INCORPORATION.

This Agency was incorporated on the 22nd of April, 1896, under the Great Seal of the Province of Ontario, with the Capital Stock of \$80,000.00 as above set forth, and shortly after the incorporation the above amount of \$43,000.00 was subscribed, and the sum of \$21,500.00 paid up.

OBJECTS.

The Agency was incorporated for the following purposes: (a) To transact the business of a Mercantile Agency; (b) To collect and furnish INFORMATION to wholesale merchants, manufacturers, and others, as to the financial standing of their customers; (c) To COLLECT interests, rents, dividends, mortgages, debentures, and other obligations of indebtedness; (d) To act as ASSIGNEES for insolvent debtors, firms, merchants, traders and corporations, and for the winding up of insolvent debtors' estates and to act as LIQUIDATORS in same; (e) To act as Managing Agent of estates and properties.

The Head Office of the Agency is in the City of Toronto in the Province of Ontario. Immediately after the charter was granted, the Agency went into operation in only one room, but in a very short time were forced to add a second, and on the 1st of January, 1897, the business having so increased, they moved into the large and beautiful suite of offices now occupied by them, being one of the finest suites of offices in the Dominion of Canada, cuts of which appear upon subsequent pages.

SUCCESS.

The Agency secured during the year of 1896 nearly one thousand Subscribers, and in 1897 this number was largely increased, and in 1898 still a larger increase. As a matter of fact, the business of 1898 was nearly double that of 1897. The business of the said Agency in 1898 so increased that the management decided that branch agencies were necessary, and the first one to be established was in the City of Hamilton, and then followed in close succession one in London, and it is the object and purpose of the Agency to establish branch agencies in all the Cities of the Dominion as soon as the requirements of the Agency demand it. It is anticipated that in the early part of 1899 branches will be established at Kingston, Montreal and Quebec, and shortly afterwards at St. Johns, N.B., and Halifax, N.S.

SPECIAL FEATURES.

The objects of the Agency are set out as above, but the special features and objects are:—

To furnish information for the guidance and protection of the wholesale merchants and manufacturers, and to furnish information as to the financial standing, credit, character, and responsibility of any merchant, firm, or other persons, and to assist our Subscribers in determining quickly and readily as to whether any merchant, firm, or other persons, with whom they purpose doing business is or are worthy of credit, and the length of time credit should be given (if any).

COLLECTIONS.

We have special facilities for making collections not only in the Dominion of Canada and the United States, but throughout the world. Our Solicitors and Collectors are all under special contract, and are secured from and admitted to be the best collectors in the different districts in which they reside, it being our object to secure only the best.

Our rates and terms will be found upon page 12, and are fair and reasonable, and we believe will meet with your approval. Also see mention of our "Draft system" at pages 10 and 12.

NECESSITY.

This Agency feels satisfied that the wholesale merchants and manufacturers are in need of such an Agency, and we are prepared to give them the assistance they require, and such assistance we feel we can give them by reason of the connections that we have made with our Associate Correspondents.

RECOMMENDATION.

The Agency has selected and secured the names of most reliable and trustworthy Correspondents in every place of any commercial importance in the Dominion of Canada, and in the principal cities of the United States and Europe, and can recommend to their Subscribers the names of the Correspondents contained in this Directory with all confidence that any matters entrusted to them will receive careful and prompt attention.

INFORMATION.

The Correspondents' services have been secured for the guidance, benefit and protection of the Subscribers, and being under special contract with this Agency, are prepared at all times to give our Subscribers all or any information within their knowledge, upon the terms and conditions hereinafter set forth.

SELECTION.

Our Correspondents have been selected with special care and at great expense by a system of our own, and with the object of giving the best protection and the latest and most reliable information to our Subscribers.

RATINGS.

