MISS ALMA SHAW "SHOWERED"  
The lady friends of Miss Alma Shaw, who were invited to a "shower" at the home of Mr. and Mrs. O. Bent, West Paradise, on Tuesday evening, October 20th.

At a given time the guests were ushered into the parlor where a basket trimmed in yellow and white, filled with gifts was waiting to be unwrapped. The color scheme was carried out in the decorations of the room.

Miss Shaw, after making a very little speech, fell to work unwrapping the parcels. She found many useful and pretty gifts, including linen, glass, china, and kitchen utensils.

After the gifts had been much admired, a very beautiful repast was served by the hostess, Mrs. H. O. Bent, assisted by Mrs. Henry Spurr and several girl friends of the bride-to-be.

The evening was then spent in playing games and singing popular songs. At a late hour the guests left for their homes wishing Miss Shaw good wishes for the future.

## NEWSY NOTES FROM ANNAPOLIS

Enjoyable "At Home" at the Rectory.—Regret for Passing of Rev. James Carruthers.—Social and Personal Items.

Annapolis Royal.—The "At Home" held on Wednesday afternoon at the Rectory of St. Luke's, by Mrs. S. J. Woodroffe, was very largely attended. The hostess was assisted in receiving by her daughter, Mrs. C. A. Goode, of Nictaux; Mrs. F. C. Whitman and Mrs. Edgar McCormick, Mrs. G. A. Hawkesworth and Mrs. F. W. Harris poured, and Mrs. Griffin O'Dell, Mrs. Kerr Merriam, Mrs. T. H. Porter, Miss Leah Harris, Miss Mary O'Dell and Miss Pauline Harris assisted in serving. Miss Elizabeth King attended the door.

News of the death of Rev. James Carruthers, well remembered in Annapolis Royal as a former pastor of St. Andrew's Presbyterian Church, was heard with universal regret. The late Mr. Carruthers had held pastorates at Charlottetown, Pictou, and New Glasgow, and for a number of years was attached to Pine Hill College, Halifax. Shortly after leaving here, he moved, with Mrs. Carruthers to Vancouver, B. C., where his death took place. His last years were saddened by the sudden death of his only son, Lieut. Col. J. Stewart Carruthers, who, after distinguished service overseas, joined his parents in Vancouver, and took charge of a hospital there. Mr. Carruthers was succeeded here by Rev. W. Bruce Muir, of Scotland, who was afterwards transferred to Sherbrooke, Que., and recently left there to take charge of St. James Presbyterian Church, at Charlottetown, P. E. I.

Mrs. William Horsfall is spending the winter with her daughter, Miss Zolde Herstatt, M. A., in Halifax, and has taken apartments on Inglis Street.

Mr. and Mrs. Harry J. Crowe, of Toronto, Mr. and Mrs. A. B. MacKenzie, Miss Mary Quirk and Miss Mildred Best, of Bridgetown, were guests of Mrs. R. S. Miller during the past week.

Mrs. F. Leavitt returned on Monday from a short visit with her daughter, Mrs. Cyril Smith, of Halifax.

Messrs. William Miller, of Yarmouth, and Edward B. Ritchie, of Baddeck, C. B., paid a short visit to town this week.

Mrs. Charles Mulhead (formerly Miss Elsie Horstall) who, with her little son and daughter, spent the summer here, is moving with her husband from New Haven, Conn., to Ulica, N. Y.

Mrs. John Jackson and Miss Minnie Jackson, of Paradise, N. S., were recent guests of Miss Louise Harris.

Miss Mary F. Cox, left on Thursday for a vacation in Boston, accompanied by her sister, Miss Irene Cox, of Middleton.

Mrs. A. E. Allee entertained at a delightful "Bridge" party on Friday evening, with five tables of players. The prizes were won by Mrs. Arthur Horstall, Mrs. J. M. Owen, Mr. C. C. King and Mr. Edgar McCormick.

Miss Ida Wheelock received many congratulations on Saturday, the occasion of her eighty-ninth birthday. Miss Wheelock, who resides at the home of her nephew, Mr. F. W. Harris, is remarkably bright and active, and enjoys life with the zest of one half her years.

Miss Frances Bent, a student at the Annapolis County Academy, who daily crosses the Annapolis-Granville bridge, threw a bottle in the river, containing her name and address, on May 21st, 1925. She recently received a letter from Grand Manan, N. B., saying the bottle had been picked up, August 1st, on the beach of a cove called Devils Oven.

Miss Jessie Cunningham entertained a number of her young friends at a party on Tuesday.

## NEWSY NOTES FROM PARADISE

Narrow Escape in Accident.—Hallowe'en Observed in Community.—Social and Personal Items.

On Monday evening a carriage driven on the Paradise road was struck by a car travelling in the opposite direction and the occupants of the carriage thrown out. No serious injury was the result but it was nothing short of miraculous that the occupants escaped. The carriage was almost demolished and one wheel torn from the car.

Mr. Edwin Lilly is the guest of his parents, Mr. and Mrs. J. E. Lilly, having recently returned from his work in Pictou.

Miss Barker and Mr. Fred Ruggles of Boston, are the guests of the latter's parents, Mr. and Mrs. J. C. Phinney. We are glad to report Mr. Ruggles much improved in health.

Rev. W. S. and Mrs. Smith, son Gordon, and Mr. George Cormack, motored to Wolfville on Thursday.

Miss L. M. Henry and Miss D. K. Hoze, teachers at Paradise, motored to Annapolis Royal on Friday, to attend the second meeting of the Annapolis County Teachers' Union. A very helpful and enjoyable evening was reported.

Messrs. Robert and John Lowley left for Truro on Saturday, where they will visit their uncle, Rev. E. A. Kinley, proceeding on Monday to Amherst, where they will attend the "Fair" and of which John has been appointed as one of the Junior Judges.

Hallowe'en was observed in both departments of the school on Friday afternoon, teachers and pupils participating in an enjoyable programme. The rooms were artistically decorated and "treats" given at the close of the afternoon's entertainment.

In the evening a short entertainment and lunch was given in the vestry of the church. The programme was short, was especially good and afforded many a hearty laugh. For those present, the actors all taking their parts in a pleasing manner. At various parts of the play decorated room one discovered ghosts, a witch telling fortunes and cobwebs to be untangled. The younger folk enjoyed the games until a late hour, then left for home after spending a delightful evening. The proceeds amounting to twenty-six dollars, is for church purposes.

Mrs. Alvin Starratt has been the guest of Mrs. Chesley for several days.

Miss Janet Boss, of Granville, was the guest of Miss Annie Morse during the week end.

The ladies of the Community met at the Parsonage, for the purpose of sewing for the Children's Aid, on Friday afternoon.

Rumor announced wedding bells in the distance and wonders who the "unfortunates" are??

J. S. Ritey left on the 2nd inst. for St. John, on a business trip. While there he will be the guest of L. V. Langley, manager Smith Brokerage.

Mr. and Mrs. Clifford Fader, of St. Margarets Bay, who came to attend the funeral of the latter's uncle, are guests of Mrs. James Rice for the week.

Miss Edna John, of Halifax, is visiting Mr. and Mrs. A. H. Miller.

Mrs. Morrison is spending a week at her home in Lockport.

## N. S. WOMAN GETS REBEKAH POSITION

Saint John, N. B.—Mr. and Mrs. J. W. Peters, of Bridgetown, N. S., spent a few days here recently, guests of Mr. and Mrs. Gilbert E. Hartt, having just returned from a trip through Western Canada, across the Rockies to Vancouver and Victoria, then south visiting Seattle, Portland, San Francisco, Los Angeles and other parts of southern California.

While in Portland they attended the Sovereign Grand Lodge of Odd Fellows and Association of Rebekah Assemblies, which met there in Sept. 20-25.

The Association of Rebekah Assemblies are establishing a Bureau of Education in connection with their work to assist the home children to secure higher education on leaving the I. O. O. F. homes and the granting of scholarships and loans to enable them to attend colleges and universities.

Miss Flora Sheets, of Illinois, and Mrs. J. W. Peters were appointed convenors, Miss Sheets for the United States and Mrs. Peters for Canada.

Mr. and Mrs. Peters are formerly from Saint John, (St. John Telegraph-Journal).

Among the visitors to Halifax last week were Mr. and Mrs. E. G. Morse and their daughter, Miss Bernice Morse, of Paradise, N. S.

Miss Barker and Mr. C. F. Ruggles, of Boston, were guests at the home of Mr. and Mrs. J. C. Phinney, for a few days last week.

Mr. Ruggles was on his way to Kentville, where he is undergoing treatment at the Sanatorium there.

Mrs. Ayard Gillis, who has been visiting in Somerville, Mass., the guest of her daughter, Mrs. Louis Simpson and of Mr. Simpson, returned home last week.

Mrs. Hugh Fowler, of Wolfville, is visiting her brother, J. E. Morse, en route to New York, where she will spend the winter with her sister, Mrs. J. F. Crawford.

Mrs. H. M. Warne of Digby, spent last week visiting her parents, Mr. and Mrs. J. F. Crawford.

(Continued on Page Eight.)

We are very glad to welcome Mr. Stevenson Jefferson of Lawrenceport to our community, and hope he may make his stay here permanent.

Mr. and Mrs. Ewart Morse and daughter, Bernice, left for Lynn, Mass., on Friday, via Halifax, where they will spend several weeks, the guests of Mr. Morse's brother, Rev. W. I. Morse.

Miss Marjorie Morse, who is visiting Edgill, spent the week end at her home here.

## 14th ANNIVERSARY DORCAS SOCIETY

Largely Attended Meeting Held at Deep Brook at Home of Mrs. L. E. Sherman.—Fine Programme.—Officers Elected.

\* Deep Brook.—There was a large attendance of members present at the Dorcas Society annual meeting, held on Wednesday afternoon, October 28th, at the home of Mrs. L. E. Sherman. Being the annual meeting, some time was devoted entirely to business, the President, Mrs. L. E. Sherman in the chair.

