BEAVER BOARD

If you are building or going to complete some unfinished rooms, let us show you some colored samples, illustrating the beautiful color effects obtained by using this sanitary and durable board for walls and ceilings in all classes of buildings.

We carry a large stock in assorted sizes.

MAIL ORDERS

We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

Our Office is connected with the N. B. Telephone Co.'s line by two separate lines insuring prompt attention.

ELECTRIC LIGHT PLANT REPAIRS

Committee Authorized to Proceed with Work—New Power Rate Promised.

A meeting of the Town Council was held Tuesday evening. His Worship Mayor Murray presiding. There were present: Couns. McKay, Ingram, Matthews, Bissett, Devereaux. The minutes of previous meeting were read and approved.

John C. Bissett wrote asking that taxes on estate managed by Bissett & Freeman be reduced, as he could not get a buyer for less than the assessed value. The matter was ordered acknowledged and filed.

The invitation to a social dance at the opening of the new fire hall to be held Tuesday, April 6th, was read. Coun. Devereaux moved that invitation be accepted.—Carried.

Tenders for printing the Town's annual report were opened and the contract awarded the Tribune its tender being the lowest.

Various department reports were submitted and the accounts ordered paid.

Coun. Devereaux said that he thought that for the summer months another officer was necessary. The local police did a large amount of work under the prohibition act, for which they received not a cent. The fines under the prohibition act for the month of March amounted to \$1500.00.

Coun. McKay said that when the change was made last year it was said that it was a mistake but the two officers did very well. If a special officer is required for a few weeks or a month the Police Committee has power to appoint such an officer.

Coun. Matthews said that if the local government get all the money for the fines then the government should put another man here and relieve out police of such duties or agree to pay at least a part of the salaries of the town police.

Coun. Bissett spoke along the same lines. His Worship thought that the matter was worth looking into.

Coun. Devereaux said that the police certainly had to look after the boot leggers and liquor peddlers. If they did not the town would be overrun with drunks.

Coun. McKay moved that a special committee be appointed to recommend a course of action to the Council in order to have the local government pay a portion or all of the salary of a policeman to carry out the enforcement of the Prohibition Act.—Carried.

Couns. Devereaux, McKay and Bissett were appointed such committee.

Coun. Devereaux asked for authority to ask for tenders for suits for the policemen.

Authority granted.

Central Book Store was granted authority to install gasoline tank at store.

Coun. Ingram submitted the annual report of the Fire Department, too, which was received and ordered printed in the annual report.

Coun. Matthews submitted the Annual report of the Fire Department, which was received and ordered printed in the annual report.

Coun. Ingram reported that he had consulted the Town Solicitor re the granting of an additional amount to the School Board and the Solicitor's opinion was that the Council could not do this.

Coun. Bissett stated that the pump had arrived. He said as there would be considerable expense to fix this for a belt drive, and as there was now abundance of water, he suggested that the temporary motor be returned.

As a representative of the Alice Chalmers Co. would be here in a day or two the matter was allowed to stand.

Coun. Bissett brought up the matter of electric power rates, and said he would deal fully with this matter at the next meeting.

It was reported that the roof had been blown off the hose shed at the west end and the Chairman of the Fire Committee said he would have repair made. He recommended that permanent hose sheds be erected at the building site if lots could be secured.

The department had about enough tile to erect these sheds.

Coun. McKay moved that the Electric Light Committee be authorized to procure parts to convert the Canada Foundry Co. producers into Smith type producers.—Carried.

His Worship brought up the matter of the abuse of one of the town horses, by an employee of the street de-

ILLUSTRIOUS SON OF RESTIGOUCHE

Died at Montreal Last Week After Very Short Illness.

The death occurred in Montreal on Thursday of Lieut.-Col. E. Botsford Busted, K. C., one of the oldest members of the Montreal bar and a brilliant lawyer, following a comparatively slight dental operation which developed into blood poisoning to which he succumbed. Lieut. Colonel Busted was born at Restigouche, N. B., sixty-three years ago, a son of the late Alexander Busted, and a grandson of the late Senator E. Botsford. Following early studies at Restigouche public school he took his Arts course at the University of New Brunswick at Fredericton and graduated B.C.L. from McGill. He is survived by two brothers, Thomas Busted, Restigouche, and Frank Busted, Vancouver, and by his brother-in-law, Dr. Andrew Henderson, Powell River, B. C.

COLD STORAGE ON Q. O. RAILWAY

Hon. Chas. Macell Asks Questions About Necessary Arrangements.

(From Hansard.)

By Mr. MACCELL:

1. Are any arrangements contemplated for the coming season to assist in the shipping of fresh fish, butter and cheese in cold storage cars from the Counties of Bonaventure and Gaspé?

2. If so, what are they?

By HON. S. F. TOLMIE:

1. & 2. The Dairy and Cold Storage Branch of the Department of Agriculture arranged for several years for a weekly ice butter car service to operate over the Quebec Oriental Railway from Bonaventure to Matapedia where it is transferred to the Canadian National Railway. It is intended to continue this service during the season of 1920.

The Department of Agriculture has never arranged for ice cars for the shipping of fresh fish and does not know of any proposal that it should be done this year.

WALLACE FOR MAYOR.

We understand that Mr. W. H. Wallace will be a candidate for the Mayoralty at the coming Town Election. His card has been received too late for this issue, but will appear next week.

He will advocate the appointment of a Town Manager if the Council is favourable, and the Rate payers have had an opportunity of expressing their confirmation or disapproval by ballot.

He also will favour special concessions to our ship-building Plant and encouragement of all industrial development.

He also believes that special efforts should be made to secure a representative Council.

He holds he is not representing any faction or political party and believes this election should be a get-together movement for the betterment of our Town, which should have a great future before it.

It was freely stated that such an employee should be severely reprimanded.

Coun. McKay moved that the Public Property & Streets committee investigate the charges against town employees for cruelty to the horses and if substantiated such employees be summarily dismissed.—Carried.

Coun. McKay moved that the Town accounts be audited monthly.—Carried.

Mr. Devereaux reported on the Fire alarm system, stating that large quantity of new equipment was absolutely needed. This included a switchboard, bells and batteries.

Coun. Devereaux moved that the matter be left over until next meeting.—Carried.

Coun. Devereaux brought up the matter of people dumping refuse along the Walker Brook. He suggested that steps be taken to have this practice discontinued.

Coun. McKay moved that the Police Committee investigate and if dumping taking place along Walker Brook, summon to prosecute. Also that notices be posted forbidding the dumping of refuse.—Carried.

Coun. Bissett brought up the matter of children breaking the electric lights. The suggestion was made that the teachers of the school keep the pupils on this matter and ask the police to keep a look out for such offenders.

