## J. EMERY-CODERRE, M.D.,

*Professeur de Matière Médicale et de Thérapeutique.*

Le Sirop Expectorant du Dr. J. EMERY-CODERRE, est préparé sous sa direction, et avec l'approbation des Professeurs de l'Ecole de Medecine et de Chirurgie de Montreal, Faculté de Médecine de "l'Université Victoria."

Le Sirop Expectorant est administré, depuis plus de 30 ans, avec le plus grand succès dans les Rhumes, Bronchites, Catarrhes Pulmonaires, Coqueluche, Croup,—dans ce dernier cas il est nécessaire d'administrer d'abord un émetique.

Le Sirop Expectorant fait vomir lorsqu'il est donné d'heure en heure ou de deux heures en deux heures. Chez les enfants, ce mode de l'administrer est advantageux, dans la coqueluche, chaque fois que les quintes ou accès de toux sont très forts.

Le Sirop Expectorant est encore administré avec avantage dans la consomption, il diminue la toux et favorise l'expectoration, moyens puissants de ralentir la marche de cette maladie.

## DIRECTIONS

POUR ADULTES.—Prendre une petite cuillérée deux, trois ou quatre fois par jour la dose est la même pour les enfants au-dessus de sept ans; et les enfants au-dessous de sept ans une demi à une petite cuillerée à thé deux ou trois fois par jour.

***En vente chez les principaux Pharmaciens.***

## CERTIFICAT.

Nous soussignés, médecins, après avoir pris communication de la composition du Sirop Expectorant de J. Emery-Coderre, M.D., certifions que ce sirop est preparé avec des substances médicamenteuses propres au traitement des maladies qui réclament l'emploi des expectorants.

# PREFACE.

The Publisher takes pleasure in presenting to the citizens of Quebec and surroundings his first edition of the Quebec and Levis Directory, with the Villages in the following counties:—Beauce, Champlain, Dorchester, Levis, Montmorency and Quebec, and a colored Map of the City, with the approved plans of Harbor Improvements now under contract (specially engraved for this publication), and begs to state that no effort or expense has been spared to render the work accurate, and to more than fulfil, in every particular, the information promised. This Work contains full Alphabetical, Business, Street and Miscellaneous Directories of Quebec, Levis and St. Sauveur, and Alphabetical List of Ninety Villages in the above Counties.

The occupation of every person in these places, either Merchants, Professional Men, Mechanics, Farmers, Laborers, &c., is printed in French and English—a new feature never before attempted in Directories—making the book useful and comprehensive to both French and English citizens. It contains over 100 pages more matter than ever given in a Quebec Directory.

For the liberal support given the enterprise, especial gratitude is due to the patrons of the Work. This the Publisher feels is owing, in a great measure, to the want of a reliable Directory in past years. How far he has succeeded in producing a good book on the present occasion, the Publisher leaves the public to decide; and for errors, which are unavoidable, he would beg a lenient criticism.

E. C. BENNETT,
Publisher.

QUEBEC.

# Quebec Daily Evening Mercury

G. T. CARY, Editor and Publisher.

## NEW PRINTING HOUSE,

**No. 9 Buade St., near Post Office, and opp. Parliament Buildings.**

The largest daily evening paper between Montreal and the seaside, 900 miles, and the only evening daily published in the English language. Conservative in politics, and the official English paper. A good family paper, and one of the best advertising mediums. Receives all cable telegrams and regular despatches of the Associated Press and Special Correspondents in advance of all other evening journals. Advertising rates low, and can be obtained of the publisher, or GEO. P. ROWELL & Co. 41 Park Row, New York,

N.B.—A complete file of the MERCURY, from 1805, lately ordered by the Imperial Government, is on view in the new reading rooms of the British Museum, Great Russell Street, W. C., London, England. Open to the public daily.
