BUSINESS MEETING.

At 11 30 a.m. His Grace the Archbishop took the chair, and the opening prayers were said by the Archdeacon.

MEMBERS PRESENT.

The Clerical Secretary called the roll of the Clergy, of whom sixty-two were present.

The Lay Secretary called the roll of Parishes and Missions, of which twenty-one were represented by thirty-two Lay Representatives.

SUSPENSION OF RULES OF ORDER.

On motion the rules of order were suspended, and the Rev. Canon Welch, M.A., D.C.L., Provost of Trinity College, Toronto, was invited to a seat on the dais.

CHRIST CHURCH, BELLEVILLE.

The Rev. C. J. H. Hutton, Rector of Christ Church, Belleville, having claimed that, by an understanding with the Finance Committee, the rate of assessment upon his parish should have been \$10 instead of \$15 for the last three years, it was moved by Judge McDonald, seconded by the Archdeacon, and resolved,

That the matter of the amount due and owing by Christ Church, Belleville, for assessment be referred to the Finance Committee with instructions to report as soon as possible.

ARCHBISHOP'S ADDRESS.

At this point His Grace the Archbishop delivered an address to the Synod, as follows:—

MY DEAR BRETHREN,—Since my last Report to the Synod, an ordination was held, May 23rd, 1897, in St. Peter's Church, Brockville, when the Rev. Wm. George Swayne, and the Rev. Arthur Howes Lord were promoted to the priesthood by the Lord Bishop of Ottawa acting on my behalf. I take this opportunity of giving expression to the great debt of gratitude that myself and the Diocese owe to the Lord Bishop of Ottawa for His Lordship's invariable kindness in rendering me help in my Episcopal work whenever needed. I held an ordination in St. George's Cathedral May 1st last, when I had the pleasure of ordaining to the Diaconate seven well qualified candidates:—

John de Pencier Wright, M.A., Trinity College, Toronto.
John Lewis Holah, Bishop's College, Lennoxville.

George Augustus Field, B.A., Trinity College, Toronto.
 Francis Grant Kirkpatrick, M.A., Queen's College, Kingston.
 Christopher Philip Sparling, M.A., Trinity College, Toronto.
 Thomas F. Dowdell, B.A., Bishop's College, Lennoxville.
 Benjamin Francis Byers, B.A., Trinity College, Toronto.

The total number of those confirmed was 1,202, of whom 525 were males and 677 females. Ten hundred and sixteen of those confirmed received their first Communion, but I regret to say that this number is inaccurate because some of the Clergy failed to report to me on the subject of first Communion. MY DEAR BRETHREN,—You have a most solemn duty before you this Synod. It is to provide for the election of my successor in the See of Ontario. I prefer to put it in this way, rather than to speak of a coadjutor Bishop. The election of my successor comes at an appropriate time, coinciding as it does with my jubilee or the completion of fifty years' service in the Church of Him "who has led me all my life long unto this day." I desire to tender Him to-day most humble and hearty thanks for all His mercies, particularly for the great success which has attended our efforts, which has been owing in great measure to the harmony and I may almost say the unanimity which for thirty-seven years has existed between the Bishop, Clergy, and Laity. I could dilate on this subject at great length, but my heart is too full for that. But I do entreat the Synod when they come to an election of my successor to bear in mind that their old Bishop desires with an eager desire that the Diocese should be administered in the future on the lines of the past. I have no doubt erred in many respects, but the union of hearts in this Diocese for such a long period must have had some cause, and I believe it has been in the main caused by my trusting the Clergy, and as a result they trusted me. May God grant that under my successor this state of things may continue. Do not suppose from what I have said that I intend to give up or surrender the administration of the Diocese—that I shall not do while my mental vigour lasts. But I do feel that I am unable to perform the necessary work in the country parts of the Diocese, especially in the winter season. I thank the Diocese as represented by this Synod for associating my jubilee with the services of this session, and I implore God's blessing upon you, one and all.

THE ARCHBISHOP'S JUBILEE.

The rules of order being suspended, it was moved by Judge McDonald, seconded by the Archdeacon, and resolved,

That the occasion of His Grace the Archbishop attaining the period of fifty years in Holy Orders calls for due recognition upon the part of the Synod of his Diocese, and that the Very Reverend the Dean, the Venerable the Archdeacon, the Secretaries, the Chancellor, and the mover of the resolution be appointed a special Committee to prepare and report an appropriate minute.

The Standing Committee appointed to report in reference to deceased members of the Synod begs to report as follows :

The deaths reported to your Committee are those of the Reverend John A. Mulock and the Reverend C. B. Pettit.

Mr. Mulock, an undergraduate of Trinity College, Dublin, was made Deacon on the 26th October, 1845, by the Lord Bishop of Toronto, and ordered a Priest on 25th October, 1846, by the same Bishop. He was appointed successively to the following Parishes or Missions : Penetanguishene, Carleton Place, Adolphustown and Fredericksburgh, St. Paul's, Kingston, and St. Peter's, Brockville. In June 1874 he became a Canon of St. George's Cathedral, Kingston. Canon Mulock died at an advanced age on 11th June, 1897, at Winnipeg, Manitoba.

The Reverend Charles B. Pettit, B.A., was made Deacon by the Lord Bishop of Toronto, on the 25th October, 1851, and ordered a Priest by the same Bishop in 1852. His first duty was that of Travelling Missionary to Gore and Wellington Districts. He became successively Incumbent of Bedford, Richmond, and Cornwall. For some time he was Rural Dean of Stormont, and also a Canon of St. George's Cathedral, Kingston. Owing to ill health Canon Pettit resigned his charge at Cornwall and retired from active work in May 1894. He died at Toronto on Sunday, 13th December, 1896.

All of which is respectfully submitted.

PROPOSED CANON ON SALE OR MORTGAGING OF CHURCH LANDS.

The Chancellor moved the adoption of a Canon respecting the procedure on sale or mortgaging of rectory or other lands held for the benefit of the Church in this Diocese ; which motion, after a brief discussion, he withdrew by consent of the Synod ; and thereupon he moved, seconded by Dr. Smythe, Q.C., and it was resolved,

That the proposed Canon be referred to a Committee to be named by the Chancellor.

The following is the proposed Canon so referred :

1. All sales of Rectory lands, and all sales or mortgages of lands belonging to or held in trust for the benefit of any church or parish or incumbent within this Diocese, shall be effected in accordance with the following rules :
2. The proposed sale or mortgage must in the first place be approved of by the Rector or Incumbent, and by the Vestry of the Church for the benefit of which the land proposed to be sold or mortgaged is held ; and such approval shall be signified by petition to the Executive Committee of the Synod of the Diocese signed by the Rector or Incumbent and the Churchwardens, and by a copy duly certified of a resolution of the Vestry of the said Church passed at a meeting thereof held for the purpose of considering the proposed sale or mortgage.
3. Notice of such meeting shall be given by the clergymen during Divine Service on the two Sundays next preceding the meeting on which Divine Service is held, and such notice shall specify the land proposed to be sold or mortgaged,

the terms of sale or mortgage, and the amount of the proposed purchase or mortgage money; and a similar notice shall be affixed to the main entrance doors of the Church at least one week previous to the meeting at which it is intended to apply for such consent.

4. The Executive Committee in the case of a proposed sale shall, at the expense of the applicants, take such steps as it may deem necessary for ascertaining the value of the land proposed to be sold, and shall in all cases require proof of compliance with the formalities required by this Canon, and shall determine whether the proposed sale or mortgage shall be carried into effect.

5. In the case of a sale of lands all necessary deeds and mortgages shall be prepared by the Chancellor of the Diocese at the expense of the purchaser, who shall bear all other expenses connected with the completion of the sale and the giving of any necessary security.

6. The purchase money shall, before the delivery of the deed to a purchaser, be paid in to the Clerical Secretary, to be dealt with by him as required by law in each case.

7. Application for the consent of the Executive Committee to a proposed sale or mortgage may be made to the Committee at a general or special meeting thereof, but no special meeting shall be called except in a case deemed urgent by the Lord Bishop or the person authorized for the time being to act for him in calling such meeting.

8. This Canon shall not apply to lands vested in the Synod which it has by law power to sell without the consent of any other body or person.

9. Canon XIX on the Rectory Lands Fund, and Canon XXXIX, passed in the Twenty-ninth Session of this Synod, intituled "Canon as to the exercise of powers under the Act intituled 'An Act respecting the property of Religious Institutions,' and being chapter 237 of the Revised Statutes of Ontario," are hereby repealed.

The Chancellor named the following Committee: The Chancellor, Judge McDonald, the Lay Secretary, Dr. Smythe, Q.C., Judge Reynolds, the Dean, the Clerical Secretary, Rev. Canon Burke, Rev. J. K. McMorine, and Rev. Stearne Tighe.

