ST. GEORGE MAN SAVES A LIFE. St. George, Nov. 16—John Mahar, returned soldier, employed in the Meeting granite mill, had a very narrow escape from death on Monday when his clothes became entangled in the machinery of the crane. He was being slowly drawn in when rescued by the quick action and presence of mind of George Marshall, a fellow employee, who saw his plight, ran to his aid and shut off the air, closing the machine down. Mahar's clothes had to be cut off of him.

## Writ is to be Issued Soon

With respect to the proposed action of the province of New Brunswick against the Canadian Pacific Railway in connection with the bridge across the reversing falls, Hon. W. P. Jones, of Woodstock, who is counsel for the province in the matter, said last evening that a statement of the claim of the province had been forwarded to the department of justice at Ottawa in order that the decision might be made as to whether the attorney-general of Canada would consent to be a party defendant in the case. Mr. Jones took advantage of an opportunity to go through the channel under the bridges yesterday in a tugboat so as to get a view of the situation. The writ would be issued so soon as the decision of the Ottawa authorities was obtained, he said.

## ULSTER PROTESTS

Will Never be Vassal of Sinn Fein Parliament, Says Belfast Mayor—Irish Attorney General Resigns.

Belfast, Nov. 16.—Ten thousand loyalists in three meetings tonight emphatically protested against the British cabinet's treatment of Ulster. Great enthusiasm was displayed. The Lord Mayor of Belfast, presiding over the principal meeting in the assembly hall, declared that Ulster never would be the vassal of a Sinn Fein parliament. Resolutions to this effect were adopted unanimously. These included a resolution confidently relying upon the Liverpool conference to repudiate the idea of placing Ulster under the dominion of an all-Ireland parliament. The mention of Lloyd George's name was greeted with groans.

Attorney-General Resigns. London, Nov. 16.—Thomas Watters Brown, attorney-general for Ireland, authorized the announcement tonight that he had resigned.

## WELCOME SOCIAL FOR NEW MEMBERS

A much enjoyed and most successful welcome social was held last night in the schoolroom of the First Presbyterian church, West St. John, which there was a large attendance of the congregation to welcome the members recently received. An address of welcome on behalf of the congregation was given by Jasper Cameron and the chairman for the evening was David Allen. The wives of the elders and managers of the church formed the reception committee. A pleasing programme was carried out. Those taking part were J. Stewart Smith, Miss Elsie Koop and Miss Edna Smith. The minister, Rev. Dr. J. A. Morison, gave readings from Henry Drummond's works. The hall was prettily decorated for the occasion by the C. G. I. T. members and refreshments were served by the Young Ladies' class. The tea used was a generous donation.

## CUT WIRES, STEAL 60 CASES FROM A SASK. WAREHOUSE

Regina, Nov. 17.—After every precaution had been taken to prevent the raising of an alarm, which included the cutting of telephone wires, sixty cases of liquor were stolen from a liquor warehouse at Carnduff, Sask., last night by six masked bandits who escaped. The bandits, who are believed to have come from the United States arrived in automobiles and, after loading the liquor, took the employes of the warehouse to a point two miles from Carnduff, where they were liberated.

## MORNING NEWS OVER THE WIRES

Prince Rupert, B. C., Nov. 17.—After a chase of six miles during which seven shots were fired at the fleeing motor vessel Sybil, of Ketchikan, the vessel with 100 cases of liquor aboard, was seized on Tuesday night by the Canadian government steamer Tilipal. The seizure was made within half a mile of American waters.

A bandit, captured at Phoenix, Arizona, Tuesday night, after an attempt to rob a mail car, was identified by finger prints as Roy Gardner, who escaped recently from the federal prison at McNeil's Island. He is wanted by the C. P. R. and C. N. R. in connection with train robberies near Moose Jaw on October 19 and at Tofoad, Alta., on September 22.

Justice Edward P. Pierce of the Massachusetts supreme court, has been indicted with W. Edwin Ulmer by the Suffolk county grand jury on charges of conspiracy to obstruct justice. Justice Pierce is ill, and it is not known when he will be able to answer the charges. Ulmer pleaded not guilty.

The Halifax Board of Trade sent a telegram yesterday to S. Brown, eastern superintendent of the C. N. R., urging him to take up at once the matter of providing the port with proper equipment. According to schedules submitted there will be about 160 sailings to Halifax during the winter, and it is feared that unless something is done without delay they will be unable to handle the traffic.

Several hundred workers in the Ames Holden McCready Co. Ltd., boot and shoe factory have decided to strike on account of alleged excessive wage cuts. President Reider claims that the men are trying to regain recognition of the International Union.

## MUNICIPAL SKATING RINK

Mayor Jarvis B. Woods, of the city of Bangor, Maine, writes Mayor Parker inquiring if Halifax has a municipal rink and if so, for some information as to size and cost of construction and keeping in condition. Bangor has a large lot of land which some of the citizens would like to have used for a rink, though cost seemed to be the problem.

## LEMIEUX AND GAUTHIER HAVE WARM EXCHANGE

Saint Cesaire, Que., Nov. 16.—Warm passages were exchanged between Hon. Rodolphe Lemieux and L. J. Gauthier, former M. P. for St. Hyacinthe-Royville, at an open air joint meeting held here this afternoon. Mr. Lemieux insisted that Mr. Gauthier had been a traitor to the Liberal party, comparing him with Judas Iscariot, told him the latter had hanged himself and hoped that Mr. Gauthier would not go so far as that and would leave it to the electors of St. Hyacinthe-Royville to suspend him by their votes. Mr. Gauthier said Mr. Lemieux was a corpse, politically speaking. He declared that Mr. Lemieux and his

## THE FIFTY-THIRD ANNIVERSARY OF THEIR WEDDING

Yesterday was the fifty-third anniversary of the wedding of Mr. and Mrs. Peter Campbell, 47 Hazen street. Several old friends were entertained to supper by Mr. and Mrs. Campbell and in the evening many others called to make their congratulations. Many gifts of flowers and several cards and telegrams were received in honor of the day.

## RECENT WEDDINGS

**Connelly-Carson.**  
The marriage of Miss Maide Helen Carson, daughter of Mr. and Mrs. William Carson, of this city, to George Edgerton Connelly, son of Mr. and Mrs. J. P. Connelly, of Apohaqui, was solemnized yesterday afternoon in St. James' church, Broad street, in the presence of relatives and many friends. During the ceremony, which was performed by Rev. H. A. Cody, the pastor of the church, incidental organ music was played by Miss Farmer. The bride looked charming in a navy blue tailored suit with fascias colored hat and a grey squirrel fur. She carried a shower bouquet of Opuntia roses. The bride and groom were unattended. After the ceremony they left for a wedding trip to Montreal and other upper Canadian cities. The good wishes of many friends are extended to them. Among the out-of-town guests at the wedding were Mr. and Mrs. J. P. Connelly and Miss Gretta Connelly, of Apohaqui, the parents and sister of the groom, and Mr. and Mrs. William Moore, of Apohaqui, brother-in-law and sister of the groom, and their son, Donald. Many beautiful gifts received testified to the popularity of the bride and groom. On their return Mr. and Mrs. Connelly will reside in St. John, where Mr. Connelly is the manager of the Haymarket square branch of the Bank of Nova Scotia.

**Downey-Richardson.**  
At Allison, on November 7, Miss Alberta Richardson, daughter of the late LeBaron Richardson of Waterville, was united in marriage with Pierce Downey Curryville, Albert county, by Rev. E. H. Cochran of Moncton, assisted by Rev. H. S. Young of Sunny Brae. Following a Thanksgiving supper, the happy couple left on a honeymoon by automobile.

**Marks-Mason.**  
An interesting ceremony was performed last evening at the home of Mrs. W. Dorman, 80 City road, when Rev. F. H. Bone united in marriage Welford Calvin Marks, of Martinon, and Mrs. Catherine Beatrice Mason, of this city.

After supper music and games were indulged in and at the close of a very pleasant evening Mr. and Mrs. Marks motored to Montreal where they will reside.

## RECENT DEATHS

**Robert F. Kelley.**—The death of Robert F. Kelley, manager of the Minard Liniment Company, occurred tonight after twenty-four hours' illness. Mr. Kelley, who was forty years old, was prominent in yachting and political circles, having been president of the Yarmouth Yacht Club and secretary of the Liberal Association here. He leaves a wife, one son and a daughter, who are residing in Massachusetts.

**Charles H. Colby.**  
Word has been received of the death of Robert F. Kelley, aged sixty-four years. Deceased is survived by his widow, who was formerly Miss Theresa A. McConagle of Orancton, and two sons, Arthur and Myron.

**William McCrossin.**  
The death of William McCrossin, occurred yesterday at 42 Richmond street in the seventieth year of his age. Mr. McCrossin was a well-known resident of this city. He leaves his wife, two sons,

William and Charles at home; one daughter, Mrs. James H. Winning of Lawrence (Mass.), one sister, Mrs. James Atkinson of Lawrence (Mass.), and six brothers, Frank, Joachim, David and James of the United States and Thomas and John of Cornhill, Kings county.

**Sinclair Wright.**  
Friends of Mr. and Mrs. Luther Wright, 48 Harding street, Fairville, will sympathize with them in the death of their five-year-old son, Sinclair Sutherland, which occurred suddenly at his parents' home yesterday. He is survived by his father, mother, two brothers and one sister. The funeral will be held on Friday afternoon at 2:30 o'clock from 48 Harding street, Fairville.

**Mrs. L. A. Oldfield.**  
The death of Mrs. Kate Lillian, wife of L. A. Oldfield of Grosvenor Place, London, England, occurred, on Nov. 1, at Villa Mimosa, Monaco, France. The late Mrs. Oldfield was the eldest daughter of the late R. B. Weldon, barrister at law, of St. John.

