The copy filmed here has been reproduced thanks to the generosity of:

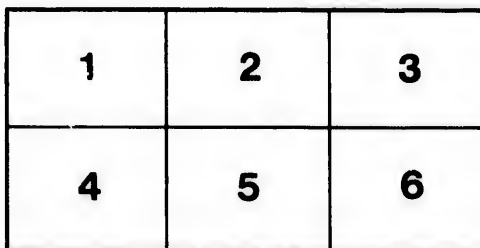

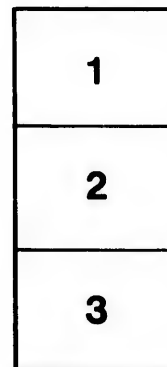

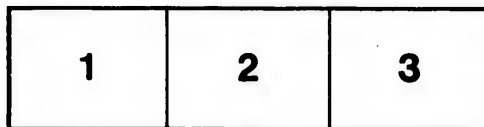

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PRAYERS.

AT OPENING.

PREVENT us, O Lord, in all our doings, with Thy most gracious favor ; and further us with Thy continual help ; that in all our works begun, continued and ended in Thee, we may glorify Thy Holy name ; and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord.—AMEN.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favor our Sovereign Lady, Queen Victoria, and so rule her heart, that she may in all things seek Thy honor and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants the Clergy ; the endeavors of all who are engaged in spreading the knowledge of true religion in the dominions of our Sovereign, and the labors of those Missionaries who are proclaiming the same in this Province. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord.—AMEN.

O MERCIFUL GOD, who hast made all men, and hatest nothing that Thou hast made, nor wouldst the death of a sinner, but that he should be converted and live : Have mercy upon all Jews, Turks, Infidels and Heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word ; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites and be made one fold under one Shepherd, Jesus Christ, our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end.—AMEN.

OUR FATHER which art in Heaven, hallowed be Thy Name. Thy Kingdom come. Thy will be done in earth as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil ; for Thine is the Kingdom, the power and the glory, for ever and ever.—AMEN.

AT CLOSE.

THE GRACE of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore.—AMEN.

RULES AND REGULATIONS OF THE GENERAL COMMITTEE.

BOARD OF HOME MISSIONS.

Whereas, it is desirable for the better provision for the ministrations of the Church in the Diocese of Fredericton, that there be a systematic and permanent plan for the payment of the stipends of Missionaries; therefore resolved,—

1. That in order to encourage the established Missions to become gradually self-supporting, all grants made by or through this Society in aid of Missions (not including stipends secured to any of the elder Clergy on the Society for the Propagation of the Gospel grant during life) shall from henceforth be made conditional on the contribution by the Mission itself of a stated sum towards the Missionary stipend.

2. That all grants made by the General Committee be made subject to these resolutions, and be distributed under the direction of the Board of Home Missions, who shall have at all times all such and like powers and rights with respect to the same, or any of them, as the General Committee of the Society would have if in session.

3. That the Board of Home Missions annually present to the General Committee of the Society, on the first day of their meeting, a full and detailed account of all business transacted during the expired year, and also a list of grants recommended for the ensuing year, with the conditions to be annexed to each, and shall also report to the Executive Committee at each quarterly meeting thereof.

4. That on the approval by the General Committee of the grants recommended for the year, the same shall forthwith pass into operation on the basis of the foregoing Resolutions, and subject to the following regulations :

(a). The Board of Home Missions (acting in conjunction with the Lord Bishop) shall forthwith, after the annual meeting, communicate with the Wardens or other Lay Members of the Church, in each Mission, requiring them to enter into engagement (A) with the Society, to contribute the sum required of the Mission for the year.

(b). Should such engagement not be entered into to the satisfaction of the Board before the 15th day of August then next, they shall communicate with the Missionary, requiring him to give each of his congregations notice (B) of withdrawal of all payments as a Missionary receiving stipend through this Society on 1st October then next, unless the engagement be meantime completed.

(c). Should such engagement not be entered into to the satisfaction of the Board before the first of October then next, all payments to the Missionary's salary through the Society shall be withdrawn, and no stipend shall thereafter be payable in respect thereof. Provided that should the Missionary see fit to resign his cure, he shall, if stationed for the remainder of the year by the Lord Bishop in any vacant Mission which may be willing to comply with the terms required of the defaulting Mission, be entitled, in respect of the services to be rendered in such new Mission, to such stipend as may be agreed upon between such Missionary and the Board, not exceeding that provided for the continuation of his services in his former Mission, and upon the like terms and conditions. Provided, also, that any such Missionary, if not so appointed to any new Mission, may nevertheless be permitted by the Board on special application, to draw on 1st of April for a sum in their discretion ; but not exceeding his previous quarter's stipend from the Society.

(d). Where such engagement is entered into, the Board shall forthwith notify the Missionary, who shall thereupon (unless the terms of such engagement shall not be fulfilled as hereinafter provided) be entitled to draw upon the Society for the full amount of his quarterly salary, including therein the sum required for the quarter of the Mission itself.

(e). The amount required from the Mission may be paid either in money or produce, and shall be so paid by equal quarterly installments at least one month before the last day of each quarter ; if paid in money, the same to be remitted direct to the Treasurer ; and if paid in produce, such produce to be furnished to and received by the Missionary, and his receipt in lieu of money, forwarded to the Treasurer within the time aforesaid. Provided that, if necessary, the Mission may have one month's grace to complete the payment.

(f). Should the Missionary give any such written receipt for produce, he shall keep a record thereof, and shall make his next quarter's draft for such sum only as shall be due him, after he shall be debited with such receipts in the Treasurer's books.

(g). Should neither the money nor receipts for produce to the full amount required for the quarter, be received by the Treasurer by the last day of the second month of the quarter, it shall be the duty of the Treasurer at once to send to the Missionary and to each of the persons who shall have signed the engagement, the notice (C) and should neither such money nor receipts have been so received by the last day of the quarter, the grant of the Society shall thenceforth cease, and it shall be the Treasurer's duty at once and in like manner to send the notice (D). If, however, the arrears be subsequently paid, the Board shall have power to renew the grant on application from the Mission.

(h). In case of the Missions where the Missionary's stipend is secured for life on the Society for the Propagation of the Gospel grant, the Board shall call on the Wardens to enter into the prescribed engagement only in case of the demise of the present Missionary ; and those Missionaries shall continue to draw their stipends as heretofore accustomed,

unless any shall voluntarily come within the general system adopted for other Missions.

(i) It shall be optional with the Board to permit any Mission to make a quarterly, half-yearly, or yearly payment at any period in advance, and these regulations, *mutatis mutandis*, shall thereupon apply generally to any such Mission.

(k) The Board shall have full power and authority to make all such further bye-laws, rules and regulations, as in their opinion may be required for their guidance, and from time to time to alter or amend the same as they shall see fit.

5. That in every case of a Clergyman receiving a stipend through this Society, he shall be required to make to the Secretary of the Society, according to such form as the Board of Home Missions may from time to time require, a yearly return, on or before the first day of December in each year, shewing—

Which returns shall be laid before the Board of Home Missions

forthwith and before the General Committee on the first day of their meeting; and no grant shall from henceforth be payable to any Missionary, in default of rendering any such statement or return, so long as such default shall continue.

6. That the Board of Home Missions shall, as soon as may be, after the first day of December in each year, make up from such returns the printed returns and statement required annually by the SOCIETY FOR PROPAGATION OF THE GOSPEL, and forward the same, reporting specially to the SOCIETY FOR THE PROPAGATION OF THE GOSPEL, any Missionary who may be in default.

7. That those of the Clergy within the Diocese, not receiving stipends through this Society, be requested to forward to the Secretary in like manner, on or before the first day of June in each year, the returns numbered 1, 2, 3, 4, 9, 11, 12, 13, 14, 15, 16, 17, 18 and 19, in order that a complete return of the Diocese in these particulars may each year be published with Society's Report, as hath been heretofore in part only accustomed.

8. That the Board of Home Missions in conjunction with the Lord Bishop shall appoint deputations of Clergymen and Laymen for each Deanery, which each deputation shall visit, for the purpose of holding Missionary Meetings in the several Missions, and taking up collections thereat, not interfering, however, with the usual semi-annual collections and annual convass of the Mission on behalf of the Society; and further, of making enquiries as to the power of the Mission to contribute towards the Clergyman's support; such deputations reporting to the Board, and through them to the General Committee of the Society.

9. That the Board of Home Missions in conjunction with the Lord Bishop, may further appoint special deputations to enquire into the causes of any deficiency of contributions or other pecuniary difficulties in any Mission, and shall have power to call for any returns they may think proper from any of the Parishes receiving aid from or through the Society.

10. That the Lord Bishop be respectfully requested to transmit a copy of these resolutions to the Venerable SOCIETY FOR THE PROPAGATION OF THE GOSPEL, requesting their concurrence therein.

12. That a certificate be added to the parochial agreements, which shall be signed by the representatives of the Mission, declaring that the amount given by the Mission is a *bona fide* contribution, and that no part is derived from the rent of glebes or the interest of investments—the property of the Mission.

13. That the Board of Home Missions shall have power, with the approval of the Lord Bishop, if there be available funds, to make a

THE CLERGY WIDOWS AND ORPHANS FUND.

1. The Church Society of the Diocese of Fredericton in the Province of New Brunswick, shall have a special Fund to be called "THE CLERGY WIDOWS AND ORPHANS FUND," which shall consist of the present capital held by the Society for this object (subject to its present liabilities) of all subscriptions, donations, legacies, devises and bequests, and other contributions given and paid to the Society for this special purpose, and of all payments received under these rules; and this fund shall be applied to the assistance of the families of deceased Clergymen, in accordance to these rules and to no other object.

2. Every Clergyman in this Diocese, duly licensed, whose widow is not already entitled to a pension from the SOCIETY FOR THE PROPAGATION OF THE GOSPEL, wishing to share in the benefits of this Fund, shall within six month from July 5, 1871, or within one year from receiving Holy Orders, or from his admission into the Diocese, apply to the Secretary of the fund for a certificate, and shall thenceforth pay annually the sum set opposite his age in the annexed scale. Any applicant after such period of time, shall only be permitted to receive a certificate at the option of the Executive Committee of the Church Society, and upon such terms as they shall direct.

3. Every Clergyman being a member of this Fund shall make and forward to the Secretary a yearly collection from every congregation in his Parish or mission. 6. If the widow die, or marry again, the pension shall be paid towards the support of such children of the deceased Clergyman as may be under the age of eighteen years. In this case, when the youngest child shall have attained this age the pension shall cease.

7. The trustees named in the will of the Clergyman shall be recognized by the Committee in the event of the death or marriage of his

widow, and shall receive the pension, to be applied by them for the support of the child or children; but if the Trustees so named are unwilling or unable to act; or if Trustees should not have been named, then the Bishop of the Diocese shall himself act, or in writing appoint a Trustee to act, in the application of the pension.

8. If the wife die before the husband, his child or children shall at his death receive the pension, under the limitation as to age expressed in Rule 6.

9. No certificate shall be issued to any Clergyman over the age of sixty years, who is not already in the Diocese at the time of the formation of these rules; but any Clergyman already in the Diocese, over the age of sixty years, and whose widow is not entitled to a pension from the SOCIETY FOR THE PROPAGATION OF THE GOSPEL, shall be admitted a member of this Fund, on making the annual payment for the age of sixty years, and otherwise complying with the rules.

11. If a Clergyman is unable to continue his public ministrations, through sickness or accident, upon the production of a medical certificate testifying the same, he may continue his connection with the Fund, upon making his yearly payment.

12. Any Clergyman degraded or suspended from the ministry, or any widow or orphan who shall not be in communion with the Church of England, shall be entitled only to such payments as the Executive Committee shall prescribe.

13. The Treasurer of THE DIOCESAN CHURCH SOCIETY shall be Treasurer of this Fund, and shall from time to time under the direction of the Loan Committee, invest every hundred pounds of surplus money, and add the same to the capital of the Fund. A yearly detailed statement of the income, payments, and invested money, shall be published in the Annual Report of THE DIOCESAN CHURCH SOCIETY.

14. The pension shall be payable half-yearly, on January 1, and July 1, in each year; the first payment to be calculated for the interval from the death of the insured to the day of payment.

15. The Secretary of this Fund shall be appointed by the Executive Committee, and it shall be his duty to issue certificates, receive payments, donations, and collections, which he shall hand to the Treasurer every quarter, or oftener if required by him.

16. None of the above rules shall be altered, except at the Annual Meeting of the General Committee of THE DIOCESAN CHURCH SOCIETY, after a full year's notice of the proposed change.

THE EDUCATION OF THE CHILDREN OF THE CLERGY FUND.

1. The Fund to assist in the education of the children of the Clergy shall consist of the amount now specially appropriated thereto (being \$1,869.79) of all accumulations of interest, and of all subscriptions, legacies, collections, and other contributions, given to, or applied by, the Society for this special object ; and the interest of this Fund shall be applied solely to assist in the education of children of Clergymen duly licensed in the present Diocese of Fredericton, or of children of those who may have died, or retired with the Bishop's approval on the ground of age or infirmity.
2. The Treasurer of THE DIOCESAN CHURCH SOCIETY shall, from time to time, under the direction of the Executive Committee, invest every \$500 of surplus money of this Fund, and add the same to the capital of the Fund.
3. The entire management of the Fund shall be, and hereby is, vested in the Executive Committee of THE DIOCESAN CHURCH SOCIETY, who if they shall think fit, may vest such management in a sub-committee, at their discretion.
4. No grant shall be made from such Fund until the capital thereof shall by accumulation or otherwise, have reached the sum of \$1,200, nor shall the grant or grants thereafter to be made exceed in any one year the interest on the capital of such Fund for the year.
5. Applications for grants from such Fund shall be made in writing through the parents or guardians of the applicant, to the Secretary of the Fund, and every such application shall be accompanied by a statement of any and all private property, pension or income, of the parent or parents, if living, or directly or indirectly available for the support and education of such applicant, if the parent shall be deceased. The Executive Committee, or its sub-committee, may, in any case, require further statements, which shall thereupon be furnished for their information.
6. Each case shall be determined on its own merits by the Executive Committee or its sub-committee, subject to the approval of the Lord Bishop of the Diocese.
7. In the event of any application being favorably considered, the Executive Committee, or its sub-committee, shall determine, in each case, the amount of the grant, which shall be made for a single year only, but may, at the option of the Committee, be continued for one or more years, but not after the recipient shall have reached the age of eighteen years.
8. A Secretary of the Fund shall be appointed by the Executive Committee, and he shall conduct all correspondence, and perform such other duties in connection therewith, as the Executive Committee or its sub-committee may direct.
9. The above rules may be altered only by the General Committee of THE DIOCESAN CHURCH SOCIETY, after a year's notice of the proposed change.

RESOLUTIONS OF THE GENERAL COMMITTEE.

APPLICATION FOR GRANTS.

That in future, no application for grants shall be considered which is not made on the first day of the meeting of the General Committee, or previously.

ABSENCE OF MISSIONARY.

