REPORT OF THE COUNCIL  
OF THE  
ONTARIO RIFLE ASSOCIATION  
FOR THE YEAR 1899.

---

The Council has the honor to submit to the members of the Association the 30th Annual Report of its proceedings, for the year ending 30th November, 1899.

ANNUAL PRIZE MEETING.

The Annual Prize Meeting of the Association was held at the Long Branch Rifle Ranges, commencing on Tuesday, the 22nd day of August, and the three following days. The total number of competitors firing on the first day was 226, as compared with 285 in 1898. This shows a decrease in the attendance as compared with former years, and requires consideration to ascertain what steps should be taken to induce a larger attendance to the Annual Prize Meeting, by alteration of the Matches, or by making the programme more attractive. The attendance of tyros in the Canada Company Match showed a marked shrinkage as compared with former years. The most important change in the programme was the introduction of a rapid firing match in the place of the Gilmour, and judging from the number of entries made in this match, the value and object of the competition does not appear to have been understood and appreciated by the riflemen. Another change in the programme was the adding of a second stage to the Corporation of the City of Toronto Match, places in the first 50 being decided by scores at 800 and 900 yards.

The weather conditions during the meeting were not on the whole favorable for good scoring, and as a consequence the scores were not up to last year's average.

An At Home was given on the third day of the Meeting by the President and Mrs. Osler, which was largely attended and added much to the social enjoyment thereof.

The grant given by the Corporation of the City of Toronto is much appreciated, and the special match to which it is donated is popular with the Riflemen.

The Council desires to acknowledge with thanks the following contributions:

His Excellency the Governor-General: Silver and Bronze Medals.	
The Dominion Government.....	\$1,800 00
The Ontario Government.....	1,000 00
The Corporation of the City of Toronto.....	400 00
The Canada Company.....	127 75
The Toronto Railway.....	100 00
The Ontario Bank.....	25 00
The Municipal Grants.....	95 00
Messrs. S. Davis & Sons, Montreal, 500 El Padre Needles Cigars.	
Messrs. Hiram Walker & Sons, Individual in Canada Club Match.	

The thanks of the Council are due to the members of the Executive Committee, the Executive Range and Statistical Officers for their services during the Meeting, and also to the Press for complete reports of the Matches and proceedings of the Meeting.

The duties of Medical Officer were satisfactorily discharged by Surgeon-Major Ross, 77th Battalion.

#### FINANCES.

The Treasurer's Statement of the Finances of the Association, duly audited, is submitted herewith.

The total receipts of the year were \$9,284.02.

Total amount received for membership, affiliation and entry fees, etc., at matches, after deducting cost of ammunition, was \$2,384.96.

The amount expended in cash prizes was \$3,675, a slight increase over the preceding year.

The increase in the amount expended in target supplies of \$125.57, was almost entirely due to the introduction of the rapid firing match, which necessitated the manufacture of 50 special targets which could not be used for any other purpose.

The adding of the second stage to the Corporation Match, together with the Gzowski, took up the whole of an extra day, and as a consequence added a considerable additional expense to the meeting.

The advisability of curtailing the prize list and reducing the programme to a three days' match, will be a matter for your consideration.

The balance of liabilities over assets, as set out in the statement of 1899, shows (exclusive of plant and stores) a deficiency of \$407.34. It might be pointed out, however, in this connection, that the number of targets on hand is 185, as compared with 137 in 1898, being an increase of 42. The value of these targets is placed in the inventory at \$612.50.

#### RANGES.

The Ranges themselves have been further improved by the depositing of cinders for road purposes. The 800 yard butt has also been put in good repair.

The amount allowed by the Dominion Government for the maintenance of the Ranges, namely \$800, is not sufficient for this purpose, and steps should be taken to have the amount supplemented, as the lease expires on 1st January, 1900.

Since the last Report, your Council have to announce, with deep regret, the death of Lieut.-Col. the Hon. Sir George A. Kirkpatrick, K.C.M.G., ex-President of the Dominion Rifle Association, and a warm supporter of this Association.

All of which is respectfully submitted.

E. B. OSLER,

A. D. CARTWRIGHT, CAPT.,

The Special Match Committee will meet each day at noon gun for "cease fire."

1. All competitors will be subject to the Special Match Committee, Officers or Non-Commissioned Officers in charge of their respective ranges or squads, the Camp Police, and the Regulations for the conduct of the meeting.

3. They must refer to the Notice Boards daily, and ascertain whether any orders have been issued which alter or affect the original details.

4. They must be present at their proper firing point, ready to fire at the hour named on their firing tickets, and deliver the same to the Register

Keeper. Unless a competitor produces his firing ticket at the firing point, he will not be allowed to fire. Should a competitor lose his firing ticket, omit to take it to the firing point, or fail to attend at the hour detailed, and so *by his own neglect* miss the opportunity given him of competing for the prize for which his ticket was issued, he shall have no claim on the Association thereunder.

10. No member of a squad or firing party shall absent himself without leave during firing. Any competitor delaying the squad will be passed by

11. In all competitions except "The Gzowski" competitors will be formed up by threes, according to the numbers on their firing tickets, viz., the lowest number on the left, the highest on the right, the intermediate numbers in the middle, and fire shot and shot *alternately*, commencing from the left. Only competitors firing will be allowed within the firing ropes. No person, except the Register Keeper, or Officers on duty, will be permitted to speak or offer any advice to a competitor after he has taken his place at the firing point.

12. Where only one competitor is present he must fire his shots without undue delay; but the Range Officer or some one named by him must witness the shooting and countersign the Register.

13. Register Keepers are required to call out the value of each shot fired, and the competitors must see that their scores are correctly entered on the Score Board, so that any objection to the score recorded may be investigated before the next shot is fired. The Range Officer is required to see that each score recorded on the firing ticket corresponds with that on the Score Board.

14. In individual competitions, a competitor may use a binocular or telescope, *not mounted on any kind of stand*, provided his doing so does not delay the firing.

15. In all team competitions (the Gzowski excepted) the Captain or Officer in command of a Team, and in individual aggregate competitions, viz., the Mulock, Nursery Aggregate, and No. 1 Extra Series, the competitor must hand in to the Statistical Office a claim card, with the scores

16. Any competitor protesting against the ruling of a Range Officer, or feeling himself aggrieved in any way, must make a statement of his grievances in writing, giving the names of two or more persons who can bear him out in his statements, and hand it to the Secretary; but the firing must not be delayed for that purpose.