In Chatham on November 11 Mrs. Catherine Dickens, widow of Peter Dickens, died. She was a native of Scotland. She leaves one son and three daughters, including Mrs. James Walls of this city.

**DIED SUDDENLY IN HER BED.**  
UNNOTICED BY COMPANION  
Oshawa, Ont., Nov. 17.—Mrs. Agnes Taylor, 44 years old, was found dead in bed. She had been in her usual health before retiring, with the exception of a cold for which she had procured a bottle of medicine from her physician, and from which she had taken just one dose.

Her niece, Miss Elizabeth Rudd, who had slept in the same bed, was not awakened through the night by any struggle, and did not notice on rising this morning that her aunt had passed away. But, noticing she did not rise at her usual hour, went back to the bedroom, when she discovered her dead. Coroner Dr. Rundle attributed death to natural causes.

**MRS. GEORGE GOULD BURIED.**  
New York, Nov. 17.—Mrs. Geo. J. Gould, who dropped dead of heart disease on the golf links of her Lakewood estate on last Sunday, was buried yesterday. About 100 friends and relatives assembled for the Episcopal service held in the Gould home in Fifth avenue. Rev. Dr. Edward Mathews of the church of the Heavenly Rest, officiated. A crowd of nearly 2,000, mostly women, watched the cortege start. Several automobiles were filled with flowers. The body was interred in the Jay Gould Mausoleum at Woodlawn cemetery.

## Spirited Fashions Prevails in Frocks for Afternoon and Evening Wear

The fine art of being well dressed is splendidly exemplified in these ultra modish frocks of panne velvet, taffeta, georgette and clinging crepe. They charmingly illustrate the vogue for skirt draperies, bright colors and whimsical sleeves. Such delightful modes as are mentioned below are not exceptional in our present very complete stocks.

## Evening Dresses

In their simplicity lies their compelling charm.

Particularly attractive is a youthful frock of black charmeuse with three tier skirt of fluffy black net caught here and there with bunches of fall-shaped ornaments of bright tangerine intertwined with black crepe ribbon.

Some taffeta dresses are featuring deep neck frills of metallic laces. Pange velvets are very plain, but very distinctive, fashioned of poppy reds and Sorrento blue.

If you will need a dress of any kind for the social season you will find our stocks in every way appealing.  
(Costume Dept., second floor.)

A black panne velvet dress for afternoon wear has mandarin sleeves and under arm pieces of Nile green georgette embroidered in gold. Front and back of dress are in panel effect shirred at waist and girdled with wide sash of velvet, piped with green and gold.

French blue panne velvet forms the foundation for another lovely afternoon dress. This has plain basque waist and bouffant skirt overdraped with black figured lace. A large cerise rose carelessly arranged at waist adds the right touch of contrast.

The Spanish influence is shown in a dress of black taffeta and lace. A wide head scarf to match made with heavily fringed ends lends a very distinctive touch.

Tea Rose Georgette is used for a particularly dainty frock. The skirt has pointed side draperies caught front and back with a band of delicately tinted roses.

Misses and Juniors Party Frocks feature pleated and frilled styles in beautiful shades of poppy, yellow, blues and Nile.

## Liberal Policies Appeal To St. Andrews Electors

Enthusiastic Meeting in Interests of Liberal Candidate in Charlotte Addressed By Mr. Todd and Premier Foster—Matters of Vital Interest to Constituency Discussed.

St. Andrews, N. B., Nov. 16.—Hon. W. E. Foster, premier of New Brunswick, and Mr. F. Todd, the Liberal candidate in Charlotte county, addressed an audience of 1,000 people, one of the largest and most enthusiastic gatherings ever held in St. Andrews, in Andrews Hall here last evening. Judge George M. Byron presided and introduced the speakers, who addressed the electors on the chief issues of the campaign, pointing out how the policies and practices of the present federal administration adversely affected the interests of the people of Charlotte county.

Premier Foster declared that the question of the tariff was one of very great importance to the people residing so close to the border. He showed that the government was not adhering to the principle of routing Canadian trade through Canadian ports, and calling attention to the shortness of the distance between Portland, (Me.) and ports in Charlotte county. Hon. Mr. Foster quoted from an account of a speech by the premier of Canada at Montreal in which the Hon. Mr. Meighen said: "This government could not and no government could make itself responsible for the dismemberment of the Grand Trunk system of railways. What would have happened, for example, if the line to Portland had, in the process of liquidation, passed out of the system and become the property of American lines?" Commenting upon this announcement, Premier Foster said it would have been the greatest blessing if the line had passed out of the hands of the Canadian people. Mr. Foster said that, in a report made to the government addressed to the Prime Minister, Sir Joseph Flavelle said

Canada and the United States, had claimed that the adoption of the agreement would be followed by the diversion of the traffic, more particularly the grain trade, through American channels instead of causing it to be routed through Canadian ports.

Yet in the face of Sir William's contention at that time, declared the premier, the duty was removed from wheat within the following year. What, asked Mr. Foster, would the late Sir William think today of the present diversion of traffic through Portland, (Me.)

Referring to Conservative campaign advertisements, the speaker called attention to the fact that, in them, fault was found with the Forney Bill. He pointed out that in 1911 a remedy had been proposed for the wrongs of which the Conservatives were now complaining and that at that time the Conservatives vigorously opposed the remedy.

He referred to the fact that a large number of Charlotte county people were engaged in the fish trade and to the government's contention that the Forney Bill provided for a duty on fresh fish which would exclude Canada's production from American markets.

The Liberal policy, however, was one of willingness to make a fair reciprocity agreement with the United States. The new American tariff bill, Mr. Foster said, contained a provision authorizing the president of the United States to open negotiations for reciprocal trade arrangements with any country. The Liberals, the Premier declared, were prepared to uphold the principle of reciprocity and to make a fair bargain. Where reciprocal arrangements could be made, he said, it would be of benefit to the fishing people of Charlotte county. The Meighen government, however, was standing on its slogan of no truck or trade with the Yankees.

The Premier asked the people not to forget that the Conservative candidate in Charlotte, Mr. Grimmer, was the same Mr. Grimmer who had voted in the provincial house to whitewash Messrs. Jones and Smith, the potato patriots.

Mr. Todd.

In a calm, reasonable, and convincing speech, Mr. Todd, the candidate, showed his audience that he had a deep grasp of the issues now before the country and especially of the needs of Charlotte county.

Mr. Todd dealt in a telling manner with the financial policies of the present

British parliament, who came to this country to speak before the birth control conference; Mrs. Ogden L. Reid, wife of the owner of the New York Tribune, and Kittle Marion, an English suffragist.

Then, with one accord, those nearest the doors formed in a milling, shouting parade and proceeded to the police station.

So great was the racket in the hall that the few policemen there were powerless and a call for reserves was sent. The reserves arrived before ten o'clock and slowly drove the remainder of the crowd to the street.

The band of marchers to the station meantime had grown to 3,000. They began to sing "My Country 'Tis of Thee," with sarcastic emphasis on "Sweet Land of Liberty." Along Broadway the crowd was swelled with marchers until when the head of the column reached the station house, West 47th street was blocked as far as Eighth avenue by the boisterous singing throng.

Captain Thomas Donahue, upon whose orders the arrests were made, ordered the reserves to return, and with great effort they cleared the street in front of the station.

No explanation was given as to why the meeting was broken up, the police merely replying to questions: "Orders from headquarters."

ARRESTED IN MAINE.

W. P. Stevens, inspector of the C. P. R. investigation department for this district, received a report this morning from one of his staff at Brownville Junction, going into details of an arrest he made recently. The C. P. R. police had been notified to look out for a man named Ray Bean, who was wanted on suspicion of passing forged checks in Dover, Me., and on the night of November 14 he was seen near the station at Brownville and placed under arrest. The following day he was identified and taken before Magistrate Lampher in Milo, Me. and sent up for trial. Bail was fixed at \$1,000, but as he was unable to procure it he was remanded to jail.

MILITARY MATTERS.

The formation of a cadet corps in McAdam Junction to be known as the McAdam Cadet Corps, has been authorized. The number of the corps is 830 and its organization dates from November 14. According to general orders issued by Lt. Col. A. H. Powell on Tuesday the following have been struck off the Reserve of Officers on re-appointment to Active Militia on re-organization: Lieut. Charles Eugene White and Lieut. Edgar Frank Woolverton. A committee meeting of the St. John Garrison Sports and Entertainment Association will be held Friday at 8:30 p.m. and it is expected that arrangements for indoor baseball, basketball and other sports will be completed.

NOVEMBER BRIDES.

Williger-VanWart. A quiet but pretty wedding took place at the home of Mr. and Mrs. Wesley VanWart, Kers, on Nov. 16, at six o'clock, when their daughter, Nellie Pearl, was united in marriage to Burton Williger of Kers. After the ceremony a bountiful supper was served. Mr. and Mrs. Williger will reside in Kers. They have the very best wishes of hosts of friends. Rev. B. W. Hopkins performed the ceremony.

Beales-Upton.

Yesterday's Frederick Gleason says: The wedding of Mrs. Abbie Upton, of Frederickton, and H. Beales of Grand Manan, will take place tomorrow afternoon at the home of the bride's father, John Greer. Mr. Beales and his bride will reside at Grand Manan.

Withers-Withers.

