BURNS' NIGHT PLEASANT AFFAIR

The Opera House Well Filled With Citizens, the Guests of the Caledonia Society.

A GOOD PROGRAMME

The annual Burns Night social, given by the Caledonian Society in the Opera House Monday evening was a most pleasant affair, and a large number was present as guests of the Society.

The Opera House was neatly decorated with Scotch plaids, draped about the walls and stage, while a arge oil painting of the Scotch Bard, graced the stage directly in front of the chairman's table.

Mr. A. E. G. McKenna, the president of the society, occupied the chair and announced the numbers of the program which was as follows:

President's Address.
 Solo—Mr. R. M. Hope.

RESTIGOUCHE BOY TO THE FRONT

F. D. Mackay Makes an Experiment in Wireless Telegraphy.

TO CLIMB MOUNTAIN

An attempt will be made from the top of Mount Wilson today to communicate with every wireless telegraph station within 8000 miles, including those of the Philippine Islands and Japan, by the means from the Southern Pacific school of wireless telegraphy. The expedition carrying the apparatus with which these tests will be made started for the summit on Friday and the tests will cover a period of five days.

Reports of mysterious high-voltage flashes, which have been noted in the past, are being investigated by the interested F. D. Mackay, principal of the school, and it was with the intention of locating the source of these calls that he planned the expedition.

The primary necessity for a successful experiment is a high point, and for this reason Mount Wilson was selected. The experimental station on Mount Wilson is much more than a mile above the sea level and the results should be correspondingly great.

The tests will be made under the direction of Mackay, by J. P. Collins, wireless expert; Irving L. Hollister, former operator in the United States Navy; H. M. Fraser and J. J. Stinson, operators. Monte Tucker will assist in installing the apparatus.

Larger than any other in the world will be the five-strand aerial, which will stretch 500 feet across a gorge near the summit. This will give the receiver a chance to pick up every stray spark and to register every call, no matter how faint.

An operator will be on duty constantly, and during the five days, every station along the Pacific coast and on all the islands in the Pacific will be called. Owing to the peculiar atmosphere condition which sometimes carries a call to its destination, and then fails to convey the answer, the operator will be taken to ascertain the success of experiment.

We expect to talk with every station from Magdalena Bay to Puget Sound," said Mackay yesterday. "We will certainly be able to pick up Hawaii, and may talk to Panama. If we do, the experiment will be a great success."

The climax of our efforts will be to communicate with the Philippines or Japan. We will call them regularly night and day, every station on the island that is listed and after each call will listen for reply. Should this test be successful, it will establish a new wireless record that will be far in advance of all previous successes at long distance communication.

My belief is that the mysterious spark that has interfered with some of the local stations has been an electrical disturbance, for none of the aeriels in Los Angeles see high enough to gather calls from any station over 1000 miles away.—Cal. Paper.

F. D. Mackay mentioned in the above was born here and is a son of D. S. Mackay of Dalhousie. His New Campbelloppion people will remember him.

OHIO HAS ANOTHER MYSTERIOUS MURDER

Mary Farschner Found Dead in a Shed Near Home.

NO CLEWS YET

DAYTON, Ohio, Jan. 25.—Although two arrests were made today, the police practically admit that little progress has been made towards solving the mystery surrounding the assault upon and murder of Mary Farschner, whose body was found in a shed near her home late last night. The girl left her home on Bell Avenue about 6 o'clock last evening to take money to the bank to be deposited for her step-father, Chas. G. Farschner. The officers believe the girl did not go down to the town, but was attacked in the immediate vicinity of her home. There was evidence of a struggle which covered a distance of nearly one hundred yards and ended in a vacant lot. The body was found in a shed on this lot which is owned by Mr. Gratton, Kentucky, by whom the dead girl's sister is said to be employed.

The mysterious assault of Miss Farschner is the fifth of a similar character here in recent years which became the sensation of the city and county. Only in one instance has there been a conviction.

PRIMATE OF ALL CANADA DEAD

Archbishop Swetnam of Anglican Church Died Sunday

TORONTO, Jan. 24.—The death of Archbishop Swetnam took place this afternoon about 1 o'clock from bronchial pneumonia. His illness lasted over a week.

