REPORTERS' CONTEST KEENLY CONTESTED

Much Interest is Taken in The Observer's Correspondence Contest—Perth Reporter Wins for January

As announced in our issue of Jan. 7 a reward of \$2.00 will be given to the best correspondent who sends what we call the best copy in the month. Correspondents at Centerville, Florenceville, East Florenceville, Andover, Grand Falls and Woodstock are not eligible for this contest as they are paid in another way. This leaves the opportunity to win the two dollar reward practically to the smaller districts. During January the Perth correspondent won the \$2.00. What was most appreciated in this correspondent's work was promptness in having copy in on Mondays, regularly in having copy in every week, and covering a great many items of real news, getting all necessary details of important news stories. This correspondent will not be eligible for the February reward, but may, if February and March work are both good, capture the March reward.

In valuing the worth of a correspondent competing for this reward the relative size of the community is considered, so there is really just as good a chance for the reporter in a small remote district as in the larger ones. Remember we want no item that the writer cannot vouch for absolutely; we want no "funny" items, nor items with a hidden meaning or only understandable by the persons they refer to. Never send items of neighbours visiting each other, except it be in the way of a party or general or special gathering. What we particularly want is news of people leaving the district for elsewhere, and of visitors from elsewhere, record of people who are really—not those suffering from colds, bunions and such simple ailments; deaths and all the circumstances. In deaths of adult people give more particulars than if a child died. Always try to get the correct age, place of birth, names of immediate family surviving, time of death and all such details. Funerals should be spoken of briefly—make no eulogy, and please, oh please, send no poetry. Weddings should be fully reported up to the list of wedding presents—at which the editor draws the line. Accidents, fires, removals to or from the community, sales of property, new buildings, community improvements and all unusual events should be reported.

Don't forget that copy should be mailed to reach the office on Monday—every Monday—whenever possible. Always sign your name to every contribution so that the editor will know who is responsible for it. If certain of the correspondents in the smaller districts keep up the good work we will give one of them the February reward. Reporters should know that it is not quantity that will win, but the prompt delivery of quality. Don't try for a long string—see how much you can say in a few words. Now then—all ready for the February contest.

HENRY TEOLE DEAD

The death occurred at his home on Friday morning of Henry Teole. Mr. Teole was a son of the late William Teole and a brother of George and Fred Teole, while Mrs. G. B. Triston of St. John and Mrs. Amanda Boyer of Vancouver are sisters. He is also survived by his aged mother, his wife, who was a daughter of the late Zopher Phillips, one son, Wendell, and a daughter Miss Evelyn, both of whom are at home.

Mr. Teole, who was 53 years of age, was born and lived the whole years of his life up until 5 years ago at Lower Brighton where he was pre-eminently successful. He rendered good service as road commissioner and was for years post master in his district. He was of likeable nature, always honest and dependable, a good neighbor and friend. In religion he was a Baptist and in politics a Liberal.

Five years ago Mr. Teole sold his farm to his brother George and removed to Hartland and soon after was appointed agent for the express company which position he held up to his death.

The deceased had been in failing health for some years. A year ago he went to the Royal Victoria Hospital at Montreal where surgical treatment revealed an incurable disease. Since his return home he was fairly comfortable and was confined to his bed only a short time.

The funeral was held from his late residence on Sunday afternoon. Rev. E. A. Trite preached the sermon while Rev. H. S. Mullin and Rev. N.

Franchette assisted in the service. Members of the Baptist choir sang "Jesus Lover of My Soul," "Lead Kindly Light," "Abide with Me." There were floral offerings from many sympathizing friends. The body was laid to rest in Greenwood cemetery. The pall bearers being J. E. MacCallum, J. F. Murdoch, A. Plummer, L. E. McFarland. Those from out of town who attended the funeral were Rev. and Mrs. G. B. Triston and sons William and Charles of St. John; Clarence Britton and Davis Phillips of Upper Woodstock; Mrs. Charles Smith of Alameda, Calif.; Nathan Phillips and Mr. and Mrs. Henry Phillips of Pembroke.

SPECIAL MEETING OF TOWN COUNCIL

Special meeting of the Town Council convened last evening for the purpose of selecting committees and defining the boundaries of the Kennedy Road.