A pretty wedding took place at 4:30 o'clock this afternoon at the home of Mr. and Mrs. George E. Withers, 103 Haven street, when their daughter, Miss Susie L., was united in marriage to James W. Withers, son of Mr. and Mrs. Charles Withers, of Fairfield, N. B. The ceremony was performed by Rev. H. E. Thomas, pastor of Exmouth street church. The bride, who was unattended, wore a navy-blue traveling suit with hat to match, and carried a bouquet of Ophelia roses. The wedding march was played by Miss Frances Withers, sister of the bride. A dainty luncheon was served after the ceremony to relatives and friends. The tables were prettily decorated with yellow candles and chrysanthemums. The bride received a large number of useful and beautiful gifts. Mr. and Mrs. Withers will leave on the night train for a tour of the maritime provinces, after which they will reside in the city.

On last Monday evening friends gathered at the home of Mrs. F. M. Hastings, Godling street, where they tendered Miss Withers a shower in honor of her marriage. On the following evening at the home of Mrs. John Irvine, East St. John, Miss Withers was again made the recipient of many beautiful gifts.

Commercial Club's Athletic Association Meets.

Baseball Club's Season Showed Financial Surplus—Tributes to A. W. Covey and St. Peter's Management and Regret at Death of Gordon Thompson.

The annual meeting of the Athletic Association of the Commercial Club was held last evening in the club rooms, Prince William street, with the president, Fred W. Coombs, in the chair. The reports showed a successful year's work. President Coombs referred in his address to the encouragement given to skating, baseball and other sports. He paid a very warm tribute to the work done by Frank White, and thanked all the members of the executive for their hearty assistance whenever called on. He looked back on the work done by the association in the last two years had been of much benefit in reviving public interest in healthy sports. Frank White gave a detailed report of the baseball season, showing that of forty-three games played by the Commercial team won twenty-two. He warmly complimented the manager and captain of St. Peter's team for the sportsmanlike manner in which they dealt with all questions throughout the season. Mr. White was able to show that the Commercial Club's baseball venture had not proved a burden, but a financial success, as the season closed with a surplus in the treasurer's hands. Mr. White also reported on his attendance at the meeting of the Maritime Branch, A. A. U. of C. meeting in Amherst, and in that connection spoke in high praise of the president, A. W. Covey, as an official whose sole desire was to have the rules observed and sport kept cleanly amateur. Regret was expressed by Mr. White and others last evening at the death of Gordon Thompson of Halifax, vice-president of the maritime branch, who had made friends in St. John on visits here. It was decided that the athletic association would look after Charles Gorman this season in his try for further skating championship honors, and also to have one or two meets in St. John this winter. The program of the work of the baseball team will also be shown. There was some discussion regarding the proposed hockey rink.

The election of officers resulted as follows:—F. W. Coombs, president; Fred W. Coombs, vice-president; F. Wright, secretary-treasurer; K. J. MacRae, A. M. Belding, J. Fred DeForest, H. W. Stubbs, additional members of the executive.

MANY FROM HERE TO THE OLD LAND FOR CHRISTMAS

Holiday Sailings to England and Italy are Announced—News of Steamships.

The C. P. O. S. liner Caserta, which was originally booked to sail from this port for the Mediterranean on December 7 will sail on the preceding day instead. She is now enroute here from Genoa and is due here about November 26. It is expected she will have a large booking as many people have enquired about a Christmas sailing to Italy and other points.

The S. S. Tunisian, which is to open the winter sailings of the C. P. O. S. from this port, will sail from Glasgow enroute here on Saturday. She will be the first passenger boat of the season. The S. S. Metagama is scheduled to sail from Liverpool here on November 25 and will sail on December 9. She will be the first Christmas liner to England. The S. S. Empress of France will sail from Liverpool here on November 29 and will sail on December 13 arriving in England in time for passengers to reach destinations before Christmas. From advance bookings the indications are that there will be a heavy travel to the old country by people going to spend Christmas and New Years.

The Sicilian will inaugurate the new C. P. O. S. sailing between here and Cuba commencing December 5. Up to the present time a fair number of reservations have been made and the outlook is that there will be a large movement of freight. The Sicilian will proceed from here to Boston and thence to Cuba and interesting points. She will return via Boston.

NEW INSPECTORS FOR PROVINCE

Chief Hawthorne Announces Appointment of Two in Madawaska and One at Campbellton.

J. B. Hawthorne, chief liquor inspector, who was in the city today, announced that he had appointed two new inspectors in Madawaska to replace the four who were retired by a recent order-in-council. The new men are Edward Savage, chief of police of Edmundston, and Danie Martin of St. Leonard. Four were laid off recently. Chief Hawthorne also announced the permanent appointment of William Smith of Campbellton, who has been employed temporarily as inspector for the last three or four months.

Important Pronouncement by Hon. W. E. Foster.

Matter of Equalization of Taxation and No Exemptions from School Taxes—More Than Hundred Delegates in Attendance.

Fredericton, N. B., Nov. 17.—(Canadian Press)—With an important pronouncement by Hon. W. E. Foster, advocating an equalization of assessment for taxation purposes throughout the province, a reiteration of policy that there shall be no exemption from taxation for school purposes in legislation that is passed in this province, and an expression of hope that the future will make possible greater provincial assistance to the University of New Brunswick, the provincial convention of school trustees of New Brunswick was opened here this morning, with practically all sections represented.

There were approximately 115 delegates and arrivals on noon trains today sought the number up higher.

The convention was opened by Dr. W. C. Carter, chief superintendent of education. W. J. Mills of Sussex was chosen chairman. An address was given by W. C. Carter, chief superintendent of education. TRAINS COLLIDE IN FOG; MANY ARE INJURED

Chicago, Nov. 17.—Twenty-five persons were injured, two of them perhaps fatally, this morning when two five-car, elevated trains, loop bound from the west side, were wrecked in a rear end collision at the Crawford avenue station on the Oak Park line.

The first train was leaving the Crawford avenue station when a speeding five-car, all steel express dived out of the fog and crashed through the rear of the car ahead. Two heavy steel cars were telescoped. Most of the seriously injured were in these coaches.

Three hundred passengers in other cars were thrown to the floors and showed with broken glass. Many suffered minor cuts and bruises, but were able to proceed on other trains after receiving first aid.

A special feature of the celebration was the presentation by Mrs. Sanford on behalf of the auxiliary, of a purse of gold to Mrs. George E. Armstrong, who has completed twenty-five years as treasurer of the auxiliary.

The president in her address made feeling reference to those who had died during the war.

Chicago, Nov. 17.—Willie Hoppe, world's champion 182 ball-line billiard player, and Ora Morningstar of San Diego, Cal., are the only two entrants in the championship billiard tournament now in progress here who remain undefeated.

Hoppe has won two games, while Morningstar has won only one. The match has been postponed.

Stratford, Ont., Nov. 17.—W. B. Race, Principal of the Ontario Institute for the Blind at Brantford, speaker at the annual meeting of the Ontario Association of the Blind, and a member of the board of education and training of the blind.

In beginning his address he expressed regret that the blind men whom the public usually came in contact were beggars and paupers.

Mr. Race went on to speak of other graduates of the Ontario School for the Blind, which was founded in 1872. The institute is under the Department of Education and pupils between the ages of 7 and 21 are admitted.

To take care of adults a similar institute was founded in Toronto. At this institute work is given to blind men and women. They are paid for their work, which is sold.

Course at the School. The Ontario school is free, because it is felt that blind children are entitled to as free an education as others.

Parents pay traveling expenses and supply clothing, while the cost of tuition and board is borne by the Government of Ontario. There are only two other blind schools in the Dominion.

The work of the schools is exactly the same as that in any other school except that it is done by means of the fingers instead of eyes. This is the Braille system, by which means a pupil can read after much practice as rapidly as a pupil with sight. Mr. Race explained this system of dots, and went on to point out how "studios" were taught by means of "physical maps."

Many useful trades are taught as well. He said that the theory that blindness was a punishment given to sinners was a thing of the past. There are many graduates of the school teaching in various parts of the Province.

Daily Resume of News. The work of this department is truly amazing, Mr. Race said. The instructor of this department is himself entirely blind. Mr. Race also told of the remarkable efficiency of girls as stenographers and in sewing. He told of the routing of school and among other things, said that every morning he gave the pupils a resume of the day's news from the newspapers, a department which he said was eagerly looked for by the pupils and which he thought could be introduced with good effect in ordinary schools.

Two Blind Should Not Marry. Mr. Race was strongly of the opinion that blind people should not marry blind, though in many cases blind people might marry without fear. There are cases on record where blindness has been transmitted.

A vote of thanks was tendered to Mr. Race on motion of Hon. Peter Smith.

THEY GET THEIR CERTIFICATES

Court Rules in Case of Three Students of Pharmacy in Quebec Province.

Montreal, Nov. 17.—The court of appeal gave judgment yesterday confirming a decision of the superior court ordering by writ of mandamus the Pharmaceutical Association of Quebec to admit Gabriel Fautoux, Come Dubuc and Paul V. Charland to practice as fully qualified licentiates of pharmacy.

In 1918 the three men named were "assistant pharmacists" under the Quebec pharmacy act, and by reason of going to the front overseas they were allowed the privilege of submitting to a special examination prior to entering on their military duties. This examination they each passed and each received his diploma. On their return they applied for their license to practice, but this was refused on the ground that the association had subsequently passed resolution revoking the concession.

SOLDIER JONES IS KNOCKED OUT

Tommy Gibbons Gives Him Sleep Producer in the First Round.

Windsor, Ont., Nov. 17.—Soldier Jones was knocked out by Tommy Gibbons in the first round of his scheduled ten round bout before a crowd of 8,500 persons at the Windsor Armories last night. The punch that laid the Canadian "hope" low was a short left to the point of Jones' jaw. It was delivered with tremendous force and Jones went down and out thirty seconds from the time the two men shook hands.