It is therefore enacted by the Synod as follows:

2. The said Coadjutor Bishop shall be elected in the manner provided by Canon XXIV of the Canons of the said Synod for the election of a Bishop to a vacant See or to a new See.

3. The said Coadjutor Bishop, when elected and consecrated, shall have such power and authority as regards the affairs and business of the said Diocese as may be assigned to him from time to time by the Archbishop and the Executive Committee of the said Synod.

4. The amount of the stipend of the said Coadjutor Bishop, and the mode of raising or assessing the same, shall be fixed and determined by the Executive Committee of the said Synod.

6. Section 1 of Canon XII on the Diocesan Mission Fund shall be read in connection with the provisions of the foregoing section as regards the interest of the Sustentation Fund, and shall be modified or amended accordingly.

Moved in amendment to the first clause, by Judge McDonald, seconded by Dr. Smythe, Q.C.

That clause 1 read as follows: "There shall be a Coadjutor Bishop of the Diocese of Ontario, who shall on the avoidance of the See become the Bishop of the said Diocese."

Moved in amendment to the amendment by the Rev. Arthur Jarvis, seconded by the Rev. Rural Dean Bogert,

That all the words after "Ontario" be omitted.

This amendment was *lost*, and Judge McDonald's motion was *carried*.

The second clause was adopted without amendment.

An amendment to the third clause was moved by Judge McDonald, seconded by Dr. Smythe, Q.C., as follows:

"The said Coadjutor Bishop when elected and consecrated shall have the same power and authority as regards the temporal affairs and business of this Diocese as are now vested in the Bishop thereof."

Moved in amendment to the amendment by Judge Reynolds, seconded by Mr. F. A. Knapp, B.C.L.,

That clause 3 be struck out.

On motion the Chancellor, Judge McDonald, and Rev. Canon Burke were appointed a committee to confer with the Archbishop in reference to this clause. His Grace retired with the committee

(the Archdeacon presiding in his absence), and presently returned and announced his acceptance of Judge McDonald's amendment, which was thereupon *carried*.

The fourth clause was adopted with the omission of the words "Executive Committee of the said."

The fifth clause was adopted as far as and including the word "stipend"; the remainder of the clause, and also the sixth clause, being dropped.

The preamble was adopted in the following form: "Whereas it is desirable that there shall be a Coadjutor Bishop of the Diocese of Ontario with the right of succession: It is therefore enacted by the Synod as follows:"

The whole Canon as amended was then adopted. (Appendix A—1.)

CANON ON THE ERECTION OF CHURCH BUILDINGS.

The Rev. Professor Worrell moved to repeal Canon XXXV, and to substitute therefor the following Canon on the erection of Church Buildings, seconded by the Rev. A. W. Cooke:

1. Whenever it is proposed to erect, alter, or purchase a church, parsonage, parochial school, or other church building, plans and estimates of the cost thereof, with a full statement of the financial state of the parish and the means provided for meeting the proposed outlay, must be first submitted by the Incumbent and Churchwardens, or, in the case of a vacancy in the cure, by the Churchwardens, to a sub-committee of the Executive appointed annually for that purpose, and no such work shall be begun unless approved by such sub-committee.

2. No debentures shall be issued, nor shall the Executive Committee grant leave to mortgage, in any case where the provisions of this Canon have not been complied with.

The motion was *lost*.

THE ARCHBISHOP'S JUBILEE.

His Honour Judge McDonald presented and read the following report of the special Committee appointed to prepare a Minute of Congratulation upon His Grace the Archbishop having attained the fiftieth year of his ministry, and moved its adoption:

“most hearty congratulations upon the near approach of the fiftieth anniversary of his ordination to the sacred ministry. Thirty-six years of that ministry have been spent in the discharge of the high and solemn duties of chief ruler of the Diocese of Ontario, and the Synod desires to make the commemoration of His Grace’s Jubilee an opportunity to place on record its deep appreciation of the wisdom and the ability which have characterized that rule.

“Evidences of strong administrative powers are to be seen in the initiation of the system of Incorporated Synods, the disappearance of party spirit, in the harmony which so generally prevails throughout the Diocese, and in such marked progress that the forty-eight clergy who in 1862 ministered to eighty-nine congregations had in 1896 increased to one hundred and thirty-three ministering to two hundred and eighty-three congregations. In that year the Archbishop was enabled to give effect to his long cherished wish for the division of the Diocese, and to see each part starting stronger and better equipped than the original was at the time of his consecration. This was made possible chiefly through the excellent results of the Mission Board system for which, as well as for the establishing of the Mission and Sustentation Funds, the Diocese is indebted to His Grace’s wise foresight and administrative ability.

“The Diocese will also ever remember and appreciate the honour brought to it by its then young Bishop being the one who took the first practical step which resulted in those gatherings of the Bishops of the whole of the Anglican Communion known as the Lambeth Conferences. The intimate relationship which has so long existed between the Bishop and the clergy and laity will by the appointment of a coadjutor be materially altered, but such alteration can never erase from the memory of the Diocese its grateful remembrance of the wisdom, ability, and toleration which have so distinguished His Grace’s rule.

“Many and sincere are the prayers that every blessing may attend the remaining years of the first Bishop of Ontario.”

All of which is respectfully submitted.

HERBERT S. McDONALD, *Chairman.*

SYNOD HALL, KINGSTON, 23rd June, 1898.

The motion for the adoption of the report, being put by the Chancellor, was carried unanimously and with enthusiasm by a standing vote.

His Grace thanked the Synod for its resolution, and said that his heart was too full to allow him to give proper expression to his thoughts.

At this point the Archbishop withdrew, and the Archdeacon of Ontario took the chair.

On motion it was resolved to present His Grace with an engrossed copy of the Minute of Congratulation.

PROPOSED CANON ON PAROCHIAL DIFFERENCES.

His Honour Judge Reynolds introduced the following Canon on differences that may arise between a Rector or other Incumbent and communicants resident within his parish, and moved its adoption :

1. Whenever the Bishop of the diocese is informed or has reason to believe that differences have arisen between a rector or other clergyman in charge of any rectory, parish, or mission in the diocese, and communicants resident in the said rectory, parish, or mission, or that the condition of the rectory, parish, or mission is in any respect such as to require investigation, the Bishop may, and upon a request in writing, signed by five persons qualified to vote at the election of lay representatives of such rectory, parish, or mission, or by the said clergyman, shall appoint a committee consisting of one clerical and one lay member of the synod of the diocese, whose duty it shall be to proceed to the rectory, parish, or mission, and endeavour, if possible, to bring about a settlement of the differences existing therein, or the removal of any grievance or cause of scandal, or other hindrance to the peace or prosperity of the rectory, parish, or mission.

2. Within one month after their appointment, the said committee shall report in writing to the Bishop, and if the said committee, by their said report, declare that they have failed to bring about a settlement of the said differences, and that for causes named in the report (not being subjects for investigation under the canon on Church discipline) the said committee consider it to be detrimental to the interests of the Church that such rector or other clergyman should longer remain in charge of such rectory, parish, or mission, and recommend that a commission of enquiry be issued to enquire into such complaints made by the communicants of the Church, resident in the rectory, parish, or mission, as may be recited in the said report, the Bishop shall issue a commission of two clergymen and one layman (who shall be either the chancellor of the diocese or some other member of the synod being a Queen's counsel, and who shall be the chairman of the said commission), empowering the commissioners therein named to hold such investigation.

3. As soon as conveniently may be after the issue of the commission, the commissioners shall give notice to the clergyman in charge of such rectory, parish, or mission, and to the churchwardens and lay representatives thereof, of the time and place at which the commissioners will hold their sittings.

4. The proceedings by and before the said commission shall be as nearly as possible similar to those provided in respect of the Court for the trial of complaints under the canon on Church discipline.

5. The commissioners, or a majority of them, shall report with all convenient speed to the Lord Bishop of the diocese the result of their enquiry, and may recommend that such action be taken in the premises as they may deem advisable.

6. The Lord Bishop shall take such action upon the report of the commissioners as may seem to him advisable, and, in case the needed power in that behalf be granted by the Legislature, he may suspend or remove the incumbent of such rectory, parish, or mission from his benefice.

STIPEND OF COADJUTOR BISHOP.

Moved by Mr. Pense, seconded by Mr. H. Briscoe, and resolved,

That the Synod pledges its best efforts to provide \$1500 and a residence free, in addition to the fund already provided of \$1,000, as a stipend for a Coadjutor Bishop, and trusts that the delegates from all the parishes will come to the ensuing special Synod, prepared to guarantee their due proportion; and that a copy of this resolution be sent to each clergyman to submit to a special meeting of the vestry.

SPECIAL SESSION FOR ELECTION OF COADJUTOR BISHOP.