The Council then adjourned.

MEETING OF THE BOARD OF TRADE

Committees Appointed and Many Matters of Importance Discussed.

A meeting of the Campbellton Board of Trade was held in the Town Clerk's office Friday evening.

In the absence of the president, Mr. Jos. Duncan, Vice-President, occupied the chair.

The Committee appointed to name the standing committees reported as follows:—

Railway and Transportation.
W. F. Napier, D. Champoux, W. H. Miller, John Harquail, B. J. Currie, Geo. St. Onge, W. C. Goss.

New Industries.
Jos. Duncan, P. M. Shannon, Alex. McLennan.

Membership.
P. M. Shannon, H. G. McLean, J. J. Bernier, F. E. Sheppard, Charles Goss, L. E. Renaud, F. J. Leclerc.

Finance and Audit.
H. R. Smith, J. Beggs and B. J. Collier.

Bylaws and Memorial.
W. D. Duncan, D. Murray, M. D. A. T. LeBlanc.

Publicity.
W. H. Wallace, P. M. Shannon, John T. Reid, H. B. Anslow, A. C. Belle Isle.

The matter of taking over of the Carquet & Gulf Spore Railway by the government and on motion it was resolved to send a strong memorial to the government in favor of the taking over of the C. & G. S. Railway.

The suggestion was made that the Supt. of Railway Mail Service be written to and asked to have the Campbellton mail transferred to the Limited when the Local is late and the Limited nearly on time. It frequently happens that we get Halifax papers and letters before the St. John mail arrives.

Postmaster MacKendrick said he would write to the Superintendent about the matter.

It was reported that two or three new industries were talking of locating here and the Industries Committee promised to get in touch with them.

The matter of the procuring of the 1. N. R. station lot for exhibition grounds was discussed and a committee composed of Messrs. W. D. Duncan, D. A. Stewart, W. H. Gray and B. J. Collier was appointed to act in conjunction with the Town Council and endeavor to have the railway department hand this property back to the town.

Mr. W. H. Gray spoke in favor of making an effort to induce the Grand Circuit to hold a race a meet and the project was favored.

The necessity of a municipal home for the poor was brought up but deferred until another time.

Mr. W. H. Gray said he hoped that a big effort would be made to induce new industries to locate here. We had the shipping and other facilities and he was sure that if our advantages were set forth we could induce manufacturers to locate here.

During the meeting a telegram was received from President Champoux, who was in Quebec stating that he had had a personal interview with members of the Quebec government and that they were very favorable to the bridge proposition.

The meeting then adjourned.

ICE RACING AT DALHOUSIE

Horse Racing to Be Attraction at Shire Town Easter Monday.

For some time past Dalhousie citizens interested in fast horses have been planning an ice racing meet and only waited favorable weather conditions. These now look good and the races, will be held at 9 a.m. Easter Monday.

MAN KILLED AT UPSALQUITCH

Was Helping Shunt Cars When Crushed—Lived About Three Hours.

Hector Harriman, engaged with Smith & Knowles, was killed at Upsalquitch station on Tuesday afternoon. The body was brought to Undertaker Gramling and was forwarded to rest at Richmond this morning.

So far as the Graphic could learn no one actually saw the accident, but it appears to have happened as follows:—

A number of men were engaged in loading lumber on cars at Upsalquitch. The cars were being moved with a pair of horses along the siding when it is supposed deceased climbed up upon one to set the brakes, when a protesting deal used in loading, caught him against the car as it moved slowly. The deal broke off, but injured the man so badly internally that he expired in about three hours.

Coroner Martin viewed the remains heard the statements of the accident and concluded that no inquest was necessary, and gave permission for the removal of the body.

FINE PICTURE AT OPERA HOUSE TONIGHT

To Night is Last Chance to See Douglas Fairbanks in "One of the Boys."

There may have been gloom in the hearts of some of the audience at the Opera House before the show started last evening, we don't know of course, what private worries and troubles people may bring to a theatre with them. But we are sure that nobody took any gloom home, for the best little gloom-seller in the world was at the Opera House and he was in wonderful form.

Douglas Fairbanks' big new picture "One of the Boys" musical production of the story of Richard Charles Chaplin, Douglas Fairbanks, D. W. Griffith, William, United Artists Corporation, use so called "big four"—was presented and it is putting it mildly to say that the large audience was delighted.

The picture starts with a rush, goes on with a rush and ends with a rush. It is action, pop, and go all the way through.

It is a wholesome picture, full of good, clean fun and humor, up-to-the-minute in its appeal, and as prettily made a film as we have seen in many a day.

The picture will be presented for the last time tonight. Shows start at 7.15 and 9.15. To miss seeing it would be a pity. To see it may add days to your life, if the old saying is true that those who laugh live long.

LABOR MEETING.

A public meeting was held in the Murray Hall under the auspices of organized labor last evening to take into consideration the course to be pursued by labor in the approaching civic contest. Nothing definite was done, but speakers strongly endorsed the present Mayor and council.

PUBLIC HOLIDAY.

Good Friday, being a legal holiday, the Post Office will be closed from 9.30 a.m. to 6 p.m.

RECORD SEASON IN LUMBER OPERATIONS BUT ALL COULD NOT BE HAULED

The past season has been a record for the lumbering industry in the Restigouche and it is estimated that the cut is about fifty per cent. more than any previous year. To the weather during the fall and winter water made hauling a comparatively easy task and all plants were kept busy.

The heavy snow during the latter part of January and in February delayed loading to the business and now the freezing up of the hauling roads has made it impossible to get all the best logs out. As a large quantity will remain for another year, however, if the drives out there will be less enough to keep all the mills busy.

That the Hospital is the Proper Place

in which to be cared for when ill and that it is to the best interests of each individual to have available hospital facilities strictly in accordance with present day therapeutic requirements are facts which the public are beginning to realize more and more.

THE NEW HOTEL, DIEU HOSPITAL, CAMPBELLTON has been planned with the "Perfect Modern Hospital" as an ideal.

Medical and Surgical work have each been assigned a separate floor.

Two large operating rooms provide facilities for the exclusive use of one room for septic cases.

Private rooms with individual bath, wide and spacious balconies and solariums affording means for "fresh air" treatment, a complete up-to-date X-ray plant are among the other noteworthy installations which will contribute to make the Institution a suitable Health Centre for the Bay Chaleur District.

CIVIC CONTEST.

The civic political pot has bubbled over and there is now much talk of candidates and possible candidates. One candidate for Mayor, Mr. W. H. Wallace has made public announcement of his entering the field.

The Graphic wishes to state that it is entirely independent in this matter. We have no particular interest in this contest other than to have the very best men chosen as mayor and councilors and personally will advocate the employment of a town manager. We open our columns for a gentlemanly discussion of all matters pertaining to the town's interests.

