THE ILLUSTRATED DICTIONARY OF THE BIBLE is the fruit of many years of faithful labor. No pains have been spared to make it in all respects reliable and complete. The author has sought to embody in the work, in as compact form as possible, the results of the most recent research in all departments of Biblical literature—doctrinal, historical, biographical, archæological and geographical.

The learned research and criticism which resulted in the Revised Version of the Scriptures have, probably for the first time, been here utilized in a systematic way in a Bible Dictionary.

The abundant use of illustrations and sketch-maps, and the introduction of chronological and other tables, will, it is believed, be found to add greatly to the value of the book.

We can strongly recommend it as a convenient and trustworthy book of reference on all Biblical subjects. The book is beautifully printed and neatly and substantially bound. Its appearance and contents alike will commend it to the Bible student anxious to have new light on the old Book.

## Objects of the Society.

(1) To assist in maintaining our UNIVERSITIES AND THEOLOGICAL SCHOOLS, and (2) to aid Theological Students in their education.

### METHOD OF ADMINISTRATION.

One-fourth of the income of a conference is administered by the Conference Educational Committee, which is composed of four ministers, four laymen, the President, the Treasurer and the Secretary. This fourth is charged with (1) Loans to Probationers attending College, who have travelled at least one year, made on recommendation of District Meeting; (2) Grants of fees, not exceeding \$20 each; (3) Expenses of Conference Examinations.

The remaining three-fourths, except in the case of Newfoundland and Manitoba Conferences, which retain their whole income for local purposes, are remitted to the General Treasurer.

### SCALE OF GRANTS TO COLLEGES.

The funds remitted to the General Treasurer are charged with (1) one-half of salary and expenses of the General Secretary, and (2) grants to Universities and Theological Colleges on the following scale :

Fifty per cent. to Victoria University. From this the sum of \$500 is paid to Albert College as a part of the University.

Fourteen per cent. to Mount Allison University.

Eighteen per cent. to the Wesleyan Theological College, Montreal.

Eighteen per cent to Wesley College, Winnipeg.

## REPORT.

---

The income of the Society for the past year is \$19,029.71. This is a marked increase over the amount raised in 1884, the year of the Union, \$9,500. Yet the fact must be recognized that this year the Society, for the first time since the Union, has to report a decrease, the income above-named being \$1509.56 less than that of 1891-92. It is easier to explain this decrease than to accept it with satisfaction. The explanation is chiefly to be found in the number of special efforts vigorously and successfully pushed in all parts of the Dominion, and more especially in Ontario and Quebec, for individual colleges. The list of these is very striking, and the aggregate of donations and subscriptions for them shows how increasingly active is the Church in its educational interests. The following claimants have appeared before the Methodist Church, and in many instances without much regard to geographical limitations: The Methodist College, St. John's, Nfld.; Stanstead Wesleyan College, Quebec; Wesleyan Theological College, Montreal; Ontario Ladies' College, Whitby; Victoria University; Alma College, St. Thomas; Wesley College, Winnipeg, and the projected College in British Columbia. All of these have been making special efforts the past year, and with very gratifying success.

It is not surprising, under these circumstances, that the General Fund, which many people cannot distinguish from specific institutions, has suffered. The only wonder is that it

has not suffered more. It is, however, most indisputably true, that the sober judgment of the Methodist Church in Canada, and the world over, is in favor of connexionalism in all our operations, a principle which is the constitutional strength of our polity. It is fully illustrated in the itinerancy and our missionary operations, and in Canada we have observed it with striking success in our educational work on behalf of "our Universities and Theological Schools," the two classes of beneficiaries of the Educational Fund. On moral and denominational grounds, apart altogether from financial considerations, the Church cannot afford to part with this principle in its educational operations. Pastors and representatives of colleges will do well to keep this in mind, and while furthering the deserving schemes of individual colleges, to see that the Educational Fund does not suffer nor be given a secondary place. Disregard of this principle simply means sectionalism, disintegration and weakness.

