## 1919

THE EVENING TIMES AND STAR, ST. JOHN, N. B., WEDNESDAY, JUNE 11, 1919

### GOOD THINGS COMING TO THEATRES OF ST. JOHN

### VARIED AND GOOD IS NEW ENTERTAINMENT AT THE OPERA HOUSE

### Arabian Acrobats Notable Feature—Music and Fun in Other Numbers and Stirring Chapter of Serial

Visitors to the Opera House last night came away quite satisfied with the new bill provided, as it proved very entertaining and sufficiently varied to afford considerable pleasure. There were several good features. Large audiences greeted the vaudevillians and that their efforts to amuse were appreciated was shown by the generous applause bestowed.

In their musical skit, "Girls of Yesterday and Today," Earl and Sunshine accorded immensely, providing laughter and enjoyment in songs, dancing and dialogue. There was a particularly bright number.

There is generally in every variety programme a turn by acrobats or contortionists and last night's bill was not without such a feature, a refined and interesting contribution of this style being given by the Rubios, a sextette of Arabian artists especially clever in tumbling and in pyramid building.

The Tony Williams Co. in a comedy sketch, were well received and afforded much mirth through a misunderstanding arising between husband and wife.

A boy soprano, Tom Sawyer, received repeated encores in his singing numbers and Al Noda, a versatile entertainer, was also warmly applauded. His whistling solos were especially clever and his imitation of different song birds sounded decidedly natural. Another chapter in the wildly exciting serial, "The Man of Might," rounded out the programme.

### NAZIMOVA IN "EYE FOR EYE" AT IMPERIAL TODAY

The extraordinary photoplay "An Eye For An Eye" which has introduced Alla Nazimova, the Russian actress and dancer to the world as the most subtle and dramatic interpreters, receives its first showing in this city on the Imperial's curtain this afternoon and evening at the usual hours. The picture remains unchanged. An elaborate music-plot has been rehearsed for the story. The Nazimova production (a French and Arabian story) is in seven parts and the only other picture will be the Burton Holmes traveltogue.

### IMPORTANT NOTICE CONCERNING TOMORROW

The presentation of George M. Cohan's "Forty-five Minutes From Broadway" at the St. Peter's church Y. M. C. A. at the Imperial tomorrow afternoon and evening will be after the first show, namely at 8:30 in the afternoon and 8:45 at night. The Imperial will show its great Nazimova picture prior to the amateur show.

### Notice of Births, Marriages and Deaths, 50c.

### BIRTHS

TREACARTIN—On June 6, 1919, to Mr. and Mrs. William H. Treacartin, 66 Durham street, a daughter.

FOSTER—In this city on June 11, 1919 Frederick Lawton, infant son of Mr. and Mrs. F. L. Foster.

### IN MEMORIAM

BLOOMFIELD—In ever loving memory of our dear boy, Pte. Jack Bloomfield, 28th Battalion, who was killed in action somewhere in France, June 12th, 1918, aged nineteen years.

Somewhere in France they have left him. Among the brave and true, We know he did his duty, For his home and country too. A loving son & brother kind, A beautiful memory he left behind. He bravely answered his country's call, His life he gave for one and all.

Rest in peace.

MOTHER, FATHER, SISTER AND BROTHERS.

BROWN—In loving memory of Mrs. A. Brown, who passed away June 11, 1917.

The precious one who is gone The voice we loved is stilled A place is vacant in our home That never can be filled.

HUSBAND AND SON.

### CARD OF THANKS

Mr. and Mrs. David Hope, 53 Thorne avenue, wish to thank the many friends for their kindness in the line of their sad bereavement, also the gallant boys for rescuing the dead body of their beloved son, Stanley Hope.

at both sessions. Between the two attractions the big crowd will be aglow with good things. The Cohan production is assured of a big house as indicated by the advance sale.

THEODA BARA  
Theoda Bara in her last production "The Forbidden Path" is the big attraction at the Star tonight.

### LOCAL NEWS

NOT AFFECTED  
The local telegraph offices the Western Union and Canadian Pacific have not been affected by the strike of telegraph employes in the States.

HOME FROM BUFFALO.  
Frank Freestone, president of the Coal Handlers' Union, returned to St. John yesterday from Baltimore, where he attended a convention of labor unions.

ON BIBLE SOCIETY WORK  
Rev. H. D. Marr, left yesterday for Nova Scotia to carry on his work as secretary of the Canadian Bible Society. He will return here about June 23 and after a little stay will go to Alberta for similar duties.

BRING WELCOMED.  
Friends of Sergt. P. J. O'Rourke are glad to see him home again from overseas. He left Canada with the 21st Battalion and on going to France transferred to the engineers, with which unit he served for some little time. He was demobilized a few days ago in Toronto.

ON MILITARY SERVICES.  
Major R. E. Caldwell, assistant director of the department of vocational training of the Soldiers' Civil Re-establishment Commission, accompanied by Major Murray of the engineering services, Ottawa; Dr. Mackay, medical director and Mr. Tibert, vocational officer of Fredericton, are in the city today in connection with the taking over by the department of the military hospital at West St. John.

IN WALL STREET  
New York, June 11—Efforts to continue the decline in stocks having a big speculative market brought about a fair degree of success here and there, losses of a point being registered at the opening today by United States Steel, Crucible Steel, Menasha Petroleum and Rubber. United States Rubber declined 2 1/2. There were a few conspicuous exceptions, including the tobacco group, which rallied from 1 1/2 to 2 1/2 points higher. Fear of a curtailment of the money supplies for speculative operations caused a most general desire to lighten commitments.

Noon Report.  
The liquidation of speculative accounts became increasingly heavy when it became obvious that there was no inside support for special stocks. Bear operators were able to break certain issues very badly and tried their hand also on the general list without meeting much opposition. United States Steel gave away almost two points, General Motors 3/4, Atlantic Gulf & Texas Company 3/4, Studabaker and American Woolen fell and United States Alcohol and Mexican Petroleum three. Prices rallied sharply in spots around midday.

BURIED TODAY.  
The funeral of Thomas G. Jenkins took place this morning from his residence, 52 Elliott row. Requiem high mass in the Cathedral was celebrated by Rev. W. L. Moore, with Rev. W. M. Duke deacon and Rev. R. B. Fraser sub-deacon. Rt. Rev. A. Zellane gave the final absolution and interment was made in the new Catholic cemetery.

The funeral of Frank E. Porter took place this afternoon from his residence, 808 Union street. Service was conducted by Rev. D. J. MacPherson, assisted by Rev. George Morris and interment was in Fernhill.

WOMEN'S AUXILIARY.  
Fredericton, June 11—This morning at the session of the Fredericton diocesan Branch Women's Auxiliary, Mrs. J. F. Robertson, convener of literature, presented her report. Mrs. H. Vroom and Miss Purves delivered addresses on the opportunity and the responsibility of the Women's auxiliary.

Mrs. Hammond Evans reported as branch secretary-treasurer and branch money. Mrs. G. A. Kuhring presented the report of the organization committee and Mrs. John M. Robertson of the educational fund. Branch reports were also presented. It was decided that the diocesan branch increase its pledge to the educational fund from \$150 to \$200.

Seeing Canada at 84.

Bangor Commercial: Ex-Mayor John F. Hunter of Salem, Mass., and Brian Smith of Woburn, Mass., who since entering in the Union army in 1861 have been close friends, arrived in Bangor Monday night and left Tuesday morning for Houlton on their way to Canada. Ex-Mayor Hunter is seventy-four and says he may be mayor of Salem again, having served his city six years as chief executive in days when he was a picturesque and well known figure in politics. His friend, Mr. Smith, is eighty-four years old and as he has never been out of the United States, Mr. Hunter is taking him to see Canada. They were both interested in meeting M. H. Andrews, who fought with the 12th Maine and both the Massachusetts men are well informed on the history of the 12th and the 14th Maine regiments.

ST. JOHN BOY IN TROUBLE IN CAPITAL  
Fredericton, N. B., June 11—A young St. John boy appeared in the police court here this morning on the charge of theft of money from the clothing of other boys who were bathing at the west end beach. Magistrate Limerick gave the boy a severe caution and said that he would send him back to his mother in St. John.

"As a nation we can only consume to the value of what we produce, and if production falls away there will be less to go around, and each will have to pay more for the things he obtains."—The chairman of Barclay's Bank, quoted by the Canadian Trade Commission.

### LOCAL NEWS

### POLICE COURT

In the police court this morning a man charged with drunkenness was remanded. Joseph Uteriole, an Italian, of Fall River, Mass., arrested last evening by Sergeant Detective Power and Policeman Lobb, was charged with stealing \$800 from a fellow sailor on board a ship. No evidence was taken and the case was postponed until Saturday.