Moved by Judge McDonald, seconded by the Rev. J. W. Forster, and resolved,

(B)**Memorials, Correspondence, etc., and Action Thereon.****I.—REPORT OF COMMITTEE ON MEMORIALS.**

The Committee on Memorials have the honour to report with reference to the memorial of the incumbent and churchwardens of St. Alban's Church, Amherst Island :

That in their judgment the Synod as trustee of the property in question has the power to appropriate the rent of the property towards the making of necessary improvements upon the property, such as the putting up of fences, the erection of farm buildings, etc. The incumbent and churchwardens propose to raise a sum not exceeding \$500 for the repairing of the barn, the building of a stable, cow-shed, etc., and to put up a large quantity of fencing ; and in order to provide for the repayment of this money the present incumbent proposes to give up half the rent of the property.

The Committee recommend that a lease be given by the Synod to the new tenant, or that the present lease be assigned to the Synod, and that the rent shall be applied by the Synod, one-half to the payment of the debt, and the other half to the stipend of the minister.

All which is respectfully submitted.

The "Canadian Churchman" has now obtained an assured position as the representative of the Anglican Communion in the Dominion of Canada. My proposition is—to give to every clergyman, who obtains a new subscriber, ten per cent of the subscription price for the benefit of the Widows and Orphans funds of the Church. If he will continue to collect the subscription year after year, the same allowance would be made on every such collection.

If your Lordship should think well of this proposal, you would greatly promote its working by making it known to your Diocese at the annual Synod, or otherwise, as you might think fit.

I have the honor to be,

The Incorporated Synod of the Diocese of Ottawa (hereinafter called the "Synod of Ottawa") of the second part.

WHEREAS the Diocese of Ottawa, in connection with the Church of England in Canada, has lately been set off from the Diocese of Ontario;

And whereas, by an Act of the Legislature of the Province of Ontario, passed in the fifty-ninth year of Her Majesty's reign, intituled "An Act to incorporate the Synod of the Diocese of Ottawa in connection with the Church of England in the Dominion of Canada," provision was made for the incorporation of the said Synod of Ottawa, and for enabling the said Synod of Ottawa to take and receive from the said Synod of Ontario by assignment or conveyance such proportion of the funds and property held in trust for various purposes by the said Synod of Ontario as the said Synod of Ottawa might become entitled to by virtue of any agreement or arrangement arrived at between the said Synods;

And whereas the incorporation of the said Synod of Ottawa has been completed, and the said Synod of Ottawa is now capable of entering into this agreement and of receiving a transfer of the moneys and securities hereby assigned to it;

And whereas the Synod of Ontario is possessed as trustee of moneys and securities in connection with the funds hereinafter mentioned, heretofore controlled and managed by the said Synod of Ontario, and it has been agreed between the said Synods, in pursuance of the powers contained in the said Act, that the said funds shall be now divided, as of date the 1st May, 1896, in the proportions and subject to the limitations and conditions hereinafter contained;

And whereas it has been directed by the said Synods that this agreement shall be drawn up and executed by the officers of the respective parties hereto:

Now, therefore, this Indenture witnesseth as follows:

 EPISCOPAL ENDOWMENT FUND.

The Episcopal Endowment Fund of the said Synod of Ontario shall be divided in the proportion of two-thirds to the Synod of Ontario and one-third to the Synod of Ottawa, provided, however, that such division shall not take place until the next avoidance of the See of Ontario, until which time the Archbishop of Ontario shall receive the income of the whole fund, which shall until division be controlled and managed by the Synod of Ontario; provided that the Synod of Ottawa, its officers and agents, shall meanwhile at all times, on reasonable notice, be at liberty to inspect the books, vouchers, and securities of the Synod of Ontario respecting said fund and its management, and that the Clerical Secretary of the Synod of Ontario shall forward half yearly in May and November of each year (until the said avoidance and division) to the Clerical Secretary of the Synod of Ottawa a full statement respecting said fund and the securities therefor; and provided further, that at the time of such ultimate division the Synod of Ontario shall have the right to deduct from the share of the said fund belonging to the Synod of Ottawa the sum of two thousand eight hundred dollars without interest, which sum so retained by the Synod of Ontario shall be in full satisfaction of any claim of the said Synod of Ontario against the Synod of Ottawa in respect of the See House fund, from which claim the Synod of Ottawa is otherwise hereby released and discharged, the Synod of Ontario hereby agreeing to assume and pay the debt in connection with said last mentioned fund.

SUSTENTATION FUND.

The Sustentation Fund of the said Synod of Ontario shall, subject to the provisions hereinafter contained as to gifts and bequests in connection with the Mission Fund, be equally divided between the two Synods, provided that the Synod of Ontario shall have the right to deduct from the share of the said fund belonging to the Synod of Ottawa an amount equal to one-half the debt due on the first day of July, 1896, in connection with the Mission Fund of said Diocese of Ontario, which sum so retained by the Synod of Ontario shall be in full satisfaction of any claim of the said Synod of Ontario against the Synod of Ottawa in respect of the Mission Fund debt, which debt the said Synod of Ontario agrees to assume and pay, and from which the said Synod of Ottawa is otherwise hereby released and discharged.

THE MISSION FUND.

Each of the said Synods shall assume and pay one-half of the debt of the Mission Fund of the Synod of Ontario due on the first day of July, 1896, the share payable by the Synod of Ottawa being provided for by deduction from its share of the Sustentation Fund, as hereinbefore provided.

MISSION BEQUESTS.

All Mission Bequests held by the Synod of Ontario shall be retained by the Synod of Ontario, which shall, however, pay out of its share of the Sustentation Fund to the Synod of Ottawa an amount equal to one half of the capital of the Labatt, Keefer, and McMillan bequests.

2.—REPORT OF THE COMMISSIONERS APPOINTED BY THE SYNOD OF THE DIOCESE OF ONTARIO.

To the Executive Committee :

The Commissioners appointed by Synod and those accredited from the Diocese of Ottawa met in Kingston on Nov. 16th, and held eight sessions. Ottawa Diocese was represented by Chancellor Lewis, Judge Senkler, and W. H. Rowley. J. A. Worrell, Q.C., was appointed umpire or referee, but happily his services were not called into requisition, as the sessions were marked by the fairest consideration on all sides. In dealing with the securities their character was duly considered and a fair apportionment arrived at by taking all the elements of their value into consideration. The funds and securities to be dealt with were those recorded on pages 248, 249, and 250 of the Journal of Proceedings of Ontario Diocese (34th session), as per auditors' statement of capital account on May 1st, 1896, the total amount being \$548,036.33. The apportionments to the respective dioceses under the terms of the deed between the two Synods were ascertained to be :

	To Ontario Diocese.	To Ottawa Diocese.
Clergy Superannuation Fund	\$ 3,756 05	\$ 3,756 05
Clergy Trust Fund	125,284 00	125,284 00

Gainford Mission Trust	1,701 67	
	\$342,615 99	\$192,988 34

The sum of \$12,432, making the balance of the total amount of \$548,036.33, was reserved for arbitration, in accordance with the deed of August, 1896. For the purpose of a fair division of the different classes of securities it was resolved that seven-elevenths be allotted to Ontario Diocese and four-elevenths to Ottawa Diocese, as near as practicable. The subjoined division was effected :

The amount apportioned to Ottawa being \$192,988.34, there is a balance of \$2,667.49 to be transferred to Ontario Diocese in the final adjustment.

It is proposed to calculate interest on the securities up to the 15th December, and also to prepare statements of the share due by Ottawa Diocese for overdrafts and expenses to date, and that the balance of the cash and the securities be handed over to an accredited representative of Ottawa Diocese on that date.

4.—REPORT OF THE CHANCELLOR ON THE WORRELL AWARD.

To the Executive Committee of the Synod of the Diocese of Ontario :

GENTLEMEN,—The Committee appointed by the Executive at its last meeting to advise and assist in matters connected with the arbitration agreed upon between the Synods of Ontario and Ottawa respecting the sum of \$12,432, part of the Clergy Trust Fund, having requested that I should undertake personally the duty of conducting and arguing the matter on behalf of our Synod, I have to report that I prepared the case for the arbitrator and laid before him all the information on the subject which I could procure. The arbitrator having given an appointment to hear the case, it was heard and argued in Toronto in the month of February last.

Before presenting the award I will state in as few words as possible the questions involved and the facts connected with them.

The Macaulay Award, dated on the 29th September, 1859, directed that there should be paid by the Church Society of the Diocese of Toronto, for the benefit of the new Eastern Diocese when formed, the sum of £5,981 6s. 8d. (equal to \$23,925.33) which, with a sum of £2,352 (equal to \$9,408), to be provided by the Eastern Diocese, should form a capital sum of £8,333 6s. 8d., the interest of which at six per cent would yield an annual income of £400 to the Bishop of the new Diocese and £100 to its Archdeacon. In 1863, in pursuance of the Award, the sum of £756 (equal to \$3,024) was paid over to the Synod of Ontario on account of the Archidiaconal endowment, and this sum was placed or allowed to remain in the Commutation Fund. In 1868 there was paid over on account of the Bishop's endowment the sum of \$20,866.67, about \$35 short of the proper amount, and this sum was placed in and added to the Episcopal Fund.