The devotional, exercises included—Hymns—"To the Work" Mrs. Robert Spurr, pianist. Scripture reading—Acts 9:26-42. "The story of Dorcas" read by Mrs. Sherman and a "fervent" prayer offered by the secretary, Miss Emma A. McClelland.

The president then reviewed the events and changes of the past year in a very thoughtful and efficient manner.

The visitors, Mrs. Isaac Jones, (88 years old) Mrs. Mary Lowe of Clements, and Miss Leola Banks, who while teaching in an adjoining section, is a resident here, were cordially welcomed to our society and homes. All absent were kindly remembered. Heartfelt sympathy was offered to those recently bereaved as well as extended to one of our valued members, Mrs. John Adams, whose husband is now suffering from accidental injuries.

The Constitution showing the object of the society was called for and read by the secretary.

Reports from Secretary and Treasurer showed that the society is in good working order from every standpoint and steadily improving. It was indeed gratifying to learn from the report of Mrs. Howard Adams, Treasurer, the sum of \$250.00 had been raised from regular work, while by special effort an additional sum of \$225.00, was raised for painting the church, making a total of nearly \$500.00 for the year, which not only shows "the Dorcas Society" is a real asset to the Deep Brook Baptist Church, but proven the faithful work of its members under the direction of their leader has not been in vain.

The report of Mrs. Manning Nichols, representing the Nominating Committee, resulting in the election of the following officers for the ensuing year:

President—Mrs. L. E. Sherman.  
1st. Vice-Pres.—Mrs. Bessie McBride.  
2nd. Vice-Pres.—Mrs. B. H. A. Rice.  
Secretary—Miss Emma McClelland.  
Asst. Secy.—Mrs. Robert L. Curtis.  
Treasurer—Mrs. Howard S. Adams.  
Asst. Treas.—Mrs. Joseph Henshaw.  
Executive—Mrs. James Dittmars and Mrs. J. Frank McClelland.

Following the discharge of business a delightful social hour was spent. A dainty repast was provided by our hostess, the feature of it being a beautiful birthday cake made by Mrs. Annie Copeland, in honor of Mrs. Harriet Harris, one of our oldest and much respected members. The ladies who assisted in serving were Mrs. James Dittmars, Mrs. Howard Adams, Mrs. J. F. McClelland, Mrs. Annie Copeland, Mrs. Hiram Berry, Mrs. B. H. A. Rice, and Mrs. Elburn Berry.

At the close of the meeting Mrs. Sherman received a check from Malcolm Smith, of Rowley, Mass., a bequest left to the Dorcas Society by his mother, the late Mrs. Willard P. Smith, who was a summer resident here.

ENJOYABLE "BRIDGE" FOR RISK FUND

A most enjoyable "Bridge" was given in the Court House on Monday evening under the auspices of the Risk Committee. Twenty-four tables were in play at bridge and four at Auction forty-fives.

The prize winners at "Bridge" were as follows: First gentleman's, Mr. Harry McKenzie. First ladies, Mrs. Harry Ruggles. Second gentleman's, Major Ferguson. Second ladies, Miss Fanny Fisher.

In Auction forty-fives: First gentleman's prize was won by Mr. Dennis Mack and first ladies by his mother, Mrs. Thomas Mack.

Refreshments were served during the evening and the occasion was much enjoyed. Gross receipts amounted to over fifty dollars. The net proceeds will be given to the Risk Fund.

The Committee proposes to have a Fancy Goods Sale and Chicken supper on December 15th.

## ANNAPOLIS COUNTY TEACHERS' UNION

Initial Meeting Attended by Forty Members.—Interesting Papers Read.

Annapolis Royal.—The first meeting of the newly organized Teachers' Union, for Annapolis County, was held in the County Academy here Friday evening. About forty members were present. After the usual routine of business was disposed of by the President, John T. Archibald, Principal of Bridgetown High School, Miss Katherine Henderson, of Bear River, read an unusually interesting paper on "History" Ralph J. Messenger, Vice-Principal of Bridgetown High School, gave an instructive talk on "English." Refreshments were served by the ladies at the close.

BAPTIST CHURCH NOTES

What's the matter with Mrs. Blenkhorn? She's all right. She's all right. The C. G. I. T. girls thought so after the most pleasant evening spent in the vestry on Hallowe'en night. Every girl wore a Hallowe'en costume. Supper was served at six o'clock, after which the evening was spent in games and fortune telling. The girls left for their homes at an early hour all reporting a good time.

CLARENCE

Arthur Bartheaux left for St. John, N. B., on Saturday, where he will take a six months business course at the Maritime Business College.

Clarence Division is going in fine shape. Every entertainment is worth going miles to hear. The members vary in ages from 14 to 75 years. Hallowe'en was observed at last meeting.

Apples are all gathered in. The crop is very disappointing. C. C. Bartheaux leads with about 1200 barrels.

Raymond Fiske shot a deer in an adjoining orchard on Friday. There were two together, but as the law only allows a person to kill one, Mr. Fiske let the other disappear.

Mrs. Elizabeth Fritz celebrated her 90th birthday on the 30th, ult.

Miss Edna King from Mass., is visiting her sister, Mrs. C. G. Foster.

## Press Comment

### USES OF THE MELTING-POT

Springfield Republican: While the British Government does not object to the exclusion of Saklatvala, it might be better pleased if the United States would let him in and keep him.

### HE LOST THE CASE

Detriot News: Because he complained about her cooking, a New York wife asked a judge to sentence her husband to eat in a boarding house, but the judge said he couldn't do it. So the husband lost the case.

### THE FLORIDA LAND BOOM

Cincinnati Times-Star: California had a number of booms and a number of periods of extreme depression in its upward climb. But Florida's boom is so violent and has appeared to the get-rich-quick feeling of so many people that a bad break there might shake the country.

### HARSH WORDS

Rome Tevere: We should refuse to pay more than we get from our conquered lands. This is a principle which we must defend at all costs, without budging an inch. Our creditors must learn that in order to cut the gordian knot of debts we are at liberty to follow a shining example, the example of Russia.

### POT AND KETTLE

Springfield Republican: Governor Blaine of Wisconsin complains to the President of the United States that the French in Morocco are "killing not-combatants and women and children" which is "nothing short of barbarism." He should not forget to write to the President denouncing the white men lynching the other day of a negro in a southern state by pouring oil over him, tying him to a stake and burning him alive.

### PEKES AND PRODUCTION

London Spectator: To talk about a wholesale reduction of wages, as a cure for our distress is tantamount to accepting class warfare as inevitable. There are, of course, exceptions, but in the main our problem is to get better value for the wages which are paid and not to reduce the wages themselves. In this matter we still have a great deal to learn from America, where cheap articles are produced, though all costs of production (including above all, the wages) are high.

### CHINA'S NEED

Klan Wei Shaw in the American Review of Reviews: It is sometimes alleged that China needs a dictator to rescue her from her present plight. But the real fact is that she is in need of a good and strong popular government. No government can be good and strong if it lacks adequate financial and military support. As long as China is fettered by a low tariff and the Washington Conference provided for a maximum rate of only 12 1/2 per cent—the financial condition of the Central Government cannot be much improved; and under such conditions, it could never become strong even under a dictatorship.

### APRECIATION OF SERVICES OF MRS. C. S. McLEARN

The Following Flattering Address Was Presented to Mrs. C. S. McLearn, Retiring Provincial Secretary of the United Baptist Women's Missionary Union

### POPPY SALE

Considerable interest is being shown by everyone in the coming Poppy Sale, conducted by the Middlesex Branch, G. W. V. Assistance is being offered by all as it is generally realized that the Veterans have most worthy objects in view in selling the poppies. It is fitting that the Anniversary of Armistice Day be the occasion for commemorating our dead. It is, also, of value to all of us to reflect that our Canadian homes are intact, due to the sacrifice of those Sixty Thousand. The Veterans, who were comrades of those lads, are to be commended for annually asking us to pause in our civilian duties to give heed to the same call of true liberty that inspired the boys who are still in France. It is hoped that Armistice Day, hereafter, will be held on November 11th as the spirit of Memorial Day is entirely different from that of Thanksgiving. It is impossible to combine the two occasions consistent with personal and national dignity.

### FLOATING ISLAND DRIFTS 1,000 MILES

Trees on Land 100 Feet Square Visible Seven Miles.

### WELLS NAMED DEFENDANT IN \$500,000 SUIT

Toronto.—In a writ issued at Osgoode Hall today in which Miss Florence A. Deeks, of Toronto, asks \$500,000 damages and seeks an injunction restraining the publication and sale of "The Outline of History," H. G. Wells, the author of the work, is named as chief defendant with the MacMillan Company, of Canada, mentioned as joint defendants.

### CHIEF N. S. GAME COMMISSIONER HAS RESIGNED

J. A. Knight, C. C. Commissioner of Forests and Game and Inspector-in-Chief under the Nova Scotia Temperance Act, has resigned his dual position, according to an announcement made by Attorney-General Douglas. The resignation has been accepted.

### ARE COLLECTIONS CAPITAL?

### FRANC PLUNGES TO NEAR FOUR CENTS

Twenty-four Sold For Dollar on Bourse—Crisis Worst Since Armistice.

Paris.—The rise in the dollar and sterling to heights unknown on the French Bourse since the armistice, excepting for the March, 1924, flurry, was the only outstanding feature today in the development of the two problems, financial and political, facing the French Government.

### FOR THE KIDDIES' SUPPER

Children who take cold lunches to school need hot and hearty food at night. Care, however, should be taken to see that the food is digestible as well as substantial in its nature. One mother, whose three thriving children show her good care, contributes this hint.

## A WOMAN'S SUFFERING

### Relieved by Lydia E. Pinkham's Vegetable Compound

Verdun, Montreal, Quebec.—"I am one of thousands who have taken Lydia E. Pinkham's Vegetable Compound and I have great faith in it. I can safely say it has relieved my troubles and I shall never be without a bottle of it in my house. Since my last baby was born I suffered from pains and backache and would feel tired I could not do anything in my home. Since I have been taking the Vegetable Compound and Lydia E. Pinkham's Blood Medicine I feel so different. I recommend it to all my friends and hope it will cure other women who are suffering from the troubles I had."—Mrs. THOS. H. GARDNER, 321 Evelyn Street, Verdun, Montreal, Quebec.

