The Mayor said that power from the Legislature, was being sought to repeal Sec. 5 of an act passed in 1906, respecting Campbellton Reservoir. Discussion on this developed the feeling that this request for legislation should be opposed, and the clerk was instructed to write Mr. Ted K. ## NEW INDUSTRY FOR DALHOUSIE

Public Meeting Favors Concessions to Chappell Bros., of Sydney, to Erect a Saw and Planing Mill. Plebiscite to be Taken.

Dalhousie, N. B., Feb. 23.—That Dalhousie is to get another large industry seems assured if one may judge by the spirit of a public meeting called by the town council and held in the court house here on Wednesday night last, when proposals were made in favor of granting special concessions to Chappell Bros., of Sydney N. S., to induce them to erect large saw and planing mills in the town, to take care of the lumber cut on their newly acquired lands across the river in Bonaventure county. The meeting was well attended by a representative and enthusiastic crowd of ratepayers and by F. C. Chappell, who appeared in the interests of his firm, and who, in the course of the meeting stated that they would like to know just what the council can offer them by way of inducements, when they will be glad to take the question of locating here to serious consideration.

The chair was occupied by Mayor Stewart and the proceedings were interesting alike to Dalhousie in its recent policy of reaching out for more industries, and to the province, inasmuch as if the proposition carries it means that New Brunswick will have one more large mill on its coast.

The movement has the support of the business people of the town, and employers of labor look to it as the "means to an end" of securing a larger selection for the personnel of their mills. While the mayor and council have shown themselves anxious to bring about an agreement satisfactory to Messrs. Chappell, it will be remembered that one of the principal planks of the platform which elected Mayor Stewart and his full ticket was the encouragement of new industries, and there is no doubt that in their attitude towards this new project the council is "making good" by working to give the new concern as large inducements as possible and at the same time taking care not to jeopardize the credit of the town by incurring heavier burdens than the ratepayers feel called upon to carry.

It is also known that the council is working quietly, but none the less effectually, towards the bringing of the main line of the I. C. R. through Dalhousie, and they believe that by adding one more to the list of their industries they would be offering greater inducement to the government to bring about the accomplishment of "the fact which will make Dalhousie bigger."

The principal resolution of the evening was that moved by ex-Mayor W. S. Montgomery, seconded by J. B. H. Stoen, secretary of the Dalhousie Lumber Company, and endorsed by Messrs. Norton, Delaney and Essigor, to the effect that the meeting was in favor of granting Chappell Bros., the following concessions and privileges:

1. A free site, including water sufficient for saw purposes and to cost not more than \$5,000.
2. Free water and stand pipes for fire protection.
3. Flat rate of town taxation of \$5,000 for twenty years.
4. Right of way to the mill site.

after discussion it was agreed to appoint a small committee to act with the Town Clerk to draft and send a letter to Mr. Jas. Reid, M. P., enclosing the amendment carried at the Public meeting, with copies of all the official correspondence between the town and the Board of Management and also to write Mr. A. W. Campbell giving the full particulars of all that had been done, and correcting the Chairman of the Board of Management in his assumption that the town is at fault with regard to the dead-lock. This was agreed to and the Council adjourned.

## DEATH OF DR. MOWATT

Aged and Beloved Pastor of Erskine Presbyterian Church Dies Suddenly in Church—Leaves Four Sons and Four Daughters.

Dr. A. J. Mowatt of Erskine Presbyterian church died very suddenly on Sunday, Rev. Dr. E. Scott was assisting Dr. Mowatt in the service had taken the lessons leaving the aged pastor to concentrate his energies on his sermon. During the singing of a hymn it was noticed something was wrong and Dr. Scott moving across the platform was astounded to find Dr. Mowatt unconscious. The aged divine was carried into the vestry and without gaining consciousness expired in a very few moments. Dr. Scott laboring under great emotion, broke the painful news to the awe struck congregation, and the service was closed.

