FRIDAY, JULY 7, 1922

NOTE AND COMMENT

The woman who gets ready in a minute is worth waiting a life time for.

A new excuse is given for girls bobbing their hair. It is that it has to match their dresses.

Every fourth child born in the world is born in China. The yellow peril is growing.

"Mary Ellen" of Antigonish spook fame is going on the stage to raise money to build a spook-free house.

From \$6 a day in 1919, harvest wages in Oklahoma have dropped \$1 a day each year until the present rate is \$3.

A divining rod has been invented that will enable wives to tell when their husband have any money in their pockets.

The owners of Ford cars in England pay a license fee of \$155 per year. That fee would rather startle Canadian owners of flivvers, and they'd be "agin the government" at once.

The Legislative grant to fall fairs remains the same as last year, \$85,000. The small plowmen's association are to benefit from small grants this year, in order to encourage township associations.

The playing of golf on a Sunday is likely to receive a heavy jolt, if the protest made against the practice by Church Conferences meets with favorable consideration by the Government.

A Toronto preacher declares that he doesn't believe in a heaven peopled with angels playing harps. Many people nowadays would prefer one, with good roads, nice autos and plenty of movies.

The seven hundred year war is still in full swing. Blood flows in the streets of Dublin, artillery and machine gun fire keeps up between the soldiers of the Free State of Ireland and the Four Courts garrison. Ireland is still free and the people happy.

Does scientific agriculture pay? Some people are always ready for a sneer at all such ideas. Texas fever cost cattle raiser over \$100,000,000 a year until the scientists located the cause. Hog cholera cost millions until a serum was discovered that cured it.

The decision of the Canadian railways to revert to special weekend rates, excursions, etc., will be welcomed by the public. This is another evidence of return to normal. The railways will profit by the increased travelling habit that will follow.

A total of 3,438 tractors were sold in the prairie provinces of Canada during 1921, according to a report received by Department of Commerce from Consul General Britain, Winnipeg. Of these 1,157 were sold in the province of Manitoba, 1,856 in Saskatchewan and 716 in Alberta.

The will of William Rockefeller left everything to his own family, except a small amount of about \$60,000,000, which will be paid for Federal and State inheritance taxes. He was worth one hundred and fifty million and did not leave one cent to church or charity. Acts like this tend to breed anarchists.

The Board of Trade has given an order for 100 metal auto signs bearing the words, "Leamington, the Garden of Canada." These signs are about the size of an auto marker, just above which they will be placed on the car, and will let the outside world know what an ideal town Leamington is.

The new Voters' Lists Act, which was passed at the session of the Legislature just closed, provides a prison term for officials who intentionally omit names entitled to appear on the lists. This should have the result of eliminating the political bias which has sometimes prevailed in the preparation of voters lists in the past.

Hon. W. F. Proudfoot, chairman of the Senate Divorce Committee, in a review of the work of the committee strongly urged that action be taken next session to establish divorce courts for Ontario and Quebec. It was evident, he claimed, that divorce applications would continue to increase and the work was getting beyond the Senate.

The supplementary estimates in the Dominion House contain the following interesting item: "To provide for the payment of a compassionate allowance to George Meloche, turnkey at the Sandwich goal, for injuries which he sustained in frustrating a highwayman named Drouillard from robbing His Majesty's mails on the Windsor, Sandwich and Amherstburg mail car on the 20th February, 1922, \$1,000.

IN TRUE MOVIE STYLE

Tied to the Stake and Tortured

(Kingsville Reporter)

This is a fast generation in more ways than one. Jealousy finds sure and speedy channels through which to gratify its passion. Instead of waiting for a dark night and waylaying the offender, the aggrieved ones come out in daylight, capture their victim and administer punishment more or less severe.

One day last week three town lads became angry at a fourth of about their own age because he had been seen talking to a young lady whom one of the three termed as "his girl" and they decided that it was a very serious offense and that the punishment must also be severe, so they caught the youngster, took him to the back yard of the parents of one of the boys, blindfolded him, tied him to a post and built a fire around him. After they had severely blistered the youngster's feet, they let him go, with the warning that if he ever told on them they would do still worse to him. The little lad went home and was very quiet, but the home folk smelled smoke on him and finally induced him to tell his story. No action has been taken against the young hopefuls but if the parents are wise, they will take each one down in the basement and apply a bed slat, strap or shingle to their nether extremities until blisters as large as those on the victim's feet stand out prominently.