Then, as Jones, writhing unsteadily, placed himself in position, Gibbons leaped in and landed a short arm right hand blow that felled Jones like a log. He was carried from the ring unconscious, Gibbons assisted the seconds to get him through the ropes.

SOLDIER SPORT

Three courts will be ready on Saturday afternoon at the armory for Badminton. Bridge tables will be provided and tea will be served. This will be the first playing meeting of the club and it is expected that a large crowd will be present as nearly all those to whom invitations were sent have signified their intention of attending.

The standing of the Garrison Bowling League up to Nov. 12 is as follows:

Unit	Games Played	Points Won	Points Lost
7th C.M.G. Brigade	11	11	0
R.C.O.C.N. 2	10	18	2
6th Siege Battery	5	10	0
R.C.O.C. No. 1	5	4	6
"A" Coy, Fusiliers	5	14	6
Headquarters	5	14	6
R.C.O.C. No. 1	4	10	0
"C" Coy, Fusiliers	5	11	9
16th Signal Coy	5	10	10
R.C.O.C. No. 1	4	2	15
"B" Coy, Fusiliers	5	9	11
N. B. Dragoons	5	8	10
16th Heavy Batts.	4	5	4
6th Siege Battery	3	2	10
14th Field Amb.	3	3	17
R.C.O.C. No. 1	2	2	15
"D" Coy, Fusiliers	4	1	15

The league is arousing a great deal of interest among the men in the different units and the competition for Capt. Risling's trophy is unusually keen. The men of the garrison have shown themselves greatly in favor of bowling as a winter sport.

MADE REAL POT ROAST NATURAL JUICES OF THE MEAT

At Today's Cooking Demonstration.

Brown, juicy and delightfully toothsome was the pot roast made by the chamberlain during today's "Wear-Ever" cooking demonstration in the Household Department of W. H. Thorne & Co. Ltd., and it was freely related by the many housewives who were present.

"Real pot-roasting of meat," said the demonstrator, "means cooking the meat in its own juices, not in water, which is steaming, or in fat, which is frying. You have seen for yourselves that a 'Wear-Ever' kettle accomplishes this proper type of roasting as no other utensil can because it does not absorb the juices and will retain the low, even temperature which is necessary. The pot roast cooked in a 'Wear-Ever' kettle is more tender, more moist than the oven roast; just as brown and much more juicy."

"The 'Wear-Ever' kettle is more demonstrated to the surprise and delight of everyone."

The Chamberlain's demonstration has in store new culinary secrets for those who visit the stores of W. H. Thorne & Co. Ltd.

NOW DIRECT NEGOTIATION

Preliminary Work at Washington Ended.

Washington, Nov. 17.—Preliminary reconvening gave way to more direct negotiation today in the endeavors of the armament conference to find a solution of the problems of the Far East. Sitting as a special committee on the Far Eastern situation, the heads of the nine delegations went into conference to outline the respective policies by which each be guided and to work out a plan of procedure that will give each of these policies a fair show.

The ten points presented yesterday by China with the general backing of the U. S. formed the basis of today's exchange, which were assigned to develop step by step the exact attitude of the nine delegations.

No one expected this process to go very far at today's meeting, although the discussion of a programme was considered certain to draw out the opinions of the powers as to the relative importance of the topics before them.

The U. S. delegation would be glad to see the big nine, or the full conference go directly to work without parading out branches of the task to any more sub-committees than are absolutely essential.

Australian Views.

Melbourne, Nov. 16.—Argument for the reaching of an understanding in the Pacific as indispensable in connection with drastic naval limitation is advanced by the Sydney Evening News in commenting on the Washington conference proposals. "The U. S. has taken a strongly popular line, the newspaper says, and the world will acclaim the proposition, but the limitation of armaments is worthless and might even be inadvisable unless the great sea powers make a covenant to observe international equality in the Pacific."

The Sydney Daily Telegraph says Secretary Hughes in his proposal "has erected a finger post pointing to a turning of the path in the history of civilization." The alternative to the adoption of such a proposition is "death and destruction."

Secretary Hughes, says the Sydney Morning Herald, has revived in a new form the long disputed subject of the freedom of the seas.

The question whether the British navy as fixed by the proposals will be adequate to protect Australia.

Of President Harding's address opening the conference the Adelaide Advertiser says it was "a thoughtful, elevated utterance, having a lofty regard to the dictates of justice and righteousness."

N. Y. WORLD POINTS TO GREAT LAKES

New York, Nov. 17.—(Canadian Press)—The World, in commenting on the argument advanced by opponents of the disarmament plan, that the provision in the U. S. constitution providing that congress shall have power "to provide and maintain a navy" leaves it impossible for the president and the senate to make a treaty fixing the size of the U. S. navy for a period of ten years, says:

"The answer to that is that for more than 100 years the naval strength of the U. S. and Great Britain on the Great Lakes has been limited by a treaty, regardless of the constitutional power of congress. This agreement was defined by President Monroe in a formal proclamation issued April 26, 1818, in these terms: 'The naval force to be maintained upon the American lakes by His Majesty and the government of the U. S. shall henceforth be confined to the following vessels on each side, that is:

"On Lake Ontario, to one vessel not exceeding one hundred tons burden and armed with one eighteen-pound cannon.

"On the upper lakes, to two vessels not exceeding like burden each, and armed with like force.

"On the waters of Lake Champlain, to one vessel not exceeding like burden and armed with like force.

"On the waters of Lake Champlain, to one vessel not exceeding like burden and armed with like force.

"No agreement reached in Washington can be more rigid than this."

OFFICIALS AND ROUTES FOR THE BOYS' ROAD RACES

LID CLAMPED ON TAX PROBE

Drayton Refuses Further Information Regarding Rindons—Says the Act Won't Permit

(Staff correspondence Toronto Globe)

Ottawa, Nov. 11.—Sir Henry Drayton today clamped the lid upon the government's methods of collecting income taxes.

No further information will be forthcoming, he declared, regarding the indefiniteness of the Rindon Pulp & Paper Co. or any other corporations or individuals who may have given notice in lieu of cash for their income taxes.

The Minister of Finance takes the ground that such information may only be given to members of parliament—parliament having been dissolved—such information must remain secret, locked in the bosom of the government until after the election.

Says Act Forbids Sir Henry states that under the provisions of Section 14 of the Business Profits Tax Act he is not at liberty to give the information asked regarding the alleged practice of the government of tiding over large corporations by accepting promissory notes in payment of their taxes.

No person employed in the service of His Majesty shall communicate or allow to be communicated to any person not legally entitled thereto any information obtained under the provisions of the act or allow any such person to inspect or have access to any written statement furnished under the provisions of this act.

Herbert Miller Ellard, who hurled the Rindon income tax bomb into the Tory camp, is a Gattineau county farmer who cultivates about 1,400 acres of land in the vicinity of Greenfield.

By a long series of manipulations, he says, the Rindon company secured powerful help upon the Gattineau valley. The company obtained the labor and materials of the inhabitants upon the credit of a sound and responsible Canadian industry.

Mr. Ellard declares that, as a farmer, he has always regarded taxes as taxes, and nothing else. He sees that the country needs badly the tax revenue, and as a farmer he is willing to pay his share.

HALIFAX EXPLOSION WRECKED HER NERVES

The reader, will, no doubt, remember when there was a collision in the Halifax, N. S., Harbor and one of the munition ships was blown up causing great loss of life and laying a large portion of the city in ruins, and causing a great deal of suffering and distress among the inhabitants.

Mrs. Winfield Dill, now of Windsor, N. S., was living in Halifax at that time and went through this trying experience and the shock wrecked her nerves. She writes as follows:—I was living in Halifax at the time of the explosion, and it wrecked my nerves so that I could not do my housework.

MILBURN'S HEART AND NERVE PILLS as the best remedy to tone up the entire nervous system and strengthen the weakened organs.

the Rindon company has been accommodated by the government to the amount of about \$200,000, representing taxes and interest due the government over a period of years.

Will Government Aid People? At the height of its prosperity, Mr. Ellard claims, the government came to the aid of this lunatic concern and allowed it to use the money rightfully belonging to the country in its financing.

ADDITION TO HOSPITAL PLANT TO COST \$19,156

Tenders for the proposed extension of the epidemic hospital were opened at a special meeting of the board of commissioners of the General Public Hospital held yesterday afternoon and the lowest tender, made up of the various trades, amounted to \$19,156, or \$844 less than the lowest tender for the entire contract.

No allowance for furnishing and equipping has been made. It was estimated by the architect that the alterations and repairs to the present building. The mayor and the warden of the county some time previously had agreed to support the presentation before the municipal council of a proposal to make an additional grant of \$10,000 to the hospital.

LIBERALS HAVE FINE MEETING AT HILLSBORO

Hillsboro, Nov. 16.—The Liberal campaign in St. John-Alexis was opened here this evening before an attentive audience numbering about 300 when H. R. McLellan, M.P., and P. Broderick, M.P., the Liberal candidates, delivered strong addresses on the issues of the day.

Don't hurt a bit! Drop a little "Freestone" on an aching corn, instantly that corn stops hurting, then shortly you lift it off with fingers. Try it! Your druggist sells a tiny bottle of "Freestone" for a few cents, sufficient to remove every hard corn, soft corn, or between the toes, and the calluses, without soreness or irritation.

WHEN HAIR THINS, FADES OR FALLS, USE "DANDERINE"

35 cents buys a bottle of "Danderine." Within ten minutes after the first application you can not find a single trace of thinning or falling hair. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, helping your hair to grow long, thick and curly.