### POPPIES

Considerable interest is being shown by everyone in the coming Poppy Sale, conducted by the Middlesex Branch, G. W. V. Assistance is being offered by all as it is generally realized that the Veterans have most worthy objects in view in selling the poppies. It is fitting that the Anniversary of Armistice Day be the occasion for commemorating our dead. It is, also, of value to all of us to reflect that our Canadian homes are intact, due to the sacrifice of those Sixty Thousand. The Veterans, who were comrades of those lads, are to be commended for annually asking us to pause in our civilian duties to give heed to the same call of true liberty that inspired the boys who are still in France. It is hoped that Armistice Day, hereafter, will be held on November 11th as the spirit of Memorial Day is entirely different from that of Thanksgiving. It is impossible to combine the two occasions consistent with personal and national dignity.

### DRIVING INTO STATIONARY TRAINS

level crossings seems to be a favorite sport on the part of a number of motorists judging by reports coming in recently from different sections. The latest is from Galt, where an automobile, in broad daylight, ran into a freight train consisting of 18 loaded and 15 empty cars standing in plain view on a crossing. Fortunately no one was hurt, but the instance is another of gross carelessness on the part of motorists.

### GRAND CHALLENGE CUP

emblematic of the First Aid championship of the entire system of the Canadian Pacific Railway, was won by the Weston Shops team, of Winnipeg, champions of the West, against McAdam, N.B. team, champions of the East and last year's winners, after a searching test of the two teams conducted at the Place Viger Hotel, Montreal, recently. The margin between the two teams was so narrow as to be in doubt to the last moment. Weston took 507 points out of a possible 672 and McAdam had 469.

### TOURIST TRAFFIC DEVELOPMENT

throughout Canada has reached such proportions as to equal the value of a fairly good wheat crop, and such development has only just begun, is the opinion of Colonel Phil. Moore, of Yoho Valley, B.C., interviewed recently. He thought that an estimate of three hundred million dollars spent by tourists annually in Canada was not too high. Growth of interest in the Canadian Rockies was very noticeable and although the majority of tourists there were Americans, yet Canadians, too, were beginning to discover them, said the Colonel.

## Here and There

### "Canada has the greatest opportunity of any community on the face of the earth," stated St. Lee Strachy, editor and proprietor of the London Spectator, in the course of a recent address before the Canadian Club. He stressed the advantages the country enjoyed in her large wheat area, electrical energy, wood pulp and mineral assets.

### Between 20,000 and 25,000 men are expected to work in the forests of the Province of Quebec during the coming winter, according to the chief forester of the province. It is anticipated there will be a good season in the pulp and paper products, but that the cut of lumber will not be so heavy owing to the low price prevalent for sawn lumber.

### Cardinal relations between the ports of Quebec and Liverpool were emphasized recently by the exchange of cables by the respective Chief Magistrates of the two cities. The occasion was the Civic Week Celebration at Liverpool when the Lord Mayor, Thomas Dowd, sent Mayor Joseph Samson, of Quebec, greetings to which the latter responded.

### A record for October weddings was established at the Windsor Station, Montreal, early in that month, when twenty couples invaded the Concourse on their way to Boston, Quebec, Ottawa and Toronto. Two of the bridegrooms were bounced following time-honored custom. It used to be the fashion to subject brides to this usage, but since the advent of short skirts the practice has been frowned upon.

### Establishing what is easily a world record for movement of wheat, grain poured into Fort William and Port Arthur elevators at the rate of nearly thirty bushels a second for the whole of the 24 hours of October 5, from Canadian Pacific Railway cars. In all, 1,704 cars were unloaded during the day and each car carries an average load of 1,500 bushels, representing a total of 2,556,000 bushels.

### Driving into stationary trains on level crossings seems to be a favorite sport on the part of a number of motorists judging by reports coming in recently from different sections. The latest is from Galt, where an automobile, in broad daylight, ran into a freight train consisting of 18 loaded and 15 empty cars standing in plain view on a crossing. Fortunately no one was hurt, but the instance is another of gross carelessness on the part of motorists.

### GRAND CHALLENGE CUP

emblematic of the First Aid championship of the entire system of the Canadian Pacific Railway, was won by the Weston Shops team, of Winnipeg, champions of the West, against McAdam, N.B. team, champions of the East and last year's winners, after a searching test of the two teams conducted at the Place Viger Hotel, Montreal, recently. The margin between the two teams was so narrow as to be in doubt to the last moment. Weston took 507 points out of a possible 672 and McAdam had 469.

### TOURIST TRAFFIC DEVELOPMENT

throughout Canada has reached such proportions as to equal the value of a fairly good wheat crop, and such development has only just begun, is the opinion of Colonel Phil. Moore, of Yoho Valley, B.C., interviewed recently. He thought that an estimate of three hundred million dollars spent by tourists annually in Canada was not too high. Growth of interest in the Canadian Rockies was very noticeable and although the majority of tourists there were Americans, yet Canadians, too, were beginning to discover them, said the Colonel.

### A WHOLESOME BAKED DINNER

Most housewives do not realize that oven dishes require really less attention than those prepared on top of the stove. But those who are fortunate enough to have a self-basting enameled ware roaster, know from experience that this is a fact. The old-fashioned way of basting the meat every ten minutes or so did keep one almost constantly on the job if the meat was to be well-flavored and browned.

Roasts are said to be much better for one than fried foods and an additional advantage is that potatoes and vegetables can be roasted with the meat, which saves considerable time. White and Bermuda onions are on the market now and for a change from the usual boiled and creamed style of preparing them, try roasting them with the beef and potatoes.

Select a six-pound roast, wipe with a damp cloth, sprinkle with salt, pepper and flour and cook in a very hot oven for twenty minutes. Then place around the meat six or eight large peeled potatoes and the same number of medium sized onions. Season the potatoes and onions, cover and cook at the same temperature for forty-five minutes.

Prevent Grippe with Minard's Liniment.

## SUNDAY SCHOOL CONVENTION

A very interesting session of the Annapolis Co. Sunday School Convention was held in the Lawrenceton Baptist Church on Friday. The devotional exercises at the morning session were led by Rev. A. H. Whitman, after which the President, Mr. J. H. Parker took the chair. The following committees were appointed: Resolution Com.—Rev. A. Gibson, Rev. A. H. Whitman, and Dr. Brown; Survey Com.—Miss Desbie Parker, Miss Lizzie Swallow, and Mr. Lindsay Graves. Nominating Com.—Mrs. C. S. McLearn, Mrs. E. H. Freeman, Mr. J. J. Whitman, and Mr. K. J. Banks. Banner and Enrollment Com.—Rev. A. H. Whitman, Rev. A. Gibson, Rev. W. S. Smith and Miss Georgie Balcom.

The minutes of the previous session were read by the Sec. Treas. and adopted, after which Rev. A. Gibson read a well thought out and comprehensive paper on Sunday School Teacher Training. He pointed out that the teacher is the most important item in Sunday School work, and should be trained, also as a Christian, as the teacher's aim is to bring those under his care to Christ. Rev. A. J. Prosser then suggested a plan by which Annapolis County will know how many of its boys and girls are in Sunday School. The meeting was closed with a hymn, and benediction.

The afternoon session was opened by a devotional service led by Dr. Brown, after which Mr. E. C. Shaffner in a few well chosen words gave the delegates a hearty welcome. Mr. I. J. Whitman responded. The Sunday School children of Lawrenceton then sang two lovely old hymns. The nominating committee then gave the following report: Pres.—I. J. Whitman; 1st. Vice-Pres.—Dr. A. H. Whitman; 2nd. Vice-Pres.—Rev. A. Gibson; Recording Secy.—Mrs. Amos Pratt; Sec. Treas.—Miss Georgie Balcom; Survey Com.—Rev. A. J. Prosser, Canon Underwood, Mr. Fred Bath, Mrs. J. R. Hall, Mrs. W. S. Smith, and Mrs. Arthur Duncan. Supt. Children's Div.—Mrs. C. S. Balcom. Supt. Young People's work.—Mrs. W. S. Smith. Supt. Education.—Rev. A. B. Higgins. Supt. Missionary Dept.—Mrs. C. S. Balcom. Supt. Temperance.—Rev. W. D. Wilson. County Administrator.—J. H. Parker. County Representative.—I. J. Whitman.

Mr. Beatty spoke at the Toronto Exhibition on the occasion of "Transportation Day" and then went on an extended tour of inspection over the C.P.R. western lines. His itinerary was by way of Winnipeg, Saskatoon, Edmonton and Calgary to the Rocky Mountains and on to the Coast and Vancouver Island where a trip was made over the Esquimalt and Nanaimo Railway to Port Alberni and Great Central Lake, the terminal of a new stretch of that railroad which has just been built to open up important lumbering areas. CHILDREN LIKE THEM

Baby's Own Tablets Are Effective and Easy to Give. You do not have to coax and threaten to get the little ones to take Baby's Own Tablets. The ease with which they are given, as compared with liquid medicines, will appeal to every mother. None is spilled or wasted; you know just how big a dose has reached the little stomach. As a remedy for the ills of childhood arising from derangements of the stomach and bowels they are most satisfactory. Mrs. Rose Veber, Willimantic, Conn., says: "I used Baby's Own Tablets in the Canadian Northwest and found them a wonderful medicine for children's troubles, especially indigestion and constipation. I have also given them to my children for simple fever and the restless accompaniment of teething and they always gave relief. I can recommend Baby's Own Tablets to all mothers."