BE CAREFUL WHAT YOU SIGN

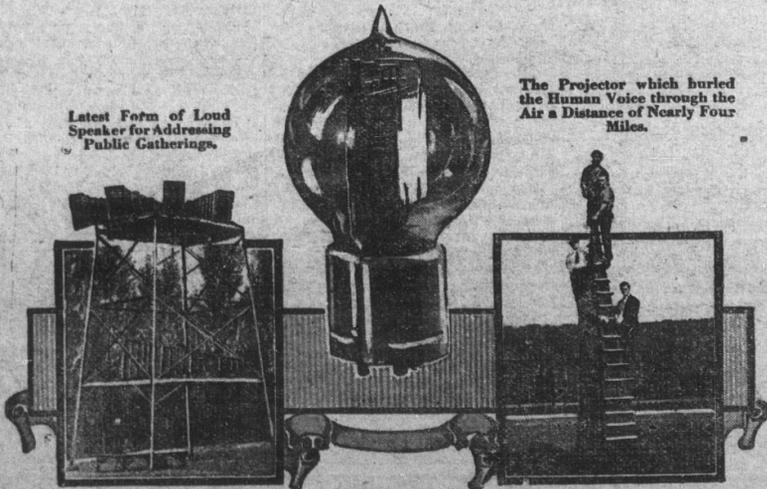

An elderly farmer up in Arran township came very nearly being put out of house and home recently through the signing of a document, the contents of which he did not understand. It appears that a Tara implement dealer was asked by the firm he represented to have some responsible person recommend him as trustworthy person to handle their business. The prospective agent suggested the farmer in question and the general agent going out to call on the farmer secured his signature to a document, which he (the farmer) thought was only a recommendation but which in reality, was a guarantee. All went well for the first year, and the farmer readily signed again the second year. This time, however, the Tara agent got away behind and the company came forward with a claim of \$5000 against the innocent and ignorant farmer. The farmer engaged the services of lawyer C. J. Mickle, of Chesley, who arranged to meet representatives of the implement company at Walkerton. To these Mr. Mickle pointed out that the farmer was an old man and that to take \$5,000 from him would put him on the road. The company, it appears could have made the farmer come across with the full amount, if it took his last cent, but Mr. Mickle's line of argument influenced them to half up with the farmer and accepted payment of \$2,500 which was the amount the unfortunate man paid for his experience.

One Small Voice, But Millions May Hear!

Typical Vacuum Tube, many of which are used in the big Amplifier.

Latest Form of Loud Speaker for Addressing Public Gatherings.

The Projector which hurled the Human Voice through the Air a Distance of Nearly Four Miles.

New discoveries in the realm of communication have followed fast on each other's heels.

Imagine Prime Minister Mackenzie King seated at his desk in Ottawa. Speaking in his ordinary tones he is making an announcement of great public interest to the people of all Canada. The Russell Theatre, a few blocks away in Ottawa, is filled with a great crowd that listens intently to his every word. In Montreal, the big Arena on Mount Royal Avenue is packed to the doors, and here, too, everyone is listening to what the Premier is saying. In Toronto, at

Massey Hall another multitude is following the speaker with breathless interest. The Walker Theatre, Winnipeg, is filled to overflowing, and everyone hears the Prime Minister's announcement. So also is Vancouver, on the Pacific, and in Halifax, on the Atlantic, great crowds listen as Mr. King speaks.

"Pure fancy," do you say? Not at all. The wonderful vacuum tube amplifier or "Loud Speaker" just perfected by Bell Telephone engineers has accomplished feats quite as wonderful as suggested above. Not only does this apparatus reproduce the voice tones of a speaker to a multi-

tude however great, but the characteristics of the voice the preserved and its every inflection faithfully reproduced.

The possibilities of the Bell Loud Speaker are almost infinite. Vast gatherings near or far from the rostrum, without its being necessary to equip individuals with any apparatus will listen to a speaker and the problem of hearing what is said will be solved once for all. The amplifiers used in the Loud Speaker can magnify sound ten billion times, and listeners nearly four miles away from the receiving apparatus have heard perfectly.

Working Funds

Sufficient working funds are as essential in making the most out of your farming operations as the proper seed and equipment. The Sterling Bank welcomes applications for credit from those whose plans are based on sound principles.

Talcum Powder Healthful

Scientists have discovered that Talcum Powder has a beneficial effect upon the skin, particularly when properly borated. It is antiseptic, soothing and healing to sunburned or chafed skin, and is an excellent protection to the face and exposed portions of the body.

It is recommended that Talcum should be used freely by motorists and others who expose themselves to the sun, and as an application to the entire body after the bath, to prevent chafing, prickly heat, etc.

We recommend Nyal Talcum Powders because we know them to be absolutely pure, well borated and delightfully perfumed. We have them in a great variety of odors.

DEATH OF ONE OF BAWLF'S MOST RESPECTED CITIZEN'S

(From Bawlf, Alta., Sun)
Mr. Arthur McIlveen one of Bawlf's most highly respected citizens passed away after a lingering illness at his residence on Tuesday, June 20th.

The late Mr. McIlveen was born near Watford, Ontario, 46 years ago and settled in this district, where he resided until his death.

Mr. McIlveen was a member of the Presbyterian Church but always took an active part in the Methodist church here. He was also superintendent of the Sunday School and was always a willing worker. Funeral services were conducted in the Methodist Church on Wednesday at 7.30 p.m. by Rev. W. L. Bradley under the auspices of the Masonic Lodge. Mr. McIlveen leaves to mourn his loss his sorrowing widow, four children and two brothers, Frank of Bawlf, and Lundy of Vancouver.

There was a most beautiful masonic emblem from the local lodge.

Interment took place at Banff. The pallbearers were Messrs. D. Davies, W. A. Sargent, Chas. Sarjeant, C. Davies, Geo. Hanna and J. C. Paulson.

