DEATH TOLL IN TORONTO NEARS 1,000

26 CITIES AND TOWNS IN FIVE STATES BADLY HIT BY STORM

At Least 3,000 Are Injured and Many Hundreds Homeless According to Meagre Reports This Morning

PROPERTY LOSS TOTALS MILLIONS

Fire Follows in Wake of Twister and Completes Destruction—Only Three Out of 250 Occupants of School Building in Desoto Escape Unhurt—Aid Rushed to District

CARBONDALE, Ill., March 19.—Upward of 1,000 persons are dead, and probably 3,000 injured, with hundreds of others homeless, within a radius of 25 miles of this city, as a result of yesterday's tornado, according to reports filtering here this morning.

Twenty-six cities and towns in five states were hit by the tornado. Fire completed the destruction of large sections of many of these cities.

The storm swept a path from Cape Girardeau, Missouri, to Elizabeth, Indiana, with one branch of the tornado over Witham, Tenn., and into Central Kentucky.

The principal cities affected were Murphysboro, Desoto and West Frankfort, in Illinois, and Griffin, Owensville and Princeton, in Indiana, and Witham, Tenn.

DEATH LIST MOUNTS

CHICAGO, March 19.—So prostrated were portions of Illinois and Indiana through which the tornado traveled in a series of erratic hops that definite figures of loss of life and property were impossible early today, although available reports trickling in from territories in which communication virtually was cut off added to an uncertain casualty list which it was feared would be increased as they advanced.

Several towns in the path of the twister, which apparently came out of the Ozark Hills, due to low barometric pressure in Arkansas, and first struck at Annapolis, Mo., virtually were destroyed, while fire in many places added to the havoc.

So terrific was the force of the storm that bodies were carried a mile, while timbers from the wrecked town of Desoto, Ill., were found in Duquoin, 15 miles away.

The greatest loss of life, according to available reports, occurred in Southern Illinois, where more than 500 were reported killed as the tornado tore northeastward through Murphysboro, West Frankfort, Desoto and other large towns of the area.

SCHOOL RAZED

At Desoto, a school house was razed, only three of the 250 occupants reported escaping without injuries, while 88 bodies had been taken from the ruins last night.

The main path of the tornado was less than 200 miles in length, but divisions of the twister hopped off in several directions.

Starting from Annapolis, the storm moved northeast and after striking two other towns on the Missouri side of the Mississippi River, jumped into Illinois, traversed that state, divided near the Indiana state line, and spent its force in Southern Indiana and Northern Kentucky.

Another line apparently moved southeastward from Annapolis, through Cape Girardeau, Mo., and struck isolated portions of Northern Central Tennessee and Kentucky. The storm was also reported from Portsmouth, Ohio, but without serious damage.

TRAVELS 700 MILES

With its various offshoots, the tornado apparently traversed nearly 700 miles of territory although only in the main path from Annapolis to Princeton, Ind., about 165 miles, was the distance and loss of life heavy. The paths of the storm apparently was not wide, in places it being reported 300 feet.

While details of the destruction left by the storm came in on crippled lines of communication, relief was being rushed into the stricken area from many nearby towns.

RELIEF MEASURES

Relief workmen, doctors, nurses, medicine and supplies, were dispatched immediately from St. Louis, Chicago and other points.

Troops were rushed into the district in Illinois and in several towns in the path of the storm, local companies of militia were mobilized for guard duty and relief.

It was announced that a bill authorizing \$500,000 for relief would be introduced in the Illinois Legislature today.

Eye-Witness Tells of Scene of Destruction

United Press

DUQUOIN, Ill., March 19.—The first authentic eye witness description of the destruction of Desoto and Murphysboro was told today by A. Essick, editor of the Duquoin Call. Essick was the first outsider to get into Murphysboro after the storm struck.

"The storm swept directly through the business section of the city," he said, "cutting a swath about 100 yards wide.

"The dome was lifted completely off the city hall and hurled down the main street. The high school was demolished and virtually every building in the path of the storm wrecked.

"Fire broke out almost immediately after the storm and swept over the town. One woman was burned to death and I counted 150 bodies of storm victims in one undertaking establishment.

"The town of Desoto was completely wiped off the map. Desoto and not one third of the population had escaped death in the hurricane. The scene was that of absolute and indescribable desolation, and the horror of fire added to the travail of the day."

MONTREAL BUTCHER BEATEN BY BANDIT

Robbed of \$200 and Left Unconscious on Doorstep of Home

MONTREAL, March 19.—Gabriel Arthur Moreau, aged 40, is lying in a critical condition in the hospital with a badly fractured skull, as a result of a murderous attack made upon him last night in front of his home by two men, who beat him on the head with some blunt instrument, and robbed him of \$200.

The bandits are believed to have followed him from his butcher shop.

Two young women entering a house nearby witnessed the attack. When picked up his pockets were empty.

B. C. Delegation Urges Premier Against Peace River Line

VICTORIA, B. C., March 19.—A delegation of members of the Legislature yesterday urged on Premier Oliver and members of his cabinet, that the Government should take immediate action to oppose construction of the proposed branch of the Peace River district with the C. N. R. main line east of the mountains.

The mountainous terrain, the cost of any construction into the Peace River valley, in order to safeguard for British Columbia the business accruing from the development of Peace River, was the chief argument.

Alberta M. L. A. Says Debt Increase Is Enormous

CHARGES WASTE

Declares Musquash Development cost \$1,500,000 More Than It Should Have

By LEO DOLAN
Special correspondent of The Times-Star
FREDERICTON, March 19.—New Brunswick's debt has increased enormously due to the wanton extravagance of the present government, according to J. L. Peck, M. L. A. for Albert, and financial critic of the opposition, in his speech in the debate on the address this afternoon.

Mr. Peck attacked the financial policy of the Veniot administration, charged that \$1,600,000 had been wasted in the Musquash development, and called upon the government to exercise the economy it had promised to the people.

Against Plebiscite.
The member for Albert also came out strongly against a plebiscite on the liquor question—the proposal that New Brunswick hold a plebiscite on the liquor question.

Mr. Peck said the present prohibitory law should be given a fair and honest trial, and the government take steps to properly enforce the act. He charged that the government had failed in its duty on prohibition.

Fred L. Estabrook, of Westmorland, is to follow Mr. Peck for the government.

Agriculture Committee
At its initial meeting of the session, the Agricultural Committee today endorsed a resolution urging the establishment in New Brunswick of a system of shipping point inspection of potatoes.

The adoption of the resolution followed a lengthy discussion of the potato industry here and after Harvey Mitchell, Deputy Minister of Agriculture, had pointed out to the committee that the shipping point inspection system had proved beneficial in the United States.

The discussion on the potato industry was opened by Hon. D. W. Mercer, Minister of Agriculture, who, after pointing out how the government had made an effort to secure new markets, declared that evidence had been forwarded the Department showing that the shippers had sent rotten stock out of the province. A sample of inferior potatoes shipped to Calgary was before the committee.

This sample has been sent to the minister by Calgary buyers in for considerable discussion, and Messrs. Smith and Burlock, of Carleton Place, Victoria, Bentley of Saint John, Estabrook of Westmorland and Gray of the Farmers and Dairymen's Association spoke.

Oil Tanker and Norwegian Freighter in Crash Off Ambrose Light

NEW YORK, March 19.—The oil tanker Ardmore and the Norwegian freighter Thyra were in collision this morning in a fog, 125 miles south of Ambrose Light, according to a radio message received here. Both vessels were damaged, but neither apparently was in danger of sinking.

Disasters In Many Places Take Big Life Toll; Do Much Damage

British United Press.
The last 48 hours have been marked by disasters which have taken an enormous toll in lives and property.

Between 600 and 900 persons are reported dead, over 2,000 are injured in the tornado which swept through Southern Illinois, Eastern Missouri and Indiana.

In Tokio over 2,000 homes were destroyed and thousands made homeless by yesterday's fire.

Forty-four men are entombed and believed dead in Fairmont, W. Va., as the result of a terrific explosion Tuesday night.

Two hotels were burned to the ground at Palm Beach, entailing a loss of approximately \$2,000,000.

Hundreds of persons are homeless in Trujillo, the principal city of Northern Peru, their adobe homes having been washed away by floods yesterday, causing damage estimated at \$740,000.

Seek Still For Buried Miners

FAIRMONT, W. Va., March 19.—Tireless rescue workers continued their struggle today to reach the 34 miners entombed by a terrific explosion that Tuesday night wrecked mine No. 41, of the Bethlehem Mines Corporation, at Barrackville. The mine has been penetrated more than 4,000 feet.

No bodies had been found early this morning, nor were there any indications that any of the men caught far in the workings were alive.

VENIOT ADDRESSES LABOR CONVENTION

N. B. Federation Committee Presents Request to House For Legislation

Specialist to The Times-Star
FREDERICTON, March 19.—This morning Premier Veniot attended the session of the New Brunswick Federation of Labor, which is an annual convention, and delivered an address. The Premier was heartily received. He dealt with the subject of organized labor in a general way and the relations of the province to it.

He referred to the report of the commission of Mothers' Associations and a minimum wage-for-women and children.

Ask Legislation.
At noon the federation was reported before the Provincial Government by a committee which requested a number of requests for legislation.

The committee was composed of President J. E. Tipt, Secretary G. R. McNeil, J. McKinnon and R. Carlin, St. John; L. McKinnon and E. R. Steeves, Moncton; W. C. Whipple, Miramichi; Harry Ryan and Edna McDonald, Fredericton; George Anderson, Moncton; Fred Henderson and F. S. A. McKeown, St. John; J. A. McClelland, of Moncton; T. J. Coughlan, Ottawa and J. S. Martin, M. P. P.

The requests for legislation were embodied in resolutions previously adopted by the federation.

WOMAN LOSES \$7,500 ON NEW YORK BUS

Misses Money as She Steps to Street But Loses Train to Traffic

NEW YORK, March 19.—A manila envelope wrapped in a sheet of newspaper and containing \$7,500 in bills of large denomination was lost on a Fifth Avenue bus.

Mrs. Lillian Greenberg had drawn the money from a west side bank and was on her way to her husband's office in lower Fifth Avenue. She said she got on the bus carrying the envelope and her pocketbook tucked under her arm. As she stepped off she missed the money. She tried to catch up with the bus and, seeing that she could not overtake it, got into a taxicab to continue the pursuit. She lost the bus in the heavy traffic and at once reported her loss to the Fifth Avenue Coach Company.

Gloucester Supreme In Fish Industry

GLoucester, Mass., March 19.—In fact as well as in name, Gloucester is still supreme in the fishing industry. During 1924 the "Gloucester fleet" caught approximately 180,000,000 pounds, cod predominating. It is estimated a freight train of 5,000 cars, stretching 40 miles, would be required to haul the Gloucester yearly haul.