MILFORD

Kenneth Gates returned to U. S. A. after spending his vacation at the home of his parents, Mr. and Mrs. Edgar Gates. A. D. Thomas and D. M. Outhit, of Melvern Square returned Saturday from a successful trip in the woods. Miss Genie Mallman spent the past week with Mrs. Hevey, of Victoria. Wm. Charlton is visiting his brother, Chas. Charlton. A number of the men are employed in building a large cabin for the summer home of Mr. and Mrs. North and family, of U. S. A. Miss Goldie Charlton having spent her vacation at her home, returned to Wolfville to resume her studies at the Acadia College. Mrs. Edgar Gates and son, Kenneth, spent Thursday with her daughter, Mrs. Robert Wood, of Annapolis Royal. Miss Lillian Hevey is visiting her sister, Mrs. Dennis Noss. Mrs. Elizabeth Stalling spent Friday with her sister, Mrs. Arthur Orde of Greywood. Gilbert and Carl Brown, after spending a short time in the West, have returned home, accompanied by their sister, Mrs. Modena Wiet. Samuel Wright has his mill almost completed and will soon begin sawing. Mr. and Mrs. A. D. Thomas have closed their summer hotel and are now preparing to move to their winter residence at Annapolis Royal. STORING SQUASH AND PUMPKINS Squash are best stored in a dry warm place, but they do not keep well if the air gets too hot. The best place is on shelves in the cellar, and the squash stored in the top shelves seem to keep better than those nearer the floor, other conditions being equal. The reason is due to the fact that the air nearer the ceiling of the basement is usually drier and warmer than that nearer the floor. It is best to wrap them in paper, especially where there is no heat in the cellar. Squash and pumpkin can be stored with good results in a cellar near a furnace. The best plan is to provide shelves near the furnace and merely lay the vegetables on these shelves, the pumpkins on the middle shelves. Squash have been known to keep two seasons and still be fit for use when stored this way. They cannot, however, be stored to good advantage in damp places, either cellars or pits, and keep very long. Pumpkins may be kept all winter with good results, but they, too, do not keep in damp places nearly so well as in dry warm places.—C. S.

SMITHS COVE

Mrs. Naysmith, of Toronto, who has been spending the summer with her sister, Mrs. H. Buckner, has returned home. Mrs. Jacob Cornwall and Mrs. John Smith attended the Quarterly District meetings held in Little River. Mr. and Mrs. W. S. Leat and daughter, Frances, of Weymouth, were guests, on Saturday, of Mrs. Fred Smith. Rev. L. E. Nunn was to have preached here on Sunday evening last, but owing to the bad weather conditions which prevailed there, was no service. Miss Stella Woodman spent the week end visiting friends at Plympton. The Star Class will hold their monthly meeting on Saturday evening, at the home of Mrs. Dean Clayton. "Home" Division held another extremely interesting meeting on the 21st. A pleasant feature of the evening was the receiving of an invitation from "Hope" Division, Acadiaville, to be present with them on Tuesday evening, October 27th. The community "sing" which was to have been held on Tuesday evening last was postponed until next Tuesday evening.

Here and There

Under the joint Canadian-British Government scheme, 3,000 families are being brought to Alberta this year and the first party of this year will arrive in April. They will first be guaranteed employment and later will take up their own land. Henry E. Suckling, Treasurer of the Canadian Pacific Railway since 1908, died recently at Atlantic City after an illness of several months. He was born at Gibraltar in 1851 and had been associated with railways in a treasury capacity since his early manhood. J. C. Mitchell, of Dahinda, Sask., known as the "world's champion wheat grower" returned home recently from a lecture tour of the British Isles. Go West, young man, go West, is his advice to all who wish to try their fortunes in the Dominion. Speaking at Toronto, Hon. Charles McCrea, Minister of Mines for Ontario, said that the estimated output of the mines of the province this year will be around \$75,000,000. In regard to gold he stated that by 1928 Ontario was expected to top the total production of the United States. A new Silver Trophy donated by the English Football Association to the Dominion of Canada Football Association for annual competition among Canadian clubs has arrived in Canada and will be on exhibition at Canadian Pacific stations at Montreal, Toronto, Winnipeg and right across the West. An expedition which will try to climb Mount Logan (15,359 feet) in the Yukon, the loftiest peak in Canada, is to leave Vancouver in April. It will be headed by A. H. McCarthy and Col. W. E. Foster, of Vancouver, and six other gentlemen, including a representative of the English Alpine Club, will complete the party. Agricultural products in the Province of Manitoba during the year 1924 reached a total estimated value of \$164,312,857, according to figures issued by the Provincial Department of Agriculture. This amount is nearly double that of the previous year and is accounted for largely by the big upturn in the price of wheat. The shield which was taken from the gates of Old Quebec when the city was captured by General Wolfe, and now in the possession of the town of Hastings, will be returned to the Ancient Capital. The Hastings Council have decided to return the shield which was presented to them by General Wolfe Murray, a descendant of the famous soldier. Miss Ethel Loginsk, temperamental pianist, gave another taste of her quality when she lectured a socially prominent audience for coughing in the middle of a concert at Englewood, N.J. "If you can't control yourselves, please don't stay here," she remarked. About fifteen disgruntled members of the audience left the hall indignantly. Trail Riders of the Canadian Rockies have developed the idea of using snow shoes for horses over the heavy snow tracks of that region. In this way great quantities of supplies are brought considerable distances across trails that would otherwise be impassable to heavy loads. Trail Riders are holding their second great Pow-Wow early in August next. Devising a new kind of motion picture camera with a built-in motor that is almost noiseless in operation, Burton S. Moore, proprietor of the Nictau Camps in New Brunswick, has succeeded in taking about 4,000 feet of film of wild life in action which will be shown in disc course on Canadian and United States screens. He has been particularly successful in depicting every motion in that special phenomenon by partridges known as drumming. Over half of last year's western grain crop was handled by the Canadian Pacific Railway according to data just issued by the Dominion Bureau of Statistics. Of the total grain inspections numbering 172,856 cars during the seven months to February 28 last, 99,237 cars were on the company's lines, representing 87 1/2 per cent, while of the 130,157 cars delivered at Fort Williams and Fort Arthur during the same period 68,690 or 52 1/2 per cent are credited to the company.

SUNDAY SCHOOL CONVENTION

A very interesting session of the Annapolis Co. Sunday School Convention was held in the Lawrenceville Baptist Church on Friday. The devotional exercises at the morning session were led by Rev. A. H. Whitman, after which the President, Mr. J. H. Parker took the chair. The following committees were appointed: Resolution Com.—Rev. A. Gibson, Rev. A. H. Whitman, and Dr. Brown, Sarvey Com.—Miss Bessie Parker, Miss Lizette Swallow, and Mr. Lindsay Graves. Nominating Com.—Mrs. C. S. Balcom, Mrs. E. H. Freeman, Mr. I. J. Whitman, and Mr. K. J. Banks. Banner and Enrollment Com.—Rev. A. H. Whitman, Rev. A. Gibson, Rev. W. S. Smith and Miss Georgie Balcom. The minutes of the previous session were read by the Sec. Treas., and adopted, after which Rev. A. Gibson read a well thought out and comprehensive paper on Sunday School Teacher Training. He pointed out that the teacher is the most important item in Sunday School work, and should be trained, as a Christian, as the teacher's aim is to bring these under his care to Christ. Rev. A. J. Prosser then suggested a plan by which Annapolis County will know how many of its boys and girls are in Sunday School. The meeting was closed with a hymn, and benediction. The afternoon session was opened by a devotional service led by Dr. Brown, after which Mr. E. C. Shaffer in a few well chosen words gave the delegates a hearty welcome. Mr. I. J. Whitman responded. The Sunday School children of Lawrenceville then sang two lovely old hymns. The nominating committee then gave the following report: Pres.—I. J. Whitman; Ist. Vice-Pres.—Dr. J. B. Hall; 2nd. Vice-Pres.—Rev. A. Gibson; Recording Secy.—Mrs. Amos Pratt; Sec. Treas.—Miss Georgie Balcom; Sarvey Com.—Rev. A. J. Prosser; Canon Underwood, Mr. Fred Bath, Mrs. J. B. Hall, Mrs. W. S. Smith, and Mrs. Arthur Danca. Supt. Children's Div.—Mrs. C. S. Balcom. Supt. Young People's work.—Mrs. W. S. Smith. Supt. Education.—Rev. A. B. Higgins. Supt. Missionary Dept.—Mrs. C. S. Balcom. Supt. Temperance.—Rev. W. D. Wilson. County Administrator.—J. H. Parker. County Representative.—I. J. Whitman.

CHILDREN'S AID DEPT.—REV. A. J. PROSSER

A workers conference was then held by Mr. Machum. His address, as always, was helpful, and full of practical suggestions. The Banner Committee next gave its report, and Rev. A. H. Whitman presented the banner for 1925 to the West Paradise Sunday School for the second time. Honourable mention must be made of the South Williams school, as only five of its members were absent. A discussion on temperance was led by Rev. W. D. Wilson, and the convention resolved to ask the Provincial Government to close liquor sales rooms in Halifax. The session closed as usual. The evening session opened by music by the choir, and prayers by Dr. Brown and Mr. Graves. The minutes of the afternoon session were read, and adopted, after which the reports of the Resolution and Enrollment committees were adopted. A paper on "Young People and The Bible," was read by Mrs. W. S. Smith and was thoroughly enjoyed. After a hymn, Rev. Robert Miller gave an address. Mr. Miller is a brilliant speaker, and his words were of interest, and inspiration to the convention. A duet was sung, and the offering taken. Mr. Machum spoke on teaching children the value of the religion of Jesus Christ. Dr. Brown offered a prayer, and the convention was closed by singing a hymn. This year's conference was notable for the splendid attendance from practically all the Sunday Schools located in the smaller town of the county. These schools are to be congratulated on the interest and initiative of their workers, who must have returned to their several communities with a fund of new ideas, and renewed realization of fellowship with other workers and a greatly exalted sense of the merit of the task upon which they are engaged. George E. Balcom, Co. Secy. Treas.