Cecil Livingstone was charged with willfully doing damage to personal property of McGuire Bros., livermen, Union street, to the extent of \$20. Louis Boyle, an employe in the livery stable said that several bottles of wine were scattered on the floor and also that several bushes had been fed to the horses a yard Friday morning about two o'clock and saw the defendant standing there with a horse. He said he found in Garden street. The witness said he then went into the barn and found that several bottles of wine were scattered on the floor and also that several bushes had been fed to the horses a yard Friday morning about two o'clock and saw the defendant standing there with a horse. He said he found in Garden street. The witness said he then went into the barn and found that several bottles of wine were scattered on the floor and also that several bushes had been fed to the horses a yard Friday morning about two o'clock and saw the defendant standing there with a horse. He said he found in Garden street. The witness said he then went into the barn and found that several bottles of wine were scattered on the floor and also that several bushes had been fed to the horses a yard Friday morning about two o'clock and saw the defendant standing there with a horse. He said he found in Garden street. The witness said he then went into the barn and found that several bottles of wine were scattered on the floor and also that several bushes had been fed to the horses a yard Friday morning about two o'clock and saw the defendant standing there with a horse. He said he found in Garden street. The witness said he then went into the barn and found that several bottles of wine were scattered on the floor and also that several bushes had been fed to the horses a yard Friday morning about two o'clock and saw the defendant standing there with a horse. He said he found in Garden street. The witness said he then went into the barn and found that several bottles of wine were scattered on the floor and also that several bushes had been fed to the horses a yard Friday morning about two o'clock and saw the defendant standing there with a horse. AS OTTAWA SEES IT.

How thoroughly the members of the House of Commons at Ottawa realize the value of vocational training is shown by the discussion last week on Hon. Mr. Calder's bill to provide \$1,000,000 for the provinces in aid of technical education.

"Broadly speaking, it is proposed that we should, by agreement with the provinces, undertake to expend for technical education purposes a sum beginning with \$700,000 to be increased gradually up to \$1,000,000, the whole to be spread over a period of ten years, and the total amount expended at the end of that time to be \$10,000,000."

Each province must grant as much as the federal government provides for its benefit, and the apportionment to provinces is to be on the basis of population rather than the federal census. Not more than 25 per cent of the federal grant is to go for land, buildings or equipment.

"While many of our provinces have established technical educational institutions, while they are carrying on vocational training in its various branches, and while many are conducting industrial night schools, I think we will all agree that the amount of work of that kind which is being done in Canada is not as extensive as it should be. There is actual need for an advance in this respect. We all know what the condition is throughout the world. There is going to be keen competition in the industrial field and if Canada is going to play her part in the struggle that we must expect for some years to come, it seems to me that it is absolutely necessary that we should take a forward step in the direction of fitting the workmen engaged in our industries, and also in training the youth of the land, so that we may become supreme in our various industries."

Work has been done in this direction in most of the provinces, and every credit must be given for what has been accomplished in that direction. We have some splendid technical institutions in Canada now. The number is not as large as it should be. These institutions are very costly as regards capital expenditure and maintenance. I think we all agree with me that everything that can be done by the federal government in rendering assistance in order that this work may be extended throughout Canada will be very generally approved not only by parliament, but by the people of Canada as well."

Mr. D. D. McKensie the Liberal leader, said he entirely agreed with the minister that technical education is a prime necessity in this country.

"That," he said, "is one of the subjects upon which we are all agreed. I also agree with the minister that at this stage in the life of Canada, when it is so absolutely necessary that we should take a first position in all productive efforts, it is essential that our manufacturers should be of the first order and that everything that is turned out in competition with keen producers in other parts of the world should be of the finest quality and the best workmanship. When we consider all these things it is to be understood at once how necessary it is for us that our workmen and women should have the proper training and education to compete with producers all over the world. We have in Nova Scotia a very excellent technical college. That college was established at a great deal of expense, possibly an amount of money that might be regarded as a little beyond the capacity of the province at the time. Nevertheless the people have approved of the expenditure and many of our young people have received more benefit from it perhaps than from the expenditure on any other educational institution in the province."

But Mr. McKensie also testified to the value of the evening classes in technical training in Nova Scotia, and urged that they also be encouraged. Of results in Nova Scotia he said:

"These schools have done excellent work in encouraging our young men. We have small branches established here and there in which classes are trained so as to enable them to pass for the different grades of officers in connection with the coal mines. They take the course for underground manager, manager, and other positions, all of which call for an examination, and candidates have succeeded in passing most creditable examinations by attending these schools, which are usually night schools. It is to be stated with pride that, where very few of our own young men acting as mine managers in Nova Scotia, and we had to get managers from Scotland, England and Wales, the condition is entirely reversed. Although we have ten times as many managers as they, we have scarcely any person in charge of our works except our own men who have received their education in our own schools and colleges. I hope the minister will find it convenient and possible to extend it convenient and possible to extend this line of education to all the industries in the province. In large manufacturing centres it is highly desirable that technical education should be introduced among the workmen, and mat-

ters so arranged that it would be an advantage to any person engaged in any class of manufacturing in this country that he or she shall have passed a course of training in some one of these schools."

We may profitably quote a portion of one other address, that of Hon. Mr. Lemieux, who heartily approved of the measure, paid a special tribute to Nova Scotia and Ontario, and said:

"We have in Quebec at present what I consider the banner institution as regards technical education. Those who have visited in Montreal the technical school on Sherbrooke street will not hesitate to say that it is the finest institution of the kind in Canada and one of the finest in America. I have not the statistics at hand, but I know from the report of the provincial secretary that the establishment of that school in our province has produced very satisfactory results. I will give only one solitary instance of what has been accomplished by that school. Four years ago I met at Drummondville a farmer's son who had just received his degree at the Technical Institute in Montreal. It was at the time when young men were asked to help towards the production of munitions and technical experts were needed in various establishments to promote that production. That young French-Canadian, having received a letter of introduction from your humble servant, went to one of the munition manufacturers in Montreal, and in less than six weeks he was at the head of that establishment. He was not more than twenty-one years old and was already receiving a very large salary. There I had a concrete example of what technical education can accomplish. The Canadian Pacific, as hon. members are aware, employs a large number of technical experts in its shops throughout Canada, and I know that in the district of Montreal, the young men who have passed through the technical school are now getting large salaries and steady employment from our railway companies and large industrial firms. Therefore I see with pleasure the determination of the government to do something practical towards promoting the cause of technical education throughout Canada. We all know that the success of Germany notably, and also of the United States and the Mother Country in industrial fields is due chiefly to the high technical education which has been spread through the industrial districts of those countries. Now that this unfortunate war is over, and now that, as we were told this afternoon, our country must produce not only in the field of agriculture, which is the basic industry of Canada, but also in the industrial lines, the more we spend wisely on technical education the greater will be the part that our production will play in the commerce of the world."

Tomorrow the Times will give some further extracts from the discussion, dealing with the question of how the federal grant is to be applied to the provinces and in relation to provincial and municipal expenditures for vocational training.

The United States is today facing a strike of telegraphers that will cripple business for the period of its duration. Canada is facing a possible strike of railway shopmen which would be a calamity at a time when so many soldiers and so much goods are awaiting transportation. It is not a cheerful outlook, but serious trouble will probably be avoided.

The delegation from the maritime provinces which is pleading at Ottawa for justice to these provinces in the matter of railway freight rates has a clear case, and if the government does not listen the feeling of resentment will be strong and universal. There is a growing dissatisfaction with federal disregard for maritime interests.

There will be a good deal of sympathy with the French view that it will not do to yield too much in response to the protests of Germany. The latter has lost very little of her arrogance, and would not receive any concessions made in a proper spirit, but rather regard them as her right.

If a soldier who won the Victoria Cross in France should die as a result of sickness and kicks from riotous strikers in Winnipeg, we would expect the veterans to demand a full accounting for the crime, especially if it were due to alien agitation.

It is claimed that three-fourths of the male population of Armenia have been killed since 1915. Women and children are starving. The grip of the Turk on the throat of Armenia must be broken forever.

Mr. Lloyd George tells the Dutch nationalists they are not all of South Africa, and that agitation for disruption of the state cannot be endorsed.

The budget debate promises to be of considerable length and will disclose fairly well the attitude of members regarding tariff reduction.

RECENT WEDDINGS

McDougall-McLeod. In Sussex yesterday afternoon at the home of Mr. and Mrs. W. H. McLeod, their daughter, Blanche, was united in marriage to Captain Wm. McDougall, M. C. and bar, of Debec, formerly of the 29th Battalion, by Rev. J. M. Rice. The young couple left for a trip to Boston.

McPhee-Kirk. Miss Annie L. Kirk and Captain Joseph McPhee, formerly of the 29th Battalion, were married in St. John's (Stone) church yesterday afternoon by Captain (Rev.) G. A. Kishring. Both bride and groom are residents of Fredericton, both being connected with the staff of the provincial government offices. Mr. and Mrs. McPhee left last evening for Boston and on their return will reside in Fredericton.

