The Attorney General explained that the Minister of Railways, to whom the bill had been sent, objected to the clause providing that the amount to be paid by the Province shall be fixed at the 'completion of the contract. Mr. Shaw moved an amendment that such agreement be entered into pro-vided work be commenced on said bridge during 1899 and be completed not later than 1901. The House divided not later than 1901. The House divided on Mr. Shaw's amendment which was declared lost, and the bill as submitted by Mr. McDonald was carried. On motion of the Attorney General the House went into committee on the bill imposing a direct tax' on certain classes of traders. He explained that the bill provided for adding \$5 to the tax on commercial travellers, excepttax on commercial travellers, excepting liquor travellers upon whom the tax would be \$200. Provision is also made in this bill for imposing a tax of \$200 on liquor sellers in Charlottetown, and for the imposition of fines and penalties for violations of the law. This bill evoked considerable discussion. Hon. Mr. Gordon said he was not in Hon. Mr. Gordon said he was not in sympathy with the idea of adding \$5 to the \$15 already paid by commercial travellers. These men spend a good deal of money here, and the increased tax might have the effect of keeping many of them away. This will lessen the reverue. It will mean a loss of much more than it is expected to raise. He had always been opposed to the tax of \$15, as he considered it arbitrary. But this fellow seems to have a ring of sincerity about him, and if he has the stock which he c'aims to have, he's got a nice stock, he's got the goods I want; he's got them at a smaller price than I have been paying for them. DOAN'S KIDNEY PILLS are daily proving themselves woman's greatest friend and benefactor.

Here is an instance: Mrs. Harry Fleming, St. Mary's, N.B., says: "The use of Doan's Kidney Pills restored me to complete health. The first symptoms I noticed in my case were severe pains in the small of my back and around the loins, together with general weakness and loss of appetite. I gradually became worse, until, hearing of Doan's Kidney Pilis, I got a box from our druggist.

I am pleased to testify to their effectiveness in correcting the troubles from which I suffered.

Mrs. Annie Wright, Dereham Centre, Ont., writes: 'I had scrofula so bad that my face was all one running sore. I tried Burdock Blood Bitters and before I had taken six bottles I was completely cured."

gatives you ever heard or read of, without getting any more relief than the one dose of the medicine afforded.

Then you were left worse than before, bowels bound harder than ever, the constipation aggravated instead of cured. All the miseries of constipation—Headache, Sick Stomach, Biliousness, Pimples, Eruptions, Blood Humors, Blotches, Piles, and a thousand and one other ills crowded back on you again with redoubled severity, Wouldn't you consider it a blessing to be cured of your constipation so that it would stay cured? So that a repetition of all the suffering you have endured would never come again? Burdock Blood Bitters can cure you—cure so that the cure will be permanent.

That's where it differs from all other remedies. It makes a thorough renovation of the whole intestinal tract, tones the bowel wall, acts on the liver and

remedies. It makes a thorough renovation of the whole intestinal tract, tones the bowel wall, acts on the liver and stomach, and causes all the digestive and secretory organs to so work harmoniously and perform their functions properly and perfectly that constipation, with all its attendant sickness, suffering and ill health, become a thing of the past.

Miss Arabella Jolie, living at 90 Carrière Street, Montreal, Que., bears out all we say in regard to the efficacy of Burdock Blood Bitters in curing constipation permanently. This is her statement:

"For over a year I suffered a great deal from persistent constipation and could only get temporary relief from the various remedies I tried until I started using Burdock Blood Bitters. I am thankful to say that this remedy has completely and permanently cured me and I have had no return of the constipation.
