## TO MAKE GOOD BREAD The New Coats, Suits

You must have Good Yeast

## 

YOOD BREAD is, without question, the most im Dortant article of food in the catalog of man's diet; surely, it is the "staff of life." Good bread is obtainable only by using the Best Yeast, the best flour, and adopting the best method of combining the two. Compressed Yeast is in all respects the best commercial Yeast yet discovered, and Fleischmann's Yeast is indisputably the most successful and best leaven known to the world. It is uniform in quality and strength. It saves time and labor, and relieves the housewife of the vexation and worriment she secessarily suffers from the use of an inferior or unreliable leaven. It is, moreover, a fact that with the use" Fle vischmann's Least, more loaves bread of the same weight can be produced from a gven quantity of flo than can be produced with the use of any other kind ( Yeast.

This is explained by the more thorough fermentation and expansion which the minute particles of flour undergo, thereby increasing the size of the mass and at the same time adding to the nutritive properties of the

SETTLED ON CHEST.

Bad Cough for Weeks.

The cold starts with a little running of the nose, the head becomes stuffed up, but little attention is paid to it, thinking perhaps it will go away in a day or two. You neglect it, and then it gets down into the throat and from there to the lungs, and it is a case of cough, cough, morning, noon and night.

However slight a cold you have you should never neglect it. In all possibility, if you do not treat it in time, it will develop into bronchitis, pneumonia, or some other serious throat or lung

Dr. Wood's Norway Fine Syrup is a universal remedy for those who suffer from any bronchial trouble. It stimu-hates the weakened bronchial organs,
