The copy filmed here has been reproduced thanks to the generosity of:

McLennan Library
McGill University
Montreal

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche sheet contains the symbol $\rightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole $\rightarrow$ signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en une seule cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

LIBRARY,
KING'S COLLEGE, WINDSOR,
NOVA SCOTIA.

1802.

Luke Harford, Printer,
Great Turnstile, Lincoln's Inn Fields.

LIBRARY,
KING'S COLLEGE, NOVA SCOTIA. •

London, 1 June 1802.

WE whose Names are hereunto subscribed, have been desired by the Governors of King's College in Nova Scotia, publicly to express their Gratitude for the great Assistance received from their Friends and Benefactors in this Kingdom, in forming a Library for this infant Seminary.

By the Munificence of His MAJESTY, and of the British Parliament, in addition to the liberal Support of the Legislature of the Province, a spacious and convenient Building was erected in 1798, at Windsor, in Nova Scotia; where many young Men have already completed their Studies. But as the Funds of the College were inadequate to the Purchase of a sufficient Library, many Contributions in Books and Money were received last Year for this Purpose, under the Patronage of his Grace the Archbishop of Canterbury, and the Bishops of London and Rochester.

His MAJESTY has been since graciously pleased to grant His ROYAL CHARTER, dated 12th May 1802, for founding and incorporating the said College, by the Name and Style of "The Governors, President, and Fellows of King's College at Windsor, "in Nova Scotia," for the Education of Youth in the Principles of true Religion, and for their Instruction in the different Branches of Science and Literature, which are taught at the Universities in this United Kingdom. It must be particularly gratifying to every Friend of his Country, to find that the Munificence which has distinguished His MAJESTY's Reign, is thus extended to the remotest Provinces of His Dominions.

The genuine Patriot, the sincere Christian, and the Lover of Classical and Polite Literature and the Sciences, will rejoice to see the Blessings of the Mother Country communicated to the distant Regions of North America; and from the Establishment of this infant College, which, it is hoped, may hereafter become, as the Charter expresses it, "The MOTHER of an UNIVERSITY," will anticipate the most important and beneficial Effects; the general Diffusion of sound Learning, the Promotion of every liberal Art and Science, and, above all, the firm Support of the Christian Religion, as professed and taught by our Reformed Episcopal Church.

Experience has abundantly proved, that as Nations advance in Wealth and Luxury, in Commerce and the Arts, Truths, the most universally received and the most highly respected, are apt gradually to lose their Estimation: Hence the Use of Articles of Faith; hence the Value of Schools and Colleges, and other learned Foundations; hence the Value of the Institution for which we presume to solicit the Public Support. In the New World, such an Institution, was peculiarly necessary, and is likely to be attended with inestimable Benefits. In the American College, for which we are now pleading, the Doctrines and Discipline of the Church of England, fixed on firm Foundations, will hand down, from Age to Age, the genuine Principles of the Christian Religion in their original Purity, as the most valuable Treasure which could be secured to Posterity by the provident Wisdom of their Ancestors.

These

Luk: Hunsford, Printer, Great Turnstile, Lincoln's-Inn Fields.

These important Objects, however, will be greatly promoted by the Extension of the Patronage already experienced, and by the friendly Aid of a generous and munificent Public.

Whilst then, in the Name of the Governors of this Institution, we return their grateful Acknowledgments to the following *SUBSCRIBERS* and *BENEFACTORS*, we cannot help earnestly requesting the Assistance of others, in promoting its Welfare, either by a Contribution in Books, or by a pecuniary Subscription, in order to enable the Governors to procure an useful and extensive Library, which must be highly conducive to the Success and Prosperity of this infant University.