The continued increase in the number of students in the four theological faculties of the Church, and the continued or increased limitations of funds for their assistance are producing a degree of hardship which is very much to be regretted, and which the last General Conference could not foresee, as previous to 1890 there was a surplus in the hands of most Conference Treasurers after meeting all requirements, in the way of loans and fees for students. The current method of Conference Committees in administering *pro rata*, the only method practicable, leads to cases of hardship analogous to what are met with such painful frequency in Missionary Committees. The number of Divinity students, apart from the large number of probationers in the active work, but including special students and undergraduates in Arts studying with

a view to the ministry in the various theological faculties, is as follows :—

|                            |           |     |

The number of probationers as reported by the Rev. Dr. Cornish, General Conference Statistician, is 431, distributed as follows :—

|   |           |    |

| Newfoundland Conference                           | - - - - - | 25 |

This includes ninety-eight received on trial in 1893. These numbers are a favorable indication of the "Lord of the Harvest" providing "laborers" in number somewhat commensurate with the vast and growing extent of the work of the Church. The responsibility must be recognized by the Church of securing for these men suitable training for the work. When God in His goodness supplies the greater gift of men, we should readily supply the meaner gift of money for their training.

The following is a comparative statement of financial

returns by Conferences, omitting balances brought down (\$1,179.17), and refunds by students (\$692.43). These figures are as reported by Annual Conference Treasurers:

# REPORTS OF INSTITUTIONS.

---

The Colleges and Schools connected with the Methodist Church in Canada may be classified as follows :

1. Connexional Institutions.
2. Conference        "
3. Proprietary       "
4. Missionary       "
5. Sabbath-schools.

## I. Connexional Institutions.

These are such as are vested in the entire Church, and are under the direct control of the General Conference. They are Victoria University, Toronto ; Mount Allison University, Sackville, N.B. ; Wesleyan Theological College, Montreal ; Albert College, Belleville ; Alma Ladies' College, St. Thomas ; and Wesley College, Winnipeg. Their connexional character was affirmed at the union Conference of 1883, when it was resolved that the Colleges of the uniting Churches should have the same relation to the Methodist Church as they previously had to their respective Churches. Reports for the past year have been received from these several institutions, as follows :

VICTORIA UNIVERSITY, Toronto, was founded by the Methodist Church in Cobourg, the corner-stone of the building being laid in 1832. In 1835 it was opened for students, as Upper Canada Academy, the Rev. M. Richey, M.A., being principal.

In 1836 a Royal Charter was granted by His late Majesty King William IV. In 1841 the institution was changed to Victoria College, with university powers granted by the Provincial Parliament, the Rev. E. Ryerson, D.D., being the first president. In 1884, Albert University, Belleville, was consolidated with Victoria, and the name again changed to "Victoria University." Under the Federation Act of 1887, Victoria University was federated with the University of Toronto in 1890, and removed to Toronto in 1892. It has now faculties in Arts and Theology, numbering 12 professors and lecturers. The number of students attending lectures in the faculty of Arts, 1892-93, was 151. The number of students in Theology for the same year was 84.

The roll of graduates now numbers: In Arts, 682; in Theology, 100; in Law, 134; in Medicine, 1,670; or 2,588 in all.

The University holds real estate, buildings, and furnishings valued at \$335,000, and a net productive endowment, after providing for all outstanding obligations, of \$290,000.

The consummation of federation has furnished the students of Victoria University with the advantages of a professoriate in Arts of 32 men, placing the institution on a par with the best universities on the continent. The attendance of students in Arts has largely increased, and the new relations are proving of the most cordial and satisfactory character.