Following committees were appointed for the year 1921:

Streets: H. H. Hatfield, R. B. Hagerman, Roy DeWitt.

Finance: R. B. Hagerman, H. H. Hatfield, F. F. Plummer.

Police: Roy Hall, F. F. Plummer, Jas. Faulkner.

Poor: Jas. Faulkner, Roy Hall, Roy DeWitt.

By-Law: F. F. Plummer, R. B. Hagerman, H. H. Hatfield.

Fire and Water: Roy DeWitt, R. B. Hagerman, Jas. Faulkner.

Jas. Faulkner, representative at the County Council reported on his findings regarding the records of the Kennedy road. Considerable discussion ensued in which the majority of the council participated. E. A. Britton being present, upon motion he was permitted to give his views on the matter. On motion it was decided to have the Street Committee get in touch with both parties engaged, also Mr. Teddie, former road commissioner, ex-councillors Morgan and Britton, Ass. Kennedy and any others interested, in order that this matter might be settled amicably between all parties concerned.

The regular meeting of the Council will convene Monday, Feb. 7, at which meeting the matter will be brought down, amendments expounded, etc. The budget will no doubt be about the same as 1920, with few variations.

ENTERTAINING A WESTERNER

The home of Mr. and Mrs. Wilnot Kimball of Waterville was the scene of a pleasant event on Jan. 26, when the birthday of Murray C. Lloyd, Mr. Kimball's brother, was the occasion for the festivity. Mr. Lloyd, as announced several weeks ago, is here from Saskatchewan to spend the winter in his native county. At the party about 30 were present, among them old friends of Mr. and Mrs. Lloyd. On Friday evening a pleasant social time was spent at the home of Allen Burpee. This affair was, also, in honor of Mr. Lloyd's visit to his native county. After refreshments were entertaining and reminiscent speeches by Miss Kimball, Mr. Watson and Mrs. Frank Burpee.

MOUNT ALLISON EN- DOWMENT CAMPAIGN

On Friday evening a meeting in the interests of the Mount Allison campaign which comes off February 7-14 was held in the basement of the Methodist church. The engineer of the campaign, R. H. Before the business was transacted an appetizing supper was served to the visiting friends by the women of the Ladies Aid Society which was much enjoyed.

Ora Tompkins, son of F. L. Tompkins, met with a severe accident last week when he fell from a team and broke his left arm at the elbow. It was not thought so serious for a day or two and no medical attention was called for but it soon became very painful and doctors were summoned and pronounced it a very nasty break and immediate attention was rendered, which we trust will soon mend matters.

Cause of Early Old Age

The celebrated Dr. Micholoff, an authority on early old age, says that it is "caused by poisons generated in the intestines." When your stomach digests food properly it is absorbed without forming poisonous matter. Food sits long on early old age and causes death. 15 to 30 drops of "Kidney Syrup" after meals makes your digestion sound. It makes your digestion sound. It makes your digestion sound.

CHILDLESS WOMEN

Please Read This Letter And See What Normal Health Will Do For You.

Berwick, Ont. L. "I had organic trouble, and after taking Lydia E. Pinkham's Vegetable Compound and Blood Purifier, all my troubles passed away. I was made strong and well and have been ever since. Now we have a fine baby six months old, and I know that I could not have this baby and would still be suffering if it had not been for your remedies. My husband and myself say that your remedies are worth their weight in gold, and I recommend them to my friends. One of my aunts is taking them now."

Mrs. N. B. LAMONT, LAVERGNE, Berwick, Ontario, Canada.

Among the virtues of Lydia E. Pinkham's Vegetable Compound is its ability to correct sterility in many cases. This fact is well established as evidenced by the above letter and hundreds of others we have published in these columns.

In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

PLANS FOR RELIGIOUS
CENSUS OF COUNTY

Meeting of S. S. Executive at Woodstock Arranges for Important Work

A meeting of the executive of the Carleton County Sunday School Association was held in Woodstock last week. Rev. W. A. Ross, general secretary, presided. Plans for a religious census of the county to be undertaken by the association were discussed and the dates set for taking the census March 21 to 31.

It was announced that the jubilee convention of the association would meet in St. John Oct. 25.