That when a Missionary is absent from his Mission on account of ill health, with leave from the Lord Bishop, his Lordship be authorized in his discretion to pay to him the whole or any part of the sum granted for such Mission.

YEARLY GRANTS.

That all grants by this Committee, for Missionary salaries, and all sums placed at the disposal of the Lord Bishop, shall be for the service of the fiscal year in which the grants are made, and shall expire with it.

VOUCHERS.

That all Vouchers for the payment of any sum of money, whatever, must bear on the face of them the authority under which they are paid, and the period for which they are claimed, together with the services performed.

CONDITIONS OF GRANTS.

Whereas, The Grants made by THE DIOCESAN CHURCH SOCIETY from its annual income (exclusive of the grants received from the Society for the Propagation of the Gospel), are made in aid of local contributions for the support of the several Missions.

Therefore Resolved, That, in future, grants from this Committee will be made mainly with reference to the ability of the members of the Church in the several Parishes to support their own Clergymen—the amount of local contributions for Church objects in such Parishes, and the sum paid in aid of the general objects of the Society.

BEQUESTS TO BE FUNDED.

That all bequests made to the Society be funded, as heretofore, and the interest only applied to the general or special purposes for which they are bequeathed.

RETURNS FROM PARISHES AND MISSIONS.

Whereas, In consequence of the limited means at the disposal of the Society, and the great necessity for new and extended work, it has become of great consequence that all local glebes, and other endowments of Parishes should be fully utilized.

Therefore Resolved,—1. That the Board of Home Missions be authorized to require from the Church Wardens of every Parish or Mission receiving aid from the Society, full details of all such glebes, church lands, and other investments, yearly or oftener, as they shall see fit.

2. That if it shall appear that any part of the income from the glebes or investments held for the Rector's use, is taken to make up the sum required by the Society from the Mission, the Board may forthwith increase the amount required in proportion thereto; and in case of neglect on the part of the Rector or Church Wardens to collect the interests or rents, the Board be authorized to enquire into the matter, and, if there be sufficient cause, suspend the grant to the Mission until the management be made satisfactory to the Board of Home Missions.

CONTRIBUTIONS—HOW CHARGEABLE.

That the Secretary of THE DIOCESAN CHURCH SOCIETY be requested to furnish the Treasurer with a minute of contributions, reported from every Parish or Mission, specifying the amounts payable to general and special funds, that the amounts so returned be charged by the Treasurer to each Parish or Mission in a book to be kept for the purpose, and that a detailed statement of all contributions then remaining unpaid be rendered by the Treasurer to the Executive Committee, for their action in the matter, at the October meeting, and each meeting thereafter, so long as any amount shall continue in arrear.

SECRETARIES OF LOCAL COMMITTEES.

That every Missionary be requested to furnish annually, to the Treasurer of THE DIOCESAN CHURCH SOCIETY the name of the Secretary of each Local Committee.

CERTIFICATES OF LAY DELEGATES.

That the certificates of the Lay Delegates be sent to the Secretary at least ten days before the meeting of the General Committee, to enable him to report to the meeting at its opening the names of those qualified, and that his report shall be accepted as *prima facie* evidence of qualification.

PRINTING OF RULES AND REGULATIONS.

That all Rules and Regulations made by the General Committee be printed in the Annual Report.

MISSIONS BECOMING VACANT.

That when any Mission now receiving aid from the Society shall become vacant, the grant from the Society shall therefrom cease, and

shall only be renewed upon application to the General Committee, or to the Board of Home Missions, and upon such terms as to assessment and grant as they either of them, shall consider equitable.

AID TO LOCAL ENDOWMENTS.

Whereas, It is desirable that this Society should encourage the formation of moderate endowments to take the place of grants now made to Missions throughout the Diocese, which grants must of necessity be rapidly reduced, and in many cases completely withdrawn before very long:

Therefore resolved, That if at any time within the next three years any Mission receiving a grant from this Society shall raise an endowment of not less than Three Thousand Dollars, and shall pay the same to the Treasurer of this Society, in trust, for the payment of the stipend of the Missionary, the Board of Home Missions shall be authorized to order the Treasurer to pay into such Trust Fund, out of the Capital Funds of the Society, not specially appropriated, a sum equal to double the grant that such Mission may be receiving from the Society at the time such endowment is completed; and thereupon all grants, in aid of such Missions, shall be withdrawn and shall not afterwards be renewed.

PROVISION FOR THE RETURN OF SUCH ADVANCES.

And further resolved, That in order to provide for the return to the Capital Funds of the Society of monies so paid, the Treasurer shall reserve and set aside out of the income of the Society each year, for four years after such payment has been made, one-half the amount of the grant that such Mission was receiving at the time the endowment was completed, and shall re-invest the same as part of the Capital of the Society.

PROVISION AS TO THE TOTAL AMOUNT OF SUCH ADVANCES.

And further resolved, That the payments made under this resolution out of the Capital Funds of the Society shall not exceed Two Thousand Dollars, until further authority shall be given by the General Committee.

RESOLUTIONS PASSED JULY, 1884.

I.

Whereas, It is necessary that an increase be made in all the assessments in order to meet the withdrawal of aid heretofore received from S. P. G.; and

Whereas, It is desirable that such increase be made gradually each year, rather than in large sums at longer intervals; and

Whereas, There are many inequalities in the present Schedule that should be removed; therefore

Resolved, That the Board of Home Missions be directed during the ensuing year to revise the whole Schedule, and in doing so to arrange

for an annual increase of \$500 at least in the total assessment, and a corresponding reduction in the grants from the D. C. S., and submit such revised Schedule to the General Committee next July; and further

Resolved, That the Treasurer be directed to carry the sum saved by such reduction of grants into a Reserve Fund, until the reduction in the S. P. G. Grant makes it necessary to use the same.

II.

TRAVELLING OUTFIT.

Resolved, It is very desirable that some provision should be made whereby men commencing work in this Diocese may be enabled to purchase the requisite travelling outfit without becoming involved in debt for the same; therefore

Resolved, That when a man commences work in this Diocese in a Parish or Mission receiving a grant from the D. C. S., a sum not exceeding \$250 may be advanced to him for the purchase of the necessary travelling outfit, upon the following conditions:

1st. That he undertakes to serve at least three years in a Parish or Mission receiving a grant from the Society.

2nd. That during these three years his stipend shall not exceed \$700, out of which the Treasurer of the Society shall be authorized to retain \$25 per quarter till the sum advanced be repaid.

3rd. That in case, for any reason, he ceases to do such work before the expiration of the three years, he shall refund such part of the grant as may still be unpaid.

III.

Resolved, That the statement made by the Board of Home Missions to the S. P. G. be printed in the Annual Report of the Society.

RESOLUTIONS ADOPTED BY THE GENERAL COMMITTEE, JULY, 1885.

I.

Whereas, The S. P. G. has informed the Lord Bishop that they will be compelled to reduce the grant to this Diocese—\$1,700 for the year 1886, and

Whereas, This Committee believes it would be undesirable to call upon the aided Missions to make up this sum at once; therefore

Resolved, That the plan for the gradual reduction of grants which was agreed to last year be adhered to; and further

Resolved, That whatever amount may be required during the next three years be advanced out of the balance on hand, upon the understanding that there shall be a yearly reduction of at least \$450 in the grants made by the Society, till such advance is re-paid.

Whereas, The S. P. C. K. is constantly receiving applications for aid towards new Churches in this Diocese, and invariably responds to such appeals when indorsed by the Lord Bishop, and

Whereas, Ten Parsonages have received a grant of \$100 each, through the Board of Home Missions; therefore

Resolved, For the protection of Church properties, that in the future no grant shall be made to any Mission not insuring such properties against fire to the satisfaction of the Board of Home Missions; and further

Resolved, That the Board of Home Missions be authorized to require, in the yearly returns provided in Section 5 of the Rules and Regulations of the General Committee, a return of the amount of insurance on the Church or Churches, Parsonage and school buildings, if any, in the Mission; and also

Resolved, That the Board of Home Missions be requested to undertake the carrying out of these resolutions.

RESOLUTIONS OF THE EXECUTIVE COMMITTEE.

GLEBE LAND COMMITTEE.

A Committee shall be appointed to be called "The Glebe Land Committee," with full and absolute power and authority to demise and lease, at public auction or by private agreement, for any term or terms of years, with or without covenants for renewal, and upon such other covenants and conditions as may be deemed advisable; and to sell at public auction or by private sale and convey in fee simple, subject to such limitations, conditions and restrictions as may be deemed advisable by the Glebe Land Committee, all and every or any, the lands, tenements and hereditaments vested in the Society under Chapter 76, 34th Victoria, or any part thereof, not heretofore conveyed by this Society; and for such purposes to advertise in any manner the said lands, or any part thereof, for sale or to lease, and also to cause all or any leases, conveyances or deeds to be prepared, and to cause and direct the Seal of the Society to be affixed to the same; also to receive the proceeds of all or any sales so made; all things to be done under this resolution, however, to be in accordance with the terms, conditions, provisions, and stipulations of 48th Victoria, Chapter 36, ss. 50, 51, 52, 53, 54; and all proceeds of all or any sales and rents of lands leased under this resolution, to be handed over or paid to, and received by, the Treasurer of this Society for the time being, to and for the uses, trusts and purposes set forth in the last mentioned Act.

LISTS OF SUBSCRIBERS.

That the Committee on printing be requested, in publishing subscription lists in the Annual Report, to include those only which contain the names of subscribers to the Society, and that the Clergy be requested to forward only such lists for publication in the Report.

REPORT.

1886.

Half a century has now passed since the origin of this Society. It is a period which will be strikingly marked in the history of the Church by revival and extension. Compare the Church in this Diocese with what it was fifty years ago. The blessing of God must be admitted and confessed. Apart from what has been done by this Society, the Divine blessing has in many other ways been clearly manifested. But how would it have been had no such institution been formed? The Church in this Diocese is largely indebted to the foresight and wisdom which guided the counsels of prominent Churchmen in this Province at the time referred to. Missions then,—now, in many instances, large—self-supporting parishes, depended solely upon the aid supplied so generously by the Society in England. To a very large extent this support has now been withdrawn.

In the meantime, the number of Parishes and Missions has more than doubled. This increase has been greater in the case of Churches and Parsonages. All this would not have been but for the work of this Society. Few instances exist in the Diocese in which Missions have not received aid from this Society, and the chief means of their maintenance.

At this marked period the members of the Church may well turn to the annual reports, and call to mind the apparent

result of the work of fifty years. They will observe a large sum yearly expended in providing for the varied ministrations of the Church;—a fund to a considerable amount arising, for the most part from bequests, by way of endowment for all future time; generous provision secured for the Widows and Orphans of the Clergy; a fund, increasing indeed too slowly, in aid of Missionaries incapacitated by age or infirmity, and another of which, the like may be said, by which assistance is afforded to those who are in preparation for the work of the ministry. Much benefit also has arisen to the Church from the Book Depositories, through which Prayer Books and other books of devotion, and which are needed in Sunday Schools, are yearly and increasingly distributed.

In the work of the Society the Lay members of the Church have always taken a prominent part, acting most kindly with the Clergy. By this combined counsel, which has, in every instance, secured the concurrence and sanction of the Lord Bishop, careful attention is given in the disposal of the funds, and measures often taken for the benefit of the several Missions. The Society has gained the confidence of the members of the Church in the Diocese, and stands ready now to carry out, more fully than ever before, those objects which appeal for general support.

During the past year, from various causes, several important Missions have, for a time, been vacant. They are now, in most instances, filled, and before long, it is believed, that all those posts, for which grants are made, will be supplied.

The Treasurer's account will show an increase in the contributions of the past year. If this increase only goes on, those prospective Missions, where spiritual destitution appeals so earnestly for help, will not be left as they now are much longer.

The attention of the Society is especially called to the Report of the Board of Home Missions. In its frequent meetings, the greatest attention is given by the Board to the

Missions in connection with the Society. Every means in their power is taken to afford assistance and advice to the Clergy and their Parishioners. This, it should be remembered, can only be acted upon on the conditions expressed in the Constitution, or by the General Committee. The comparative statement attached to the report is most encouraging. It exhibits considerable increase in the following particulars: Annual contributions; the amount provided by way of local support; offerings for all Church purposes; and best of all, a large increase in the number of Communicants in the Diocese during the past year.

May additional causes for thanksgiving to Almighty God be afforded from the following reports, referring to the work of the current year!

ALBERT—REV. A. J. CRESSWELL.

Of the Church work in this Mission there is nothing special to mention. Without ostentation has the work proceeded. There have been no accessions to the Church from other denominations, yet the Missionary in charge feels that there exists considerable sympathy with the Church, and that time alone will help the work.

The services have been kept up regularly. I have Divine service alternately at Hillsboro', Hopewell Hill and Riverside. Now, the cold weather has gone, monthly services are also held at New Ireland and Harvey. Through the summer I hope to visit occasionally and have services for the few Church people in Mechanic Settlement and the Cape.

Of the services generally I am thankful to say that they are entered into more heartily than heretofore.

At Hopewell Hill and Hillsboro' I endeavor to have fortnightly celebrations of the Holy Eucharist, but I am sorry to add that at the latter place Communicants often forget the importance of this highest spiritual privilege. However, we hope for better things.

At Hillsboro' the faithfulness of the Church people and

their regular attendance at the services have been most marked. On the festivals of Christmas and Easter Day the heartiness of the services being very refreshing. The small Hall was nicely decorated, and the Blessed Sacrament celebrated at both services. The ladies, with their wonted energy, made two pretty Easter banneretts; the Offertory on that day being divided between the D. C. S. and the Church Building Fund.

I sincerely trust that if spared next year, I may be able to report the near completion of our new Church.

During my year's residence in Hillsboro' a weekly Bible Class and singing practice were held at my boarding house.

This spring a young lady has opened a Sunday-school, where the few children belonging to the Church may be definitely taught. I am very thankful for this helper.

The attendance at the services at Hopewell Hill Church are much the same. In the morning only our own members come, but in the evening the congregation is good. Here the Church is situated among a non-Church population, and the evening service attracts quite a number of people. The want of a Sunday-school and a suitable teacher is needed here. A lady, now residing in St. John, and to whose connection with a family living here, I personally owe much, while visiting in the County last summer regularly taught a class every Sunday in the Church. Another need is a new organ, and for this efforts will be made this year.

Riverside, the third place regular services have been conducted, has, since June 1st, 1886, become the home of the Missionary. The Rectory has been insured for three years, but the debt of \$200 weighs upon us. However, in this we look to help from the D. C. S., and the help from the Society we hope may reduce the debt to \$100. Before this Report is read I hope that I may have started a Sunday-school, and we also have the promise of a choir. I must here state that many kindnesses, both from my own flock and others, have been shown me in a practical manner on my removal to the Rectory. I mentioned New Ireland. During the past winter I was precluded from service in the Church, there being no stove, but I have managed to have a monthly service, together with a Sunday-school for all who can attend.

Harvey presents a sad spectacle as regards a Church building. The condition of the present building is too bad for

service. Service once a month has been held in a Methodist Meeting House.

