The copy filmed here has been reproduced thanks to the generosity of:

Library of the National  
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la  
générosité de:

La bibliothèque des Archives  
nationales du Canada

Les images suivantes ont été reproduites avec le  
plus grand soin, compte tenu de la condition et  
de la netteté de l'exemplaire filmé, et en  
conformité avec les conditions du contrat de  
filmage.

Les exemplaires originaux dont la couverture en  
papier est imprimée sont filmés en commençant  
par le premier plet et en terminant soit par la  
dernière page qui comporte une empreinte  
d'impression ou d'illustration, soit par le second  
plet, selon le cas. Tous les autres exemplaires  
originaux sont filmés en commençant par la  
première page qui comporte une empreinte  
d'impression ou d'illustration et en terminant par  
la dernière page qui comporte une telle  
empreinte.

Un des symboles suivants apparaîtra sur la  
dernière image de chaque microfiche, selon le  
cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le  
symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être  
filmés à des taux de réduction différents.  
Lorsque le document est trop grand pour être  
reproduit en un seul cliché, il est filmé à partir  
de l'angle supérieur gauche, de gauche à droite,  
et de haut en bas, en prenant le nombre  
d'images nécessaire. Les diagrammes suivants  
illustrent la méthode.

# Flag-Waving

The Nationalist-Conservative Party, with a record in office that strips them of any possible claim to honest or efficient administration; loaded with the responsibility for graft, corruption and middlemen's profits on War Contracts, resort to their old tactics of FLAG-WAVING and accusing their political opponents of DISLOYALTY.

“Patriotism is the last refuge of a Scoundrel.”

“Flag-Waving is the last refuge of a discredited Government.”

Facsimile of a leaflet published from Sir Robert Borden's Political Office, Ottawa, containing an absolute lie in regard to the Right Hon. Sir Wilfrid Laurier.

# LAURIER AND QUEBEC

Sir Wilfrid Laurier once declared that if the Empire was ever in peril he would be "the first to stump Quebec."

Well, the Empire was in peril—the greatest peril it has ever faced.

Did he stump Quebec?

Did he Call for French Canadian Recruits?

*NOT A BIT OF IT.*

His lips were sealed in so far as any appeal to his fellow-countrymen was concerned.

*WHY?*

Because Laurier, now as ever, cares not a whit for the Empire.

**Vote Conservative**

for

**BORDEN BACKS BRITAIN**

The publishing of this leaflet containing such an infamous lie was brought up in the House of Commons by the Right Honourable Sir Wilfrid Laurier.

#### **WHAT DID SIR ROBERT BORDEN SAY IN REPLY**

He declared he had not personally seen the leaflet, and claimed that certain Liberal newspapers had within the last eight months accused him of not making any patriotic addresses and that later on when he had delivered certain addresses in the country these same papers had charged him with conducting a political campaign. **He did not, however, state that in future he would see that his political office would not circulate leaflets and pamphlets containing such malignant libel and slander.**

#### **DID SIR WILFRID LAURIER STUMP QUEBEC AND HOLD ANY MEETINGS? CERTAINLY! WHERE?**

At Sohmer Park, Montreal; at the Reform Club, Montreal; at Quebec City, and whenever there was occasion. More meetings would have been held had more been needed. At one of these meetings at least, a member of the present Government, the **Hon. T. Chase Casgrain, Postmaster-General, was present.**

**Why then all this fabricating? Why then all these lies,** if it is not for the express purpose of conveying to the electors of Canada that the Nationalist-Conservative flag-waving party is the loyal party and that the Liberal Party is the disloyal party?

#### **HOW DOES "BORDEN BACK BRITAIN?"**

**BORDEN BACKS BRITAIN** by putting an **additional duty** on her **commerce** coming to Canada.

**BORDEN BACKS BRITAIN** by sending **Bad Boots**

with our **Canadian Boys**.

**BORDEN BACKS BRITAIN** by supplying our Canadian officers with low grade binoculars at highest price.

**BORDEN BACKS BRITAIN** by sending horses having bone spavins; horses that were knee sprung; horses over twenty years of age; horses that had heaves; horses that were traded for a drake and two ducks; horses refused in 1899 as being too old for the South African war, but now accepted as "not over ten years of age."

**BORDEN BACKS BRITAIN** by sending with the Canadian soldiers, shield-shovels, without any handles and the British Government has discarded them.

**BORDEN BACKS BRITAIN** by sending an equipment of automobiles, motor trucks, transport wagons, harness, etc., which were left behind at Salisbury Plains.

**BORDEN BACKS BRITAIN** by supplying our soldiers with Oliver valise equipment that Lord Kitchener would not let them take to the front.

**BORDEN BACKS BRITAIN** by sending bicycles that cost the Government a third more than they should.

**BORDEN BACKS BRITAIN** by equipping our soldiers who were paying the blood toll, with bandages for the wounded, with medicine and drugs for the sick, all purchased through the middlemen by the Rotten Patronage System now in vogue.

Do the Electors of Canada consider that with this record **BORDEN BACKS BRITAIN** or, should their slogan be **BORDEN BACKS BOODLE**.