TOWN MANAGER.

In writing to the Graphic a Woodstock gentleman says: "I am enclosing a brief outline of the town manager plan which may be of some use to you in your advocacy of this excellent form of town management. I notice the Tribune today has two or three columns of balderdash on the subject and it may be well to republish the enclosed, so that the gentlemen opposed may understand what this form of government really is."

It is to be hoped that Campbellton will adopt the plan and if once adopted will find it the best form of government existing in towns or cities, both large and small.

A portion of the information contained in the circular has already appeared in our columns and as our space is limited we are holding the matter for future use.

BOARD OF TRADE FOLDER.

The Tribune devotes considerably over a column in criticizing a little folder issued by the publicity committee of the Campbellton Board of Trade. While many points touched upon are open to criticism, it is hardly a subject for newspaper comment. Feeling that the learned editor of the Tribune might have many good suggestions to make, the committee in charge of the work had numerous proof sheets of the text taken and handed to members of the Board of Trade, one of which was given the editor of that paper for his views on the whole matter. It was then he should have given his suggestions and not targe cold water upon the first effort made to advertise the town. Feeling that there would be numerous changes suggested the committee printed only a limited edition, and kept the matter standing, when revisions will be made and a new edition published.

Most of the points criticised had already been pointed out to the committee and the necessary corrections made.

All matters could not be dealt with as fully as the committee desired. It was first planned to issue a ten page folder, but such material was submitted that it was difficult to crowd it into even the sixteen pages, and some of course had to be omitted.

The committee has received many words of commendation for their work on the little folder and have been encouraged to "go for something larger and more elaborate, with illustrations etc., which may be published during the summer."

OBITUARY.

Rev. Duncan Henderson.
The death of Rev. Duncan Henderson took place at his residence Chatham, on Saturday night after a lengthy illness. Deceased was 54 years of age and is survived by his wife, formerly Miss Ida Edgar, and one brother Angus, of Sterling, Scotland, editor of The Scottish Field.

God First

THEY have been called a people of one idea—God first.

WHATEVER happens, their work goes on, serving God and their fellowmen.

EMPIRES may rise and fall, the world may seem to be enveloped in blood and strife, but they still see God's sunshine and love, still do the nearest work of mercy. Still praise God for the saving of souls.

EDITOR'S MAIL

All letters addressed to the Editor must be accompanied by the name and address of the sender, not necessarily for publication, but as evidence of good faith. No notice will be taken of anonymous communications.

"Who will the ratepayers elect this year as Mayor of our town to receive and welcome the distinguished visitors who are to favor us with a visit in June next?"

I noticed the above in the columns of the most wonderful newspaper The

"Tribune", no doubt written by the editor "Charles Simple O-phidia, Crockett".

Just to ease his "mind" I will inform him that the Board of Trade have arranged to have their President Mr. David Champoux, or Vice-President Jos. Duncan welcome these newspaper men. All board of trades in Canada are doing likewise. Perhaps our most wise friend would like to be called "upon" to meet and address these distinguished visitors.

So far we have not heard Mr. C. S. O. C.'s name mentioned in this connection. Kindly give space.

GOOD BY CHARLIE.

Campbellton, N. B.

April 1st, 1920.

Editor "Graphic,"

Campbellton, N. B.

Dear Sir:

I noticed in last evening's "Tribune" that my friend and neighbour devotes quite a lot of his valuable space in condemning and finding fault with the small Directory and Folder that our Board of Trade authorized a Committee (of which I am chairman) to prepare. There are no doubt errors and omissions, which the Committee and friends are to correct. When completed the Folder will go to Press, as all business houses and public spirited citizens wish to give our Town merited publicity.

Just here I wish to remind Mr. Crockett that some three weeks before a limited number of these little Folders went to press, I left in my office a copy and told him I would be pleased to have him criticize and give any suggestions that would be of benefit. I also explained we had in view a booklet going into more details re: churches, schools, hospitals, manufacturing concerns and historical write-ups, and views of buildings, etc.

In view of the above facts I do think it is a little mean to attack the Board of Trade and the Committee. We do not have his presence at the Board of Trade and quite often our meetings are not reported in the "Tribune." However the Board will continue to try to build up rather than tear down.

His remark as to my offering for Mayor this year, also that one or two other occasions I failed to receive a majority of votes, just here I want to inform my friend that I do not now

nor will I ever acknowledge a defeat, if I did I would not possess the true British spirit, which has so long and will ever continue.

Had our noble Canadian boys in the world's greatest war ever thought of retreat or defeat, the many victories to their credit would not now receive the proud boast the world over. CANADA is one of the brightest jewels in the British Crown.

How true are the compliments expressed by that great French General Marshall Foch, when he said "Give

me French and Canadian soldiers and I could defeat the world." I am quite willing for the Editor of the "Tribune" to enter the ring against me, but do not use subterfuges, gas or strike below the belt. I always have and will continue to give those that receive the majority my good-will and support.

Just let the people decide this contest. It's their fight not your humble servant's.

Sincerely yours,
W. H. WALLACE.

STILL HAS CONTRACT.
Mr. Robert Sinclair has informed the Graphic that he has not thrown up the contract for the Campbellton Cross Point ferry, but will run the service as required. We understand that he has been negotiating for the purchase of Mr. John Quinn's steam boat but has not been able to come to terms. It is now said that he intends to build a boat. If this is the case we may expect the service some time during the late summer or fall as it is impossible to-day to purchase machinery for immediate delivery. In the meantime the present ferry steamer is not being prepared for the opening of navigation.

FREDERICTON MARKET.
(Saturday's Gleaner).

Veal, quarter, 7 to 15 cents.
Eggs, 55 to 60 cents.
Butter, 60 cents.
Potatoes (bbl.) \$6.50.
Pork, per pound, 24 to 26 cents.
Beef, per pound, 12 to 18 cents.
Beets, per barrel, \$1.25.
Turnips, per barrel, \$1.50.
Carrots, per barrel, \$1.25.
Hay, per ton, \$35.
Wood, per load, \$5 to \$12.
Apples, per barrel, \$3 to \$5.
Chickens, per pound, 40 to 45 cents.
Fowl, per pound, 40 cents.

EASTER SONG SERVICE.
A Sacred Easter Song Service will be given by St. Andrew's Church Choir, Easter evening. Miss Edna Baird of Fredericton, will sing a solo, and assist in the general programme, which will include vocal and violin solos, duets, ladies chorus, men's chorus, and several anthems. Of the latter, two are very pleasing numbers by J. De Vere, while the special Easter number harmonized by Simper includes two excerpts from Handel's "Hallelujah Chorus."