On July 8th, 1885, the Bishop Coadjutor confirmed ten candidates, and I am hoping in the autumn to have some few prepared for that sacred rite.

One thing I must touch on ere I close my report. It is our annual subscriptions to the D. C. S. These will, I fear, be much less than last year, and the causes are quite reasonable. The purchase of the Rectory at the lower end of the County (which includes the Cape, Hopewell Hill, Riverside and Harvey), together with the assessment, is just as much as the people can afford, while in Hillsboro' the people are doing all they can for a new Church, and paying their assessment. It is, under these circumstances, difficult this year to keep up with last year and the year previous in subscriptions towards the Society, and on paper it tends to give an impression that the Mission is falling behind. I can assure the Society that such is not the case. Another fact I would impress upon the Society is, that the required assessment falls really upon a comparatively small number, notwithstanding the dubious statements of the census enumerator. Quite \$30 a year comes from the pockets of other than Church people, and my stipend in consequence has been twice behind. To add to this I have to mention the departure of two church families from the County.

The Ascensiontide appeal for Foreign and Domestic Missions realized \$3.10, and later on the subscription to the D. C. S. will be forwarded.

BATHURST—REV. G. D. PETERS.

BAY DU VIN—REV. W. J. WILKINSON.

I am glad to be able to report that each year there has been an increased average attendance at the Sunday services and at the Holy Communion. The amount of money raised in the

Parish for religious purposes is also larger than any other year. Towards the end of last August the Most Rev. the Metropolitan visited the Parish and confirmed a class of thirteen persons, two of the Candidates being not far from three score and ten. The increase in the number of Communicants is mainly due to the addition of those who had been confirmed some time ago, but as many of the newly confirmed live a long distance from the Church, they are prevented from often receiving this means of grace. Almost all, however, communicated upon the day of their confirmation.

Last summer two new gates were placed at the entrance of the graveyard. A debt of \$150 was paid off on the Rectory. A very convenient and suitable barn was built at a cost of \$150. The Church buildings have been insured for \$3,000 for three years. The Rectory is now being painted outside at a cost of \$120, and tenders have been asked for putting the Church in thorough repair.

We cannot be too grateful to those kind persons in Fredericton, St. John and elsewhere, who, at the solicitation of Mr. T. H. Williston, very generously contributed between \$70 and \$80 towards helping us defray expenses incurred during the year.

Last year I promised to send not less than \$35 towards the general purposes of the Society. I am glad to say, however, that upon making a canvass of the Parish I sent the Treasurer upwards of \$50, and, although the times are not as good as last year, I anticipate no falling off. I have made a canvass of about two-thirds of the Parish with the result of subscriptions to the amount of \$30, \$17 of which have been paid. I have not yet collected from the fishermen on the islands, as they will have no money for a month or two yet, so I have deferred my visit till later in the season, when I am also in hopes that the mosquitoes, which abound in that vicinity, will be somewhat less vicious.

I must, in conclusion, bear testimony to the continued kindness and consideration of the Parishioners to myself and family, for which we feel very grateful.

BURTON—REV. W. GREER

Reports contributions for the W. & O. Fund, \$1. General purposes, \$49.87. Total, \$50.87.

I enclose you the names of the subscribers to the D. C. S., and regret to say that the amount collected this year falls far short of last year, owing to circumstances which your Board no doubt will quite understand, and upon which I myself prefer to remain silent. The amount collected for this year, inclusive of the D. C. S. Offertories, is \$50.87.

During the past year the services of the Church have been regularly conducted at the four points in the Mission where services are held. The violent snow storms of the past winter, however, prevented me getting to the Rusiagornish Church on two or three occasions, as the road to that place was completely blocked up.

During the last year and a half there have been eighteen baptisms, two of which were adults. Also twelve burials, and three marriages.

I hope to be able to present a class of thirteen for the sacred rite of Confirmation in the autumn.

CAMBRIDGE—REV. C. H. HATHEWAY.

I had hoped, in sending my report to the Society this year, to say that we had commenced work on our new stone Church; but, owing to sickness and other various causes, we feel compelled to postpone building until next spring. This does not mean that we will be idle until then, but rather make more extensive preparations, so that when we do commence, we may go on without delay.

At present we have about \$600 in the Savings Bank, and 120 loads of stone on the grounds, besides some timbers ready to be sawed. The S. P. C. K. have promised us a grant of £25, and with a little more help from kind friends, we hope by this time next year to be well under way with our labor of love.

All praise is due to the good people of Jemseg for their interest and loyalty which they have shown in this good work.

The old Church at Jamys Cove is in much need of extensive repairs, and we hope to do something this summer or fall towards this end. We have nearly \$100 deposited in the Savings Bank. The new organ in this Church is now paid for, and quite an interest is being awakened in the musical part of the service. The energetic people of St. John's

Church are not satisfied with repairing and beautifying their Church, but have made a bold push for an organ and a bell, both of which we hope to obtain, and will be thankful for any assistance from friends outside the Parish. So much for the exterior work, which, I can safely say, is prospering in my short ministry in this large Mission. O! that I could hope the spiritual work is just as evident, and "many tabernacles made meet for the indwelling presence of the Holy Spirit." One thing I might mention was especially pleasing to me. I held the first celebration of the "Holy Communion" in the Parish of Chipman, thirty miles distant, that is on record, and ten received the "Spiritual Food" of the "Body and Blood of Christ," seven of whom were those lately confirmed by his Lordship the Bishop Coadjutor.

I now come to money matters, and this is not so pleasing. The subscriptions of last year to the D. C. S. were a little more than the previous year, but the assessment was the bug-bear. An increase of \$40 on a poor country Mission is no light matter, and I need scarcely report that it has not been made up as yet, and if an additional sum is placed upon us this year, I am afraid we will be in the back of the Society's books.

The services in three Churches and four Stations were well attended, and this fall we hope to welcome Bishop Kingdon in our midst for another Confirmation.

Reports contributions to the amount of \$30.

CHATHAM—REV. D. FORSYTH.

I am thankful to say that the year which has passed since my last report to the General Committee has not been without signs of the good hand of God upon us. We have not been engaged with any extensive or unusual undertakings in the form of Church work. But although the year has been rather one of "daily rounds" and common tasks, it has, I trust, truly taught us useful lessons in self-denial, and furnished means of drawing nearer God.

The first portion of the year was occupied in part with the preparation of a class of twenty-seven candidates for Confirmation, and that sacred rite was administered by the Most Reverend the Metropolitan in St. Mary's Chapel, on Sunday, August 23rd. In connection with his Lordship's visit a *conversazione* was held at the Rectory, where a large number of Parishioners met to do honor to our venerable Diocesan and to rejoice in his presence.

The meetings of St. Mary's Parochial Guild have been suspended, but I am glad to report that the career of the Juvenile Guild has been more successful. The first anniversary of this organization was celebrated on November 16th, 1885, on which occasion evening prayer was said in St. Mary's Chapel, and the members of the Guild were eloquently addressed by the Rev. F. R. Murray, Rector of St. Luke's, Halifax, N. S. After the service a Social Festival was held in the Sunday-school room, which pleased the children well.

The Young Women's Guild has abounded in good works during the past year. Besides charitable aid to the needy, a handsome prayer-desk and lectern, costing \$40, were provided for St. Mary's Chapel at Christmas, and at Easter an excellent altar in ash and walnut, costing \$60, was added to the furniture of the Sanctuary. \$15 have also been supplied by the same organization towards the improvement in progress in St. Paul's Churchyard, and the Restoration Fund of the Guild has been further increased. Our "Parochial Missionary Association," or "Mite" Society, continues its good work in distributing good reading and collecting "mites" to pay for periodicals and for other useful objects. About \$45 were collected during the year ending January 1st, 1886.

St. Mary's Sunday-school has been continued as usual, and I hope before long to establish a school at St. Paul's and also in Douglasfield.

During the present summer St. Paul's Churchyard and burial ground have been very much improved in appearance, the walks having been laid out anew, neglected graves taken care of, and the fencing repaired. Within another year it is hoped that the long-neglected resting-place of the dead will show all signs of becoming Christian attention and faith.

I am unable now to say what will be the amount contributed from this Parish to the General Fund of the Diocesan Church Society, because the collections are not yet completed. Owing to the unprecedented hardness of the times, in consequence of the stagnation in the lumber trade, it has never been found more difficult for many to contribute as early in the summer as before July 1st, and I have found it needful to extend the time of payment to avoid a great falling off in contributions. I hope that before the date fixed for the publication of the Report, contributions may be secured to nearly the amount reported last year. There is a laudable desire to do the best that is possible for the Society, and any decrease in the amount collected will not be attributed to any lack of interest, when it is remembered that, notwithstanding the hard times and the shortcomings of such as may not have done their duty, the maintenance of the services in our Parish has been provided for without external aid, the local improvements before referred to have been made, and over \$300 additional contributed for Missionary and other special objects, and chiefly in the Scriptural manner of free-will offerings at the public services.

During the year, in addition to Bible Classes and special Lenten and Advent services and instructions, the public prayers of the Church have been offered up with little interruption every morning and evening, and so I trust that our work has been blessed and sanctified by prayer and the ministry of the Word, and has not been without results good and acceptable to Almighty God.

DERBY—REV. A. F. HILTZ.

The work of the Church in this Mission during the past year has been carried on with the usual degree of activity. We cannot chronicle much progress in the external work of the Church; but such as it is, it aims at placing its property in a thoroughly good and efficient state. By a series of entertainments, the last of which was a concert kindly given

for our benefit by the choir of St. Mary's, Chatham, we have raised the sum of \$240, to which must be added \$60 raised by subscription, with which we propose to place a thoroughly secure foundation under the Parish Church, place a stained glass window in the chancel in memory of the late Rev. As. Hudson, and undertake such other repairs as the state of our finances will permit. This work is now in progress, and we hope to complete it before long.

In Blackville, by a service of sacred song rendered by the Derby choir, and at which the offertory amounted to upwards of \$10, as well as by private subscriptions, sufficient money has been realized to pay off the debt remaining against the organ.

In Nelson, our congregation, steadily growing for some years past, has become too large for the small building in which we meet, which was never a very commodious one. This fact, added to its present dilapidated condition, renders it necessary that a Church should be built in this section of the country, if the work of the Church is to continue. Steps have accordingly been taken to supply this want. A Building Committee has been appointed, and a subscription list is now being circulated among the inhabitants of the place. I had hoped that it would have been filled up by this time, but the dullness of the times and the scarcity of money have made people backward in contributing, and it has been thought advisable to wait a little, until the mills in that section begin running. His Lordship, the Metropolitan, with his usual generosity, has offered \$25, to be paid when work begins upon the Church, and it is hoped that others outside the Parish will be equally liberal.

It becomes now my duty to lay before this Society an account of the extent of this Mission, and of the work being done for the spiritual welfare of the members of the Church within its limits. It consists of three important Parishes comprising in the aggregate 588 square miles, and containing 497 souls belonging to the Church. In Derby there are 108 members of the Church located as follows: Millerton and vicinity, 42; Lower Derby, 4 miles distant, 40; and Indiantown, 7 miles distant, 28. In Nelson there are 91 members, of whom 50 are in Lower Nelson, distant $6\frac{1}{2}$ miles from my residence, and 41 in Upper Nelson, immediately across the river from Derby, some of whom attend the Parish Church of Derby, and others my services in Indiantown. In Blackville

there are 298 members distributed as follows: Blackville proper, distant from Derby 15 miles, 107 members; The Rapids, 129 members, distant from Blackville Church 4 miles; Cain's River, 27 members, distant 12 miles; Lockstead, 14 members, distant 6 miles, and Renou's River, 24 members, distant 9 miles from Blackville Church and 13 miles from Derby.

Now, if we are to retain our hold on this scattered population, more frequent services must be given to them than what they now receive. I can do no more than I am doing. I travel on the average thirty miles every Sunday, and conduct other services. This includes travelling on foot more than a mile every Sunday, and crossing the river in a canoe on two Sundays out of four, and a railway bridge more than a quarter of a mile long on the other two, after nighfall, except when the river is frozen over. I do not mention this on account of the additional fatigue which it entails, although that is something, but on account of the delay which is thereby occasioned in meeting my appointments.

By such work as this I am only able to give fortnightly services at my various Churches and Stations, except the Parish Church in Derby, which receives a service once every Sunday. And there are yet left out Lower Derby, Renou's River, Lockstead and Cain's River, in all of which there are families of Church members who do not attend the services of the Church at any of my Stations. To say that they ought to go will not remedy the matter. People will not walk now, as they used to do, four miles to Church; and if they won't come to the Clergyman, the Clergyman must go to them. I visit these scattered families as often as I can during the year; assemble as many of them as I can induce to leave their work, and hold a service among them in some private house. But it must be apparent to all who rightly consider this matter that these occasional visits at distant intervals will not supply the place of the due ministrations of the Church. They cannot prevent our people from being absorbed by other bodies of Christians who exceed us in numbers and influence; nor can they—which is infinitely more deplorable—stem the tide of godlessness and infidelity, which assails us on every hand.

Were I now to ask that this field of labor be divided, and the half of it given to another minister, I would only be asking what is reasonable and just. But considering the many claims.

that press heavily upon the funds of this Society, already far too greatly burdened, I would respectfully suggest that a Clergyman be placed on the Upper Miramichi to divide his time between Blackville and Ludlow. I do not propose this for the purpose of easing my own burdens. I should perform just as much, if this recommendation were carried out, as I do now. But such help would supply what now is lacking, and what must remain lacking under the present system, viz. : a weekly service at Nelson, a fortnightly service at Ludlow, occasional Sunday services in isolated districts, and more thorough visiting in Blackville than it now receives. No doubt the time is not far distant when Blackville will have to be set apart as a separate Parish and Mission, for there is plenty of work there for one man to do, if it is well done, and quite enough in the Parishes of Derby and Nelson for another. But the plan which I have suggested will meet our present exigencies, and prepare the way for what must shortly become inevitable. Other plans might be proposed, but as they are, in my opinion, inferior to the one which I have here stated, and as this is no place to discuss them, I forbear making further allusion to them.

I am sorry to say that, on account of the closing of our industries and the great depression in another, our collectors for your Society have not yet reported. I hope, however, by the time that we are expected to hand in the lists, I will be able to report a sum nearly equal to that of last year.

DORCHESTER—REV. J. ROY CAMPBELL.

In reporting from this Parish, I regret to say that, by reason of circumstances, several life-long, warm friends and supporters of the Society are, for the present, unable to do more than to continue their good will, and wait for the dawn of a brighter day.

At the same time, I am glad to be able to report, what I look upon as a virtual increase, the sum of \$167.60 towards the general purposes of the Society.

DOUGLAS AND BRIGHT, WITH QUEENSBURY AND
SOUTHAMPTON—REV. W. LEB. MCKIEL.