The most Rev. Arthur Swetnam, D. D., was born in England and took his doctor's degree at Cambridge University. He was ordained in 1849 and began his work as curate of Holy Trinity Church, Lexington, London and four years later was placed in charge of St. Stephen's, Canterbury, whence he came to Toronto in 1855 to assume the head-membership of Helmut College, London, Ontario. He held this position seventeen years. In 1872 he became rector of the church at Toronto, and remained there four years, when he became rector of St. Paul's church, Woodstock, Ontario, a position held later by the present Rev. J. C. Farthing, Bishop of Montreal, on May 1, 1879, he was consecrated the third bishop of Toronto. Upon the death of Archbishop Bond he became Archbishop of the Church of England in Canada. The office will now probably pass to the senior bishop of the church, the Right Rev. Chas. Hamilton D. D., Bishop of Ottawa. Bishop Swetnam was a scholar, an able organizer and a man of much tact and judgment. He will be greatly missed in Toronto, where his interest in all good work was proverbial.

In the Anglican churches here yesterday morning, prayers for the recovery of Archbishop Swetnam were offered up.

PORT DANIEL

The annual Christmas Tree and entertainment of the Episcopal Sunday School took place in No. 2 School House, Port Daniel West on Christmas night. Although the evening was rather a stormy one quite a number assembled to hear the children perform the several parts allotted to them.

The program was as follows:
 Opening Chorus—Message of Christmas—The School.
 Recitation—Dorothy's Afterthought—Evelyn Dow.
 An Acrostic—Christmas—Nine little children.
 Recitation—Merry Christmas—Teen Girls of the Sunday school.
 Recitation—How Santa Nearly Missed Us—Willard Blason.
 Dialogue—The Trials of a Schoolmistress—B. Mann and J. Watt.
 Recitation—The Little Artist—Lynal Watt.
 Soldiers' March—Seven boys in costume.
 Recitation—The New Brother—J. Primes.
 Chorus—Christmas Bells—The school.
 Recitation—Three Cheers for Old Santa—J. Watt.
 Dialogue—The Christmas Fairy—E. Dow, May and Muriel Blason and M. Bodin.
 Recitation—Playing a Trick—Dolly Watt.
 Recitation—The Busy Family—May Blason.
 Recitation—The Marriage of Santa Claus—Marion Dow.
 Chorus—The Merriest Time in all the Year—The school.
 Recitation—When I was a Little Boy—Lee Dow.
 God Save the King.

The proceeds of the evening amounted to fourteen dollars, part of which was sent to the Children's Memorial Hospital, Montreal.

We wish to express our thanks to Rev. Mr. Love and his mother, who so kindly helped to make the evening a pleasant one. Our thanks are also due Mr. George Walker who kindly entertained the children with his ten-to selections and which was much appreciated.

Wright—I hope you will see my new comedy when it is staged next week. Mrs. Wiede—But I'm in mourning, you know.
 Wright—Oh, that doesn't matter, my play is not at all funny.

TO CORRESPONDENTS

The Graphic is being sent to a number of correspondents in Canada and Bonaventure counties who have not contributed any news for a long time. Unless we hear from these promptly their names will be cut from our list. If you need stamped envelopes and paper notify us.

 The public should remember that when a fire is discovered in any part of the town No. 175 should be notified. Make a report of it. The fire may be near your property and you may not know it.

CROWDED LINERS IN COLLISION NEAR NEW YORK HARBOR

Steamers Republic and Florida Crash Together on Nantasket Shoals—Six are Killed and Some Injured.

WIRELESS MESSAGES USEFUL

NEW YORK, Jan. 24.—The passenger ocean steamer Republic of the White Star line, which was in collision with the Italian liner Florida in a fog early Saturday morning off Nantasket, Mass. went down at last at 8.30 o'clock tonight. No one was lost. Her passengers, taken off many hours before, are on the steamship Baltic which was off Sandy Hook late tonight making for this port.