RECENT DEATHS

Miss Kathleen Joudrey. Amherst, June 10—Miss Kathleen J. Joudrey, thirty-eight years of age, died at her home here yesterday. Miss Joudrey was formerly in charge of the local branch of the Western Union Telegraph Company here. She was daughter of the late Jacob Joudrey, for many years station agent at the local depot.

Theopholus Sharpe. The death of Theopholus Sharpe, of Waterborough, Queens county, occurred on June 9. He leaves behind him a wife and six children, MacLean, at home; Mrs. Edward Trenholm, Lena, Stella and Fred, of Boston and Pearl, of Cambridge, Queens county.

Annapolis, N. S., June 10—The death of Harry Burbanck, for many years customs detective officer, occurred here at an early hour this morning from creeping paralysis, aged fifty-three years. He had been ill for a long time and went out several years ago in the hope that the change of climate might prove beneficial to his health, returning home here last summer apparently better, but since his return he gradually grew weaker.

The deceased was a member of Annapolis Royal Lodge of Free Masons of this town, and a member of St. George's Lodge of Free Masons, Digby, and a member of the Foresters. He will be buried by the Free Masons. He was very highly respected and will be greatly missed.

Besides his widow, one daughter and one sister, Mrs. Thelma Kiley, of Digby, survive. The funeral will take place on Thursday with interment in Woodlawn cemetery. The sympathy of the entire community goes out to the bereaved ones.

FOR BRIDES-ELECT.

Last evening the married and elderly people of Brookville and Torriburn made up a surprise party to Miss Gertrude Adams at the home of Mrs. Harry Hayes. Nearly fifty people were present and on behalf of the gathering Keith A. Barber presented to Miss Adams a "Community Gift" in the shape of a handsome silver scallop dish and spoon and in doing so expressed the thoughts of those present by saying that the wishes of the community were for the happiness of Miss Adams in her new home in the west. Mr. Barber also referred to her kindly and sympathetic attitude to both young and old and how she carried sunshine wherever she went. An enjoyable time was spent with music and refreshments.

On last Tuesday the young ladies of Torriburn made up a handkerchief shower for Miss Adams at the home of Miss Downey. Miss Adams and her mother will leave for Winnipeg by C. P. R. on Saturday.

An event not included in the usual routine took place in the offices of the New Brunswick Telephone Company yesterday when the young ladies of the office staff suddenly surrounded Miss Cora Ferris one of their number, who is to become a bride in a few days, and after wishing her all the happiness possible, presented to her a beautiful chest of silver as a mark of the esteem in which she is held. The presentation was made by A. W. MacMackin. Miss Ferris, who was completely taken by surprise, replied in a few words.

Baby Loves It

It's hard to bring up a baby without MENNEN'S TALCUM POWDER. It soothes and cools his tender skin. It makes him "comfy" and happy. Be sure it's MENNEN'S — then you know it's pure, sanitary and safe.

COSTUME SECTION—SECOND FLOOR

Manchester Robertson Allison Limited KING STREET GERMAIN STREET MARKET SQUARE

NOT FIX DEFINITE SUM THAT MUST BE PAID BY GERMANY

(Continued from page 1)

The determination of France not to consent to any material changes in the treaty was clearly defined after the meeting of the council and various commissions which failed to reach any solution of the deadlock on the important points on which differences of opinion have arisen. In spite of the attempt to speed up the work of the peace conference, reports are still unavailable from commissions dealing with Schleswig-Holstein, the eastern boundaries of Germany, the Belgian frontier and waterways and harbours. The fluid state of the proceedings makes it difficult to accept the optimistic statements of various members of delegations that an agreement on the reply to the counter-proposals from Germany will probably be reached speedily. French Clemenceau is especially firm in his refusal to agree to the admission of Germany to the League of Nations immediately. The French hold that they understand German psychology better than the Allies, and realize what the increasing arrogance of the German delegates should yield to the German demand for immediate admission to the league. The French, it is understood, are willing that the Germans should be admitted later, but insist that the admission must not be in compliance with what they term "Germany's present haughty demands."

Austria and Hungary.

Paris, June 11—(By the Associated Press)—Little progress is being made in the drafting of the missing articles of the treaty with Austria and Hungary. The urgency of completing negotiations with the Germans. One official who is working on the Austrian treaty asked yesterday when the rest of the summary would be available, replied: "There may not be any more. The Austrians have more now, apparently, than they are able to sign."

The same waiting attitude is observed regarding the Hungarian treaty, parts of which are identical with the German and Austrian treaty and are already in print.

Paris, June 11—Karl Renner, Austrian chancellor and head of the Austrian peace mission, has sent a letter to the peace conference complaining of the "hard conditions" imposed upon his country which, he says, is "overwhelmed with despair," and pointing out the complexity of the Austrian frontier question. The letter will be laid before the Council of Four today.

Request Refused.

Paris, June 11—The reply to the German counter-proposals agreed upon by the peace conference heads refuses the German request for a mandate for the former German colonies.

The Senate and the Treaty.

London, June 11—Secret negotiations at Paris and the non-publication of the treaty with Germany have been denounced here so often that the action of the United States senate in making public the text of the treaty has been given much prominence in the newspapers. It has been given sympathetic comment by the London press, with, in some cases, sharp criticism of President Wilson.

To keep sparrows from eating lettuce in the garden a Plymouth man placed a five-foot length of old black rubber garden hose among the lettuce, curling it so that it looks like a snake, and he says the birds do not come near enough to detect the fraud.

#### MARITIME DELEGATES

##### HEARD AT OTTAWA

Ottawa, June 10—A large delegation of twenty or more from the maritime provinces is here interviewing the government on matters connected with freight rates on the Canadian National Railways. The delegation represented the maritime boards of trade and the maritime section of the Canadian Manufacturers' Association and included the following: W. S. Fisher and L. W. Shamus, St. John; J. D. Palmer, Fredericton; A. D. Gannon, St. Stephen; Angus MacLean and B. M. Mullins, Bathurst; Captain J. E. Masters, J. A. Marvyn, F. E. Denbison, Moncton; H. R. Silver, R. E. Finn, C. R. Hobin, E. H. Armstrong, Halifax; Mr. Thompson, Amherst; C. J. Burchell, Sydney.

After discussing with maritime province representatives matters relating to management and policy of the Canadian National Railways including freight rates and removal of officials to Toronto they met the cabinet together with the minister of railways and D. B. Hanna and placed their views before them. They particularly urged equalization of freight rates from the maritime provinces to Montreal in summer for export trade to Halifax and St. John in winter. They argued that all rates be carefully gone into

#### PUPILS IN RECITAL

The pupils of Miss Edith Magee delighted all who heard their recital last evening in the Edith Avenue Mission, East St. John. The room was very prettily decorated with spring flowers and a large and appreciative audience heard the performance which was admirably rendered. Warm praise was given both the pupils and their instructor for the excellent way in which the varied items of the long programme were presented. Those taking part were: Evelyn McConnell, Russell McConnell, Helen Foley, Pauline Green, Miriam Ward, Phyllis Holton, Jennie Weidon, Fred Harrington, Miss Magee, Audrey Breen, Edith Leonard, Jean Johnston, Helen Magee, Violet Wood, Elsie Lewell, Evelyn Crockett, Leone Ward. Miss Alice Dawson gave some selective readings.

#### MARITIME PROVINCES STOCKYARD PROJECT.

(Fredericton Mail). The project to establish stockyards in the maritime provinces has progressed another step. A meeting of representatives of the three maritime provinces has been called for June 17 at Amherst, N. S., and the project will be thoroughly discussed there and a decision concerning a site reached. Livestock men from all sections of the provinces are to be asked to attend and also dealers and producers. The agricultural departments of the provinces will be represented. E. P. Bradt of this city, deputy minister of agriculture, will represent New Brunswick officially. Reports and recommendations from D. M. Johnson of Winnipeg, stockyards expert of the dominion agricultural department, who examined proposed sites and conditions in the maritime provinces a few days ago, are to be received at this meeting. The expectation is that the stockyards will be in operation next year, the project having passed the tentative stage some time ago. It is also expected that the establishment will result in a marked

Each Union Must Vote Before Strike

Executive of British Labor Triple Alliance Cannot Commit All to Strike

London, June 11—(Reuter's)—All the annual council meeting of the National Transport Workers' Federation, held in Swansea, Will Thorne, Labor M. P., condemned the resolutions in connection with conscription, intervention in Russia, release of conscientious objectors and raising the blockade, which were passed at the "big end" of the triple alliance (miners, railwaymen and transport workers), meeting in Southampton, in connection with the coal crisis. Mr. Thorne said that for his part he was not very much concerned about raising the blockade. He recalled our own position this time last year, when the Germans were sinking every food ship at sight. The Germans, he declared, were absolutely responsible for the present shortage in Great Britain and Germany. The Germans were quite unconcerned during the submarine campaign about depriving our women and children of food. They were unconcerned about the babies there, but now they were crying like big babies because the blockade was still there.