WINTER HAS NO TERRORS

Do not coo yourself up indoors for the winter. You need the fresh air and exercise in winter as well as in summer. The fear of catching cold prevents many people from enjoying the crisp, exhilarating winter weather, and needlessly too—

SHARP'S BALSAM of Horehound and Anise Seed

is a sure and quick cold remedy that dispels the perils of winter. You may rely on Sharp's Balsam to easily, safely, and promptly correct all conditions arising from colds, coughs, etc. Enjoy yourself this winter—fortified with this wonderful medicine that has been preserving health for over 70 winters.

SORE MUSCLES

Linger them up with "Bentley's." It irons out the kinks and relieves the soreness—quickly—because it penetrates to the spot. You can feel it loosen up, and put new life in tired muscles. A powerful, soothing, counter-irritant for all pain.

BENTLEY'S LINIMENT For Man and Beast

ATTENTION! Are you hoarse? Do you cough? Is your cold obstinate? Beware! Do not delay. Procure immediately Dr. J. O. Lambert's Syrup. The famous and well known specific for old and young. Indoor Life

Spending more time indoors makes women far more subject to constipation than men.

The liver becomes sluggish and torpid, the bowels constipated and the system poisoned by impurities.

If you would get away from the myriads of ills which result from constipation, it is only necessary to use Dr. Chase's Kidney-Liver Pills.

The benefits from their use are as lasting as they are prompt and certain.

Mrs. John Barry, 18 St. Amable Street, Quebec, Que., writes: "This is to certify that I was troubled for years with constipation and tried all kinds of medicine without relief. At last my husband suggested that I try Dr. Chase's Kidney-Liver Pills. I did so, and most say that they have given me more relief than all the medicine I have taken during the last fifteen years. I may also add that I have used Dr. Chase's Ointment for piles with excellent results."

Get a small trial bottle of old-time "St. Jacob's Oil" any drug store and in just a moment you'll be free from rheumatic pain, soreness and stiffness. Don't suffer! Relief awaits you. Get it! "St. Jacob's Oil" is just as good for sciatica, neuralgia, lumbago, backache, sprains and swellings.

LAST OF LEPER HOMES IN BRITAIN

St. Giles Unknown by Most People.

Serves Whole Empire—Anglican Sisterhood and Brotherhood Give Lives to Service—Gratuitous Medical Attention.

The building known as the Homes of St. Giles looks like a cottage hospital, says the London Times. It stands among old trees, a few yards away from an English lane. There is nothing to indicate that it is the only remaining leper colony in Great Britain.

In fact its very existence is unsuspected by most people. In the popular view leprosy is now a disease of the East alone. Few have any idea that it is still to be met with in London streets or that, from time to time, the small colony of British lepers is augmented by the return of fresh victims stricken in outlying districts of the Empire.

It is these unfortunate ones who have hitherto found an asylum and a new hope in life in this colony. They have come to it secretly. Many of them have years within their peaceful confines; a few have been discharged with their disease arrested; some have died. The need is continuous, if it is small in extent, for these men must be attended and nursed if they are to be saved from the fate of wretchedness of those old-time victims of the disease who are among the most tragic of all the tragic figures of history.

Moreover, there is another side to the work. Leprosy is no more infectious than tuberculosis, yet an element of risk in connection with it does exist. The error in which the disease used to be

Relieves Rheumatism

Musterole loosens up stiff joints and drives out pain. A clean, white ointment, made with oil of mustard, it usually brings relief as soon as you start to rub it on.

It does all the good work of the old-fashioned mustard plaster, without the blister. Doctors and nurses often recommend its use.

Harmless Means of Reducing Fat

Many fat people fear ordinary means for reducing their weight. Here is an extraordinary method. Extraordinary because while perfectly harmless no dieting or exercise are necessary. Marmola Prescription Tablets are made exactly in accordance with the famous Marmola Prescription. You reduce steadily and easily, with no ill effects. Procure them from your druggist at one dollar for a case or send price direct to the Marmola Company, 4612 Woodward Avenue, Detroit, Mich.

Girls Don't Wash Your Face

Use Liska cold cream instead (you have never used anything like it). Just try it once, and you will never be without it. Soap and water has a tendency to make the skin rough, and does not cleanse the skin as thoroughly as Liska cold cream. To prove it make this test: Wash your face with soap and water; dry thoroughly; then apply Liska cold cream, massage it well into the skin, then wipe off the superfluous cream with a soft white cloth; examine the cloth and see how much dirt has accumulated thereon. Liska cold cream cleanses, softens and beautifies the skin. For sunburn or after a dusty auto trip there is nothing like it. It's fine after shaving, too. Let hubby or brother try it. Just compare Liska cold cream with any other you have ever used, and you will need no further argument to convince you that it's the best. It's put up in tubes, the only sanitary way. Try it tonight. You will be delighted. At toilet counters everywhere, including Wasson's Drug stores.

which such good reports have come from the east. It is too early as yet to make positive statements as to the result of this treatment, one form of which has the name of E. C. C. O., but hopes are high.

Some of the Cases.

Four new cases have recently been admitted. One of these, an elderly man who was educated at Westminster and has had much experience of the world, came to St. Giles' with his wife. Another patient, not yet thirty, is a widower with one small child. He was born and educated in India and served during the war in British East Africa.

Another, a young man of twenty-five, almost blind and with helpless hands, was born in British Guiana and has lived in England since 1913. The fourth, a boy of fifteen, who was admitted last spring, lived only six months. He was an instance of an authenticated case of leprosy contracted in this country. He

held has largely been dissipated by closer study of it; but it remains sufficiently disastrous.

The St. Giles' Homes thus play a splendid and inspiring part in the protection of the public health. They afford to the British victims of leprosy all the care and comfort which special knowledge and devotion of the purest ray can bring; on the other hand, they serve to ensure the community against a danger which, if not very great, is appreciable and incalculable.

A Grave Threat.

But the present financial stringency threatens already the existence of this refuge and makes an expansion to a size commensurate with the needs of the afflicted, who cannot at present be admitted, impossible. There is a danger that the lepers now under treatment may have to be sent back again to the work.

Such a tragedy is scarcely to be contemplated. For those who have founded these homes have in truth wrought an act of Christian love, which is rare in the world. An English sisterhood of nurses has dedicated itself to the work of care and treatment; members of a brotherhood, also of the Church of England, perform the heavy work and the outdoor work of the colony. These men and these women make light of the danger to which they are exposed and will not permit of any expression of concern on their behalf. Yet they perform that which other men and other women would not, could not, perform.

Their lives, too, are given to the service. They seek no discharge from it. Experience has taught them that most elaborate care is necessary if their patients are to escape the worst pains of their sickness. And not care only but cheerfulness, kindness, love. The spirit of the Homes of St. Giles shines with clear, strong light. You may see it in the beautiful church which the brothers in the Divine Compassion have built in a disused barn; you behold it again in the little theatre with quaint stage setting which the same brave and kindly monks have furnished in another part of the grounds.

For in this colony of affliction there are dark and bitter nights to be lived through and long winter evenings when the shadow of despondency is very near. It is essential that there shall be something to do, something to think about, something over which to make merry. Here, as at St. Dunstan's, pity of the sentimental kind is at a great discount. It is courage, hope, usefulness which are the motives of action.

That spirit extends throughout the whole institution. It inspires the medical officers, Sir Malcolm Morris, Dr. MeLeod, and Dr. Turner. At present they are using the new preparations of chaulmoogra, oil and other similar oils of

HEAD STUFFED BY CATARRH? USE A HEALING CREAM

If your nostrils are clogged, your throat distressed, or your head is stuffed by nasty catarrh or a cold, apply a little pure, antiseptic, germ destroying cream into your nostrils. It penetrates through every air passage, soothing inflamed, swollen membranes and you get instant relief.

How good it feels. Your nostrils are open. Your head is clear. No more hawking, snuffling, dryness or struggling for breath. Get a small bottle of Ely's Cream Balm from any druggist. Colds and catarrh yield like magic. Don't stay stuffed up. Relief is sure.

Happy Princess Christian has just consented to become the patron of the Homes of St. Giles. The queen, moreover, has sent a donation, and donations have also been received from Queen Alexandra and the Prince of Wales. It is confidently believed that when the public realizes the great need which exists it will be ready to follow this royal example. The secretary and treasurer is Mr. R. C. Bolton, 10 Old Jewry Chambers, E. C. 2.

The Homes, it should be pointed out, are entirely unsectarian, though the nursing and general work are carried out by a sisterhood and brotherhood of the Church of England. The only condition for admission is that the sufferer be a British subject and resident within the British Isles. Patients with means give what they can afford; those with none are equally welcome. There is little or no paid help. The patients are attended gratuitously by specialists from London, and by a practitioner resident in the neighborhood.

Indigestion and Stomach Trouble Will Disappear Like Magic

Redmac, the new Indian Tonic made from Herbs, Roots and Bark, has worked wonders after taking a few doses. The stomach becomes sweet, all soreness will go. You will be able to eat anything. The pain in the Stomach and Back will bother you no more. You will feel fine. The bowels will work naturally. Your skin will become clear, your breath sweet, Redmac is the most wonderful of all Tonics; it purifies the whole system.

ONTARIO BANDIT TO BE EXECUTED

(Canadian Press Despatch).

Hamilton, Ont., Nov. 16—Wilfrid Mehar, convicted murderer, was sentenced to be hanged on Jan. 18 and Clarence Spaulding and Edward Dickenson were sentenced to serve seven years' imprisonment on convictions for conspiracy to rob, in connection with the shooting of Dr. Whitworth, veterinary surgeon, Binbrook, several months ago.