It was voted that Carleton county raise five hundred dollars for the support of Sunday School work, of which \$450 goes to the support of the Maritime Association. It was decided that a Christian workers conference should be held in Woodstock during the latter part of August. Rev. M. E. Connor is to arrange for the location of a school. C. W. Manser, F. L. Atherton and Rev. M. E. Connor were appointed publicity committee. Ernest Carey, C. A. McBride, Miss S. Currie and Miss R. B. Hagerman were appointed a committee in charge of the census. The budget of the Maritime Association this year is \$10,500.

Mr. and Mrs. Arthur Day took tea Sunday with Mrs. Day's parents, Mr. and Mrs. W. C. Craig.

Windsor Notes

The Ladies Missionary Society met at S. Hatfield's on Jan. 12. There was a good attendance, good programme, good collection, (\$7.61), two good new members, and last but not least, a good lunch, such a one as the Windsor ladies know how to get up. It was for a good cause and every one had a good time. C. P. Wasson took a double team with a long sled full of people, as they used to do in "good old days of yore."

The farmer's meeting was held at H. A. Smith's. Just as good a time was reported from there.

There is not an idle man in Windsor.

Boy and Walter Wasson, and Clifford Dickinson of this place are working for the Smith Bros., Roy and Murray, who are carrying on a lumber operation at Lower Windsor.

Robert Faulkner, Jesse Tedford, Arthur Orser, Horace Mean, and Lee Dyer are working for Henry Smith, who is lumbering at Esdras.

Geo. Robinson, Arnold Orser, William Forest, Geo. Faulkner, Percy Dickinson, Percy Wasson and Bartlett Wasson are all getting their next winter's wood.

Wilbur Dickinson is improving slowly.

HORSE RACING

Last Friday afternoon the ice track was in perfect condition and three classes were entered.

The horses owned by G. M. McLeod, C. R. DeWitt, M. E. Sawyer, were the visitors, while those owned by Dr. Macintosh, Stanley DeWitt and W. R. Thornton were defeated. The races were close enough at that. Following is the score:

CLASS A
Cassie W. 1 2 1 1
Alice Homeland 2 1 2 2
Time, 32 1/2, 31, 31 3/4, 31

CLASS B
Peggy Hal 1 1 2 1
Onward Wilkes 1 2 1 2
Time 3e 3-4, 31, 34, 33 1-4

CLASS C
Antelle G. 1 1 1 1
Teddie Bear 2 2 2 2
36 1-2, 39 1-2, 33 1-2

Tomorrow another race will be held, while next week competitors are expected from Woodstock.

DEATH OF FORMER
HARTLAND GIRL

At Laval Sanatorium, Quebec, on January 22, Mrs. J. A. MacKendy died after a long illness of consumption. Mrs. MacKendy was the oldest child of Mr. and Mrs. C. E. Hayward of Hartland. After completing a course in stenography she engaged in the law office of M. L. Hayward and later engaged with Stevens and Lamson, the well-known law firm of Edmundston, and became an expert legal stenographer. While at Edmundston she married the manager of the Royal Bank. Later they lived for a time at Grand Falls, and at present Mr. MacKendy is manager of the bank at Thetford Mines, Quebec.

The deceased young woman is survived by her husband, a two year old daughter, her parents, four brothers and three sisters. The body was laid to rest in the MacKendy family plot in Newcastle.

COLDSTREAM

Rev. G. A. Bell has been visiting friends in Maine during the week.

Mrs. H. J. Shaw has returned home after an absence of some months.

Our school opened Monday under the management of Miss Gertrude Ebbett of Lansdowne.

The W. W. G. met last week at the home of Mrs. Edmund Estabrooks.

Mrs. E. B. Estabrooks spent last week with her daughter, Mrs. Roy McWard at Williamstown.

Lily Nevers is home after spending some months with her sister, Mrs. S. W. Smith at Florenceville.

Tuesday evening at the regular monthly meeting of the Women's Missionary Society of the Methodist church a very pleasant surprise was given the president, Mrs. J. T. G. Carr, when after the regular session an address was given her, accompanied with a Life Membership Certificate.

