Br. J. Walker's California Vinegar
Bitters are a purely Vegetable preparation,
anade chiefly from the native herbs found
on the lower ranges of the Sierra Nevada
mountains of California, the medicinal properties of which are extracted therefrom
without the use of Alcohol. The question
is almost daily asked, "What is the cease
of the unparalleled success of Vinegam Birrens?" Our answer is, that they remove
the cause of disease, and the patient recovers his health. They are the great blood
purifier and I. life-giving principle, a perfect
Renovator and Invigorator of the system.
Never before in the history of the world has
a medicine been ecuporanded possessing
the remarkable qualities of Venezas Birress