The Republic was in tow of the rescue cutter Greesham and the destroyer-destroyer Seneca, proceeding to New York, when she foundered. On board her was her commander, Capt. George W. Peck, and a number of other officers and crew. She had been towed by a short distance when she began to settle rapidly. Seeing no hope of saving the ship, Capt. Peck gave the order to abandon ship and the crew was taken off by the Greesham, which coasted along the crippled liner and stood by until she sank.

The Republic was bound for New York from the American liner New York, which was in tow of the Republic when she foundered. She was in the charge of Capt. Peck and his crew at Cape Cod, Mass., of Newport, R. I., as to the exact place of landing, wireless advices differ.

The Republic went down, according to brief wireless messages received here, in the night of Saturday, a small island south of Martha's Vineyard, off the Massachusetts coast.

The Italian liner Florida, which was in tow of the Republic in the dense fog off Nantasket Mass., early Saturday morning, and gave her her death-blow, is slowly steaming towards New York coast, having been towed by the New York. Her passengers are on the Baltic, having been transferred in the early hours of the morning, along with those of the Republic, and the Republic part in the accident to the Republic for a few hours a fleet of three large coasters, the Leontine, of the French line; the Baltic, of the White Star line, and the Cunarder Lucania.

Just how the Florida, which is reported to be unprovided with wireless apparatus, happened to reach the Republic in the early hours of her distress could not be ascertained from shore, but it was considered possible that she might have been the vessel which struck the Republic, and being the less injured, took off the liner's passengers.

It is a fact, however, that the Florida must have been between thirty and forty miles off her course when anywhere near the Republic, because of the fact that the vessel's steam lanes at this point are that distance apart. Mariners, when first learn-

ing of the accident were of the opinion that the Republic had been struck by some sailing vessel bound to or from a New England port, as such craft were in the vicinity of the Republic about the very point where the Republic was rammed.

NANTUCKET, Mass., Jan. 24.—A wireless message received this morning from an unknown steamer, probably the Baltic, says that four passengers of the Republic were killed in the collision. The steamer Florida is reported to have suffered serious damage about the bow. She is proceeding to New York under convoy of the Baltic. The latest report by wireless from the Baltic confirmed a statement that the Republic had been abandoned. It is supposed that Capt. Peck, with the crew of the Republic, proceeded to the Italian liner Florida.

NEW YORK, Jan. 25.—The White Star liner Baltic, bearing 1850 passengers from the steamships Republic and Florida, which were wrecked Saturday, was anchored off the Amerscot Channel Lightship at the entrance to New York harbor early today waiting for the fog to lift to make her way into port. With the captain and crew of the steamship Republic, who remained with the stricken vessel until she sank last night, safe on the rescue cutter Greesham, anchored off Vineyard Haven, Mass., the last chapter of the sea drama of Saturday, which cost six lives, was thus drawing to a close.

There was as heavy fog down the bay this morning, and all vessels groped their way with caution. For the reason, seemed probable that the Baltic would be safe in coming up to her pier. Whether the crew of the Republic would be transferred to the destroyer Seneca or whether they would be taken to the hospital, was not known, although it was thought that they would come to New York by the Seneca. The six dead and the injured were being taken to the hospital of the city, but the report that she sank will mean a total loss. It is doubtful whether the Florida, in her crippled condition, will be able to proceed to New York, but her progress is impeded by the fog will be able to reach port.

BLACK CAPE

BLACK CAPE, Jan. 23.—About fifty inches of snow fell on Sunday night and during the morning, the wind blew from the west, and the roads are in a bad condition.

The annual exercises of the Presbyterian Church will be held in the church at New Richmond on Saturday, the 30th inst.

Mr. H. H. Harkins representing Whitehead and Turner, Quebec, passed through our midst on Saturday on his way to Gaspe.

Mr. Eobius Keer of Caplin, passed through here on Thursday evening on his return from up the coast where he has been driving commercial travellers.

Duncan Campbell left on Monday to down the Gaspe coast.

Dr. B. Spruce of Campbellton, was at the home of Mrs. Wm. Johnston on Wednesday and Thursday and had quite a number of callers.

