6. CENTRAL COMMITTEE OF EXAMINERS.

Copy of an Order in Council, approved by His Honour the Lieutenant-Governor, the 24th day of November, A.D. 1876.

The Committee in Council have had under consideration the annexed report of the Honourable the Minister of Education, dated the 20th of November, 1876, respecting the appointment of Mr. G. W. Ross, Public School Inspector for Division No. 1, County of Lambton, and Mr. James Hughes, Public School Inspector for the City of Toronto, as members of the Central Committee of Examiners, and advise that the said report be acted upon.

Certified.  
(Signed) J. G. SCOTT,  
Clerk Executive Council, Ontario.

25th November, 1876.

The undersigned begs respectfully to recommend to His Honour the Lieutenant-Governor in Council, the following:

That the Central Committee of Examiners appointed by the Education Department is now composed of Professor Young, with three High School Inspectors and two Public School Inspectors; that the two last were appointed in order to carry out the recommendation of the late Council of Public Instruction, who thought it expedient that Public School matters would be better represented by the introduction of some Public School Inspectors; that for the first time in July last, the new Regulations respecting Intermediate Examinations in High Schools were tried, and these Intermediate Examinations are prescribed to take place half-yearly; that the number of Candidates at the July Examination was 1676, of whom 234 were successful; that these examinations impose new duties upon the High School Inspectors, and absorb a larger part of their time; that the Collegiate Institutes and High Schools which should be half-yearly inspected by them now number 101; that the inspection of Separate Schools is also placed under them so far as the opportunity permits, but it is desirable that as a general rule, these schools should be inspected by the High School Inspectors, as being altogether removed from any possible conflicting interest; that the undersigned has occasion to confer with the Central Committee on many subjects of a scholastic nature, amongst which are included the examination of text and Library books before being authorized for purchase in connection with the High and Public Schools, and that the number of books which are annually submitted by the booksellers and also by the Depository Branch of the Education Department is very large, and would probably exceed 1000 volumes per annum. The undersigned, on assuming charge of the Department, found that no less than 3000 volumes of such books remained for such examination. That in considering the different suggestions emanating from Teachers' Associations throughout the Province, and the opinions expressed by Trustees and Boards of Education, which would involve certain changes in relation to such matters as text-books, the programme of studies, teachers' certificates and the like, the undersigned would find great advantage in conferring with the Central Committee if the Public School element in it were added to; that additional strength is required to properly conduct the examination for teachers' certificates, and in many subjects, especially those peculiarly relating to the manage-

ment of Public Schools, and the methods and principles of teaching, great assistance could be obtained from examiners so experienced as Public School Inspectors.

In view of these circumstances, the undersigned respectfully recommends that two additional members should be added to the Central Committee, to be chosen from the Public School Inspectors, and that the Committee of Examiners so constituted should be subject to such directions as from time to time may be given by the undersigned, in connection with the performance of such duties as may be assigned to them by the undersigned in reference to the subjects referred to, and the undersigned would respectfully recommend that, in addition to Mr. Glashan and Mr. Tilley, Public School Inspectors, Mr. G. W. Ross, Public School Inspector for Division No. 1, County of Lambton, and Mr. James Hughes, Public School Inspector for the City of Toronto, be also appointed members of the Central Committee of Examiners.

Respectfully submitted.  
(Signed) ADAM CROOKS,  
Minister of Education.

Education Department, Ontario,  
Toronto, 20th November, 1876.

8. MEETINGS OF THE MINISTER OF EDUCATION WITH THE TEACHERS AND TRUSTEES.

The Honourable the Minister of Education attended meetings of the Teachers, Trustees and other friends of Education in most of the Counties of Ontario during the last few months. At these meetings addresses were delivered by the Minister on Educational Topics, followed by a free discussion by those present. Where time permitted, the Minister visited the local institutions. The principal subjects of discussion were High School support, the training of Teachers, and Township Boards. Reports of several of these meetings have already appeared in the Journal. The more recent meetings were held as follows:—27th October at Brantford; 28th at Milton; 3rd November at Paisley; 10th November at Stratford; 17th November at Cobourg; 18th November at Brockville; 24th November at Hamilton; 25th November at Ingersoll. The proceedings of these important meetings will be more fully noticed in the next number, as the law requiring the publication of the approved book lists prevents our having the necessary space at present.

**9. DEPOSITORY BRANCH, EDUCATION DEPARTMENT OF ONTARIO.**

Copy of an Order in Council, approved by His Honour the Lieutenant-Governor, the 24th day of November, A.D. 1876.

Upon the report and recommendation of the Honourable the Minister of Education, dated the 20th November, 1876, the Committee of Council advise that the annexed regulation with respect to the Depository Branch of the Education Department be approved by your Honour.

