- 2nd. His Excellency the Lieutenant-Governor for the time being, if a member of the Church of England, shall be respectfully requested to be joint Patron of this Society, with the Societies for the Propagation of the Gospel, and for Promoting Christian Knowledge.
- 3rd. The Bishop of the Diocese shall be President of the Society, and no alteration shall be made in the Bye-laws, or any proposition be adopted by the Society or the Executive Committee thereof to which his dissent shall be expressed, until the same shall have been submitted to the next Annual general meeting of the Society, and if such alteration or proposition be again adopted at such other meeting, it shall then take effect, notwithstanding such dissent.
- 4th. The very Rev. the Dean and the Archdeacon of Nova Scotia shall be ex. officio, Vice Presidents, whose number shall be limited to eight. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.
- 5th. All members of the Church are invited to unite with the Society as Subscribers ; and every Clergyman licensed by the Bishop, and all Laymembers of the Church of England subscribing not less than Five Shillings annually, or Ten Pounds at one payment, shall be members of the Incorporated Society, and entitled to vote at all meetings of the same. But no Subscriber shall enjoy any of the privileges of an Incorporated Member, whose subscription is more than one year in arrear. The annual subscriptions shall be considered due upon the first day of January in each year.
- 6th. The Executive Committee shall consist of the President, Vice Presidents, Secretary, Assistant Secretary, and the Treasurer of the

Society, who shall fill the same offices in the Committee ; of all Clergymen licensed by the Bishop of the Diocese ; together with twenty Laymen to be chosen as hereafter provided ; and such other members of the Society as may be chosen by the local Committees, according to the ninth Bye-Law.

7th. An Annual Meeting of the Society, open to all its members shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint ; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August and September ; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society ; but when the Local Committees desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittance, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention :—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the

- 6.—Assistance to the erection of Parsonage Houses.
 - 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
 - 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
 - 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
 - 10.—Upholding, by all possible and proper means, the Collegiate Establishment at Windsor.
 - 11.—It shall also be one of the objects of the Society, to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some members of the Church, who are not unmindful of the great spiritual wants of their own neighbourhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office, but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

14th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

PRAYERS.

APPOINTED TO BE USED " AT ALL MEETINGS OF THE SOCIETY, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with thy most gracious favour and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with thy favor our Sovereign Lady, Queen Victoria; and so rule her heart that she may in all things seek Thy honor and glory. Prosper with thy blessing the designs of this Society. Comfort with thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hast nothing that thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels, and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we Thine unworthy servants, do give Thee most humble and hearty thanks for all thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ; to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be thy name; thy kingdom come; thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

REPORT.

THE Executive Committee have to report that, as they anticipated, the funds of the Society were reduced in 1868 much below the amount required to meet the engagements for the year. When the accounts were closed at the end of December last, there remained but little more than \$50, belonging to the General Fund. If, moreover, all the grants had been called for which were due at that time, there would have been a deficiency of nearly \$1400. The Committee wish, however, that it may be distinctly understood that this large deficiency has not been caused by a falling off of the Income.

The receipts during 1868 were within one hundred dollars of the similar amount for the previous year. And it must be remembered that, in consequence of vacancies in missions, several collections were omitted.

But while the income of the Society is scarcely above \$4000, for General Purposes, and its grants for missionaries alone, (without considering other grants and expenses) amount to \$3770, and in addition to this it has been necessary to pay annually \$625 to meet the deficit * in the Block Sum of S. P. G., it is evident that an empty treasury is the inevitable result.

The Committee feel assured that unless the Church Endowment Fund be placed in a position to assume, in accordance with its first object, the deficiency in the S. P. G. grant, this Society will be forced either to refuse the responsibility of accepting the Block Sum from the S. P. G., or to lessen its own missionary work.

The Committee are glad to report that the prospects for the present year are much more encouraging. The wants and the claims of the D. C. S., have being felt and acknowledged. The affection of its members has been warmed, and their zeal renewed. The result is that the increased income of 1869 will probably pay off all the deficiency of 1868, and leave about the usual amount to

meet the grants made by the Executive Committee for the year 1870. A more particular statement of Receipts and Expenditure will be found under their respective heads.

The Committee gladly acknowledge the benefit received by the Society from a Special Public Meeting in Halifax. The effects of this meeting, were not merely to add somewhat to the funds of the Society, but to revive a warmer interest in the welfare of the D. C. S., and the objects for which it is established. The request of the society that the several local Committees would for this year forego their right to reserve the fourth of their Collections, has been very generally granted.