J. H. Starratt of Little Cascapedia, has his mill running in full blast on the north shore of the coast.

Commercial travellers are quite numerous these days passing through here on their way down the coast.

MOUNTAIN BROOK

MOUNTAIN BROOK, Jan. 23.—The weather has been very stormy and cold here for three or four days which left the roads in a very bad condition. We hope that the road surveyor will see to his duty this time.

Mrs. Jas. Drapau, wife of Mr. John J. McIntyre, who was sick, and whose condition, to all her friends' delight, is slightly improved.

A number of friends from Charlottetown, P. E. I., arrived on Saturday evening on their way to the city. They reported having spent a very enjoyable evening. The chief amusements were games, music and singing.

A dairy handcart was wrecked at eleven o'clock, after which the party withdrew, well pleased and extending their thanks to their hosts.

All work here stopping 'till afraid to go home in the dark.

The party consisted of the Misses Annie, Flora, Maggie Jane, Agnes and Malvina McIntyre, Annie Poirer, Olive LeBlanc, Edith Levesque, Mrs. Joseph Levesque, Mrs. James Drapau and the Messrs. Donat and Denis LeBlanc, Wm. Martin, L. Brox, Wm. Laviolette and Arthur Duane.

Your correspondent regrets not being able to make our column more interesting as news are getting scarce; and fails to register everything that is going on in our district on account of bad weather. Besides some people seem rather shy and unwilling to have their names put on paper.

WHO ALTERED THE TELEGRAM?

Borden's Message that Wen Victoria Election was Changed

TORONTO, Jan. 24.—The denial of R. L. Borden that he sent a message stating he was in favor of the exclusion of Asiatics, to British Columbia, has caused quite a sensation in Victoria, B. C., according to dispatches from that city.

The Times, Hon. Mr. Thompson's paper, last evening reproduced a facsimile of the telegram, which the Colonist printed during the campaign with Borden's name attached. The Colonist today refers to the matter as follows:

The Colonist yesterday published a statement made by R. L. Borden in the house to the effect that the despatch which appeared in the Colonist previous to the election, and purporting to be signed by him, had not been sent by him. We are bound to accept Mr. Borden's statement and express our regret that the Colonist should have been misled.

It improves—get better health—look better—feel better—try it yourself—gold in 50c. boxes by all druggists.

No Appetite

Your Food Disagrees. You're Tired—Lifeless. Skin is Rellow.

You'll Feel Worse Every Day Unless You Use Quick. The Best Treatment is Ferrerone.

Every day comes the good news of wonderful cures with Ferrerone.

In Peterboro it worked marvels for Louis Meenan—put him right on his feet—made him entirely well.

"About three years ago," says Mr. Meenan, "I had the Grippe which left me in a very run-down condition that finally developed into Dyspepsia. I was unable to eat but a few things and had a craving for acid. I gave up treating with the doctors because they did not help me and on the advice of a friend used Ferrerone. It not only cured me of Dyspepsia and Biliousness, but has built up my strength to what it was before I had the Grippe. I can recommend Ferrerone as an ideal preventative."

Ferrerone gives you force, energy, vim.

It strengthens the stomach cures indigestion, prevents headaches—guarantees good health.

Thousands use Ferrerone—they all

BANK OF N. S. HAS HANDSOME OFFICE

Extensive Alterations to Building About Completed and Staff Doing Business Therein.

A SHORT DESCRIPTION

The Bank of Nova Scotia has moved into its handsome new quarters in its building.

For some months past extensive alterations and improvements have been under progress in the Bank of Nova Scotia building, and today it is one of the handsomest banking institutions in the province. Although not yet in a finished state, business is being transacted therein, and one can get a fair idea of the prospective interior.

The bank offices occupy the entire ground floor, with the exception of an entry leading to the second story. The entrance in the centre of the block is reached by a wide staircase, arranged along the left and right are the managers' offices and the cashier's office. The floor is also a sleeping room for one of the bank staff, who by a clever contrivance, can close the door against any intruder.