J. Havelock Wilson, Coalition Labor M. P. for South Shields, condemned the triple alliance leaders for engaging in ill-directed activities. He declared that capitalists were afraid to develop industry because of the absence of guarantees for the future.

A vote of censure on the executive of the transport federation for exceeding its powers in connection with the Southport resolution was defeated by a large majority, but the conference carried Ben Tillet's resolution against permitting the executive to commit unions affiliated with the federation to strike action unless the unions themselves balloted for it.

GAVE MORE BUT WILL INCREASE

1919 ESTIMATES

Hamilton, Ont., June 10.—John A. Patterson, K.C., Toronto, presented the report of the board of finance at this morning's session of the Presbyterian general assembly. The minister, he said, were not getting after the congregation hard enough. There was one thing, sometimes forgotten by the Good Shepherd, and that was shearing the sheep. The givings of congregations for 1918 amounted to \$206,000, an increase of \$41,373. Budget revenue, including congregational givings, donations and other receipts, was \$1,069,946, as compared with \$998,786 in the previous year. However, the revenue fell about 10 per cent short of the \$1,179,264. The total amount received from all sources for the maintenance of missionary, education and benevolent work was \$1,889,739, compared with \$1,869,449 in 1917. The board recommended that the estimates for the whole church for 1920 be fixed at \$1,400,000, of this \$1,250,000 being for the western section and \$150,000 for the eastern section. A yearly honorarium of \$500 a year to the moderator was recommended, also salary increases for many officers of the church. The agent of the church women's society and junior clerk of the assembly, secretaries of the board of foreign missions, Sabbath schools and young people's societies, home missions and social service and board of finance are scheduled for \$3,500 each; secretary of evangelist, social secretary, Sabbath schools and assistant secretary of foreign missions \$3,000 each; secretary of church prayers, \$2,500, and the district superintendent of home missions \$2,900. Specific Sundays were set aside by the assembly on which ministers may present to their congregation different phases of the work of the church. The bishop of Niagara, Very Rev. Dean Owen, and Ven. Archdeacon Forner, were received by the assembly as

a delegation from the Church of England. "Out of the myriad meetings and greetings may I express the hope that the spirit of unity, brotherhood and co-operation may be fostered," was one of his lordship's remarks.

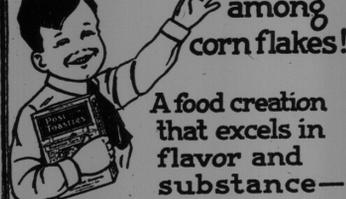

EX-KAISER AS WOOD CUTTER

Amroengen, May 31.—(Correspondence of A. P.)—Seventy-seven trees sawed into logs in one day is the best record attained by William Hohenzollern since his flight into Holland and his semi-imprisonment in the castle of Amroengen. William II completed on May 14, the last of his sawing. The last of these was cut into about 20 small blocks, which were taken to the ex-Kaiser's apartments in the castle and there marked by his own hand with the date of the occurrence.

On this occasion, as when the 1000th and 2000th trees were cut, blocks were presented as souvenirs to several members of the suite and to the workmen in the castle garden who help in arranging the trees for sawing. Most of the remaining blocks were then packed in a case and sent off to Germany for distribution among those who have remained true to the memory of their ex-ruler.

Magnificent efforts have been made by visitors in Amroengen to obtain possession of one of these historical blocks of wood, but all efforts to buy them from their owners have been futile. It must not be imagined that the trees sawed by William Hohenzollern are plants of the forests. Most of them are mere saplings. The ex-Kaiser complains about the smallness of the trunks brought to him, and recently some trees of from three to six inches in diameter have been placed on the block for him. He sometimes becomes nervous when working at his self-imposed task and is inclined to snap out a sharp remark not to the liking of those aiding him, whether they be ordinary laborers employed by Count Pentzsch or members of the ex-monarch's suite. This occurs occasionally when a bent tree trunk is placed on the block, and in order to avoid such occurrences orders have been given that only straight limbs be brought into the shed so that when they are laid on the block ready for sawing they shall not be crooked. The trunks are all marked in advance with white chalk at the places where they are to be sawed.

DEPUTATION RECEIVES NO ENCOURAGEMENT FROM PREMIER

Lloyd George Hears Nationalists From South Africa

SHOULD NOT UNDO THE PAST

Desire Was for Restoration of National Status of South African Republic as Before Boer War—Delegates Told Britain Can Not do Anything That Would Disrupt Union

London, June 11.—(By the Associated Press)—Great Britain cannot take any action which would mean the disruption of the Union of South Africa. This, in effect, was the answer given to a deputation of the Nationalist party of South Africa by Premier Lloyd George in Paris on June 5. The premier received the deputation, which included General J. B. M. Hertzog and Judge F. W. Reitz, former president of Orange Free State. It was explained that the chief object of the Nationalist party was to obtain restitution of the national status of the South African republic existing before the Boer war.

Lloyd George said that the South African Union was based on a fundamental agreement between the British and Dutch elements, and could not be dissolved by one element without the consent of the other. Great Britain therefore was unable to take any action which meant the disruption of the union. General Hertzog said that the deputation represented the old populations of the Transvaal and Orange Free State. They were actuated by no race antagonism, but were determined by constitutional means to press their claims for independence.

The premier made the point that the deputation did not claim to speak for the whole people of the union, nor even for the whole populations of the Transvaal and the Orange Free State. He was unable to see how the British government or the imperial parliament could re-open "the great settlement forged out in the heat and trials of the last twenty years," merely on account of differences between various sections of the South African people themselves.

The principle of self-determination, added the premier, had been given effect by the people of South Africa. He pointed out that the Nationalist party, in fact, was not a party of the future, but of the past, and he advised the South Africans as a friend not to endeavor to undo the past, but to look forward confidently to the great future.

When the South African delegation was in London and sent a request to Premier Lloyd George for a hearing on the subject of the independence of the union, it was understood the British government would be guided in dealing with this question by the advice of General Louis Botha, South African premier, and his colleagues.

REPORTS PRESENTED AT W. A. SESSION

Fredericton, June 10.—The address of the president, Mr. Walker, was delivered at this afternoon's session of the Fredericton diocesan branch Women's Auxiliary. A review of the year's work also was given. The reports of the recording secretary, Mrs. H. J. Roberts, and the corresponding secretary, Mrs. W. D. Foster, were presented, also those of Miss Gladys Frink, girls' branch secretary, and Miss McKenzie, junior secretary-treasurer. The report of Miss McKenzie showed that the membership of the club had decreased slightly but that contributions to missions had increased. Fourteen branches had been organized in the diocese and eleven branches had contributed Christmas boxes. Missionary work was gradually being taken up. Mrs. J. G. Sandler, lecturist editor, gave her report on the between April, 1918, and June, 1919.

The treasurer, Mrs. C. A. Robinson, reported in detail showing that membership and contributions were increasing each year. She also praised the new branches and referred to the prompt manner in which calls for increased pledges had been met. At the conclusion of her report, Mrs. Robinson thanked all who had cooperated with her and she was presented with life membership in the W. A. Mrs. John M. Hay, diocesan secretary, reported that \$2,000 had been expended in aid of Indian children at the Indian boarding schools in the northwest. Twenty-eight boxes were sent at a cost of \$80.02. This work was largely shared in by the junior branches. The question box was opened and the questions read and discussed. The suggestion that a paid secretary-treasurer be employed provoked lively difference of opinion. By some it was stated that the employment of such a paid official would be a blot on the annals of the W. A. Tonight a meeting of the girls' branches was held and that meeting was followed by a reception at Bishop's Court by His Lordship and Mrs. Richardson.

Many Missionaries. A class of eighty-six newly appointed missionaries, the largest number ever consecrated in one year, met in New York the other day with the Board of Foreign Missions of the Presbyterian Church to receive final instructions before departing for foreign fields. Absentees who are expected will bring the total number of new missionaries under appointment to 123.

COLGATE'S RIBBON DENTAL CREAM

Children Use It Without Urging

The truly delicious flavor of Colgate's Ribbon Dental Cream is the greatest possible encouragement to the faithful use of the tooth brush.

ATLANTIC CITY BIDS FOR CONVENTION OF ROTARIANS IN 1920

Atlantic City, June 11.—Rotarian delegates to the National Conference of Social Workers and other conventions of a national character in session here have expressed themselves as favorable to the International Association of Rotary Clubs. The only exceptions to this have been on the part of delegates who are identified with Rotary Clubs in other cities competing for the convention.

