is therefore again recommended.

The Board learns with pleasure that several D. D. G. M.'s have introduced the delivering of a series of Masonic Lectures, and exemplifications of the work. If this praiseworthy plan would be adopted and pursued by each D. D. G. M., the necessity of appointing Grand Lecturers at the expense of Grand Lodge would be almost entirely removed.

The Board regrets to observe that in two instances Dispensations have been granted by a D. D. G. M. to hold Masonic Balls. The Board considers that this is not within the province of a D. D. G. M., the authority to grant such dispensations being in their opinion solely in the M. W. the Grand Master, and in the cases above referred to, the course pursued by the D. D. G. M. is more reprehensible, from the fact that the Dispensations appear to have been granted to individual brethren, and not on the application of any Lodge. The Board hopes that the D. D. G. M.'s will in future be particularly careful not to grant Dispensations to hold Balls, so that every care may be taken to prevent discredit being brought upon the fraternity.

The Board of General Purposes have pleasure in reporting to Grand Lodge of the receipt by Grand Secretary, since its last Annual Communication, of copies of the annual proceedings from the undermentioned sister Grand Lodges:

Alabama	1866	Missouri	1865
Arkansas	1865	New Hampshire	1865
California	1865	New Jersey	1866
Colorado	1865	Nevada	1865
Connecticut	1865 & 1866	North Carolina	1864 & 1865
Dis. of Columbia	1864 & 1865	Ohio	1865
Georgia	1865	Oregon	1864 & 1865
Indiana	1865	Pennsylvania	1865 & 1864
Iowa	1865	Tennessee	1865
Kansas	1865	Vermont	1865, and
Kentucky	1865	Constitution and By-Laws	
Louisiana	1866	Virginia	1865
Maine	1866 & 1865	Wisconsin	1865
Massachusetts	1865	Washington Terr.	1864 & 1865
Michigan	1866		

The Board regrets that the time at its disposal during the sittings of Grand Lodge does not admit of the reading over, much more of the writing a review of these valuable records, but it expresses the hope that Grand Lodge will, before closing this annual session, adopt some method whereby a carefully prepared synopsis of the most interesting and useful information to be obtained from these sources may be embodied in a report to be submitted to Grand Lodge.

All which is respectfully submitted,

A. A. STEVENSON,

P. B. G. P.

CONSTITUTION AND REGULATIONS.

The Board of General Purposes having had under consideration the petition of the Barton Lodge, No. 6, Hamilton, praying that the privilege of having gold jewels, and wearing gold lace instead of silver, be accorded to the said Lodge, in consideration of its having preserved its minutes and records perfect and complete from the date of its first organization in the year 1795 to the present time, beg leave to report

That having examined the minute books of the Lodge, they find that the Lodge worked regularly from the 31st day of January, 1796, until the 9th day of February, 1810.

That the Lodge apparently then ceased to work; that on the 10th day of August, 1836, a number of brethren met as a Committee, and having obtained the Warrant and Jewels of the Lodge, continued to meet for several years, while they were endeavoring to obtain a Warrant from the Grand Lodge of Ireland.

That on the 25th day of October, 1841, having received information from some distinguished brethren in the Province that they could work under that Warrant, the Lodge was formed and has since continued working.

That as far as the Board can ascertain, none of the brethren who opened the Lodge in 1841 had been members of it when it ceased to work in 1810.

The records of the Lodge show, that on the 13th November, 1844, they received a Warrant of Confirmation from the Grand Lodge of England, sanctioning all its proceedings as the Barton Lodge.

That under this state of facts, seeing that the Lodge ceased working for more than 31 years, and was resuscitated by different brethren than those who had formerly belonged to it. The Board cannot recommend that the high privilege of wearing gold lace and Jewels be accorded to the officers and brethren of Barton Lodge, No. 6, as desired.

A. A. STEVENSON,

P. B. G. P.

On motion of R. W. Bro. A. A. Stevenson, seconded by R. W. Bro. Henry Macpherson, the foregoing report was received.

R. W. Bro. S. D. Fowler, on behalf of the Committee on the early history of Freemasonry in the Province, submitted the following report:

HISTORY OF FREEMASONRY.

To the M. W. Grand Lodge of Canada:

The Committee on the History of Freemasonry in this Province, beg leave to report.

That they have succeeded in collecting from various sources a number of documents illustrative of the early history of the Craft in the Province, principally connected with the Central and Western sections; they have also found traces of many more, and the collection, although not as yet very large, is very important, relating principally to Lodges instituted under Provincial Grand Master Jarvis in 1794, and subsequently; the Grand Convention in 1817 to 1822, the records of which are full and complete, and the Provincial Grand Lodge, under R. W. Bro. McGillivray, in 1822, and subsequently. No materials have been received from Eastern Canada, although there is reason to believe that much valuable matter exists in the lumber chests of some of the old Lodges in that locality.

The Committee beg earnestly to request that some means may be devised for a general search in the archives of every Lodge for documents which, although they may appear worthless in themselves, yet when brought together and placed alongside of others, may form very important links in writing that history which is so earnestly sought after by the Craft, and which will become all the more difficult to do if the proper documents are not now carefully preserved.

Respectfully submitted,

S. D. FOWLER,

Chairman.

On motion of R. W. Bro. S. D. Fowler, seconded by R. W. Bro. Henry Macpherson, the foregoing report was received.

Notice of motion by R. W. Bro. Charles Kahn, that on to-morrow he will move, that hereafter the vote shall be taken on the second day of the session of Grand Lodge to determine the place for holding the next Annual Communication.

Brown, that at the next Annual Communication he will move to amend the Constitution so far as relates to the election of officers of Grand Lodge, by providing that nominations for the different elective officers be made the day previous to the election of such officers.