The upper story is much as it was before alterations, only now has been extended to this floor and eight bookers are thus provided for tenants where valuable can be stored to safety against destruction by fire. On this floor is also a sleeping room for one of the bank staff, who by a clever contrivance, can close the door against any intruder.

The contractors for the alterations were Messrs. Rhodes, Currie & Co., of Amherst, and the work was done in the most high class manner. The interior furnishings were supplied by the Canadian Office and School Furniture Co. of Preston, Ont.

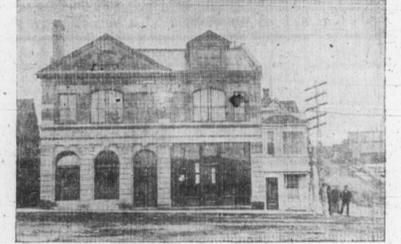

The interior decorations are being done by Wm. McE. Maitland, J. P. Bullman, architect, was supervisor of the work.

When the entire work is completed the Bank of Nova Scotia will have spacious and handsome quarters.

The finishing and furniture throughout is of American manufacture and of the highest quality. The desks, seats, etc., are of the mission style and of the highest quality. A room for ladies is provided to the right of the entrance. The floor will be of tile.

To the rear of the partition is the working space for the large force of clerks. The interior decorations are being done by Wm. McE. Maitland, J. P. Bullman, architect, was supervisor of the work.

When the entire work is completed the Bank of Nova Scotia will have spacious and handsome quarters.

BANK OF NOVA SCOTIA BUILDING, CAMPBELLTON

FRENCH TREATY IS AGREED TO

Ministers Meet and Sign Same in Presence of Mr. Fielding.

FEW CONCESSIONS

PARIS, Jan. 24.—A supplementary convention to the Franco-Canadian treaty of 1907 has been signed by Sir Francis Birtle, the British ambassador to France; Hon. Mr. Fielding, the Canadian Minister of Finance; M. Piebon, the French Foreign Minister; and M. Caillaux Group and Ruama the Ministers of Finance, Commerce and Agriculture. While the agreement will not be published until it has been regularly placed before the senate, it is understood that Canada has made further concessions designed to remove the opposition of the French protectionists, who are fighting the ratification of the treaty in the French senate.

The bean supper given by the ladies of the Auxiliary of St. Mary's Episcopal Church the same evening was a great success. The visitors patronized the affair well and the ladies are grateful to all who attended.

At a special meeting of the Dalhousie Social Club held on Saturday evening to sell the literature from last year and consider other business, it was decided that the 'At Home' to be given shortly in the club rooms shall be held in the name of the club and a new committee was appointed to complete all the arrangements. The committee named are: H. A. Hilday, Chas. O. Doyle, W. H. Comeau, Claude Brown, Frank Barberie.

Before the social takes place many improvements will be made to the club rooms by the club. The room formerly used as a lawyer's office will be connected with the club rooms and being given the 'At Home' as a ladies' dressing room.

Messrs. Isidore Allain and Louis Allain of Dalhousie, were down to Charlottetown last week attending the funeral of their late mother, who died, aged 83.

SUCCESSFUL CARNIVAL AT DALHOUSIE

Ice Crowded and Many Handsome Costumes Were Worn.

SOCIAL AND PERSONAL

DALHOUSIE, Monday.—The fancy dress carnival which was held in the curling rink here on Friday evening last was a great success in every way. Over one hundred persons came from Campbellton, some of them wearing very pretty costumes. The prizes were given as follows: Mrs. W. K. McKean, who represented the Merry Widow and had the most original costume; Miss Maggie Stewart, who successfully represented a Xmas tree and the gentleman's prize went to Leon Samson, who represented an officer of one of the regiments that played such an important part at the Quebec Tercentenary.

The bean supper given by the ladies of the Auxiliary of St. Mary's Episcopal Church the same evening was a great success. The visitors patronized the affair well and the ladies are grateful to all who attended.

At a special meeting of the Dalhousie Social Club held on Saturday evening to sell the literature from last year and consider other business, it was decided that the 'At Home' to be given shortly in the club rooms shall be held in the name of the club and a new committee was appointed to complete all the arrangements. CAMPBELLTON, NEW BRUNSWICK TUESDAY, JANUARY 26th 1909

The Panama Canal has cost \$85,000,000 on only the preparatory stage of building the locks.