The wholesale merchants and manufacturers have considered it almost an absolute essential to have a "book of ratings," or a book containing the names of the retail merchants with their financial standing. This book of ratings is issued every six months or so, but before the six months expires, the retailer may have failed or his financial position so changed that it would be absolutely unsafe to make any sales to him yet his rating remains the same. We do not for one moment desire to have the public think we are trying to run down, or in any way find fault with, any of these rating books, but what we claim is that the "Mercantile Law and Bank Directory" will give you better and surer results for less money, and will very materially assist our Subscribers in determining IMMEDIATELY whether a retailer is a safe person to do business with. The information is secured upon the spot, and from a most reliable and trustworthy source, and from one who has no object to make any statements but what are to the best interests of our Subscribers and the Agency.

YEARLY ISSUE.

This Agency will issue every year a new and revised list of Correspondents for the benefit and protection of our Subscribers, and as a matter of fact this Agency will issue amended lists

during the year, whenever it is found necessary, so that our Subscribers will know of any change, amendment or improvement in the list.

AMENDED ISSUES.

Each Subscriber will be delivered two copies of the yearly issue, and copies of each additional, supplementary or amended issue during the term of his subscription.

BANKS,

We also furnish you with a list of the chartered and private banks doing business throughout the Dominion of Canada, and this, we feel, will be of special interest and value to our Subscribers.

LAWS.

We also have, with a great deal of care and at heavy expense, collected the commercial and bank laws of the different Provinces, and same will be found immediately after the list of Correspondents for each Province. This also, our Subscribers will find, will be of great benefit and assistance to them.

CERTIFICATE.

The Agency issues a certificate under the seal of the Agency, signed by the proper officer, and no certificate except issued and signed as above shall be authorized by or binding upon this Agency, and none are genuine except with the seal of the Agency. Be careful that your certificate is under the corporate seal.

CONTRACTS.

The following is an extract from the contract we have with our Correspondents:—

At the request of this Agency, or any of its Subscribers, either upon presentation of our certificate or upon application made in writing upon the blank forms furnished by the Agency, the Correspondents will furnish information as to the financial standing, credit, and responsibility of any merchant, firm or other persons, in the locality in which the Correspondent resides, and will give such information as will assist our Subscribers in determining as to whether any merchant, firm or other persons, is, or are, worthy of credit, and is, or are, suitable person or persons or firms to sell goods to upon credit.

COMPLAINTS.

The Agency requests its Subscribers and Correspondents to report to the Head Office the name of any Correspondent, Solicitor or Officer of the Agency who does not give prompt and careful attention to any enquiries or work entrusted to him, as

the Agency is desirous of having on its list only such correspondents, solicitors or officers as are attentive to and have the interests of the Subscribers and the Agency at heart. Every complaint received shall have prompt and careful attention, and we can assure you any neglect, carelessness or inattention to the best interests of our Subscribers will be dealt with most strictly.

CONFIDENTIAL.

Any information furnished by any of the said Correspondents, Agents, or this Agency, shall be given in strict confidence, and for the sole and only use of our Subscribers to whom the information is given, and same shall be for his own business dealings only, and not to be divulged or disclosed to anyone else.

RESPONSIBILITY.

This Agency is not responsible in any way for any information so given, it being clearly understood that the Correspondent or Agent giving the information, is the Agent of the Subscriber and not of this Agency, and this Agency does not in any way become responsible for the information furnished or supplied by the Correspondent.

TO OUR CORRESPONDENTS AND SOLICITORS.

We ask them to give their best attention to any requests or work that may be required of them or entrusted to them, and if our Directory is lost or mislaid, drop us a card and we will at once send another.

CHANGES.

If there are any names upon the list that you would suggest should be changed we would be very glad to hear from you, or if there are any places in which you may require any services, and there is no Correspondent on our list for that place, we would be pleased to have a recommendation from you, and will at once take steps to have the vacancy filled.

EXPIRY AND ENQUIRY.