DEATH OF MR. JOHN SMITH

John Smith, one of the pioneer residents of Brooke township, died at the home of his daughter, Mrs. Thos. H. Sols, at Sarnia, on Saturday, July 1st, in his 85th year. Mr. Smith had been in failing health since last fall, the end coming calmly and peacefully through mere exhaustion of strength, he having enjoyed good health up to a year ago. Being one of the early settlers of this section, Mr. Smith had a wide acquaintance, and was held in high esteem for his sterling qualities and noble Christian character. For over 25 years he was connected with the Sunday school of the Walnut Methodist church as superintendent and had given aid in Sunday school work at the old Victoria church on the 10th line east during its existence there. He was a member of and life long supporter of the Walnut church, and with reluctance gave up active participation in the affairs of that body since going to Sarnia to reside with his daughter.

Mr. Smith was born in Port Robinson, Welland county, and came to Brooke when 17 years of age, with his parents, George and Rosina Smith. He helped to fall the timbers to clear the roadways near where they settled, lot 26, 10th concession, and later cleared himself a home on lot 22, same concession, on which he continued to reside until seven years ago, maintaining a continuous residence there for 56 years.

He was married three times. His first wife was Mary Barclay, and to them were born two daughters, the late Mrs. John Edgar and Mrs. Thos. H. Sole of Sarnia. Mrs. Smith died in July, 1872, and two years later he married Margaret Campbell. To them were born two sons, George D., of Sarnia, and John C., of Port Huron, Mich. Death again entered his household in 1882 and bereft him of his second companion. In 1885 he married Sarah Warren, who predeceased him in death nine years ago. To this union were born three sons, William W., and Ray, both of Brooke, and Peter K., of Hamilton; one brother, David, of Bothwell and one sister, Mrs. John Moyer, of Petrolia, also survive him.

Mr. Smith was laid to rest in the Alvinston cemetery on Monday followed by a large cortege of mourners and friends. The services were held from his old home, and were conducted by Rev. T. A. Steadman, pastor at Walnut, assisted by Revs. S. J. T. Fortner, a former pastor, and Rev. D. Allen, presiding elder of the Free Methodist church.

OBITUARY

(From the Empress, Alta. Express)
Donald Gillespie, born October 25, 1863, died June 5, 1922.

On the morning of Monday, June 5, Mr. Donald Gillespie passed away at his home here. For the past year he suffered from poor health and last fall it was found necessary to move to town where he could receive constant medical attention. For the past seven months he had been confined to his bed. Periods of sinking and relief alternated during the winter. At times he was oblivious to all surroundings, again he seemed to recognize faces but wandered in his thoughts. A few weeks before his death he rallied and gained complete consciousness. This was the best he had been for months. It however, was only for a few days, and from then until he passed away he recognized no one.

During his entire illness Mrs. Gillespie was his only nurse. Friends and neighbors were very kind, staying with her at night and rendering much other assistance. During the week preceding his death, friends were with her regularly, but on the Sunday, he seemed a little better and that night Mrs. Gillespie stayed with him alone. About eight o'clock in the morning she noticed a decided change for the worse. Unable to rouse him she called in a neighbor, but he had passed away.

Mr. Gillespie was a pioneer of the district. In March, 1911, he settled 14 miles south-west of town and in December of the same year was joined by his wife. His brother, John, who passed away in February, 1919, located within three miles of him. The well-attended funeral, which took place in inclement weather, showed the esteem in which he was held by his neighbors.

The service was held at the home on the afternoon of June 6th and the body interred in the local cemetery. Mr. Gillespie is survived by his widow who for the time being is living with friends in the vicinity, and two brothers, Peter and Angus, of the old home town, Thamesville, Ontario. The last named brightened his brother's long period of suffering with a short visit just before Christmas. The only relatives in the west are two nephews who reside at Al-sask, Sask.

Deceased was a brother-in-law of Mrs. W. M. Styles of Watford and was well known to many in this district who will regret to hear of his death.

ROBSON, PETROLIA

DEATH SUMMONS

W. W. FAREWELL

Whitby, June 27.—After four-score years of crowded life, William Wallace Farewell, one of the earliest pioneers of Wellington county, passed peacefully away here yesterday.

Of United Empire Loyalist stock, Mr. Farewell was born at Oshawa 78 years ago. With the adventurous spirit of that far-flung race, in 1869 he joined the rush to the California gold fields. Eight years later he hewed out a clearing in the "Queen's Bush," where his sons, Rev. F. L. Farewell, Principal of Ontario Ladies' College, and Dr. E. R. Farewell of London, Ont., were born. Attached to the farm his own labors had cleared, he steadfastly declined to enter upon any phase of public life. Mr. Farewell was a staunch Liberal in politics.

Following the funeral service tonight in the Assembly Hall of the Ontario Ladies' College, he will be buried tomorrow in the cemetery at Drayton, Ont., beside his wife, who died three years ago.

The above clipping is from the Toronto Globe. Mr. Farewell was a cousin of Mrs. W. H. Luckham. His son, Rev. F. L., who was Provincial Organizer of Sunday Schools for Ontario, previous to his appointment at the college was known to many in this district through his work in that capacity and while in Warwick was a guest of Mr. and Mrs. Luckham.