Each of these payments required to be supplemented by our Synod. The supplementary contribution as regards the Archidiaconal Fund was made by the execution of an instrument by our Synod on the 5th day of August, 1863, whereby our Synod covenanted with the Church Society of Toronto that they should and would set apart, and at all times thereafter keep set apart, the said sum of £756, and the further sum of £910 13s. 4d., making together £1,666 13s. 4d, as and for a perpetual fund called the Archidiaconal Fund, the

annual proceeds of which should be devoted towards the payment of the annual salary of £100 to the Archdeacon of Ontario. No further action in connection with this fund appears to have been taken by our Synod, but the Archdeacon's stipend appears to have been regularly thereafter paid out of the Commutation Fund.

Our Synod dealt with the question of our supplementary contribution to the Bishop's Fund by a report of the Clergy Trust Fund committee, presented in 1868, and a resolution passed on its presentation. This report, after expressing an opinion that it was the intention of the parties to the award that the sum to be provided by the Diocese should be paid out of the Commutation Fund of the Diocese, recommended the payment to the Bishop annually out of the interest of the Commutation Fund of the sum of \$86 9s. 7d., equal to \$345.92, being the annual interest at six per cent on the amount to be contributed (£1,441 6s. 8d.). When this report came before the Synod for consideration it was disposed of by the following resolution (see page 563 of Journal):—

"That the report be adopted, but that the Executive Committee do devise means to raise a principal sum whose interest will replace the sum of £86 7s. 9d. annually; provided that in the meantime the sum of £86 7s. 9d. be paid towards the Bishop's income from the Commutation Fund,"

No money was ever raised in pursuance of this resolution, and the annual payment to the Bishop has been made ever since.

The fund to be disposed of by the arbitrator consisted of £2,352, which should have been provided by our Diocese, and the sum of £756 actually paid over to our Synod and placed in the Commutation Fund, the two sums making together the sum of \$12,432, as follows:—

£2,352
756
<hr style="width: 50%; margin: 0 auto;"/>
£3,108
4
<hr style="width: 50%; margin: 0 auto;"/>
\$12,432

The arbitrator does not seem to have regarded either the covenant of 1863 respecting the Archidiaconal fund, or the report of 1868 and the resolution adopting it, as a final appropriation of any part of the Commutation Fund, either to the Archidiaconal Fund or the Bishop's Fund; and, subject to the charge in favour of the Bishop, he has treated the sums dealt with by the covenant and report as still forming part of the general commutation fund. The £756 he has regarded as held by the Diocese of Ontario for the Archidiaconal Fund of that Diocese.

A copy of the Award is annexed to this report.

All of which is respectfully submitted.

RICHARD T. WALKEM, *Chancellor.*

5. — THE AWARD OF DR. J. A. WORRELL, Q C.

TO ALL TO WHOM THESE PRESENTS SHALL COME :

I, John Austin Worrell, of the City of Toronto, in the County of York,
Barrister-at-law

SEND GREETING.

WHEREAS, by an Indenture bearing date the twelfth day of August, in the year one thousand eight hundred and ninety-six, and made between The Incorporated Synod of the Diocese of Ontario (hereinafter called "the Synod of Ontario") and The Incorporated Synod of the Diocese of Ottawa (hereinafter called "the Synod of Ottawa"), after reciting that the Diocese of Ottawa had been lately set off from the Diocese of Ontario, and that by an Act of the Legislature of the Province of Ontario, passed in the fifty-ninth year of Her Majesty's reign and chaptered 117, provision was made for the incorporation of the Synod of Ottawa, and for enabling the said Synod to take and receive from the Synod of Ontario such proportion of the funds and property held in trust for various purposes by the Synod of Ontario as the Synod of Ottawa might become entitled to by virtue of any arrangement or agreement arrived at between the said Synods, it was thereby arranged and agreed among other things that the Clergy Trust Fund of the Diocese of Ontario should be so dealt with that there should be first deducted from the capital of the said Fund the sum of twelve thousand four hundred and thirty-two dollars "required under the Award "known as the 'Macaulay Award' to meet the annual payments of three "hundred and forty-five dollars and ninety-two cents to the Bishop and four "hundred dollars to the Archdeacon," and that subject to such deduction the fund should be divided equally between the Synod of Ontario and the Synod of Ottawa, and the question of the proper disposition of the said sum of twelve thousand four hundred and thirty-two dollars was thereby referred for determination to me as Arbitrator, it being provided that until an award should be made in respect of the said sum of twelve thousand four hundred and thirty-two dollars the Synod of Ontario should pay the said sum of three hundred and forty-five dollars and ninety-two cents payable to the Archbishop and the sum of four hundred dollars payable to the Archdeacons of Kingston and Ottawa out of the interest thereof, and that the said capital of twelve thousand four hundred and thirty-two dollars should be thereafter disposed of by the Synod of Ontario in accordance with the terms of the said award :

NOW KNOW YE that I, the said Arbitrator, having taken upon myself the burden of the said reference and having duly heard, weighed, and considered the allegations and matters urged on behalf of the said Synod of Ontario and the said Synod of Ottawa, and also the proofs, vouchers, and documents which have been given in evidence before me, DO hereby make and publish this my Award of and concerning the matters so referred to me.

FIRSTLY, I do award, order, and adjudge that the sum of three thousand and twenty-four dollars (or seven hundred and fifty-six pounds of old Canadian currency) received by the Synod of Ontario in or about the years 1863 and 1864 from the Church Society of the Diocese of Toronto be retained by the Synod of Ontario subject to the trusts and conditions under which the same was paid to the said Synod by the said Church Society of Toronto in pursuance of the said "Macaulay Award."

SECONDLY, as regards the sum of nine thousand four hundred and eight dollars, being the balance of the said sum of twelve thousand four hundred and thirty-two dollars, I do award, order, and adjudge that such portion thereof as would be required to yield if invested at interest at the rate of six per cent per annum the sum of three hundred and forty-five dollars and ninety-two cents,

6.—REPORT OF COMMITTEE ON RELIGIOUS INSTRUCTION IN PUBLIC SCHOOLS.

The Committee on Religious Instruction in the Public Schools report as follows:

The vital importance of religion as a necessary element in the education of the children of the country is becoming more widely recognized and regarded as a thing which calls for practical effort on the part of the Church. Much has been attempted by the various committees of the different Dioceses of the Province of Ontario, but hitherto a successful result has not been attained. The reasons for this are (1) the opposition of other religious bodies, and (2) the want of unanimity within the Church. The former is a thing which cannot be immediately cured, and while it lasts must be regarded as a serious hindrance to any scheme. It is a fatal obstacle in the way of carrying out what many

Churchmen think the best method to be adopted, viz., that children of all denominations should be taught together in the public schools in all subjects but religion, which should be taught at certain hours by accredited teachers of the different religious communities. The lack of unanimity in the Church is the most serious obstacle in the way of Mr. L. Baldwin's scheme, which in itself has many excellent features. By it the right is claimed, for any religious body which provides the necessary machinery, to a share of the school tax for carrying on a school in which their religious tenets may be taught, while at the same time maintaining a standard equal in all respects to other public schools. Provision is also made for a certain amount of Bible instruction in those sections where voluntary schools may not be practicable. This scheme might be feasible if the Church were unanimous. But it is not. The idea of separate schools has been so long associated in the minds of some with one aggressive branch of the Christian Church that they cannot be persuaded to examine the matter without the strongest prejudice. The result is that in some Dioceses there are two distinct committees working on two distinct and rival proposals, and neither able to accomplish anything.

Pending, therefore, the action of the other dioceses of Ontario, your Committee does not consider it wise for this Diocese to take any definite steps, but asks for reappointment in order that it may be ready to act whenever the opportunity may come.

All which is respectfully submitted.

CLARE L. WORRELL, *Chairman.*

5. The Award of Dr. J. A. Worrell, Q.C., the arbitrator named in the said agreement.

THE ARCHBISHOP'S JUBILEE FUNDS.

This being the fiftieth year of the Archbishop's ministry, it was resolved to mark His Grace's Jubilee by an effort to increase the capital of those funds which most require it, viz., the Episcopal Fund, the Widows and Orphans Fund, and the Clergy Superannuation Fund, and to complete the payment for the Episcopal residence. For this purpose provision has been made for an immediate canvass of the Diocese by the Rev. C. J. H. Hutton; and a delegation consisting, first, of the Archdeacon of Ontario and His Honour Judge McDonald, and, after their return, of the Rev. F. W. Armstrong, is at work in England for the same object.

COADJUTOR BISHOP.