SMITHSONIAN INSTITUTE GETS CONDEMNATION

Tract Against Public Ownership Assailed in U. S. Senate

EFFECT IN CANADA

Canadian Press Despatch
WASHINGTON, March 19.—Sharply assailing the Weyer pamphlet, recently put out under the frank of the Smithsonian Institute, which was declared by Sir Adam Beck, chairman of the Ontario provincial hydro electric system, Senator Norris, of Nebraska, yesterday told the Senate that the Weyer pamphlet had been sent all over the world. He declared that the pamphlet was being used by the United States Chamber of Commerce as propaganda against public ownership of electric systems and that the chamber had issued a pamphlet based on the Weyer document, which would be distributed by the million. Many of the statements contained in either pamphlet, he said, were absolutely untrue, "while others were very misleading."

Canada is Shocked.
"The issuance of the Weyer pamphlet, which in fact has very little in it, but what is absolutely untrue, has shocked our neighbor Canada, and I think rightly so," declared the Senator.

Demanding that the trustees of the Smithsonian Institute should see to it that the great institution was not used "for such disreputable and dishonorable purposes," Senator Norris said the action of Secretary Walcott, of the institute, in permitting distribution of the Weyer pamphlet, was "travel under his own name," and "creep in" under the guise of a great scientific institution of the United States government to criticize the efforts of a friendly nation to deal with its power question.

Cardinals and Archbishops' Letter to be Debated Today in French Chamber

PARIS, March 19.—The French government's religious policy is to be the subject of a debate in the Chamber of Deputies today. The occasion is an interpretation by Deputy Cazals, president of the Socialist-Workers' group, on the recent letter from the French Cardinals and Archbishops regarding "The so-called non-denominational laws" and measures to be taken to combat them, in which the prelates characterized the laws as "an emanation of atheism." The debate is expected to last two days.

A protest received from Lithuania alleges an armed attack by Polish frontier guards and seizure of three Lithuanian soldiers.

Says Heart Disease Is Growing Menace

NEW YORK, March 19.—There is almost a constant yearly increase in deaths from organic heart disease. In the registration area the deaths have mounted from 141.5 per 100,000 population in 1910 to 174.5 in 1923. While the greatest mortality is among people in middle life, there is a shocking loss of younger lives also.

"The pity of it all is that so great a part of this mortality is preventable," says Dr. Lewis F. MacKenzie of New York City.

EARL OF YPRES, London, March 19.—The Earl of Ypres, who as Field Marshal French, commanded the British army in the field during the great war, underwent a severe and prolonged operation today. A medical bulletin says: "Lord Ypres' condition after the operation is as satisfactory as could be expected, but it must of necessity give rise to anxiety for some time."

The Earl of Ypres, early in December underwent what was termed a minor operation, for the removal of a small fleshy tumor. He was taken suddenly ill, while passing through Paris and was removed to a hospital where the operation was immediately performed.

Government Criticized.
The executive in its report complains that the Government has dismissed inspectors who have proved their efficiency; has indiscriminately licensed vendors and granted beer licenses; neglected to check up vendors' records and otherwise been lax in its control of vendicenses; refused to prosecute for second offenses; continued in office a chief inspector giving only part time to the position; neglected to carry on prosecution after charges had been made; and finally that the liquor commission, in selling excessive quantities of liquor to the vendors, could not help but know that the vendors securing such quantities were preparing to violate the law.

GOVERNMENT ENFORCEMENT IS CRITICIZED

Last Majority Sufficient Mandate, Says Executive Report

CHARGES MADE

Laxity Regarding Control of Vendors and Inspectors Alleged

By D. LEO DOLAN
Staff Correspondent of The Evening Times-Star
FREDERICTON, March 19.—"We are more than ever convinced that a majority of people in this province are in favor of the enforcement of the Prohibitory Law and, if any change in their opinion has been made, it will be found to be the result of the neglect of the Government in enforcing the law."

This is one of the outstanding statements, contained in the report of the executive of the New Brunswick Temperance Alliance submitted to the annual convention which opened here this morning.

The executive report, referring to the majority vote for prohibition in 1921, declares that this majority was sufficient mandate for the Government. "If they had any regard for the constitutional principles under which this country is governed, there is no need for further voting on the question until such time as we have an honest and efficient enforcement of the present law."

DAYLIGHT TIME
MAY 2 TO SEPT. 6
RECOMMENDED

Council Committee Decides
On These Dates For
Saint John.

GAS TAX BILL
GOING TO HOUSE

Opposed at City Hall Meeting
— Insurance and
Other Measures.

The committee of the City Council decided this morning to recommend that the Council send to the Legislature a bill to impose a tax of two cents a gallon on all gasoline sold in this city by the wholesalers. They also recommended the bill for \$100 tax on all fire insurance companies doing business in the city and containing a provision for the collection of this amount from the insured if it could not be collected from the company. It was also decided to recommend that daylight saving time this year be in effect from midnight of May 2 until midnight of September 6.

OPPOSE GAS TAX.
A delegation was present to protest against the adoption of the gasoline tax. The Imperial Oil Company was represented by G. H. V. Belyea and J. A. Boyd; the Canadian Oil Company by C. A. Gorton and the service station and garage men by K. A. Wilson. It was contended by the speakers for the oil companies that the imposition of this tax would drive the oil companies out of the city and money now paid by them in taxes would be lost.

SAYS DOUBLE TAX.
Mr. Belyea said the Imperial Oil Co. opposed this tax on the ground that it was a double tax by the city. The company under the present law paid a personal property tax on the gasoline stored in the city and also an income tax on the money made by the sale. He objected also because it would add greatly to the overhead expense to keep track of the sales on which the tax would apply. This tax would also give their competitors for business outside of Saint John a big advantage and if it was imposed they would have to make arrangements to handle this business in some other way. They objected also because this was a tax on what was today a necessity in business.

DECLARED DISCRIMINATION.
C. A. Gorton said the Canadian Oil Company objected to the tax as it placed a handicap of two cents a gallon on them in competition with the city having their place of business outside the city limits and if it was made law they would be compelled to move their quarters to a point outside the city limits. The act was discrimination against Saint John business houses and as such should not pass.

K. A. Wilson said the garage and service station men objected to the tax as discriminatory and a discouragement to industry. He felt it would result in a loss of revenue to the city instead of an increase as business would be forced outside of the city limits.

There were only two ways of dealing with the matter, he said, if the tax was imposed. It might be passed on to the consumer, in which event the trade would go elsewhere, or it might be absorbed by the service station proprietor, in which case he would lose money and be forced to go out of business.

AUTO ASSOCIATION.
J. Charlton Berric, secretary of the New Brunswick Automobile Association, said the association wished to go on record as being opposed to the principle of the bill.

Mayor Potts asked if they would rather have a tax of \$15 or \$20 on each pleasure car than the tax on gasoline, but to this no reply was made. His Worship said the bill would be given careful consideration, and the delegation withdrew.

DAYLIGHT SAVING.
The daylight saving matter was then taken up, and T. A. Ramsay, on behalf of the Hardware Merchants' Association, requested that the dates be from May 3 to September 27, as requested by the railroads.

Mayor Potts said he was opposed to daylight saving, while Saint John was the only place in New Brunswick to have it, and he read a letter from the civic committee of the Board of Trade asking that the dates be May 3 to September 7.

It was finally decided to recommend that the dates for this year be midnight of May 2 to midnight of September 6.

PILOTS' QUARTERS.
Commissioner Bullock reported on the loss to the Anchor of the shed that the loss would be between \$1,000 and \$1,200. He recommended that the shed be of concrete and the walls sheathed with iron. The recommendations were ordered carried out. The Commissioner said that repairs would be made by the harbor department men.

It was then decided to take up the bills for the Legislature. The first to be considered was the tax on gasoline. It was moved by Mayor Potts that the bill be sent to the Legislature, and this was seconded by Commissioner Frink.

BILL DISCUSSED.
Commissioner Bullock said he was against the principle of the bill, and expressed the opinion that it would not pass the House. He intimated that he might oppose it there, as he felt it was detrimental to the business interests of the city and imposed a penalty on the consumer which would be taxed by producers in Canada and he did not see why the city of Saint John did not have the same right. He advised

THE milkman in Nome, Alaska, does not have to worry over spilling any milk. The milk from his reindeer is carefully frozen into blocks, and as blocks it is delivered to his customers. A white cord is frozen into the block of milk and this serves as a sort of handle to facilitate operations. The block of milk, about equal to a quart, is wrapped in oil paper, so that it looks like a package of ice cream.

Argument of the Garage and Service Men

Commissioner Harding said he was in favor of the bill going forward. The motion to send the bill to Fredericton passed.

EXEMPTION BILL.

The subject of building restrictions in the city, arising out of the Princess street garage proposition, came before a meeting of the council of the Board of Trade today. It was decided to refer it to the civic committee of the Board for consideration when the proposed new building law is made public.

TAX PAYMENTS.

It was also reported at the meeting that a strong effort was being made to secure a new industry for Saint John.

Port Query.

The question of government plans for the city came up, and it was decided to ask Mayor Potts if the civic port committee had any advice from the government regarding plans for the port following the recent trip to Ottawa.

Insurance.

Mayor Potts said he had been considering this matter and it might be that it would be better to amend this to make the tax 5 per cent on the premium, but if it was decided to do this the bill could be amended in committee at Fredericton.

Canadian Ports.

A resolution from Kamloops Board of Trade approving of the slogan "Canadian Trade for Canadian Ports" was received. One reference to the British preference was received from the Quebec board.

PERSONALS.

Mrs. George C. Amland, who has been confined to her home for two weeks with a severe cold, slowly recovering and hopes to be out in a few days.

THE LATE A. J. CANN.

The Yarmouth Herald of March 17, in reporting the funeral of Arthur J. Cann, says it was largely attended, with numerous floral offerings testifying to the esteem in which the late Mr. Cann was held by his fellow citizens. Included was a wreath from the Schofield Paper Co. Ltd., of Saint John. Among those attending the funeral were Mrs. V. A. Wyman, sister of Mr. Cann, and Mrs. Wyman's daughter, Mrs. Alfred G. Wells, of Saint John.

IN MEMORIAM.

CHRISTOPHER—In loving memory of our beloved husband and father, W. Christopherson, who died March 19, 1924.

WIFE AND CHILDREN.

MIDDLETON—At the residence of his daughter, Mrs. William H. Holder, 146 Main street, on March 18, 1925, after a long illness, William Middleton, aged 88 years, leaving behind his wife, three grandchildren to mourn.

BUILDING LAW BEFORE TRADE BOARD COUNCIL

Goes to Committee to Make Ready For General Consideration.

WILL ASK MAYOR ABOUT PORT PLANS

Seek Information of Intentions at Ottawa—Red Signals and Danger.

The subject of building restrictions in the city, arising out of the Princess street garage proposition, came before a meeting of the council of the Board of Trade today. It was decided to refer it to the civic committee of the Board for consideration when the proposed new building law is made public.

It was reported that a letter of thanks had been sent to J. M. Woodman, general superintendent of the C. P. R., setting out the board's appreciation of the special service rendered by the company during the recent Maritime delegation to Ottawa.

PECK ATTACKS FINANCE POLICY

(Continued from page 1.) properly belongs to himself and his Government.

The report goes on to say that the alliance has repeatedly considered the question of prosecuting violators of the law and even took legal advice as to the possible success of prosecutions against the liquor commissioners for such violations and against the chief inspector for neglect of duty.

