at Bremen, under the following circum stances: Mr. L., a bachelor, lately returned from America with 150,000 thalers in cash, informed his housekeeper that he intended to shoot himself, requesting her to rush up stairs as soon as she heard the report and to take possession of 500 thalers left for her on the table. The 500 thalers perspective influenced the good soul to take it all for a joke, and, on hearing, next morning, the fatal report, she lost no time in ascertaining the reality of her master's generous intention. BACHELOR'S CONSOLATION.

So he oft went with heles in his clothing. who would fly to relieve his distresses, but he oft had declared he could never abide. The appearance of hoopskirts and dresses. Now, this lucky old bachelor heard by a friend, Or fead in his morning journal, Of the wonderful stitching of sewing machines, And considered the matter nocturnal.

For some thought the "Wheeler & Wilson"

So first to the "Wheeler & Wilson" he went,
Where he found them making a shirt.
At the end of each seam they used needle and

By the feed that could make it sew back. But our Bachelor friend was dissatisfied still, For the "Elorence" so complicate seemed. He eared the minutise might "get out of fix, And could never be wholly redeemed. Then they told him another advantage they had Over other machines in the West, That four different stitches with it they could

make. And from four he might sure get the best. Our hero replied. "What's the use of the our!

If one of the stipches is best,
Why that is the right one to use all the time,
And what will you do with the rest?"

The "Finkle & Lyon" or "Victor" he tried,
The "Ætns," "Blees," "Leavitt" and "Weed,
Till worried and vexed with his fruitless research
He scarce hoped in the end to succeed. After trying in yain many other Machines, Without any hope of success, He called where the "Singer New Family" kept, And they quickly relieved his distress. EVI.

For here half a dozen machines were engaged
In stitching of different sorts,
Which they did so complete, and with so little
noi.e
He acknowledged the truth of reports.

In lightness of running in stillness and speed,
In construction so simple, yet strong.
Sure none but the "New Family Singer" would
vie.
Though he'd searched through the infinite
throng. Then the stitch was so neat, so elastic, so strong That he vinly endeavored to break it, And so many advantages in it combined That he quickly decided to take it.

Lawson's Rheumatic Liniment THIS invaluable Liniment has the extraordinary property of affording immmediate relief in all cases of Rheumatic and other pains, and suffering from Felons, Salt Rheum, &c., and a faithful trial will result in permanent cure.

The following are a few TESTIMONIALS proving the great efficacy of this Liniment:

St. John, N. B., June 2nd, 1873.

Mr. A. Lawson: Dear Sir.—I have used your Liniment with a good deal of benefit, and feet pleasure in recommending it to others for the use for which it is intended. Yours, &c.,

REV. J. PRINCE.

St. JOHN, June 4, 1873.

Abiel Lawson, Esq.: Dear Sir.—For a number of months I had been much troubled with Rheumatism, and tried many of the cures recommended, but could find no relief, till I got a bottle of your Liniment. A few applications have made a perfect cure. SAMUEL NEAVES. ST. JOHN, N. B., June 2d, 1873.
For some time I have had Ague in the face, and could get no relief until I used Lawson's Rheumstie Liniment, which made a perfect ure. I would not be without it.

H. Crosry. Dear Sir,—I have for years suffered with periodical Neuralgia, and have tried nearly all of the remedies in use for this disease but without any I sting effect. About three months since I tried your Liniment, gaining immediate relief; and I am rejoiced to say that I have not since felt the touch of my old complaint. Your medicine deserves its success, and for general purposes I use no other, believing it the best in existence.

Yours truly,
St. John, N. B., June 6, 1873.

St. John, N. B., June 6, 1873.

Mr. Abiel Lawson: Sir, —In May, 1872, I was so severely afflicted with acute Rheumatism as to be unable to use my right leg. Being advised to use your Liniment, I procured a bottle, and made one application, which had the effect of removing all pain and soreness in one night. I have not since been troubled with Rheumatism, and I consider your medicine superior to anything extant for cases of this kind.

Truly yours.

GEO, R. RIGBY.

N. B.—I had previously used three or four different kinds of Liniment, neither of which gave any relief.

St. John, N. B., June 9th, 1874.