In recognition of the Archbishop's long and faithful service, and in view of his age and state of health, it has been resolved with His Grace's concurrence to make provision for the appointment of a Coadjutor Bishop with the right of succession.

All which is respectfully submitted.

A. SPENCER, *Clerical Secretary.*

3.—REPORT OF THE MISSION BOARD.

The Mission Board begs to submit the following report for two years ended April 30th, 1898.

I. FINANCIAL.

The financial statements for the two years since the last report show as receipts from the congregations of the Diocese \$10,433 37, and from the interest of the Sustentation Fund and the two bequests (Watkins and Gainford) \$2,619.56, a total of \$13,052.93. The expenditures for the same period were \$14,164.66, an excess over the receipts of \$1,111.73. For all practical purposes the contributions from the ordinary sources of revenue for each of the two years may be considered as almost equal in amount, the receipts of 1897-8 from collections, meetings, and offerings being less than those of 1896-7 by only \$369.11. But we regret to say that on May 1st of this year the overdrawn balance was increased over that of the year preceding by \$139.22, the total indebtedness being \$1,256.33.

When it is remembered that in both these years many special efforts were made to induce increased liberality from our people for this most important of all our congregational funds, the results should impress the necessity of the utmost caution and economy, as regards all grants and expenditures for the present. In 1896-7, when the division of the Diocese was about to take place, on earnest appeal was made by the Archbishop to the Diocese in personal conferences, with a view of having, if possible, no debt whatever to share in regard to the Mission Fund. That expectation unhappily was not realized, but there was unquestionably a certain amount of response to the appeal, the parochial collections being \$3,567.34, an increase of over \$520 on the \$3,039.66 of the previous year. Again, last year there was another earnest appeal put forth to commemorate the Diamond Jubilee of Her Majesty's reign on June 20th, 1897. In response to this the Trinity collections increased from \$376.31 to \$537.17, and the special offerings from \$51.20 to \$301.45. There were, therefore, in these two years exceptional efforts made on behalf the Mission Fund, and yet the Board has had to face the overdraft, on which interest is charged, of \$1,256.33. Nor, under existing circumstances, with the special appeal now being made to the Diocese for the Episcopal endowment, can we entertain much hope that we shall have any substantial addition this year to the contributions of our Mission Fund.

II. DEFECTS IN SYSTEM.

And yet there are two matters which are of such pressing importance that the Board cannot defer bringing them before the Synod and the Diocese. The first is the painfully inadequate stipends of the missionary clergy as well as the irregularity with which even these small stipends are paid. It is vain to expect that educated and talented young men will accept service in the Diocese, where all must begin as missionaries, or will remain at their posts and give the Diocese the benefit of their experience, while the only income of which they can be assured is the small quarterly grant from the Mission Fund, any additional amount depending on the uncertain action or inaction of voluntary and irresponsible persons. The time has come when some better system of collection for and payment of our missionaries' entire stipends should be devised, and the

people taught to subscribe not to their minister personally, but to the Church which sends their minister. Until this is learned and carried into effect the support of the Church will never be a matter of principle, but of liking or disliking of an individual, and the clergyman will be more or less dependent on the caprice of the people and a precarious popularity. It goes without saying that a total income (more or less precarious) of say \$500, which is rather above than below the average, is utterly insufficient for any clergyman with a family to support and educate. Just now, when the Diocese is beginning a new existence, making a fresh start, with comparatively a small body of clergymen, would seem to be a favourable time to place the stipends of all our missionaries on a sounder basis, either by such a consolidation of the fund as has been effected with such remarkable success in the Diocese of Quebec (where the entire stipend of the missionary is paid from a central fund, and there is a graduated scale of increased income according to length of service) or by some well-organized system of assessed quarterly payments by the mission, either directly to their clergyman or indirectly through the Clerical Secretary, so as to insure some regularity and certainty in the stipend. Nor does it seem fair to those older missionaries, who have served the Church faithfully for many years, to be receiving only the same amount of remuneration as their juniors when beginning ministerial work. In every commercial institution the active young officer knows that by length of service and zeal in the discharge of his duties his income will be increased, and he works on encouraged by hope of promotion and a higher salary. Cannot some such system be devised for the benefit of our missionary clergy? Can we not adopt a method and a scale which will assure them of both a certain income, and an income increasing, however slightly, according to length of service? This matter the Board desires to lay before the Synod as worthy of serious consideration.

III. PRESENT NEEDS.

But besides the improvement in the financial condition of our existing missionaries the Board must earnestly represent to the Synod that in our great and wide missionary districts in North Hastings, North Addington, North Frontenac, and parts of Prince Edward County there is urgent need of more men. For every year that the Church neglects her members scattered over these parts, and still in a degree retaining a regard for their spiritual mother, she is sure to lose some of them. Desertions are the certain result of neglect in the Diocese as well as the parish. Surrounded by the activities of other religious communities, wealthy and well organized, religious people will not be satisfied with a mere week-day and fortnightly service. Their children will be sent to Sunday Schools, where they are supposed to at least learn Bible Truth, even though without Church Truth. If these brethren and their families are to be preserved to the Church the means of grace must more fully be provided for them. And this implies more men and more money, and more self-sacrifice on the part of all our good people in cities, towns, and villages, where the full privileges of the Church are enjoyed.

Under present circumstances, while the Board does not feel justified in incurring liabilities beyond what are imperatively required to maintain the mis-

sionaries now employed, it cannot refrain from laying the facts before the Synod and the Church. The Board can deal only with the contributions entrusted to it by the members of the Church and represent the necessities of the Diocese. Then if the revenue fall short of the requirements, on the people will rest the responsibility and not on the Board.

IV. CLASSIFICATION FOR 1898-9.

It remains to state that after careful consideration by the Classification Committee and the whole of the Board, it has been resolved to recommend grants for the current year to the amount of \$5,900.00. This is a great venture of faith. The amount exceeds the expenditure of last year by some \$200, and with the fund in debt over \$1,200 it will require most strenuous efforts to meet our obligations and if possible liquidate our liabilities. To their missionaries especially and to the clergy generally the Board would appeal to do all in their power to make the urgent requirements of the case known, impressing on their congregations that the prosperity and the growth of the Church depends under God's good providence on the liberal support given to the Mission Fund of the Diocese.

Appended herewith is the Classification of Missions for the year beginning July 1st, 1898.

All respectfully submitted.

4.—REPORT OF THE COMMITTEE ON DOMESTIC AND FOREIGN MISSIONS

The Committee on Domestic and Foreign Missions begs to report :

It is gratifying that there is no falling off in the interest taken in the Church's missionary work outside the Diocese since the last report in 1896. No doubt more might have been done, and if from every congregation there had been some response to the appeals, Ontario would stand forward favorably as regards the other Dioceses in the Province, taking into account its numbers and its wealth. And yet, considering the existing urgent demands on our people for their home missionary work, during the past two years, it is satisfactory to find an increase, however small, in the contributions to Domestic and Foreign Missions. To the Woman's Auxiliary is largely due the credit of this increase. But for the work of this organization some parishes would be discredited by having a total blank after their names. On the whole, however, there has been progress rather than retrogression, and we repeat that if the clergy would without exception make it a matter of duty and principle to read the appeals to their congregations, two good results would certainly follow. First, the Church's members would not be left in total ignorance of the glorious work of the Church of England as a missionary Church, fighting the good fight of faith, and preaching the gospel of Christ in all its purity abroad as well as at home; and, secondly, with the appeals faithfully read and in even a few words enforced by Christ's ministers, there is not a congregation in which some hearts would not be touched and influenced to contribute to such a cause. At all events the responsibility of giving nothing would then rest not on the officer of the Church (whose orders he is bound in all loyalty to obey in reading the appeals enjoined by all its Bishops) but on the people themselves. And even if nothing whatever is contributed, still the clergyman has the satisfaction of having done his duty to the Church and to his flock, while his church-going people are all reminded in a very impressive manner twice in the year of the necessities of their own Apostolic Church in her efforts to maintain and extend the Kingdom of Christ. Surely this is a duty which every man who has at heart the interests of the Lord's Kingdom should delight in discharging.

Placing side by side the contributions for Domestic and Foreign Missions during the last two years from the several Rural Deaneries, the result shows an increase of \$181.93 for the year ended April 30th, 1898.

The receipts are as follows :

Rural Deaneries	1896-7	1897-8
Frontenac	\$ 661 12	\$ 802 18
Leeds	403 16	422 20
Hastings	277 20	272 79
Grenville..	130 20	128 29
Lennox and Addington	116 27	123 79
Prince Edward.....	80 87	101 28
	<u>\$1,668 82</u>	<u>\$1,850 75</u>

Of the above to the credit of the W.A..... \$649 21 \$675 57

It seems but fair to the parishes which have responded to the appeals to mention those in default, and it will go far to justify our previous remarks. At the same time it is right to state that among those defaulters were some (not many) vacant at the time the collections should have been made. The list is only for the year 1897-8. Defaulters for *both Epiphany and Ascensiontide Appeals*: Christ Church, Belleville; Lansdowne Front, Lansdowne Rear, Amherst Island, Pittsburg, Clarendon, Parham, Monteagle. (8.) Defaulters for *one* appeal: Bath; Trinity Church, Brockville; Leeds Rear, Elizabethtown, Oxford Mills, Augusta, Merrickville, Loughboro, Madoc, Hillier, Wellington, Marysburgh, Selby, Millbridge. (14.)