MINISTER'S WIFE DIES IN HILLSBORO

Mrs. John B. Gough, formerly of Saint John, Passes Away.

The death of Mrs. Gough, wife of Rev. John B. Gough, pastor of the Methodist church in Hillsboro, Albert county, took place this morning at the parsonage, after two days' illness with pneumonia. The news came as a great shock to relatives and many friends in Saint John, where she was born and where she resided for some years when Rev. Mr. Gough was stationed here.

Had been teacher. Mrs. Gough was Miss Louise O'Leary, daughter of the late Mr. and Mrs. J. J. O'Leary, of Hillsboro, N. B. She graduated from the Provincial Normal School with high honors and was also a student at Mount Allison Ladies' College. She taught for some years in Victoria School. Mrs. Gough was gifted in public speaking and often took her husband's pupils when he was called away or detained from his work by illness. She was of a gentle, womanly spirit and was a devoted mother. She was vice-president for several years. She leaves besides her husband, two daughters, Miss Annie and Miss Gough, both brilliant students at Mount Allison University; two sisters, Mrs. Robert McFee, formerly of Hillsboro, and Mrs. Gough for a time; Mrs. Florence Lumsden, principal of the school at Charlottetown and two brothers, Ernest and Frank O'Leary, of Boston.

The funeral service will be held on Friday in Hillsboro and the body will be brought to Saint John, with interment in Greenwood cemetery in the Potts family lot on Saturday afternoon.

10,000 ARE HOMELESS

2,000 Houses Destroyed by Fire Which Swept Tokio Yesterday.

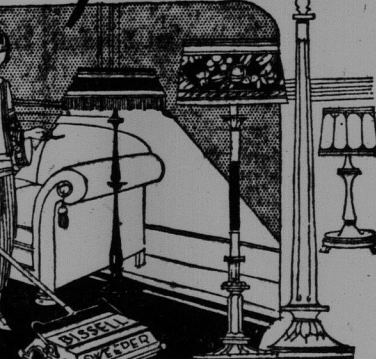

TOKIO, March 19.—Ten thousand persons were homeless, three hundred injured, 20 missing, and 2,000 houses were destroyed in the conflagration that swept over northeastern Tokio last night, a police check of the situation revealed. A barracks is being constructed to house the homeless.

FREDERICTON MARKET.

Prices in Fredericton market on Wednesday were: Butter, 35 cents; eggs, 30 cents; chickens, 35 cents; veal, 8 to 14 cents; beef, 7 to 9 cents; pork, 12 to 15 cents; potatoes, \$1.25; apples, 83 to 85.

Curzon's Condition Is Serious Today

LONDON, March 19.—A bulletin issued by the physicians attending Lord Curzon at nine o'clock this morning, said the condition was unchanged. (London despatches last night said Lord Curzon was believed to be in a hopeless condition.)

AT THE DRY DOCK.
The repairs to the schooner Beatrice were completed yesterday at the slipway at East Saint John, and the vessel's place was taken by the tug Katherine K., which is to undergo minor repairs.

THREE MORE BUFFALOES.
Three more buffaloes are in the city to be shipped through this port. These are going to zoological societies in South Africa. The animals will leave on the steamer Cariboo next week on their long voyage. Meanwhile they are being kept in crates in the C. N. R. stock yards at Island Yard.

BOND HOLDERS MEET.
At a meeting of the bond holders of the Wilson Box Company, yesterday afternoon, a committee composed of J. M. Robinson, J. Hunter White and W. A. Harrison, was appointed to conduct all the negotiations with reference to removal of the Box Company's plant. The meeting adjourned to meet again on April 8.

H. G. ACRES HERE.
H. G. Acres, consulting engineer of the New Brunswick Electric Power Commission, arrived in the city today at noon. Tomorrow he will accompany Hon. Dr. E. A. Smith, chairman of the Board, to Fredericton. His visit is in connection with the Grand Falls development and he will probably be present at a meeting of the Government with A. R. Graustein, president of the International Paper Company.

PECK ATTACKS FINANCE POLICY

(Continued from page 1.) properly belongs to himself and his Government.

The report goes on to say that the alliance has repeatedly considered the question of prosecuting violators of the law and even took legal advice as to the possible success of prosecutions against the liquor commissioners for such violations and against the chief inspector for neglect of duty.

"We were advised that with evidence in the hands of the executive, it would be successful, but owing to the fact that lines in both cases would be paid to the Government, the probability of lengthened litigation, that little might be gained by it. We were advised that the subject of a request redress would be at the pole."

Appeal to Electors.

Declaring that appeals to the Government from time to time had proved fruitless, the alliance executive says that it feels the next appeal should be to the electors who make and unmake governments and they will urge people to take active party considerations and vote for the candidates who are pledged to not only support but to demand the enforcement of the prohibition law.

100,000 FORTUNE GOES IN 8 YEARS

Evidence Taken in Suit Against Sir David Wilson-Baker and Wife.

LONDON, March 19.—The story of how the fortune of Frank Waterhouse, amounting to £100,000, disappeared in eight years through an alleged conspiracy against him by Lady Magdalen Wilson-Baker, was continued yesterday during the trial of the suit of the widow of Waterhouse against Lady Wilson-Baker, Sir David Wilson-Baker and E. P. Sheldon. The story of money which the widow alleges was extorted from her husband.

Beatty Manager Gets Temporary Office

H. A. Peters, manager of the Admiral Beatty Hotel, was busy this morning acquainting himself with matters pertaining to the hotel. He will leave the latter part of the week to wind up his duties as assistant manager of the Mount Royal Hotel, Montreal. He will return to Saint John next week to stay on the job. Mr. Peters has practically completed arrangements to open a temporary office in the Canada Permanent Mortgage Corporation building in Market Square. As soon as possible, he will move into his office at the Admiral Beatty. George H. O'Neill, general manager of the United Hotels Company, and Vernon G. Cardy, managing director of the Mount Royal, returned to Montreal yesterday afternoon.

MISSING BANK TELLER FOUND IN HOME

Was Hidden in Secret Chamber in Glace Bay Residence.

Was Reported to Have Been in Mexico

Is Arrested Charged With Embezzlement of \$20,000 to \$25,000.

By Canadian Press. GLACE BAY, N. S., March 19.—Justin Bennett, former teller in the local branch of the Royal Bank of Canada for whom the police have been searching since January coincident with the disappearance of upwards of \$20,000 of the bank funds, was found this morning hidden in a secret chamber in an upper room in the residence of his parents at Dominion, near here.

His mother had been reported to have crossed into Mexico but local police quietly worked on the theory that the young man had never left Glace Bay.

In Secret Chamber. This morning Chief of Police Costey and Officer Brown made an exhaustive search of the Bennett home, without results. But Chief Costey, not satisfied, started a search for secret panels and chambers. Removing a large divan in an upper room of the house, he discovered a small trap door which he opened. Bennett was found in the small space this disclosed and was immediately placed under arrest charged with embezzlement of the bank funds. The bank has placed its loss at between \$20,000 and \$25,000.

Will Be Placed in Canadian Service

The Furness Line is diverting two of its fast oil-burning freighters into the Canadian service this spring. It was learned this morning at the local office. The Southwestern Miller will come here on the last west-bound trip from London and Hull to this port. She will load outwards at Montreal. This vessel has been running to Baltimore. The Northwestern Miller has been running to the Pacific Coast, and she will run to Montreal this summer. She is replacing slower freighters which have been operating on this route, the other vessels now being transferred to less important runs.

BIDS BEING ASKED FOR FIRE CLEAN-UP

Planned to Start at Once at Scene of Post Office Fire.

That tenders are to be called at once for the removal of the roof of the old post office building, which was so badly damaged by fire on Sunday, was announced this morning by W. W. Allingham, district resident architect, Federal Public Works Department. The tenders will close on Monday. They will also include removing the debris inside the building. It is expected that this work will take three or four days.

After the roof has been removed, a better estimate can be made of the amount of damage done to the building by the fire, Mr. Allingham said. He expected that the work of repairing the building would not be delayed and a start would be made soon after the work of removing the roof and completing the examination was concluded.

What's Changing Us?

What will history call this present age? It was the printing press (wasn't it), that changed our conditions of life. But the printing press did its great work at a price. It definitely affected the eye-sight of the race. This present era may well be called the Age of Eye-strain.

At first man's average range of vision was 40 feet and over. Then, to read the first big black letters it was occasionally pulled in to arm's length. Today small type tares our eyes endlessly at an average range of only 14 inches.

But science has kept pace with this growth of printing, finding measures for the relief of the eyes. For what is more important to happiness and success than efficient eyesight? Fancied ability to see is not a test of vision. Eye-strain produces headache, nervousness, overtaxed eye-muscles, blood-shot eyes and other discomforts. With glasses you are protected—your eyes properly adjusted, never-strain relieved. A complete eye-examination is the one way to be safe.

HEAD OF REBEKAHS**

When Jewel Rebekah Lodge, No. 6, O. O. F., welcomed Mrs. Mattattall, of Truro, the president of the Rebekah assembly of the Maritime Provinces and Newfoundland, last night nearly 100 Rebekahs were gathered in the Oddfellows' Hall in West Saint John and impressive ceremonies, enthusiastic addresses and a pleasing presentation marked the occasion. Mrs. Grant Noble Grand, presided last night and the degree staff carried out the initiation ceremonies for two candidates. On behalf of the lodge Mrs. Sadie Parks, district deputy, made the presentation of a fountain pen to Mrs. Mattattall, who made a gracious reply. Addresses were given by the other Assembly officers, Mrs. James Ellsworth and Miss Harriet Smith, past presidents, and Mrs. Peter MacGowan, of Moncton, treasurer.

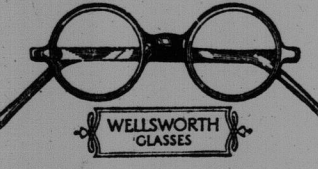

A social time was greatly enjoyed at the close of the lodge meeting and refreshments served under the direction of Mrs. S. Sewell. The visitors included Mrs. Rippey, of Moncton; Mrs. McKinnon, of Charlottetown; Mrs. Bryerton, of Millerton, and Mrs. Mitchell, of Campbell.

