SESSION OF SYNOD JUNE, 1878.

SPECIAL NOTICE.—Members who may desire to refer during the Session to the last or other Journals of Synod, are requested to bring their own copies with them. Also bring this Order of Proceedings.

MEETING OF SYNOD, 1878.

DIOCESE OF TORONTO.

The Right Reverend the Lord Bishop of Toronto having signified his intention to assemble the Synod of his Diocese on

Tuesday, 4th June, 1878,

the Executive Committee hereby notify the Clergy and Lay-Representatives of the Synod that they are summoned to meet at the City of Toronto on that day.

Arrangements will be made for reduced fares on the several Railways and for the accommodation of the Clerical members of the Synod, during the Session.

FORM OF PRAYER TO BE USED BEFORE AND DURING SYNOD MEETING.

Prayer for the Divine Blessing.

ALmighty FATHER, who in the beginning of the Gospel didst cause the Apostles and Elders to meet together under the guidance of Thy Holy Spirit; and hast promised, through Thy Son Jesus Christ, to be with Thy Church to the end of the world; Vouchsafe, we pray Thee, to be present with the Synod of this Diocese now about to assemble [*or now assembled*]; give unto them the spirit of wisdom, patience, love, and of a sound mind; and so direct, sanctify, and govern them, that they may seek truth and peace; and that through them the saving Gospel of Christ may be more effectually preached and ministered; Thy dispersed sheep gathered into the fold, and Thy Holy Church established, strengthened, settled, united, and sanctified; through the merits and intercession of the same Jesus Christ, Thy Son our Lord.—*Amen.*

A Prayer for Unity.

O GOD, the Father of our Lord Jesus Christ, our only Saviour, the Prince of Peace: give us grace seriously to lay to heart the great dangers we are in by our unhappy divisions. Take away all hatred and prejudice, and whatsoever else may hinder us from Godly union and concord; that, as there is but one Body, and one Spirit, and one Hope of our Calling, one Lord, one Faith, one Baptism, one God and Father of us all, so we may henceforth be all of one heart, and of one soul, united in one holy bond of Truth and Peace, of Faith and Charity, and may with one mind and one mouth glorify Thee, through Jesus Christ our Lord.—*Amen.*

(a) The following amendment to the Constitution of the Synod regarding the re-construction of the Standing Committees (See Journal of Synod, 1877, page 42) :

I. The Executive Committee to consist of 20 members to be elected as heretofore.

It shall be the duty of this Committee to perform all the functions mentioned in the 20th, 21st, and 43rd articles of the Constitution hitherto devolving upon them, and also the functions of the General Purposes Committee (article 30) save and except the Assessment of Parishes, and also to arrange and transact all other matters which do not fall within the province of any other Standing or Special Committee.

[20. It shall be the duty of the Executive Committee to prepare in due form all such matters as the Bishop, or any member of the Synod, may desire to bring forward; to receive Reports of all other Committees, and to submit such Reports to the Synod; and said Committee shall prepare lists of all Standing Committees for the approval of the Synod.

21. It shall also be the duty of the said Committee to print the Reports laid before them, or such parts of them as they may deem expedient, and to issue a circular under the Bishop's direction, stating the time and place of meeting, the business for the ensuing Synod, the order in which it shall be discussed, and the names of members of Synod, which circular shall be forwarded to each Clergyman and Lay Representative two weeks before the meeting of the Synod; and to pay out, or cause to be paid out, all moneys of the Synod, except those which are placed under the control of other Committees.

43. Any proposition for an alteration of the constitution, rules of order, or canons, shall be sent to the Executive Committee, and by them laid before the Synod, to be considered at the ensuing meeting, and, if approved by a majority, shall lie over until the next meeting of the Synod; and if again approved by a majority, consisting of two-thirds of both clergy and laity, it shall be adopted.

Part of Article 30. The General Purposes, Statistics and Assessment Committee shall consist of six Clergymen and six Laymen, members of the Synod, whose duty it shall be to provide means for the collection of, and to collect the General Purposes Fund so far as they can in pursuance of the By-laws of the late Church Society,

and to manage the said Fund of the Synod on the same trusts upon which it was held at the time of the incorporation of the said Church Society with the Synod, or in accordance with any By-law which may hereafter be adopted by the Synod.]

II. The Commutation and Rectory Committee to consist of ten clerical and ten lay members.

It shall be the duty of this Committee to perform all the functions mentioned in articles 25 and 26 of the Constitution: the words "one-half of whom are on the Commutation Fund" to be expunged from article 25, and the words, "three of whom shall be Rectors of the original Government Rectories," to be expunged from article 26.