There was also due for Missionaries' Salaries, and expenses at the end of 1868 \$1450

There must therefore be raised at least \$6250 for general purposes in 1869, in order to enable the Society to meet the above named deficiency and to fulfil the engagements entered into for this year. It must be clearly remembered that out of the income for general purposes \$625 has been paid to make up what was wanting in the Block Sum. The year 1870 will demand a still greater sum to make up for the largely increased reduction (\$1375) by the S. P. G. in the Block Sum for that year. Under these circumstances the Executive Committee calls upon every member of the Church to make a more vigorous exertion for the next year than has ever yet been made, for this the Society of the Church in this Diocese.

The Chairman of the Church Endowment Committee, presented the following Report, which was received and ordered to be recorded.

“The Committee of the Church Endowment Fund take this opportunity of reporting to the D. C. 10 Shares Gas Company.....	200.00

Referring to the Secretary's Report, published in the 30th Report of the Executive Committee of D. C. S., the Committee most earnestly call upon the Country Parishes, especially, to fulfil their obligations, so that their accounts with this fund may show a more satisfactory result, before the close of the coming year.”

(SIGNED,)

M. B. ALMON, *Chairman.*

June 20th, 1868.

It was *resolved*, that the Church Endowment Committee be requested to direct their Secretary to furnish to each Parish a statement of the amount subscribed and paid by the several Parishes.

The Widows and Orphans Committee, with reference to the subjects submitted to them at the last general meeting, reported:—

“That they do not recommend at present the adoption of any scheme for securing greater benefits to the Orphans of Clergymen holding certificates.

“That they do not deem it expedient to recommend a change in either the 2nd, or 5th Rule.”

In amendment to the above it was *Resolved*:—

That to the 2nd Rule of the Widow and Orphans Committee, there be added the words “subject to an appeal to the general Society.”

Notice of Motion was given by Mr. W. C. Silver, for amending the 9th Bye-Law of the Society, by striking out all that occurs after the "general objects of the Society."

A grant of \$250 in addition to the \$375 guaranteed was voted to meet the deficit in the Block Sum in 1868.

It was *resolved* that the Local Sub-Committees be earnestly requested to forego, for the next year, the privilege of obtaining the "one Fourth."

Resolved.—That if the S. P. G. propose to continue the arrangement, with a reduction of £150 stg., in the Block Sum this Society accept the proposal with the understanding that the fulfilment of this engagement be a first charge on the Funds of the Diocesan Church Society.

MINUTES OF THE EXECUTIVE COMMITTEE.

JUNE 19th, 1868. The following address was presented to the Bishop on his return from the Pan-Anglican Council :—

"The Executive Committee, embrace the present opportunity of welcoming the Bishop on his safe return to his Diocese, from the Episcopal Conference at Lambeth; and of expressing their hope that the Great Head of the Church will still continue to guide and direct his counsel and to bless his labors for the good of that portion of Christ's Flock entrusted to his Care."

The Committee upon Salaries reported that they found with much regret that there were several of the Clergy whose salaries were below the minimum of \$600, and that they could not, under such circumstances, recommend a grant to the Incumbent of Newport.

JULY 10th. A grant of £60 stg. from the Block Sum toward the support of the Missionary at Antigonishe was confirmed.

The Committee were informed that the reduction in the Block Sum for 1869 would be £100 stg., and that passage money would be a charge on that Fund.

OCTOBER 16th. A statement of receipts and claims shewed that there would be a deficiency at the end of 1868 (supposing all grants to be paid) of at least \$1400.

It was directed that a copy of the above named statement be sent as a Circular to all the Parishes, together with an appeal for special exertion on behalf of the Society.

DECEMBER 18. The following report from the Block Sum Committee was adopted:—

"Inasmuch as the present Incumbents of Amherst and Mahone Bay appear to have been in receipt of annual payments from the S. P. G. at the present rate for more than thirty years, this Committee does not recommend the reduction suggested by the Secretary of that Society."

JANUARY 15, 1869. The Bishop stated that he had received notice from the S. P. G., that at their meeting in the following March, they would be obliged to reduce the Block Sum for Nova Scotia, at least ten per cent.

FEBRUARY 19. The question of the further acceptance of the Block Sum was brought forward. After much consideration it was resolved, that the Committee recommend the Society to request the S. P. G. to continue the agreement for another year, with as little reduction in the amount as they may feel themselves able to allow.

MARCH 23rd. It was agreed that, for this year, the limited time for sending in the returns from the parishes be extended from Mar. 31st to April 30th. The following resolutions were adopted:—

"That this Committee accepts the expression at the public meeting recently held, as a call from the Church to go forward.

"That a Committee be appointed to make immediate efforts to enlarge the subscriptions to the D. C. S.