The visitors were well represented at the weekly luncheon of the local Rotary Club and in addressing it upon invitation of President J. S. Logue there was a striking unanimity of opinion that Atlantic City would be an ideal place for holding the 1920 sessions. They based their declarations on the fact that the International Association of Rotary Clubs are accustomed and can entertain the convention, regardless of how many delegates attend it, without crowding into bedrooms more than their normal capacity. They were informed that 9000 rooms with baths, including 8000 rooms in beach front, and 6500 rooms in side avenue hotels will be reserved by the local convention committee if Atlantic City is selected. These facilities would accommodate more than 10,000. The delightful climate, the average temperature for fifty years having been 66 degrees, impressed the visitors.

The Atlantic City delegation will carry the invitation to the International Association which will start for Salt Lake City convention with the other clubs of the Fifth District of Rotary who are all cooperating in the contest. They will assemble at Harrisburg, Pa., 123 strong, Chairman Joseph McNamee of the 1920 Convention Executive Committee left to prepare for the arrival in Salt Lake City of the big contingent. In his capacity as city commissioner, Dr. Underwood Cochrane, also a delegate to the international convention from the local club will carry an official invitation from the city commission. Atlantic City and the Fifth District point to the fact that no International Convention has been held on the eastern seaboard, and urge that the east needs the inspiration that can be had from such a gathering of Rotarians. The conventions heretofore have been held in the south, middle west or far west.

Quebec Has Best Butter. Ottawa, June 10.—W. E. Matthews, of the Matthews-Blackwell Company, told the Cost of Living Committee of the commons this afternoon that the butter made in the eastern townships of Quebec was the best in Canada. The price of butter was regulated by official auction of that butter held twice a week. Discussing matters affecting his own business, he said that storage did not cost one-third of a cent per pound. Regulations allowed the packers a four per cent gross profit wholesale and ten per cent retail. The cost of operating retail stores was from sixteen to eighteen per cent.

"I want the Canadian people to get a vast vision of the trade opportunities in Europe. It is not trade between one firm and another, but trade between whole nations and a sister nation." That is the message of Mr. Lloyd Harris, head of the Canadian Mission in London, of his return to Canada.

FOOD FOR STARVING EUROPE

Ship in Montreal harbor being laden with Canadian flour for distribution amongst the people of central Europe.—British and Colonial Press photograph.

WILL GO AHEAD WITH VOCATIONAL EDUCATION PLAN

Mayor Gives Deciding Vote in Council—Some Opposition For Financial Reasons—Street Railway Matter Up

At a meeting of the common council yesterday afternoon the favorable recommendation of the committee to the council as a whole in the matter of vocational training caused further discussion by the commissioners. However, the recommendation passed the council with the mayor casting the deciding vote. Other matters dealt with were a resolution of Commissioner Jones, a result of a communication from the board of health, that no permits for building purposes be granted in the city unless the street and sewerage be provided with proper water and sewerage services; and a resolution from Commissioner Fisher, following a request from the New Brunswick Power Company, granting permission to place a track connection (switch) at the corner of Union and Sydney streets with an additional resolution that the Power Company pay an 1918 bill of \$17,000 for paving the track section in three turn-outs in Main street. The mayor and all the commissioners were present.

The council accepted the recommendation of the committee to sell the Butler house and lot on the Mifford road to Michael and Agnes Butler for a cash consideration of \$400. The recommendation of the committee to the council that the board of school trustees of St. John be requested to apply to the vocational education board for power to establish, equip and maintain a vocational school, setting forth and including in such applications the plans for the construction desired and the nature of the construction desired was approved by Commissioners Jones and Thornton with the ground that the present financial condition of school matters in the city of St. John did not warrant additional expenditure.

A communication was read from Fletcher Peacock, director of vocational training, explaining that all money expended for vocational purposes, was under the absolute control of the commissioners. This information seemed to clear away a doubt in the minds of some of the commissioners. Commissioner Fisher said that he was willing to support the recommendation on this understanding.

The motion was put to the meeting and Commissioners Jones and Thornton opposed it with Commissioners Bullock

LIFT OFF CORNS!

Doesn't hurt a bit and costs only a few cents

Magie! Just drop a little Frezzone on that touchy corn, instantly it stops itching, then you lift the corn off with your fingers. Truly! No humbug! Try Frezzone! Your druggist sells a tiny bottle for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and alluses, without one particle of pain, soreness or irritation. Frezzone is the discovery of a noted Cincinnati genius.

WOMEN! MOTHERS! DAUGHTERS!

You who live easily, are pale, haggard and worn; nervous, irritable, who are subject to indigestion, who get your blood examined for iron deficiency.

SEVEN SEAS CHAPTER. The Seven Seas Chapter of the I. O. D. E. met last evening at the residence of Miss Helen Robertson in Wright street, with the regent, Miss Dorothy Jones, presiding. Miss Alice Wilson was elected standard bearer in place of Mrs. Charles Salmon, who has removed from the city. Plans were discussed at the meeting for the summer work to be undertaken by the members and arrangements were made in regard to holding the annual gift bazaar. It was decided that knitting for the Red Cross Society should be continued during the summer and the chapter arranged to take charge of the Red Triangle cause headquarters in St. John.

WORLD'S RECORD IS BROKEN BY TANLAC

Bottles Sold in Four Years Would Form Track of Tanlac That Would Reach From New York to Denver, Colo.

This is an age of big business, and although the public has become accustomed to big figures, the story of the marvelous growth of America's latest day commercial history.

Four years ago very few people had ever heard of Tanlac. Today it unquestionably has the largest sale of any medicine in the world. In the brief period of only four years this now famous remedy has risen from obscurity to the very pinnacle of success. Its fame, in fact, has long since spread beyond the limits of the continent, and numerous inquiries regarding it are now being received from many foreign countries.

Very few people, however, fully realize what a really wonderful record Tanlac has made. Indeed, if it were not for the unquestionable facts and figures given by the largest and best known drug firms of the country, the story of its success would be hard to believe.

Up to January last, the total sales of Tanlac amounted to approximately twelve million bottles. The demand however is increasing, for during the first ten weeks of this year over one million bottles were sold and distributed in the United States and Canada. The exact figures are not available, but it is estimated that 1,700,000 bottles of Tanlac will be sold during every year of the average working day.

These figures are too stupendous for the average mind to grasp, but one may visualize what twelve million bottles means by imagining them laid out in a single file to end the world. They would make a track of Tanlac from New York through Chicago, and on to Denver, Colorado; or they would form a double track of Tanlac from the Great Lakes to the Gulf of Mexico. Piled end to end they would reach as high as Pike's Peak, or rise 13,833 times higher than the Woolworth Building in New York, the tallest building in the world.

The demand for Tanlac has become so great that its sales in many of the leading cities are now reckoned by the carload, and even by the train load. In fact, the demand for Tanlac has become so great that it is a noteworthy fact that the leading drug jobbers everywhere now buy Tanlac almost exclusively in car load lots.

To supply the Pacific Coast trade alone requires from forty to fifty carloads per year. The well-known Middle West selling from seventy to eighty carloads per year. One jobbing concern alone, the J. C. Smith Drug Company of Kansas City, Missouri, is selling at the rate of twenty car loads of 24,000 bottles each year. In a letter dated April 1919, the J. C. Smith Drug Company says: "In figuring the amount of Tanlac sold in this territory we find that we have sold more than a quarter of a million packages in eight months."

The well-known drug firm of Hiesig-Elis Drug Company, of Memphis, Tennessee, has sold over car loads since the introduction of Tanlac in that state four years ago. Mr. R. R. Ellis, president of that company is authority for the statement that the demand for Tanlac has been greater than any other five medicines combined.

Within the past ninety days, ten car loads of Tanlac have gone to supply the demand of British Columbia, Saskatchewan, Alberta and Manitoba. Mr. Charles McD. Hay, president of Lyman Brothers & Company, Limited, of Toronto, one of the largest Canadian drug firms, has sold over 100,000 bottles of Tanlac since October, 1918, while our total purchases have amounted to 12 cars within the past two years.

The Owl Drug Company, of San Francisco, the largest retail druggists on the Pacific Coast, state that they have sold more than 150,000 bottles of Tanlac, which surpasses the remarkable record of the Jacobs Pharmacy Company, of Atlanta, Georgia, who have sold approximately 50,000 bottles.

These enormous sales mean but one thing, and that is, Tanlac is widely advertised, it is true, but such an unprecedented and rapidly growing demand could not be brought about by advertising alone. One bottle is sold in neighborhood through advertising, but ten more bottles are sold through word of mouth. People are always willing to talk about their ailments, but they are more than willing to tell others of the medicine that helps them.

Tanlac is composed of the most beneficial roots and herbs known to science. The formula complies with all national and state pure food and health laws of both the United States and Canada; and absolute merit and merit alone is responsible for its phenomenal and unprecedented success.

Tanlac is sold in St. John by Ross Drug Company and F. W. Munro under the personal direction of a special Tanlac representative.—(Adv.)