Always be careful to note the expiry of any Subscriber's contract, and also note that any information furnished, is furnished to the proper parties entitled thereto, either by production of our certificate or enquiry made upon our copyrighted blank forms. We desire to do business only with reliable and trustworthy Solicitors, and would ask your hearty co-operation in this matter, and to weed out the names (if any) that are not desirable on our list.

NEGLECT.

We would be pleased to hear from you at any time, and if you find any neglect or discourtesy on the part of any other Solicitor, advise us at once and we will look into the matter. Our object is to make this branch of mutual benefit and interest to you, our Subscribers and ourselves.

" DRAFT SYSTEM."

In addition to our ordinary methods for the collection of accounts, we have instituted the "*Standard Draft System*" for the *quick collection* of *current* accounts at a very low rate. We ask you to give it a trial. It will cost you nothing, as we make no charge unless collection made, and we furnish the "Standard Drafts" free.

For instructions and rates see page 12.

TELEGRAPHIC CODE.

We have gone to a great deal of trouble to perfect our telegraphic code, and we strongly urge and recommend our Subscribers to use same, as by so doing a *very great saving* in expense will be secured, and you can send a long message, or in other words, a letter of instructions for a few cents. Give it a trial. See index under Telegraphic Code. Use it with your traveller and thereby save more than your Subscription fee.

COMMERCIAL LAWS.

The following is a compendium of the Commercial Laws of this Province. If any further and more complete information is desired, the Agency will be pleased to furnish same free to its Subscribers, on application to the Head Office, as the Agency has secured the services of Solicitors for that purpose.

LAWS OF MANITOBA.

Assignments.—(See Insolvent laws).

Attachments.—An order for attachment may be obtained in case of a resident debtor who departs with intent to defraud his creditors, or those having just cause of action against him, or to avoid being arrested or served with process, or who keeps himself concealed in the province with a like intent, or in case of a non-resident debtor when he is legally liable to a resident creditor on a contract or obligation to be performed in the province, or liable to be compensated for in damages; or when a debtor, whether a resident or non-resident, is about to transfer or remove any of his property from the province, or has already done so, with intent to delay or defraud his creditors, or those having just cause of action against him.

Bills of Sale and Chattel Mortgages.—Sales and mortgages of personal property not accompanied by an immediate delivery, and followed by an actual and continued change of possession, are absolutely void as against creditors and subsequent purchasers in good faith for value without

actual notice, unless bill of sale or mortgage be filed with clerk of the County Court in the judicial division where the goods and chattels are situated, with proper affidavits of execution and bona fides. Mortgages must be renewed within thirty days preceeding the expiration of two years.

Commercial Travellers require no licenses.

Distress.—The mortgagee can only distrain mortgagor's goods. A landlord can only distrain as against a tenant for three months arrears if rent is payable quarterly or more frequently, or for one year's arrears when rent is payable less frequently than quarterly.

Executions.—No execution against lands. Certificates of judgments can be obtained and registered. Writs of execution against goods can be issued after judgment, binding the goods as soon as placed in the sheriff's hands. No priority in respect of writs. The sheriff gives notice of having made the money in the Gazette, and after three months proceeds to distribute ratably amongst those having executions in his hands.

Exemptions.—(a) Household effects, clothing, books of professional men, certain other books, necessary food for family for thirty days, three horses, mules or oxen, six cows, ten sheep and fowl, and food for eleven months, necessary tools and agricultural implements to the value of \$500.00, 160 acres of land actually in use, seeds and roots for seeding for cultivation of eighty acres, actual residence or home of any person other than a farmer, of \$1,500.00. No contract or bargain whether under seal or otherwise can deprive a man of his right to exemption.

Garnishment.—Money may be garnished on ex parti application upon affidavit that the account is correct and due and owing, and that there is reason to believe that a third party is liable to the defendant, and an order may be made that all debts shall be attached. An order may be issued immediately after the commencement of the Action.

Insolvent Laws.—A debtor can make a voluntary assignment to the trustee for the benefit of his creditors. The majority of creditors can compel a transfer of an assignment to an official assignee.