IN MEMORIAM.
Hamilton.—In loving memory of our dear sister Mrs. John P. Hamilton, who died April 2nd, 1919.

We will remember her as kind and helpful with time to listen and to sympathize, ever with cheerful smile and tender loving heart.
No more we see her in her home,
No more her voice we hear,
For God has taken her away.
The one we loved so dear.

MEETING OF S. M. HOSP. AID.
The regular monthly meeting of the Soldiers Memorial Hospital Aid will be held in the Oddfellows Hall, Tuesday evening, April 6th at 8 o'clock.

PALM SUNDAY.
Services at the church of Our Lady of Snows on Palm Sunday were very largely attended. The services were held in the new church basement.

Joe Burkhardt at his best as a fun maker in "Oh Boy", at Opera House next Thurs. and Fri.

OPENING NEW CHURCH.
The formal opening of the new Church of Our Lady of Snows, Campbellton, will take place on Sunday, April 4th. Services will be conducted by Rev. Father Melanson. Low Mass at eight o'clock and Solemn High Mass at ten o'clock.
The musical part of solemn high mass will be rendered by a choir of sixty voices accompanied by an orchestra under the direction of Mr. J. F. Faubert. Vespers at 7:30 p.m.

POTATO PRICES.
Potatoes are selling in town at six dollars per barrel, but a sudden slump is looked for in the next few weeks. Carrots, beets, and turnips were sold by farmers last week at three dollars, just double the price the farmers were getting in Fredericton and other points in the province.

THEOBALD-SHARPE.
A very pretty wedding took place Wednesday morning March, 24th at St. Andrew's Church, Levis, Que. where Mable Barbara, daughter of Mr. and Mrs. H. W. Sharpe was united in marriage to Mr. Bertram J. Theobald of Quebec, son of Mr. and Mrs. G. W. Theobald of Faversham, Kent, Eng.

The pastor Rev. J. J. Wright officiated, associated with The Very Rev. J. Pringle, D.D. Moderator of the Presbyterian Gen. Assembly, who lead in prayer. The bride who was given away by her father looked charming in her travelling suit of navy blue with seal wrap and small blue and gold hat and carried a bridal bouquet of white roses, carnations and maiden hair fern. The church was beautifully decorated for the occasion with cut flowers and potted plants. After the ceremony the guests repaired to the home of the bride's parents, where a dainty lunch was served. The bride was the recipient of many beautiful presents. There was a large gathering of friends among whom were Rev. and Mrs. N. McLarow, Mr. and Mrs. L. G. Theobald, Mr. Percy Theobald, Mr. and Mrs. J. Caron all of Quebec. Mr. and Mrs. Richard Gilker of Campbellton, N. B., Mrs. Geo. Bentley, Miss Hazel M. Sharpe, Rev. J. J. Wright, Levis, Miss J. L. Libbey, Montreal, Mr. and Mrs. P. E. Mullen, Levis. Later Mr. and Mrs. Theobald left for a short trip to western cities.

New Carlisle, Que., March 29—20. The Ladies Hockey Team of this town created quite a sensation Tuesday last when they assembled at 6.00 a. m. that day and proceeding to the A. Q. & W. H. B. station, boarded a pay freight having for their destination Gaspé where they intended playing the Ladies Hockey Team of that town the same evening. They arrived in Gaspé at 9 p.m. luckily of the same day more dead than alive as the saying goes, and although the Ladies Team wished them to proceed at once to the rink they managed to get to Bakers Hotel as one of their ladies was very ill and they wished to get some refreshment before going to the rink. At the same time, the game started at 10 P. M. Mr. Oray Calhoun acted as referee, and although New Carlisle had brought their Judge of Play with them, they were informed that they were in Gaspé (although the Conductor had previously informed them of this) and that they must conform to Gaspé rules, and that if Gaspé had their referee that was all that would be required. New Carlisle, not feeling quite up to the mark just then, let this important item slip, saying as they did, that if Gaspé had six LADIES for them to play against all would be well. First period started out clean and fast, Gaspé netted the first goal, but owing to offside was not counted, and Suddard made several good rushes from centre but had to change her course when Miss Hall rushed out to meet her, and Miss Caldwell grabbing the puck on a pass noted the rubber went to centre at once as New Carlisle's first tally. The Carlisle made no fuss over their goals. Game kept on until Mrs. Dawson stirred the monotony by picking up loose puck and banged it into the web first period ended score 2-0 favor of New Carlisle.

During the five minutes intermission Miss Flowers was engaged at her old occupation as nurse (having been overseas) trying to do something to relieve Mrs. Dawson, who had been very ill all the trip from New Carlisle and when the five minutes were up and she could not play without suffering, Gaspé LADIES simply refused to play second period live ass (New Carlisle had no substitutes.)

Second period was born in with trouble. Miss Hall could not find her stick and as Gaspé refused to stop the game the former set to examining the sticks used by the Gaspé team which ended in the missing property being found on the person of Miss Mackenzie of Gaspé. Of course it was merely an accident but it was also a fore-runner of further trouble and the game proceeded with Gaspé wild and revengeful and during this period the wild, wild women scored four goals using various means to obtain same, such as Miss Suddard proceeding from centre ice, tripping Miss Chisholm and sending her flying to the boards, and smashing in a goal while Miss Mackenzie attended to Mrs. Crozier. Miss Caldwell made a grab for the rubber, and when within a few inches of Gaspé goal, on her refusal to measure the ice on a trip from Gaspé, the latter used other means and when Miss Caldwell tried to add another point to New Carlisle's tally she found herself minus a stick which though not stolen was shattered to pieces. As Gaspé had no intention of stopping the game, Miss Hall made one jump for the room and presented Miss Caldwell with another stick with the whispered injunction not to let Gaspé know that it was New Carlisle's only spare stick. Shortly after this they were aware of the presence of a referee by hearing him blowing the whistle for time off, and, although Miss Caldwell clutched a whole stick, she found herself minus one skate, and she did not know how it happened, as during the time of the awful massacre New Carlisle was too thunderstruck to play fast, but kept pondering when peace was going to be signed. Second period ended 4-2 in favor of Gaspé.

