Dave Clements in his statement said: "I'd like to say I ran in an election against two gentlemen. I congratulate Tom and would like to feel I have gained an experience."

LIBERALS HEAD MODEL PARLIAMENT

UNB has just elected its first Liberal government in the history of the Model Parliament; in the closest election ever staged on this campus. The Liberals, with 322 votes out of a total number of 922 cast, won control of the government side of the House with an 11 point margin over the Progressive Conservatives' 311. Each of the two parties will be allotted 18 seats and the Christian Atheist Party, which received 289 votes, will get 16 of the 52 seats available in the House of Commons. Charles Hubbard, president of the Liberal Club, will act as Prime Minister and form the Cabinet. The Liberals will also write the Speech from the Throne, on which debate will centre Friday evening, March 9. Since students this year were able to cast their ballots at any of the 7 poll stations, we are not able to give a faculty by faculty account of the results.

The close race leaves many interesting questions to be answered during the actual sittings. As

in past years there is a definite danger of a C.A.-P.C. coalition in a vote of non-confidence which would force the Liberals out of the Model Parliament entirely.

There seemed to be some question earlier as to whether or not the Legislative Assembly would be made available for the use of the student parliamentarians. It now seems definite that Premier Robichaud will have no objection to the new government.

Now facing the parties is the big task of choosing their loudest and most effective speakers to represent them next weekend. Also facing them is the problem of drawing up a bill to present to the House on March 9 and 10.

This year's election was noticeably quieter than last year's with no ballot boxes being stolen or tampered with. However, party leaders have expressed concern over the small number of voters, approximately 46% of the student body, which is considerably less than the 1961 turnout.

LECTURES CANCELLED

Plan to attend UNB's Founders' Day ceremonies on Wednesday, March 8th. Lectures will be cancelled from 4:30-5:30 for a panel discussion. The Founders' Day address will be given by Dr. Underhill at 8:00 p. m. in Mem. Hall.

Devils Trip Tommies In NB-PEI Title Encounter

by Jim Doleman

On Tuesday night in a last ditch effort for the NB-PEI hockey crown the UNB Red Devils ousted the St. Thomas Tommies by a 4-2 score. This gave UNB a one goal edge in the two-game total-goal series after losing the first game to the Tommies 4-3 in Chatham last Saturday night.

Superb goaltending by Dave Inch spelled the difference for the Red Devils giving them the right to advance to the Maritime Intercollegiate finals on Saturday for the second time in three years. The St. Thomas six thwarted UNB's chances to reach the finals last year in a similar play-off.

In his second appearance following a three-week layoff due to an eye injury Inch came up with several key stops to throttle Tommie marksmen Bernie Keating and John Lordon and save the day for the Devils. Though Inch had only 22 shots to handle as compared with 32 for Keith Raymond in the STU net he rose to great heights in the first part of the third period when the Devils had trouble getting out of their own end.

'Pooch' Clark gained his first hat-trick of the year to up his goal output to 18. Bill MacGillivary copped his 16th of the season as Graham Farquharson fed him a pass from behind the St. Thomas net. Bill took it in full stride with a Tommie defender draped over his back and beat Raymond with a 12-footer on the short side. Keating and Lordon, who were offensive threats all evening for STU, fired singletons.

The Devils were never behind in the game although displaying brief defensive lapses. Clark broke the scoreless battle at 7:55 of the second period when he scored from a goal-mouth scramble. Lordon of the Tommies and MacGillivary of the Devils added second period markers to leave the series tied at that point.

Starry Ed Hospodar of STU set up Keating early in the third period to tie the game at 2-2 and put the Tommies one up in total goals.

The Devils got the break of the game at 13:48 of the third stanza when a Tommie defenseman in clearing the puck bounced the disc in off Raymond's skate to square the series at 6-6.

The last and winning tally came at 16:38 when Norm Bolitho and Frank Barteaux set up

The Devils travel to St. F. X. this Saturday where they meet the X-men in the first of a best of three Maritime Intercollegiate final series. The second, and third (if necessary) games will be played at the LB Rink next Friday and Saturday evenings.

Coach Kelly commented: "All the players dug in. We got a good break on our third goal." Of the Tommies attempt to rejuvenate their third period attack through the use of oxygen Kelly added: "As far as I'm concerned oxygen gives no real advantage. The air we breathe in the LB Rink is pure enough. The 'lift' is more psychological than anything else."

Of the coming encounters, captain MacGillivary said: "I'm quite confident as far as 'X' is concerned. They'll have to stick more to hockey this time."

This win over St. Thomas raised the Devils home winning streak to 11 games, during which they have outscored opposition by a comfortable 73-36 margin.

However, the UNB squad has only managed two victories on the road in posting a 13-4 record to date.