SAINT JOHN, N. B., MARCH 19, 1925

THE PREMIER'S SPEECH
Two features stand out conspicuously in the vigorous speech delivered by Premier Veniot in the House yesterday, these being his exposition of the Government's position with respect to the provincial power development, and his discussion of the liquor situation.
He makes it clear that the Government is not only committed wholly to the development of Grand Falls, but that it is the intention to ask the Legislature at this session for authority to borrow money sufficient to proceed at once with the Grand Falls enterprise and to develop from 60,000 to 80,000 horsepower, for which amount, Hon. Mr. Veniot assures the province, there is already a market available.
There will be, therefore, a full discussion of the project in the Legislature, and the public will be told as to the cost of the work, including the amounts necessary to satisfy any claims set up by the International Pulp and Paper Company or others. Hon. Mr. Veniot makes it clear that the Government fully embraces the principle of public ownership, control and operation of power, and he evidently believes he will be able to satisfy the House as to the soundness of the enterprise, which, according to the plans he outlines, will be the most extensive ever undertaken by the province. He calls upon the Opposition to say plainly whether it is for or against public ownership and development of the Grand Falls power. When the Government's plans are submitted in more detail the position of every member of the House will necessarily be made clear. Evidently the Government will make Grand Falls the chief feature in its appeal to the country, and it is therefore desirable that every aspect of the matter be subjected to careful discussion.
With respect to the liquor situation, the Premier pointed out the difficulties attending the enforcement of the prohibition law. The Government, he says, cannot enforce the prohibition act to the extent demanded by the New Brunswick Temperance Alliance, and he intimated that during the present session the House would be given an opportunity to pronounce upon a proposal to ask the people of the province whether or not they desire a complete ban on the sale of liquor. Presumably this means that there will be a plebiscite and that the people will be asked to choose, probably at the general election, between the present prohibition law and some form of government control. The Premier discussed these and other topics with his customary vigor. He contended that the Opposition leader's statements regarding the Musquash development were without justification.
From the Premier's speech it is evident that the session will be lively, and that from now until election day the people of New Brunswick will have their attention turned sharply upon provincial politics.

A GREAT GAME COUNTRY.
The wealth of New Brunswick in game resources and the wisdom of wise conservation of this wonderful asset are demonstrated by the facts contained in the annual report of the Chief Game Warden. This shows that while there still are too many pot-hunters and other violators of the law, and while the number of hunters is increasing, both moose and deer are plentiful. The deer, indeed, appear to be increasing rapidly and the larger number of moose killed last year indicates that they are, as the Chief Warden expresses it, "holding their own." The report as regards partridges is less satisfactory, the number of these birds in evidence next autumn will show pretty clearly whether a further reduction in shooting is necessary. This is a matter in which the province can afford to take no risks, even if a close season for a year or two should have to be introduced.
The number of moose killed last year was 1,511, an increase of 500 as compared with the year before. This is the largest number of moose killed in one season during the last seven years. The number of deer killed was 3,898, which is 1,500 more than in 1923. The Chief Warden says that the moose are at least holding their own, but are shifting somewhat from the north to the east of the province, apparently attracted by better feeding grounds in that direction. He expects a northward movement as the burnt lands begin to provide food again. Caribou, which have been exceedingly scarce in New Brunswick for many years, are now slowly coming back. Mr. Gagnon says he predicts that before many years have passed they will be sufficiently numerous to justify a short open season. The returns by counties show that the big game is comparatively plentiful in nearly every district. The number of moose shot by residents was 1,238, and by non-residents, 283, and the figures show that the greatest number of non-residents hunted in Northumberland. Saint John county stands high on the list for moose, 121

CANADA IS BRITISH.
If they would pay a little attention to the census figures, some of the writers and public men in Great Britain, particularly in London, and a few Canadians who share their fears, would have much less to say about Canada becoming populated to a dangerous degree by foreigners. Not infrequently there is a wailing cry from some of the watch-towers, from self-constituted sentinels, to the effect that people of British stock in the Dominion are being overwhelmed by those of other countries. Those who listen to such theories, and do not submit them to the harsh test of facts, would naturally drift into a condition of anxiety regarding this country, the first Dominion of the Empire.
The first complete volume of the Canadian census of 1921, which contains a wealth of detailed information, gives an analysis of our population racially, showing how many are of British origin, how many of French, and how many of other nationality. Here is a short table making comparisons at ten-year intervals:
1811. 1911. 1921.
British 89 54 65.5
French 81 28 27.9
Indian 2.5 1.5 1.25
Other races 8.5 16 15.43
The British are twice as numerous as the French, but the British and French together, all good loyal subjects, make up rather more than eighty per cent of the people. Moreover, it must be remembered that the people of foreign origin include a very large number of Americans, many of whom have become naturalized, and are fairly well anchored under the protection of our flag. They like our institutions, our respect for law and order, our ordered liberty, and our rooted dislike for Red doctrines. In spite of all the immigrants from foreign countries during the last forty years—of which we have lost altogether too many to the Republic—the census throws out in striking relief the fact that people of British stock are greatly dominant. Taking Canada as a whole, the percentage of French stock has declined slightly, but the fertility of that race and its habit of clinging to the land will continue to make it an immense factor in the Dominion.
This morning's bulletins hold out no hope for the recovery of Lord Curzon, who for so many years has been an outstanding figure in British affairs.
In less than an hour last evening Winnipeg men subscribed \$26,000 for tourist work this year, and it is expected that the amount will be increased to \$40,000 within a few days.
The storm which last night cut a swath of destruction through six mid-western American states is said to have been the worst in nearly half a century. The loss of life and property is appalling.
The delegation which went to Ottawa to ask for greater protection for Nova Scotia coal did not receive much encouragement from the Government. The Prime Minister takes the position that in making tariff changes the interests of the whole country rather than any local situation must be the governing influence.
The Minister of Railways, in reply to a question in the Commons yesterday, said that while Premier Veniot and federal members from New Brunswick had made strong representations urging the Dominion to take over the Valley Railway, "up to date no agreement has been reached regarding federal acquisition of that road." The matter is apparently not yet settled, but there is evidently still ground for hope that justice will be done. New Brunswick. It is time for a decision.

Men's Evening Dress
(Toronto Star)
Once again an effort is being made to bring about a change in evening dress for men.
The effort to do this has been kept up for years and never tires, although it really never gets anywhere. Men go on wearing black and white. The New York Cutters' Club, like similar organizations in London, is active in the matter and favors dark blue as the color for men's evening clothes. But men view with suspicion the activity of tailors and clothiers in the matter and favor dark blue as the color for men's evening clothes. UNITED SERVICE IS ATTENDED BY MANY
German and Central Baptist Meeting—Main Street Hears of Community Sin.
So large was the attendance at the united service of the German street Baptist and Central Baptist congregations in the Central Baptist school room last night that every seat was occupied and some members of the congregation had to be accommodated on the platform. Rev. Dr. S. S. Poole, pastor of German street church, presided and the congregational singing was led by Paul Cross. The soloist of the evening was Miss N. Brown, who sang very effectively "O Jesus Thou Art Standing" from the opera "Famulus" (Wagner)—Mrs. Raymond Lege. Tenor solo—(a) "To Have and to Hold" (Ball). (b) "Evangeline" (Bourne)—Frank Lynch, assisted by E. of C. Quartette. Bass solo—"O'er the Billowy Ocean" (Smith)—R. J. Ward.
Address: solo—(a) "Sunshine of Your Smile" (Cook). (b) "Mother Measure" (Ball)—Mrs. Warren Grant, of Dorchester, N. B. Reading—"The Devil" (Drummond)—R. Ward.
Piano solo—(a) "Rondo" (Mendelssohn). (b) "Home Sweet Home" (Mazurkette).
Community Sin.
"Saint John's Greatest Sin" had been announced as the theme of the address to be given in the Main Street Baptist church last night by Evangelist Rev. Harry Taylor. A large congregation was present and was much impressed by the preacher's message. He made no mention of the city's morals, business or government, but showed "doing nothing" was the greatest sin of the community. Using the parable of the ten virgins as an illustration of God's judgment of those who did nothing and having as his text, "How shall they escape if they neglect so great salvation?" he pointed out that the five foolish virgins had not done evil but had simply failed to take oil. With forcible eloquence Mr. Taylor declared that those who did not accept Christ in this world were lost.
At the close of the meeting many responded to the invitation which the evangelist extended. Mr. Taylor's subject at this evening's service will be "The Most Startling Proposition Ever Put Before a Man."
A Puzzle for Father.
"Well," said father wearily, "I'll answer one more question; then you must be off to bed. Only one question, mind?"
"Yes, Daddy—It I'd been your brother, how could I be my uncle?"

Come and See Why the Roast Doesn't Shrink!
THE advantages of electric cooking are growing with every new improvement to Moffats Electric Ranges. We want to show you what a "Moffat," taken from our regular stock, will do, so we're having a demonstration of real cooking in our store—and you and every other woman (and the men, too) are invited to the "show."
The cooking results obtained by the expert in charge of the demonstration can be duplicated in her own kitchen by any woman. We want to demonstrate that Moffats Electric Ranges cook with less shrinkage of food and do it more cheaply. Their beautiful designs and fine workmanship need only to be seen to be appreciated.
Be sure to examine the newest "Moffat"—No. E-36-F—designed especially for the modern small kitchen. Only 41 inches long, yet has oven space for the largest roast. Also ask to see the No. E-30-F—a "Moffat" Cabinet Range that is supreme value and a great favorite. Look them over for yourself—to-morrow—at

Ask to be shown such Moffat features as:—
1. The fastest Heating Element known—and the most durable.
2. The new Heat Deflector that assures uniform oven heat.
3. The Electro-Porcelain Enamel finish.
4. The 20-inch Oven in a 41-inch cabinet range.
5. Exclusive improvements that will not be seen on other electric ranges for years to come.

Perfect Baking While You Watch
If you come after the Hydro Demonstrations are over each afternoon, you'll marvel at the various goodies and exclaim what a great cook Mrs. MacLean must be.
If you come during the demonstrations your first thought of her will be—"What a careless woman. She pays no attention to her cooking."
A brief chat and you find Mrs. MacLean can afford to be careless with a Hydro Electric Range. You find it's the stove and not the woman is the cook. Hydro Ranges cook on their own without watching or worry. You just return when time is up, you take out the best baking of your life, done in an oven that never varies. For hours they bake without using current and thus are the cheapest of all to run. As well as the cleanest and easiest.
As with lights, coal oil gave way to gas and gas gave way to electricity, so is it happening with stoves wherever cheap Hydro is abundant. Choose Hydro Electric Ranges from \$50, wired from \$16. Ten months to pay. See daily demonstrations at

Deaths

F. W. Philip

The death of Frederick William Philip took place yesterday at the home of his son-in-law, G. William Jones, 192 British street, Philip was born in England and had been a resident of this province for about 13 years. He was in the 74th year of his age and had been in ill health for about a year. He leaves beside his wife, three sons, Fred, at home, Leonard and Sydney, in western Canada; also four daughters, Mrs. H. Daniels, Mrs. H. Lobb, Mrs. G. William Jones, of this city, and Mrs. J. Pynn, of Montreal.

The funeral will be held from 192 British street on Friday afternoon; service at 2:30 o'clock.

Miss Marjorie McKim

Miss Marjorie McKim, youngest daughter of Rev. Canon and Mrs. R. P. McKim, passed away at her home, St. Luke's rectory, yesterday afternoon shortly after 8 o'clock. Although she had been in failing health for the last five years her death came suddenly. She has a host of friends throughout the province and her death will be heard of with great sorrow.

Arthur Caldwell

BRISTOL, Carleton county, March 18.—The community was shocked and saddened when it became known late Saturday night that Arthur, only son of Manser W. Caldwell, had passed away. The boy was 18 years of age and was attending Bristol school. He was only sick for one week with scarlet fever. This bereavement was very sad, as only a few years ago the youngest son died very suddenly, following an operation. He is survived by his parents, Mr. and Mrs. W. Caldwell, and one sister, Alberta, who has been teaching at Charlottetown. The funeral services will be held at the residence of Rev. K. M. Vallis, with interment at Bristol.