The second intermission was spent by New Carlisle Ladies in a state of gloomy despair, nursing battered and bruised shins and limbs. Although these twenty minute periods had been agreed upon, Gaspé did not want to play the third period at all as seemingly they were tired (although they had not spent the day on the train as New Carlisle had done) but who knows perhaps their conscience troubled them, anyway Miss Chisholm made a rush for the referee which ended in a third period being indulged in. Miss Hall relieved Miss Chisholm on the forward line during this period, as although the former had had her own time of it on defence she was not battered up that time like the others (her turn was to come later.) The last period started out swift and peppery. Mrs. Dawson, feeling better seized the puck, and making up for lost time, followed it up and sent it banging into the net. Referee took puck, and arriving at centre threw it down, and when Miss Caldwell came up to centre and was right on hand for the next centre up and grabbing the disc rushed up the ice and banged in New Carlisle's last goal. At the next centre up Miss Suddard got the puck but on her way to the nets encountered the wall, New

Carlisle thinking she was hurt rushed to the rescue, and just as Mrs. Crozier and Miss Flowers got there, Miss Suddard not dead after all seized the opportunity afforded by the absence of the goalie, and sent the puck banging into the net. The next few minutes saw no scoring as when New Carlisle attempted another goal they found a mixture of six feet and three sticks in Gaspé goal. Miss Chisholm trying to pass the puck to centre was tripped up and sent headlong over Miss Hall, the latter woke from the land of nod some minutes later to find that she possessed a broken nose, a broken wrist and three face wounds, so I think it was just as well that the game ended soon after that by the way things were going. New Carlisle found out only too late that the last period had been only ten minutes long since they were mostly always felled to the ice they could not put up a very good fight. Game third score 6-4 favor Gaspé. With such boisterous play only two penalties were served. In the first period Miss Hall and Mrs. Saint Croix were censured themselves in the corner down by New Carlisle's goal and as they kept on butting each other they were sent to the cooler for two minutes. Later another penalty should have been served when Miss Mackenzie tried to put it over Miss Hall by tripping her, but the latter promptly took the little girl by the back of the neck and gave her a school ma'am shake with the warning not to try any of that rough on her, but neither party got a trip to the cooler for this.

When the game was over New Carlisle beat it to the dressing room to embark for the hotel, wondering what kind a reception they would get there, but Gaspé gave them pressing invitations to go to the refreshment room as they had a treat for them. According New Carlisle took their seats with some difficulty as they had not relished Gaspé's treat so far. While tea was being passed around I heard one lady saying she would not partake of that beverage as they had helped the brakemen at Cape Cove unload countless boxes of tea for Messrs. Robin, Jones & Whitman, and wanted no more if it. New Carlisle like anything else but eating just then and said so, but nevertheless they ate it out while Gaspé had their fill. But a surprise was in store for New Carlisle, for when the door reopened were being counted Miss Suddard demanded payment for FIFTEEN (15) lunches. That was the last spoke in the wheel that Gaspé used to treat the visiting team to, and on that bill being settled up (they had to pay for the six of their team, eight of Gaspé's team and last but not least the referee, they made a hasty exit, and went down to Bakers Hotel. Here they found good accommodation, and were treated very kindly by everyone there. Next morning they awakened at 5 a.m., and I met them all at the breakfast table, a jolly bunch in spite of their bruises. As a great surprise awaited them when they went to settle up their bill as when they had to pay for a lunch for Gaspé the night before, as the clerk informed them having been treated the way they were commended for them free of charge. This was quite an unexpected piece of hospitality, as leaving out the pecuniary side of the matter, they were not prepared for any kindnesses after having been treated the way they were.

I did not see the proprietor myself and I do not think they did either, for I heard them saying on the train that they were going to write him a letter of thanks when they returned home. I had to do some gentle persuading to get the New Carlisle ladies to tell me as to how they had come to go to Gaspé, and I had to (Continued on page 7).

**PAINS SO BAD
STAYED IN BED**

Young Mrs. Becroft Had Miserable Time Until She Took Lydia E. Pinkham's Vegetable Compound.

Hamilton, Ont.—"I have suffered for three years from a female trouble and consequent weakness, pain and irregularity which kept me in bed four or five times a week. I nearly went crazy with pain in my back, and for about a week at a time I could not do my work. I saw Lydia E. Pinkham's Vegetable Compound advertised in the Hamilton Spectator and I took it. Now I have no pain and am quite regular. I have no work or stay on my feet from early morning until late at night. I keep house and do all my own work without any trouble. I have recommended the Compound to several friends. Mrs. Emily Becroft, 289 Victoria Ave., N. Hamilton, Ontario.

For forty years women have been telling how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any of the above named women why don't you try Lydia E. Pinkham's Vegetable Compound? It is made from native roots and herbs and contains no narcotics or harmful drugs. For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years experience is at your service.

Nuisances

The following, Respecting Nuisances, is Published for the Information and Guidance of the Public.

Definition of a Nuisance. (Public Health Act, 1918.)
Section 2, sub-section (0).

"Nuisance" means and includes any state or thing dangerous or detrimental to human health or comfort through uncleanness, filth, impurities, gases, vapours, smells, dust, smoke, overcrowding, lack of proper ventilation, diseased animals, decay, accumulation or deposit, leakage, overflow, drainage, or anything that is, or likely to be, injurious to health.

The following are some of the Regulations of the Minister of Health respecting nuisances:—

REG. 130. No owner, proprietor, householder, occupier or tenant, nor any captain or master of any ship, shall commit or maintain or suffer to be committed or maintained, any nuisance in or upon any house, land, ship or property of which he is either temporarily or permanently in possession or command.

REG. 131. No person shall commit or maintain any nuisance in or upon any public place, or any street; nor shall any person deposit sputum in or upon any public conveyance, street, or the floors, stairs, or parts of any building or ship.

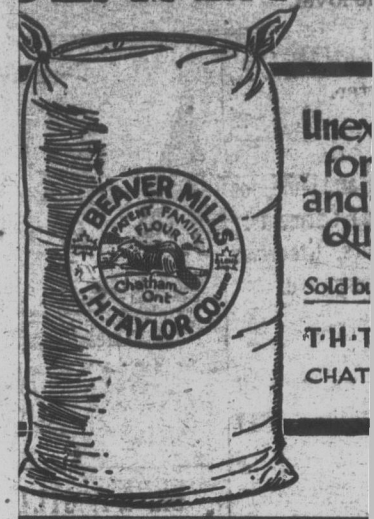

REG. 135. No stables or other place in which animals are kept, whether in urban or rural communities, shall be so situated that the drainage therefrom shall pollute, or shall be liable to pollute any source of water used for domestic purposes.

REG. 136. In cities, towns and villages all manure from a stable in which any animal is kept shall be deposited in a manure bin or other receptacle so constructed that it shall be impervious to flies and rain; such bin or receptacle shall not at any time be completely filled, and shall be emptied not less frequently than each two weeks.

REG. 138. No owner, occupier, tenant or householder, or captain or master of any ship shall permit the accumulation of any garbage, swill, animal organic material, decaying vegetables, excrement, refuse or other matter subject to fermentative decay, or rubbish, in or upon any house or premises or ship under his control.