"That this Committee looks for corresponding efforts in every parish and district in the Province, and that this Committee will aid them as far as possible by sending deputations at such times and places as may be mutually agreed upon."

MAY 21st. A statement was submitted, showing that exclusive of the payment to meet deficit in the Block Sum, the income of the Society would be sufficient to meet all engagements entered into up to the end of 1869.

The Bishop stated that he had received notice that the reduction in the Block Sum for 1870, would be \$1375.

\$25 was granted for one year toward the expenses of Missionary visits to New Caledonia, on condition that the same amount be raised by the people there.

A draft of the 31st Annual Report was presented by the Secretary, adopted and ordered to be printed and distributed as usual.

WIDOWS' AND ORPHANS' FUND.

The Sub-Committee report a greater Income in 1868 than in any previous year. This is owing partly to increase of capital, and partly to larger collections.

There has been received in 1868 :—

Interest on Investments.....	\$1195.23
Premiums of Clergy	664.86
Collections	896.94
	\$2256.53

There is now held for this Fund :—

10 Provincial Debentures.....	\$5000.00
16 City Bonds.....	6400.00
1 Share Temperance Hall.....	14.00
Mortgages	7200.00
	\$18614.00

There is also in the Savings' Bank \$636.16, and in Deposit Receipts \$1700. The great difficulty of finding suitable investments for such a Trust must account for the amount lying at *four per cent.*

The claims upon the Fund now amount to \$1400 per annum. There are at present forty-nine clergy holding certificates at the average age in 1869, of 43 years.

ENDOWMENT OF PARISHES.

The receipts for this Fund during 1868 have been :—

From Reserved Fourths.....	\$691.19
Received in Trust	358.20
Interest	869.91
	\$1919.30

There was no return of Reserved Fourths to the Parishes for investment during 1868. Applications for such return from Hubbard's Cove and from

Newport were received and agreed to, but the conditions have not yet been fulfilled.

The investments for this Fund are:—

5 Provincial Debentures	\$2500.00
2 City Bonds.....	800.00
3 shares Bank of Nova Scotia.....	707.00
Tennessee Bonds.....	1378.67
Mortgages	7856.30
Deposit Receipts	2100.00

\$15341.97

The great difficulty of finding investments for this fund, under the rule of the Society, restricting them to public securities, causes a large portion to remain on deposit receipts at four per cent., while the Society is paying five and one half per cent. on the portion held in trust, and four per cent. on the rest. This will necessarily involve the Society in difficulty and loss.

Since this Account was closed, a small sum has been received by the Secretary, which, with interest due after 30th inst., will raise the total of net collections to about \$80,000.

Shortly after the Annual Meeting of the D. C. S. in 1868, the Committee of the Church Endowment Fund, as requested by that meeting, directed their Secretary to furnish to each Parish a statement of its indebtedness to this Fund; and a copy of such statement was accordingly forwarded to the Rectors of Parishes. Since the date of that Circular, 1st August, 1868—the following sums have been received from several Parishes:

St. Paul's.....	\$410.00	Truro	\$23.13

Leaving 45 Parishes which have paid nothing in the interval. It should be mentioned that Liverpool, Three Fathom Harbour, and Yarmouth, had paid in full, before the issue of the statement referred to.

INCOME FOR 1869.

The receipts for this year shew (in general) an encouraging advance upon those for 1868. The annexed list will give the exact amounts *received* up to July 5,—yet it is necessary to note the following parishes which have responded to the Society's call for help in a time of need.

Albion Mines has sent in \$26 more than last year, Amherst has more than trebled its former subscription. From Annapolis and Rosette we have received nearly \$30 more than in 1868. It is especially gratifying to find Arichat occupying its former place on the Society's lists. Beaver Harbor has advanced 50 per ct. in answer to the appeal of the Society. Bridgetown and Guysboro' also have increased their contributions, the former from \$33 to \$50; the latter from \$22 to \$39. St. Luke's, Halifax, has still further increased its former contribution by \$279, being by far the largest amount ever sent to the Society. Hubbard's Cove has, even under its depressed circumstances, advanced at least one-third upon the amount for 1868. Mahone Bay has sent in its *biennial* subscription, larger by \$22 than the similar return in 1867. Rawdon also has advanced at least one-third, and Shelburne has sent us \$53 more than it has previously returned.

The Society is much indebted to the Chaplain of the Forces, by whose exertions \$251 was collected in the Garrison Chapel.

