The copy filmed here has been reproduced thanks to the generosity of:

Law Library
York University
Toronto

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Law Library
York University
Toronto

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminent soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminent par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE SURROGATE COURTS,

ONTARIO.

RULES.

The Judges appointed under the fourteenth section of "*The Surrogate Courts Act, 1858*," do, in pursuance of the powers conferred by the said Act, order and direct that the rules, orders, and directions hereinafter set forth, shall henceforth be the General Rules and Orders in non-contentious business :

For regulating the procedure and practice of the Surrogate Courts.

For regulating the duties of the several Surrogate Court Registrars, and the duties of the Surrogate Clerk ; and

For fixing the fees to be taken by the Registrars and other Officers of the said Courts, and by Attorneys practising therein ; and, also,

In relation to the provisions of the said Act.

PROCEDURE.

1. Non-contentious business shall include all common form business as defined by the Act, and the warning of caveats.

2. Applications for probate or administration may be made through a solicitor or attorney, or in person.

3. No probate or letters of administration, with the will annexed, shall issue until after the lapse of seven days from the death of the deceased, unless under the direction of the Judge.

4. No administration shall issue, until after the lapse of fourteen days from the death of the deceased, unless under the direction of the Judge.

5. Every application to a Surrogate Court for grant of probate or administration, must be by petition, signed by the applicant or his attorney. The subjoined forms, numbered 1, 2, 3, and 4, are to be followed as nearly as the circumstances of the case will admit.

6. The necessary affidavits to lead grant, and the usual oath of executors and administrators, may be taken at the time the application for grant is signed, or afterwards at any time before the application is submitted to the Judge for his order and direction.

7. If there should appear to be any material variance between the application and affidavits made in support thereof, the Judge may direct such application to be amended according to the fact, and a *new notice* on such amended application to be sent to the Surrogate Clerk.

8. Where there are one or more subscribing witnesses to a will or codicil, the due execution of such will or codicil shall be sworn to by any one of such witnesses, or the absence of such witnesses accounted for; in which last case such will or codicil must be established by other proof, to the satisfaction of the Judge.

9. The oath of administrators, and of administrators with the will annexed, is to be so worded as to clear off all

persons having a prior right to the grant. In these cases the grant should shew on the face of it how the prior interests have been cleared off.

10. The usual oath of administration, as well as that of executors and administrators with the will, is to be reduced into writing, and to be subscribed and sworn by them as an affidavit.

11. Under the statute the several Surrogate Courts have power to appoint an administrator other than the person who, prior to the Act, would have been entitled to the grant (sec. 38.) Whenever the Court sees fit to exercise such a power, the fact should be made plainly to appear in the oath of the administrator, in the letters of administration, and in the administration bond.

12. Where limited administrations are applied for, it must be made to appear that every person entitled in distribution to the personal estate, has consented, or renounced, or has been cited and failed to appear, except when the Judge sees fit otherwise specially to direct.

13. No person entitled to a grant of administration of the personal estate and effects of the deceased generally, shall be permitted to take a limited grant.

14. In administration of a special character the recitals in the oath and in the letters of administration must be framed in accordance with the facts of the case.

15. Grants of administration may be made to the guardians of infants and minors, for the use and benefit of such infants and minors during their minority, and elections by minors of their next of kin, or next friend, as the case may be, to such guardianship, shall be required.

16. Every will or copy of a will, to which an executor or administrator with the will is sworn, should be marked by such executor or administrator, and by the person before whom he is sworn.

17. In all cases where it is necessary to issue a citation to accept or refuse probate of a will, or to accept or refuse letters of administration, or where it is necessary to issue a subpoena to bring in a testamentary paper, and in all similar cases, the order of the Judge must be taken, and such citation, subpoena, or other instrument issued by the Registrar, in accordance with the direction of the Judge.

18. The party entering a caveat must declare therein the nature of his interest in the goods of the deceased, and the grounds upon which he enters such caveat, and the same shall be signed by the party, or by his attorney or solicitor on his behalf, and the place mentioned as the address of the party entering the caveat; and no caveat shall have any force or effect unless the requirements of this rule be in substance complied with.

19. A caveat shall remain in force for the space of three months only, and then expire and be of no effect; but caveats may be renewed from time to time as heretofore.

20. No caveat shall effect any grant made on the day on which the caveat is entered, unless notice of such caveat has been received prior to the grant passing the seal.

21. A caveat shall be warned at the place mentioned in it as the address of the person who entered it.

22. It shall be sufficient for the warning of a caveat, that the Registrar of the Court in which application for grant is made, send by public post a warning signed by himself bearing the seal of the Court, and directed to the person who

23. Any person intending to oppose a grant of probate or administration, for which application has been made to a Surrogate Court, must appear, either personally or by attorney, and enter an appearance in such Court, in which appearance the address of the party, or of his attorney, shall be given. This rule is to apply whether the person intending to oppose the grant has or has not been previously warned to a caveat, or served with a citation.

24. When a party intending to oppose a grant, has filed an appearance with the Registrar, no further steps in respect to such grant shall be taken, except under the special direction of the Judge.

25. Citations against all persons in general, and other instruments heretofore required to be served by affixing them in some public place, are in future to be served by the insertion of the same as advertisements in such newspapers, local, British, or foreign, as the Judge may, from time to time, direct. Such citations can only be allowed to issue in cases where there is an affidavit to lead them.

26. Citations under the 27th section of the Act may be served by inserting the same as advertisements in such one of the *Toronto* morning papers, and such other papers, local, British, or foreign, as the Judge of the Court may, by special order, direct.

27. The bond to be given upon any grant of administration shall be according to the forms 16 and 17 subjoined, or in a form as near thereto as the circumstances of the case admit.

28. The sureties in such bond are required in all cases to justify.

29. In ordinary cases, where property is *bona fide* under the value of fifty pounds, one surety only may be taken to the administration bond.

30. In all cases of limited or special administration, two sureties are always to be required to the administration bond, and the bond is to be given in double the amount of the fund to be dealt with under the administration.

31. Whenever any renunciation is filed subsequent to notice of application to the Surrogate Clerk, or any alteration is subsequently made in the grant; notice of such renunciation or alteration is to be immediately forwarded by the Registrar of the Court to the Surrogate Clerk.

32. The addition and true place of abode of every person making an affidavit shall be inserted therein.

33. In every affidavit made by two or more persons, the names of the several persons making it are to be written in the jurat.

34. Where an affidavit is made by any person who is blind, or who, from his or her signature, or otherwise, appears to be illiterate, the Registrar or Commissioner before whom such affidavit is made, is to state in the jurat that the affidavit was read in the presence of the party making the same, and that such party seemed perfectly to understand the same; and also that the said party made his or her mark, or wrote his or her signature, in the presence of the Registrar or Commissioner before whom the same was taken.