Dr. Mowatt was born in Manners-Sutton N. B. in 1838 and received his education at college school, Fredericton, taking his Arts course at Truro, N. S., and his Theology at Halifax. Licensed to preach in 1866, he spent a number of years in the maritime provinces where he enjoyed a high reputation, being reckoned one of the ablest preachers in his church, and in January 1891 was inducted to the pastorate of Erskine church, where he labored with great acceptance winning the confidence and esteem of all his members. Dr. Mowatt was married to Miss Annand of Gays River N. S., who survives him, and leaves four sons and four daughters.

5. The council to move in securing discharging services from the government and other minor privileges in consideration of Chappell Bros., agree to erect a long lumber mill capable of saving from 10,000,000 to 15,000,000 superficial feet yearly, together with a planing mill to give winter employment to the workmen of the town.

The moving of this resolution caused considerable discussion, prominent in which were Messrs. Coman, Powell, Potts, Montgomery and Ald. Stewart. Mr. Montgomery offered his mill site, commonly known as the "shipyard field," to the town for the sum of \$8,000.

A meeting of the council is being called to arrange for a plebiscite to be taken as to whether the council shall offer Messrs. Chappell these or any concessions, and the outcome, although almost a foregone conclusion, is none the less looked forward to with interest.

**THINK THIS OVER**  
This Offer Should Gain the Confidence of the Most Skeptical

We pay for all the medicine used during the trial, if our remedy fails to completely relieve you of constipation. We take all the risk, on are not obligated to us in any way whatever, if you accept our offer. That's a mighty, broad statement, but we mean every word of it. Could anything be more fair for you?

A most scientific, common-sense treatment is **REXALL** Orderlies, which are eaten like candy. Their active principle is a recent scientific discovery that is odorless, colorless and tasteless; very pronounced, gentle and pleasant in action, and particularly agreeable in every way. This ingredient does not cause diarrhoea, nausea, flatulence, griping or any inconvenience whatever. **Rexall** Orderlies are particularly good for children, aged and delicate persons.

If you suffer from chronic or habitual constipation, or the associate or dependent chronic ailments, we urge you to try **Rexall** Orderlies at our risk. Remember you can get them in Campbellton only at our store, 12 tablets 10 cents; 36 tablets 25 cents.—The **Rexall** Store, T. Wain.

**CAMPBELL—FAWCETT**  
At the home of Mrs. W. H. Miller on Tuesday evening a very pretty wedding was solemnized by the Rev. T. P. Drumm of St. Andrews church, when Miss Sadie Priscilla Fawcett was united in marriage to Mr. F. W. Campbell. Mrs. Miller's parlours were nicely decorated with carnations and ferns. The bride unattended, who was given away by her father, wore a white satin princess robe, and her mother was gowned in wisteria neolian. Mrs. W. H. Miller who received the guests was dressed in green silk.

The young couple who were the recipients of many beautiful gifts left on the marriage express on Wednesday morning for the honeymoon.

The bride's going away dress was a reseda green suit with black beaver hat.

**COUNCIL ECHOES**

Our sederunt was a protracted one and perhaps it was no "unmixed blessing," that owing to the absence of the Chairman of Public Property and Streets Committee, we were unable to tackle their report.

The report of the bye laws and Legislation Committee was well handled by His Worship. For a concise statement he showed the injustice of having to pay all our own taxes for small-pox patients and pauper inmates, and then also pay the county proportion, amounting as it did last year to 41 per cent. A change is needed here most certainly.

The exemption of improvements from taxation is a step in the right direction. This means as applied to property, a man would be taxed for his land, and not on the building, if any there on. All land would be assessed at a certain figure and if one man had a \$5000 house on his lot, and the man next door had not built both would have the same assessment.

There is a general feeling in the Council that in the matter of granting licenses for business premises, a more definite application should be insisted on. Any one might apply for a small grocery store license and after paying their \$10 would at the expiry of the license blossom out in a T. Eaton & Co., whereas had it been known at first the ultimate idea, we would have been charging a tax of \$1000.

We hope soon to have something going with regard to our Fire Protection. The "Graphic" has spoken on this before and we hope to make some real progress in this direction.

We said "How do you do" to our old friend Sugarloaf street, but as we felt at present we had done all we could, we drew a relieved breath when we said "Good bye." Sugarloaf Street is, like the poor, always with us.