INTERESTING THE BOYS AND GIRLS OF PUBLIC SCHOOLS IN THE GREAT HYMNS OF THE CHURCH

Recently a promising young violinist wrote back to the clergyman of the church where he had been encouraged to develop his talent, to the effect that wherever he went in musical centres he heard nothing more inspiring to himself as an artist than the majestic harmonies and melodies of the great Christian hymns. There is something about them that grips the deepest elements of the artistic soul. Nearly every great hymn came directly out of the very life-blood of the author, and the same may be said of the music to which these powerful lyrics are set. For a long time it has been in the mind of leaders of song, that great non-sectarian hymns and their stirring musical accompaniments should be more widely popularized both in the schools and in community singing. It has been discovered that there are plenty of hymns of this character, new and old, that are both unobjectional to Catholics and Protestants alike, and a multitude of them are inoffensive to Jews as well. In studying the ways and means whereby great hymns and tunes can be popularized, it is found that the newspaper is the inevitable medium through which this can be accomplished. The plan of using this method was strongly backed by the directors of the Music Supervisors' Conference of America at their annual meeting at Cincinnati last April, and at several centres the co-operation of newspapers, churches and public schools was secured in the publication and effective use of a series of seasonal hymns by each community as a whole. The following is the testimony of one newspaper which used the material suggested: "We found the printing of non-sectarian hymns with its music in the Saturday issues in connection with church advertisements a profitable investment, increasing and steady and the church advertisements and rendering a general service to the community, which has added to the prestige of the paper." During the week following the publication of a hymn with the music, the directors of song in certain public schools, as a part of the regular drill, would see to it that every pupil should master its musical notation and understand the harmony of the words with the music. The pupils were encouraged to clip out the hymn from the newspaper and paste it in a notebook for permanent use at home and in the school. This last year, it is said, has seen a notable zeal on the part of children to take musical instruction on the violin, piano and other instruments. The hymns in the Saturday issue of the newspaper tends to make that evening a musical one at the home, and often the whole family sings the new hymn. The tendency also is for all the churches in the place to use the hymn at Sunday morning worship. Wherever community singing is practiced the weekly hymn becomes an inspiration. When hearse use Winsor's Linctant.

Makes Many Warm Friends ECONOMY WITH coal at present prices, it is certainly folly to burn it in wasteful stoves or poor, inefficient furnaces. The New Gilson "Magic" Tungsten Plate Furnace gives more heat units out of a ton of coal than any other heating system ever devised. A new type of grate burns the fuel around the outer edges where it is transferred to the air quickest. A new patented Air Blast burns the gases and smoke and soot before they escape to the chimney. This new furnace, in fact, brings fuel economy too startling to be expressed in words. It saves the last half of your coal bill! Costs less to buy, less to install. Gives quicker, cleaner heat. Made in Pipeless and Pipe styles in sizes to suit any home, store, church or school. GILSON "MAGIC" THE ONE PIECE FURNACE BUILT OF TUNGSTEN PLATE No need to delay. Mrs. R. Swallow spent the 27th, with her mother, at Springfield.

Mrs. J. McKenzie and baby, of Springfield, have been the guests of Mrs. W. Lupton and other friends for a few days.

Roland Marshall has returned home for an indefinite time.

Election day passed off very quietly; it being a very disagreeable day, no one felt inclined to loiter.

Robert Swallow received on Wednesday morning news of the sudden death of his brother, Enos Swallow, of Springfield.

### SOUTH WILLIAMSTON

Mrs. William Marshall is engaged caring for a patient at Round Hill.

On Tuesday, the funeral of the late Percy Baltzer was held at the Hall, South Williamston. The services being conducted by his pastor, Rev. A. H. Whitman. Burial in the Daniels Cemetery, Lawrence town.

Miss Lina Whitman has gone to Bridgetown.

Mrs. Whitefield Daniels has returned to her home here.

Mr. Nickerson, brother of Mrs. Crowell, has been spending some time at Mr. E. Crowell's.

Williamston Aid Society met on November 3rd, with Mrs. W. Hunt. The lesson from the prescribed study course was under the direction of Mrs. William Bishop.

Mr. Reginald Whitman, who has spent some time in this vicinity, returned to his home in Albany on Wednesday 25th.

### WEST CLARENCE

Mr. and Mrs. A. J. Wheelock spent Sunday with their daughter, Mrs. A. J. Hutchings, Centerville.

A "surprise party" was given to Mr. and Mrs. Arthur Bent on Wednesday evening, the occasion being their 17th anniversary. After a pleasant evening of games and singing, dainty refreshments were served. Everyone reported a pleasant time and wish they would come often.

Sorry to report Master Edward Wheelock sick with pneumonia at the time of writing.

### LITTLE BUSINESS AT COUNTY COURT

County Court session opened here on Tuesday, Judge Grierson presiding. Only one case was taken up on appeal in Bruce vs. Parker, the latter being appellant. The former party did not appear and appeal was granted with costs. Two old causes were carried over to a session of court to be held at Annapolis Royal on November 24th, at 2 p.m.

O. S. Miller made application for a writ of Habeas Corpus in the case of Rena Phinney and this case will also be argued at Annapolis on the 24th.

### UNITED CHURCH NOTES

At the Wednesday evening service a study is being made of Paul's letter to the Ephesians. The service of song is always enjoyed, and those attending are finding the study and address by the pastor very helpful.

Sunday morning the Brotherhood was re-organized with Mr. H. B. Hicks as President, and Mr. K. B. Ewan Secy. Treas. Rev. Mr. MacKinnon led in the discussion period. This class is to meet in the church each Sunday morning at 10 o'clock. A cordial invitation is extended to all the men of the congregation.

On Armistice and Thanksgiving Sunday next, the pastor will deliver addresses appropriate to the occasion, and special music will be rendered. A solo, "Consider the Lilies" will be given by Miss Grace Smith, Port Lorne. Miss Smith, formerly of England, was for years a teacher of music in schools of U. S. A. There will be also three anthems and a men's chorus. To the whole days programme we are looking forward with great interest and pleasure.

The Ladies Aid Society meets this week on Thursday evening at the home of Mrs. Francis Graves. The members, while busy preparing for a Christmas Sale, are looking forward to the purchase before many months, or furnishings for a church parlor.

At the Young People's Convention which meets here on the 12th, representatives are expected from all the congregations in the Presbytery. Homes will be asked to accommodate, and provide supper in the church for these visitors on that date.

### BELLEISLE

Mrs. Herbert W. Bent came home on Thursday, after spending the summer in Amherst with her daughter, Mrs. (Rev.) C. S. Gesner, and her son, Rev. J. W. Bent.

Mrs. John A. Bent spent the week end at Granville Ferry, with Mrs. William Amberman.

Mr. Roy Goodwin left on Friday to spend the winter in the U. S. A.

The many friends of Miss Annie Bent will be glad to know she is recovering from her recent illness.

Quite a number gathered at the home of Mrs. John A. Bent Friday evening and gave her a surprise party, it being her birthday. The evening was pleasantly spent in games and music. Refreshments were served, conspicuous among them being a large birthday cake with many candles. At a late hour the friends left for their homes wishing Mrs. Bent many more birthdays.

On Monday evening, October 26th, about forty friends of Miss Josephine Willett gathered at her home and gave her a surprise in the form of a miscellaneous shower. Little Miss Marguerite Willett, dressed in a dainty white dress with the usual bridal veil and orange blossoms acted as bride and Master Donald Tosh was groom. This winsome little couple performed their duties in a most pleasing manner by presenting "the bride-to-be with a large clothes basket well laden with securely tied packages, which proved when opened to contain many useful household articles consisting of china, silver, glass, linen and aluminum, conspicuous among them being a pretty china dish, the gift of Belleisle Division, of which the bride-to-be is a valued member. The evening was very pleasantly spent in games, after which refreshments were served. At a late hour the party broke up wishing the future bride much happiness.

### Here and There

All previous records set by the Manitoba Telephone System, a provincial all-government owned and operated utility, were surpassed in July, when net earnings for the month were \$15,754. A surplus of \$100,000 was predicted for the present fiscal year.

According to an estimate made by Quebec Automobile Club officials from data supplied by transportation companies and garages, 200,000 tourists have already passed through Quebec this year. This, it is explained, is an increase of twenty per cent over the total for the whole of last year.

Building permits issued in Winnipeg since the beginning of the current year to date have topped the three million dollar mark, being \$3,034,840 for 1,704 structures. For the corresponding period of last year the total was \$2,289,450 for 1,733 buildings, an increase in value for this year of \$745,390.

Heavy shipments of this season's crop of potatoes in Fredericton, N.B., are now being made to the Cuban market from the potato belt on the Upper St. John River, according to the provincial superintendent of the crops and soil division of the Department of Agriculture. There have been large consignments from Carleton and Victoria counties.

Greater Montreal's population is now estimated at 1,028,000, according to the 1925 issue of Lovell's Montreal Directory just published. Population of the city proper is estimated at 397,500. Population in the suburbs and surrounding country is given as 120,900. The last estimate of Greater Montreal's population, by the same authority, gave the population as 976,527.

A party consisting of twelve Chinese students from Hong Kong and Peking arrived in Montreal recently to take up temporary positions in departments and shops of the Canadian Pacific Railway, in order to familiarize themselves with the railway situation in Canada. They will remain a few months and then return to China to make practical use of the information they acquire.

Among the notable personages who arrived in Canada during the first week in September from Europe were Princess Patricia, Sir Thomas and Lady Grattan, and the Earl and Countess of Mar and Kellie, all of whom were on the Canadian Pacific steamship Mountroyal; James Curwood on the Empress of Scotland and Baroness Orcey on the Montclair, of the same line.

Calgary, Alberta. — The No. 4 Royalty well (Imperial), continues to amaze geologists. Its natpha production increased July to 546,135 gallons, 23 degrees Beaume, an increase of 25 barrels daily over the June production. The production continues to increase and the flow of gas at 20,000,000 cubic feet a day is being maintained. This flow will shortly be harnessed to supply Calgary.

Preparations are under way for the holding in Montreal in June next year of the annual convention of the American Association of Railroad Superintendents. J. K. Savage, General Superintendent, Canadian Pacific, was elected chairman of the arrangements committee, and plans were made for the organization of a complete committee to go ahead with the business of making the convention a success.