THE UNIVERSITY OF MOUNT ALLISON COLLEGE is the corporate name of a group of connexional institutions, situated at Sackville, N.B., and comprising:

(1) The University proper, or Mount Allison University, embracing faculties in Arts and Theology. The University building, erected in 1883, is an exceedingly handsome edifice of brown stone, with chapel, library, class-rooms, laboratories,

etc. The need of enlarged and improved residential accommodation for students has long been felt, and that want is about to be supplied by the erection of a spacious University residence of brick, trimmed with stone. The University organization dates from 1862.

(2) The Mount Allison Ladies' College, founded in 1854. This flourishing institution employs a teaching staff of seventeen employed in its different departments. It is so related to the University that its students can take advantage of the University classes for their advanced work, while it affords a pleasant home for young ladies pursuing a regular Under-graduate course in the University. In 1890 the Department of Music was developed into a regular Conservatory of Music, employing six teachers, and a commodious building was erected especially for its use. During the present year a collection of pictures, valued at \$50,000, known as *The Owen's Art Gallery*, has been transferred to the College, and the Fine Arts Department has been placed under the direction of an R.C.A. of eminence, with two associate instructors. A new building for the collection is about to be erected.

(3) The Mount Allison Wesleyan Academy. This institution, still in a flourishing condition, was founded in 1843, and was the gift to the Methodist Church by Charles F. Allison, Esq., who also contributed to the founding and maintenance of the University and Ladies' College by generous gifts and devises. The Semi-centennial or Jubilee of the institutions was celebrated with much enthusiasm in January of the present year. The Academy embraces, besides the ordinary outfit of such a school, a vigorous Commercial Department or College. The number of students in attendance at the institutions last session was as follows :

|                    |           |     |

THE WESLEYAN THEOLOGICAL COLLEGE, Montreal, was founded by the Wesleyan Methodist Church in Canada in the year 1873. In 1878 it was, by order of the General Conference of the former Methodist Church of Canada, incorporated and affiliated with McGill University. It is one of four Protestant Theological Colleges in Montreal affiliated with this University, and the second of them in point of attendance and equipment. In 1883 there were finished the commodious buildings which it now occupies. It has acquired from Parliament the power of conferring degrees in Divinity. No degrees in Course are given without attendance at lectures. Its work includes the following curricula :

- I. Preliminary Course, as prescribed by the General Conference.
- II. Matriculation Course, as prescribed by the University.
- III. Course in Arts, as prescribed by the University.
- IV. French Course, as prescribed by the General Conference.
- V. College Course for Probationers, as prescribed by the General Conference.
- VI. Course for the degree of S.T.L., as prescribed by the Senate.
- VII. Course for the degree of B.D., as prescribed by the Senate.

WESLEY COLLEGE, Winnipeg, was founded in 1873, and for a few years continued its educational work, when, owing to insufficient equipment, actual teaching had to be suspended. In 1877 it was incorporated by Act of Provincial Legislature, and in 1886 the Act of Incorporation was amended. In June, 1888, the Manitoba Conference placed itself in hearty co-operation with the Board of Trustees to establish the College in an active and honorable position, and in October of the same year the College was affiliated with the University of Manitoba. Provision having been then made for a Sustentation Fund for three years, the work of teaching was resumed, and the College has been in active operation ever since.

The need of such an institution under the auspices of the Methodist Church has been amply shown by the increased attendance each succeeding year since College work has been resumed. The number of students has, during the past five years, increased from 7 to over 70, and of those in attendance, the greater number are either probationers of the Methodist ministry, or are preparing with that for their ultimate object.

The graduates from the College already number 16, among whom are some who have carried off the highest University honors, thus placing Wesley on a level with the other affiliated colleges in point of scholastic capabilities.

The Board of Directors has lately succeeded in purchasing a very suitable site for the College buildings. In his canvass for subscriptions to the Building Fund, Principal Sparling has been very successful, having already realized the handsome sum of over \$80,000, Messrs. Cox and Massey, of Toronto, coming nobly to his assistance with subscriptions of \$5,000 and \$20,000 respectively. Plans are at present under consideration, it being the intention of the Board to proceed as soon

as possible with the erection of such buildings as may be worthy of the dignity of the Methodist Church in the Province of Manitoba and the North-West Territories.