OVERWORKED NERVES

The Most Successful Treatment is Through the Blood

The early stages of nervous debility are noted by restlessness and irritability in which the victims seem to be oppressed by their nerves. As the trouble advances, common symptoms are a tired feeling; weakness in the knees and ankles; headaches and sleeplessness. The matter requires immediate attention, for nothing but suitable treatment will prevent a complete breakdown.

The nervous system governs the whole body, controlling heart, lungs, digestion and brain, so that it is not surprising that nervous disturbances cause acute distress. For troubles of this kind Dr. Williams' Pink Pills succeed when other treatment fails, for these pills make new blood, enriched with the elements on which the nerves thrive, and in this way reach the root of the trouble. In proof of this is the statement of Mrs. Dockerill, Stratford, Ont., who says:—"My daughter, Matilda, was suffering from nervous debility, and the usual remedies did not seem to help her. I was advised by a friend to give Dr. Williams' Pink Pills a trial, and soon we found they were doing her a great deal of good. She complained of pains in the stomach, and severe fluttering of the heart, with a general weakness. Under the use of these pills she continued to gain, and I believe they have saved her from going into a decline."

You can get these Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

McLaughlin, Teach.

RED HOT JULY DAYS

HARD ON THE BABY

July—the month of oppressive heat; red hot days and sweltering nights; is extremely hard on little ones. Diarrhoea, dysentery, colic and cholera infantum carry off thousands of precious little lives every summer. The mother must be constantly on her guard to prevent these troubles or if they come on suddenly to fight them. No other medicine is of such aid to mothers during the hot summer as is Baby's Own Tablets. They regulate the bowels and stomach and an occasional dose given to the well child will prevent summer complaint, or if the trouble does come on suddenly will banish it. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

How does your Subscription stand?

Jobs Depend on the Safety of the Forests

DON'T

- DON'T take any chances with fire in Ontario's forests.
- DON'T throw away cigarette or cigar butts, pipe "hools" or burnt matches until you are dead sure they are out.
- DON'T neglect to drown out your fire with lots of water.
- DON'T build your camp fire against a rotten log or stump; nor on windy points; nor near moss patches; nor at the base of a tree.
- Build it in a former fireplace, or on a flat rock, or on a spot cleared down to the true soil below, or by the edge of the water.
- DON'T forget that the upper layer of ground in the forest consists of partially rotted wood which will burn.

RIVER DRIVERS, shanty men, pulp loggers, and all men who work in the lumber woods, on the river or at the mill—get this: Your job depends on keeping forest fires from burning up the bush.

Every time you leave a camp fire or a smudge burning you are taking chances on a forest fire that will do you out of a job. Every time you throw away a burning match or a cigarette, or drop the "heel" of your pipe on the ground, you are taking a chance. In summer time, moss, dead wood, dry leaves or the regular wood-fibre soil of the forest are all ready to burn. Millions of feet of timber and pulp are being burnt up that way every year.

Ontario's forests are not growing fast enough to keep up. Forest fires will do you out of a job if they keep on a few years more. Watch yourself.

Save Ontario's Forests They're Yours

THOMPSON—STEVENS

The home of Mr. and Mrs. W. J. Stevens, Stanley Township, was the scene of a pretty porch wedding on Wednesday, June the twenty-eighth at twelve o'clock when their daughter, Violet Eva, became the bride of Mr. Frederick H. Thompson of Sarnia, son of Mr. and Mrs. W. H. Thompson of Watford, Ont. Owing to the absence of the bride's pastor the ceremony was performed by the Rev. Alfred McFarlane of Bayfield, and was witnessed by only the immediate relatives of the contracting parties. The wedding music being played by Mrs. Cleland of Listowel, sister of the bride. The bride, who was given away by her father, looked lovely in a gown of Swiss ivory canton crepe trimmed with radium lace and sequins and carried a shower bouquet of Ophelia roses, her only ornament being a diamond set bar brooch the gift of the groom. After the ceremony the guests repaired to the prettily decorated dining room where a dainty wedding dinner was served.

Mr. and Mrs. Thompson left on the afternoon train to spend their honeymoon in Muskoka, the bride travelling in a suit of navy tricotine embroidered in gold thread, and large black hat. They will live in Sarnia where the groom is a member of the teaching staff of the Sarnia public schools.

ORANGEMEN AT THE CONGREGATIONAL CHURCH

The officers and members of the Watford Lodge of the Loyal Orange Association held their annual church parade on Sunday evening to the Congregational church. They met at the Orange Hall shortly after 7 p.m., where they were joined by visiting brethren from Petrolia, Warwick, Jitoxeter, Sutorville, and other places, and marched, about fifty strong to the church, under the leadership of John Doar, Recording Secretary, and Thomas Newell, Marshal. The Hiawatha Camp of Trail Rangers of the Congregational church, under the command of Chief Ranger Edwin Macnally, marched at the head of the procession, and formed a Guard of Honor at the church. The khaki uniforms of the Trail Rangers and the regalia of the Orangemen gave quite a touch of color to the procession.