There are 44 John streets and 35 St. John Streets in the county of London, England, and it is suggested that some of them should be re-named.

The Salvation Army seeks incorporation on Parliament. Faith, hope and charity should be all the more potent, for being placed on a business footing.

The American West has been the limit on fancy prices for apples. The boxes of the fruit from the Spokane show have sold this week in Chicago at the rate of sixty cents an apple for one, and forty cents for the other.

The other day the mercury was one hundred and twenty-five degrees in the shade in New Zealand. At it was forty-eight degrees below in Winnipeg the same day it will be seen that the thermometer never sets on the British Empire.

NATIONAL MISSIONARY CONGRESS

Much attention is being given by the Churchmen of Canada to a National Missionary Congress to be held under the leadership of the Laymen's Missionary Movement in Toronto, March 31st to April 4th. The non-Catholic churches of the entire Dominion are entering most heartily into the preparation for the Conference which will give Canada the leadership among the Christian nations of the world in the adoption of a National Missionary Policy.

Sessions will be held for five days in Massey Hall and strong delegations from all parts of the Dominion will be present. The conference will be held each afternoon with other conferences for women, college students, Sunday school workers and others.

The Secretary of the Mission Board of the United States will be invited as an Honorary Commissioner and a number have already promised to attend. Mr. Robert E. Stewart, of New York, possibly the best known of all the American Secretaries, will be present and is on the schedule for at least three different addresses. Prominent laymen from Boston, New York and Washington will also be present, and one of the interesting features of the Congress will be the report from several of these men who have recently visited a number of mission fields as Commissioners for the Laymen's Movement.

Mr. Silas McBea of New York, a particular friend of President Roosevelt, and his spokesman on several recent occasions will speak on "Missions and Church Unity." He is the Editor of the Churchman, the organ of the Protestant Episcopal Church in the United States.

The Congress Committee have opened headquarters in the office building in Toronto with H. K. Caskey of New York in charge and are planning for 2000 regular Commissioners and several hundred Honorary Commissioners composed of guests from the States, students in Theological Seminaries, and pastors of Canadian churches.

POINTED PARAGRAPHS

Some charity begins and ends at home.

It's always the open season for hunting trouble.

The secret of success is a secret woman never tell.

The girl who smokes of freshness gets a good many smacks.

Cleaning upsets a horse almost as badly as it does a wash.

A woman cares not who saves the money if she is allowed to spend it.

Talk of spirits at a seance is supposed to wish rest attention.

And you may sometimes judge a man by the company that doesn't keep him.

Many a man has lost money on a sure thing because he was afraid to take chance.

The sweet music children make in a home have nothing in common with piano lessons.

Long before a woman acquires any jewels she likes to worry for fear they may be stolen.

CONSTIPATION
IRREGULARITY OF THE BOWELS
MILBURN'S LAXA-LIVER PILLS
work on the bowels gently and naturally without weakening the body, but, on the contrary, toning it, and they will be persevered in relieve and cure the worst cases of constipation.

Mrs. James King, Cornwall, Ont., writes: "I was troubled with sick headaches, constipation and catarrh of the stomach. I could get nothing to do me any good until I got a vial of Milburn's Laxa-Liver Pills. They did me more good than anything else I ever tried. I have no headaches or constipation, and the catarrh of the stomach is entirely gone. I feel like a new woman. I thank to Milburn's Laxa-Liver Pills. I used all about half a dozen vials." Price 25 cents a vial, 5 for \$1.00, at all dealers or mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

Prevents as well as Cures
"Father Morrice's No. 10" (Lung Tonic) Goes a Step Further Than Other Cough Medicines.

Left to themselves, most "Common Colds" will run their course and depart. But they leave reminders in the shape of lingering, irritating coughs and weak throats and lungs.

There are many cough medicines on the market that help to stop a cold, but they do it because they contain Opium, Morphine or similar drugs that simply quiet or deaden the irritation, but do not remove the cause. Such medicines do little or no permanent good and often a deal of harm, particularly to children.