A despatch from London states that in the past three weeks more than 20,000 boxes of Quebec-made cheese have arrived and been sold in London at good prices, the quality, it is said, being of the best. It is pointed out that if Quebec products are to obtain the position they deserve here it is necessary to keep continuous supplies coming, in order to make them known to the general public, rather than to make either isolated or occasional speculative shipments. Along this line, some 7,000 boxes of Quebec-made cheese went forward from here to the London market during the past week.

The world may owe us a living, but Bill Rogers says we've got to be good collectors to get it.

### ROTATION OF CROPS

(Experimental Farms Note.)

The value of a systematic rotation of crops is well demonstrated at the Dominion Experimental Farm, Nappan, by three fields. Number 1 is under a rotation of crops; number 2 is soil that has received a top dressing of good barnyard manure once in five years; number 3 is a field left to its own salivation but previous to 1921 had been under a three-year rotation and in good state of fertility. The average yield per acre cover for the past four years is as follows: Field number 1, four-year rotation, averaged over 2.25 tons of excellent clover and timothy hay; field number 2, top-dressed once in five years averaged 2.50 tons of fair timothy hay including fifteen per cent weeds; field number 3, no top dressing, averaged 1.95 tons poor timothy including twenty-five per cent daisies and weeds. Placing the following fair values on the crop standing, number 1 field would be \$8. per ton or an acre valuation of \$18.32, number 2 acre valuation of \$15.32, number 3 acre valuation of \$9.75. An average increase is shown during four years of \$8.57 per acre per year in field number 1 over field number 3.

When it is considered that field number 3 was in good condition to start with in 1921, and shows an average loss of over \$8. per acre in four years, what must our loss be from large fields of hay land in this country that have been down to hay anywhere from five to fifteen years? For after three years, half crops fall off very fast. In 1924 field number 1 gave an average yield of 2.32 tons of excellent clover hay; number 2 gave an average yield of 2.48 tons running high in couch grass and daisies and as a feeding hay not worth more than two-thirds of the value of the hay from field number 1. Field number 3 gave an average yield of 1.75 tons still poorer in quality, and had a higher percentage of daisies and brown top.

While these fields at the time of writing are not out for 1925, the difference in quantity and quality of hay is more marked. Field number 1 should yield close to three tons of hay per acre; number 2 will barely run to two tons per acre, while number 3 will do well to cut one and one-half tons of very poor hay made up of at least thirty-five per cent daisies and brown top. It would be far better policy to turn out to pasture such acres as cannot be properly and economically cultivated.

## A WOMANS WORK IS NEVER DONE

No Wonder Health Gives Out and She Becomes Weak and Despondent.

It is literally true concerning woman in the home that her work is never done. She starts with housework when she rises in the morning and is kept busy up to the time she retires at night. The work must be done whether she is feeling well or not. It is no wonder that she often breaks down under the strain. She becomes breathless at slight exertion, feels exhausted if she walks up stairs. Headaches and dizzy spells become frequent, and life seems a burden. Much of this trouble is due to the fact that her blood has become thin and watery, and to retain her good health she must take a reliable, blood-enriching tonic such as Dr. Williams' Pink Pills. The great value of this tonic medicine is shown by the statement of Mrs. Mary Nolan, Lintlaw, Sask., who says:—"When I began using Dr. Williams' Pink Pills I was a physical wreck. It was with great difficulty that I could do light housework. I suffered from headaches, my heart would beat violently at the least exertion, and I always felt tired and depressed. I did not sleep well at night, and I had no appetite—my limbs would swell as if in dropsy. It was at this stage that a neighbor advised me to take Dr. Williams' Pink Pills. I had used the pills for some weeks before I began to feel their benefit, and thus encouraged I continued taking them for several months, when I was again as strong and well as ever I had been. I have no hesitation in saying that these pills are a remarkable blood-builder and strength renewer and I shall ever be grateful for what they did for me."

You can get these pills from your druggist, or by mail at 50 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

BRITISH ARMY PAY IS REDUCED AGAIN Both Affected—3,900 Discharged. Quondam-sold Officers and Privates. London—Recent economies in the British Admiralty have now been followed by an official announcement of reductions in pay in the Army so far as privates, lieutenants and captains are concerned. Their new rate of pay, which marks a second reduction, is as follows: Privates on enlistment are to receive two shillings a day as against 2s 9d heretofore paid. Second lieutenants are to receive 11 shillings a day instead of the old rate of 13 shillings. Lieutenants, who up to the present time have been in receipt of 15 shillings a day, are now to be paid 13 shillings a day. Captains heretofore will receive 21 shillings a day instead of the old rate of pay, 23s 6d a day.

Under the Admiralty's economy plan, the Government's navy dockyards at Rosyth, on the Firth of Forth and Pembroke, in South Wales, are to be closed. Heretofore these yards will be kept on a "care and maintenance" basis only. This means that there will be a big permanent economy in overhead charges, but that it will be possible to reopen these establishments at any time in case of need.

There will be a reduction of 3,000 in the staff before the end of the financial year, March 31, 1926, and already 1,200 of the 3,000 have been discharged. It is intended, as far as possible, to avoid further discharges during the winter season but the remaining 1,800 must go before the end of next March.

When the Admiralty announced these reductions a short time ago it was stated that the question of closing any other yard would receive further consideration.

SEAPLANE RECORD C. S. Airman Sets Mark of 245.713 Miles Per Hour Over Straight Course.

Bay Shore Park, Baltimore, Md.—Lieutenant James H. Doolittle, United States army, set a mark of 245.713 miles per hour in speed trials over a three kilometre straight-away course Tuesday afternoon—the fastest time ever made by a seaplane.

Curfew Doolittle flew the little black Curtiss racer in which he yesterday won the Jacques Schneider trophy. Doolittle's time during the race yesterday was 22.632. To day's time is a world's record which will become official when recognized by the Federation Aeronautique Internationale.

## GAME SOCIETY HEAD ACCUSES LAW-BREAKERS AND SUGGESTS REMEDIES TO SAVE PARTRIDGE

D. KING HAZEN, president of the Saint John branch of the New Brunswick Fish and Game Protective Association, speaking yesterday of the scarcity of partridge, said that he was of the opinion that unless there was a closed season in a very short time partridge would be extinct. Mr. Hazen said that at a meeting of the Provincial Association at Fredericton last spring, among other important matters brought up, was that of partridge. It was decided in view of what the Chief Game Warden said of the necessity of the nesting season not being interfered with that there be a short open season, to open on Oct. 20th and close on Nov. 10th.

In a great many cases hunters do not observe the law and more partridge than are allowed are killed," said Mr. Hazen. "This goes a long way toward the extermination of the bird."

Mr. Hazen referred to several points in a bulletin presented at the Association meeting last spring when the following explanations had been advanced for the scarcity of partridge:

Excessive shooting in violation of the law. Prolonged drought in the latter part of the brooding season. Blue lice affecting the bird around the head and throat. Worms in the bowels.

Heavy thunder storms during the brooding season. Holds Law Broken.

It was the opinion of the Saint John branch that the real reason for the scarcity was that the laws made to protect these birds had not been observed. Mr. Hazen said. The Game Act provides that during the open season not more than six partridges shall be killed in a day, or twenty during a season, by any person; that no partridges shall be sold; that none shall be served in any hotel or restaurant; that no one shall at any time disturb the birds on their nests, be continued.

"The birds have been slaughtered, sold, exported, served in hotels and restaurants and at private and public banquets. Such season there has been a marked decrease in the number of birds since the prohibition against shooting them was removed in 1919," said Mr. Hazen.

"The partridge is a delicacy," the president of the Fish and Game Association continued. "The well-to-do purchase them in large numbers from local merchants or from country store-keepers who buy them from men and boys who make a business of going into the woods in the autumn and shooting them. If public opinion cannot be aroused to the serious results brought about by this combination of selfishness and greed, the partridge is doomed. There are not sufficient game wardens. There should be more and, in some cases, better ones are needed. But the number of game wardens the province can afford to employ cannot carry out their duties effectively unless they receive a large measure of public support. "When guns are heard going off in the closed season the matter should be reported by the people in the vicinity to the chief game warden at Fredericton, and he should be in a position to send an observer at once to investigate the non-observance of the law."

Remedies Suggested Among the remedies suggested to meet the present situation Mr. Hazen mentioned the following:

A closed season next year, to be continued a second year if found necessary, or no shot guns to be allowed in the woods.

A better enforcement of the Game Act. Frequent inspections of cold storage plants in the season by game wardens for the purpose of ascertaining if the law is being violated.

The setting aside of more land for game reserves, and proper guardianship of the same.

Experimenting with the Hungarian pheasant with a view of naturalizing it.

The awakening of public opinion to the necessity of conservation. "Unless the partridge is protected by the proper observance and enforcement of the laws that have been made for this purpose, it is the opinion of the Saint John Branch of the New Brunswick Fish and Game Protective Association that in another generation the bird will be extinct. The public-spirited citizens of the province must work to avoid this misfortune," Mr. Hazen concluded. (St. John Telegraph.)

The remarks foregoing apply with equal force to the Province of Nova Scotia. (Ed. Foulton.)

An Englishman, on his first visit to America, came to a small town, and said to the first man he saw, "Do I have to see a doctor before I get a drink here?" "No, after," answered the man.

There is objection to the new two dollar bill, but it WILL buy a dollar's worth.

Quebec Tax Yielding More Than Anticipated. Quebec.—The gasoline tax of three cents per gallon in the province of Quebec is yielding even more revenue than was anticipated last winter when the tax was increased from two to three cents per gallon. The Gazette 1927 estimate was informed tonight. There does not seem to be any likelihood that the tax will be increased next session. Last year it was proposed to double the tax and make it four cents per gallon, but the automobile people fought the measure, and a compromise at three cents was reached, which is expected to yield in the neighborhood of \$800,000 for 1925.