(Signed) J. G. SCOTT,  
Clerk Executive Council, Ontario.

25th November, 1876.

The undersigned begs respectfully to submit for the consideration of His Honour the Lieutenant-Governor in Council, the following, with respect to the Depository of the Education Department, namely:—

The Consolidated School Act, 37 Vic. cap. 27, sec. 31, sub-section 29, authorized the payment out of any moneys appropriated by the Legislature of one-half the cost of any prize or library books sanctioned by the Council of Public Instruction, for Public Schools, and High Schools, which might be purchased by the Municipal or School Corporation, from any Bookseller or other parties instead of at the Depository.

The Chief Superintendent had been also authorized out of moneys provided by the Legislature to grant aid in the purchase of Prize and Library Books, Maps and apparatus, to an amount equal to that contributed and expended from local sources for the same object, and the Depository had been established through which this was being carried into effect.

The extension by the Act of 1874, of this principle of aid to Prize and Library Books purchased elsewhere, has given rise to the question as to the relative terms on which the Booksellers and the Department should supply these books. The late Chief Superintendent, in July, 1874, prepared a case to submit to the Chief Justice of Ontario for his opinion, in order to determine this question. The points involved were (1) what was to be deemed the "cost" of books procured from Booksellers or other parties, and (2) the proper "cost" of books from the Depository. No opinion was, however, expressed by the Chief Justice.

The Act of 1874 left it optional with Municipal and School Corporations to purchase Prize and Library Books from the Depository or elsewhere; and if this could be done with equal advantages, the effect would be to protect these Corporations in the quality and price of the books, through the competition of the Depository and Bookselling trade, while the Depository being continued would ensure the schools always obtaining these books at fair prices.

Purchasers from the Booksellers are by this Act placed under the supervision of the Department, and there are proper safeguards as to the cost, the edition, and binding of the books. It is in the interest of the Schools that the fullest effect should be given to this provision of the Act, which established mutual competition between the Depository and the Trade.

The Booksellers, however, represent that this effect has been frustrated by the Department: firstly, in requiring too formal a procedure in obtaining payment of the accounts for books supplied through them, and, secondly, in having reduced the price of books in the Depository, so as to represent eighteen cents to the shilling sterling, instead of nineteen or twenty cents, which was formerly the charge.

The undersigned proposes to simplify the routine for payment; and as to the price, the undersigned, upon consideration of all the circumstances, which are fully discussed in the different documents before the undersigned, has come to the conclusion that the cost of books furnished by the Depository nearly represents nineteen cents to the shilling sterling.

The undersigned would therefore respectfully recommend your Honour, in Council, to approve of the annexed regulation herewith submitted to that effect.

Respectfully submitted.

(Signed) ADAM CROOKS,  
Minister of Education.

Education Department, Ontario.  
Toronto, 20th November, 1876.

*Regulation with Respect to the Depository Branch.*

The price of Prize and Library Books purchased by Municipal or School Corporations from the Depository, in respect of which aid is granted out of moneys voted by the Legislature shall be based upon (19) nineteen cents to the one shilling sterling, in respect of all Prize and Library Books placed in stock since the 1st of January, 1876.

**10. TRUSTEE PURCHASES FROM BOOKSELLERS.**

Copy of an Order in Council, approved by His Honour the Lieutenant-Governor, the 20th day of December, A.D. 1876.

Upon the Report of the Honourable the Minister of Education, dated the 16th of December, 1876, the Committee of Council advise that the annexed regulations, respecting purchases of library and prize books from booksellers, be substituted for the requirements under the former regulations of the Council of Public Instruction.

Certified.

(Signed) J. G. SCOTT,  
Clerk Executive Council, Ontario.

23rd December, 1876.

**REGULATIONS RESPECTING PURCHASES OF LIBRARY PRIZE BOOKS FROM BOOKSELLERS—APPROVED BY HIS HONOR THE LIEUTENANT-GOVERNOR IN COUNCIL.**

1. The annexed form of account and guarantee is substituted for that formerly in use.
2. As a general rule one copy only of each book should be supplied to each school, in order that, as far as possible, the information to be found in a variety of books may be widely diffused.
3. The amount of each purchase is not to be under the sum of \$10.
4. The books are to be selected *bona fide* for the purpose of Prizes to the pupils of the school, or for the school library, (as the case may be) and are not to be acquired for, or to be disposed of by any teacher or private person, or for any purpose whatsoever, except as Library or Prize books for the school. Any default, by any school corporation, in this particular, will forfeit its right to the one-half allowance for any book to be purchased in future.

Minister.