W. H. Dowling

HOPEWELL HILL, March 18.—Mrs. J. J. Blake, Surrey, has received news of the death of her brother, W. H. Dowling, which occurred at his home in Roxbury, Mass., on March 9. Mr. Dowling leaves behind four children and four sisters. He was the son of the late Mr. and Mrs. Chandler Dowling of Albert, N. B.

Mrs. Elizabeth Sewell

The death of Mrs. Elizabeth Sewell, widow of George H. Sewell, occurred Sunday at Fredericton, where she resided with her daughter, Mrs. C. Henry Burns. Mrs. Sewell was born in Saint John 82 years ago, the daughter of the late Charles Quinn. She had resided in Fredericton since her marriage in 1869. She is survived by one son, Walter J. Sewell, of Butte, Montana, who is on his way to Fredericton to be present at the funeral, which is to take place this (Thursday) afternoon at 8 o'clock, after the arrival of the G. P. R. train from the west.

George H. Smith

MONCTON, March 18.—George H. Smith, 52, of this city, but formerly of Lower Coverdale, bridge contractor, died here today following an operation for appendicitis. His father predeceased him only four months ago. Two brothers and four sisters survive.

Michael Manderville

CHATHAM, March 18.—The death of Michael Manderville, an aged and respected resident of Bytown, occurred this morning at the home of Mr. and Mrs. David Manderville, at that place, after a four weeks' illness. He was 86 years of age. His wife predeceased him several years ago. The funeral will be held tomorrow morning to the Roman Catholic church at Millerton, where requiem mass will be celebrated by Rev. Father Murdoch. Interment will be in the Roman Catholic cemetery there.

Letters to The Editor

That East Saint John Meeting.

To the Editor of The Times-Star: Sir.—The chairman of the meeting of the ratepayers held at East St. John last night has requested me as the elected secretary of the meeting to ask you if you will be good enough to publish the following facts in your valuable paper, in explanation as to why he felt he was unable to declare the vote carried. Your article giving the account of the meeting in part says: Although the motion was never declared carried by the chairman, yet the ratepayers of the Simonds sewerage district at the meeting last night expressed their confidence in the councillors by a standing vote. R. H. Magee (correct initials G.) refused to acknowledge the vote of confidence because not all the people in the hall voted, seven voted in favor of it by a standing vote and one against. When the vote was put to the meeting there were about 50 in the hall, seven only rose to vote "yes"; then, out of that seven, only three were ratepayers of the sewerage district. The motion was only seven for and for a standing vote and only seven against it was no indication that the meeting did endorse the actions of the sewerage board, but when they did not rise to vote "no" it indicated that, although they could not endorse the actions of the councillors, there was no desire to censure them.

Yours very truly, RUPERT TAYLOR, Secretary of the meeting held East Saint John, March 17.

THE EVENING TIMES-STAR, SAINT JOHN, N. B., THURSDAY, MARCH 19, 1925

New York Shoe Store 655 Saint John, N. B.

FIRST SALE IN 13 YEARS

A Sale With a Reason Not Just an Excuse

When the doors open at 10 o'clock Friday Morning, March 20th, the high grade shoe stock of the New York Shoe Store swings into a sale of gigantic proportions. A sale that has the confidence of the entire community, a sale that for down-right value giving, stands out unprecedented in the annals of this store's history, all because we anticipate the greatest years' business in our history of 1925.

The sale of all sales—\$25,000 worth of the finest merchandise this store has ever offered, will move out under the action of extremely low prices.

Sale Starts Friday Morning

13 YEARS OF HONORABLE DEALINGS BACK OF EVERY STATEMENT

You have read about merchandise sales and bargains until your faith in them has been shattered but your idea and our idea of a sale and a bargain are just the same. Undoubtedly there are not two words so greatly abused in merchandise circles as these. We have never put on a sale without a very reasonable reason, never called a thing a bargain unless it represented an unusual saving. If it were necessary to deceive you to get your patronage we would rather close our doors.

The usual way of announcing a sale is to give it a coy name and then try to justify it by some make-shift excuse, but in most cases the same motives exist. We have no particular name for this sale, but we have a reasonable reason and will make this sale a super-event. Remember, it is our first sale in thirteen years and we positively mean it. We will fill your measure to the overflowing, giving you more for your money than you ever hoped to anticipate.

Attend our sale, Friday morning 10 A. M. Your attendance will mean that you will come again and again.

Steaming Oats within 5 minutes!

Take your breakfast cereal as you do your coffee-hot.

You like hot things for breakfast—hot coffee and hot toast.

Now you can have hot oats, for you can cook Quick Quaker while the coffee boils.

Quick Quaker makes porridge in 3 to 5 minutes. It removes the excuse for cold breakfasts no matter how hurried breakfast is.

Try Quick Quaker in your home. Try it tomorrow. You will find it has all the wholesome taste of the regular Quaker Oats you know so well.

With milk or cream, Quick Quaker is a breakfast in itself. It is so palatable and nourishing that it brings roses of good health to children's cheeks and stamina to older people.

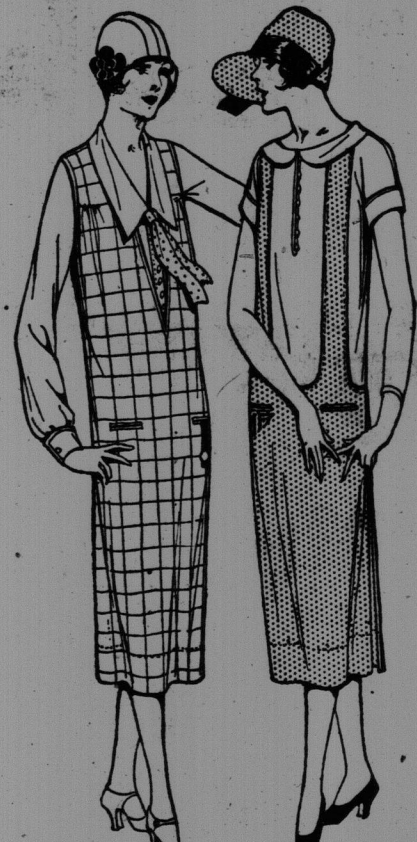

Quick Quaker packages marked "china" each contain a piece of imported tea-table chinaware, pure white, with decorations of blue and gold. Also marked "aluminumware" and packed with useful articles of aluminum for the kitchen—a fine assortment, and each article of substantial weight.

VENIOT PREDICTS LIQUOR VOTE SOON

PREMIER EXPECTED TO SOUND OPINION OF HOUSE ON VOTE

Declares Government Cannot Enforce Law to Suit Alliance and Tightening Up Brings Boot-leggers and Other Evils

INTENDS TO DEVELOP GRAND FALLS

Makes Savage Attack on "Mean, Base Campaign" Used By Opposition in Gloucester By-election—Clashes With Richards Several Times—Announces Colonization Policy

By D. LEO DOLAN

Staff correspondent of The Times-Star.

HOUSE OF ASSEMBLY, FREDERICTON, March 18.—New Brunswick will probably have a plebiscite vote on the liquor question in 1925.

This is the inference that political followers here generally take from the announcement made in the House this afternoon by Hon. P. J. Veniot, Premier of the province, in his speech in the debate on the address.

Concluding his address, which lasted almost two hours and a half, Premier Veniot declared that before the present session was over he would probably bring down a measure or resolution to sense the opinion in the House as to the advisability of submitting to the people the question of whether they desire a continuation of the prohibitory law in New Brunswick.

"If after a trial of seven or eight years the people of New Brunswick should again endorse prohibition, then I say that the party which is in power following that vote should make a strenuous effort to enforce the law to the hilt, even if such enforcement drains from the public treasury every dollar of revenue and other public services are affected."

On Enforcement.

Premier Veniot declared that his Government could not at the present time enforce the prohibitory law to the extent demanded by the New Brunswick Temperance Alliance. An attempt had been made to do so, said the Premier, and it had failed, and he argued that such enforcement could not be brought out until the moral support of this province was behind the prohibition.

The Premier declared that within the last year New Brunswick had been surrounded by a Rum Row, smuggling has been permitted to reach unparalleled proportions, and apparently no successful effort has been made by the Federal Government to restrict the illegal traffic in liquor.

Bootleggers are running rampant throughout the province, said the Premier, and men engaged in this illicit traffic are risking their lives and even attempting murder in order to reap the rich profits that accrue from their nefarious transactions.

Little Respect for Law.

"There is little or no respect for the prohibitory law," said Hon. Mr. Veniot, "and in every section of this province where a concerted attempt had been made to put on the lid and enforce the act to the hilt, the bootleggers had prospered as a result of the Government's efforts, and conditions, instead of improving, became worse."

MARITIME LIBERALS ASK LOWER TARIFFS

One Suggests Duty-free Gasoline Engines For Fishermen, Report Says—Ottawa Circles Believe Only Changes Will be Tax Adjustments

OTTAWA, March 18.—Fiscal proposals were the subject of considerable discussion at a Liberal caucus today. While it has become generally recognized that there will be no reductions in the tariff this year and that the budget to be presented next week by Hon. James A. Robb, Acting Minister of Finance, will confine itself, in the matter of changes, to adjustments in the taxes, such as the sales, income and business profits taxes, various members of the party discussed the possibility of certain changes.

Most of these, however, came from Maritime members; those from Ontario and Quebec being obviously satisfied with the decision "to stand pat" this session.

Suggests Duty-Free Engines.

One of the Maritime members, it is understood, suggested that gasoline engines, used by fishermen, be placed on the free list, as being in accordance with the Government's policy to encourage the development of natural resources.

While the question of a general election was not brought up at today's meeting of the Liberals, it is known that the rank and file are opposed to any appeal to the people this year, and they fully expect that there will be another session before such an appeal is made.

To Back Government.

As to ocean rates the party will stand almost solidly behind the Government, especially its course of action in referring the whole question to a special committee of the House for the purpose of verifying the statements contained in the reports of W. T. R. Preston and of the special committee of two sessions ago headed by A. R. McMaster (Brome).

Opposition speakers had declared that Rand should not be elected because he was a Protestant and an Orangeman. The Premier declared he had in his possession an affidavit to prove the assertion of his charge against the Opposition.

Asked by Mr. Richards to read the affidavit, he replied by sending the affidavit across the floor to the leader of the Opposition.

Political Chain Letter.

The Premier caused no little amusement when he read to the House what he described as a "political chain" letter, which he charged was part of the Opposition publicity campaign. This letter, headed "A Note From Me to You," after detailing the sins of the Government, called upon the receiver to send it to ten friends, with the urgent request "not to break" the chain. Mr. Richards retorted the statement of the Premier that the chain letter was the work of the Opposition in the House, but the Premier said it was the scheme of the Opposition supporters in the province, and claimed to be able to trace the source of what Mr. Veniot described as a "singular document."

Free School Books.

On the question of free school books, the Premier said that it was proposed to extend the system to the fifth grades in the city and to the second and third

Board of Trade Council to Discuss National Conference Suggestion.

BY A. M. BELDING

Special representative of The Telegraph-Journal and Times-Star now en route home from a tour of Western Canada in the interests of the Maritime Provinces.

