The copy filmed here has been reproduced thanks to the generosity of:

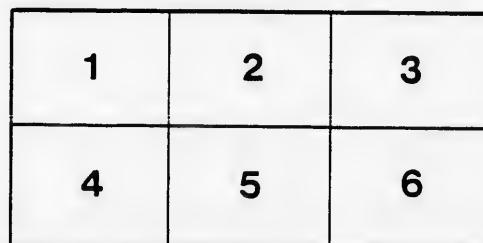

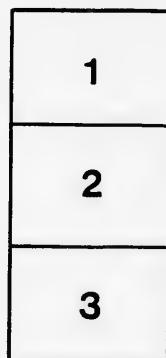

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

**NOTICE TO OUR PATRONS.**—If the individual members of my audience would stop to think for just an instant, they would undoubtedly appreciate the fact that the state of rising from one's seat before the curtain rises, or the curtain falls, is a most annoying one, and one that should be stopped. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Matinee performances will begin at 2:30; curtain rises at 2:35 sharp. Matinee doors open at 1:30; curtain rises at 2:30 sharp.

The plan of the House will be kept at the confectionery parlors of Mr. Hewitt Fysh, King and Richmond Streets, corner of the Opera House building, where all seats may be reserved up till seven o'clock on the evening of performance.

Plan opens for each attraction in two days in advance.

It is strange, but there is a class of people that seem to take an intense delight in be-spattering the floor with tulace juice and in being boisterous and using profane language. These people should know at once that the rights reserved for their immediate expression, should the management see fit to exercise its rights.

A partial list of the attractions that will follow in the course of the season, includes—Under the Lion's Paw; Rhea; Conwell; The Bostonians in Robin Hood; Guy Brothers' Minstrels; Ramsey Morris; Potter of Texas; Maud Granger; Theodore Thomas' Orchestra; Private Secretary; Robert Mantell; C. B. Hanford, in a grand spectacular production of Julius Caesar; Good Old Times; Stowaway; Gus Hills' World of Novelties; Rosina Vokes; Tuxedo; After Dark; Jerry; James O'Neill; Margaret Mather; T. E. Shea; Katharine Roher; Ezra Kendall; Lillian Lewis; Tar and Tartar; and many others of the strongest attractions on the road.

## Between the Acts.

Primrose & West are coming. Garments that always fit—at Burns. The Shot-gum Policy—to know it's loaded. "The Biggest Show on Earth"—at Burns. A fire escape—Insurance. The early bird catches the worm; but he finds it a tremendously long wait till dinner time.

Among the novel features in Primrose & West's Minstrels are Johnston, Riano and Bently in the funniest act ever put before the public—"The Monkey and the Farmer."

A name to conjure with—Herrmann's. Read all the advertisements in this Programme, and you will have a "clinch" on the bargains.

"Judicious advertising is the keystone of success." Everybody will be delighted at seeing Primrose & West again, for they have the best and strongest organization ever put together.

"How do you like my column of 'Comments and Clippings?'" asked the young editor of the old subscriber.

"Oh very well," replied the old subscriber, calmly. "I think you might improve it, though, by putting in fewer comments and more clippings."

Said a thousand-legged worm, as he gave a great squirm, Has any one seen a leg of mine? If it can't be found, I'll have to get around, On only nine hundred and ninety nine.

We call the attention of our business men to the PROGRAMME as an advertising medium. It reaches the class of people whose trade you want, and the way to get that trade is to make yourself known.

A Detroit real-estate dealer advertises very superior hand-painted houses.

Seal skin sacques will never cover multitude of suspenders.

Try the PROGRAMME. When the editor lacks backbone it must make him feel uncomfortable to have people refer to his "want column" A Mighty Left—Sullivan.

### VASELINE.

EVERYBODY knows the great value of this remedy in the household, but everybody does not know all the limitations of it, which some second class dealers have very easily palm off on their customers, have little or nothing. What should be understood by the public is, that it is not a mere question of comparative value between Vaseline and the imitations, but that the imitations do not effect the wonderful healing results of the world renowned "Vaseline," and that they are not the same thing nor made in the same way. Besides this, many of the imitations are harmful, irritant and not safe to use, while true Vaseline is perfectly harmless.

Perfect safety therefore lies in buying only original packages put up by and marked with our name.

To MY PATRONS:—The engagement of Robert Downing, the eminent tragedian, in London will be the event of the season, theatrically speaking. It is seldom that such unqualified endorsement of an attraction can be given in advance as can of this. Mr. Downing is at the head of living tragedians, the acknowledged unrivaled exponent of the great characters of the Roman drama; he has a large company which numbers twenty-one people, and many of his support are well known here as the best in the profession. Mr. Downing carries also a wealth of special scenery and magnificent costumes, all of which are historically accurate, and every attention is paid to the details of the production to make them perfect. No more could be said. Mr. Downing has done a large business this season, and has given satisfaction in every city he has visited. I look for a great engagement in London, and would advise my patrons to make arrangements for attendance early, and not to delay securing seats. Yours truly,

A. E. ROOTE.