While this list of defaulters happily is not as large as in previous years, still the Committee feels that it is by calling marked attention to the default in their report that the parish or mission may be reminded of the fact and stimulated to do better. The Committee would fain hope that ere long it may be in its power to record with a laudable pride that in the Diocese of Ontario there is not a single congregation in town or country but has sent in its contributions for the Domestic and Foreign Missionary work of the Church of England in Canada.

All respectfully submitted.

SYNOD OFFICE, June 21st, 1898.

(1.) The invested capital of the Fund at the close of the fiscal year was \$12,600.

(2.) The financial statement is as follows :

It will thus appear that the overdraft has been increased during the year to the extent of \$81.54.

(3.) The following parishes are in default for the Canonical collections for the past year : Kingston, St. James' ; Parham (vacant), Pittsburg, Augusta, Queensboro, Bath, Odessa, Stirling, and Wellington. The following are also in default for the year ending April 30th, 1897: Wolfe Island (vacant), Stirling, Trenton, Wellington.

(4.) The following is the list of Clerical subscriptions to the fund in good standing, having paid their subscriptions up to April 30th, 1897 : His Grace the Archbishop, the Reverend Messrs. Auston, Baker, Burke, Carey, Codd, J. H. H. Coleman, Cooke, O. G. Dobbs, Emery, Forneri, Forster, French, Canon Grout, Jarvis, Lewin, R. Lewis, McMorine, Moore, Nimmo, Patton, Rayson, Roberts, Rollin, Dean Smith, Canon Spencer, H. J. Spencer, Worrell, Wright, Young. (30.)

(5.) The annuitants are as follows :

WIDOWS.		
Mrs. Armstrong,	Mrs. Plees,	Mrs. White,
" Early,	" Prime,	" Morris,
" Garrett,	" Stephenson,	" Anderson.
" Leathley,	" Jemmett,

ORPHANS.

Two orphans of the late Rev. F. Prime.
 One orphan of the late Rev. Geo. Jemmett.
 Two orphans of the late Rev. K. L. Jones.
 Two orphans of the late Rev. Geo. W. White. —7.

One of these orphans, since the close of the fiscal year, has ceased to be a beneficiary, having reached the age of eighteen years ; consequently the number of orphans now on the list is six. Since April, 1896, five orphans have ceased to draw annuity.

(6.) Your committee is pleased to learn that the Diocesan Branch of the Woman's Auxilliary has again come to the relief of the funds, having devoted the annual thank offering of the members, amounting to \$341.06, to the purposes of the fund. The official acknowledgement of this most generous and timely gift should appear in next year's report, the donation having been received since the close of the year to which this report refers. But we hasten to place on record an expression of our grateful appreciation of the action of those faithful women who have taken so deep and practical an interest in the welfare of the fund.

(7.) The same remark applies with equal propriety to the continued liberality towards the fund of two of the beneficiaries, Mrs. Kirkpatrick and Mrs. Leathley, whose names have appeared for so many years in the reports of your committee as generous contributors to the fund, the former to the extent of the amount of annuity to which she is entitled. We also welcome the efforts of St. Thomas' Junior W. A., Belleville, and of the Sunday School of Christ Church, Gananoque, and we venture to express the hope that this most beneficent and necessary fund may receive the encouragement of more frequent and substantial remembrance on the part of our liberal and wealthy Churchmen throughout the Diocese. We can conceive of no more worthy object to which bequests and special thank offerings might be made.

Respectfully submitted.

The amount received from Consolidated Fund, \$178.12.

Balance on hand, May 1, 1898, \$296.54.

Since last meeting of Synod one annuitant, Rev. Canon E. H. M. Baker, was placed on the Fund.

At the May (1898) meeting of the Committee an application was received from the Rev. T. Godden, B.A., asking to be placed on the Fund, with the right of priority in case the Committee was unable to comply with his request. The Committee regrets that it cannot at present place the Rev. T. Godden on the list of annuitants, owing to the state of the Fund. The Committee feels that it is not justified in any case in giving applicants a right of priority, but that each claim must depend upon its merits when the occasion arises.

The following are the annuitants on the Fund: Rev. Messrs. J. Halliwell, W. H. Smythe, W. Lewin, and E. H. M. Baker.

All of which is respectfully submitted.

9.—REPORT OF THE DIVINITY STUDENTS' FUND COMMITTEE.

The Divinity Students' Fund Committee begs to report as follows:

At the beginning of the year there were six students receiving grants of \$65 per annum. Of these Messrs. Rounthwaite and Fee have withdrawn, the former having been ordained in the Diocese of Toronto and appointed curate of St. George's Church, in the city of Toronto, and the latter giving up his intention of entering the sacred ministry. Both of these were called upon to refund the amount they had received as grants, and both have done so. Three others were ordained on the 1st of May last, and have been appointed as follows:—Mr. J. D. Wright, M.A., missionary at Flinton; Mr. C. P. Sparling, M.A., curate at St. Paul's, Kingston; and Mr. G. A. Field, B.A., missionary at Parham. These gentlemen, both in their University record and in their examination for Holy Orders, have done credit to themselves and fully demonstrated the usefulness of the Fund.

One exhibitioner alone remains at Trinity University, Mr. Code, who will be ready for ordination in two years.

The Lent offerings this year were considerably less than last year. The following parishes contributed:—Barriefield; St. George's, Kingston; St. Paul's, Kingston; All Saints', Kingston; Sharbot Lake, Amherst Island, Cardinal, Oxford Mills, Prescott; St. Thomas', Belleville; Deseronto, Madoc, Tweed; Brockville, St. Peter's and Trinity; Elizabethtown, Kitley, Lansdowne Rear, Leeds Rear, Lombardy, Napanee, Selby, North Addington, Ameliasburg, Frankford, Picton, Trenton.

Of these the lowest amount was 55 cents; the largest, from St. Thomas', Belleville, \$28.68. The average from the contributing parishes was about \$5. Thirty-four parishes sent nothing.

The estimated annual income of the fund is about \$275, made up from the Consolidated Fund and Lent offerings. This is totally inadequate for carrying

out any large or generous system, or such a system as would be likely to draw the best available men for service in the Diocese. It is proposed, however, in spite of the scanty amount available, to make a departure from the old methods of distributing grants, and, if possible, help our missionaries as well as our students to the utmost limit of the fund. Grants will be made only in the Divinity class, one for each of the three years of the course. They will be made to the student standing highest in the examination next preceding the year for which he desires to obtain a grant, the conditions of the canon being in every case complied with.

The amount of the grant or scholarship is to be \$90, but of this \$25 will be paid to the student himself as part compensation for lay work done in the Diocese during the summer vacation. It is hoped that this will aid the student, not only financially, but also by giving him experience in practical parish work. It should be a benefit to clergymen who need help in the summer and are not able to provide all the stipend themselves.

It is hoped that the Lent offerings next year may be sufficiently large to leave an amount available for any emergent and pressing call upon the fund.

All which is respectfully submitted.

June 21st, 1898.

10. REPORT OF RECTORY LANDS FUND COMMITTEE.

The financial statement shewed that there was received from the Consolidated Fund the sum of \$8,407.61; from Kingston rents, \$3,314.32.

There was paid to the clergy \$11,219.95; paid interest on overdraft, \$69.05, making a total of \$11,289, leaving a debit balance of only \$56.41, as against \$489.34 on 30th April, 1897.

The sum of \$1,000 was carried to the Rest account of the Consolidated Fund.

The amounts paid the clergy amounted to a net 4½ per cent.

The shewing of this statement is one of the best for some years; and the clergy are to be congratulated upon the result, and their thanks are undoubtedly due to the Chancellor and the Secretary for the reduction of the debit balance to the small sum stated above.

All which is respectfully submitted.

12.—REPORT OF THE DIOCESAN LIBRARY COMMITTEE.

The Committee has to report as follows :

Since last Synod seven bound volumes of the London Guardian have been added to the library.

A renewal grant of ten pounds worth of books having been made by the associates of the Bray Library, the Librarian made the following selection from a list sent to him :

- Neale on the Psalms, 4 vols.
- Westcott on the Gospel of St. John.
- Westcott on the Epistles of St. John.
- Bright's Early Church History.
- Lightfoot's Ignatius and Polycarp, 3 vols.
- Neale's History of the Eastern Church and Patriarchate of Antioch.