Interest.—Six per cent. where no special agreement is made.

Limitation of Actions.—Actions must be brought within six years on an open account, promissory note, simple contract, etc. Within ten years, on mortgages, bonds or other documents that are sealed, or within a like time in either case from last payment on account or acknowledgment in writing.

Married Women may hold and enjoy property free from the debts and control of their husbands as fully as if unmarried. There is no dower, but the wife takes the same interest in the land of her deceased husband as if it were her personal property.

Notes and Bills must be duly protested, and notice thereof sent to endorser to hold him liable.

Replevin may be issued upon an affidavit showing to the satisfaction of the court or judge the fact of a wrongful taking or detention of property, and that the person claiming is the owner thereof, or where it is shown that the property has been wrongfully taken under color of distress, etc.

COMMERCIAL LAWS.

The following is a compendium of the Commercial Laws of this Province. If any further and more complete information is desired, the Agency will be pleased to furnish same free to its Subscribers, on application to the Head Office, as the Agency has secured the services of Solicitors for that purpose.

LAWS OF NEWFOUNDLAND.

Arrests.—No *capias* or writ of arrest can issue without an order from the judge, and in no case for debt or damage less than \$50.00. Creditor must pay a certain amount per day to sheriff for maintenance of debtor.

Attachments.—Writ of attachment may issue out of the Supreme Court upon affidavit by the plaintiff or someone on his behalf, showing that defendant is indebted in the sum of \$20.00 or upwards, and in case of unliquidated damages upon affidavit where sufficient cause is shown.

Commercial Travellers.—There is no tax on a commercial traveller, and no restriction upon their doing business.

Divorce.—There is no provision for granting a divorce. The magistrates have a limited jurisdiction to compel husbands to support and provide for their wives and families.

Dower.—There is no provision in respect to this.

Executions may issue upon any judgment under which warrants may be placed in the hands of any party having the custody or control of any monies, goods, debts or effects of the defendant or plaintiff as the case may be. Remains in force for one year, but may be renewed before the expiration of the year.

Exemptions from attachment, execution, distress for rent and from operation of insolvency laws are, working tools and implements of trade, fishing skiff or punt, necessary cooking apparatus, bedding and wearing apparel of the debtor and his family.

Garnishment.—Inferior Courts have no power to garnishee debts before judgment. After judgment in the District and Sessions Court debts may be attached to answer the judgments.

Insolvency Laws.—Proceedings by petition may be taken to declare party insolvent. Assignments by the insolvent with a view to give an undue preference to any creditor are in certain circumstances null and void. Large powers of inquiry as to property of insolvent, and punishment for fraudulent concealment of property, and of other improper acts, are given by statute to the court or judge. There are several ranks of privileged creditors created by statute. Provision is made for giving effect to arrangements and compositions entered into between the insolvent and a certain proportion of his creditors. The insolvent may obtain a certificate of discharge either by consent of a majority in number and value of his creditors, or if such consent is unreasonably refused, by hearing before the Supreme Court.

Interest.—Legal rate of interest is 6%. but any amount may be charged by agreement made between parties.

Married Women can acquire, hold or dispose of all kinds of property, and are capable of entering into contracts, and may sue and be sued as if unmarried.

Notes and Bills of Exchange.—The English Bills of Exchange Act has been enacted here, and is the law. It covers the whole law relating to bills and notes, and is too extensive to be quoted at length. Foreign bills must be protested for dishonor, but inland bills of exchange and promissory notes need not be protested. Three days of grace are allowed.

Replevin.—When any goods or chattels have been unlawfully taken or distrained, an action of replevin will lie.

Statute of Frauds.—The Statute of Frauds as in England is in existence.

Taxes.—There is no direct taxation upon property with the exception of municipal taxes, upon real estate in St. John's, Harbor Grace and Carbonear. The revenue of the colony is raised by indirect taxation through the Custom House.