Two other men who were in the bandits' car on the night of the crime were remanded till January for sentence. Before receiving sentence from Chief Justice Mulock, the prisoner Mehar declared dramatically that he had no intention of killing the doctor. After being sentenced, Mehar was carried from the court room in a swoon.

PRESBYTERIANS CONGRATULATIONS

Winnipeg, Nov. 16—Speaking for the Presbyterian Church in Canada, Rev. Dr. C. W. Gordon, moderator of the general assembly, has telegraphed Hon. A. J. HAVE DARK HAIR AND LOOK YOUNG

Don't stay gray. Nobody can tell when you darken gray, faded hair with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Weyth's Sage and Sulphur Compound" you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Weyth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

A WONDERFUL YEAR AND A WONDERFUL FUTURE

THE history of Canada Steamship Lines Limited is a continuous record of healthy growth. From comparatively small beginnings the Company has increased its undertakings to the extent that it is now one of the largest inland water carriers in the World. This year, 1921, has demonstrated that even under conditions which have searched out the weaknesses of many an important enterprise, Canada Steamship Lines Limited can operate successfully, efficiently, profitably. This is not only because the Company has effected economies of operation which amply offset any slackening of traffic, but because the Company is so firmly entrenched in its own sphere. While business in general has materially decreased, and while the deflation of high prices has brought a slow up of industry, the freight and passenger traffic of the Steamship Lines was little less than its record year of 1920. Truly a wonderful year and the future is even brighter.

Canada is entering the greatest era of her history and so closely linked is the future of the Dominion with the future of her common carriers, that these carriers must inevitably progress with the Country. Not only from the freight standpoint, but equally in passenger business, Canada Steamship Lines Limited is on the threshold of a great development. A study of the growth of the Company's passenger and hotel business reveals the fact that Canada—and particularly the Provinces of Quebec and Ontario—is fast becoming the "vacation land" of North America.

While Canada Steamship Lines Limited has achievement behind it, it has an almost illimitable future ahead of it, and the alert investor will realize that "issues" of Canada Steamship Lines Limited offer not only unimpeachable security with a fair present return, but an opportunity to profit well with the Company's inevitable growth.

Washington, Nov. 17. - Proprietary right to "Mutt and Jeff" as characters is possessed by Harry C. Fisher, and decisions to that effect by the New York State courts are final, the Supreme Court refusing to grant an appeal which the Star Company, publishers of the Hearst newspapers, sought to bring.

The courts awarded Fisher exclusive right to reproduce the two characters, ordered that he be protected from unfair competition of others reproducing them, and rejected the contention of the Star Company that Fisher could copyright only particular pictures and words or descriptive of their exploits in incidents drawn by him, and that the two characters were public property.

LOVE-SICK YOUTH TRIES TO END LIFE

Drinks Paris Green After Writing Note to Object of His Affections.

(Toronto Mail and Empire).

Leaving a note expressing his love for a girl who evidently did not reciprocate his affection, C. V. Waugh, aged 21, employed as a porter at the Marlborough Apartments, 214 Jarvis street, attempted suicide about midnight by swallowing a quantity of Paris Green.

He was removed to the General Hospital. The apartments in question are owned by Dr. G. B. Foster. Dr. Foster had not been in bed very long before he was called to the kitchen by Mrs. Maggie Thomson and Miss Jones, employees of the place. He found Waugh writing in agony. A drinking glass stained with Paris green and a package containing the poisonous powder were found on the kitchen table. In Waugh's room Detective-Sergeant Elliott, plainclothesman Boyd and other officers discovered several notes written in pencil, in which Waugh bade goodbye to the girl of his affections.

WOMAN AND \$20,000 IN DRUGS ARE SEIZED

Raid on New York Flat Reveals Oriental Opium and Opium Layout.

(New York Times.) Two pounds of drugs, valued at \$20,000, and an opium layout were seized and Mrs. Lillian M. Burke arrested last night by detectives from the Narcotic Division when they raided Mrs. Burke's flat at 75 Christie street, according to the Deputy Commissioner Carleton Simon.

He said that the flat was a clearing house for drug sales in the city.

Two weeks ago, said Dr. Simon, word was given that a Chinese opium dealer had filtered into headquarters that a Chinese street flat, described as abounding in Persian draperies and Turkish rugs, was playing a thriving trade in narcotics.

Dr. Carleton assigned Detective Fred Buckley to the case, and last night the detective told his chief that the time had arrived for a raid.

Buckley was reinforced by Detectives Sam Matson and Irving Higgins, and about nine o'clock they climbed the stairs to the second floor. Their rap on the floor was quickly answered, and Mrs. Burke, clad in fur and ready to go out, asked their mission.

The detectives reported that they found on the floor a large quantity of opium and behind the Oriental draperies they said that there were five pounds of opium and five pounds of assorted drugs, cube morphine and gum opium among them, valued by Commissioner Simon at \$20,000.

DIES IN FALL IN CIDER VAT.

One of Three Workmen Succumbs to Fumes When Staging Breaks.

New Haven, Conn., Nov. 17.—Tony Scivilala of Middletown avenue, was killed when he fell into one of the large cider vats in this city. With Joseph Nuttall he was attempting to clean the vat when the tagging gave way and the fall into the vat was inevitable. Scivilala had been overcome when he was dragged from the vat and died without being revived.

His fellow-workmen were taken to Strappal Hospital, and although Joseph Nuttall was unconscious for some time, his recovery is certain.

NEW WATERWAYS PLAN WOULD SINK CEMETERIES

Ottawa, Nov. 17.—Schemes A and C, approved by the Hydro-Electric Commission engineers as feasible before the International Joint Waterways Commission, would mean the submergence of more than a score of cemeteries.

The grave of Sir James Whitney, ex-Premier of Ontario, would be one of those inundated. Among those submerged would be several of United Empire Loyalist cemeteries, most of these being private cemeteries on farms bordering the river. Interment elsewhere would have to be provided for and compensation be made for land submerged.

"Sponsors' Club" Solves Employment Problems.

Born of the necessity of finding some means to help train new salesmen, get them acquainted with their fellows and the merchandise they had to sell, prevent errors and make them contented, the Sponsors' Club assists in the actual management of the business.

He went to a local photographer and asked him if he would co-operate on a plan to work up interest in amateur photography by agreeing to give a bedrock labor-cost price on all development work of films for one week, provided he were to guarantee the man in the studio exclusive control of all development work that would be brought to the Haste Drug Company during the year.

Today, instead of simply adding in the assimilation of new salesmen, the Sponsors' Club assists in the actual management of the business, inspires the entire selling force, serves as a training school for minor executives, and justifies cases of dissatisfaction, prevents errors and in many other ways enables the store to operate efficiently.

Three years ago, when many new clerks were being employed, the management of the Haste Store was faced with the problem of training the new salesmen so they could give good service to customers. It was felt that the store's reputation depended on this service and that it must be kept up. The new clerks were willing, but they lacked knowledge of selling and stock.

Of course, they were given instructions, when employed by the management, but that naturally could be only rudimentary and could not extend to the point of following the clerks into their various departments and giving them immediate help when they met a difficult problem.

It was then that J. H. Todd, general manager, got the idea of a "sponsors' club." His idea at first was that such a club would help him solve the problem of developing new clerks.

The ranking salesmen in every department were made sponsors for new employees. Their duties consisted in making the new clerks feel at home, showing them the rest room and hospital acquainting them with the rules of the store, watching for errors, salesclerks' inaccuracies, teaching them methods of better selling, acquainting them with stock and generally aiding them in every way possible to become more efficient.

The sponsor always introduced the new clerk to the department buyer and assistant buyer. In addition, the sponsors would often give actual sales demonstrations.

Todd says he couldn't get along without the Sponsors' Club now. Every member, he says, is constantly watching suggestions as to how to improve the service of the store—a co-operative attitude which has aided greatly in building up the morale of the selling force.

Each department, he said, has its own set of general questions, which are not confined merely to the structure or contents of the goods, but include also the knowledge of their proper uses.

Thus, the questionnaire of the men's furnishing department is designed to find out what the prospective clerk knows about correct attire for various formal and informal occasions, the styles and colors in which men of various builds and complexions look their best, and what colors are fast, how white fabrics should be cleaned, and the like.

Knowledge on all of these points is of great assistance in helping the clerk to make sales, and to make sales which the customer stays satisfied, Pickernell declared.

Most drug stores carry cameras and

supplies, but there are few such establishments that develop the sales end of this line to the limit that Henwood did when he examined his stock list and decided the money invested warranted steps to move the goods at once.

He went to a local photographer and asked him if he would co-operate on a plan to work up interest in amateur photography by agreeing to give a bedrock labor-cost price on all development work of films for one week, provided he were to guarantee the man in the studio exclusive control of all development work that would be brought to the Haste Drug Company during the year.

SUITS OF TELLEGEN AND FARRAR JOINED

Divorce and Separation Actions of Singer and Actor to be Tried—Husband in an Auto Mishap.

(New York Times.)

The action for separation brought against Geraldine Farrar by her actor husband, Lou Tellegen, was transferred yesterday from Westchester to New York by Supreme Court Justice Morchauer. The change of venue will facilitate a consolidation of the separation action of Tellegen against his wife, and her action for divorce against Tellegen, so that the two may be tried at the same time.

A dispatch from Scranton, Pa., last night disclosed that Tellegen had been compelled to cancel his engagements at Honesdale, near Scranton, and at Elmira and Middletown, N. Y., on account of injuries he received in an automobile accident on Sunday. Where the accident occurred and the extent of the actor's injuries were not disclosed. Earlier in the day it was reported that Tellegen had returned to New York to consult his attorney with reference to the separation and divorce proceedings. Through Mr. Steinfield of Steinfield & Schwartz, he declared there was no ground for the suit of Miss Farrar, and that he would disprove the charges of his wife in order to clear his reputation "as a man and as an actor."