In making my report this year, about this cumbrous arrangement, the first thing to note is that the whole of the four Parishes are now under my charge. The Rector of St. Mary's gave up the charge of the lower part of Douglas about a year ago, having sufficient work in his own Parish. This made additional work for me, and involved a change in my order of services. The first Sunday of every month is spent in Southampton and Queensbury at Temperance Vale, Millville and Lower Caverhill. The rest of the month I am in Douglas and Bright as follows: Second Sunday, Nashwaaksis, Keswick Ridge and Upper Keswick. Third Sunday, Upper Keswick, Keswick Ridge and Central Douglas. Fourth Sunday, Zealand, Upper Keswick and Nashwaaksis, and when there is a fifth Sunday the morning service is at Keswick Ridge, and the other two services wherever most needed. There is a weekly celebration of the Lord's Supper. The Church people in Southampton and Queensbury are constantly asking: When are we going to have a resident Clergyman? The young people are especially eager, and I greatly fear the day will come when they will grow indifferent, like some of the older ones, if their appeal to the D. C. S. for help is indifferently postponed.

I hope that a grant will be made this year to Southampton and Queensbury, for if we fail to occupy the ground, we may lose it altogether. Other bodies are alive to the work, and the country is swarming with those who teach false doctrines and schisms contrary to the doctrine of Christ. Baptists of various names and shades of disbelief, Oserites, Holiness Bands, Salvation Army and Perfectionists, are all working on this ground with a zeal worthy of a better cause, and God's Church, to hold her own, and care for the sheep scattered in the wilderness, must do more work. Thank God, we have lost none, but a watchful care has been needed, and the word of warning and exhortation to stand firm in the faith has not been uttered in vain. A resident Clergyman in Southampton is an imperative want, and if the Church neglects to supply the want, she will rue it hereafter, when the sheep, long weary for the shepherd's care, have strayed away into other folds.

A Confirmation was held in the Mission last autumn by the Coadjutor Bishop. At Millville, in Southampton, on the N. B. Railroad, there were twenty-one confirmed. This was the first Confirmation ever held in Southampton. Candidates from Southampton had always up to this time been confirmed at one of the Churches in Queensbury. At St. Paul's Church, in the Parish of Bright, there were sixteen confirmed the next day, and one confirmed previously in the Cathedral at Fredericton made a total of thirty-eight confirmed.

In the statistical report at the end of December it will be seen that fourteen were added to the list of Communicants, and since then five more of those who were confirmed at Millville have made their first Communion.

In the statistical report it will be also seen that during the year ending December 31st I baptized fifty-one, of whom seven were adults who had grown up under Anabaptist teaching or influence. The report shows that the larger portion of these baptized were in Douglas and Bright, where the most of my work is done.

I have opened a new station in Central Douglas in a hall, where there is a large congregation; most of whom, especially the young, are eager to receive Church teaching.

Here a Church building is very much needed. I have appointed a building committee. A piece of land has been purchased, and as soon as suitable plans can be procured, we will begin the building. A subscription list has been opened in the district, and so far we have good encouragement. A special meeting of the Vestry was called for the 25th of last March, at which meeting it was unanimously resolved to tear down the old Parish Church near the mouth of the Keswick, and hand over all the material in it to the building committee of the new Church. This has since been done with the approval and sanction of the Bishop of the Diocese. The old building was condemned by the unanimous vote of the Vestry in the year 1869 as being no longer fit to hold service in.

The new Church will take the place of the old one, and will be the Parish Church.

Among the improvements in the Church fabric during the year I may mention the gift from Mrs. Medley of a handsome pulpit banner to St. John's Church, Nashwaaksis. At St. Paul's Church, Upper Keswick, the people have built a very strong and substantial board fence, which encloses the burying-ground and the Church. The fence, which is all paid for, cost

about \$125. At Easter the Vestry appointed a committee of three—Henry Burt, Elisha Morehouse and Thomas Morehouse—to undertake and carry out this work, and they did their duty well. Among the contemplated improvements during the next year are the painting of the exterior of the Church, and the improvement of the spire by putting a cross at the top of it in place of the nondescript ornament there at present.

It is with pleasure that I can say that in Douglas and Bright my salary has been paid in full, and in addition the people in the district, where we are going to build the new Church, gave me last Christmas a very handsome seal-skin coat, and they now, with the help of the people in the rest of the Mission, propose to raise a fund to get me a new horse to help little Dolly, who, like her master, has never been lame, sick, or unfit for duty for the last eleven years. Contributions in Douglas and Bright, \$30.

FAIRVILLE—REV. J. C. TITCOMBE.

In September last I was appointed by the Metropolitan to the Mission of Fairville, and took charge under his direction from Mr. Hurd Peters on the 1st of October, but owing to the fact that I was somewhat broken down by over-work and want of rest, the Metropolitan kindly allowed me take a few days' rest. I, however, took up my residence in Fairville the last week of October, and arranged the services, etc., for the opening of the building on All Saints' Day. We then, for the first time, used the new building, which, although not yet consecrated, is licensed by the Metropolitan for Divine Worship. The opening service was followed by a series of services, with special preachers, during the week. Since my advent to the Mission, a great deal of work has been done on the Church and grounds. These have been nicely laid out; the walks have been gravelled, a new fence built, and accommodation for horses erected. The people seem to have taken a new lease, and made a fresh start. The services have been, and still are, largely attended, the spiritual life and interest in everything seems deeper, the Communicants' roll of those in good standing, notwithstanding the frequent celebrations, has been doubled, between eighty and ninety now regularly and frequently attend the Holy Feast. Great credit is due to

the men for the way in which they now come to the front and work for their Church. Many evenings have they come and freely given of their time. Their enthusiasm seems unabated. They still attend and work well.

On Ember Sunday, May 31st, the Bishop Coadjutor administered the holy rite of Confirmation in the Church. Fourteen candidates were confirmed in the presence of a congregation of over 400 people. The whole service was very solemn and impressive, and at the close more names were handed in as Catechumens for preparation. We have a large and increasing Bible Class, between forty and fifty are enrolled, and all seem anxious for information and instruction. Our Sunday-school is also in good working order, with a full staff of Teachers and three Substitutes.

Our week-day services are largely attended, and the interest is well kept up. On the whole, I think I may safely say there are many signs in this Mission which shew that the D. C. S. were justified, and did well in making Fairville into a separate Mission, and I think others who have watched its career during the last six months will bear me out when I say that, with a little fostering care, the Church has a glorious future in store there.

Of course, we have our share, and a full share, of discomfords and trials, the principal, of course, being the well known cry, "Scarcity of money." We have at times a difficulty in raising the assessment, owing to the fact that, although willing, they are unable at times, the majority of our people being dependent upon the mills for support, which, during the winter, are shut down; but they have done wonders, thereby shewing that great self-denial has been practiced by them in order to have the services of the Church, to support a Pastor, and to build a Church. Of course, all our success and encouragements are not allowed to pass by unattacked. We have had bitter opposition to fight, or, rather, to contend with, besides the usual amount of ignorance and prejudice both within and without. The outside opposition, however, although for a time very bitter and severe, is gradually being overcome by patience and perseverance, and we cannot but thank God and take courage.

This coming Advent the Rev. G. O. Troop and myself intend, D. V., holding a special Mission in order to awaken a still greater and closer interest and to enlarge our borders.

Our people, I am sure, will not forget the debt of gratitude

they owe to the D. C. S., and, notwithstanding the hard times, and the fact that we want all the money we can get, and more besides, I think they will be liberal in their subscriptions to the General Fund of the D. C. S. when next pay-day comes around. Contributions amount to \$22.

FREDERICTON—REV. G. GOODRIDGE ROBERTS.

Collections are not yet quite finished, but I may safely promise that the amount will be as large as last year for the general purposes of the Society, except that one large contribution given last year will now come to the Society in a different form, a capital sum having been paid in, which will produce annually twice the amount then reported. For the Incapacitated Clergy Fund \$220 have been paid this year and \$182 subscribed, which will be collected, making \$402 for this year. This will make more than \$1,700 for purposes of the D. C. S. this year. Besides this a large sum has been raised for the Bishop Medley Scholarship Fund, and by the Women's Mission Aid Society.

GAGETOWN—REV. JAMES NEALES.

We have been going on in our Master's work to the best of our ability during the past year. As to the Spiritual benefit, He only knows Who knoweth all things. We have to fill the water-pots with water, it is for Him to turn it into wine. My son Scovil still gives me his valuable help, by means of which we have two extra Sunday-schools kept in operation, and six additional Sunday services every month, besides the assistance he renders to the Church and Parish. Our Sunday-school house is approaching completion, and we have added fifty dollars' worth of books to our Sunday-school Library through the liberality of the S. P. C. K. doubling the amount of our Parochial subscription of twenty-five dollars contributed for that purpose. The three Sunday-schools have all been maintained in efficiency, though it is only by strenuous efforts that our staff of Teachers is kept up in the face of the continual exodus of our most hopeful young people. Our Church Choir has suffered from the same

cause. We have also sustained a great loss in the departure of our friend and fellow member in Christ, Mr. James W. DeVeber, for many years our faithful Church Warden and Vestry Clerk, who removed with his family to New York early in the spring. We are hoping to have a visit from Bishop Kingdon in a few weeks, to hold a Confirmation here, and are now engaged in preparing candidates for it.

The Collectors of the D. C. S. subscriptions have not yet sent in their returns, and I cannot speak with any certainty of the amount, but trust that it will not be below that of previous years.

GRAND FALLS AND MADAWASKA—REV. W. B. ARMSTRONG.

During the past year the work has been going on regularly in these two Parishes. At Grand Falls we have been steadily progressing. The people generally are getting more accustomed to the Church's ways, and the services being regularly maintained, they look for and appreciate them. The great trouble in the past has been the irregularity of such services. The interest has been aroused for a time, and then allowed to subside. But now, the Church being constantly opened, our services are more thoroughly appreciated, and outsiders learn to like our calm and reverent worship. When I came here, two years ago, there were three of the denominations holding services here. At present there is only one, so that our congregation have decidedly increased. The new organ, purchased last year, and which has always been much admired, has at length been paid for. At Easter the balance due upon it was wiped out. Thus the whole amount has been raised without any of the objectionable accompaniments of *modern* giving; it has been effected wholly by the offertory and private contribution.

We have to thank Mrs. Cameron, of the Cathedral, Fredericton, for a very handsome kneeling cushion for the Communion Rail, which gives the Chancel a more finished appearance. I am now preparing candidates for Confirmation, which the Metropolitan expects to hold here in July.

At Edmundsdton, Madawaska, we had a visit from the Coadjutor Bishop in September last, when eight candidates were

admitted to the rite of Confirmation. The services here have been very hearty and well attended. We have collected over \$80 towards an East window of the Church, which it is intended to place in the new Chancel to be built this autumn. The long-talked-of mill at Edmundston has been at length built, and is now in running order. About sixty-five men are employed, and more are expected, including men with their families. This will give a good deal of employment, and cause a larger circulation of money in the place. Edmundston has responded well to the appeal for the Medley Memorial Fund, having subscribed \$43.10, the two Parishes sending in altogether \$63.10 to this fund.

I have just returned from a trip up to St. Francis, thirty-six miles from Edmundston, or the extreme limit of the river St. John before it emerges into the United States. This is decidedly the most beautiful part of the St. John river, the high wooded hills gradually converging together, and the land is most fertile. There are a number of Protestant families here, and some belonging to our Church. Here I baptized one child, and there are a number of others to be baptized, who could not be got together at such short notice. When a railroad is built up to St. Francis, and mills erected, this will be one of the most prosperous sections of the Province. Subscriptions this year, \$55.

GRAND MANAN—REV. W. S. COVERT.

The Church in the Northern District of Grand Manan, which had been begun several years before, was last year finished and consecrated. The Sunday-schools, containing seventy-five children, seem in a healthy state, and Church-work presents more encouraging features than in previous years. Our collections for Domestic Missions amount to \$8.54, and for Home Missions \$21, but for the last named we intend to contribute something more within a short time.

GREENWICH—REV. D. W. PICKETT.

From 1st July to November 12th in last year the services were kept up in the Parish Church, and at three Stations, with the usual regularity. From November 12th till March

27th I was absent from the Parish, the Metropolitan having kindly granted me three months' leave, and my stay abroad having been prolonged from various causes somewhat beyond that time. The public services and other ministrations were, during my absence, supplied by the Rev. A. H. Weeks, whose kind visits to the sick were much appreciated. On my return to the Parish I found that new windows had been put in Oak Point Church, and that the work on the new Church near Greenwich Hill had so far advanced that we should be able to occupy it in a fortnight. We held our first service there on Palm Sunday, much to the delight of the "Willing Workers," through whose instrumentality the funds for the work had been in great part provided. So much has still to be done to the interior that I do not venture to name a day for its consecration. So far, all has been paid for without any appeal having been made to members of the Church outside of the Parish. The Metropolitan, with his wonted generosity, has kindly given us a suitable Altar and Lectern, and there is still abundant room for others to follow his oft-repeated example, for we are not in a position to decline any offers of assistance towards the fitting and furnishing of the inside of the Church. In addition to the services on Sundays and Holydays, there are now also weekday services at two Stations. Two Sunday-schools are in operation, at both of which I endeavor to be present. I must not omit to mention that the thanks of the Parishioners are due to the Ladies' Church Aid Society, by whose efforts a considerable amount of money is now in hand for further repairs upon the Parish Church.

Contributions to the general purposes of the Society will probably not be more than \$30.

HAMPTON—REV. O. S. NEWNHAM.

From the Parish of Hampton I have to report that the services of the Church have been regularly conducted during the past year. Otherwise there is not much of interest to record.

Last autumn a very successful gathering of the Parishioners was held, when nearly every Church family in the Parish was represented. The day commenced with a celebration of the Holy Communion, at 8 o'clock, followed by full morning

service at 11. The Church at this service was packed to its utmost capacity. During the afternoon addresses were given by the Rev. Canon Walker and the Rector.

His Lordship, the Bishop Coadjutor, visited this Parish on Palm Sunday, and confirmed a class of twenty-three persons, fifteen males and eight females. The oldest candidate was seventy-one years of age, and the youngest fifteen. At three Confirmations in two and one-half years sixty-eight persons have been confirmed. Of course this means a large increase in the number of Communicants, as, with the exception of three, all those confirmed are Communicants. On Easter Sunday 162 persons were communicated.

Hitherto the services at Hampton Village, Hampton Station, and Southtown have been held in public halls, but we hope soon to be able to do better in this respect by having buildings of our own. At Hampton Village a "School Chapel" is being erected; it is already boarded in. At Southtown the deed of a piece of land was presented through the offertory on Easter Sunday by Mr. and Mrs. Ebenezer Smith, and on the 19th of June thirty-five men met together and raised the frame of a building for the use of the Church. We hope to begin a building at an early day at Hampton Station.

I fear these works may interfere somewhat with the subscriptions to your Society, but yet I am led to hope that the amount will not be less than \$100. The Collectors have not yet finished their work.

JOHNSTON—REV. C. P. HANINGTON.

Church work in the Parish of Johnston has been going steadily on since my last report, and the zeal of the Church people seems not to be slackening.