Warehouse Receipts may be acquired and held by any bank doing business in Newfoundland as collateral security for a debt. If the debt, for which receipt is taken, is not paid at maturity the bank may sell the goods at public auction, by giving ten days notice and advertising.

COMMERCIAL LAWS.

The following is a compendium of the Commercial Laws of this Province. If any further and more complete information is desired, the Agency will be pleased to furnish same free to its Subscribers, on application to the Head Office, as the Agency has secured the services of Solicitors for that purpose.

LAWS OF ONTARIO.

Arrest may be had in civil proceedings if party about to leave the Province with intent to defraud, and the debt or damages must amount to \$100.00 or upwards.

Assignments.—A debtor can make an assignment to the Sheriff of the County, or to any other individual, with the consent of the majority of his creditors. Assignment cuts out all attachments, judgments and executions.

Attachments.—An absconding debtor's goods (not exempt from seizure by law), may be seized, upon affidavit that there

is good reason to believe, and plaintiff does verily believe, that he is about to depart from Ontario with intent to defraud his creditors, or to avoid being arrested or served with process, that he has real or personal property liable to seizure, and this must be supported by affidavit of two other credible witnesses.

Bills of Sale.—Transfers of chattels not accompanied by an immediate delivery and change of possession must be registered within five days from execution, with proper affidavits. If not registered it is invalid as against third parties.

Chattel Mortgages must be under seal and registered within five days after execution, together with proper affidavits, unless there be an immediate delivery of the goods and a complete change of possession. The mortgage must be renewed each year by filing a declaration showing amount then due, and must be filed within thirty days preceding the termination of the year.

Commercial Travellers require no licenses.

Divorce.—There is no Divorce Court in the province. Application for same must be made to the Senate, and is granted on the ground of adultery alone.

Dower.—Widow is entitled to dower in all lands. She is also entitled in certain cases to elect to take in lieu of dower, a share in the husband's estate.

Executions may be obtained immediately on judgment, binding the goods and lands only from time of delivery to the sheriff. The goods of the debtor have to be exhausted before the lands can be sold. Lands cannot be sold until after one year from the delivery of the writ to the sheriff. The property of a debtor which cannot be reached under common law writ may be reached by the appointment of a receiver by way of equitable execution. Under the Creditors Relief Act the sheriff distributes the proceeds ratably, provided claims are established pursuant to the provision of the Act within one month after date of the levy by the sheriff.

Exemptions.—Household goods and chattels are exempt from seizure, wearing apparel and certain articles of furniture as set out in R. S. O., not exceeding in value \$150, necessary fuel and food for family for thirty days, not exceeding in value \$40.00, one cow, six sheep, four hogs and twelve hens, not exceeding value of \$75.00, and food for thirty days, tools and implements for debtor in his ordinary use.

Garnishment.—In Division Court, claims may be garnished before judgment, in the Higher Courts, upon affidavit, after judgment, showing garnishee is indebted to the judgment debtor. All amounts may be attached except in cases

of the wages of mechanics and workmen who are entitled to exemption of \$25.00, and only any amount over \$25.00 is attachable.

Interest.—Legal rate is 6% in absence of any special contract.

Limitation of Actions.—On all contracts not under seal, six years, judgments and contracts under seal, twenty years.

Married Women.—The law is in such an unsettled state in reference to this matter that it is difficult to put it in this issue, but it can be stated that she may now enter into any contract, carry on any business in her own name, independent of her husband. The husband is liable for debts contracted by his wife for necessaries.

Notes and Bills.—All notes and bills have three days of grace except those payable on demand. Notice of dishonor is necessary to hold endorser.

Replevin.—Whenever any goods have been wrongfully distrained, taken or detained, they can be replevied upon getting an order from the Judge on affidavit.

Statute of Frauds.—Interest in lands can be created only by writing, except leases not exceeding three years. No action can be brought to charge an executor or defendant to answer for the debt, default or miscarriage of another unless something in writing. No contract for sale of goods worth \$40.00 or upwards good unless in writing, except there be partial delivery or part payment.