[25. The Clergy Commutation Trust Committee of the Synod for the management of the Clergy Commutation Trust Fund of the Diocese, shall consist of sixteen members, one-half of whom shall be Clergymen of the Diocese who are on the Commutation Fund, and the other half shall be nominated from among the Lay Representatives. The said Committee shall manage all real estate or personal securities held by the "Clergy Commutation Trust Committee" of the late Church Society of the Diocese, and all the proceeds accruing from the same, and shall administer the same as a distinct fund, separate and distinct from all the other funds of the Diocese, and shall invest and take up and re-invest in Government Securities, City, County, Township Municipal Debentures, all moneys coming into their hands for re-investment, and all surplus interest and dividends. They shall report to the Synod at its annual meeting a full and detailed statement of all investments and changes in investments, and of all moneys received and paid on account of the fund during the previous year. They shall further report the actual state and condition of the fund, at the time of their last quarterly meeting, shewing the nature of the different securities belonging to the fund, and the incomes which they severally yield, and what arrears of interest may be due on any of the said securities, and the particular securities on which such interest may be over-due. The proceeds of the said fund shall be administered in accordance with the provisions of the By-laws of the late Church Society of the Diocese of Toronto relating to the same, as they existed at the time of the incorporation of the said Church Society with the Synod, or in accordance with any By-laws adopted subsequently by the Synod. In case the surplus should at any time become insufficient to pay the amount of \$400 to each non-commuting Clergyman placed on the list of annuitants on the said fund in accordance with the By-law of the late Church Society, then a proportionate reduction shall be made from the annuities payable to all such non-commuting Clergymen.

26. The Committee on the endowment of the See, the Rectory Lands, and Land Investment, shall consist of six Clergymen, three of whom shall be Rectors of the original Government Rectories, and of six Laymen, members of the Synod, whose duties shall be, *Firstly*, to take charge of, and administer, and dispose of, any money or sums of money, or any securities for money, and all real estate and securities, which have already been, or which may hereafter be paid, given, assigned, or devised from or by any person or persons, or bodies corporate, for the endowment of the See; *Secondly*, to dispose of the Rectory Lands of the Diocese, and to take charge of, and administer the proceeds arising from sales of the same, in accordance with the special By-law of the late Church Society governing the administration of such funds, or in accordance with any By-laws adopted, or that may be adopted subsequently by the Synod; *Thirdly*, to manage all other lands vested in the Synod, except those the management of which has been already placed under the control of the Clergy Commutation Trust Committee, and to invest the proceeds of all sales of land in Government Securities, City, County, or Township Debentures. All real estate, securities, and moneys placed under the management and control of this Committee, shall be managed, held, and administered upon the same trusts on which they were held at the time of the incorporation of the late Church Society with the Synod of the Diocese.]

III. The Mission Board to consist of the Lord Bishop, the Archdeacons, and one Clergyman and one Layman to be selected from each Rural Deanery.

It shall be the duty of this Board to perform all the functions mentioned in articles 27 and 29 of the Constitution.

[27. The Mission Board shall consist of two Archdeacons, eleven Clergymen, and eleven Laymen, members of the Synod, one at least of each order from each Rural Deanery of the Diocese. A fund shall be established, to be called the Mission Fund, which shall consist of all special collections made from time to time in the Churches and Chapels of the Diocese in aid of the same, of the interest on the legacies, of all donations and subscriptions, and of all collections for missionary objects to be

made annually, as hereinafter provided, in the Parishes and Missions of the Diocese, any By-law or regulation of the late Church Society to the contrary notwithstanding, and of the interest derived from the invested proceeds of the sales of lands given for Missionary purposes; and the Fund so created and established shall be administered by the Mission Board in accordance with the By-laws of the late Church Society relating to the same, as they existed at the time of the incorporation of the said Society with the Synod, or in accordance with any By-laws that may at any future time be adopted by the Synod. It shall be the duty of every incumbent of a Parish or Mission in this Diocese to hold annually, in every Church, Chapel, or place in his Parish or Mission where Divine Service is held on Sundays, or in some other place within his Parish or Mission, a Missionary Meeting in aid of the Mission Fund of the Diocese, and to cause collections to be made for the same object, and to remit the same to the Secretary-Treasurer of the Synod, not later than the last day of April in each and every year.