Despite the extreme heat the church was crowded to the doors, the large congregation joining heartily in the service and listening with close attention to the interesting and instructive sermon by the Rev. T. D. Rayner, on the question: "Is Protestantism in Danger?" Mr. Rayner gave a review of the activities of the Vatican since 1900, particularly as directed against the British Empire. He astonished his audience by telling of the plot to place a Roman Catholic, Princess Mary of Bavaria, on the throne of the British Empire at the time of the death of Queen Victoria. Being in London, Eng., at the time he was able to vouch for the truth of his statements.

Mr. Rayner then spoke of the Romanizing influence of the High Church party of the Church of England, mentioning the fact that convents and monasteries, which are Romanist in all but name, are maintained by the High Church Ritualists in England.

Mr. Rayner also emphasized the fact that the "Lambeth Appeal for the Re-union of Christendom" issued by the House of Bishops in England was in reality an invitation to the Roman Catholic and Greek Orthodox Churches to unite with Protestant churches, and warned all true Protestants to resist and oppose such a union.

The sermon closed with an appeal to all to accept Jesus Christ as their Saviour; to earnestly live for God and strive to serve Him, and ever to be loyal to our Protestant Faith.

After the service the Orangemen marched back to their hall where a resolution was enthusiastically adopted tendering the sincere thanks of the Brethren to the Rev. Mr. Rayner for his able and inspiring sermon, and to the choir of the Congregational church for the fine music provided.

244 MEMBERS AFTER REDISTRIBUTION

There will be 244 members in the House of Commons after the next redistribution, according to the revised population figures for Canada, which have been given out by the Dominion Bureau of Statistics. This is an increase of nine members over the present House.

The distribution of the members among the provinces in the present House and after redistribution will compare as follows on the basis of these figures:

Province	New House	Present House
Quebec	65	65
Nova Scotia	14	16
New Brunswick	11	11
Prince Edward Island	4	4
Ontario	81	82
Manitoba	17	15
Saskatchewan	21	16
Alberta	16	12
British Columbia	14	13
Yukon	1	1

FOREST

Mrs. Jas. Brush, Main street, returned from a visit with her daughter, Mrs. R. R. McFarlane, St. Thomas.

The marriage took place at the Methodist Parsonage, Forest, on Monday evening, June 26th of Alice Jane Burt to Mr. Abram Cotton of Bosanquet. The Rev. S. W. Muxworthy performed the ceremony.

Word was received here Friday of the death in Detroit, on Thursday, June 22nd, of Nellie, wife of Mr. Fred Otton. Deceased had been confined to the hospital with an attack of nervousness for several months. Mr. and Mrs. Otton have been residents of Forest for several years and last year had moved to their new home on the 16th con., of Bosanquet. Besides her husband, one daughter, Mary, and a son, Fred, survives. Interment was held at Detroit on Monday.

An interesting meeting of the Forest horticultural society was held on Monday afternoon when an instructive address was given by George Wenino, president of the Sarnia horticultural society. Dr. F. A. Walters, president of the Forest society, was chairman, and there was a good attendance. Among many other valuable suggestions made by Mr. Wenino, he recommended that the plot around the soldiers' monument be improved and beautified. After the meeting he spent a considerable time seeing the well-kept streets, lawns and gardens in various parts of the town, which he admired very much.

The U. F. W. O. Club of Forest, gave a strawberry social on Monday evening at the home of Mr. and Mrs. Matthew Whyte, con. 12, Plympton. The gathering was a grand success in every sense of the word. The attendance was large, the supper excellent and the program fine. Among those taking part in the program were W. H. Luckham, Mildred Brent, Eva Smith, Gordon Watson, John Mellamie, Wm. Lockyer, John Tremaine, Archie and Neil Dewar. The proceeds amounted to \$175.00, which will be used for the upkeep of the Best Room in connection with the Farmer's Co-operative store in Forest. Mr. and Mrs. Whyte were heartily thanked for offering their home and grounds for the occasion.

APPOINTED SCHOOL INSPECTOR

J. J. Edwards, teacher of modern languages at the Hamilton Collegiate institute has accepted the position of school inspector for East Lambton, succeeding Neil McDougall, who becomes assistant inspector for the province of Ontario with headquarters in Toronto. The appointment of Mr. Edwards was announced by Warden W. J. Davis, after a conference on Thursday afternoon. Mr. Edwards and family will arrive the latter part of August and will take up their residence at Petrolea.

Mr. R. F. Downie of Peterboro, who was the first selection of the county council notified the officials that he had changed his mind and would not accept the position.

PETROLEA

The pupils of Principal Elliott's room presented him with a Masonic ring and an address before school closed.

A revolver in the hands of Miss Merle Hyatt, daughter of Mr. and Mrs. Rupert Hyatt, accidentally discharged on Friday night. The bullet drilled the palm of her left hand and made a painful wound.

Confirmation of the report that Geo. Carleton, Jr., of the Blind Line was shot in the foot has been made. The young fellow who is twelve years old was accidentally shot in the foot by an 18 year old youth employed by his father. The bullet penetrated the fleshy part of the foot and although the boy lost considerable blood no serious results are feared.