Wills must be made in writing, witnessed by two subscribing witnesses, who must all sign in the presence of each other.

COMMERCIAL LAWS.

The following is a compendium of the Commercial Laws of this Province. If any further and more complete information is desired, the Agency will be pleased to furnish same free to its Subscribers on application to the Head Office, as the Agency has secured the services of Solicitors for that purpose.

LAWS OF PRINCE EDWARD ISLAND.

Arrest.—Imprisonment for debt is abolished, except for the following:—penalties, taxes, damages for trespass, crim. con. or seduction, libel or slander, and breach of promise of marriage, and may be obtained upon affidavit that he has made away with his property, or is about to quit the province with intent to defeat his creditors.

Assignments.—Conditional assignments not passing the possession must be registered as chattel mortgages, general assignments for the benefit of creditors are allowed, but may be set aside if fraudulent. Preferences are valid.

Attachments.—An order for attachment for debt due defendant may be obtained either before or after judgment, on affidavit of the facts.

Bankruptcy.—There is no law. Parties failing to meet their liabilities either compromise by private arrangement or make a general assignment, conditional that creditors who do not sign the release shall be excluded from its benefits.

Chattel Mortgages must be filed with the Prothonotary of the county. Bills of sale are void as against third parties, unless immediate possession. Mortgages are void as against creditors and subsequent purchasers for value, unless properly registered.

Commercial Travellers must pay an annual license fee of \$15.00, and are liable to arrest as well as to a penalty of \$200.00, doing business without a license, and in the case of an action to recover price of goods sold by a traveller without a license, if the defendant raises this defence he may escape payment.

Divorce is almost unknown. The Divorce Court was provided for some years ago, but no case has ever arisen.

Dower.—Widow is entitled to a life estate in one-third of her husband's freehold lands, unless dower is barred. A married woman must join in all conveyances with her husband, and release her dower in order to give a clear title. She must acknowledge the deed apart from her husband before a justice of peace or notary public, who will certify to that effect.

Executions may be issued ten days after verdict, good for one year, may be renewed from time to time, binds goods from delivery to the sheriff. Real estate is bound by entering judgment in Supreme Court, and can be sold under special execution, six months notice of sale being advertised by sheriff. County Court judgments do not affect land.

Garnishments.—An order may be obtained either before or after judgment, on affidavit disclosing amount of debt, and that there is money due and owing. Wages may be garnished, but one-half the personal wages of laborers, past due notes and contingent debts, and monies due from the Crown or Government are exempt. Justices of the peace have no jurisdiction for debts except in special cases referred to them, they try cases of petty misdemeanour, breach of the peace, and a preliminary hearing in criminal cases is sometimes taken before them.

Limitation of Actions.—On all contracts not under seal, six years, judgments and contracts under seal, twenty years.

Married Women.—Are able to acquire, hold and dispose of real or personal property in their own right, and to enter into contracts, and to sue and be sued with respect to their separate property as if “feme-sole.”

Notes and Bills.—Three days of grace are allowed.

Replevin.—Action of replevin may be maintained for goods wrongfully distrained, or otherwise taken or detained upon affidavit of the facts, and stating value.

Statute of Fraud.—Interest in lands can be created by writing only, except leases not exceeding three years. No action can be brought to charge an executor or defendant to answer for the debt, default or miscarriage of another, unless something in writing. No contract for sale of goods worth \$40.00 or upwards good unless in writing, except there be partial delivery or part payment.

COMMERCIAL LAWS.

The following is a compendium of the Commercial Laws of this Province. If any further and more complete information is desired, the Agency will be pleased to furnish same free to its Subscribers on application to the Head Office, as the Agency has secured the services of Solicitors for that purpose.

LAWS OF QUEBEC.