MEDIATOR AT WINNIPEG

ASK KENNEDY, ASSISTANT GRAND CHIEF OF THE BROTHERHOOD OF LOCOMOTIVE FIREMEN AND ENGINEERS, WHOSE SUGGESTION HAS BEEN THE BIG STRIKE OF THE RAILROAD BROTHERHOODS HAS BEEN ACCEPTED.

Ask Kennedy, assistant grand chief of the Brotherhood of Locomotive Firemen and Engineers, whose suggestion has been the big strike of the railroad brotherhoods has been accepted.

"This lasted about two months before we used Cuticura. It helped me never thought I would be all healed after two weeks and two boxes of Soap and two boxes of Ointment." (Signed) Miss Gladys Williams, Youngs Cove, N. B., May 22, 1918.

GOVERNMENT MUST BRING PRICES DOWN

"If this country handled its business like the farmer handles his, it would be much better for the country. The farmer feeds and clothes his family and sells what is left. If Canada would feed and clothe its citizens first and export what is left it seems to me it would settle a lot of trouble." (Signed) Major Richard, president of the Eastern Great War Veterans, at the meeting last week in the Belmont Assembly Hall during the discussion on the high cost of living and the causes of industrial unrest.

"Naturally the people are getting tired of eating. It is time all food prices were controlled," declared Comrade James.

Although the veterans discussed the high cost of living in terms of the present industrial unrest in a quiet manner, they nevertheless, were firm in their demand that something be done to control the prices of the necessities of life. They were unanimous in endorsing the following resolutions passed by the Port Arthur veterans on May 29:

"That the Port Arthur branch of the G. W. V. A. maintain at all costs law and order and the British ideals and institutions for which their comrades fought and died.

"That in the event of a strike in Port Arthur, any returned soldier who is unable to work will be protected by the association.

"Whereas the present unrest is largely traceable to the high cost of living, be it resolved, that immediate legislation be enacted to bring about a decrease in the cost of living, and that the association itself do everything in its power to attain this, even to demanding the resignation of any member of the government if they fail to enact the necessary legislation within a reasonable time and replacing it by a government that will do what is needed to remove the present cause of unrest in this Dominion.

"That the soldiers' return to civil life is being materially interfered with at present by the labor unrest, therefore returned men find themselves in no position to do without work, and that the numbers of workers who made big profits during the war are able to subsidize their labor unrest; and this assistance be removed by being systematically robbed of food, manufacturing and wholesale profiteering; therefore this association demand drastic action in the matter of reducing the prices of food and clothing, or failing this, the Dominion Government should take immediate action to deal with the problems which, if not dealt with, mean the overthrow of constitutional government and distress for the returned soldier and his dependents.

This resolution is being sent to the press, all branches of the G. W. V. A., and the Trades and Labor Councils of the Dominion.

ASK COMMUTATION OF McCULLOUGH SENTENCE

Toronto, June 10.—With a view to obtaining the commutation of the death sentence of Frank McCullough, the murderer, who is to be hanged here on Friday morning a number of local trade unions today sent telegrams to the minister of justice, Ottawa. It is stated that four thousand members of labor unions have signed petitions for the commutation of the sentence.

AS OTHERS SEE US. (Fredericton Mail). It is to be hoped that the formation of the All New Brunswick Tourist, Game and Resources Association will put an end to the hard feelings which without doubt have existed between St. John and other places in the province. During the recent session of the legislature members from St. John voiced the belief that other sections of the province did not have any too kindly feelings for the commercial center. Outside of St. John the feeling is that in the past New Brunswick's largest city has been prone to look out for its own interests no matter what happened the rest of the province. A resident of Chatham has stated that an attempt made years ago by St. John people to cripple a Chatham exhibition caused an ill-feeling in the North that community after the first battle produces results. People are always willing to talk about their ailments, but they are more than willing to tell others of the medicine that helps them.

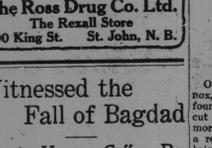

BABY COVERED WITH ECZEMA

When 4 Days Old. Cries and Cried, Cuticura Heals.

"My baby brother had eczema which began when he was about four days old. It came in little pimples and then in a rash, and he was covered. He was so cross that he could not sleep, and he cried."

"This lasted about two months before we used Cuticura. It helped me never thought I would be all healed after two weeks and two boxes of Soap and two boxes of Ointment." (Signed) Miss Gladys Williams, Youngs Cove, N. B., May 22, 1918.

Witnessed the Fall of Bagdad

Captain Vernon Coffin Returns Home After Long War Service.

Fredericton, June 10.—Captain Vernon Coffin, who has been connected with the British army medical service since the outbreak of the war, arrived here Monday via Halifax, and proceeded to Pokok where he is visiting his wife's parents, Mr. and Mrs. George F. Burdick. Captain Coffin served under General Allenby in the Mesopotamia campaign and was present at the fall of Bagdad. He also served for a time in Egypt and the Holy Land. He returned to England soon after the armistice was declared and has been taking a post-graduate course. Captain Coffin arrived at Halifax Saturday on the steamer Cedric.

GURED OF DYSPESPIA BY USING BURDOCK BLOOD BITTERS

The symptoms of dyspepsia are so numerous and diversified in different individuals that probably no description could exactly represent them as they occur in any one case, but a few of the most prominent are a rising and souring of food, pain, flatulence and distension of the abdomen, a sensation of discomfort after every meal, which is sometimes followed by sickness and vomiting.

To get rid of dyspepsia a careful arrangement of the diet is necessary and due time must be given for the digestion of the meal.

You will find that Burdock Blood Bitters will help with this digestion. It does this by toning up the stomach in such a way that the dyspepsia soon disappears.

Mr. Robt. Baldwin, Winnifred, Alta., writes: "I cannot speak too highly of Burdock Blood Bitters for curing dyspepsia, of which I have been a sufferer for years. I have tried a good many doctors and proprietary medicines, so one day I thought I would try something different. I got a bottle of B. B. B. from our local store, and it was about the only remedy I kept, and I can certainly say that I was more than pleased with the results, as I got better right away, and will always recommend it to other sufferers."

TO SHOW ROBBERY AS MOTIVE FOR SKEELS' MURDER

Jewelry in Possession of Accused Will Establish it, Says District Attorney.

Lawrence, Mass., June 10.—Preliminary testimony was heard today in the trial of Mrs. Bessie M. (Skeels) Lundgren, for the murder of Miss Florence W. Gay. Only one witness took the stand, Mrs. Agnes Claffin, of Andover, who was employed as a nurse in the Gay home for a period before Miss Gay's death in December, 1917.

Mrs. Claffin testified that her employment ceased two days before Miss Gay died. She said that while she was there she never saw Mrs. Lundgren, but received all her instructions from Mrs. Skeels, the nurse in charge of the case of Miss Gay. Mrs. Claffin testified that Mrs. Lundgren complained of a sore throat a few days before her death and failed steadily after that. She testified that Miss Gay was very sensitive about a skin disease from which she was suffering.

Evidence that clothing and jewelry owned by Miss Gay had been found in Mrs. Skeels' room, the district attorney said, would establish a motive for the alleged murder.

WOMAN APPARENTLY MURDERED AND SON IS HELD BY POLICE

Ottawa, June 10.—Mrs. Margaret Lennox, lying at 805 Arlington avenue, was found dead in bed with her face badly cut and bruised, about 7 o'clock this morning. Her son William, aged twenty, a returned soldier, was arrested and is being held on a charge of vagrancy.

HAD WEAK AND FAINTING SPELLS

"Those feelings of faintness, those weak, 'all gone' sinking sensations, which come over some people from time to time, are warnings that must not go unheeded. They mean an extremely weakened condition of the heart and a disordered nervous system.

When the system is in this condition there is no time for delay. One fainting spell may be recovered from—will the next. One dizzy spell may pass off, but the next may be more serious. Those who are wise will start taking Milburn's Heart and Nerve Pills, before the system has become deep rooted and hopeless.

They will act directly on the disordered system, and will strengthen the heart and restore them to full strength and vigor. Mary McCoy, Algona, Minn., Ont., writes: "I was awfully troubled with fainting and weak spells, and I never got any doctor's medicine to help me. One day a friend of mine was at the house when I took one of those spells, and she got me a box of Milburn's Heart and Nerve Pills. That was six years ago, and from that day I have never had any of those spells. I would not be without your pills for any money, and can highly recommend them to any one who is troubled with fainting or weak spells."

Catarrh Of The Stomach Is Dangerous

"Thousands Have It, and Don't Know It," Says Physician. Frequently Mistaken for Indigestion—How to Recognize and Cure It.

"Thousands of people suffer more or less constantly from furred, coated tongues, bad breath, sour burning stomach, frequent vomiting, rumbling in stomach, bitter eructations, gas, wind, and stomach acidity and call it indigestion when in reality their trouble is due to gastric catarrh of the stomach," writes a New York physician.