The Bishop Coadjutor was with us in July last, and held two Confirmation services, one in St. Paul's Church, Goshen, and one in the Parish Church. Twenty-one were confirmed at the former service; twenty-nine at the latter, making in all fifty persons confirmed. During the year the number of Communicants has been steadily, though perhaps slowly, increasing.

Besides the regular services, classes of instruction have been held in different corners of the Parish by the incumbent, which have been fairly well attended.

The Church Extension Association, Kilburn, London, have sent us for St. Paul's Church a very valuable and beautiful altar cloth, with altar linen, etc., accompanying. Also, since my last report a small organ has been purchased for that Church.

The Sunday-schools are doing good work, and are well attended. Monthly Children's services are being held at St. John's and St. Paul's, with catechizing instead of sermon. These services are being found very useful, and seem to be much appreciated. Our staff of Teachers is not very large, but is very efficient. Some of them are members of the Kingston Deanery Sunday-school Teachers' Union, which is doing a grand work in the Deanery.

The subscription list towards the funds of the Society is not yet completed, but the Parish will, doubtless, contribute as much as last year—about \$80—towards the general purposes of the Society.

KINGSCLEAR—REV. H. MONTGOMERY.

During the year past the Rectory in this Parish has been completed at a cost of nearly one thousand dollars, one hundred of which amount is still unpaid. We feel deeply grateful to all those who so kindly assisted us in this work, but as there are some of the Parishioners who have as yet done nothing, we trust they will now come forward and help to free the Parish from debt.

The Choral Union Service of the Deanery of Fredericton was held in the Parish Church in February last, and, notwithstanding the very bad condition of the roads, there was a fair attendance, and the service was very bright and hearty. The effect of this service is making itself felt in the improvement of the choir. I have also to report a very sad occurrence which took place in May last. At the burning of a neighbour's house, and while trying to save some grain, one of my most zealous and beloved Parishioners, Wm. Jennings, lost his life. The terrible calamity cast a gloom over the whole place. Everyone knew and felt that in him we had lost an earnest, sincere and active worker for the Church. Everyone had a good word for him. He was a great loss to myself; his kindness and his readiness to help me in the Sunday-school, and in whatever work he was called upon to do, is missed

round here. It will ever be a most comforting and pleasing recollection to think that the last words I spoke to him were those in the administration of the Blessed Sacrament of the Body and Blood of our Lord on the day before he was suddenly called to the blessed rest of Paradise. He left a widow and five small children. For these about \$725 have been collected. \$350 of this amount was given in the Parish, and this partly accounts for my not being able to report the full amount yet collected for the D. C. S., but we hope to give as much as last year.

A class of thirty-three candidates are now being prepared for the sacramental ordinance of Holy Confirmation which, D. V., will be administered by the Most Rev., the Metropolitan, in this Parish on the 11th of July. Four adults are also being prepared for Holy Baptism. There are signs of new life springing up in different parts of the Parish, which are both hopeful and encouraging. To God be given the praise and glory of all that has been done. May He help us to do still more.

The important Parish of Moncton has been without a Rector for two months. On May 1st, the Rev. Arthur Hoadley, for four years Rector of this Parish, was compelled, on account of the very weak state of his health, to resign his cure. I regret to say that recent reports from England speak very unfavorably of his present state. The loss that the Parish has sustained in Mr. Hoadley is very great, and one that is found to be very difficult to replace. His quiet, hopeful, sympathetic spirit struck deeply into the hearts of his people, and more than one or two Parishioners have spoken to me of the marked rise in the spiritual life of the people under his rectorship.

During the last two months, in the which I have been in sole charge, the services at the Parish Church have been regularly maintained, and thanks to the willing labor of our junior Church Warden, Mr. Wran, who holds the Bishop's license as Lay Reader, the services at the Mission Hall have also been kept up, and well attended. Since the last annual meeting of the Society a new work of the Church has been commenced at Painsec Junction, situated about eight miles from Moncton. Here there are at least eight loyal families of the Church, mostly old English settlers, who are longing for Church privileges. They are very anxious to build either a small Mission Hall or a Church. Sites have been offered, and the frame promised by the young men. They are also ready to subscribe some \$40 per annum towards the Missionary Stipend if regular services can be given.

The work of the Church in Moncton has, I know, fallen far short of what was anticipated from the united work of two Clergy. Still there is much to be thankful for, and great reason for encouragement.

The finances of the Church are steadily improving. The chime of bells has been paid for, and the fabric insured for

three years. But, on the other hand, a legion of heavy expenses looms in the near future. The foundation of the Church needs immediate attention, the south side showing signs of considerable sinking. A new roof ought to be fixed before winter, and the whole building well painted on the outside. The walls, indeed, look as if they had never received more than the lick of the first coat of paint with the promise of a second at no distant date. But this has not yet been given. And finally, for the preservation of the health of the new Rector, whoever he may be, and however strong he may be, it is most essential that a decent and wholesome, if not a handsome, new Rectory be built at once. To complete these there must be no small amount of energy and perseverance displayed by the people. But then Moncton is an energetic and persevering town, and the Church portion is assuredly not less so than others.

With the new work opened out at the Mission Hall and at Painsec Junction, it is impossible for one man to do the work of this Mission. I have, therefore, a suggestion to make to the Board, a suggestion which I have little hesitation in making, because I know it is only the echo of the late worthy Rector's. It is that the Board withdraw all their grant towards the Rector's stipend, and make a somewhat more liberal grant towards that of the Assistant. This would, doubtless, guarantee the presence and work of two men in the Mission.

In conclusion, I may mention several points of special interest during the year. On September 6th, 1885, being fourteenth Sunday after Trinity, the Metropolitan administered the holy rite of Confirmation to twenty-seven candidates, four being the first fruits of the work of the Mission Hall. On Septuagesima Sunday, his Lordship, Bishop Kingdon, paid us a visit, and preached morning and evening.

During the year there have been twenty-three baptisms, four marriages and twelve deaths.

Our mixed choir of ladies and gentlemen's voices has given place to an excellent choir consisting of men and boys only. These have not yet been robed with surplices, but there is a very strong feeling in the congregation that this should be done later on. For this great improvement in the services the Parish is largely indebted to the untiring and voluntary labors of Mr. A. Rankin.

twenty-two weeks during the long winter, and was well attended. During the whole of this time Mr. Wran and a most devoted band of young men, viz. : Messrs. Mills, Parsons, J. Wran, Graham, and Browne cheerfully gave up two evenings a week for this work, acts of no small self-denial on their part. I might add that through this last winter we made our Night School self-supporting by having a collection at each opening of the school. This was sufficient to pay for oil, wood, books, slates, etc., and we were thus enabled to make the books, etc., the property of the attendants.

I am sorry to say that we have recently lost our Mission Hall organist, Miss Dunham, who has left the town. I am afraid there will be difficulty in finding help so efficiently and so willingly given by her.

Both the Rector and Curate were the recipients of valuable presents at Xmastide, and on the resignation of the Rector, the Parish gladly subscribed a purse of \$113 as a farewell gift.

MUSQUASH—REV. H. M. SPIKE

† Reports contributions to the amount of \$90. I have nothing of any special importance to write to the Society. The ordinary work of the Parish has been carried on, and a growing interest in the services of the Church is manifest. Our contributions for local Parish purposes have been encouraging. We expect to get between \$80 and \$90 for the Society this summer. The annual contributions to the Society cannot be sent in before August.

NEWCASTLE—REV. J. H. S. SWEET.

As touching most directly upon the spiritual life of the people, the chief event in this Parish since my last report was the visit of the Metropolitan in August for the purpose of administering the holy rite of Confirmation. On this occasion, it is true, only nine were confirmed, but as this was the second Confirmation within a year, it was very gratifying and encouraging. Of these nine, four were married persons, and four were not formerly members of the Church of England.

While such occasions as these afford cause for deep thankfulness to Almighty God, as they serve to show that the Church's efforts to strengthen and foster the inner life are not in vain, we have had to deplore occurrences of an opposite nature. During the year, both by death and removal, we have lost several of our members, and among them several who took a forward interest in the Church's work. Of those who have removed I may mention Mr. William Fenn, who, on a former occasion, represented my Parish as a Lay Delegate to your Society. He was ever ready both by his contributions and personal influence to advance the interests of the Church in the Parish. Although brought up in early life amid the influence of dissent, he had the singular good fortune of being baptized, confirmed, communicated, and married in St. Andrew's Church. Mrs. Fenn was also one of the most devoted members of our Guild, and will be sadly missed.

The general work of the Parish has been carried on as usual, and with many encouraging results. The congregations at our several services have been good, and the number of Communicants increased. There have been fifteen baptisms, five marriages and six burials.

I have held, occasionally, Sunday afternoon services in Douglstown, but, I cannot say, with any encouraging success. This has been owing partly to the want of suitable room, and partly, perhaps chiefly, to the undisguised and strenuous efforts of outsiders to provide other attractions during the time of my services. I do not, however, despair of seeing a regular service established here, though at present we may have to wait awhile, and move cautiously, and work on in faith. If someone would give me four or five hundred dollars to put up a building that we might call our own, and in which services could be held at all times, without considering the claims of others, I think I could make the cry of the Edomites a little more futile than it is at present, and soon form the nucleus of a future congregation.

We have erected during the year a neat and, I trust, lasting iron fencing both around the Church and School-house lots. The old fencing had stood for twenty-five or thirty years, and was sadly out of repair, and a constant drain upon the Church funds to keep it from actually falling down. The present fence is not altogether paid for, but when it is it will add much to the value, as it does to the appearance of the Church property in Newcastle.

Our Sunday-school is, I am happy to report, in a flourishing condition, and has more than doubled during the now close upon five years I have been in the Parish. We have lately resuscitated the old Library, which has not been in working order for several years, and, although many of the books are of the old-fashioned sort of fifty or more years ago, still we hope to keep it going till we can purchase or get a grant of more suitable and more modern productions.

On account of losing so many of our members, our subscriptions to the Church Society will not be so large as on some previous years. They will be made, however, as large as possible. The desire to get all we can makes it imperatively necessary to postpone the soliciting of subscriptions to as late a date as possible. In these northern counties there is seldom much money in circulation till well on into summer. I hope, however, to be able to send the sum of \$100 for the general purposes of your society—more, if possible. For other purposes we have raised the following amounts: Foreign Missions of S. P. G., \$5; Domestic Missions of the Church of England in Canada, \$3.66; Parochial Missions of the Jews' Fund, \$5.43; King's College, Windsor, \$3; W. & O. Fund, \$7.11; Bishop Medley Scholarship Fund (so far), \$10; Children's Missionary Boxes, \$6.34, making a total for outside purposes of about \$140.54.

NEW DENMARK—REV. N. M. HANSEN.

I have nothing of importance to report this year to the D. C. S. My work is going on very quiet. The Church is filled gradually more and more, and pupils in the Sunday-school increasing. In the last three years here are born more than sixty infants, and I have baptized them all. New Denmark is, perhaps, the only place in New Brunswick where not a single person is to be found without being baptized. The D. C. S. will see it needs a Missionary in New Denmark just for baptizing infants, and it needs a Missionary, too, just to celebrate the Holy Communion, for I have more than a hundred Communicants on my list; but it needs no Missionary, I admit, for burying the dead, as in the last three years we only have had two burials, and those two persons died, not from illness, but by accident—one killed by a tree, and the other burned to death. If the D. C. S. should

please do the same in future, as some of the Foreign Missionary Societies already have done: to send out Missionary Doctors, I report to the D. C. S. that New Denmark seems not to be the right place for such a Missionary and Doctor in one person, our frugal diet and exercise in fresh air is too excellent for that. Still, I admit again that the time may come that your Missionary might have use for that part of the Prayer-book called "The order for the burial of the dead."

The preaching of the Gospel in the right spirit, which after my view is the principal part of a Missionary's work in a free Church, not assisted by any earthly power, that old Christian mighty power against the devil, the world and the flesh, has proved itself here to have the old power to change the hearts of men. There is now a Church "people" here which may be called a power in New Denmark, especially since our Church was consecrated. Opposition there always has been, and still there is a very small opposition, but even the principal men in the opposition party use the Missionary's service for baptizing their children, for training them in the Sunday-school, for preparing them for Confirmation, for marrying them, for visiting them when they are sick, and for burying them when they are dead. If you ask them if they are Churchmen, they may answer "No!" But as long as they ask for the service of your Missionary, I count them for Churchmen, though not of the best, especially when they do not contribute to the Church. When the second generation is grown up, the D. C. S., as well as the Missionary, will reap with joy what they have sowed with trouble, and till that time we must practice one of the fruits of the Christian faiths—I mean patience.

We are still poor. That is our worst drawback at present, and I am very sorry that I am not able to report higher contribution than \$23.

NEW MARYLAND—REV. F. ALEXANDER.

I have little of a special character to bring before the D. C. S. this year in regard to this Mission. The Sunday and other usual services (I added to these, this year, a service on Ascension Day) have been sustained with as much regularity as a very severe winter admitted of, and judging from attendance at Church, and at times of Holy Communion, I

am thankful to be able to say that the interest of our people in holy things has seemed in no way to flag.

I hope in August or September to present some candidates for Confirmation.

Financially, we cannot complain; at Easter the Church Wardens' accounts showed a balance of somewhat over five dollars, after defraying all expenses, and I am pleased to state that the offertory collections were much in excess of those of last year.

The foundation of the Church, which was injured many years ago by the "Saxby gale," was repaired in the fall; it needed almost entire reconstruction, and the work, which was thoroughly well done, will last good, I hope, for many generations to come—its execution reflects great credit on the skill and fidelity of Mr. Haining, mason, of New Maryland.

While humbly thanking God for past mercies, I commit the future of the Mission to His holy care.

NORTON—REV. E. A. WARNEFORD

Writes that the subscription list is not quite completed. He hopes it will be an improvement on that of last year.

PETERSVILLE—REV. W. HENRY STREET.

As I have been but a few months in charge of this Mission, my report of progress will be necessarily short. Both Churches (ten miles apart) have had services every Sunday; one of my Stations, monthly; the other has been frequently visited; the Holy Communion administered there to the sick, and occasional services held in a School-house.

At this Station a flourishing Sunday-school has been established, and much interest manifested in the work. Another has been started and carried on with zeal and efficiency at a point distant three miles from Welsford Station. I trust these schools will be a means of educating the young in the Scriptural and Apostolical principles of the Church.

We anticipate the beginning, if not the completion, during the year, of many sorely-needed repairs on the Church at Welsford.

My hands have been strengthened and my heart cheered by the kind exertions, towards this object, of two ladies in St. John. As one resides here during the summer, we shall have the further advantage of her personal assistance.

Many of the ladies of this part of the Mission are now busily engaged with work preparatory to a sale proposed for the coming autumn.

The Parish Church, distant some ten miles from the Rectory, is now being painted.

My list of subscriptions to the funds of the Society is not yet completed.

PETITCODIAC—REV. CUTHBERT WILLIS.