"Father Morrice's No. 10" is made of Root, Herb and Balsam, without a trace of Morphine or any other harmful drug. It goes straight to the root of the trouble and removes the cause of the cough. It restores lungs and throat to a healthy condition, tones them up and makes them stronger than ever to resist colds and more serious diseases. Trial bottle, 25c. Regular size, 50c. At your dealer's or from Father Morrice Medicine Co., Ltd., Chatham, N.B.

AT DEATH'S DOOR

Doctors had to give her Morphine to ease the pain

Five boxes of "Fruit-a-lives" Cured Her

ENTERPRISE, Ont., Oct. 1, 1908.

For seven years I suffered with what physicians called a "Water Bruise." I would get so bad at times that I could hardly endure the pain. I could neither sit, stand, nor lie down. Hypertension of Morphia had to be given me or I could never have borne the pain. Many physicians treated me, but my cure seemed hopeless, and my friends hourly expected my death. It was during one of these very bad spells that a family friend brought a box of "Fruit-a-lives" to the house. After much persuasion I commenced to take them, but I was so bad that it was only when I had taken nearly two boxes that I commenced to experience relief. I kept up the treatment, however, and after taking five boxes I was cured, and when I appeared on the street my friends said, "The dead has come to life." And this seemed literally true because I certainly was at death's door. But now I can work almost as well as ever I could, and am camping and happy-picking with the girls.

I will be glad if you will publish this testimonial, if it will further the interests of "Fruit-a-lives." They should be in every household. Yours very truly,
MRS. JAMES FEWICK.

Through the whole country around Enterprise, Ont., people are talking about this wonderful cure. By their marvelous action on the kidneys, "Fruit-a-lives" cured Mrs. Fewick when the doctors said she could not be operated on and was doomed to die. "Fruit-a-lives" cured Mrs. Fewick when all else failed. Try them for your trouble. 25c. and see a box, at dealers or sent postpaid on receipt of price. Fruit-a-lives Limited, Ottawa.

OLD PEOPLE!

Need Vinol because it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. It fortifies the system against colds, and thus prevents pneumonia.

This is because Vinol contains Iron and all of the medicinal body-building elements of Cod Liver Oil, taken from fresh cods' livers—but no oil. Vinol is not a patent medicine. Everything it contains is named on bottle.

POOR BLOOD

Elderly people feel the cold keenly, because their blood is thin, sluggish and watery. Vinol is the ideal blood tonic and strength maker. It creates a hearty appetite, promotes digestion, purifies and enriches the blood and invigorates the entire body.

COUGHS AND COLDS

Elderly people are very susceptible to coughs and colds, which so often develop pneumonia. Don't lose time experimenting with other remedies when we guarantee Vinol to cure. Vinol has carried many an old person through a hard winter without a cold or cough.

76 YEARS OLD

The grand-niece of Alexander Hamilton says:—"I am 76 years old, have a hearty appetite, sleep soundly, and feel active and well. Thanks to Vinol, which is the finest tonic and strength creator I ever used. Vinol is a God send to old people."

80 YEARS OLD

"I was so feeble I had to be wheeled about in an invalid's chair, and took cold at the slightest cause. Vinol built up my strength so I could walk a quarter of a mile. I am delighted."—MRS. M. BLOOM, Levistown, Pa.

RESTIGOUCHE DID NOT CONSIDERACT

Hazen Road Act Given the Cold Shoulder by Our Councillors—Finances in Bad Shape.

WILL ISSUE BONDS

DALHOUSIE, Saturday.—The Restigouche Municipal Council adjourned today this afternoon.

It was expected that the Council would discuss the Hazen Highway Act and offer some suggestions in the interest of the ratepayers such as the reduction of taxation, reduction of number of officials, and provisions that a poor man be allowed to pay his tax by doing staid labor on the roads in the district in which he resides. Nothing of the kind was done. Not a single councillor had the courage to propose the consideration of the Road Act.

What will the ratepayers do if the different parishes in this country say when the elections take place this fall, another matter that will no doubt be carefully considered by the people.