The Tuxis Square of the Baptist Sunday School met at the home of their teacher, Miss L. Pratt, last evening in honor of one of their oldest members, Will Braybrook, who will shortly leave for Negritos, Peru. During the evening a nicely worded address was read and a presentation of a fountain pen made to him. A pleasant time was enjoyed together. Buzz Ibister, an old Petrolea boy, who arrived from the foreign fields two or three months ago and has since been visiting his relatives in Detroit, is renewing acquaintances in town.

Major and Mrs. Fairbank and Master Charles, Henry and Bobby leave for England next Thursday where they will remain until October. It is their intention to spend several weeks motoring through rural England and Scotland. They will also visit in France.

HUSBAND'S STORY WILL AMAZE WATFORD

He says: "Adler-ka helped my wife for gas on the stomach and sour stomach in TWENTY MINUTES. It works beyond greatest expectations." Adler-ka acts on BOTH upper and lower bowel removing foul matter which poisoned stomach. Brings out all gasses and sour, decaying food. EXCELLENT for chronic constipation. Guards against appendicitis. Adler-ka removes matter you never thought was in your system and which may have been poisoning you for months. J. W. McLaren, druggist, Watford.

If one be troubled with corns, he will find in Holloway's Corn Remover an application that will entirely relieve suffering.

BORN

In Watford, on Sunday, June 25th, 1922, to Mr. and Mrs. Basil Richardson, a daughter—Evel May.

In Watford, on Friday, June 30, 1922 to Mr. and Mrs. John Kersey, a son.

In Brooke, on June 22, 1922, to Mr. and Mrs. Gordon White, a daughter.

MARRIED

In Sarnia, on Monday, June 26th, Aloda, daughter of Mr. and Mrs. Barney Leckey, of Port Franks, to Mr. Wesley Oliver of Bosanquet.

DIED

In Port Huron, on Wednesday, June 28, 1922, Mrs. Aramanda Roberts, aged 79 years, 7 months, 4 days.

In Cleveland, on Sunday, June 25th, 1922, Donald C. McIntyre, aged 71 years.

At Flint, Mich., on Friday, June 23, Bertha E. J. Parker, wife of Albert M. Allan, and youngest daughter of the late Mr. and Mrs. Henry Parker of Forest, Ont.

In Sarnia, on Saturday, July 1st, 1922, John Smith of Brooke, in his 85th year.

HALL—LAMPMAN

A pretty wedding took place at 3.30 Saturday afternoon, June 17, at the home of the bride's parents, Mr. and Mrs. T. A. Lampman, 2nd con., Bosanquet, when Miss Alice Lampman and Mr. Russell C. Hall, son of Mr. and Mrs. Wm. G. Hall, of Warwick, were united in marriage. A solo was rendered by Miss Clara Lean. While the wedding march was being played by Miss Jeanette Hall, sister of the groom, the happy couple took their places under a beautiful arch of roses and orange blossoms. Mr. Milton Hall, brother of the groom, acted as best man, and Miss L. Lampman, sister of the bride was bridesmaid. Rev. C. L. Couzens, pastor of Arkona Methodist church, performed the ceremony. The bride looked charming in a white satin dress with bridal veil, and carried a bouquet of Ophelia roses, wearing a beautiful string of pearls, the gift of the groom. After the ceremony a wedding luncheon was served on the lawn to over seventy guests. The happy couple left to spend a honeymoon in London, Niagara Falls and Toronto, and will reside at their home on the groom's farm in Warwick. The gifts to the bride and groom were both numerous and costly, including several substantial checks.

Jeremiah Moynahan, 85 years old, Essex county pioneer and one of the oldest men along the border, died Wednesday noon at the home of his daughter, Mrs. Alexander Jobin, Sandwich South.

WARWICK COUNCIL

Warwick, 26th June, 1922. The council met today as per adjournment. Members all present. The minutes of the last meeting were read and adopted.

The following orders were granted: I. Foster, work in gravel pit. \$ 6.00 N. Herbert, to pay for the repairs to Kilmer drain. 27.30

Wm. Atchison, drawing old tile & filling Birchall drain 6.00 Ingot Iron Co., culverts furn 178.87

Corrugated Pipe Co., ditto. 455.86 J. H. Franklin, ref. a lab. 1921 2.00 Jno. O'Neil, two share tile drain on 27. sideroad. 6.00

Jno. Saunders, rep. grader. 1.75 A. McChesney, E. Genrich's statute labor. 4.00

Jas. Jones, work in gravel pit 38.75 Gordon Williamson, watching gate at pit. 24.00

A. McAlpine, Warwick's share of work on T. L. 100.00 Frank Conkey, grav furn. 9.00

Chambers—Muma, that the report of the Engineer on the McPherson drain be referred back to him and have the drain left in the old channel and that he vary the assessment as he sees fit.—Carried.

Parker—Dann, that the council take no action re account of Mrs. Learn for the keep of Mrs. Blunt.—Carried.