MONTREAL, March 18.—The 20 minutes accorded me to address the Council of the Board of Trade this afternoon lengthened to an hour of very earnest discussion regarding the national situation with special reference to what might be done for the Maritime Provinces. The meeting was also marked by the announcement by F. A. Covert that there is in process of formation in Montreal a Confederation Club, which he hoped would be but the first of such clubs from coast to coast, the purpose being to study and learn what was in the minds of the Fathers of Confederation and discover means of making the Federal union what it ought to be. He also announced that the Kiwanis Clubs were considering the adoption of a programme to develop a real national spirit.

To Discuss Proposal.

President A. O. Dawson, of the Board of Trade, is a native of New Brunswick, and the treasurer, George Henderson, comes from Nova Scotia. The letter from the Toronto Board of Trade, proposing provincial conferences of Boards of Trade to be followed by a national conference to consider an economic policy for Canada has been received here, and President Dawson said he would be in Toronto in a few days and would discuss the whole matter with President Gundy.

Discussing freight rates during his speech, Premier Veniot said the activity of the Government had resulted in making it possible to have the preferential rates extended to the port of Saint John at a time when the C. P. R. had attempted to limit preferential rates to Montreal only. This had been attempted when the Crow's Nest Pass rates were suspended by the argument of the special counsel of the Government before the Supreme Court of Canada and the Railway Commission, had brought results, and today the preferential rates are extended to Saint John.

"Since 1897 bright legal minds of Saint John, many of them great advocates of Maritime rights, have been sleeping while the C. P. R. was pulling money out of the city by continuation of the three cents a hundred pounds freight. Is it any wonder the freight has been diverted from that port?" (Continued on page 11, column one)

Referring to the action of Toronto, and to my address and the announcements made by Mr. Covert, he said the fact that the whole question was being taken up in one way or another by different organizations must give rise to the hope of good results.

Offers Suggestion.

He said the Council greatly appreciated the first-hand information I had been able to give them after touring the country, and my message, along with the Toronto letter, would receive most serious consideration.

The discussion was participated in by G. LaFoley, Guy Tombs, H. B. Henderson and others.

I had suggested that the Maritimes might receive national consideration in the task of establishing industries based on their natural resources, the products to be marketed overseas, and was asked if such would not be especially valuable in connection with our agricultural resources.

More important than the questions was the kindly spirit manifested and I could offer no criticism of the suggestion that our people should do a great deal more publicity work in Canada and in the Mother Country in view of the fact that we have such valuable resources to be developed.

I am to address the Kiwanis Club in St. Johns, Quebec, tomorrow evening.

Premier Replies That Quebec Clergyman is Misinformed As to Facts.

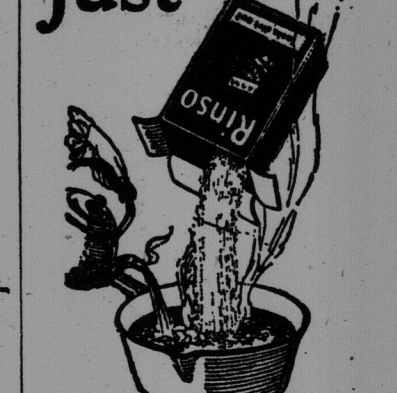

By Canadian Press. HALIFAX, March 19.—Premier E. H. Armstrong, of Nova Scotia, gave out last night the text of a letter he had addressed to Rev. Canon Scott, of Quebec, in reply to a telegram received from the latter. The Premier wrote as follows:

I beg to acknowledge receipt of your telegram of the 17th, reading as follows:

The apathy and inaction of your Government at the present time are incomprehensible to Canadians. The eyes of the whole people are upon you. If death ravages the coal fields now the blood of the slain will be laid (Continued on page 11, sixth column.)

REST FOR THE HEART.
THE heart must be able to respond to a call for more work. An automobile, when rolling along on level streets, requires much less power than when climbing a hill. While sleeping, the heart should be able to throttle itself down, because the necessity for power to force the blood through the body is diminished when the body is at ease. But when one gets out of bed and runs to catch a street car, the heart must be able to respond, and if it is in good condition, it will do so. It has been estimated that the heart on almost instantaneous notice can perform 13 times the amount of work which it puts forth while the body is at rest. Many commonly think of the heart as an "unsuspecting organ."

LITTLE JOE

After all, it's the well-smoked pipe that takes the cake. This is not strictly a correct conception. Following every contraction there is a short period of relaxation. And during this period the heart muscles take from the blood, upon which the heart lives, and give up to the blood the carbon dioxide and waste products which have been made during its period of contraction.

Adventures of the Twins

By OLIVE ROBERTS BARTON.
THE EASTER BUNNY WAKES UP.
"Now that Jack Frost has been scared away," said the March Hare, "we must get down to business. There is a lot to be done."
"What?" asked Nick curiously.
"Well," said the hare, "I have a cousin called the Easter Bunny who has to be told a thing or two. He never seems to know that spring is here until I tell him. Besides he may need help."
"May we help him?" cried Nancy.
"Well, see, we'll see," said the March Hare. "Get on my back, both of you, and we'll be off."
To the Twins hopped on and the March Hare went loppety, loppety, off to the Easter Bunny's house.
Outside it looked like any other rabbit house, a little door under some tree roots.
But inside! Why inside it was—
But goodness! I'm going too fast. Nobody was inside yet.
The Twins got off and knocked loudly as the March Hare said to do.
Then they heard a loud yawn and a sort of scraping noise and after a long while the door opened and there stood the Easter Bunny in his pajamas and night-cap.
"How-dee-do!" he yawned. "What's wrong? Is somebody sick? It can't be more than four o'clock."
"Nobody's sick," said the March Hare a bit sharply. "But about a million little boys and girls are going to be if you don't get busy and get your Easter baskets ready."
"Oh—so that's it, is it," exclaimed the Easter Bunny opening his eyes wide as you like.
"Never can have too much help," said the Easter Bunny stepping aside to let the visitors in. "I'll go now and get dressed."
And now it is time to tell you what the Easter Bunny's house looked like inside.
It looked like a candy store, and a basket factory, and a few other things besides. Barrels of green dried grass for the baskets, and yellow chicks and downy ducklings and maple sugar rabbits, and big chocolate eggs and little chocolate eggs and sugar eggs with scenes inside—and everything.
But before the Twins had time to see it all, the Easter Bunny was back as quick and span as a new pin, with a brand new red satin necktie. I don't mean a pin with a new tie. The Easter Bunny had it on.
"This stuff must be stale if it's left over from last year," said the March Hare.
"It isn't," said the Easter Bunny. "It's as fresh as new milk."
"How can it be fresh when you were sound asleep?" asked the March Hare in surprise.
"I wasn't asleep at all," laughed the other. "I just fooled you. You come around here every year as cross as two sticks. No wonder they say 'As mad as a March hare!' Everything is ready for the Easter baskets because I have been working for weeks."
"May we help to fix the baskets then?" asked the Twins.
"You certainly may," said the Easter Bunny.
So this story ends happily after all. (To Be Continued.)

But the Moose Kept Going. (See Daily Star). Most any animal can be trained. There was a moose at Rat Portage in 1898 that regularly drew his owner in a sleigh around town. Then at Webb's wood some years ago a moose hitched to a light wagon used to race with the farmers' horses at the fair there. Five years ago it was a common sight on Meteor Lake, which is seven miles long, to either ride a moose swimming in the lake or to hitch a canoe to him. At Opinimiska Lake in 1908, Mr. Lawrence Peters avers such a ride ended disastrously for the little vessel attached, for as soon as the moose struck the shore he kept on going and as the towing rope could not be unhitched in time, the front was torn out of the punt.

HEART WAS WEAK NERVE ALL GONE

Mrs. J. H. Hallenbeck, 117 1-2 Westland Avenue, St. Catharines, Ont., writes:—"I was in a gas explosion; it left me with a weak heart, and my nerves were all gone. I suffered everything; couldn't sleep, or endure any excitement, and when left alone I felt as if I could scream. I took dizzy spells, often falling and bruising myself. My mother read about your Milburn's Heart and Nerve Pills, and bought me a box, but having taken so many different kinds of medicine I just assumed that I did not have any confidence in any of them. I took one box of H. & N. Pills, and felt so much better I continued with them until I had used five boxes, and after I had taken them I found I did not need any more. I cannot praise, or recommend, Milburn's Heart and Nerve Pills too highly after all they have done for me.

PREDICTS NEW LIQUOR VOTE IN PROVINCE

(Continued from page 9.)
Premier Veniot said he did not intend to allow anyone to take credit for a project to which his government was entitled, and declared that months before the Saint John newspapers had sent a representative across Canada, to make the people of the Dominion better acquainted with our problems here.

Comments J. D. McKenna.
"There are two men who deserve the credit for this movement which has put the case of the Maritime Provinces before Canada," said the Premier. "One of them, J. D. McKenna sits right here in this House," said the Premier, turning and pointing to the member for Kings.

"The other is myself, who as leader of this government supported Mr. McKenna and made an offer to the Saint John City Council and Board of Trade to pay a part of the expense of any commission which might be appointed to travel through Canada and bring about a better exchange of commodities between the provinces. That offer was not accepted but the government continued to press the claims of the Maritimes."

Praise For Newspapers.
The Premier said he did not wish to retract from the great work accomplished by The Telegraph-Journal and The Times-Star but he believed his government entitled to a great share of credit for its activities in this respect.

By Mr. Stewart: As to the number of road patrolmen in Restigouche county, and as to the cost of work on a road near Campbellton.

Introduce Bills.
Mr. Martin introduced a bill to amend an act to incorporate the Town of Chatham.

Mr. Scully introduced a bill to amend an act relating to permanent sidewalks in the Parish of Lancaster.

Mr. Foster, for Mr. Benoit, introduced a bill to amend an act relating to lighting in the Parish of Simonds.

Mr. Richards introduced a bill to fix the valuation for assessment purposes of property of the Canadian Pacific Railway in the Parish of Madam.

Mr. Hunter introduced a bill to amend an act relating to the Acton Cemetery Company.

Mr. Hayes introduced a bill to amend the Saint John Water and Sewerage Act 1924.

Present Reports.
Mr. Fawcett asked leave of absence for Mr. Tracy until Tuesday, next, on the ground of urgent private business.

Hon. Mr. Hetherington presented the sixth annual report of the Workmen's Compensation Board.

Hon. Mr. Veniot presented the report of the committee on mother's pensions and minimum wage, and the annual report of the Minister of Public Works.

DOES EVERY MEAL CAUSE YOU DISTRESS? IF IT DOES YOU SHOULD TAKE BURDOCK BLOOD BITTERS

Mr. M. P. Eldridge, Beaver Harbor, N. B., writes:—"I was troubled with my stomach for some time, and everything I ate seemed to distress me. I tried many different medicines, but without any results. Finally I was advised to try B. B. B., and after having taken several bottles I was completely relieved of my trouble. I can now eat anything I wish, thanks to B. B. B."

Burdock Blood Bitters puts the stomach into perfect shape by promoting proper digestion; and during the past 46 years it has been on the market has made a reputation, second to none, for relieving all stomach troubles.