The Minister of Roads recently expressed his satisfaction at the manner in which the tax was working out, and stated that everybody using the roads was now paying an equal share. Last year the tax yielded in the vicinity of \$520,000. After shaving—Minard's Liniment.

Conditions in the fruit areas of British Columbia are reported as satisfactory. Weather conditions have been good and the trees are healthy.

According to recent reports general conditions in the Maritime Provinces are normal. Potato seeding is about complete. Trees in the Annapolis fruit districts are in good shape and estimates point to a normal crop.

A consignment of lumber from South Westminster, B.C., arrived recently at Dorval, Quebec, on the Canadian Pacific lines, consisting of twenty-nine logs of Douglas Fir, some of which were so long that three flat-cars were required to carry them.

Field Marshal Earl Haig and Countess Haig, travelled through western Canada to the Pacific coast within the Canadian Pacific Railway recently, after attending the conference of the British Empire Service League at Ottawa.

"Western Canada has never had better crop prospects than which exist now," stated Ernest G. Cook, of E. Cook, Ltd., Crop Insurance Co., of Moose Jaw, Sask., who recently spent two weeks at Banff, after touring the West and studying crop conditions.

According to "Agricultural and Industrial Progress in Canada" the Department of Trade and Commerce has issued the following comparative statement for 1924 and 1925 trade in the Dominion:

Total	1924	1925
Trade	\$1,902,130,164	\$1,878,294,150
Imports	893,366,867	796,932,537
Exports	1,008,763,297	1,081,361,613
Fav. Bal.	165,396,430	284,429,106

According to the Dominion Bureau of Statistics the annual consumption of standing timber for use, amounts to about 2,600,000,000 cubic feet. The loss by fire, insects and fungi about doubles this depletion, and it is estimated that Canadian forests are depleted at the rate of upwards of five and a half billion cubic feet per annum.

For the first time in the history of Canada upwards of three thousand residents from the four western provinces and Montana journeyed to McLeod, Alberta, early in July, and held an all-Indian celebration and formed a league of plains Indians. Five thousand white people attended the ceremony and watched the Indians stage their spectacular mounted war-dance.

Deep gratification is felt in Canadian Pacific Railway circles over the receipt of the following telegram sent to President E. W. Beatty by His Royal Highness the Prince of Wales:—"Umvuma, South Africa, July 2nd.—Have just heard of Mr. Howard's death. Please convey to relatives my deepest sympathy. (Signed) Edward P." The late Mr. W. B. Howard was twice in charge of the Prince of Wales' train when His Royal Highness travelled over Canadian Pacific lines.

For the second time in the history of the newspaper industry, Canadian output has run ahead of that of the United States. During the month of May Canada produced 120,013 tons of newspaper, as compared with 122,025 tons in the United States. The cumulative production of Canadian mills for the first five months of the current year totals 622,235, which favorably compares with a production of 632,034 in the United States during the same period.

# NEW LAMP BURNS 94% AIR

Beats Electric or Gas.

A new oil lamp that given an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 19 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil). The inventor, J. M. Johnson, 246 Craig St., W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him to-day for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month. 29-111.

THE AUTOMOBILE TO UNITE CANADA

How much is tourist development really worth to Canada?

There are two ways of looking at that question. The usual way is to view it through financial glasses. One needs only to glance at the figures cited by various authorities to realize that the money now spent in Canada every year by tourists from abroad has become one of the major items of our national income. But there is another and perhaps equally important side of the question. Tourist development means a great deal more than the coming of an army of free-spending visitors. There is also the enormous increase in the actual travelling done within the Dominion by the Canadian people themselves. The value of this feature is not to be measured in dollars and cents, but it bids fair to exert a priceless influence upon Canadian unity.

It has long been a byword that Canada is a "difficult country to govern." The territory of the Dominion is not only far flung but it is naturally broken into sections which differ as radically from each other in economic opportunities as in physical character and location. How to unify these sections, how to get some real sympathy or outlook and mutual appreciation of their respective problems, has been the great task of Canadian citizenship and statesmanship. And the increased travel of the Canadian looms up as one of the most effective instruments for that purpose.

Canadians today are almost uniquely equipped to see their country. It is an actual fact, according to the Natural Resources Intelligence Service of the Department of Interior, which is paying particular attention to the tourist traffic in Canada, that the 9 or 10 million people of Canada own more passenger autos than any other nation on the face of the globe except the United States. They own more passenger cars than the 47,000,000 people in Great Britain or the 40,000,000 of France. The people of Ontario alone possess as many cars as the combined population of nearly 50,000,000 living in Germany, Holland, Denmark, Norway and Sweden. The cars owned by the whole of the Danish people are just half the number of those owned by the people of Saskatchewan.

Country	Population	Pas. Cars
U. K.	47,000,000	267,000
France	39,290,000	460,000
Canada	9,200,000	597,000
Holland	6,865,000	20,000
Denmark	3,267,000	32,000
Sweden	5,934,000	49,000
Norway	2,632,000	15,000
Germany	60,000,000	154,000

# Passenger Cars in Canada and Its Provinces in 1924.

All Canada	573,875
Alberta	47,871
Saskatchewan	64,666
Manitoba	43,843
Ontario	271,341
Prince Ed. Island	2,460
Nova Scotia	15,234
New Brunswick	18,310
Quebec	76,726
British Columbia	38,438
Jan. 1, 1925, All Can.	597,278

It will be a remarkable fact if in a few years' time the touring of Canadians within the boundaries of the Dominion does not succeed in sweeping away a great deal of the divergence of outlook as between various parts of the Dominion which in past years was the natural outcome of lack of acquaintanceship.

# "FORD OF THE AIR" SOON TO BE READY

Cheap Motor With Replaceable Parts Will Be Put Into Service On Airplanes.

Detroit.—An air-cooled eight-cylinder 200 horsepower motor for airplanes will be the first "Ford of the Air." Henry Ford declared in an interview this afternoon.

Development of such a motor in the Ford Laboratory at Dearborn is almost complete and will some day be in quantity production for use in the "plain people's" air flyers.

Like its brother, so popular on the ground, its parts will be accessible, interchangeable and cheap.

Its first work will be drawing the big Stout metal plane to be fitted with three of the new motors. Mr. Ford declared. This motor will be first "Ford of the air" about which so many prophesies have been made. It will be an eight-cylinder, air-cooled, X-type motor, developing 200 horse-power, weighing about two pounds to the horsepower and will have all the economical characteristics of the

# MARRIAGE

MacHenry—Richardson

Miss D. May Richardson, daughter of Mr. and Mrs. F. A. Richardson, became the bride of Mr. Albert T. MacHenry, son of Mr. and Mrs. Thomas MacHenry, of Melross, at a ceremony, Saturday evening, at 8:00 o'clock, in the First Congregational Church in Stoneham.

The bride's dress was of white satin adorned with lace and pearls. The lace veil was caught with orange blossoms and her bouquet was of lily of the valley and roses.

The maid of honor was given in rainbow gorgette with an overdress of gold lace and the bridesmaids in blue and green and orchid gorgette, trimmed with silver lace added much to the picture as they stood under a pergola of autumn foliage.

Mr. MacHenry had for his best man his brother, Mr. Harold MacHenry. His ushers were Mr. Ralph Ellis of Lynn and Mr. Clark Richardson, a brother of the bride.

The reception followed the ceremony in the church parlor and was attended by about 300 guests.

Miss Gladys Carter played during the reception and Mrs. Ruth McHale sang "O Promise Me" Kimball of Malden was caterer.

The beautiful gifts received showed the high esteem in which the young couple are held.

After a wedding trip to New York and other points of interest, Mr. and Mrs. MacHenry will be at home at 113 Franklin St., Stoneham.

A coincidence of the event was that it was also the bride's fourth birthday and the twenty-fourth wedding anniversary of her parents.—Stoneham paper.

The bride, Mrs. MacHenry is the grand-daughter of Mrs. Hanna Clark and the late Joseph Clark, of Upper Grandville, and the groom's mother was formerly a resident of Berwick.

# SHORT WEIGHT AS CRIME IN BRITAIN

British Legislation to Make It Statutory Offence Introduced

London.—England's recently-appointed 600 council, whose only authority is public opinion, won another victory today in its campaign for a lower cost of living. Following its vigorous, if unofficial, fight to eliminate the short-weight evil, which it is alleged is now widely practiced by London shopkeepers, the British Government this afternoon decided to introduce new legislation which probably will make giving short weights a statutory offence.

The London County Council adopted a recommendation to this effect at its meeting today, and it was asserted the new law would be welcomed by all honest shopkeepers.

# THE FINAL CAUSE.

But the final cause of much of the lack of good and good influence over men today on the part of women was to be laid at the door of the men, because "men do not fulfill their mission as the protectors of women. Women were moved by the things of the heart and for that reason it should be man's duty to protect her against herself, if need be," Father Brossseau said.

# TORRIBROOK

Mrs. Ernest Nelly, we are glad to report is somewhat better. The stork arrived at the home of Mr. and Mrs. J. H. Parker, on October 24th, with a baby girl for their daughter, Mrs. Howard Tutts, of Kingston.

All the friends of Mr. Frank Jolly were made sad on the 23rd, to hear of his passing to the great beyond. He was taken sick on the 21st with appendicitis. All was done that doctors and nurses could do, but God said: Come up higher. He leaves to mourn a wife, three sons and a daughter. Much sympathy is felt for the wife and family. But he has only gone before thee to await his loved one's.

# ARCHBISHOP OF CANTERBURY PRAISES NOVELISTS AND PRESS AND CONDEMNS POOR SERMONS

Letter Is Main Reason For Falling Off in Church Attendance—Bicycles, Motors, Charabanes and Golf Contribute—Preachers Should Burn More Midnight Oil.