Arrests in Civil Actions.—A debtor can for the amount of \$40.00 or over, be arrested on a writ of *caapias* that he is secreting his property, or is absconding with intent to de-

fraud his creditors. Debtors who are notoriously insolvent and who refuse to assign may also be arrested.

Assignments.—Any unsecured creditor for the sum of \$200.00 or over, may make demand of assignment, an assignment of all his property is thereupon made for general benefit of creditors at the office of the Prothonotary of the Superior Court. The creditor so demanding is appointed judicial guardian, of which notice is given in the papers, as well as by sending a registered notice, and a meeting of creditors is called and the estate is ordered to be wound up under the advice of inspectors.

Attachments.—An attachment before judgment may be issued upon affidavit, somewhat similar to the one required for *capias*, except that it may be for the sum of \$5.00 and upwards. Attachments in revendication may be issued to secure property claimed by the plaintiff, and illegally detained by the defendant, and the defendant must either give up possession or give security. Conservatory seizures may be made of goods in transit, which have not reached defendant's possession, or even after, if they be intact and have not been sold on credit, and are within thirty days of the time of his insolvency.

Bills of Lading are titles to the property, and entitle the holder to the possession. They may be pledged as collateral security.

Bills of Sale will not avail against third parties, or against seizing creditors, provided the goods be not actually transferred or there is no warehouse receipt.

Bills and Notes are governed by the Dominion Act, and three days of grace are allowed. Must be protested to hold endorser.

Chattel Mortgages.—Do not exist.

Commercial Travellers.—No taxes or licenses required.

Divorce.—There is no law, but same may be granted by the Senate of Canada. Separation as to bed and board may be had on the usual grounds.

Dower.—Wife is entitled to enjoyment for herself and the guardianship of her children, of one-half of the immovable property possessed by her husband at the time of her marriage. Immovable property acquired subsequent to the marriage is the property of the community, and may be transferred by the husband. The movable property of both as well as the immovable acquired by them subsequent to their marriage form one mass, of which the wife is absolute owner of one-half. Immovable possessed by the wife are separate and not subject to dower in favor of the husband. She cannot alienate her own property without the husband's author-

ity, but there is generally a marriage settlement made before marriage.

Exemption.—Bed, bedding and household goods in use by the family to the extent of \$50.00, sewing machine, fuel and food for three months, span of horses, one cow, two pigs, four sheep, plow, harrow, cart, etc., books relating to the profession, art and trade of the debtor to the value of \$200.00, tools and implements in ordinary use to the value of \$200.00.

Execution can issue five days after final judgment. Movable property must be first disposed of. No execution less than \$40.00 can bind the lands.

Garnishments.—Following are exempt from garnishment: Pay and pensions of persons belonging to the army; salaries of public officers, save as respects public officers and employees of this Province. The portions of these salaries liable to seizure shall be (a) one-fifth of every monthly salary not exceeding one thousand dollars per annum, (b) one-fourth of every monthly salary exceeding one thousand dollars, but not exceeding two thousand dollars per annum, (c) one-third of every salary exceeding four thousand dollars per annum. City or town clerks are exempt for the same proportion. All salaries and wages of clerks, employees and workmen are exempt to the amount of four-fifths, when they do not exceed three dollars per day, three-fourths when they exceed three dollars per day but do not exceed six dollars, and two-thirds when they exceed six dollars per day.

Interest.—Rate of interest is 6%, unless otherwise agreed upon.

Licenses are paid to the province and to the city for most kinds of business for which a license is necessary. These are fixed by special laws and vary according to the class of business carried on.

Statute of Fraud.—Interest in lands can be created by writing only, except leases not exceeding three years. No action can be brought to charge an executor or defendant to answer for the debt, default or miscarriage of another, unless something in writing. No contract for sale of goods worth \$40.00 or upwards good unless in writing, except there be partial delivery or part payment.

Tax Laws.—A business tax of seven and a-half per cent. on the assessed rental is payable to the governor of the province. Joint stock companies pay a tax in proportion to the amount of their capital and number of branches doing business.