FOUND IN PASTURE WITH THROAT CUT

Digby County Man is Believed to Have Attempted Suicide.
DIGBY, March 18.—John Max Oliver, 72, of Gilbert's Cove, about five miles from here, was found yesterday in a field about a mile from his home with his throat cut. Little hope is held out for his recovery. It was at first suspected that foul play was the cause of his condition but later investigations led to the belief that he had attempted to commit suicide.

Oliver left his home yesterday morning ostensibly for a short walk. When he did not appear for his noon meal a search was instituted by his relatives. They combed the countryside and found Oliver in the pasture.

OTTAWA, March 18.—Miss Agnes MacPhail, Canada's one woman M.P., proposed in the House of Commons today such changes in the administration of penitentiaries as would provide:
1. Sufficient productive work to keep the inmates employed.
2. That a share of the proceeds go to provide for dependents, and in case of no dependents, their share to be held in trust until release.
The House adjourned without reaching a decision on the resolution.

Ask For Ruling In Sussex-Truro Game

"Will you please give me a ruling on how bets should be paid in connection with the Truro-Sussex hockey game on Tuesday night. A number of us bet on Sussex to win the game and claim as they were in the lead at the end of the 60 minutes—or third period—they win. Truro betters claim otherwise. The bets were not made on the result of the series but on the game."

The fans who backed Sussex win. At the end of the third period they were leading 8 to 2. The extra time

If Food Causes Stomach Trouble

If bloating, gasiness, heartburn, sour stomach or such distressing follow meals be sure to use Stuart's Dyspepsia Tablets.

A good appetite for the savory dishes, some what may or as they call them, is the first step to their enjoyment. Then, on the other hand, stomach distress, such as bloating, gasiness, heartburn, sour stomach, or such distressing follow meals be sure to use Stuart's Dyspepsia Tablets.

Stuart's Dyspepsia Tablets are made of the most reliable and purest ingredients. They act on the stomach by giving it a healthy and natural action. They also stimulate secretions in the stomach.

Thus, whether you eat pork and beans, sausage and dumplings, or mince pie and cheese, or the foods that most people complain of making the stomach uneasy and sour you experience that happy state of enjoyable, solid comfort.

Get a 60-cent box of Stuart's Dyspepsia Tablets at the drug store. Then eat heartily of all the good things of the table. It is surely the best road to continued good health.

Victor McAuley Will Make Another Effort To Win Boston Marathon

Along the Sport Trail

By RAY HANSEN

THE TIME has arrived for the local hockey players to pack away their skates, sticks and pads and make way for the next sport in line—baseball. The season here can be looked back on as one of the most successful in years and the outlook is indeed bright for the winter of 1925-26. Not only did the Saint Johns make an exceptionally good defeated every visiting team to come to the city in exhibition games. This is indeed a noteworthy achievement and augurs well for next year. There is a possibility of Bidlake, the star goalie from Fredericton, locating in this city and there is an unconfirmed rumor that Jack LeClair will make Saint John his headquarters. If this comes to pass other teams in the Maritime Provinces will find the Saint Johns real contenders for championship honors. The locals have had a great up-hill fight to re-establish this great winter pastime, but it looks as if they have at last reached a point where they can look into the future with confidence. In Bidlake they would have one of the cleverest goal tenders in the Maritime Provinces and one who is a great favorite with local fans. If Jack LeClair is determined to make a shift he will find a royal welcome awaiting him in this city. He is one of the cleverest centre players in the province and would be a valuable edition to the local sextette. With the other Saint John players the locals could put a classy array of hockey talent on the ice.

IT LOOKS AS IF Paavo Nurmi, the sensational Finnish runner, is beginning to determine his health. In his race Tuesday evening in Madison Square Garden, New York, nature enacted its first toll. For 4,000 metres he raced at a record breaking clip and then suddenly doubled up in pain and was forced to quit. It was said he had eaten meat before the race and this was attributed as the cause of his undoing. This may be true, but it is hard to believe that he ate any more or any sooner before his great match with Ritola than before any of his other meets. As the writer predicted some time ago, no human being could carry out such a strenuous programme without endangering their health. If he is wise he will curtail his programme and return to his own country before the money sharks in the States kill him.

BRIDSON GREEN of Medford, who is well known to local wrestling fans, has been matched to meet Pete Sturgis of Worcester, in Boston on April 2. Green holds the New England championship and in addition to his title will put up a side bet on the result. The promoter is offering a purse of \$500 on a winner-take-all basis. Green is without doubt one of the cleverest wrestlers in the world and it is a safe bet that he will win out.

THAT CONNIE MACK of the Philadelphia Athletics is one of the most admired leaders in the Major leagues is generally conceded. He is said to be like a father to his players and is beloved by all. Mack has proven himself a psychologist and a keen judge of character. As a result he knows how to handle his men, some must be encouraged, others gently reprimanded and a few kept under strict discipline. By his methods he gets the best out of every player and today is conceded to have an aggregation that is the real dark horse in the coming season's race. He has handed together a fine looking pitching staff, which includes Heimach, Baumgartner, Meeker, Groves and Walberg all crack catchers, and Rommel, Harris and Gray, right handed catchers in Perkins, Cochrane and Fox. There is one thing certain, Mack and his team will be heard from before the season is over.

Victoria Cougars To Meet Canadiens In World Series

VICTORIA, B. C., March 19.—Lester Patrick's Victoria Cougars were crowned champions of the Western Canada Hockey League here last night, as a result of their spectacular 2-0 victory over the Calgary Tigers.

After a scoreless first period, the Cougars came on to score a goal in each of the succeeding periods. Victoria's opening goal in the second period looked good for the game, in view of the hard checking of the Victoria defence. When Walker riveted home a hot shot on a pass from Frederickson, three minutes before the close of the game, followed by a penalty to Crawford, the last hope the Tigers had of securing victory vanished.

This was the first time in 12 years that Victoria had won a league championship, and when the final gong rang, five thousand fans clamored to their feet and cheered for ten minutes. The Cougars will now rest up until Saturday night, when they will play Montreal Canadiens, National Hockey League champions, in the opening game of the world series.

was played to decide the championship. Sussex could have left the ice and forced a third game for the championship on neutral ice, but evidently an agreement was reached to decide the issue then and there.

NEWS OF MAJOR LEAGUE CLUBS IN SUNNY SOUTH

Detroit Tigers Are To Meet Toronto Leafs Today

NEW YORK, March 19.—It was a day of rest for the Giants at Sarasota yesterday.

At Catalina Island, Calif., the Cubs wound up their camp schedule with a 12 to 4 win over the Salt Lake Bees of the Pacific Coast League. At Shreveport the home team Texas League Club lost to the White Sox, 8-4.

The Detroit Tigers, in training at Augusta, Ga., were scheduled today to play the last inter-club game before meeting the Toronto club of the International, Friday, in the first of a five-game series. Regulars and Yankigans played a 2 to 2 tie yesterday.

Effective Pitching. The Cleveland Indians produced three effective pitchers for the first time in their history. In their first exhibition game, defeating Milwaukee 3 to 1, at Sanford, Fla. Garland Buckley, Byron Speece and the recruit, Lohr, were the moundmen.

The St. Louis Cardinals defeated Sacramento at Stockton, Calif., yesterday, the hitting of Tommy Thoenow, diminutive infielder, and Arthur Reinhardt's pitching being the high lights of the performance.

Red Sox Cut Loose. The New Orleans Pelicans led the Boston Red Sox 10 to 0 in the sixth inning of the game at New Orleans yesterday, but the Sox cut loose with a bombardment which won the game, 11 to 10.

HER NERVES BETTER NOW

Received Much Benefit by Taking Lydia E. Pinkham's Vegetable Compound

Chatham, Ont.—"I started to get weak after my second child was born, and I was not getting any better. I tried to do my own housework, and was so bad with my nerves that I was afraid to stay alone at any time. I had a girl working for me a whole year before I was able to do my own washing again. Through a friend I learned of Lydia E. Pinkham's Vegetable Compound and took four bottles of it. I gave birth to a baby boy the 4th day of September, 1922. I am still doing my own work and washing. Of course, I don't feel well every day because I don't get my rest as the baby is so cross. But when I get my rest I feel fine. I am still taking the Vegetable Compound and am going to keep on with it until cured. My nerves are a lot better since taking it. I can stay alone day or night and not be the least frightened. You can use this letter as a testimonial and I will answer letters from women asking about the Vegetable Compound."—Mrs. CHAS. CARSON, 27 Fursey St., Chatham, Ont. Mrs. Carson is willing to write to anyone suffering from female trouble.

Nurmi May Race Ritola In Ottawa

OTTAWA, March 19.—Paavo Nurmi and Willie Ritola may re-run their 5,000-metre indoor match race, lost by Nurmi, at Madison Square Garden, New York, Tuesday night, owing to indisposition, here on April 3, at the Ottawa Police Amateur Athletic Association sport carnival. Nurmi has already accepted an invitation to run here on that date, and advances have been made to Ritola to compete against him. If Ritola accepts, it will likely be for the long distance race.

SEVERAL CHANGES IN PLAYING RULES

Hockey Association Decides to Allow Goal Tenders to Drop on Knees.

TRURO, N. S., March 19.—Frank Wilson, Truro, was elected president and Frank Kelly of Charlottetown, vice-president of the Maritime Amateur Hockey Association at the annual meeting held here yesterday. Several changes in the playing rules of the association were made, including striking out of rule 17, which prohibits a goal tender from dropping on his knees. Fee for referees was fixed at \$10. A special committee, consisting of J. P. Albertson of Sussex, Dr. Archibald of Wolfville, Lou Campbell of Charlottetown and J. E. Ahearn of Halifax, was appointed to handle interscholastic hockey.

ALLEN CUP SERIES

Coleman's Tigers Defeat Port Arthur in First of Series of Games.

WINNIPEG, March 19.—Coleman's Tigers, champions of Alberta and British Columbia, defeated Port Arthur, titleholders of Manitoba and Saskatchewan 4 to 2 in the first of a two-game series here last night for the right to meet Toronto Varsity in the final of the Allan Cup.

Looks To Veteran Pair

"RIP" COLLINS, LEFT, AND "DUTCH" LEONARD. AUGUSTA, March 18.—Manager Cob has banking strongly on two veteran pitchers to have big seasons. Squawp "Dutch" Leonard and "Rip" Collins, his big right hander, who has shown flashes of great stuff. Leonard reported late last season after his reinstatement and pitched good ball. He showed he still had the great curve ball that won him fame and most of his speed.

Collins is almost 37 now. He is positive he will win anywhere from 15 to 25 ball games.

"figure Collins is due to have the best year of his career," says Cob. "He always had the stuff and now has finally acquired proper poise that enables him to use it."

New Brunswick Curlers Will Visit Scotland Next Winter

NOVA SCOTIAN ENTERS IN BIG RUNNING RACE

BOSTON, March 19.—Vic McAuley from Windsor, Nova Scotia, plunger in many a Boston marathon, will be on deck in the big Boston race again this year. Vic has competed in nearly all the Boston marathons in the last 10 years and he should be out of the running this year. If you take the Nova Scotia champion's word for it he is going to be there stronger than ever in this year's race.