The following extract from the Report of the Rector of St. Margaret's Bay to the S. P. G. has been kindly sent to this Report, as containing interesting and suggestive matter. If such accounts of parochial work were generally sent to the D. C. S., our Annual Report could be made more interesting :

"During the year many families of Church people have been compelled by poverty to emigrate from the Parish, among them a large number of Communicants. But you will observe by my statistical paper that the number of communicants here is still greater than that of last year. For this I think we are indebted, under God, to a series of special services held here last November, (1867,) to some stirring sermons preached by some of my Brethren of the Lunenburg Rural Deanery, which met here last April, and to the Daily Prayers, Bible Classes and other teaching of the Church in the Mission. The preacher at the special services in November last was the Rev. J. C. Edghill, Chaplain to the Forces in Halifax, and I would here record my gratitude to God for the blessed effects of his labors of that week among us, our Churches were crowded with eager listeners, and opposing prejudices were softened to the admission of the Catholic truth. The Lord's Table was furnished well with joyful guests, and some travelled distances of six and seven miles to attend the early celebration at eight o'clock, and I think I have reason to thank God that the serious impressions of the time did not pass away like the morning cloud or the early dew.

In pursuance of a Resolution adopted at the Rural Deanery Meeting in this place, I have adopted a system of lay co-operation which may by God's blessing much advance the kingdom of Christ among us. I first preached on the duty of such co-operation, and afterwards held a meeting of the Communicants, at which I still further unfolded the special duty of those doubly pledged and strengthened Servants of Christ, and strove to point out ways in which each might work for the Lord. I have thus obtained such promises of assistance as enables me to obtain communicants as Sponsors in Baptism in almost every case, and I expect the rule to become universal. To the communicants also, I can now look for Teachers in Sunday School, Peace makers, visitors of the sick and poor, and in-gatherers of the negligent, the neglected, the wandering and the stranger. If my hopes in this respect be in any degree answered, my influence, as pastor of this flock, will be largely extended.

APPENDIX.

RULES OF THE WIDOWS' AND ORPHANS' FUND.

The following is the 11th object of the Diocesan Church Society :

"It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, but no part of the Society's funds shall be appropriated to this object except such as shall be specifically given and paid into the Society therefor."

1st. In accordance with the above, the Society will open a special account for the object to be called "The Widows' and Orphans' Fund." This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions, given and paid to the Society for this special object, and of all premiums received under these rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object, and no other.

2nd. A standing sub-Committee of seven members shall be appointed, in whom, together with the Secretary of the Diocesan Church Society, (who shall be paid as Secretary of this sub-Committee,) shall be vested the whole management of this Fund, subject to an appeal to the whole Society.

3rd. The Diocesan Church Society undertakes to pay, out of this Widows' and Orphans' Fund, the pensions which become due under the following rules.

4th. Every Clergyman of the Church of England within the Diocese wishing to avail himself of the benefits of this fund, shall, within six months from the 10th October, 1855, or within one year from taking orders, or from his admission into the Diocese, apply to the Secretary for a certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant, after such period of time, shall only be permitted to receive such certificate at the option of the sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every clergyman applying for a certificate, according to his age at the date of his first application; it being understood that any parish or congregation contributing to the fund more than \$8.00, then the excess be counted toward payment of the premium of the minister or ministers for that year :

ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Sub Committee were adopted by the Standing Committee, May 17th, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Sub-Committee, and to be conveyed and held for the benefit of the incumbent or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Church Society,

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension,

V. The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, as well as the reserved one-fourth of any contributions that may be made by any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Sub-Committee, such opportunity or proposition for Endowment shall come within the true intent and scope of the foregoing regulations, they shall authorise the said one-fourth to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

The Endowment Sub-Committee, in a Report to the Executive Committee, dated May 11th, 1863, made the following recommendations:—

“That while no restriction is made as to the sum which a Parish may withdraw from its *Reserved Fourths*, and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Society and the interest be payable to the incumbent.

“With reference to the control of the Society over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the right of the Parishes to manage their own property. They would merely, for the better security of this fund, for the support of the Clergy, recommend—That a Rule be adopted which would require that, when an investment made by any Parish from its *Reserved fourths* may be paid off, the money be returned to this Society to be held under the same Rules, and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted by the Executive Committee,—the second is still under consideration.

CHURCHES.

Every application for aid in the erection of a Church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society, without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished. Grants to Parsonages are made on similar conditions.

“The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given.”

“It is the opinion of the Executive Committee that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member, but that any person may devote his money to any particular object which is recognized by the Society.”

FORM OF LEGACY.

“I give to the Diocesan Church Society of Nova Scotia, the sum of _____, to be applied to the general purposes of the Society.” And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.

“The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that Parish.”