Mrs. Carr, who has been president of the local society ever since its organization, about 25 years ago, and in reality has been its mother, was altogether taken by surprise, and expressed in her words of thanks great appreciation of the thoughtfulness of the members.

and also her great love for the missionary work. A social hour was pleasantly spent and refreshments of cake, sandwiches, etc. and coffee were served, closing a happy evening spent at the beautiful home of Mrs. Carr.

GROCERS TAKING LESS PROFIT ON MANY LINES

Red Rose Tea People Make a Further Statement

Some of our friends among the grocers, in speaking of our letter to the press on grocers' profits, have indicated that apparently it has been construed by some readers to mean that Red Rose Tea was the only article on which the grocer takes a smaller profit, in order to give his customers a higher quality.

It was not our intention to convey such an impression, as we know that most grocers sell well-known brands of other goods at less profit than they could make on some brands equally well-known, and for the same reason that they recommend Red Rose Tea, simply to give their customers the best possible value.

In our letter we mentioned Red Rose Tea because it naturally came first to our mind and because we know that grocers were selling it at a less profit than they make on other teas—T. H. Estabrooks Co., Limited, St. John, N. B.

and also her great love for the missionary work. A social hour was pleasantly spent and refreshments of cake, sandwiches, etc. and coffee were served, closing a happy evening spent at the beautiful home of Mrs. Carr.

Although with one exception, the oldest store in town, that of F. E. Sayre has never heretofore used newspaper publicity for the purpose of making sales. It is not commonly known among the townspeople that this store at all times carries one of the largest stocks, nor that at all times its prices average lower than any other store in town. S. W. Smith of East Florenceville has a complete roasting or barking outfit with 20 h.p. tractor power and cut-up saw to sell at a bargain. By barking your pulp wood you more than double the value and make it a sure seller, whereas rough pulp wood is very hard to sell and cheap. He will contract to take roased pulp wood in payment if so desired. Also one other roasting outfit without power. This would make a cheap outfit for anyone having the power.

A recent pleasant caller at the editor's sanctum was Mrs. S. Hayden Shaw, a very bright and cheerful lady who is nearing four-score. Mrs. Shaw, wherever she goes truly reflects by "outward and visible sign the inner or spiritual grace," so that it is indeed a pleasure to meet her. One should be able to courageously face advancing years after a brief conversation with this sparkling old lady, whose step is seemingly as quick, whose carriage is as erect, her eye as bright and her optimism as unshaken, as when the editor first knew her—many years ago when he was a bare-footed lad. We would vouchsafe that no real harm or overwhelming sorrow will ever overtake Mrs. Shaw, and we trust she will yet be spared long years if for no other purpose than to cheer others.

POTATO GROWERS IN CONFERENCE

Declare They Should be Willing to Take Their Losses Like Farmers

Woodstock, Jan. 28—The New Brunswick Potato Growers' Association met in the vocational school here on Thursday and today. There was a full sized attendance with W. A. H. Marjison of Centerville in the chair.

The question of seed inspection and the production of seed stock was discussed.

Hon. D. W. Mersereau, minister of agriculture, addressed the gathering last night.

The principal subject was "Can the farmer grow potatoes at the present price of fertilizers."

No normal programme of speech-making was followed but conditions as they face the potato growers today were discussed from many angles.

Naturally the low price of potatoes and the high price of ready mixed fertilizer was one of the leading topics of discussion being in fact from the principal cause for calling the convention. Several fertilizer dealers were present and one of them put the matter as follows. The fertilizer mixers bought their new materials at high prices and therefore must sell at high prices. The farmer could not grow potatoes without fertilizer therefore he would have to buy and pay the price asked.

H. B. Durst one of the delegates, well known to the farmers of this province for his efforts to secure them cheaper fertilizer, took exception to that view and pointed out that the fertilizer dealers, and others, took all the profits possible out of the conditions arising from the opening of the war. They should now be willing to take the loss.

The following officers were elected: President, E. C. Morgan, Hartland; Vice-President, A. A. H. Marjison, East Centerville; Secretary, C. C. Cunningham, Fredericton; Treasurer, W. H. Moore, York County.