REG. 142. In cities, towns and villages it shall be the duty of each sub district Board concerned, to have an inspection made of all conditions relative to each house and family in such city, town or village, as is laid down by schedule, at least once in every year, and as near as may be in the month of June. Nothing in this regulation, however, shall be taken as in any degree abrogating or narrowing either the scope or frequency of inspections at other times as may be thought necessary or expedient by such sub-district Board.

CANADA'S FINEST TRAIN— THE OCEAN LIMITED

Has Modern Equipment and Sleeping and Dining Car Service Unexcelled Anywhere.

The premier train of the Canadian National Railways Eastern Lines, is the Ocean Limited, and it is safe to say that on no other part of the Government lines, or on any railway in America, for that matter is the "Ocean" surpassed for general excellence and travel comfort. The fine modern steel cars assure the traveler of an easy and luxurious journey, while the dining car service on this train is renowned for the excellence of the menu and the splendid service given.

Experienced travellers probably realize that with this train the Canadian National Railways furnish a through service between Montreal and the Maritime Provinces that is not excelled by any other railway on the continent. Notwithstanding the very severe weather this winter the Ocean Limited has maintained her schedule remarkably well. Leaving Montreal at the convenient hour of 7:00 p.m. this train affords the only daily service to points in the Maritime Provinces via the only ALL-Canadian route.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your finger! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from blisters of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or the intensely it stings, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

R. M. CURRIE TALKS ON INSURANCE

Speaks to Members of Kiwanis Club of Saskatoon—Insurance History.

The Saskatoon Star of March 11th contains a long report of a talk on insurance delivered by Mr. R. M. Currie, a former resident of Campbellton and a native of Restigouche county. Mr. Currie is manager of a very large company doing business in Saskatchewan.

"The past, present and future of life insurance was the subject of an interesting and informative talk which R. M. Currie gave members of the Saskatoon Kiwanis Club at their weekly luncheon today. Mr. Currie put up a vigorous defence for the insurance solicitor, who, he said, was badly treated by the public but was never found a nuisance the day after the funeral.

"Most people," said Mr. Currie, "think insurance is a modern invention for the temporary cure of family economic problems. The beasts care for their young only as long as they live, but our hearts demand more. The answer is life insurance."

Mr. Currie quoted the Shulamite woman who said, "My husband is dead, the creditor has come to take my two sons as bondsmen." He also picked a stanza from Burns to illustrate the value of insurance.

Insurance for everything was a comparatively recent development, but the principal on which it was founded dated back to the commencement of human history. Some people gave Joseph credit for the idea of storing up against a rainy day; others said Noah did it first. But it was certain that the Romans instituted marine insurance in the reign of Claudius. Cicero in one of his epistles had expressed the hope of finding a Lodoicea security by which he could remit the money of the republic without being exposed to danger in its passage. The Romans, too, must have had some form of life insurance.

Until 200 years ago there was little development in insurance. But then, like a real estate boom, it seized England. Lloyd's was one of the principal places where insurance was carried on. The London Times in 1768 said: "The introduction and amazing progress of life insurance in the reign of George the Third is among others a powerful and melancholy proof of the degeneracy of the time."

Mr. Currie declared that Lloyd's had remained a gaming house, but that life insurance which evolved from this condition became the backbone of our financial greatness.

"It is supposed," continued the speaker, "that life insurance was in operation by the end of the 17th century."

"The value of insurance agent was not appreciated, as evidenced by his treatment at the hands of the public. The old agent of 30 years ago he said, was crude, but no more so than the doctor of 30 years ago as compared with the medical man of today. "If the insurance agent is a bit of a nuisance, just remember what his experiences are. It is a compliment to you when six insurance agents call on you in one day."

IT SAVED HIS LIFE STATES CAPTAIN

Popular Mariner Tells of His Experience With Tanlac is Remarkable, He Says.

"My friends all know what a bad fix I was in before I took Tanlac and will tell you that I am now just a new man," said Captain Alfred H. Eisenhaur, of Indian Point, recently.

Captain Eisenhaur is one of the most popular and influential citizens of Lunenburg County, he is at present engaged in general merchandising at Indian Point, but was for many years a sea captain and is well known all along the East coast of Nova Scotia.

"For three or four years," he continued, "my stomach and bowels had been troubling me, but outside of taking a few pills now and then I never paid much attention to it. Last January however, I took a sudden turn for the worse and found out I was suffering from a very bad case of catarrh of the stomach. Well sir, I was in such bad shape for six months that I couldn't do a day's work and it is simply impossible for me to describe how badly I did suffer. There was a constant cramping, gripping pain in my stomach and bowels that would almost draw me down and at times I thought I would go distracted. I was forced to live on the very lightest of foods, for if I ventured to eat anything at all heavy I would almost die with indigestion. I was constantly coughing up mucus from my stomach and would blot very badly with sour gas, I lost fifteen pounds in weight and was so weak that I could hardly get about the house."

"During that I could not hold out much longer I went for an examination. I was told that my condition was very serious and that nothing but an operation at once would do me any good."

"I would not consent and went home greatly discouraged, I noticed Tanlac being recommended very highly in the Halifax papers and as a last resort I decided to try it, and lo and behold I had finished my second bottle I could see quite an improvement in my condition, I have taken several bottles of Tanlac and I firmly believe I would not be living to-day if I had not taken it. I have been relieved entirely of all the pain and other symptoms of catarrh and my food is digesting fine, for I am gaining weight right along. My appetite is fine and my stomach is in good condition and I am now eating just anything I want and never have a pain or an uncomfortable feeling afterwards. The way Tanlac has helped me is nothing less than remarkable. I cannot praise it too highly and would advise anyone to try it."

TANLAC is sold in Campbellton, by THOMAS WRAN, Druggist; in Jacquet River by, D. McALLISTER; in Archibald Settlement by, M. SMERER.

THE RIGHT WAY
THE secret of SUCCESS lies in being able to LOOK at the garment before you pay for it. You not only LOOK at it. You try it on. You have the chance to try on several. If one does not suit, another WILL. If alterations are needed, the fitting can be done on the spot. There MAY be other ways to shop. But this is the only RIGHT way. This is the "trade-at-home" way. And it brings not only SUCCESS to you, but adds prosperity to your town as well. Every purchase you make in this way creates a permanent value in your community, apart from the value and pleasure YOU get out of it. And you become a community builder. Then why shop any other way? Keep this picture in mind and you will not fail in your duty to yourself and your town.

Take Alcohol Out of Cooking

In all the years that you've used liquor flavoring extracts, have you known that they are usually accepted as containing four fifths pure alcohol which is expensive, and now considered needless and only one fifth actual flavoring?