There is very little of special interest to report this year from Peticitcodiac Mission. Our congregations have been good, and the people have showed a great willingness and used every effort to keep the assessment paid up to date, while at the same time they have not forgotten Foreign and Home Missions. It is my intention on my return to open a Mission room at Salisbury, where no services have been held for some years. Having made an application to your Board for a grant of \$50, and stated the grounds, I need not recapitulate them. The prospects at this heretofore unpromising place are now brightening as regards Church matters, and I look forward with much hope to the work about to be commenced there. Salisbury is the starting point of the Albert County Railway, and it is now pretty generally understood that the Short Line Railway will tap the Intercolonial at this place. It would be a great mistake for want of Church accommodation to neglect this promising village any longer. A Mission room is now ready, furnished with fifty chairs, an altar, reading and prayer desk. The number of Church people being small at present, I cannot ask them to pay for these, but they undertake to pay the rent, \$25, and will also be subscribers to the general fund of D. C. S.

As a site for a small Church, frame and shingles for us have been donated, and an offer made by one of my Parishioners, a carpenter, to finish the same for about \$150, it is my intention to accept the offers that have been so kindly made,

and hope this time next year to be able to report its completion. Being in want of a small organ for our Mission room, and having no means to purchase one, I hope some kind friend will be found willing to present us with one. Contributions to new Church thankfully received.

The amount from the Mission for general funds of D. C. S. will amount to about \$100.

PRINCE WILLIAM.—REV. A. LOWNDES

Writes that he has paid to the Treasurer the sum of \$31.40 for subscriptions to the Society for 1885 and 1886.

I beg to report as follows: The Churches of St. Clements and St. John are in the same condition as they were last July. Further repairs have been put inside and outside on All Saints Church, Magaguadavic. A new fence is being placed on two sides of the Churchyard of St. Clements, and that of All Saints is being surrounded by a new fence, and a lych gate, a copy of the one at the Parish Church, Fredericton, is being erected.

The return given in the statistical table has furnished the usual particulars as to services, etc., but I may point out that there have been regular services in each of the Churches of this Parish every Sunday, and that the number of Communicants now exceed one-third of the whole Church population.

There has been some correspondence between the Bishop and the Corporation as to providing services at Macadam. A practical effort has, however, been made by obtaining the support of the Government in the construction of a road to connect Macadam with the rest of the Parish of Prince William.

RESTIGOUCHE—REV. C. D. BROWN.

No report.

RICHMOND—REV. E. J. P. B. WILLIAMS.

Since the meeting of the Synod last year there has been some progress in the Mission of Canning, of which until about three months ago I was the Deacon in charge. Between the months of July, 1885, and March, 1886, I baptized seventeen persons, including one adult. The Mission forwarded \$17.50 towards the funds of the D. C. S., and a little over \$5 for Foreign Missions, besides raising about \$50 for purposes of the Mission, and \$140 towards the proposed Church at Little River, French Lake. Although this last-mentioned Church is in the Mission of Canning, yet this part of the Mission has been conjointly worked by the Rev. G. Sterling, Rector of Manguerville, and myself, and it is entirely owing to his energetic and faithful labors, under the Divine blessing, that it is to be hoped that in a few months a nice little Church will be built, suited to the wants of the place. Although much has been done, yet still more is needed, and I may remind those who have both the desire and the ability to give that only a little more than one-half the sum required has as yet been raised towards the above laudable purpose, namely, of providing a Church for a Settlement, hitherto without any place of worship of any denomination.

The services, as a whole, have been fairly well attended, especially at Newcastle and Little River. Owing to the glebe house, however, being still much out of repair, and the great distance (sixteen miles) at which I was compelled to live away from the centre and main portion of my work, and other reasons too lengthy to mention, I decided to resign this Mission in favor of the Parish of Richmond, which was offered to me chiefly through the interest of a brother Clergyman. I moved to Richmond with the full consent of the Metropolitan, upon 28th of March, and was kindly received by the people of that Parish. Since I came here I have baptized eight children, and three persons have been confirmed.

We are now adding a tower to our pretty little Parish Church, in order that we may hang the bell, which has been already bought and paid for. We require about \$55 more to finish the undertaking, and it is to be hoped that the bell, when hung, will not only serve to call people to the worship of Almighty God, but that it may also serve to arouse us all to yet further efforts for the advancement of His honor and glory, and the salvation of souls.

RICHIBUCTO—REV. W. L. CURRIE.

No report.

ROTHESAY—REV. W. HANCOCK

Report contributions equal to last year—about \$58.

SACKVILLE—REV. C. F. WIGGINS.

In sending the amount of offerings from this Parish towards the special and general purposes of the Society, I have but little to add in the way of a more extended report.

We have had nothing done in the Parish (outside of general work) worthy of special notice. Save, I may say, the erection of a new spire on the old Parish Church. We have as nearly as possible reproduced the lines of the old spire, as nothing we could devise seemed to harmonize so well with the rest of the building as the plan of the original structure. One change however, is to be noted, and that is that the old weather-cock which has been so long telling the people how the *wind blows*, is now replaced by that blessed symbol which tells us how the *Faith stands*. We have also taken steps towards procuring a bell for the Church which we hope to have in its place shortly.

I must not close without mentioning that the Choral Union of this Deanery held their annual Musical Festival in Sackville on the 9th inst. It was, I think, admitted by all, to be a great success. It was admirably conducted, and well and correctly rendered throughout. The service was intoned by the Rev. F. W. Vroom and conducted by Rural Dean Campbell. One feature of the service which gave especial pleasure to all, (but particularly to the people of Sackville), was that the preacher selected for the occasion was the Rev. G. G. Roberts, the former Rector of this Parish. His welcome to the scene of his former labours was warm and sincere. He spoke of "the duty and dignity of Praise," and gave us words that burned quickly—and in the matter of time eloquently leaned to mercy's side. I feel sure that this service has left its impress for good by showing the dignity and beauty that naturally belongs to the Service of our beloved Church.

I regret to say that our offerings towards the general purposes of the Society,—\$59.72, have decreased for the present year, and that has been owing to a vigorous effort on the part of the Parish to become self supporting by the introduction of the weekly offertory. The people have done their best in the way of weekly pledges, and in some instances have in consequence failed in their subscriptions. This we very much regret. As regards the Parish we are glad to report the introduction of the envelope system an unqualified success, even exceeding our most sanguine hopes, and we hope in the immediate future to be able to relieve the Society from that generous aid that it has so long extended.

SHEDIAC—REV. F. W. VROOM.

The work of the past nine months, though coming far short of what could have been desired, has been on the whole encouraging. The finances of the Parish were found to be in such a state as to need most careful attention, and it will be several years yet before they can be restored to a satisfactory condition. The services at the Parish Church have been well attended, and the collections for special purposes have been good. The Holy Communion has been celebrated weekly instead of monthly, and the privilege seems to be appreciated. Daily prayers, at 7.30 a. m. and 5 p. m., were begun early in May to be continued until cold weather.

It is especially gratifying to note that the people of Point du Chene Parish have asked to be taken under the care of the Rector of this Parish, and weekly services are now held in St. Andrews' Church.

Missionary visits have been made to Cocaigne, Kent County, where there are still a few Churchmen, for the purpose of baptizing children, visiting the sick and burying the dead, but no regular services are held there. Two services a month are held in a school house on the Moncton Road.

A local Committee of the Diocesan Church Society was organized here in June, and an interesting address on Home Missions delivered by the Missionary at Waterford.

The illness of the Rector has interfered with the collections for the Society, but it is hoped that a fair amount may be sent in, though perhaps too late to be acknowledged in the Annual Report.

SIMONDS—REV. G. SCHOFIELD

Writes that contributions for the past year were paid to the Treasurer to the amount of \$10, the account of which was not received by the Secretary.

Although no great changes have taken place in this Parish during the year, yet the work of the Church has been carried on regularly and usefully. A Sunday-school has been commenced at Coldbrook with the promise of much usefulness. Mr. Emery, the Superintendent, is assisted by a few efficient teachers, and the children and young people are interested in the work. A melodion has been introduced, and the chanting and singing are improved. There is full evening service every Sunday, conducted alternately by my valued Lay Reader, Herbert Lee, Esq., and myself, and the Holy Communion is administered once a month. I am preparing a few candidates for Confirmation, and hope to present them to the Bishop Coadjutor for the laying on of hands in August. It will be the first Confirmation service ever held at Coldbrook, and will, I hope, be permanently profitable. I am also preparing a class for Confirmation at Black River, and there, also, I hope for a considerable increase to the number of Communicants.

During the year I have officiated at twenty-four Baptisms, eight marriages and twelve funerals. I have three services every Sunday, and a ride varying from twenty-two to thirty-six miles.

The almost entire stoppage of work in the two shipyards at Black River and Gardiner's Creek has been a serious loss to most of the people there. But I hope this may be partly made up by increased attention to farming and fishing. Meanwhile the inducement to remove in search of more lucrative employment is felt by our young men. But I suppose this state of things is not peculiar to the Parish of Simonds. I am thankful for health and strength to carry on my work in the scattered population of this Parish, and cherish the assurance that, by the Divine blessing, my labour is not in vain.

SPRINGFIELD—REV. J. H. TALBOT.

There has been nothing of special interest during the past year. The services have been kept up regularly, one at each of the three Churches on Sunday, and a celebration of the

Holy Communion on each Sunday at some one of them. The congregations have not increased materially, but several additions have been made to the Communicants' roll, the number now standing at 128 in spite of deaths and removals.

There are two Sunday-schools in fair working order, and I have hopes of establishing a third at Norton Station very shortly, the only difficulty in the way being the want of a teacher. Contributions about \$90.

ST. ANDREWS AND CHAMCOOK—REV. CANON KETCHUM

Reports contributions from St. Andrews, \$340.17, and from Chamcook, \$82.55; total, \$422.72 for general purposes. For Algoma and Domestic Missions, \$32; W. & O. Fund, \$20.

ST. DAVID—REV. J. W. MILLIDGE.

When I first took charge of this Mission, seven years ago, the assessment was \$200.00 a year and it was difficult to raise. Services were held regularly in the Churches of St. David and St. Patrick, and in one other station on Tower Hill. I soon found that other stations would have to be opened, and contributions asked for from the people. By this means the several additions to the assessment were provided for. It is almost impossible for the Church Wardens to collect the quarterly payments on account of the great distance the people live from one another, of course an attempt is made each quarter, which results in seven or eight dollars being got together in St. David. St. Patrick contributes one quarter in one payment which is more satisfactory than four small payments. St. James contributes sixty dollars a year, small sums are collected and handed in at several stations, and the Sunday collections are also handed to me. In addition to these sources of income, in the course of my visiting in remote districts a man or woman will occasionally give me a dollar or two, which I thankfully receive and enter in my account book on my return. Sometimes I receive a fee for attending a funeral.

Thus the assessment has been raised in the past, and I would here mention, that the ten dollars extra placed upon us last

year was more than made up by the people of Beaconsfield, who out of their deep poverty contributed \$13.75, and that for a few week day services only. If the policy of having Sunday services in the two Churches only had been persevered in, the account of Mission would have been financially dead long ago, not only on account of the increase of the assessment, but from the fact that many of the old Church people have died; and some of the young who should have taken their places have left the country. For the future the outlook is rather gloomy, as there is no further room to expand. The Station of Beaconsfield being situated in the woods twenty miles to the west, and the Bethel twenty miles distant from my home to the east, close upon the border of St. George, in fact some of the people who attend service at that station live in St. George; and I fear that the Church people between those two points, instead of growing richer are gradually becoming poorer, so that if the grant be reduced below \$400.00 it will be difficult for me or any other Missionary to live here. But that your Society may not think that the people are backward in doing what they can, I will state some of the local work which is going on. In the first place a new Church has been built on Oak Bay Road, the corner stone of which was laid last October. If the seats, which are daily expected from St. John, were put in it would be ready for consecration. The building committee have borrowed \$200.00 for which they alone are responsible, neither the corporation of the Parish nor the Church building being in any way involved. Then the people of Tower Hill, being stirred up to emulation, have resolved to have a Church of their own, a lovely site has been given by Mr. Robert Smith; the people have gone to work vigorously, graded and cleared up the land, dug the trench for the foundation of the church, and got ready for commencement next spring, it is their intention during the ensuing winter to cut logs, haul them to the mill at Oak Bay and have them sawed into the proper dimensions; for the other expenses they trust to the liberality of friends and to the exertions of a circle of ladies who meet fortnightly. \$50.00 are already deposited in the Post Office Savings Bank towards the funds of this Church. Nor have the ladies of St. Patrick been idle, through their exertions last winter over \$76.00 were raised, with which their Church has just been painted outside wonderfully improving its appearance, we trust the inside may next year be also painted and something done to improve the chancel. St. Thomas

Church has had a new fence placed around it and the Church-yard, a much needed improvement. I have been much gratified at the interest taken in the services at Beaconsfield, although held on week days and in the afternoon everybody leaves his work and comes to the school house, a number have been baptized; a flourishing Sunday-school under the superintendence of Mr. W. Rogers; a grant of bibles and other books has been given by the S. P. C. K. in response to an application forwarded by the Metropolitan, and an earnest desire for further Church privileges has been manifested. Last September I opened a new Station at Basswood Ridge. During the past year I baptized forty-three persons, eight of whom were adults, the largest number ever reached in any one year, so far as can be ascertained, in this Mission.

General purposes, \$90.50; Bishop Medley's Scholarship Fund, \$4.18; Ascension-tide Appeal, \$1.25.

ST. GEORGE AND PENNFIELD—REV. R. E. SMITH.

There is nothing of special note to record from this Mission. The services are well attended. I have opened a new station, Seely's Cove, where the attendance is good, and services appreciated. Since the beginning of the year ninety-five different persons have communicated, and I expect this number to be much increased before the year closes. We are expecting a visit from the Metropolitan in August for Confirmation, when I hope a goodly number will embrace the privilege of that holy rite. All our Church property is now insured. As the assessment of the two Parishes is increasing so fast, and amount of grant so much reduced of late, it cannot be expected that our contributions to the D. C. S. will be as large as formerly. The sum will, I hope, amount to about \$80. Times improving.

ST. MARY'S—REV. W. JAFFREY.

Although we cannot give a very glowing account of the Church's doings in this Parish, yet I believe her work is having its effect, not only on its own members, but others.

During the past year I have deemed it well to give more than usual attention to the cause of Temperance, or rather total abstinence, inasmuch as there never was a time, during my forty year's residence in the Parish, when excessive drinking was so prevalent as it is now.

We have now at the present time no less than six venders within the short distance of one mile, who ply their trade, perhaps more secretly, because of what we call the Canada Temperance Act, yet most effectually.

The greatest hope we have is in our Sunday-school, which I may say is doing a good work in the Parish; beside the main object of a Sunday-school, by means of our opening and closing services, which are compiled from the Church service, the children are taught what is not usually taught in Sunday-school, that is to take part in the worship of Almighty God.

The greatest drawback we have in this Mission is the want of means, numbers of persons are drawn to the parish through certain works which are going on therein, who are poor when they come and continue poor during their stay, persons who need assistance instead of imparting it.