**The Merchant and General Storekeeper** is the one journal in Canada representing all classes of merchants; and having departments for the different branches of trade it is preferred by, and has the largest circulation among, dealers in more than one line of goods. Therefore, all advertisers wishing to talk direct to business men use its pages. Remember “**THE MERCHANT**” has no waste circulation. Every reader is a probable customer, the link between maker, seller and buyer. It is in its 15th Year of Publication, and its patrons are its best references.

## THE STANDARD MERCANTILE AGENCY.

### What It Is Doing.

**UP TO** the present time the Merchants have been educated by the "old line" Mercantile Agencies to rely upon their books of rating and their office reports, which are often months and sometimes years old.

**WE BELIEVE** the progressive Merchants are tiring of these old reports and are seeking something more reliable and "up-to-date," and they are also desirous of securing some method by which they can reduce their losses to a minimum.

**OUR METHODS** are intended to facilitate our Subscribers in getting speedy, reliable, and up-to-date information concerning the financial standing, character, credit, etc., of their customers, or intended customers, at one-half the cost now charged by the "old line" agencies.

**OUR OBJECT** is to furnish the Subscriber with such information, or the material out of which information can be secured, as will assist him in determining with whom to do business, and to what extent, and whether credit should be given or not, and whether an order should be filled or rejected.

**THE INFORMATION** by our system is obtained right on the ground, and from a reliable source, which is known to you and which is the very latest, and is not copied or taken from old reports which have been on the files for months and even years in some cases, but is new and up-to-date.

**ENQUIRIES** can be made upon our copyrighted forms (and you get your report by return of mail) as well as by your traveller right on the ground.

**REPORTS** on lawyers, doctors, local merchants, farmers, mechanics, and in fact all classes of persons, firms or corporations.

**THE TRAVELLERS** will find our system most beneficial and of very great service to them while on the road in determining whether they should take an order or not, or whether it should even be sent in to the House, if taken.

- NO NECESSITY** under our system to get a report of all the Merchants on a traveller's route before he leaves the House, he can get the same as he calls at each town.
- THE SUBSCRIBER** can obtain information by mail, by simply making an enquiry on one of our copyrighted "enquiry blanks," and enclosing a stamped and addressed envelope for the reply.
- WE HAVE** the largest number of Correspondents of any modern Mercantile Agency in Canada, and are continually adding to our list.
- NO LIMIT** or restriction to the number of enquiries you may make, and all forms and blanks are supplied free of charge.
- FINANCIAL** statements can in many cases be obtained direct from the customer himself by using our copyrighted "financial statement" form, concerning the financial standing of the customer, and this could not be secured by you personally without prejudice to your interest.
- TELEGRAPH CODE.** It is the most complete and extensive in the Dominion, and by means of it our Subscribers can send a message to their travellers or correspondents of over one hundred words for twenty-five cents, or "visa versa, and this alone will save the subscription fee many times over.
- BANKS.** We furnish you the most complete list of banks and banking institutions in the Dominion, the same having been carefully compiled, revised and corrected to date.
- COLLECTIONS.** We are the best equipped and largest Collection Agency in Canada, and have every facility for making collections throughout the world, and at lowest rates of any agency in Canada, our motto being "NO COLLECTION, NO CHARGE." Our collections to the end of 1898 amounted to nearly the sum of \$50,000, and this we believe is an unprecedented record in this branch.
- DRAFT SYSTEM.** By our "Standard Draft System" the rates on collections are only 3%, and our Subscribers get the benefit of this.
- SOLICITORS'** department is under the careful and competent management of able Solicitors, who devote their whole time and attention to our work and are prepared to advise through this Agency FREE to Subscribers on any case or statement of facts submitted.
- LAWS.** We supply you with a compendium of the Commercial Laws of each Province as well as of Newfoundland.
- TERMS** will be given on application and our Representatives will be pleased to interview you.