VETERANS CREMY FLAVORS are ABSOLUTELY NON-ALCOHOLIC; they are ALL FLAVOR, PURE FLAVOR and, consequently, far cheaper than liquid alcoholic extracts, besides being more convenient. Bear in mind that you'll always get

All Flavor and No Alcohol in

VETERANS CREMY FLAVORS

which are strongly endorsed by culinary experts, and quite naturally, by members of the N. B. Temperance Federation who regard them as the Real Solution of the Lemon Extract Evil.

As A MATTER OF ECONOMY—CONSIDER:

One regular 35c. tube of Veterans Creamy Flavors will do the same work as four 25c. bottles of liquid alcoholic extract. Veterans Creamy Flavors come in regular

NEW CARLISLE.

Continued from page 6.

sum up my notes when the ladies got off at the station. Nevertheless I learned that these six New Carlisle ladies had started to organize a Hockey Team early in February, and had asked Gaspé to do the same, stating that perhaps later on Gaspé would come to play them in New Carlisle, and that the latter would go to Gaspé to play the return match. A challenge was sent to Gaspé later, off course to the Captain, but on enquiring from another member of the team as to what they intended to do about the challenge, she informed them that she had not heard about any challenge being received, so back to Miss Suddard they went again, and after a good deal of coaxing and persuading they at last promised to go.

New Carlisle had everything in readiness for a week end but the Thursday before they were shocked to hear of the sudden death of Miss Babin their goaltender. Gaspé was immediately informed that it would be impossible for them to play that week, but to fix the date for the coming week. As New Carlisle had informed Gaspé early on Thursday morning that the game would have to be postponed, it is very doubtful if they ever intended going up at all, because, disregarding all their promises they refused to go up to New Carlisle, so the ladies of the latter town got together and, securing a goalkeeper in the person of Miss Flowers, said they would go down to Gaspé and see what kind of a bunch they were, as they could not imagine what was up that Gaspé did not realize what they were doing when they ignored an honorable challenge from New Carlisle. As in former years they were in the habit of having friendly matches with Gaspé, it is to be noted that while Gaspé said they could only have five players to go to New Carlisle the latter found them with a team of eight, but when New Carlisle told Gaspé that they only had a six team it was the truth, because not a substitute was visible. It only remains to be said that New Carlisle ladies judged Gaspé by themselves, and when the boys at their home town told them Gaspé would not come up to New Carlisle they (the ladies) laughed at them saying we can surely depend on the word of Miss Suddard) but the boys were right, and scorned the idea of going to Gaspé because they said if Gaspé was not honorable enough to keep their word that was enough for them and when the ladies carried up an invitation to a return match in Gaspé they said that after the way Gaspé had treated the ladies they held a high hope of seeing the boys team there. Nevertheless the ladies team of Gaspé promised New Carlisle a return match and as I am leaving town I will leave it to someone else to take notes on that match, although I should not be too sure that the Gaspé team will go up at all but seeing the sporty bunch before me, and remembering how they had been treated by GASPÉ, LADIES surely the latter will not have the heart to refuse to go up, so I will watch the papers for the account of the return match, as New Carlisle tried to please Gaspé all they could and the hardest thing to do was for them to go to Gaspé first, but they were such good sports they did it, and I regret that I am leaving town and won't be able to witness the return match.

The lineup at the above game was as follows:—
New Carlisle: G. Flowers, Goal; Kennedy, Mrs. P. Crozier, Point, LeTour, L. Hall, C. Point, A. Manroe, E. Caldwell, Centre, D. Suddard, Mrs. Dawson, R. Wing, MacKenzie, W. Chisholm, L. Wing, Mrs. St. Croix. Gaspé had two substitutes, New Carlisle none.

PORT DANIEL CENTRE.

The many friends of Mrs. A. Lawrence will be pleased to hear that she has returned to her home, after a prolonged absence. We hope that her health is improved, and we are all happy to welcome her once more.

The "Spanish Influenza" is still raging in our village, and each in his return seems to fall a victim to this dreadful epidemic.

A sad accident occurred here on Thursday in a saw mill, owned by Mr. Roy, when a son of the proprietor had his hand badly injured. Dr. Boileau promptly answered the call of duty. We trust that Mr. Roy will soon be well and able to take up his work without more serious consequences.

Mr. Leckie left here on Friday for Carleton with the intention of visiting his parents. He may pay a flying visit to friends in New Richmond.

NOT ENOUGH EVIDENCE TO CONVICT PRISONER

Fredericton, March 27.—Rylus Matthews who was charged with a serious offence against a girl aged 12 years, in Maryville, was discharged by Magistrate Claude Clayton on Friday afternoon because the evidence was not sufficient to hold him. Matthews came from Gaspé, Que. some time ago. He is an uncle of the girl. The latter, her parents, and Dr. McIntyre gave evidence. The testimony was inconsistent.

WILL HELP CAMPBELLTON

"I hated cooking because whatever I ate gave me sour stomach and a bloated feeling. I drank hot water and olive oil by the gallon. Nothing helped until I tried simple buckthorn bark, glycerine, etc., as mixed in Adler's-Ka." Because it flushes the ENTIRE bowel tract, completely Adler's-Ka relieves ANY CASE sour stomach, gas or constipation and prevents appendicitis. THE INSTANT action is surprising. A. McE. McDONALD, Druggist.

BATHURST K. OF C. TO ERECT BUILDING

Ten Thousand Dollars Already Subscribed For Up-to-Date Block.

Having incorporated themselves and secured a charter in proper form the local branch of the Knights of Columbus are reaching out ambitiously. It is their intention to build a business block, or rather a dual purpose, or general utility block, on the property owned by them at the corner of King and St. George streets.

It is the intention of the officers of the organization to have a stone building large enough not merely for the regular and special purposes of the K. of C., but large enough to rent space for offices and other purposes.

Capitalized at \$40,000, in 2,450 shares at \$20 each, with the sum of over \$10,000 already subscribed, the officers of the society feel that they have a right to go ahead with their plans to have a worthy meeting place in the town.—Bathurst Light.

RUSSIANS WILL VISIT ENGLAND

Premier Lloyd George Says Government Will Permit Visit of Delegation.

LONDON, March 15.—Replying to a question in the House of Commons today, Mr. Lloyd George announced that the Government would permit the visit of a delegation of the Russian Co-Operative Societies subject to the right to exclude individuals. In this connection the Premier emphasized that Maxim Litvinoff, the Bolshevik assistant commissioner of foreign affairs, could not be admitted because on a previous occasion he had taken advantage of his diplomatic privilege to engage in political propaganda in England.

Every facility would be given for the coming to England and the returning to Russia, of the delegation, the Premier added, but it must be clearly understood that it would be forced to confine its work to commercial lines.

EDITOR'S MAIL

All letters addressed to the Editor must be accompanied by the name and address of the sender, not necessarily for publication, but as evidence of good faith. No notice will be taken of anonymous communications.

