HENRY OSBURN,

St. Andrews, Aug. 12, 1868. MANAGER.

GOVERNMENT HOUSE, OTTAWA, Thursday, 13th August, 1868. PRESENT:

His Excellency the Governor General in

Council.

HEREAS by an Act passed in the 29th year of Her Majesty's Reign, initialed: "An Act provide against the introduction and spreading of disorders affecting certain animals," authority is given to the Governor in Council to take such measures as may appear to be necessary in order to prevent the introduction of contagious or injectious disorders affecting cattle and other animals, and to check such disorders from spreading if introduced:

mals, and to check such disorders from spreading if introduced:

And whereas a contagious disease or epidemic, affecting Horned Cattle, prevails in many parts of the United States of America, and is increasing and extending its ravages: and whereas it is expedient in order to prevent the introduction of the same into the Province of Quebec and Ontario, heretofore constituting the Province of Canada, that the importation of Horned Cattle, from the United States of America, should be prohibited:

His Excellency in Council, on the recommendation of the Honorable the Minister of Customs, and under the authority given by the said Act, has been pleased to order, and it is hereby ordered that from and after the date hereof, and until this order shall have been altered or revoked, the importation from the United States of America, or introduction therefrom into the Provinces of

or introduction therefrom into the Provinces of Quebec and Ontario, heretofore constituting th Quebec and Ontario, heretofore constituting the Province of Canada, or into any part thereof, of Horned Cattle be and the same is hereby prohibited.

G. F. STICKNEY, of ST. ANDREWS, N. B. CELEBRATED PERFECTED

SPECTACLES, Which have been extensively used in the New England States, the past eight years, and for which they claim the undermentioned advantages over those in ordinary use, the proof of which may be seen in their constantly increasing business during a residence in Hartford of 8 years. 1st. That from the perfect construction of the lenses, they assist and preserve the sight, rendering frequent changes unnecessary.

2d. That they comer a brilliancy and distinct- 20 Qr. Casks Seeson & Irish Matt. Whiskey, ort not hitherto enjoyed by spectacle wearers.

3d. That the material from which the Lenses 20 Qr Casks Bost pale Geneva. are ground is mannfactured specially for optic purposes, and is pure hard and brilliant and not liable to become scratched.

20 Gross 12 Cases Hennessy & V. G. Co. Pale and coloured Brandy.

4th. That the frames in which they are set whether gold, silver or stee, are of the finest qua-lity and finish, and guaranteed perfect in every

respect
They are the only spectacles That

PRESERVE AS WELL AS ASSIST THE
SIGHT.

And are cheapest, because the BEST, always lasting many years without change being necessary

\$\mathcal{C}\$ One of the Firm will visit St Andrews, at the Store of their Agent, every four months. For the Store of their Agent, every four months, for the purpose of fitting these having difficult sights when, any spectacles sold by their Agent during the interval wil be exchanged free of charge in

not properly fitted,

WE EMPLOY NO PEDDLARS.