LOCAL AND PERSONAL ITEMS

The evangelistic services in the U. B. church here continue to grow both in favor and fervor. Each evening has seen the church well filled with listeners who gave earnest attention to each of the several messages which Evangelist H. R. Bell brought them. On Sunday evening greater crowds attended than on the previous Lord's Day. On Sunday evening so ardent were the people over gaining admittance that the auditorium was well filled shortly after 6 o'clock, although service was scheduled for 7.30. Both subjects Sunday were aptly chosen and ably presented—at in the morning being "The Two Keys, or Steps Unto Heaven," that in the evening "Kadesh Barnea, or Life's Cross Roads." Concrete evidence of the forceful nature of the verbiage message, was given in the large number who declined from henceforth to walk the straight and narrow way. Sunday evening's service was scheduled as the culminating one, but owing to the intense interest manifested and the promise of further additions, Mr. Bell has decided to give another week of instructed effort. Appropriate and thrilling themes will be chosen for the services next Sunday morning and evening.

Miss Frances West, matron of the Beverly Hospital, Beverly, Mass., has a good opportunity for ten young ladies to start a course of training as student nurses. Miss West is a Carlton county girl herself and is a bit prejudiced against applicants from this section.

The dance given in the Opera House on Friday evening was well attended by locals and a crowd from neighboring American towns. The music was furnished by the Centreville Orchestra.

L. M. Jones of Kootenay was the guest of Mrs. J. E. Alexander last week.

Mr. and Mrs. Arthur Tedford of Whittier spent the week-end with Mr. and Mrs. Frank Buchanan.

The Centreville Hotel under its new management is enjoying a most prosperous winter. The atmosphere and general surroundings are most cozy and comfortable and these features added to most excellent cuisine make it very attractive quarters for both permanent and transient guests. The hotel is running to capacity nearly all the time, which makes for a smiling landlord and contented patrons.

Miss Helen Harold left on Saturday for a visit with her aunt, Mrs. Dr. Owen at Hawkeston. Friends of Miss Everett Harold will be glad to learn that she is making a satisfactory recovery. Mrs. Harold, who is 75 years of age, had the misfortune to fall and fracture her hip, and despite her advanced years is getting along nicely and able to walk about. She is spending the winter with daughter, Mrs. Owen at Hawkeston.

Interest in horse racing on the local track is still at fever height. Last Saturday witnessed the congregating of all the enthusiastic horsemen in the vicinity, who immensely enjoyed the competition between the several jockeys, who shared honors about evenly. Some one of course has the speediest horse and things are going to be a bit interesting before the victor is discovered.

The United Farmers' of Centreville will meet in the Farmers' Hall, Centreville on Saturday, Feb. 5th, 1921, at 2.30 p.m. T. W. Caldwell, M. P. wishes to discuss with the electors some of the problems that will come before the next session of Parliament, as well as some of the past acts of Parliament. Everybody is invited. Bring the ladies and young people.

Theodore George of Woodstock is spending the winter with Mr. and Mrs. Samuel Rogers.

D. A. Campbell of Hartland was in town on Friday.

J. H. Flemming and W. H. Hoyt of Woodstock were in town on business last week.

BROOKER-HOPKINS

A pullet wedding took place at Bath on December 31, when Gordon R. Brooker was united in marriage to Annie Hopkins, youngest daughter of George Hopkins of Fielding. The nuptial knot was tied by Rev. G. A. Gibson.

The bride wore a dress of blue tulle and georgette and black fox fur to match, the latter being the groom's present to the bride.

That evening a party of relatives and friends of the young couple gathered at the groom's home at Fielding and showered them with presents both numerous and useful. They spent the evening in dancing and other amusements and as midnight drew on a delectable lunch was served, after which the crowd went home wishing the

young couple a long and happy married life.

Hands were on FIRE

A Remarkable Case of Eczema.

"My hands broke out," says Mrs. Hector McDonald, of Oyster Ponds, N.S., "into a fiery irritable rash which the doctor called eczema. When his treatment failed to check the trouble I tried various salves and so-called blood-purifiers. But I got steadily worse and what were just isolated sores at first became one large mass of eczema. For over a year this went on, and you can imagine my suffering."

"Then I got Zam-Buk and I shall never forget how it soothed the dreadful fiery pain and itching. Even the first box of Zam-Buk effected wonderful improvement. Day by day the sores lessened and died away until, in time, the last sore healed. Zam-Buk banished every trace of disease."
