things to prejudice the public against it.
There was duplicity and misrepresentation
it had appeared in the government press. sion on the second reading of the Yukon contract bill. The solicitor general repeated the charge that the action of the reports of the wealth of the country ve been greatly exaggerated. Sir utter disregard to the public interest that he would venture to say, subject

to Mr. Blair's contradiction, that none of the high priced and competent officers of Blair's department had anything to do with it. Mr. Blair was

that the contract was so loosely and carelessly prepared on the government terial for the money. side that he would venture to say, subject to Fitzpatrick's contradiction, that the latter had nothing to do with the details. Mr. Fitzpatrick did not contradict. At midnight Sir Charles had

On the 8th after a short discussion on

the bill introduced by Mr. Fortin, pro-

viding for the standard weight for a bag of potatoes, Sir Charles Hibbert Tupper pleted the period of eix weeks within goods, in scroll and small ef ished material, just the goods which the contractors had agreed to complete their sleigh road. Already the contractors seem to have failed to carry out their undertakings. He observed that Hon. Mr. Fitzpatrick had proposed a fourth important change in the contract when he declared that an wool, the top notch in style, quiring the contractors to operate the railway. The government was evidently ashamed of their own bill and criticism of the opposition had already pro-duced good results. Sir Charles Hibbert went fully into the discussion of the difficulties arising on the Stikine by reason of the United States legislation, and was speaking at recess. In the the customs regulations on the Pacific coast, and showed that Hon Messrs Paterson and Sifton had utterly failed to protect the interests of Canadian subjects Hon. Mr. Sifton bungled everything he touched, and yet on the principle that "a living dog was better into the house and sneer at Sir John Macdonald's instinct of government.

The member for Picton said he did not propose to speak with bated breath in eference to the United States. He was free to declare that in internationa relations, the United States government thad sought every occasion to take advantage of this country. In sealing and in many others that country had vional and in many others are not that the country had vional and in many others are not that the country had vional and the country had vional He was prepared to believe that in fature the people of the United States would compel the government of that ountry to go against Canada to every xtent short of actual war. He would, herefore, vote against any project, the United Status' good will. He believed that the Yukon was the richest field in the world, and declared that the people of

is causing great inconvenience in West ern Ontario, weere the two railways reuse to exchange traffic. He called pon the government to take action to ment right away. Hon, Mr. Blair said that he called upon the representatives of the two companies to state their

amusement to the new members on his case to him and see what could be done at every stage of the transaction. There

own side. The debate was in progress about it. Premier Laurier observed was contempt of parliament and refusal of when the afternoon session ended. that the recent incidents had shown the the competition to contractors, suspicious After dinner Messrs. Fisher and Pope necessity for legislation giving the gov- secrecy and pledge-breaking by the continued the discussion. Sir Richard ernment greater power to act in such premier and his colleagues. These were Cartwright announced that the government greater power to act in such premier and his colleagues. These were matters. Sir Charles Tupper asked side-lights on the subjects. Hon. Mr. "I was a slave to rheumatism in a very acute form for over a year. I could not attend to business. The pains in my side. All remedies failed physicians. I was unable to go about so severe were the pains in my side. All remedies failed physicians. I was induced to try South American Rheumatic Cure. After using one was induced to try South American Ridned bottle I was so greatly benefitted I continued using it, and to-day after using only three-bottles, I am perfectly well."—F. G. Cole, Grain merchant, Flesherton, Ont. Sold by Geo. E. Hughes.

"For fifteen years I was racked by sever were kidney troubles. For weeks at a time ment would go on with its bill without to the action of the United States senate. He declared that the United States senate had gone boyond its rights, but said the government would not be dragooned into giving up the rights of this country. The bill would not be withdrawn. Sir Richard would not be among the conservatives by charging got another chance to speak on the Dalton tail. But he considered that in them with disloyalty, which lecture, amendment, and took occasion to reply order to hold the Yukon market for Canada closed at nine-thirty, and the order of the Maxwell of British Columbia supported useful this year. Mr. Foster closed an day was called. Hon. Mr. Blair explained that Cleveland and Paterson for little less than an hour, delivering closing of the best of the gold deposits were fitting up engines at Moncton an address of great power and clearness. from the working people. The house was with some appliances which they claim- He opposed the construction on the Pacied to be a good invention. The cost of fic coast and especially by the proposed speaking, and all the galleries were fitting would be borne by the firm.

The cost so far was over \$1,800, of which \$200 had been paid to the government and the belower many solutions. In cost and especially by the proposed for the proposed from the proposed terms. Mr. Edcord as it never had been before this session. Mr. Foster's speech sustained and spoke till midnight. Mr, Clancy ernment and the balance would be col-lected. Hon. Mr. Fielding informed the premier insisted that the debate be adjourned, but Mullin continued the debate until after lected. Hon. Mr. Fielding informed Mr. Borden that the government was alive to the desirability of increasing trade between Canada and the West Indies, and would do what they could about it. Sir Lionis Davies told Dr. Bethune that he could not see his way western Cape Breton to catch lobsters till recess. He confessed that there were, was now before the house. He had

# the United States senate was instigated by the opposition at Ottawa. He then went into a discussion of the treaty question and the international law bearing on the subject. He went over the features of the contract, pointing out all that the contractors agreed to

# when Fitzpatrick said that the opposition at Ottawa encouraged the United States senate to hostile legislation he must have referred to the opposition of years ago. Respecting the contract, Tupper said it was drawn with such unter digregard to the arbition.

NOW IS THE TIME

To purify your blood with Hood's Sarsa-parilla. March, April, May are the try ing months of the year. At this season your blood is loaded with impurities which have accumulated during the winter, and these impurities must be immediately ex-pelled. Hood's Sarsaparilla is the One True Blood Purifier. It is the medicine which has accomplished many thousands of re-markable cures of all blood diseases. It is what the millions take in the spring to is what the millions take in the spring build up health and ward off sickness.

### The Christian Origin of the Hospital.

attained to a high degree of civilization, and produced works of prt in in literature, which still command some of them, as the Romans and Greeks, displayed a remarkable skill the work of the hospitals, and to have separate establishments for the of municipalities, the government of construction of water works, of roads, of canals, of bridges; though they had schools, gymnssiums, town that it would be a great blessing to ing fellow-men and fellow citizens ennobling acts. The ancients had no hospitals; in their numerous asylums-erected and maintained by present there is scarcely a town to other, as I have loved you." Christ obaritable and gave willingly, but nine of the different languages, using children of one Father in Heaven, children of one Father in Heaven, children of one in Heaven, child children of one Father in Heaven, that the poor and the rich, the sick and the healthy, the stranger and the healthy, the stranger and

As we know from St. Justin, the Bishops considered it a part of their duty, to receive strangers in their guest-rooms or hostitalia; but lay Christians too were zealous in the practice of this virtue. Each Christian house was a place of shelter for transling hosting land in the practice of the sixtual of and infirm increase more and more intravelling brothers; Aristides, who lived in the second century, writes of the Christians of his time: "When they see a stranger they take him into their house and rejoice with him as a brother." For the care of the poor and the sick were ex-officio the deacons and deaconesses; but many Christian women, without being appointed for this task, used to visit the poor in their hovels, and minister to the wants of those who were ter to the wants of those who were imprisoned for Christ's sake. When and liberality which called into exodochia," or "hospitia;" soon al- Exchange. most all the episcopal towns were provided with such institutions. According to the sense of the word they were intended for the reception of strangers; tat, ere long, sick, poor and suffering people of every kind were received; the stranger's house bladder,