**BLACK CAPE**

Our community was grief-stricken on Friday the 27th ult., when the sad news was known of the sudden death of Miss Jefferson D. Morrison, one of our highly-respected and much esteemed citizens. Miss Morrison was only 25 years of age, and was a model wife and mother. She leaves a little daughter three years old, and much sympathy is shown the husband and father in his sudden bereavement, who with her own father and mother and four sisters mourn the loss of one who was so dear to them. The funeral was held on Monday last and was largely attended notwithstanding the inclemency of the weather. The service which was most impressive was conducted by Rev. Mr. McCulloch the favorite hymns being sung, *When a Friend we have in Jesus*, *Asleep in Jesus*, *We'll meet you at the River*. The interment took place at the Presbyterian Cemetery, New Richmond.

Mr. John Fairview is suffering from a severe attack of pneumonia. We regret to learn that Mrs. Andrew Powell is confined to her room with the same complaint, and Mr. J. D. Morrison is also down with sickness.

The past weather has been particularly hard on the older residents and we are sorry to hear that Mr. Wm. Cyr has a bad attack of heart trouble. Mr. Hugh Johnson returned from New Carlisle where he has been for some time.

Mr. John Steele took a hurried run to New Carlisle on business last week.

The annual business meeting of the Presbyterian congregation announced to be held on the 31st Jan., has been postponed till Feb. 14th.

The many friends of Mr. Jas. Campbell of New Richmond will be glad to hear that he is recovering from an attack of pneumonia.

Mrs. Austin Kear returned to her home in Bonaventure on Friday last.

Mr. E. Campbell of Caplin River who has suffered from blood poisoning is now improving. We are sorry to hear of the illness of Mr. Felix Caray. Miss Lilian, daughter of Mr. and Mrs. Wallace McRae is reported ill with Typhoid. We trust the little one will soon recover.

## DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Canifon, Ont.—"I had been a great sufferer for five years. One doctor told me it was ulcers of the uterus, and another told me it was a fibroid tumor. No one knows what I suffered. I would always be worse at certain periods, and never was regular, and the bearing-down pains were terrible. I was very ill in bed, and the doctor told me I would have to have an operation, and that I might die during the operation. I wrote to my sister about it and she advised me to take Lydia E. Pinkham's Vegetable Compound. Through personal experience I have found it the best medicine in the world for female troubles, for it has cured me, and I did not have to have the operation after all. The Compound also helped me while passing through Change of Life."—Mrs. LEMMA BLAIR, Canifon, Ontario.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. In each case a trial to try it, and the result has been worth millions to suffering women.

## SUFFERED FOR YEARS WITH STOMACH TROUBLE

### "Fruit-a-tives" Promptly Cured Him

DANIEL SAUNDERS, ESQ.

Last summer, Mr. Oatway, a druggist of my town, recommended "Fruit-a-tives" to me. While taking "Fruit-a-tives", I in no way gave up any foods that I was in the habit of eating, neither did I stop smoking. Yet in spite of all, "Fruit-a-tives" has done wonders for me and I strongly advise all my friends to use it.

"Fruit-a-tives" is the only medicine in the world made of pure fruit juices, and will always cure Indigestion, Dyspepsia, Sour Stomach, Bilelessness, Constipation and any other disease that comes from disordered Stomach, Bowels, Kidneys or Skin. Get a box. 6 for \$2.50, trial size, 25c. At dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Mr. Daniel Saunders, of Shoal Lake, Manitoba, is one of the best known gentlemen in Canada's great wheat country. He lived for years in the West—made a success of his farming—and has now retired from active business life to enjoy the fruits of his work.

When a man of such financial and social standing voluntarily testifies to the great benefit that has resulted from taking "Fruit-a-tives" there can be no doubt but that "Fruit-a-tives" deserves the highest commendation of this paper.

SHOAL LAKE, MAN.

JUNE 11th, 1910.

"For years, I was bothered with persistent Dyspepsia and indigestion, having severe pains after meal time. I tried everything that I could get but the pain in my stomach became no better.