We have not yet finished our collections, but hope to forward the usual amount.

STANLEY—REV. H. T. PARLEE.

Church work has progressed quite favourably this year past. Still it is as difficult as ever, if not more so, to raise money. There seems to be but little in circulation. The guaranteed amount of stipend is raised with the greatest difficulty. Nevertheless if the Society will not increase the amount further we will soon be able to handle it without much difficulty. Since last report a new Church organ has been placed in St. James' Church, at Tay Creek which is nearly paid for. Active steps are now being taken towards building a Church at Cross Creek, about four and a half miles from the Parish Church. About \$100 will be expended on the Church and Rectory grounds the coming summer. The funds being part of proceeds of picnic held in June.

On the 23rd of September last we were favoured with a visit from his Lordship the Bishop Coadjutor. The rite of confirmation was administered at both Churches, twenty-five being presented at St. Thomas, and seventeen at St. James', forty-two in all. The greater part of these communicated the same day. The number of actual communicants is largely in excess of that for last year. On the whole it may be said "we are advancing."

SUSSEX—REV. CANON MEDLEY.

In making my annual report to the Diocesan Church Society, I fear it will be found that Missionary facts of startling interest are of rare occurrence with us in this Mission. My work is far more central than it was a few years ago, and consequently the daily routine is far less varied. Our services have been kept up, and, thank God, without interruption. The average congregation at both Churches in the Mission has somewhat increased during the year, and in spite of removals to the United States, which is an annual affliction, our Communicants Roll has been added to.

During the year the Ladies' Sewing Circles have been very busy, and the fruit of their labours is seen in many additional lights in Trinity Church, Sussex, and also at the Church of the Ascension, Studholm. The ladies at Sussex have also

given a new carpet for the Vestry, and covered the passages in the Church with a durable Linoleum matting. In a short time the work of painting both Churches will be commenced.

The interest shewn in our Sunday-school work in both Parishes is satisfactory, and the attendance of scholars regular. The Teachers' Union has been a material help to our teachers, who are not only more alive to their important work, but speak of the advantages of the preparation for the annual examination with one voice. In connection with the Union we cannot speak too gratefully for the encouragement given to the teachers of the Deanery of Kingston by the Bishop Coadjutor, who offers us two valuable prizes for competition each year.

In July, last year, the Metropolitan confirmed 39 candidates, and another class is now under instruction from which I hope to present between 30 and 40 more this year. We have not yet finished the list of subscriptions to the Society, but I trust the sum total will not be less than in 1885, about \$100.

UPHAM—REV. S. J. HANFORD.

For several causes I have not yet been able to get through with collecting for the D. C. S., and, therefore, cannot state the total amount to be reported from this Mission. I can only say that I shall continue, as heretofore, to do the best I can, and have the returns forwarded as soon as possible.

VICTORIA—REV. D. B. PARN'THER.

No report.

WATERFORD AND ST. MARK, (SUSSEX)—REV. J. R. DEW. COWIE.

Since my last report the Church has made *some* progress in these two Parishes. The interest of the people of Waterford in the Church and her services has increased very much, especially among the young men and young women. This is shown by the increased average attendance at the services; by the numbers desirous of receiving the grace of Confirma-

tion ; by the greater appreciation of the Holy Eucharist and its benefits ; by the regular attendance of the young men and young women at a Bible Class held every Sunday afternoon ; and by the generous, free-will offerings of several of the Communicants towards the better fitting up of the Parish Church.

In the Parish of St. Mark there is also very much to be thankful for. Though some work has been carried on for nearly four years by the present incumbent in one part of this Parish, viz. : at Jeffries on the new line of road, yet it is only a year and eight months since work was begun at Sussex Corner, the real centre of the Parish. During the first three months of the work in this locality we had an average attendance of about nine, with four Communicants, and a loft in which to worship. Now the average attendance at the services is forty-five ; twelve have been confirmed ; there are twenty Communicants, and the names of thirty children are upon the Sunday-school register, with an average attendance of twenty-two. The "loft" is now too small for us, and we must leave it. As God blessed our first venture of faith and hope, viz. : the undertaking of this work, we determined to make another venture. A few months ago a property, consisting of a third of an acre of land, a workshop, and a barn, was purchased for \$550. We have spent \$175 upon the buildings, and have now a neat "Mission Room" 11 feet high, 36 feet long and 25 feet wide, and an upper flat, for which we receive \$42 a year rent. This new Mission Room we hope to open for service on Sunday, July 11th. The \$550, the first cost of the property, has been raised at 7 per cent. interest, by mortgaging the property, and the \$175 required for repairs has been advanced by the incumbent. We are, therefore, in debt to the amount of \$725, for the payment of which we earnestly ask the aid of the D. C. S. and the brethren in general. Sussex Corner is a most important centre ; the interest in the Church is rapidly increasing, and the people, though far from well-to-do, are most earnest, generous and self-sacrificing. The Guild of St. Mark is faithfully using every effort to pay off the debt, and, by their zeal, greatly strengthen the hands of their Parish Priest.

In conclusion, I am glad to be able to say to the Society that the work going on in the two Parishes is of a healthy nature. There are now ninety-five Communicants, six Sunday-schools with an enrollment of 120 names ; and, notwithstanding that ninety have been confirmed in the last two

years, there will not be fewer than twenty-five presented this year.

Though we have not yet solicited subscriptions for the Society for this year, we feel confident that we shall come up to last year, and send in \$90.

WELDFORD—REV. H. HOLLOWAY.

The past year has been anything but a prosperous one for this Mission. The factory at Mortimore which gave employment to many hands suspended operations for more than a year, and many members of the congregation left the place. Some of them I am glad to say have returned since the factory resumed work last month.

The work of the Church has suffered much from my long continued illness. All through the year I have been unable at any time to attempt more than to carry on the Sunday services, and there have been three periods of many weeks each when I have not been equal to that. At present there is one service each Sunday at St. Mathew's Harcourt, which is close to my house, but Weldford Parish Church which has the most numerous congregation has been closed since January 24th.

The Bishop Coadjutor had arranged to administer Confirmation on All Saints Day, but on October 11th I was taken ill with rheumatic fever, so the confirmation was postponed. I am forbidden by my doctor to take long drives during the next twelve months; but I hope to be able to continue the services at St. Matthews', and perhaps take the pastoral oversight of the district within a radius of five miles from Weldford Station, besides doing some work which does not entail walking or driving, at the different Stations on the Intercolonial Railway.

We have sent up \$8.54 for D. C. S., \$3.00 for Aged Clergy Fund, and \$6.77 for S. P. G.

A new fence with gates has been placed around a great part of the Church yard of St. Pauls', and the Mission is altogether free from debt.

The board of Home Missions at the January meeting kindly increased the grant to Weldford \$25 per quarter, in consideration of the changed circumstances of the Mission; and if the Society could continue that increased grant for the coming year, I would endeavour to obtain the help of a curate. Kent

county is singularly destitute of religious privileges of any kind, so it is the more important to have a clergyman residing near Weldford Church. I have good reason to believe that the people of this Mission value the services of the Church very highly, and profit by them much, and I hope and pray that they may enjoy more regular ministrations in the coming year than they have done in this.

WESTFIELD—REV. R. SIMONDS.

In the absence of Delegates from Westfield, and by permission of the Bishop, I beg to present a short report from this Parish. The Mission having been vacant for some months, the usual collections for the D. C. S. have not been made; but I am able, as a Clergyman visiting in the Parish, to report some contributions to the general purposes of the Society. After the collections shall have been made on Sunday next, by the envelope system, the amount contributed will probably be about \$25. And while speaking for Westfield, I cannot refrain from alluding to the kind services rendered to the Parish by Mr. Weeks, who, during the last two or three years, when the late lamented Rector was almost entirely disabled by illness, has regularly served the Church near the Railway Station on Sundays, has faithfully attended to the Sunday-school, and has visited and ministered to the sick, performing most acceptable services to them and their friends. My friend, Mr. Weeks, not being now present in this room, I may say a few words in his praise. He is, as probably some of you know, a man of modest and retiring nature, who is content "to do good by stealth," as it were, and, if present here, might "blush to find it fame." The Parish is also greatly indebted to Mr. Woodman, who, holding a licence as Lay Reader from the Bishop, has, for years, done a great deal of work for the Church, taking the prayers on Sundays (in the absence, or during the illness, of the Rector, at one or other of the Churches not served by Mr. Weeks) and reading printed sermons to the people—a service which involved crossing the river in his boat, rowing about a mile, and walking over the hills to the little Church at Landsend; also reading the Burial Service on occasion; and, without any view to Holy Orders, doing much good work gratuitously for the benefit of the Church.

WESTMORLAND—REV. D. M. BLISS

Reports a contribution of \$5.

WICKLOW—REV. J. E. FLEWELLING.

I am pleased to report that my lady collectors have been very successful in their appeals for subscriptions to the D. C. S., the amount, \$60.00, exceeds the amount of last year, by \$11.00.

The services have been regularly held and well attended. More frequent services have been held in St. James' Church, Centreville, where there is a small congregation, but much activity is manifested.

Much needed repairs are to be put upon St. Barnabas Church before fall.

The Parishioners, and my friends of the different denominations, have cheered my heart on several occasions by valuable gifts. May the Lord bless them all.

WOODSTOCK—REV. CANON NEALES.

As Rector of Woodstock, as well as Missionary of the Parishes of Wakefield and Northampton, my report concerns briefly each of these fields of labour.

Woodstock. The event of greatest interest to us in the Parish, and, as I pray, it may prove of great blessing to all, was the visit in June of his Lordship the Metropolitan. On Whit-Sunday, in St Luke's Church his Lordship administered

the Holy Rite of confirmation to thirty persons, three of whom were of the Parish of Richmond.

Our Parish Church has received the gift of a beautifully wrought brass lectern, as a memorial to the late Miss Elizabeth Ketchum, and given by her sisters.

At Benton, on the N. B. Railway, a small Church has been commenced. A piece of land has been given by a faithful member of the Church, Mr. John Appleby, and we hope to see the work pushed on further this autumn. The people here have but little worldly means, but their zeal and faith are great.

Wakefield. From the first settlement of the country the Parish of Wakefield has been in charge of the Rector of Woodstock, and has ever since been supplied by him with the regular ministrations of the Church. As early as 1845, a piece of land was given, and a Church built upon it in a central point in the Parish, known as Jacksonville. Within the last five years a new and beautiful Church has been erected to take the place of the old one, and supplied with a good bell, organ, and all necessary furniture. Service is held in St. Peter's Church every Sunday, and occasionally in the week; there is a celebration of Holy Communion every month. Fortnightly services are held at Victoria Corner, ten miles from the Church in one direction, and in the other direction the members of the Church attend the services held by the Rector of Richmond. The members of the Church are zealous and liberal in the Church's support, and not a few of them are faithful in attendance upon its ordinances. We hope the day is not far distant when Wakefield will become a separate Mission with its own Pastor; this would tend to the prosperity of the Church in the Parish and leave the Rector of Woodstock less encumbered in his work.

Northampton is the civil Parish extending along the eastern side of the river St. John opposite Woodstock. There are several families of Church people in this Parish, and those, who can do so, attend the service at St. Luke's Church, having no Church of their own. They are desirous of erecting a Church and would probably make a beginning at once if they could be assured of regular services in it.

In carrying out the work of the above extensive charge I have been very efficiently aided during the year past by Mr. C. A. Saunders, of King's College, Windsor, who is also a candidate for Holy Orders.

CONCLUSION.

The Society would ask each of its members to remember its objects and purposes in their daily prayers, and especially those prospective Missions with all their crying want; nor should they forget to include the required provision for the incapacitated Clergy, and for those young men who may require assistance in becoming fitted for the work of the Ministry.

A record has always been made, in the Annual Report of the Society, of those among the Clergy who have been associated with its work, and who have "ceased from their labors. These notices are due to memories, which should be cherished, and may be of value in years to come.

During the past year our Heavenly Father has called away one who, from the beginning of his ministry, afforded promise of great usefulness to the Church. While health was afforded, the Rev. A. V. Wiggins, late Rector of Westfield, was most untiring in his duties, and secured the affection and co-operation of those to whom he ministered. Late reports of the Society bear record, in part, to his work at Westfield. His early death is deeply lamented, and is a great loss to the Diocese.

The late Canon Scovil was preparing for the Ministry at the time of the formation of this Society. Its older members will call to mind his constant attendance at the meetings of the Society, and the active part which, for many years, he was ready to take in its proceedings. The Society manifested their regard by electing Canon Scovil one of its Vice-Presidents. For several years failing health obliged him to cease from active work.

He died at his residence in England early in the past year.

REPORTS FINANCE COMMITTEE.

The Finance Committee beg to report :

That since the last meeting of the Executive Committee the sum of \$2,000 has been invested in the Bank, and mortgage of C. A. Everett, M. P., of St. John, a property on Brussels Street, in the City of St. John. at 6 per cent. per annum interest.

That in reply to the application of the Rev. R. E. Smith of St. George, referred to this Committee to transfer certain trust funds of the Parishes of St. George and Pennfield, amounting to \$1,600 to the D. C. Society to be held in trust by the Society,—this Committee furnished Mr. Smith with a copy of a resolution adopted by it, stating that the Society would take the money or the trusts proposed, but could not guarantee over 4 per cent. interest at present, at any time more interest than the Society could actually obtain for the same. To this no definite reply has, as yet, been received.

That there has been no other business before this Committee.

The Committee on Finance beg to report as follows :—

That since the last report of this Committee, the following matters have had attention, viz. : 1. The Treasurer reported to the Committee, in January last, that he had received from the Bishop of Fredericton 8 City of St. John Water and Sewerage 6 per cent. Debentures, amounting in the whole to £850 currency, equal to \$3400, being a gift from Mrs. Gordon to the Diocesan Church Society, to be held in trust by the Society, one half for the general purposes thereof, and one half for the Incapacitated Clergy Fund.

2. The Treasurer also, at the same time reported that he had received the sum of \$1517 on account of a sum of \$1600, to be held by the Society in trust under the terms of a gift from Miss Annie J. Thompson now Mrs. Neville Parker, on behalf of her mother, as an endowment fund for the benefit of the Rector of the Church of St. Mark, in the Parish of St. George, and of Christ Church in the Parish of Pennfield, the interest only to be used. \$1500 of the amount received has been invested by the Committee in three Debentures of the Province of New Brunswick, for \$500 each at 4 per cent.

REPORT OF THE BOOK DEPOSITORY COMMITTEE.

For the Year Ending June 1st. 1886.

The Book Depository Committee of the Society for Promoting Christian Knowledge, beg to submit their twelfth annual report and accounts :

The sale of books for the year ending on 30th of April, 1886, as compared with the previous year show a falling off, they amounted to \$871.32, while for the corresponding period for the year previous they were \$958.16.

Eight importations of books have been made during the year, including one for the St. Andrews Branch Depository.