Editor of Campbellton Graphic, Dear Sir:

In the interests of a long-suffering public, something should be done by the railway authorities with regard to the station at Christopher, on the International Railway. The station was erected here two years ago to serve the travelling public, but left without lock or key or guardian of any kind and it has become a den for the loafers and toughs of the surrounding district. These gentry have reduced the interior of the building to a condition better to be imagined than described. The filth on the walls equals that on the floor which is saying a good deal. Things have come to such a pass that respectable residents of the district cannot enter the station without being confronted by malicious and obscene references to themselves and their families scribbled on the walls by unknown parties and spiced by profanity of a lurid type. These foul minded miscreants know better than to sign their names to their productions, knowing that in such case, they would soon be brought sharply to account by their victims.

It is an outrage to the community that the reputation of respectable citizens should be at the mercy of a gang of hoodlums. In the interests of public morality, an agent should be appointed to look after the building, so that it is securely locked except for a short interval before the arrival of trains, while all persons not there in lawful business should be warned off the premises.

Yours truly,

RESIDENT.

EDITORIAL NOTES.
The adverse rate of exchange has practically stopped the export of meats overseas and in consequence the prices in the Chicago markets have declined to nearly pre-war standards. We notice no reduction in beef prices here though. What about it?

TENDERS.
Tenders will be received by the undersigned up to and including the 15th day of April for the erection of a store for the United Farmer Co-Operative Co. at River Charles.

Plans and specifications may be seen by applying to the undersigned. Building to be completed and ready for use by July 1st.

Lowest or any tender not necessarily accepted.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, Danderine. Just one application—Danderine—the beauty of your hair, besides immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scourge robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots furnish, loosen and die; the hair falls out fast. Surely get a small bottle of Danderine from any drug store and just try it.

WHY IS IT

that chronic skin-diseases which have defied all other treatments yield to Zam-Buk?

It is because Zam-Buk is germicidal, and also has such power of penetration that it reaches disease in the underlying tissues and cures from the "root" up. That is the only way a permanent cure can be effected.

Mr. H. C. Buckley of 461 B. Broadway, Portland, Oregon, says: "For chronic skin diseases there is nothing like Zam-Buk. For fifteen years I had eczema, and I tried an endless number of so-called 'eczema cures,' but nothing was capable of curing me permanently until I used Zam-Buk. Ten months' use of Zam-Buk has effected a complete cure."

For ulcers, abscesses, boils, ringworm, blood-poisoning, piles, burns, scalds and cuts, Zam-Buk is equally good. All dealers or Zam-Buk Co., Toronto. 50c. box, 3 for \$1.25.

Nearly Insane From Leg Ulcers

She tells of suffering and brief story of her cure.

Read these two letters from Sarah D. Law, of 108 E. Main St., St. John, N. B.: "I can't sleep at night from leg ulcers. I am in pain most of the time. I have noticed that D. D. D. cured her of a bad case of eczema. That her cure are all healed. Can you help me?"

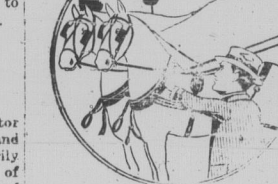

Now a few words from a later letter. "I have used D. D. D. as directed, and my leg is completely healed. I am now able to sleep at night. Why not be convinced and try this remedy for any form of skin disease. One application and the itch is gone. You may not see the effect until the first bottle. Try D. D. D. 50c. bottle.

DALHOUSIE.

Dalhousie, March 30.—After a very severe winter and trade upset by impassable roads during Feb. and March, the citizens of the shiretown welcome the lovely spring weather that we have enjoyed lately. Already some of our progressive citizens have started painting their buildings, which is a hopeful sign that about what is to follow as the season advances.

Mr. Wm. Matthews of Calgary, has obtained a lease of the store formerly occupied by Ex Alderman E. R. Guiguere, and in April will open an up-to-date meat market. He has had several years of experience in the meat business in the west. He is a brother of Mrs. S. L. T. Clifford of Dalhousie.

Alex. Methot, a returned soldier, will conduct a restaurant in the Bateman store on W.

The Clifford Pharmacy is being improved and when finished will be one of the finest places of its kind on the North Shore.

Miss Annie Kerr, who for years gave faithful service as a stenographer in the office of the Sydney Lumbar Co. of Dalhousie, and who is to be one of the participants in an important social event soon, was given a shower by her friends on Thursday evening, at the home of her sister, Mrs. James Wallace. She was the recipient of many beautiful gifts.

Those present were: Mrs. Coleman, Mrs. Mitchell, Mrs. A. G. McKenzie, Mrs. Clifford, Mrs. Simpson, Mrs. Chas. Kerr, Mrs. H. H. McNeill, Mrs. Caleb McNeill, Mrs. Wilfred J. Brown, Mrs. Tomlinson, Mrs. McLean, Mrs. A. McMillan, Mrs. Fred. Pallen, Mrs. A. J. LeBlanc, Mrs. Alex. Wallace, Mrs. Louis J. LeBlanc, Mrs. Bernice Delaney, Mrs. James Wall (Campbellton), Mrs. Andrew Dasher, Misses Annie Cameron, Jessie Delaney, Nan Daley, Margaret Mehan, Jean Jamieson, Eva Barberie, Annie Pallet, Greta Jamieson, Mable McNeill, Annie McNeill, Violet McKay, Elva Henson, Blanche Mosier, Geraldine Sheehan, Margaret Sheehan, Gertrude Barberie, Elsie McEvoy, Mattie Cook.

The Ladies Aid in connection with St. John's Presbyterian church of Dalhousie will hold their Easter Sale of Aprons, Caps, House Cooking, Home Candy, etc., on Saturday evening at seven o'clock, April 3rd, in the Basement Hall of the church.

The St. John the Baptist Dramatic Club are hard at work and intend to stage the "Fate O'Dreams" on Easter Monday, in the Convent Hall. It is a four act drama, which scored tremendous hits in New York, and the Russell Theatre, Ottawa. We are all very anxious for Easter Monday, April 5th. We feel sure, judging from the cast of characters, that the "Fate O'Dreams" will go down as a splendid amateur dramatic success, and that there is a great treat in store for all who shall have the pleasure of attending the 3 o'clock matinee or the evening performance.

The Dalhousie Athletic Club will give a dance in aid of the G.W.V.A. Friday evening, April 9th, in their Club Rooms. The Dalhousie Orchestra will be in attendance. Gentlemen \$1.00, ladies 50 cents.

A committee of ladies belonging to the R. C. congregation at Eel River Crossing, will hold a sale of fancy articles and refreshments on Monday evening, April 5th, in the Forester's Hall, at Eel River. The proceeds will go towards finishing the interior of their church.