Muma—Dann, that this council respectfully memorialize the Ontario Legislature, requesting the repeal of the Adolescent School Act on the ground that if fully or even partially enforced it will impose upon the taxpayers of the municipalities of Ontario, both rural and urban, excessive burdens for new school construction and maintenance at a time when financial conditions generally, and especially the necessity of meeting the obligations incurred by the war, necessitate the strictest economy in all government affairs.—Carried.

By-law No. 7 appropriating \$15400 to be spent on road maintenance was read the first, second and third times and finally passed.

The council then adjourned to meet on Monday, 24th day of July, at one o'clock p.m. for general business.

N. Herbert, Clerk.

Harper Bros.

Summer Care of Warm Air Furnaces

A good many people, following the advice given in one of the many bulletins issued during the war, leave all of the doors of their furnace standing open when it is not in use. Our recommendation—based on experience is that when Furnaces are not in use they should be kept closed up tightly.

Allowing cellar air to circulate freely through the furnace means that fresh moisture is constantly being brought in contact with the interior of the furnace, as a result of which a considerable degree of corrosion must take place. This is very clearly demonstrated in cases where the check damper in the smoke pipe has been left open during the Summer. Where this is done, the pipe will rust out in a single season, whereas if the check damper and furnace doors are kept closed, this does not occur.

We advise cleaning out the furnace in the Spring, kindling a light wood fire to dry it out thoroughly, and then closing all the doors and draughts tightly, including the check damper. There is no way to prevent rust if the cellar is damp, but if these directions are followed there will, provided the cellar is dry, be very little corrosion.

W. H. BROWN, Watford

TORONTO

Let Me Show You an Ensilage Cutter that will Save You Time and Money

I want to show you how it will pay you to own a Toronto Ensilage Cutter.

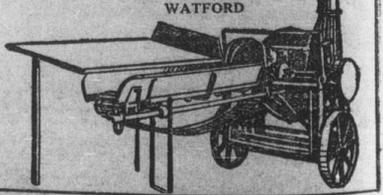

It will save you time in the ploughing season. It enables you to fill your silo just when the corn is ready.

The extra silage you get from being able to refill after shrimmage will pay for the silo in a single season.

And besides it will cut your straw in the winter.

Let me show you that the Toronto Ensilage Cutter is the most efficient machine for your farm. Next time you're in town let me demonstrate its special features. They will convince you of its quality and economy.

WOMAN TAKES EVERY CHANCE

To Recommend Lydia E. Pinkham's Vegetable Compound, for It Helped Her So Much

Fredericton, N. B.—"I was weak and had some troubles women often have, and usually I was unfit for my work. I saw your advertisement and decided to try Lydia E. Pinkham's Vegetable Compound. I am very much pleased with the result and recommend your Vegetable Compound whenever I have a chance. You may use this letter for the benefit of others."—Mrs. WANDLESS, 360 Church St., Fredericton, N. B.
Mrs. Wandless, like many, many other women who have found relief by taking Lydia E. Pinkham's Vegetable Compound, is anxious to let other women know of this splendid medicine. So by word of mouth and by letter, one woman to another, its virtues are made known.
Women suffering from female ailments, indicated by such symptoms as backache, nervous troubles, hot flashes, pain in the side and a general run-down condition of the whole system, should take Lydia E. Pinkham's Vegetable Compound.
For nearly fifty years it has been helping women. Let it help you. Lydia E. Pinkham's Text-Book upon "Ailments Peculiar to Women" will be sent you free upon request. Write to Lydia E. Pinkham Medicine Co., Lynn, Mass.

A Prime Dressing for Wounds.—In some factories and workshops carbolic acid is kept for use in cauterizing wounds and cuts sustained by the workmen. Far better to keep on hand a bottle of Dr. Thomas' Electric Oil. It is just as quick in action and does not scar the skin or burn the flesh.

INTERESTING NEWS FROM FAR AND NEAR

Cook and Kilpatrick's store, Sarnia, was burglarized one night last week and \$81 in cash and \$74 in cheques stolen. The door had been opened with a key.

T. W. Weyburn of Essex considers it profitable to grow strawberries as off a 6 1/2 square rod patch he sold \$41.15 worth. This is at the rate of \$1225 per acre.

While mother and father were on a distant part of the farm picking cherries, the three-year-old daughter of Adam McCord near Blenheim fell into a deep well and was drowned.

Clifford Carothers was appointed Treasurer of the Municipality of Sombra at an annual salary of \$375, he to perform all statutory duties appertaining thereto and to attend all sessions of Township Council.

Miss Jean Matthews, Denfield, had the misfortune to have a bone in her foot cracked by being run over by a wagon loaded with gravel. This accident is most unfortunate as Miss Jean was preparing for the entrance examinations.

Duncan McPhedran of Dunwich, died recently in his 46th year, after an illness of two weeks with pneumonia. He leaves a wife and two sons, also his mother, Mrs. D. McPhedran of Alvinston, and two sisters and two brothers. Deceased was an extensive stock breeder.

SUFFERED YEARS WITH ECZEMA

"Fruit-a-tives" Cleared Her Skin
I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good. Then, I used one box of "Sootha-Salva" and two boxes of "Fruit-a-tives" and my hands are now clear. The pain is gone and there has been no return. I think it is marvellous because no other medicine did me any good until I used "Sootha-Salva" and "Fruit-a-tives", the wonderful medicine made from Fruit.
Madam PETER LAMARRE.