Catarrh of the stomach is dangerous because the mucous membrane lining of the stomach is thickened and a coating of phlegm covers the surface so that the digestive fluids cannot mix with the food and digest them. This condition soon breeds deadly disease in the fermented, unassimilated food. The blood is polluted and carries the infection throughout the body. Gastric ulcers are apt to develop and frequently an ulcer is the first sign of a deadly cancer.

Pimply Face? Drive 'Em Away This Very Night

Simple and Inexpensive Way to Clear Up Sallow Complexion

YOU GET RESULTS QUICKLY. An easy way to freshen up the dull, sallow skin is to purify the blood, clear it of all humors, and enrich it by the regular use of Dr. Hamilton's Pills. Not only will Dr. Hamilton's Pills put roses in your cheeks and brightness in your eyes, they will do wonders for your general health, and quickly make you feel and look like a new person.

Impossible to have headache, indigestion, or bilious fits if you tone the system with Dr. Hamilton's Pills. Neither will you have torpid liver, constipation, or bad breath. Your whole body will be cleaned, purified, strengthened. To get back lost looks and to restore falling health no better medicine for man or woman than Dr. Hamilton's Pills could be recommended. For forty years the Catarhoeine Co. has sold them under guarantee in 50c boxes.

was intoxicated last night and that when he came home another man was with him. He does not know who it was but says this stranger remained in the house when he went to tell his father of his mother's illness. An inquest will be held and the prisoner has been remanded on a nominal charge of vagrancy.

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try It! Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and blemish, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.

After a Hard Day's Work

Rub the tired muscles with a few drops of the soothing, refreshing, antispasmodic Absorbine, Jr., and you will find it pleasant and convenient to use and remarkably efficacious. This eminent invigorates jaded muscles, limbers the joints, and prevents second day soreness and lameness after a strenuous, tiresome day of sport or work.

THIS WOMAN SAVED FROM AN OPERATION

By taking Lydia E. Pinkham's Vegetable Compound, One of Thousands of Such Cases. Black River Falls, Wis.—"As Lydia E. Pinkham's Vegetable Compound saved me from an operation, I cannot say enough in praise of it. I suffered from organic troubles and my side hurt me so I could hardly be up from my bed, and I was unable to do my housework. I had the best doctors in Eau Claire and they wanted me to have an operation, but Lydia E. Pinkham's Vegetable Compound cured me so I did not need the operation, and I'm telling all my friends about it."—Mrs. A. W. BINSER, Black River Falls, Wis.

It is just such experiences that of Mrs. Binzer that has made this famous root and herb remedy a household word from ocean to ocean. Any woman who suffers from inflammation, ulceration, displacements, backache, nervousness, irregularity or "the blues" should not rest until she has given it a trial, and for special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass.

**Ban Johnson Sees Big Season Ahead**

"Baseball Coming Back Strong" He Says—Expects Change in World Series Money Division System

Boston, June 9.—President Ban Johnson of the American League, who was in Boston for the unveiling of the T. H. Murnane monument, is very optimistic over the baseball situation.

"I believe," said Mr. Johnson, "that baseball is coming back stronger than ever. It is remarkable how interest in the game has revived. The attendance at games all over the circuit is surprisingly large, despite the fact that the weather this spring has been very unfavorable. I do not recall when the weather has been so persistently bad as it has been since the present season opened. Nevertheless, we have been doing very well indeed, and the indications are that as the race progresses, larger and larger crowds will turn out to see our games."

"It looks as if we were going to have a hot race, and that, and good weather, are sure to bring out the crowds."

Mr. Johnson said that undoubtedly there would be a change in the division of the receipts at the world's championship series from the one in vogue last year. He already has had a talk with President Heydler of the National League on this subject, and a special meeting has been called for this week, which will be held in Cincinnati to consider the matter and to arrange a new system.

The plan of having the members of four clubs in each league participate in the division, as was the case last year, would be abandoned, he was quite sure, but as to whether a return would be made to the original scheme of having only the members of one club in each league benefit he was not so certain. He was inclined to believe that a plan to have the leading two clubs in each league benefit would be adopted.

Mr. Johnson left for New York and after a short stay in that city will continue on his way westward. He was very much pleased with the unveiling ceremonies. He was a particular friend of Mr. Murnane and was responsible for the erection of the lasting memorial in his honor. He declared that he felt the American League had honored itself in honoring the memory of a man who had done so much for baseball. In his long

association with Mr. Murnane, he said, he had never talked with him for five minutes without feeling that he, personally, had benefited from their meeting.

On Esplanade Links.  
Newton, Mass., June 11.—Mike Brady of Oakley fought his way to the lead in the national golf championship at the Bracon Country Club yesterday, when he completed the first thirty-six holes in

**MONROE THE NEW ARROW COLLAR FOR SPRING**  
Cluett Peabody & Co. of Canada Limited

148 strokes. Brady was out in thirty-six and home in thirty-eight for a seventy-four, the same figure he scored on Monday for the first round.

Two strokes behind the leader was Charles Hoffman of Philadelphia, who led

the field at the end of the first eighteen holes. Hoffman was followed by a large gallery yesterday, and it appeared to affect his play slightly. He scored a seventy-eight.

Bunched behind Brady and Hoffman are several professionals and the two brilliant amateurs, Charles Evans, Jr., and Francis Ouimet, each capable of shooting a record round and going into the lead.

Spencer Brothers In Bad.  
(Toronto Star.)  
When Art Spencer, ex-Toronto and Canadian amateur cycling champion, and the United States pro-cycling champion of 1917, punched Frank Kramer on the jaw following a race at Newark, he punched himself out of the pro-racing game in Newark. He got out on \$500 on the charge of assault yesterday and though Kramer refuses to prosecute, the police are forcing the issue. He will be sentenced today.

John M. Chapman, manager of the Newark Velodrome, said yesterday that Spencer never again would be permitted to ride at the Newark track as long as he (Chapman) was in control there. The chances are that

**TOWERS WATERPROOF CLOTHING**  
"Takes the Wet out of Rain"  
The "Twenty-Two" Coat

This coat that hangs out all day long will keep you dry and comfortable. It is made of a special waterproof material that is completely impervious to water. It is light, strong, and comfortable to wear. It is the only waterproof coat that is made in Canada.

TOWERS WATERPROOF CLOTHING  
100 King Street  
Toronto

the ex-champion, if he concludes to continue racing, will shift to San Francisco, where a small track is in operation and small purses are offered. By the act which resulted in his banishment from Newark he killed the goose that laid the golden egg. The order "Go" has also been issued for Willie Spencer, brother of the ex-champion. Willie returned about a week ago from Europe. In his first meet at the Newark track last Friday, which was Memorial Day, he was matched with Kramer. After being beaten in the first half Willie Spencer gave Kramer a rough ride in the second, with the result that the two riders crashed in front of the grand stand. Spencer Number 2 had to have several ribs patched up in the hospital here after the collision, while Kramer was badly bruised. The latter had just about recovered riding form when brother Arthur Spencer knocked him cold.

North End League.  
In the North End league last evening the Carrows defeated the Beavers by a score of 6 to 3. The game went six innings and was witnessed by a large number of fans.

### Notice To Advertisers

It is important that advertisers in The Evening Times take notice that, under the prevailing conditions due to change of time on the railroads, this newspaper is obliged to issue one hour earlier than usual, in order to make mail connections and, consequently, begin work an hour earlier in the day, therefore the business office will be open from 8 a. m. to 5 p. m., (old time) and advertisers are requested to have their copy in the office one hour earlier than usual. This to ensure prompt service and changes.

### LOCAL NEWS

**DEATH OF CHILD**  
Mr. and Mrs. F. L. Foster will have the sympathy of many friends in the death of their infant son, Frederick Lawton, which occurred today.

**A VISITOR FROM SWEDEN.**  
Mrs. Axel Anderberg of Homsdal, Sweden, is spending the summer with her parents, Mr. and Mrs. James Brown in Lepreau. She is accompanied by her three children.

**TO VISIT UNCLE.**  
Signaller H. A. Conwell, who recently returned from Siberia, left today for Campbellton to spend two weeks with his uncle, James Conwell. On his return he will visit friends in Bathurst, Newcastle and Chatham.

**HIGH FREIGHTS.**  
A local shipping merchant, in conversation with a reporter this morning, said that there seemed to be an active demand for vessels to carry goods to the United Kingdom. He said that as high as 850 shillings a standard is being paid.

**BYE-LAW MATTER.**  
In connection with traffic matters, a report was made by Policeman Hogg against J. A. Fugley & Company for allowing one of their motor cars to exceed the speed limit in Main street, June 8. Kenneth J. MacRae appeared for the company. The case was postponed until tomorrow morning.