Attorney Steinfield said that only one woman was named in the papers which had been sealed by order of Supreme Court Justice Guy, and that she was a member of Tellegen's theatrical company who was on tour with him and for that reason misconduct is alleged in various states. No papers in the separation suit of Tellegen have been filed in White Plains, because it is unnecessary to file such papers until the action goes to trial. Consequently the charges in the actor's complaint have been a matter of speculation, although at the time Tellegen's counsel confirmed the fact that the action had been started, they disclosed that Tellegen had been locked out of their home by Miss Farrar.

Counsel for Miss Farrar maintain that, despite her denials, she was served with papers in her husband's action by a woman detective who hid near Miss Farrar's house and dropped the papers in her lap as the operator star was about to step from her motor car. Tellegen will charge various acts of cruelty.

"We intend to quash this action for trial," said Mr. Schwartz. "The action was brought in Westchester county with a view of preventing publicity. The defendant has always been looking for secrecy. How soon the action will be ready for trial I cannot say." It is understood that Tellegen sets forth in his allegations that his wife and he were incompatible, and that Miss Farrar had shown evidence of wanton toward him during their married life.

SCHOOL LEAGUE PROSPECTS.

At a meeting in the High School yesterday Colby Potter was chosen captain of the basketball team and Jarvis M. Wilson, manager. Ronald Shaw was appointed coach. Mr. Wilson said last evening that the subject of the formation of a league to include the Normal School, Fredericton High School, St. John High School, and Robtshaw Collegiate School had been discussed with Fredericton and Robtshaw and has been regarded by them favorably. He intended to communicate with Normal School and thought that they, too, would enter the league.

An East St. John street car met with a slight mishap last evening about 8 o'clock, which resulted in the trolley pole being bent in such a way that it could not be used. A Haymarket square car was used to push the disabled car up Prince Edward street and thence to the car barn. Another car was sent out to operate on the East St. John route.

CHATHAM CURLERS

The Chatham Curling Club held its annual meeting on Monday evening. There was a large number of the members present, and judging from the interest manifested the prospects are bright for a successful season during 1921-22.

The officers selected for the season were: James Nicol, president; V. A. Danville, vice-president; G. H. Harrison, secretary, and W. H. Snowball, treasurer; managing committee, Howard McKendry, R. A. Snowball and S. D. Heckbert.

TRINITY SCOUTS AND WOLF CUBS

The seventeenth St. John Trinity troop of Boy Scouts and the first St. John Trinity troop of Wolf Cubs had a grand social evening in Trinity school room last night. Seventy-five of the scouts and cubs and their invited guests sat down to a bountiful supper provided by a committee of the women of the church, with Mrs. C. S. Regan as convener and Mrs. E. A. Schofield as assistant. Presiding over the evening table were Mrs. E. A. Schofield and Mrs. E. Henderson. The hall was joyfully decorated by Mrs. Regan's committee. The flags of the troops and green, gold and maroon, the colors of the troops, were used most effectively in the decoration scheme. Many small animal ornaments which gave added interest to the decorations were kindly donated. C. E. Upham, the scoutmaster, was the chairman. A short address was given by Commissioner Guy L. Short. Mayor Schofield delighted the boys with several humorous stories, and Rev. Canon R. A. Armstrong spoke to them of friendship and brotherhood. Mayor Schofield proved himself an admirable leader when the sing-song was commenced, and R. S. Coupe was the pianist.

The special guests were Canon Armstrong, Mayor Schofield, Rev. A. E. Gabriel, Dr. Peat, T. E. Simpson, Commissioner G. L. Short, Deputy Commissioner J. T. MacGowan, A. C. Skelton, V. C. Timmerley and E. Clinton Brown. There are now thirty-five cubs and about twelve Wolf Cubs in the troop. The scout troop numbers twenty-five. Clinton Regan is assistant scoutmaster, Ronald Pattison, assistant cub master, and H. Merrill Breen is assistant cub master and secretary for both scouts and cubs.

Badges were presented by A. C. Skelton, honorary president of St. John Boys' Scout Association, in the Wolf Cubs. Donald Schofield received his guide and signaller badge and Harold Orchard received his collector's badge. In the Scouts' artists badges were presented to Griffith Bishop, Robert Kelly, Roland Knatt, commissioner's badge to Robert Kelly; laundryman's badge to Victor Regan and Arthur Breen. Swimmer's badge to Wilfred Davidson, cook and pathfinder to Arthur Breen, who also received his King Scout badge. Grade A card was presented to Roland Grant. The following were invested with their Tenderfoot badge by C. E. Upham, the scoutmaster—Merrill Greig, Samuel Watson, William Ward, Lloyd Holder, Norman Magnusson, Harold Williams, Ezekiel Youngman. Mr. Skelton also presented three first Wolf Cub stars to Pat McAvilly, Donald Dunbrack, and Walter Dunbrack. Cub Harold Orchard was invested with his second star by V. C. Timmerley.

IMPORTANT RESULTS ARE ANTICIPATED

Annual Meeting of A. A. U. of C. Will Be Opened on Dec. 9th.

As a consequence of a mail vote of the board of governors of the Amateur Athletic Union of Canada, the president, Dr. D. Bruce MacDonald, has called the thirty-fourth annual meeting of the Union for Friday and Saturday, December 9th and 10th. All sessions commencing at 10 a. m. daily, will be held in Hart House, at the University of Toronto, and indications point to a very representative attendance of representatives of the various branches and allied members of the union. In addition to the usual reports and reviews of officers and committees there will be several special reports of sub-committees which have been conducting investigations during the past year. The re-organization of the Canadian Olympic Committee, as the result of the findings of a special committee appointed by President MacDonald, may be expected. The delegates especially interested in Canada's national game will consider means of reviving the Canadian Amateur Lacrosse Association. It is also expected an effort will be made to

SECOND CONCERT IN LYCEUM COURSE

The second concert in the Lyceum course being given this winter under the auspices of L. LeLachur and H. Finlay was held last night in the Pythian Castle in Union street and was much enjoyed.

The hall was well filled and the programme given was a variety of entertaining of high order. Chester R. Scott was heard in cornet solos, accompanied by his wife, and they also gave banjo and mandolin numbers in which Mr. Scott played the banjo and Mrs. Scott the mandolin. Fred Osborne gave some clever impersonations and sang two solos.

Westville, N. S., Nov. 16.—Sir Charles Hibbert Tupper received a warm welcome in the town of Westville tonight. Greeted by audiences in the two local theatres, which jammed them to the doors, it was evident that the lapse of time had not diminished the old ties which existed when he represented Pictou county at Ottawa.

Sir Hibbert, who was greeted with prolonged applause, was visibly affected. He reviewed his career as representative of Pictou county and paid a glowing tribute to the steadfastness of the Westville Conservatives.

NO FAMINE IN LABRADOR OR N. F.

St. John's, Nfld., Nov. 16.—Sir Richard Squires, premier of Newfoundland, has received from Dr. Grenfell of the Labrador mission, the following statement: "My attention has been called to an article headed 'Famine in Newfoundland,' which I am informed has been circulated in a section of the United States press. "In so far as this article purports to be an interview given me or to suggest a state of famine or starvation in Newfoundland, it is absolutely false. "I have no knowledge of any Newfoundland relief fund in New York or any other American city."

WILFRED T. GREENFELL VETERAN OF 92 WANTS TO DIE UNDER NAME HE USED IN WAR

Middleton, N. Y., Nov. 17.—Robert Ludlow Livingston, an inmate of Orange Farm Almshouse, who is nearly ninety-two years old, appeared before County Judge Wiggins at Goshen asking that his name be changed to "Matt Greenell," the name by which he went in the Civil War, when he enlisted and served on the Portsmouth as a gunner, receiving an honorable discharge November 1, 1864. He says he enlisted under the name of Green because his relatives were prominent and would have tried to prevent him from serving if he had given his right name. He is now anxious to be able to legally bear the name he took then and die under that name. Judge Wiggins informed him he would have to go through the legal form in order to have the change made and directed him to see an attorney.

QUESTION OF FAR EAST CONSIDERED

Chinese Proposal Before the Conference—Great Britain for Open Door Policy.

Washington, Nov. 16.—Preservation of "territorial integrity and political and administrative independence" together with preservation of the open door policy and a prohibition against secret treaties in the far east were included in the Chinese proposal outlined today at the initial session of the armament conference committee on far eastern questions. China in return would agree "not to alienate or lease any portion of her territory" to any foreign power, and "all special rights, privileges, immunities or commitments" now held in China by any foreign power are to be carefully re-examined. All "existing limitations upon China's political, jurisdictional and administrative freedom of action" would be removed and provision made for future conferences from time to time for the international discussion of the far eastern situation. The Panama canal is not regarded as a specific question and will not be urged on the consideration of the conference. The Anglo-Japanese alliance is not regarded by the British as directly involved in the Chinese proposals for settlement of the Far Eastern questions, although it may be drawn into the discussion at a later stage.

Washington, Nov. 16.—Four outstanding features of the official British viewpoint on China's proposals on the Far Eastern question were emphasized tonight by the highest authority. Great Britain reiterates that she is in full agreement with the open door policy. She regards the "spheres of influence" as antiquated and unsuitable to modern conditions.

NEW TYPE SHIP LAUNCHED

California, Built at Chester, is All Steel and is Electrically Driven. Chester, Pa., Nov. 17.—The twin screw electrically driven motorship Californian was launched from the yards of the Merchant Shipbuilding Corporation. The craft was sponsored by Mrs. George S. Dearborn of New York, widow of a former president of the American-Hawaiian Steamship Lines, for which the ship was named with a fleet of old California wine.