29. The Widows and Orphans' Fund, and Theological Students' Fund Committee, shall consist of six Clergymen and six Laymen, members of the Synod, who shall be charged with the care of the Widows and Orphans' Fund of the late Church Society of the Diocese, to whom all claims for pensions to Widows or Orphans of the Clergy of the Diocese shall be referred, and by whom such claims shall be decided upon and paid, on approval of the Bishop, according to the By-law of the late Church Society governing the administration of the said Fund, or according to any By-law adopted subsequently by the Synod. It shall also be the duty of the said Committee to make annually to the Synod a detailed report of the state of the Fund, specifying its several securities, the amount of income which they each and altogether yield, the number of Widows and Orphans on the Fund, and the amounts which they severally receive. The same Committee shall also have charge of, and administer, the Theological Students' Fund, for the same objects and upon the same trusts, for and upon which it was held and administered by the late Church Society, or according to any By-laws which may be adopted by the Synod for the administration of the same, and shall report annually to the Synod the condition of the said Fund and the mode in which it has been administered.]

IV. The Committee on Statistics to consist of five clerical and five lay members.

It shall be the duty of this Committee to perform all the functions mentioned in article 30 relating to the Assessment of Parishes, and in article 32.

[Remainder of Article 30. And also to prepare in tabular form the answers received from the Clergymen having cure of souls to the questions put to them by the Bishop of the Diocese relating to the statistics and condition of their several Cures, which shall afford (amongst other uses) a basis of an equitable Assessment for the expenses of the Diocese, and lay such table before the Synod in a convenient form for being printed as an Appendix to the Annual Report. It shall also be the duty of the said Committee to assess the several Parishes and Missions of the Diocese for all expenses authorized by the Synod, and for all other purposes for which an assessment may be ordered by the Synod.]

32. The Audit Committee shall consist of three Clergymen, and three Laymen, members of the Synod, whose duty it shall be to examine into the condition of all funds, moneys, and securities belonging to, and under the control of the Synod, and to lay before the Synod annually a detailed statement of the results of their audit and examination of each separate fund—the Committee to have power to employ and pay an auditor, or auditors, for the purpose of making the regular audit.]

V. The Sunday School Committee to consist of five clerical and five lay members.

It shall be the duty of this Committee to perform all the functions mentioned in article 31 of the Constitution.

- [31. The Sunday School and Book and Tract Committee shall consist of five Clergymen and five Laymen, members of the Synod, whose duty it shall be to obtain statistics, and to present a Report annually to the Synod on the condition and progress of Sunday Schools throughout the Diocese, to make suggestions for their improvement as they shall judge expedient, and to consider what steps can from time to time be taken to secure the publication of books suited for libraries and for instruction in Sunday Schools. It shall also be their duty to manage the Book and Tract department as the same was conducted by a Special Committee of the late Church Society, or under any regulations which may hereafter be adopted by the Synod for the management of the same, reporting annually to the Synod the condition of the said department both in relation to its stock of Books and Tracts, and the funds of the same.]

(b) The following amendment to the Canon on "Constitution of Vestries for Free Churches" (See page 112, Journal of Synod, 1876, and page 26 of Journal of Synod, 1877.):

That on page 277 of the Canons (Constitution of Vestries for Free Churches) after the words "England and Ireland" the following be added: "and to have communicated at said Church at least three times during the preceding twelve months, and to have taken no part in any vestry meeting in any other parish during the year. And no member of such congregation shall be allowed to take part in the business of the vestry meeting unless he shall have complied with these requirements, and the said declaration shall be signed annually at the Easter meeting. And being so formed," &c.

15. Consideration of Motions in the following order, as received and arranged by the Executive Committee:—

REV. DR. LETT,—That the election of Lay Representatives, in the several Parishes and Missions, be held on the system of rotation.

The number of Representatives to be elected within each cure shall be *three*. One of them shall retire annually. The first on the list of the Representatives, returned as elected at the Easter Meeting, shall serve for *three* years, the second so returned shall serve for *two* years, and the last so returned shall serve for *one* year; and they shall be capable of being re-elected.

REV. C. W. PATERSON,—That the Canon on the Constitution of Vestries for Free Churches be amended by striking out the first section, and substituting therefor the following:—

Be it enacted, That the Vestry of a Church in which the seats are free and unappropriated, shall consist of the regular worshippers therein (of the full age of twenty-one years), and who, being members of the Church of England, shall so declare themselves in writing—such declaration to be signed annually at the Easter Vestry Meeting: and, being so formed and constituted, such Vestry shall have the same power and authority, and do and perform such matters and things as are possessed and done by Vestries formed of holders of pews or sittings in other Churches. But no member of any such Vestry shall be allowed to take part in the proceedings thereof, unless he shall have contributed to the funds of the said Church the sum of at least two dollars during the previous year.

REV. JOHN VICARS.—That, on the presentation of the Report of the Clergy Trust Committee, he will move that that Committee be now authorized to distribute the proceeds of the Sustentation Fund, in accordance with the original resolution of the Synod.

MR.
