Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

DEAF & DUMB INSTITUTION,  
Dundurn Castle, 1st December, 1866.

To the Wardens, Reeves and Councillors of County Councils, C.W.

GENTLEMEN:

My annual report, now being prepared for the Press, will be submitted for your approval at the meetings of Council in January, next.

To the humane liberality of the Counties' Council of York and Peel, the Co. Councils of Wellington, Norfolk, Simcoe and Halton, may be ascribed the great success which, under God, has attended our efforts in mitigating the evils of "*one of the greatest of human calamities*," which afflict over 800 of our fellow beings, 148 of whom, have been taken out of the bondage of their affliction and restored to the enjoyment of the rights, privileges and immunities of civil life, and made partakers of the promises given to us by the Redeemer of mankind.

I am happy to inform you that the Institution is free from debt, and that our chattles and effects may be valued at \$2,600, the result of two year's labor.

That the Deaf and Dumb Institute is growing in the good opinion of Co. Councils, is evident from the pleasing fact, that Northumberland, Wentworth, Perth, Huron and Bruce, Lambton, Lincoln, Brant, Carleton, Oxford, Elgin and last, not least, Prince Edward. Co. Councils have during the past year given liberal donations, thus recognizing in a substantial form the lasting benefits conferred upon afflicted humanity thro' the agency of our noble institution. This is cheering news and will be hailed with pleasurable emotions by the Councils of York and Peel, Wellington, Norfolk, Simcoe and Halton, whose liberality is above all praise.

Several councils have, I regret to state, adopted the hackneyed phrase, "the Government should make provision for these unfortunates," and like Gamaliel of old "careth for none of these things."

I look forward with confidence for a continuance of that support hitherto accorded.

Yours, very respectfully,

J. B. MCGANN,  
*Superintendent.*

P.S.—No male pupils over 16 years of age will be admitted into this Institution, after February, 1867.