These books have been received and placed in the library.

One copy of Warren's Liturgy of the Ante-Nicene Church, a most useful and interesting book, has been purchased and is in the library.

A small donation of books has been received from Mrs. Anderson, the widow of the late Rev. G. A. Anderson.

The Committee instructed the Librarian to purchase Purcell's Life of Cardinal Manning, Macdonald's Life of Archbishop Magee, the Life of Dean Church, and the Life of Dr. Pusey, as soon as the funds are available.

Lightfoot's St. Clement of Rome has been ordered from the bookseller.

One hundred copies of the Quebec Diocesan Gazette have been purchased, forty of which have been sold, and the rest distributed.

Several duplicate copies of books belonging to the library have been sold.

The attention of the clergy and laity of the Diocese is hereby once more called to the advantages which this library affords them for the small sum of one dollar a year.

KINGSTON, May 24th, 1898.

13.—REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

The Committee on the State of the Church have pleasure in presenting their report for the year ended April 25, 1898. Returns have been received from all parishes and missions, except Napanee, but inasmuch as sixteen clerical changes have taken place since last year, some difficulty has been felt in securing such accuracy as we desire. Nevertheless, on the most conservative estimate, the aggregate result is satisfactory. 1897 having been an *annus non*, we take the liberty of comparing the figures of the present year with those of 1896, as well as 1897, from which it will appear that the rule of the Diocese during all its past history, *i.e.*, a quiet, steady gain from year to year, has not been departed from, now that the impulse of early zeal has passed into that of calm duty. It may indeed seem little to say that 100 families and 84 communicants have been added during the last two years, but when it is noted that for 1897 only the Montreal Conference of the Methodist communion, which is almost coterminous with the Province of Quebec and the original Diocese of Ontario, reports a loss of 540 communicants, we who are usually credited with a less amount of enthusiasm in our work may well accept with thankfulness our modest increase.

The number of Sunday services show a slight decrease, explainable by somewhat protracted vacancies in one or two missions, but in almost every other particular we report a forward movement—more celebrations, more baptisms, more confirmees, more Sunday-schools, pupils, and teachers. There is a special and gratifying increase of 22 in male teachers, the female increase being but one.

It is worthy of notice that our gains have been distinctly greater in the village and country districts than in the cities and towns. And this has been the case year after year since 1883, when statistical reports were first printed. This is no doubt the result in part of the gratifying extension of our work at weaker points, and demands special congratulation from us, inasmuch as we are told that the reverse is the case in considerable sections of Western Ontario.

The contributions of the people for the past twelve months for all purposes exceed those of the previous year by \$6,644. Nearly one-half of this, the Convener of this Committee has warm pride and satisfaction in saying, is the generous gift of the individual whose loving and ungrudging service to his Church in other departments of her work are already well known to all members of the Synod. To beautify and perfect the Church of his earliest affections, and as a loving memorial to one whose religious devotion equalled his own, Mr. Pense

has contributed no less than \$3,000. May grace be given to many more to imitate his example.

The total reported value of Church property is \$8,000 less than last year, a decline explained by the fact that the clergy and wardens of several parishes have heroically resolved that the fictitious valuation of the past shall henceforth be corrected. In one case, for instance, a certain Church which for years has been valued at \$25,000, stands to-day at \$15,000; another has been reduced by \$2,000, and so on.

In spite of this apparent depreciation of value, however, there has been an actual increase, for three new churches have been erected during the year—one in the mission of Tweed, one in Marmora, and one in Frankford.

There has also been the very substantial enlargement of St. Mark's, Barriefield, already alluded to; while at Camden East the plain frame structure which had done service for 53 years has been replaced by a much superior brick edifice, costing \$3,500, of which amount one-half has been already paid.

Let us be thankful, then, for the steady gains we have been making, and realize more and more that for all the past, as for all the future, quietness and confidence shall be our strength.

Respectfully submitted.

J. KER MACMORINE, *Chairman.*

14.—REPORT OF THE BOARD OF RURAL DEANS, 1898.

In presenting their annual report the Rural Deans cannot but express the deep regret which they feel, and which they are confident will be universally shared by this Synod, at the enforced retirement through ill health of two of their most distinguished members—the late Chairman of the Board, the Rev. E. H. M. Baker, acting Rector of Bath, and the Rev. Thomas Stanton, B.A., Rector of Deseronto. If, at their advanced age, the Great Physician does not choose to restore them again to their former health, our earnest and heartfelt prayer is that He may be ever present with them to comfort their declining years and to soothe their sick pillow. The vacancies created by the retirement of the above named brothers were filled by His Grace's appointment of the Rev. R. S. Forneri, B.D., Rector of Adolphustown, and the Rev. D. F. Bogert, M.A., Rector of St. John's Church, Belleville. All changes in the *personnel* of the clergy in the several Deaneries will be found in the Registrar's report, which immediately follows this.

The Rural Dean of Frontenac reports that in the mission of Sharbot Lake the debt on the parsonage house has been paid, with the exception of some \$200. The foundation stone of a new church, which will cost some \$1500, was laid last month. A substantial stone wall is being built round the church and parsonage grounds at Sydenham, at a cost of some \$258. A large stone school room, to cost \$1,500, is being built in connection with St. John's Church, Portsmouth. Much needed repairs, together with hot water heating apparatus, are being done to St. James' Rectory, Kingston. At St. Mark's, Barriefield, the congregation expended some \$700 on repairs on the church. A handsome stained glass window was erected to the memory of the late Rector, Rev. K. L. Jones, B.D., who, after faithful service in the parish and in the mission field, was in 1891 called to his reward. This church has also been the fortunate re-

ipient of a most generous memorial gift from Mr. E. J. B. Pense, of this city, who erected a beautiful chancel, vestry, and organ chamber in memory of a beloved wife whose good name will remain connected with many church and charitable works in Kingston. All missions, with the exception of Loughboro, are filled.

The Rural Dean of Grenville reports that the Grenville Ruridecanal Chapter met four times during the year and discussed several subjects for the promotion of Church work, from a Parochial and Diocesan point of view. A steady improvement marks the condition of the Deanery. A new rectory is in progress in Kemptville parish. In consequence of severe storms the missionary meetings were not so successful as usual. Parochial debts are being wiped out.

The Rural Dean of Hastings reports that in Bancroft the debt on the Mission House was reduced, and carpets for the aisle of the Church were presented at Easter. Three Churches are now completed for the holding of divine service. The Rural Dean suggests the formation of a new mission, comprising Ormsby, Coe Hill, and Farnday. In Queensboro mission the Church at Millbridge has been beautified. At Bannockburn a frame Church to seat 120 was erected, and only \$95 remains as debt. The parsonage at Queensboro was repaired at a cost of \$150. At Madoc the Church windows have been filled with stained glass. At Actinolite, in Tweed mission, where regular services are being held, a suitable hall has been provided and made "churchlike." Two new points have been taken up, Stoco and Sheffield. At the latter place a Church, dedicated to the Holy Trinity, has been erected. In this parish \$1,180 were expended last year, of which sum the people in the mission raised \$557. At Roslin the people erected a new shed, and a prosperous work goes on. At Deseronto the Rev. J. H. H. Coleman succeeded in wiping out the balance of debt, some \$600, on St. Mark's Church. This parish, jointly with Tyendinaga, publishes a union Parish Magazine.

The Rural Dean of Leeds reports that each of the parishes in Brockville received bequests from the executors of the late Mr. Joblin—St. Peter's and St. Paul's, \$500 each, and Trinity \$1000. At St. Peter's several improvements have been made in the church and in choir vestry. At Trinity the Young Girls' Guild presented a chancel carpet, and at St. Paul's several windows have been placed commemorative of the Queen's Diamond Jubilee. At Elizabethtown the debt on the New Dublin Church was wiped out as a Jubilee effort. At Lyn a handsome new fence in front of the parsonage was built, and the house shingled, at a cost of \$100. At Lansdowne Front the debt on the parsonage was reduced to \$100. The church at Rockport is completed so far that services were held in it last summer. A porch and belfry were added to the church at Escott at a cost of \$125. At Lansdowne Rear a driving shed has been built in connection with the church. At Seeley's Bay, in Lyndhurst mission, a new church is being erected at a cost of some \$2,500 to \$3,000. At St. John's, Leeds, a bell tower is being built to receive a bell presented by Mrs. William Jacob, of South Crosby, in memory of her husband. At Lyndhurst some \$250 were expended by the ladies on painting and decorating their fine church hall. The parish of Newboro at Easter wiped out the balance of the parsonage debt, which made \$800

for this purpose in three years. At Portland the people erected a handsome tower to the church at a cost of \$500, and the ladies provided a bell for it which cost \$150. At Westport the debt on their beautiful church has been reduced to \$1,000. At Lombardy some repairs have been made, and a litany desk presented to the church. Parsonages are urgently needed at Lombardy, Athens, and Trinity and St. Paul's, Brockville. At Frankville the church was renovated at a cost of \$150, and the debt all paid. At Easter plans were submitted for a church at Toledo.