LAW STUDENTS' BANQUET

The King's College Law Students' Society held a banquet at the Manor House, Glen Falls, last evening, when those present had a thoroughly enjoyable time. Following the disposal of many good things of a culinary nature, the following toast list was carried out: The King, proposed by the president, G. R. McInerney, and responded to by the singing of the National Anthem; the Benedicts, proposed by G. P. Holly, and responded to by R. A. Murray; Our unfortunate comrades who fell by the wayside last year, proposed by D. G. Willet, and responded to by K. E. MacLaughlin; Our absent member, H. P. Cahill, proposed by F. H. Hunton, and responded to by all present singing "For He's a Jolly Good Fellow." The Ladies, proposed by A. E. Richard, and responded to by S. G. Mooney. There were about thirty members present. People wonder why mothers weep at weddings. Mothers have been over the road—"Dangerous Curve Ahead" next Monday at Imperial.

FRESH Tea—to be good—must be fresh

Washington, Nov. 16.—Preservation of "territorial integrity and political and administrative independence" together with preservation of the open door policy and a prohibition against secret treaties in the far east were included in the Chinese proposal outlined today at the initial session of the armament conference committee on far eastern questions.

HORLICK'S Malted Milk for Invalids

A successful congregational social was held in St. Matthew's Presbyterian church last evening with a large number present. It was an informal conversation, interspersed with voluntary addresses and music, both instrumental and vocal. Among those who assisted were Mr. and Mrs. Gregory, Mr. and Mrs. Wallace, Miss Madeline Daly, Miss Rankine and Miss Hawker. Coffee and cake were served by members of the Progressive club of the church and an enjoyable evening was brought to a close by the singing of the National Anthem.

Hon. W. S. Fielding Protests Against 'Reconstruction' Garbling

FROM THE TORONTO GLOBE

To The Editor of The Globe: The organization which calls itself the Canadian Reconstruction Association, and which is now playing the part of a campaign agent of the Meighen Government, is circulating a pamphlet on the subject of Reciprocity, which gives much prominence on the inside of the cover to the following: "Whatever our American friends may have intended by their trade policy, there is one thing they certainly have done: They have made Canadians more independent and self-reliant, and have caused them to look more steadily than before to their home market and to their markets overseas, where there is an open door. . . . Therefore, the market of our friends to the south is much less important to us than it was a few years ago, and we are better able to do without reciprocity than we have been at any previous time in the history of Canada."

GROUP GOVERNMENT -VS- RESPONSIBLE GOVERNMENT

A certain amount of protection is desirable for the industries of the country but the moment a government concentrates its efforts on the protection of the big interests, and allows the common people to bear living costs far above the value received, then does the tariff become a menace and not an aid to the country's well being.

With the promise of high protection, the Meighen government has secured the approval and support of the big interests. But right will not allow itself to be conquered by might and the voice of the people will make itself heard at the first opportunity.

OPPORTUNITY IS HERE "CANADA'S GOLDEN ERA" The years 1897 to 1911 have been appropriately named "The Golden Era of Canada." In spite of "blue ruin" predictions by the Conservative leaders, Canada, under Liberal tariff revision, increased its manufacturing industries from \$481,053,375 in 1900 to \$1,165,975,689 in 1910. It was also during this period that the west came into its own as the Granary of the Empire. The population increased in the ten years between 1901 and 1911 more than it had in the previous thirty years.

BUT WHAT A DIFFERENCE What of the last ten years? Canada finds itself today in one of the most depressed conditions in its history. Sir Thomas White, finance minister in 1919, said that tariff revision was long overdue. What has been done about it? Absolutely nothing!

WHAT OF THE FUTURE? What can be expected of a government which will accept the promissory note of the once powerful Riordan Company in payment of its business profits tax, and hold up the small taxpayer for cash to the last cent?

WHICH? Autocracy, Protection of the Big Interests and government by the few, OR True Democracy, Tariff for Revenue and government by the people.

MAKE THE ANSWER DECISIVE (NEW BRUNSWICK LIBERAL EXECUTIVE)

W. S. FIELDING. Ottawa, Ont. F. G. WHEATON WAS BORN IN ST. JOHN (Amherst News). Shock and surprise was evident on the faces of many citizens of Amherst Saturday evening when it was learned that F. G. Wheaton had passed away suddenly in his office. For many hours the import of the sad news was not believed, for Mr. Wheaton had been around the streets during the afternoon, attending to business, and apparently in his usual state of health. He was making arrangements to leave for Boston today on a business trip. The late Frank Gilbert Wheaton was prominent in business circles, and had met with success in various enterprises.

For a number of years he was engaged in the manufacture of a well known line of patent medicines. Later he entered into the lumber business, and at the time of his death was the secretary treasurer of the Cedar Products Ltd., and the United Pole Co. He had extensive business relations with Sir William Price of Quebec, Angus Maclean of Bathurst, Archibald Fraser of Edmundston and J. W. Winfield of Halifax. In business the late Mr. Wheaton was far seeing in vision. Throughout his twelve year residence in Amherst, Mr. Wheaton was regarded as one of the town's sound citizens, and he won respect and liking in the business and social world. He was fond of sport—but in the past few years this interest was confined to curling, golf and shooting. His interest in curling was much appreciated. The presentation of the Wheaton Shield was the occasion of a happy gathering at Mr. Wheaton's home last winter that will be long remembered by those privileged to attend. The late Mr. Wheaton was born in 1867 in St. John, being of Irish descent. He married Miss Nettie S. Corbett of Glenholm, Colchester county, and is survived by his wife, an adopted daughter, Frances, and several sisters.

LOW PRICES FOR THE FARMERS, IS BANKER'S LAMENT

Mr. Bogert Cites Favorable and Unfavorable Phases of Conditions — Strength of Savings Deposits — Reducing Unfavorable Trade Balance. (Toronto Globe.) Some favorable as well as some unfavorable features of present conditions were shown by retiring President C. A. Bogert in his address at the closing session of the Canadian Bankers' Association. A great decline in the adverse balance of trade with the United States was mentioned as a favorable incident, and it was also pointed out that deposits in the Canadian banks had been well maintained, but any improvement could not be expected until another crop is harvested. "With wheat selling below \$1 per bushel for the first time in many years," said Mr. Bogert, "and prices for other products averaging 40 per cent. lower than a year ago, the agricultural community will be able to live on what they produce, with no surplus available to either pay their debts or save money. Until manufacturers resume their usual activities, unemployment will continue, and artisans and laborers, who were prudent enough to accumulate some of their exceptionally large earnings during the war, will have to exist on these in the meantime."

Bank System's Merits. An indirect reference was made to the development of banking by Provincial Governments in Canada in the following observations by Mr. Bogert: "May I express the conviction that, when we return to an era of prosperity and confidence, it will be again demonstrated that under the Canadian banking system we have been able to cope successfully with difficulties which at present appear formidable. The Canadian banking Act, as at present stands, admirably meets the conditions and requirements of this country and the needs of the people. This, unfortunately, is more fully appreciated by financial experts in other countries than by many sections of the Canadian public."

Adversities of Autumn. Referring to conditions that have recently developed, Mr. Bogert said that what promised to be an excellent crop of wheat in western Canada, had been adversely affected in the late summer and autumn by unfavorable weather conditions. This, unfortunately, is more fully appreciated by financial experts in other countries than by many sections of the Canadian public.

More Wealth in Deposits. Analyzing the general financial situation in Canada, Great Britain and the United States, Mr. Bogert said that total assets of Canadian banks on September 30 last were \$2,802,832,030, a decrease of \$37,482,778 in twelve months. Total deposits were \$1,787,120,904, a decrease of \$19,408,698. The decrease in notice deposits, however, was only \$8,500,245. Considering the value of the dollar now, said Mr. Bogert, "as compared with a year ago, the saving deposits indicate a much greater surplus of actual wealth as represented by the products of labor."

Reducing Unfavorable Balance. Canada's unfavorable trade balance with the United States is not \$215,000,000, as compared with \$408,000,000 a year ago, Mr. Bogert said. "These figures show a marked improvement which, of course, has been at the expense of revenue. The increase in our exports to the United States usual at this season of the year is being greatly affected by adverse legislation, although the United States will continue to purchase a large quantity of our wheat each year for milling purposes, and, in spite of the new duty imposed, our cattle could still be sold across the line with a fair margin of profit, if anything like normal prices could be obtained."

Heavy Debt to U. S. Mr. Bogert pointed out that Canada's debt to the United States, as on June 1 last, from loans then outstanding amounted to no less than \$688,000,000 made up as follows: Dominion of Canada, \$125,000,000. Provincial and municipal, \$223,964,000. Railway loans, \$178,900,000. Industrials, \$63,440,000. Public utilities, \$89,000,000. Since June 1 numerous additional Canadian flotations had taken place in New York. Alluding to the recent numerous bank burglaries, Mr. Bogert said they were viewed with concern, and urged that those in high positions in the administration of the law should not forget that banks were heavily taxed, and should administer justice in a way to stem such an epidemic of crime.

Resolutions were passed by the association expressing regret at the death of William Moffat, later general manager of the Imperial Bank, and Edward Hay, who preceded Mr. Moffat in that position.

THE BRITISH MAY PENSION CAPTAINS

London, Nov. 16.—In connection with its policy of retrenchment in administrative expenditures, the British admiralty has resolved to retire on pensions eighty naval captains and two hundred commanders early next year, according to the Evening News today. These retirements would not involve taking more ships out of commission, it was said, and if the Washington conference agrees on the United States naval restriction programme, further reductions in the admiralty's personnel are contemplated.