The circulation of the "Dawn of Day" has also decreased—600 copies have been ordered for 1886, and up to the present time 581 have been subscribed for. In 1885, 615, and in 1884, 942 copies were subscribed for. The Committee strongly recommend the Magazine, as one containing a great amount of valuable information at an exceedingly low cost. The S. P. C. K. intend with the July number to begin an improved series of "The Dawn of Day." It has been decided to increase it in size, and in order to make it more suitable to enlighten the mass of the people upon the position and claims of the Church of England, and to insert from time to time papers on English Church history, on the claims of the Church upon the nation. Great care will also be taken with the engravings, which it is intended to increase in number. It will be increased by four pages, thus making it sixteen in place of twelve, and a coloured cover, upon which a Parish title can be printed, will be given with each number. The price will remain the same as at present.

During the past year the Committee, with the view of establishing a uniform system for the opening of branch Depositories throughout the Diocese, prepared the following Rules and Regulations :

1. Applications for the establishment of Branch Depositories must be made in writing to the Book Committee of the Diocesan Church Society, through their Secretary.
2. Applications must state the name of the Manager or Secretary of the proposed Branch Depository, who will act as correspondent with the Book Committee, and who must be a subscriber to the funds of the Diocesan Church Society.

3. All orders for books and other publications on the Society's catalogue must be sent to the Secretary of the Book Committee.

4. Credit will be given to Branch Depositories to the amount of One Hundred and Fifty Dollars only.

5. All publications will be supplied to Branch Depositories on the same terms and at the same prices as they are supplied by the Parent Society to the Central Depository at Saint John.

REPORT OF THE BOARD OF HOME MISSIONS.

For the Year ending 30th June, 1886.

The Board of Home Missions submit the following report :

During the past year the following alterations have been made in the schedule adopted by the General Committee last July.

CAMPOBELLO.—The assessment was reduced \$100, and the grant increased \$100.

CANNING.—The Assessment was reduced \$100.

KINGSCLEAR.—The assessment was reduced \$30, and the grant increased \$30.

KINGSTON.—The assessment was reduced \$50.

MONCTON.—The grant was reduced \$90, since the resignation of the Rev. Mr. Hoadley.

PETERSVILLE.—The assessment was reduced \$80.

ST. MARY'S.—The assessment was reduced \$20, and the grant increased \$20.

WELDFORD.—The assessment was reduced \$100, and the grant increased \$100.

These alterations were all made to cover the whole of the past year except in Moncton, Petersville, and Weldford.

In Petersville the reduction was made from 1st October, with the consent of the Missionary, to facilitate the re-opening of the Mission which had been closed for eighteen months. In Weldford the alteration dated from 1st October, and was made on account of the closing of an important industry in the Mission, in consequence of which subscribers to the amount of \$100 per annum lost employment and left the Mission. All the other grants except Kingsclear had been referred to the Board for further consideration by the General Committee last July.

SPECIAL GRANTS.—The sum of \$60 was placed at the disposal of His Lordship the Bishop to cover necessary expenses for occasional services in the Mission of Ludlow. \$28.58 of this grant was paid to the Rev. R. Simonds who gave his own services without any charge. A piece of land has been given and a Church is now in course of erection in the Mission. An application was made to the Board by the Missionary at Petitcodiac for a grant of \$50 to aid in fitting up a Mission room at Salisbury, so that regular services might be held there. The

people have agreed to pay \$25 a year rent of the room, which will hold about 50 persons. There being some question as to the authority of the Board to make such a grant it was agreed to recommend it to the General Committee.

TRAVELLING OUTFIT.—The Board have authorized the Treasurer to advance \$250 to the Rev. C. A. S. Warneford, “for the purchase of necessary travelling outfit,” subject to the conditions adopted by the General Committee.

DIVINITY SCHOLARSHIP FUND.—\$60 from the income of this fund has been paid to Mr. Niels E. Hansen.

DEPUTATION.—During the past year a deputation from the Board visited the Mission of Campobello, and upon their recommendation the assessment and grant were altered, upon the understanding that with the approval of the Bishop the services in the Mission should be so arranged that Sarawak and Indian Island should have a greater share.

STATEMENT S. P. G.—The Board submit herewith a copy of the statistical return furnished during the past year. There has been a notable improvement during the last year in the matter of collections for the venerable Society. Only three Missions failed in their duty in this respect. An examination of the comparative statement of the returns for 1885 and 1884 will shew a considerable increase in the amount of the contributions of the Diocese for all purposes, and also in the number of the communicants. This statement would have been still more satisfactory if all the Missions and Parishes had sent in returns. No less than thirteen failed to do so, and the statement is consequently very imperfect.

INSURANCE ON CHURCH PROPERTY.—In order to carry out the regulations of the General Committee adopted last year, the Board sent a circular to each Mission receiving aid from the Society, asking for a statement of the value of Churches, Parsonages, and School-houses, and the amount of insurance on each. As the resolution of the Committee required the insurance to be effected to the satisfaction of the Board before any future grant is made, the Board decided that “at least one half the value of each portion of Church property, including furniture in each Church and School-house, should be insured,” and a copy of that resolution was sent to the Church Wardens of each Mission. On the schedule recommended for next year there is a note directing attention to each Mission where the insurance is not sufficient, and under the resolution

adopted last year no further payment can be made in such cases till the defect is remedied.

The estimates of income and expenditure for next year, the schedule of grants recommended, and the returns, correspondence and minutes of business transacted by the Board during the past year, accompany this report.

By order of the Board.

GEO. A. SCHOFIELD, *Secretary.*

St. John, N. B., June 29th, 1886.

REPORT OF THE COMMITTEE TO INTEREST SUNDAY-SCHOOLS IN THE WORK OF HOME MISSIONS.

The Committee on interesting Sunday-schools in Home Missions beg to report as follows :

1. The Committee for 1884-5 said in their report, a year ago, that the demand for Missionary boxes had ceased, and that the issuing of leaflets had not been productive of the good expected from it ; and they expressed their opinion that the Committee to be appointed for the ensuing year " should be authorized to take any steps that may be required for the establishing and issuing of a Diocesan Magazine." In accordance with this proposition the authority recommended was given to this committee in the very words above quoted.

2. When the Committee met, the establishment and issuing of a Diocesan Magazine was the first subject discussed ; and the prevailing opinion being that such a publication was desired in the Diocese, and would find a ready and large circulation, it was determined to issue a periodical monthly, beginning the 1st of January, 1886, to be called " The Chronicle of the Diocese of Fredericton." Steps were then taken to ascertain the cost of publishing, tenders were invited from leading publishers in St. John ; and, eventually, the tender of Mr. George W. Day, being the lowest, was accepted, and a contract made with him ; and the price of the Magazine, in order to bring it within the reach of all, was placed at 30 cents a year.

3. Two thousand copies of the first number, which contained an article similar to the occasional papers heretofore issued by the D. C. S., were issued and distributed gratuitously all over the Diocese ; the expense of this issue being nearly covered by the amount received for the advertisements inserted in it. The February number contained a leaflet for children, intended to revive if possible, their interest in the Missionary boxes, respecting which they at first showed so much zeal, and which had produced such good results. It is evident, however, that if this interest is ever to be stirred up again, it must be by some other means than by leaflets, or other appeals in print. With the March number was printed the tabulated returns from the Parishes and Missions of the Diocese for the year 1885.

4. The *Chronicle* has now been in existence six months. Every effort within the power of the Committee has been made to render it an acceptable vehicle for matters of Diocesan interest, and also to extend its circulation. St. John and Fredericton have been canvassed by an agent employed by the Committee to secure subscribers, and members of the Committee have repeatedly spent much valuable time in the not very agreeable task of soliciting advertisements for its pages. The result to date has been a circulation of about 800 copies, while the annual advertisements actually obtained have fallen short of the expectations which the Committee were, at the start, led to form.

5. Notwithstanding that all the personal and editorial work of the Committee has been done gratuitously, they have been reluctantly compelled to draw upon the Missionary Boxes' fund for the sum of \$41.00, and they apprehend a further sum will be required, if the *Chronicle* is to be maintained throughout the year. Appended to this report is a statement of receipts, payments and liabilities to date, and estimate of income and outlay for the remainder of the year, the whole showing a probable deficit, unless circulation is much increased, of \$205 which will have to be, at least, advanced by the Society.

6. Subscriptions having been received for a year, the *Chronicle* must be continued for that period ; and the Committee conceive that in a second year the financial prospect would be much better, as expenses would be less, and the permanent establishment of the Magazine would, no doubt, increase the list both of subscribers and advertisers. If it is

really wanted by the Diocese, it ought not to be difficult to obtain 2,000 subscribers at 30 cents. But it can hardly be expected that an enterprise of this kind can be placed on a self supporting basis at once. It may also be assumed that in addition to the saving which may be effected in giving matter to the public which would have to be published in other ways, did the *Chronicle* not exist, there may be indirect benefit to the Church even of a pecuniary nature, which will not appear in its accounts.

The Committee therefore recommend that its continuance be authorized, an appropriation made, to be used if necessary; and they also think that it would be well to appoint a "Chronicle Committee," separate from that which has charge of the Missionary boxes.

7. The Committee have to thank several gentlemen outside their number, for valuable contributions to the pages of the *Chronicle*.

8. The Treasurer's report will show that the sum of \$315.72 has been received this year from Missionary boxes; there have been no expenses, beyond the amount paid on account of the *Chronicle* above mentioned.

REPORT OF GLEBE LAND COMMITTEE.

The Glebe Land Committee of the Diocesan Church Society beg leave to submit the following report :

That the balance of the purchase money due for the sale of Tract No. 13 and 14, Parish of Saumarez, Gloucester County, amounting to \$169.75, has been paid and deeds of the different lots delivered to the purchasers. The sum of twenty-seven dollars and ninety cents, (\$27.90) has been paid for expenses connected with the completion of the title, and the balance, \$41.85, with proper vouchers, has been paid to the Treasurer of the Society.

That the suit respecting the Glebe Land at Perth has been settled, the Defendant, George Adams, getting a deed from the Society of a portion of the land in dispute, upon payment of the sum of twenty-five dollars, and releasing all title to the remainder of the lot.

That a special report has been prepared in reference to Glebe Land in Albert County, which we desire to bring before the Executive Committee.

All of which is respectfully submitted.

Dated this 29th day of June, A. D. 1886.

CHAS. A. MACDONALD,
Chairman.

REPORT OF COMMITTEE ON THE INCAPACITATED CLERGY SPECIAL FUND.

The Committee on the Incapacitated Clergy Special Fund, beg to report as follows :

1. During the past year, owing partly to the continuance of commercial depression, and partly to other calls upon the members of the Church in this Diocese, the claims of this fund have not been specially pressed.

2. Notwithstanding, the sum of one thousand four hundred and thirty-five dollars and ninety-six cents, has been received from subscribers, which amount, with \$209.67 interest,

makes the whole sum now in the Treasurer's hands at the credit of this fund, \$4,352.21.

3. The Committee recommend that the Special Fund be kept separate and untouched, and that all interest derived from it be allowed to accumulate, until it shall have reached the sum of fifteen thousand dollars and that then the whole amount be transferred to the Ordinary Incapacitated Clergy Fund of the Society, when the income may be applied to the purposes for which the Fund is being raised.

Respectfully submitted.

H. TULLY KINGDON, Bishop.
Chairman.

REPORT OF THE AUDITORS

UPON THE

ACCOUNTS OF THE TREASURER OF THE DIOCESAN CHURCH SOCIETY

For the Year ending June 10th, 1886.

The several accounts of the Treasurer have been submitted to inspection of the Auditors in detail, and have been found correct.

The securities, debentures, and deposit receipts, as stated in the accounts of the Treasurer, have been examined and found to agree in amount with his statement of investments.

The accounts have been kept upon the forms and in the manner of former years, the increase in number of accounts is due to new trusts placed in the hands of the Society to administer.

We have been afforded ample facility to audit these accounts and have been furnished with all requisite vouchers, and access to books of the Treasurer.

At a meeting of the Executive Committee held on the 7th of October, 1885, “the Rev R. E. Smith asked for information with a view to placing a partial endowment for the Parish “of St. George in trust with the Society,” and the matter was referred to the Finance Committee with power to act. The words of the Trust are as follows:—

“Mr. Wetmore please pay to the Rector and Church, “Wardens of St. Marks Church, St. George, the sum of \$1,000 “with interest added from Feb. 19, 1866, amounting at present “to \$1,240, which sum my mother wished to give to St. Marks “Church, St. George, and Christ’s Church, Pennfield, as a com- “mencement of an Endowment Fund for the benefit of the “Rector of those Churches. My wish is that the interest only “of the above sum be used, and that not until the said sum has “reached \$1,600, the balance to be made up by individual con- “tributions from the parishioners of both Parishes and also “from interest accruing from above sum.

(Signed). ANNIE J. THOMPSON.”

The Rev. R. E. Smith has paid in the sum of \$1,517.00 and the Finance Committee has invested the sum of \$1,500 in 4 per cent, Province N. B. Bonds.

Respectfully submitted,

GEO. E. FAIRWEATHER,

APPENDIX.

THE ENVELOPE SYSTEM.

As one means of increasing the contributions and lessening the difficulties of collection, the Board of Home Missions recommends that Weekly Offerings be substituted for Yearly Subscriptions, wherever practicable.

The Weekly Offerings upon the Envelope System have been found to work well in many parts of the Diocese where it has been tried.

The first step towards the adoption of this system in a Parish, is to ascertain from all the members of the Congregation what sum they are willing to contribute at the Weekly Offertory; and this being done—

1. Pledges will be received from the Parishioners for a fixed weekly sum, from one cent to one dollar and upwards, to be given in an envelope, at the services on each Sunday.

2. A package of envelopes will be given to each contributor, printed with blanks for name and amount of offering.

3. The Treasurer will enter the amount thus received each week, to the credit of each contributor, in a book to be kept exclusively for this purpose.

4. A stated meeting of the Vestry or Parishioners will be held quarterly; at which meeting the Treasurer will report all subscriptions in arrears, and at the close of the Parish year will also present all the last year's accounts of the Parish, which will then be audited and settled.

By the above plan the following objects are sought to be accomplished:

1. That not only heads of families, but *all in the Parish*, old and young, who have any means and earning of their own, may contribute *according to their ability* to the support of the Church.

2. That they may, as regularly as possible, at the appointed time, *bring their pledged Weekly Offerings to Church*, instead of paying them at the call of the collector.

[NOTE.—The principle of the Envelope System is not interfered with when, as in exceptional cases, it may be convenient to contribute ONCE A FORTNIGHT, or at any other stated period within the Quarter.]

3. That the Parish revenue may not fall into arrears and debt be incurred.

4. That the income of the Parish may be *materially increased*, so that mainly from this source, sufficient provision may be made for the support of the Clergyman.

All these objects may be easily attained if the Church Wardens be willingly and efficiently sustained in their efforts by those whose representatives they are.

The above plan has been adopted, with some variations, in a number of Parishes in several Dioceses, and has been successful.

It is hoped that it may receive serious consideration in every Mission in this Diocese, and that it may be generally adopted.