London.—One thousand clergy heard today from the mouth of the Archbishop of Canterbury himself that one great cause of the falling off in church attendance was the poor quality of the sermons. He was preaching at the church congress which was held this year at Eastbourne, and drawing a comparison between public worship today and as it was a half century ago when his ministry began. Synodism in popular religion, he thought, had taken on new life, beauty had been added to devotion, and the outward form was new and worthier thing, but there remained the question of teaching. "Beyond question," said the Archbishop, "the preacher's place often is very poorly filled. Complaints of the inadequacy of our sermons are rife and the fact of their inadequacy is beyond dispute. Clerical meetings harp on our sparser congregations. Bicycles, motors, charabanes contribute. So do golf and Sunday newspapers. Personally I put among the first causes the fact of the average man's wider interest in all sorts of human knowledge and worldly affairs."

The Archbishop paid tribute to the newspapers and popular novelists for giving guidance to people's thought and suggesting sturdy thought. He rejoiced that they did so, but it was intolerable that the clergy should leave their duty in this respect to them. "There is no doubt at all the average preaching today is less thoughtful, less painstaking than in our father's days. For meeting this lack we need more midnight oil or, what is better, more forenoon hours with closed doors instead of a miscellaneous study and big note books. With all my soul I urge those whose ministry

still is young and plastic to turn not to thoughts only, but to efforts that way. In the old days the preacher, as an educated man, stood naturally on a higher level than his hearers. That is so no longer and the disheartened priest falls back naturally to what seems the easier task of talking about the gospel or the church's message in perhaps the very simplest words. If they were merely simple without much behind them, they may degenerate into the very thinnest thought which the educated hearers, not unfairly, resent. All this forces upon us the duty to see the ministry is rightly manned."

# FALLING IN LOVE BLIND, AN'S BUFF.

Domestic Relations Judge Would Inoculate Against 'Puppy Intimations'

Chicago.—All rules of common sense are rejected in love, says Judge William N. Gemmill, noted member of Chicago's Court of Domestic Relations, in a book he is writing for publication soon. He thinks that if one could be inoculated against puppy love, some of the divorce courts would go out of business.

"Life would not be worth living if every fellow married an Evangelist or Maud-Muller. We must continue to play the same old game in the same old way. It is still 'blind-man's bluff.'"

"Falling in love is the most natural yet the most extraordinary thing in life. The extraordinary thing about it is that all ordinary rules of common sense are rejected. Some fall in love and fall out a dozen times without seeming the worse for wear. If one can resist the first attack it is easier to resist the second. The real perplexing thing is to know when you ought to succumb.

"It takes a wise man to know when it is the real thing and when it is only 'puppy love.'"

"The man who sits down and calmly decides what kind of a wife he will have, will never have any. Somehow we are not made that way."

### ANNAPOLIS COUNTY POULTRY ASSOCIATION WILL HOLD SHOW AT LAWRENCEVILLE TOWN DEC. 2ND AND 3RD.

The Annapolis County Poultry Association will hold a Poultry Show at Lawrenceville, December 2nd and 3rd, entries open to the County only. There will be a special opening on the evening of December first, with prominent men from the Government at Halifax as speakers. At the present time it is not possible to name these gentlemen as arrangements are not complete.

The most pleasing feature of the Show is the Junior Farmer section, open to boys and girls of sixteen years and under. It is realized that the children of today are the poultrymen and Nova Scotians of tomorrow, and that it is the duty of every citizen to assist in checking the rural migration to the United States and to our own cities. Hence, there is a special class for Junior Farmers in the Prize List. Moreover, the afternoon of December 3rd will be devoted to the young folk, when Professor Landry will talk to them on poultry, using his five motion pictures to illustrate with Doctor Hall, of Lawrenceville, will give a prize to that school having the greatest percentage of attendees at this special session, due regard being taken in distance from Lawrenceville according to a scale used in B. C. It is expected that there will be a cup presented to the school winning the greatest number of points from the exhibited poultry.

Professor Landry, of the Agricultural College at Truro, will give addresses on the Care and Management of Poultry, illustrating with his films Flock Selection and Marketing Problems will be discussed by Mr. A. E. Curran, District Poultry Promoter, who will also use motion pictures. Further, he will hold demonstrations on the killing and dressing of fowl, the handling of eggs, and the culling of the flock.

The prize list is in process of completion, and will probably be available in the first week of November. There are special points for poultrymen to take cognizance of, as follows: (a)—Exhibitors must be members of the Association, either before or when forwarding their entries. Further particulars will be published when arrangements are complete. In the meantime, communicate with A. M. O. Gold, Sec.—Treasurer, of Lawrenceville, or with C. A. Good, Assistant Sec.—Treas., R. R. No. 1, Lawrenceville.

On Saturday evening last the boys of the Upstreamers' Tuxis Square, (St. James' Church), were hosts to the Goal Attainers Group of C. G. I. T., at a very enjoyable banquet, in the school room of their church. Willing hands had gallily decorated the room appropriately for the occasion (Hallowe'en), and the resultant scene was most pleasing. In keeping, too, was the attire of the "witch" who so graciously received the guests.

The company sat down at 6.30 to a bountiful repast, which in due course, was followed by the Toast list, the Square Pretor, Chas. E. Anderson, acting as Toast-master.

The King, acknowledged by the singing of the National Anthem.

The Sunday-school, Proposed by John D. Orlando, Responded to by Mrs. O. T. Daniels.

BOY WOUNDED BY 22 BULLET

Rifle Accidentally Discharged in Group of Bear River Lads.

Bear River.—An accidental shooting occurred on Wednesday last, when George Langley, eldest son of Joe Langley, aged about 19 years, was shot in the mouth by Harry Hill, a colored boy of this town. The victim, with other boys, was practicing with a 22 rifle when it went off, the bullet striking George on the point of his chin and coming out in the fleshy part of his neck.

Dr. A. B. Campbell dressed the wound and now the boy is fairly comfortable.

### Local Happenings

"AT HOME"

Mrs. Carl G. Ritey will be "At Home" to her friends on Thursday, November 5th, at Riverdale Farm, Paradise, from 3 to 5 in the afternoon and 8 to 10 in the evening.

Next Monday being "Thanksgiving Day," there will be the usual short service of thanksgiving (without sermon) in St. James' Church, at 11 a.m.

Our readers will recall, with pleasure, the Mock Trial put on about a year ago by the St. James' Church Tuxis boys. Also the play a short time since, by the C. G. I. T. group of the same church. On both occasions, the youthful performers acquitted themselves most creditably, so much so, that we feel assured the public will be glad to hear that the boys and girls are combining under the direction of Mrs. W. D. Lockett, to put on a full evening's entertainment on Thursday, November 26th, which will have for its main feature a Two-Act Drama, by G. M. Baker, entitled, "Among the Breakers." The young people are throwing themselves heartily into the work of preparation, meanwhile they ask their friends to reserve this date and give them a bumper house. The proceeds are for much needed repair work at the church.

The regular monthly meeting of the Woman's Institute will be held Thursday afternoon in the Board of Trade room at 3.30. As this is the annual meeting, a full attendance of members is requested.

On Election night some party or parties at present unknown, effected an entrance at Mrs. A. Everett's residence on South Street and stole eight dollars.

Mr. J. W. Peters, President of the Baptist Church Frotherpool, entertains present and former members and young men of the congregation generally at his home on Friday evening.

Hallowe'en passed off quietly with the usual amount of joking and amusement among the punner fry. No serious damage reported. The only incident of excitement was when one of the boys threw a fire cracker which lodged on the awning above Longmire's book store. A quick blaze resulted but was put out without delay.

### OTTO W. NIXON COMMITS SUICIDE

Well Known Citizen of Margaretsville Found Dead in His Garage Inquest Held.

Middleton.—Otto W. Nixon, well known and respected resident of Margaretsville, near here, was found dead in his garage Monday morning having taken his own life. Mr. Nixon shot himself with a 12 gauge shot gun, his dead body being found by the unfortunate man's son, who had gone to the garage to get the father to answer a telephone call.

Mr. Nixon had not been in good health for some time past, and was depressed. When the son failed to locate the father in the barn, near the house, Mr. Nixon told the boy to go to the garage. There the young man found his father lying on the floor, with the shot gun alongside of the body.

An inquest was held Monday afternoon by Dr. S. N. Miller, coroner, and the jury returned a verdict of death by suicide.

Mr. Nixon is survived by a widow and six children, also brothers and sisters. The funeral services are to be held on Wednesday to be conducted by Rev. W. H. Watts with burial at Margaretsville.

### SERIOUS ACCIDENT NARROWLY AVOIDED

What might have been a very serious accident took place at Carleton Place on Saturday night, when a car driven by W. D. Rice, of Victoria, ran into a team driven by Mr. D. H. Sarsfield, of West Paradise, with him as his young son and his son-in-law, Mr. Alfred Spinney. Mr. Sarsfield was driving fast and the auto was proceeding in the same direction. Another carriage, the name of whose occupant was not ascertained was driving west and both carriages were on the proper side of the road. In their relative position it appears that Mr. Rice was obliged to take a chance of going on to meet them but was unable to quite negotiate it without collision. From information secured it appears that the accident might have been avoided had the driver going west and in the better situation to note the position of the auto pulled up so as to allow more space between the teams. None of the occupants of Mr. Sarsfield's carriage were injured but the vehicle lost a wheel and incurred considerable damage.

### LOWER GRANVILLE WOMEN'S INSTITUTE TO HOLD ANNUAL MEETING FRIDAY

The yearly business meeting of the Lower Granville Women's Institute will be held at the home of Mrs. J. K. Winchester on the evening of November 13th, 1925. Reports of the past year's work will be given, officers elected and plans made for the work of the coming year. A full attendance of members is requested, and it is hoped that all interested in community improvement, who intend to join the Institute may do so at this meeting, or at the earliest possible date. By so doing, the next year's work may be organized without delay, and all can have a part in the planning of it.

### "BEST SHOW EAST OF TORONTO"

Ottawa.—"The best facilities and the best show east of Toronto," was the verdict of Dr. J. H. Grisdale, Deputy Minister of Agriculture, who returned here yesterday from the winter fair at Amherst, N. S. "Largely as the result of federal assistance that fair," he said, "had expanded and was now on the way to prosperity." Dr. Grisdale spoke enthusiastically of the quantity and quality of live stock exhibited.