Early potatoes in Kent county are being attacked by what is known as the blister beetle and in some localities considerable damage is being done. In the Blenheim district much of the crop has been destroyed by the beetle.

The distressing accident at Vandear recently when a three year old child got under the knives of a mower and had her feet severed, should be a warning to parents to keep little children out of the fields when machinery is in operation.

Will Reith, Glencoe, had a very narrow escape on Saturday evening. While he and Munroe Anderson were out for a bit of sport with their guns, Reith's gun exploded tearing off a portion of his left thumb and severely wounding his hand.

Donald C. McIntyre, aged 70, known as the "grand old man of the Great Lakes," for thirty-five years general freight traffic manager of the Detroit and Cleveland Navigation Company, died at Cleveland two weeks ago. He was a native of Alvinston and was 70 years old.

The Glencoe public library board have decided to avail themselves of the opportunity to secure a Carnegie Library for Glencoe. It is understood that the Grand Trunk Railway Company will grant a site for the building on their property cornering on Main and McRae streets.

A pretty wedding took place at high noon on Tuesday, June 20, in Wortley road Baptist church London, when Gwenilian Mariani, daughter of Mr. and Mrs. William Hughes, 207 Wortley road, was united in marriage to the Rev. Leslie Stone of Wyoming. The Rev. N. S. McKechnie, pastor of the church, officiating.

Petrol's celebration on Dominion Day was a complete success. An interesting program was presented and the games and contests keenly contested. Thirty horses were entered for the races. G. Hollingsworth's Nellie O took third prize in the three minute race.

The West Middlesex F. O. picnic at Strathroy on Dominion Day was a big success, an attendance of 12,000 being estimated. The program of races and games was faithfully carried out and the community dance in the evening was much enjoyed. The proceeds of the day were divided between the Strathroy hospital and rest room and the U. F. O. It was a day long to be remembered.

Mrs. John Logan, living on the Blind Line, north-east of Petrol, took her life by drowning herself in a small creek near her home Monday morning about 9 o'clock. The body was not found until 11 o'clock after a general search by her husband and neighbors. The body was eventually found in a deep hole in the creek. Mrs. Logan had been in ill-health for some time and had made other attempts to commit suicide. Beside her husband she leaves a family of six children, all under 12 years of age.

James H. Chivers Sarnia, was badly burned about the face, hands and arms at 11.30 Thursday morning while working at the experimental still of the test house of Imperial Oil Limited. He was rushed to the Sarnia general hospital where the burns were found to be of a serious and extended nature. Dr. C. O. Young attended the injured man. Mr. Chivers, who is a married man with four children was working at the still when some oil, issuing from the worm end was ignited by the firebox in the still. The flames flared out and caught Mr. Chivers face and set his clothing afire. He was alone at the time but managed to crawl on his hands and knees to the open air. A number of his fellow workmen rushed to his assistance and the burning clothing was quickly extinguished.

Muscular Rheumatism Subdued.—When one is a sufferer from muscular rheumatism he cannot do better than to have the region rubbed with Dr. Thomas' Electric Oil. Let the rubbing be brisk and continue until ease is secured. There is more virtue in a bottle of it than can be fully estimated.

The big barn of Douglas Crawford 8th concession, Caradoc, was struck by lightning, and barns, pens and drive houses were destroyed. The horses were got out in time but 5 pigs and fifty hens were burned. Mr. Crawford only carried \$600 insurance which will reimburse him for contents destroyed, but the buildings are a total loss and will take about \$5,000 to replace.

One of the most effective vermifuges on the market is Miller's Worm Powders. They will not only clear the stomach and bowels of worms, but will prove a very serviceable medicine for children in regulating the infantile system and maintaining it in a healthy condition. There is nothing in their composition that will injure the most delicate stomach when directions are followed, and they can be given to children in the full assurance that they will utterly destroy all worms.

Detroit capitalists have secured a large block of land adjoining the National Park on Point Pelee, and are sub-dividing the same into lots for summer cottages. Plans have been prepared showing about 800 lots with driveways and lagoons, and a large sum of money will be spent in making it one of the most beautiful spots on the continent. It is about 12 miles from Leamington.

Children Cry FOR FLETCHER'S CASTORIA

Is your subscription paid in advance?

WANSTEAD

The U. F. O. picnic to Hillsboro on June 24th was a great success. A large number turned out and spent a very enjoyable day at the lakeside. Bathing and boating was indulged in by nearly all. The feature of the event was a baseball match between the Comets and the local nine. Watson and Claypole both pitched good ball but Wanstead pulled out a 14-8 victory. Roy Dewar of the Comets featured by driving out a home run in the fourth inning.

A very pleasant time was spent at the home of Mr. W. G. Lawson on Thursday night when our jolly old friend "Sunny" treated the boys of the neighborhood, who so successfully helped Mr. Lawson to move his house a short time ago, to an old time dance. Lunch was served at midnight, then dancing was resumed for a short time and all went home feeling that a good night's pleasure had been enjoyed.