The Rural Dean of Lennox and Addington reports that at Flinton, in addition to the other property acquired by the Church last year, an acre of land was secured for a cemetery. At Cloyne a site for a Church, some building materials and \$80 in cash have been secured. The northern portion of the mission, with part of the Co. of Renfrew, is worked by Rev. Mr. Irvine. At Adolphustown the fourth and last instalment of the debt on the U.E. Memorial Church was paid off. The same was done with the debt on St. Jude's, Gosport. Camden East has taken the honourable advance of becoming a self-sustaining parish after having received a grant for over forty years. A fine new Church takes the place of the one built by the Rev. Paul Shirley in 1848. The new church cost nearly \$4,000. In the O'Loughlin Memorial Church at Yarker a handsome stained glass window was placed by a daughter of the late highly respected Rev. A. J. O'Loughlin. At Napanee Mills the entire subscription list of \$1,300 for their handsome new Church has been paid off with the exception of \$5. In the whole parish the list of Communicants has increased in a few years from 100 to 240. A new furnace and other repairs have been made to Napanee Church. At Selby a debt of \$125 has been paid off, and some repairs have been made to the Church and parsonage. Odessa has lost its identity as a separate mission and has gone back as an outstation of Bath. Before this step was taken \$212 of the mortgage on the Church was paid off, leaving a balance of \$288 still due. During Mr. Evans's incumbency a parsonage house was acquired, which, however, has been sold since. At Tamworth a new iron roof was placed on the Church at a cost of \$125, a new drive-shed built, and the interior of the Church beautified and painted. Last summer St. Matthew's Church, Marlbank, received a beautiful gift of a silver Communion set of five pieces from an anonymous donor. A small debt still exists on the Church at Enterprise. At Bath the old rectory property was exchanged for a more desirable site, and a new brick rectory to cost some \$1,600 is now being erected. The Rev. Canon Baker, after an incumbency of ten years, was at the close of last year, compelled to resign his parish and ministerial work. It is fitting that some reference to his labours in Bath should be made. Owing to his work and energy and the blessing of God, congregations grew, communicants multiplied, lay helpers arose. The sanctuary services became hearty, and with the aid of an excellent choir the sacred offices and the praises of God were rendered in a more worthy manner. Musical services were attempted successfully, and many a larger church might have envied the attendance at the daily prayers and festival celebrations. Guilds were organized for various benevolent objects, particularly the Woman's Auxiliary under the presidency of Mrs. Baker. Church property was acquired

—a parish hall, the gift of Dr. Kennedy, and an extensive addition to the churchyard. Hundreds of dollars were expended on necessary repairs and improvements to the venerable old parish church, which has weathered the storms of more than one hundred years. Canon Baker enjoyed the good will and hearty co-operation of his people in all his work for the good of the Church, and is followed by their good wishes.

The Rural Dean of Prince Edward reports that the church at Consecon has been much improved and made one of the neatest in the Diocese—all improvements paid for. Rev. Mr. Forster has recently begun services at the village of Rednersville with every prospect of success. In Marmora mission, a strong Church centre, Mr. Harris, with the assistance of a lay reader, holds some 12 services weekly. Steps should be taken to open regular services at Roblin's Mills and parts adjacent. All churches, rectories, and parsonages in the Deanery are in good repair and amply insured.

All which is respectfully submitted.

W. B. CAREY, *Chairman.*

The income, including \$12,938 from mortgages and \$5,279 from debentures, was \$19,027.62, or 5½ per cent; the average gross income of the preceding five years was under 5½ per cent. The net dividend declared was 4½ per cent, the same practically as the preceding year's, because by order of the executive committee one-quarter of one per cent was set aside to meet losses. protection of capital. The statement is also gratifying in another way; the year opened with an overdraft of \$542.64, and closed with a balance on hand of \$1,104.33. There is due from mortgagors on accrued interest \$3,386.68, which includes an item of \$640, in reality absorbed into capital.

EPISCOPAL FUND.

The capital has remained intact at \$59,208.48 for many years. The investments comprise \$10,000 at 5 per cent.; \$10,659.88 at 5½ per cent.; \$34,423.25 at 6 per cent.; \$2,320.65 at 6½ per cent.; \$982.80 at 7 per cent.; \$380.50 in real estate, with \$441.40 cash in hand. The income for the year was \$2,941.83; average of the preceding four years, \$3,236.71. The overdraft is \$414.90, a reduction of \$109.78. The interest due to the fund from borrowers is \$748.19.

CLERGY TRUST FUND.

On the capital of \$135,894.66 the dividend declared was \$5,816.51. The last overdraft, before the division, was \$3,504.49; it is now \$1,721.77, a reduction, taking into consideration Ottawa's share, of just \$30.48 during the year.

DIVINITY STUDENTS' FUND.

The new diocese starts out with the small capital of \$2,500, which produced \$106.25. The offerings were \$171.33, while in the same territory the previous year they were only \$104.44. The old diocese ended with an interest surplus (including notes) of \$551.39, out of which \$275.70 was paid to Ottawa Synod. The surplus now is \$103.60, plus a note of \$75.

DIOCESAN MISSION FUND.

The offerings and collections for the year were \$5,401.24, an increase of \$627.60 over the givings of the previous year in Kingston archdeaconry, comprising the new diocese. The overdraft is \$1,117.11, a reduction of \$928.65 on the old combined balance.

ASSESSMENT FUND.

Owing to the management of all the funds in the undivided Diocese remaining with Ontario for a large portion of the year, in the final adjustment Ottawa Diocese was charged with its share of the expense of management, viz., \$783.15. Ontario parishes provided \$504, a falling off from 1895-6 of \$67.20. The fund had to be overdrawn \$540.24, but there was the unusual call upon it of \$450 for General Synod expenses.

RECTORY LANDS FUND.

On the capital of \$177,342.66, a dividend was received of \$7,492.33, these figures being exclusive of a large portion of the capital of Kingston rectory. The overdraft has declined (Ontario's share) from \$677 to \$489.34.

WIDOWS AND ORPHANS' FUND.

The investment of \$12,600 produced a dividend of \$534.44. This year's offerings were \$617.23; the previous year in this part of the diocese they were \$432.58. Donations have increased from \$160 to \$230.29. Subscriptions under old diocese last year, \$340; this year \$168. The overdraft of united dioceses was last year \$1,311.52; now it is \$701.29.

The receipts for collections were \$69.57, compared with \$93.89 from this part of the old diocese the previous year. Out of about \$300 in subscriptions long past due only \$70 was paid. The overdraft of \$2,082.83 has been reduced to \$1,988.02.

CLERGY SUPERANNUATION FUND.

The addition of \$250 to the capital of \$3,500, effected at the beginning of the year, has been followed happily by an increase in offerings from \$316.42 to \$474.47, leaving a surplus of \$339.90. The income from capital was \$159.38.

SUSTENTATION FUND.

The income was \$685.53, to be compared with \$1,451.70 for 1895-6 before the fund was divided. The capital is \$17,900.

I.—Auditors' Reports.

I.—REPORT OF THE AUDIT AND ACCOUNTS COMMITTEE, 1896-7.

To the Members of the Synod of the Diocese of Ontario :

The Audit and Accounts Committee begs leave to report :

That Messrs. F. R. Sargent and J. S. R. McCann, the Official Auditors, have made a full and complete examination of all the accounts up to and inclusive of the 30th April, 1897, and that their report is herewith submitted.

Your Committee have made a full examination of all the securities and compared the same with the statements submitted to them by the accountants and found them correct.

The securities were all in the hands of the proper custodians.

Your Committee have recommended to the Executive Committee—which recommendation has been adopted by them, at their regular meeting in November, 1896—a simple and compendious plan, whereby without examination of books a clear statement, made half yearly and certified to by the auditors, can be shown to any member of the Synod, whereby he can at once ascertain the state of the securities as a whole and of each security in particular, as to both the principal and interest account, which they have no doubt will prove to be most satisfactory.

The total capital of the Consolidated Fund amounts to \$363,009.28, on which the arrears of interest amount to \$3,386.68.

Of the above capital \$135,894.66 belongs to the Clergy Trust Fund, \$12,600 to the Widows and Orphans Fund, \$3,750 to the Superannuation Fund, \$2,500 to the Divinity Students' Fund, \$17,900 to the Sustentation Fund, \$500 to the McLaren Trust, \$4,173.98 to the Gainford Parochial Trust, \$8,347.98 to the McLaren Mission Trust, \$177,342.66 to the Rectory Lands Fund.

In the above sum of \$17,900, belonging to the Sustentation Fund, are included the Keefer, LaBatt, and McMillan Bequests.

The debit and credit balances relating to the several funds are as follows :