**FRANK BURNS IN BANGOR.**  
Commercial, Tuesday, Frankie Burns, famous middleweight from the Pacific, who has been admitted for the next few months in New Brunswick at St. Stephen, St. John and Moncton, was in Bangor on Monday looking over the ground with a view to arranging a bout or two here. Burns has just returned after service with the Artillery, and after fulfilling his contracts in the east will return to the west.

**WILL BUILD HOUSES.**  
Harry Garson, after investigating the local situation, has decided that the present cost of building is no barrier to the construction of houses as an investment and is planning to give evidence of his faith in his convictions by erecting three self-contained dwellings of the cottage type on the southern side of Douglas avenue, near the bridge, to be called at city hall this morning to make arrangements for water and sewerage.

**HON. MR. BYRNE HOME AGAIN**  
Moncton Transcript, Tuesday—Hon. J. P. Byrne, general manager of New Brunswick, and Mrs. Byrne, returned to Bathurst today. Mr. Byrne who has been in Rochester, Minn., attending to his business, and who incidentally took a trip by way of Port Arthur, Duluth and other points, is his many friends glad to learn, much improved in health. He responded readily to the treatment given by the specialists at Rochester when he consulted.

**TO MEDICAL MEETING.**  
Dr. H. A. Farris, superintendent of the St. John county hospital, left on the Boston train last evening for Atlantic City, where he will attend the meeting of the tuberculous section of the convention of the American Medical Association and the Canadian Medical Association in Quebec. At this convention Dr. Farris, whose experience in lung diseases has qualified him as an authority on the subject, will read a paper on tuberculosis and its treatment.

**BAND OF HOPE MEETING.**  
The first meeting of the Band of Hope in the Leck-Lomond district was held in the hall at Otter Lake on Tuesday evening, with the rector of the parish, Rev. C. W. Follett, presiding. There was a good attendance and Rev. J. H. A. Holmes, rector of St. Jude's church, delivered a very interesting address. The children of the parish, under the leadership of the school teacher, Miss Gunter, gave an enjoyable program. The proceeds of a sale of refreshments, which amounted to about \$5, will be applied to the new Protestant orphan home fund.

**ORGANIZING NEW BAND.**  
Another band is to be added to the list of musical organizations in the city, if plans now under way are carried to a successful completion. Dominion Orange Lodge, No. 141, in the North End, is responsible for the new organization and the committee in charge has found among the returned soldier members many accomplished bandmen who have shown their willingness to join. The first rehearsal was held a few days ago and it is expected that the new band will make its first appearance in public on a river excursion on Dominion Day.

**C. N. R. POLICE.**  
A visitor to the city yesterday was F. H. Page, chief police inspector of the Canadian National Railways, with head offices in Toronto, who is making a tour of inspection of the various districts with the idea of consolidating the police branches. He was accompanied by J. J. Dunphy, chief inspector of this district, from Moncton. Together they went over the work of the local government railway police. While it is not known just what may follow the visit, it is understood that among other things stripes will be given to the senior police who will be enrolled as sergeants and uniforms provided for the men acting as watchmen in the different sheds and wharves.

**COMING ON OLYMPIC**  
In the list of those returning aboard the White Star liner Olympic, due tomorrow, there is only one for demobilization in St. John. It is believed that this is Capt. A. Gordon Rainnie, who has been overseas for the last four years. Captain Rainnie was widely known about St. John and through the province. He was with D. K. MacLaren, Ltd. here before enlisting with No. 2 Divisional Train, with which he went across. He went to France with the second division in September, 1915, and has been serving in various capacities since then, latterly being paymaster with the 4th Divisional Train. Captain Rainnie is sure of a hearty welcome.

### SIXTY ADDED TO LIST THIS YEAR

Power Boat Club Thriving—Boats Number 250—Some Plans For the Season

Plans for a gala celebration on July 1 are being made by the officials of the St. John Power Boat Club. On this date the annual cruise is held and the event is one of the features of the summer season. It is customary to hold a series of races that day and this year an effort is being made to make this part of the programme the best ever. In order to stimulate interest Commodore Chelley has offered a large silk flag to be awarded as a prize for the fastest motor boat in New Brunswick, inscribed on the flag is "Fastest Boat in New Brunswick, Season 1919." The flag is made of blue and white silk and has the club anchors on it. Any motor boat of any size or make in the province is eligible to enter this race and as a result it is felt that it will be one of the greatest motor boat races ever held in these parts.

The annual Sunday service of the club will be held on Aug. 3. This is another feature which attracts considerable interest and is awaited with pleasure by the club members.

At a meeting of the club last evening twenty-five men were admitted as members. This makes sixty since the season opened and the outlook is bright for many more before the summer is advanced. At the present time there are upwards of 250 power boats belonging to the club.

### ANNUAL MEETING OF CARLETON CHURCH

Charlotte Street Baptist Reports for Year on the Activities—Officers Elected

The annual meeting of the Charlotte street Baptist church, West End, was held last evening, with the pastor, Rev. H. J. Jenner in the chair. The meeting was opened with devotional exercises, scripture being read by the pastor and prayer offered by Deacon R. E. Freeze. The reports from the various officers and committees were very satisfactory. The treasurer's report showed that all accounts except that of the building fund had been paid and there was still a small balance in the bank.

The amounts raised during the year were as follows—On the regular current account, \$2881.78; for installing new pipe organ and necessary changes, \$1724.47; contributions towards the building fund, \$282.88; for the missionary work of the church, \$624.71; receipts of Sunday school work, \$408.02; Women's M. A. Union, \$200; Y. P. S., \$128.14; and Junior B. Y. P. U., \$85, a total of \$6769.90.

A special committee was appointed to make a recommendation to the church for the payment of the balance of \$1800 on the building fund; this is the residue of an amount of \$2,000 spent about three years ago in repairs and additions to the church and Sunday school rooms.

The pastor's report showed that thirteen persons had been received into the church during the year, nine by confession and Christian baptism and four by letter. Nine members had been taken away by death, including the pastor's daughter, who had given her life while in the service of her country, (Miss Jenner died in London while a member of the Canadian nursing service)—two in the service of her country, (Miss Jenner died in London while a member of the Canadian nursing service)—two in the service of her country, (Miss Jenner died in London while a member of the Canadian nursing service)—two in the service of her country, (Miss Jenner died in London while a member of the Canadian nursing service).

There was a balance of \$44.82 in the Brotherhood Kindness Fund.

Committees for the ensuing year were elected as follows:—

Trustees—R. E. Webb, W. P. Hoyt, R. L. Adams, John Nice, A. C. Gregory.

Finance—G. N. Mott, A. C. Gregory, John Knight, John Tremlin, Harry Gallant.

Help—Vernon Warnock, Geo. White, Geo. Layton, Woy Hoyt, Charles Adams, Blenden Seely, Arthur Fullerton, Burgess Fullerton, Herbert Richardson, Rudolph Grant, John Knight, David Maxwell.

Officers elected were: Treasurer, D. C. Clark; assistant treasurer, Miss Nellie Rogers; clerk, W. P. Hoyt; auditors, P. L. Webb and A. C. Gregory.

Music—William Lavoy, C. N. Mott, J. R. Webb and Mrs. N. P. McLeod.

### QUEENS COUNTY HEALTH BOARD

Dr. J. P. L. Brown, district medical health officer, returned today from Gagetown, Queens county, where he presided at a meeting of the sub-district board of health for that county.

In speaking to a Times reporter, Doctor Brown said that a most satisfactory meeting was held and considerable routine business transacted. He said that the new health act was being worked out successfully in Queens and the members of the board have been assured that all the finances will be met.

Including some of the business before the meeting was the appointments of medical inspectors of schools and sub-district registrars for each parish, who will have charge of the vital statistics.

For the parishes of Hampstead, Dr. Jenkins was appointed and Dr. Kennedy for the parish of Cambridge. Food inspectors were also appointed to report to the board any unsatisfactory conditions regarding food. The meeting was a great success and the support of a county council has been assured the board in carrying out the act.

**VISITING IN CITY**  
Sergeant J. H. McCollom, a veteran of the great war and formerly of the St. John police force, is in the city and being heartily greeted. The appointment of Mr. McCollom as chief of police of Fredericton is being urged by the G. W. V. A. there.

Stores Open 8.30 a.m., Close 6 p.m.—Fridays 10 p.m., Saturday 1 o'clock

### What is a Country Home Without a McLagan Phonograph

No summer home is complete without a Phonograph—and when you know the merits of the McLagan Phonograph, that is the one you'll have. Not an expensive machine—yet it measures up to any in point of cabinet quality, no matter which size you select.

As for the tonal quality feature—well, we are satisfied to have you compare any record you select on any machine and on the McLagan.

The illustration shows the Table McLagan, which is very popular for country homes because of its easy transportability; for its appearance, and its general solidness.

You can get a McLagan Phonograph at Prices Ranging from \$58.50 to \$180.00.

Bring the world's big music to your summer home this year and enjoy the whole summer.
