quality flour. That means PURITY FLOUR. The first little extra cost is more than made up by the extra number of loaves of bread it makesby the superiority of the bread and pastry in sweetness of flavor and nourishing qualities. Buying Purity Flour is a safe investment. You get large returns, not only on account of Purity's ability to produce more, but because Purity contains the greater putriment and the vim of a strong hard wheat flour. Food made from Purity Flour gives the consumer health, snap and force, which cannot be gained from the use of the weaker soft wheat flour.

POWER-GOUGH.

A most enjoyable time was spent ere on the night of the 15th inst. at the marriage reception of Miss Mary M. Power and Mr. Alban Gough. The oung couple, both residents of this place, were married at the Presbyery by the Rev. Fr. O'Flaherty. The bride was becomingly gowned in a Princess dress of cream lustre, with bridal veil and wreath of orange blossome. She was attended by Mrs. W shue and by Miss M. Daly, both whom wore blue; while the groom was attended by his brother, Mr. Richard Gough, and Mr. P. Power, brother of the bride. The groom is a brother of Rev. Fr. Gough. After the nuptial knot had been tied the wedding party proceeded to the home of the bride's parents where a sumptuous repast was partaken of. A large umber of guests was entertained and lancing was kept up until all were tired. We wish Mr. and Mrs. Gough nany happy years of wedded life. St. Joseph's, Salmonier, Jan. 28, '11

Indigestion & Dyspepsia

In all its Forms can be Cured.

It is quite a daily occurrence t hear persons say: Oh, what a feeling of the stomach, heaviness and headache, I feel too tired to do anything I have no heart to exert myself and at imes I care for nothing. I often have a pain in the pit of my stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and

my life seems a veritable burden.

TELEGRAM.

THE advertiser who puts his Advts. in the EVENING TELEGRAM never complains of results. It is read and be lieved by the people who buy goods. That is one reason why the TELE-GRAM'S advertising columns

Carry More Advertising Than Any Other Newspaper in Newfoundland.

That fact "speaks for itself," and it is not our intention just now to emphasize it further. What we want to do is to bring home to the business men (if there are any who have not availed of our columns in the past) the advantage to be gained through a liberal use of the TELEGRAM, in bringing before the people what they want the public-the great buying public-most to know

The Kind of Goods They Have To Sell, the Quality of the Goods, Prices, &c.

If that is what the shopkeeper wants the public to learn, the TELEGRAM is the right medium through which it can be conveyed, because-

Ist. It has the largest circulation, and

2nd. Consequently it is the most widely-read newspaper in Newfoundland;

3rd. Naturally, then, it must be THE BEST ADVERTISING MEDIUM in Newfoundland;

4th. Therefore, the advertiser has everything to gain, and nothing to lose, by availing of the services of the EVEN ING TELEGRAM during 1911.