In Fine Condition. McAuley wrote the Post as follows: "Kindly see that I am entered in the Boston race this year. I am feeling fine and I still think I am going to win the premier honors in the big test. I will run for Windsor, Nova Scotia, again this year as my townsmen were good enough to send me to last year's race and they will do likewise this year."

"Since the last Boston marathon, I have been in a lumber camp in Canada, far from the bright lights and taking the best of care of myself. I think I will be right for a win this year."

McClain Also Enters. Other entries that trickled in the B. A. A. club house were Gus O'Neill, Dorchester Club; Silas McClellan, Nova Scotia; J. J. Yergan, Edwards A. C.; Carl Hill, Allston, and last but not means least, "Smiling Jimmy" Hennings, hero of many a 10-mile race, who still believes he can run a marathon.

Genial Tom Kansy announces that the full entry to date includes some 32 runners, all keen to win the greatest of all American marathons.

That's the reading on the tickets for the banquet to be given on next Monday night in the auditorium of Pythian Castle in honor of the Rotarians, whose tour of Canada has aroused such interest and whose homecoming is planned for the end of this week.

Outgrows Original Plan.

Mr. Belding has been an active member of the Rotary Club and the original design for a welcome was for one from that organization to a member who had just completed a big task well.

"But it has gone beyond the limits of any club," said H. Mont Jones, president of the Rotary Club, this morning, "and has developed into a general community affair. The Board of Trade, the Canadian Club, the Gypsy Club and the 'Y' Men's Club of the Y. M. C. A. are all co-operating and other organizations are desirous of assisting. So that it is in no sense a one-club matter now but a united community enterprise intended to do honor to a Saint John citizen."

Expect Every Seat Taken.

"I am satisfied," continued Mr. Jones, "that every seat at the dinner table will be occupied. It should be, for Mr. Belding has done an outstanding service to Saint John in carrying out this mission upon which the Times-Star and the Telegraph-Journal sent him."

The tickets are now available at Nelson's in King street and will be on sale only this week.

The Program.

Brief address of welcome by His Worship Mayor Potts.

Resolution appropriate to the occasion, moved by L. A. E. Macleod, vice-president of the Board of Trade.

Resolution seconded by W. J. S. Myles, president of the Canadian Club.

Address in reply by Mr. Belding.

Address of Trade Club.

The matter of the banquet was discussed at a meeting of the council of the Board of Trade at noon today when it was reported by the secretary, L. E. Armstrong, that formal invitations had been issued to members of the board with information regarding the tickets. The notice also expresses the earnest hope that "all members of this board will take advantage of the opportunity of welcoming home Mr. Belding, who has been doing good work for the city and port of Saint John, as well as the Maritimes."

The banquet is to be at 6.30 o'clock on next Monday evening.

Widow of Hon. Edward Willis Dies In West End In 86th Year

Mrs. Sarah Willis, widow of Hon. Edward Willis, died this morning at the home of her daughter, Mrs. John B. Manson, 16 Champlain street, West Saint John. The name recalls, especially to Saint John people of 45 or 50 years ago, stirring news newspaper controversy here, with the Telegraph, the Morning News and the Freeman all active in participation in the events of the day, and all very outspoken in criticism of one or other. Mrs. Willis was editor of the Morning News. He took part in political life and had been a member of the Provincial Government.

Mrs. Willis was in her 86th year, and had been seriously ill only since Saturday, retaining her faculties until the end. She is survived by four sons, E. Lewis Gilbreath, William H. and Arthur Stanley, and three daughters, Mrs. John B. Manson of West Saint John, Nathaniel Estlin, Grandfather, and Mrs. H. W. Baxter of Winthrop, Mass.

The funeral will be from Mrs. Manson's home on Saturday afternoon at 2.30 o'clock, with service at the house at 2.15 o'clock.

DOG IS SHOT.
At the request of the owner, William Kyle, Johnson street, Policeman Bette shot a dog yesterday.

BANK CLEARINGS.
Saint John bank clearings this week were \$2,498,284; last year \$2,475,752; in 1923, \$2,073,329. Halifax clearings this week were \$3,135,585.

REPAIRS NEEDED.
The Rockwood Park authorities have been notified by the police of two bad holes in the roadway of the Lake Drive. Repairs will be effected.

THREE POLICE CALLS.
The police were called to three different houses in the city last evening by residents who charged inmates with using abusive language. Two of the places were in Prince Edward street and the third in Sewell street.

AT EAST ST. JOHN.
Mr. and Mrs. Marlock Morrison opened their home last evening in East Saint John for the weekly cottage prayer meeting of the United Church, after which choir practice was held, with a good attendance for both occasions. Rev. W. J. Bevis led the prayer meeting. The Ladies' Aid will meet with Mrs. Bevis this evening, at the Mansel.

TWO SENTENCED.
The police were called to 50 Pond street last evening by a woman who declared a drunken man was in her house and was creating a disturbance. He was taken in charge and appeared before Magistrate Henderson in the police court this morning, and fined \$8 or two months in jail. A similar sentence was imposed on another man for the same charge.

PRESENTATION MADE.
Miss Susie Carpenter is the recipient of a very pleasant surprise last evening, when a gold pen and pencil were presented to her by the members of the staff of F. A. Dyke and Co. Dinner was enjoyed by 18 young ladies at Green's, with Miss Carpenter as guest of honor, after which all were entertained by Miss Edna Belys at her home, Elm street. Miss E. Howard was hostess at the dinner. Games and music were enjoyed and a dainty light supper served at 8 o'clock. Miss Carpenter is resigning to take up other work and will visit her home in Queens county for a few weeks. Her departure is much regretted by her associates.

LODGE 5 YEARS OLD; BIG NIGHT PLANNED

Carleton Tower Pythians Will Have Degree Work, Banquet and Entertainment.

The fifth anniversary of Carleton Tower Lodge, No. 37, Knights of Pythias, will be observed tomorrow night and they are making elaborate plans to celebrate this event fittingly. The regular convention of the lodge will be held and the rank of esquire will be exemplified by the officers and degree team. Following this, there will be a banquet and entertainment.

Expect Many There.

An invitation has been extended to the city lodges and it is expected that many will avail themselves of the invitation as this lodge has an enviable reputation as "good hosts."

Mayor Potts has been invited to attend and take part in the working of the rank and also give an address at the banquet. It is expected that Grand Chancellor Stillwell, Grand Vice-Chancellor Mowry and Grand Master of Eschequer Kinnear will also be present.

The lodge was organized five years ago with a membership of about 50 and today they have on their roll about 150.

In order not to conflict with this celebration a dance which was scheduled for the same night in Castle Hall, Union street, under the auspices of New Brunswick and Union Lodges, has been postponed for one week.

OFF TO HALIFAX FOR BADMINTON PLAY

Saint John Representatives Leave to Take Part in Maritime Championships.

Saint John will be well represented at the Maritime Badminton Championships to be held in Halifax on Friday and Saturday. Representatives of the St. James and Garrison clubs left this afternoon to participate in the play. The former sent Amos Mantle, A. Kee, Miss E. Kee and Miss E. Frost, while the latter will be represented by Col. and Mrs. W. B. Anderson, Capt. Hugo Poston, Col. H. C. Sparling, Allan Sparling, Mrs. F. S. Skinner, Mrs. S. Skinner, Mrs. W. E. Foster, Misses Hortense Maher and Doreen McAvity, Percy Streeter, Major Larzer, Mrs. J. R. Curry and Murray Vaughan.

Champion Cannot Go.

Douglas McKean, the Maritime champion, will not defend his title this year as he was unable to make the trip owing to stress of business. The hopes of the Saint John contingent are said to be placed in Captain Hugo Poston and Percy Streeter, two of the stars of the Garrison Club.

DEAD AT AGE OF 85

J. W. Middleton of North End Had Been 37 Years With C. N. R.

John William Middleton, aged 85 years, died this morning at the residence of his daughter, Mrs. William H. Holder, 155 Main street, after a long illness. Mr. Middleton was for 37 years in the employ of the C. N. R. and was superannuated some time ago. He was born in Ireland, and came to Canada when a young man. He established himself as a citizen of Saint John, and resided in the north end for many years. He leaves besides his daughter, with whom he lived, three grand children. Mrs. Middleton died seven years ago. The funeral will be on Saturday afternoon at 2.30 o'clock to Cedar Hill, with service at the house conducted by Rev. W. E. Fuller, curate of St. Luke's.

LUMBERMEN MEET

Two New Brunswick Associations in Annual Session in City This Afternoon.

The annual meetings of the New Brunswick Lumbermen's Association and the New Brunswick Lumbermen's Safety League were scheduled for this afternoon in the local Board of Trade rooms. The former meeting at 2.30 o'clock and the latter an hour later. Hearing of reports and election of officers were expected to take up most of the time of both meetings. Angus McLean, Bathurst, is president of the Association while F. C. Beatty heads the safety league. Mr. McLean expects to return to Bathurst tomorrow.

COURT CONSIDERS.

In the Bankruptcy Court this morning with Chief Justice Barry presiding, an application for discharge from bankruptcy on behalf of Harry C. Green was made by W. R. Scott. The application was opposed by Bowes & Co. through their solicitor C. H. Hamilton, and by Goodwin & Co. through their solicitor K. A. Wilson. The court has taken the matter into consideration.

Hiram on Tour

MONTREAL, Mar. 14.—Well, sir, me an' President Beatty had another long talk today. Says he to me, "Hiram—I s'pose you're glad to get back to the Settlement after bein' away such a long spell. I wish I had time to go down an' spend a week with you an' Mrs. Hornbeam. This here bein' president of a railroad is like bein' a horse on the old-fashioned trashin' machine. You got to keep the thing goin' an' it won't let you stop a minute. Tell Mrs. Hornbeam I've seen her parakeets an' I'm thinkin' about gittin' Sir Henry Thornton to run down with me some day. I guess there's one thing we could agree on.—Well, sir—I seen Grant Hall, too—but he didn't see me. The last time I seen him was out to Victoria—an' he knowed me right off. I didn't think he'd ever seen me afore—but I'll take his word for it. The feller that kin make you 'bieve he always knowed you is the kind that gits business—yes, sir, Billy Howard knowed me—too. He hasn't changed a bit since he left the Settlement. If I was a young feller I don't know but I'd take up railroadin' myself.—By Hen!

Quebec Party Here to Sail on Melita Shown Saint John Hospitality.

Mr. and Mrs. R. Fournier of Mont Joli, Quebec, and J. Fortin of the same place arrived in Saint John yesterday on their way to Rome, making their Holy Year pilgrimage. Mr. Fournier is a prominent contracting plumber and he is a customer of T. McAvity & Sons, Ltd., for a lot of the supplies he uses in his work. He called on the firm and was shown Saint John hospitality by E. Stewart, advertising manager of the firm, and a round of the places of interest here was enjoyed.

Mr. Fournier and his party will sail on the S. S. Melita for Cherbourg this afternoon on the way to Rome. They will be away about two months and a half. At the steamship, Mr. Fournier, who is a member of the Knights of Columbus, was welcomed with greetings by a delegation from St. John Council.