Restigouche before the councillors election takes place is the serious financial condition that our county is in. There is a deficit of at least \$3,000.00 and the only assets that are the improvements at the public buildings in Dalhousie, which cost about \$1200.

For the next ten years the ratepayers will be called upon to pay taxes to wipe out this indebtedness as by resolutions passed by the Council, 'debentures' will be issued for the sum of five thousand dollars payable in five years and five thousand more payable in ten years.

There is some money to be received from Fredericton on smallpox account, and for jury fees; but with that paid on accounts the county starts out in 1909 with a debt of eight thousand dollars at least.

FARMERS REPRESENTED AT OTTAWA

The farmers of Canada are to have a representative in the House of Commons. The Family Herald and Weekly Star of Montreal, has engaged a practical farmer to attend the session and write a weekly letter to that paper, telling the farmers of Canada how Parliament is conducted, as he sees it. The man engaged is not only a practical farmer, but is well able to write such a letter. He is said to be a man absolutely free from political prejudice, and no doubt his weekly letter will be of great interest to all Canadian farmers.

The Family Herald and Weekly Star costs only a dollar a year, or will be sent on trial to new subscribers for the Session (about six months), for only twenty-five cents.

RENEW YOUR YOUTH

Never before has the struggle for social and commercial success been so keen as in our own day, and to the victor and the vanquished alike comes a time when nervous and body cry for rest. Nature and science have combined to produce an environment where tired men and women may renew their youth. On the banks of the Grand Trunk Railway System, at St. Catharines, Ontario, is situated 'The Walsingham' where the life of life is afforded by bathing in the Springs of the St. Catharines Well, under proper medical supervision and attendance. Apply to 139 St. James street, Montreal, for booklet and further information.

THE FEBRUARY ROD AND GUN

Varied in its contents, but replete throughout of the many delights of the Canadian Winter, the February number of Rod and Gun and Motor Sports in Canada, published by W. J. Taylor, Woodstock, Ont., brings with it the interest attached to this particular season of the year. The record of a fine snowswept tramp, an Italian tale of a moose race on the ice, the story of a winter in Ontario and an article on Snow Blindness by Martin Hunter, an ex-Hudson Bay Factor, show how many-sided are the beauties of the month. It has received through the use of your Dr. Wood's Norway Pine Syrup, a few years ago I was so badly troubled with my lungs people said I had Consumption and that I would die within three months. I had two doctors attending me and they were very much alarmed about me. I was in bed three months and when I got up I could not walk, so had to go on my hands and knees for the rest of the day. I gave up all hope of ever getting better when I happened to see in B.B. Almanac Dr. Wood's Norway Pine Syrup was good for weak lungs. I thought I would try a bottle and by the time I had used it I was a lot better, so got more and it made a complete cure. My little boy was also troubled with weak lungs and it cured him. I keep it in the house all the time and would not be without it for anything.

Price 25 cents at all dealers. Beware of imitations. Dr. Wood's Norway Pine Syrup. Ask for it and insist on getting the original. Put up in a yellow wrapper and three pine trees the trade mark.

MANY DON'T KNOW HEART AFFECTED.

More People Than are Aware of It Have Heart Disease.

"If examinations were made of everyone, people would be surprised at the number of persons walking about suffering from heart disease."

This startling statement was made by a doctor at a recent lecture. "I thought not like to say that heart disease is as common as this would imply," said the expert, "but I am sure that the number of persons going about with weak hearts must be very large."

Hundreds of people go about their daily work on the verge of death, and yet do not know it. It is only when the shock comes that kills them that the unsuspected weakness of the heart is made apparent.

"But undoubtedly heart weakness, not disease, is more prevalent nowadays. I should think that the number of persons, wear and tear of modern business life, have a lot to do with heart trouble."

There is no doubt that this is correct, and we would strongly advise any one suffering in any way from heart trouble to try a course of **WILBURN'S HEART AND NERVE PILLS**.

Price 50 cents per box or 2 boxes for \$1.25 at all dealers or will be mailed direct on receipt of price by The T. Millers Co., Limited, Toronto, Ont.