**THE ALBERT COLLEGE**, Belleville, was begun by the former Methodist Episcopal Church of Canada, in 1857, as the Belleville Seminary. In 1866 it acquired the name of Albert College, with limited University powers, and in 1871 it obtained full University powers. In 1885, in consequence of the Methodist union of 1883, it became incorporated with Victoria University, continuing most efficiently its operations since then as a higher seminary and affiliated with the University. The Ladies' Department, known as the Alexandra College, is still most successfully maintained. Total number of students last year, 227.

#### COURSES OF STUDY.

- I.—Collegiate Course, embodying elective Undergraduate Studies.
- II.—Junior or Senior Matriculation in Arts, Civil Engineering, Law, Medicine and Theology.
- III.—Teachers' Course, to prepare for Teachers' Examinations.
- IV.—Preliminary Course, as prescribed by the General Conference of the Methodist Church.
- V.—Business College Courses, comprising Theoretical and Practical Book-keeping, Practical English, Shorthand, and Typewriting.
- VI.—Musical Courses in Musical Academy, comprising Pianoforte Course, Organ Course, Post-graduate Course, Voice Culture.
- VII.—Course in Fine Arts, embracing Painting, Drawing, etc.
- VIII.—Course in Elocution.
- IX.—Alexandra Ladies' College Course, leading to the M.L.A. and M.M.L. Degrees.

**THE ALMA LADIES' COLLEGE**, St. Thomas, Ont., for the higher education of young women under religious auspices, was incorporated by the Legislature of Ontario in the year

1877. It was founded by the Methodist Episcopal Church of Canada, and in 1883, by resolution of the General Conference, it carried into the United Church the connexional character which it formerly sustained. It is one of the best-equipped Ladies' Colleges in America. Owing to the very rapid growth of the school and the pressing demands for more accommodation, the Board of Management has erected a magnificent addition, 40 x 80 feet, five stories in height (known as McLachlin Hall), devoted to class-room and dormitory accommodation. This new building contains a chapel, with seating capacity of 500, and an Art-room, said to be unsurpassed in America. It is well lighted with a skylight 40 x 8 feet, and thoroughly furnished with apparatus, etc. Its average attendance is over 200 students. Its professors and certificated teachers number twenty. It is now affiliated with Victoria University.

## II. Conference Institutions.

THE STANSTEAD WESLEYAN COLLEGE was incorporated by Act of Parliament in 1872, and affiliated with McGill University in 1892. The intention of its founders was to afford a thorough education for young men and young women, under the direction of the Church.

The work includes the following courses of study :

I.—The Model and Academic.

(As authorized by the Council of Public Instruction.)

II.—Matriculation in Arts.

III.—Undergraduate Course in Arts.

(First two years in McGill University.)

IV.—Ladies' Collegiate Course.

V.—Course in Commercial Science.

VI.—Course in Instrumental Music (Piano and Organ) and Vocal Culture.

VII.—Course in Fine Arts, embracing Painting, Drawing, etc.

The report for 1892-93, was as follows :

I. The total number of pupils enrolled during the year has been 169—92 boys and young men, and 77 girls and young women. The average attendance has been somewhat lessened by protracted sickness.

II.—Two undergraduates passed the intermediate examination in Arts of McGill University, and four have passed the first year examinations. Two young ladies have completed the course for M.L.A., and three others the course in music. About forty pupils will write on the Government examinations ; of these, nine will take the A.A. or Matriculation examination.

Seven are preparing for a Model School Teacher's diploma, and two for an Elementary. Thirteen young ladies and twelve young men have completed the Commercial Course, and will receive diplomas at convocation.

III. The small surplus of the preceding year was wisely and economically expended in repairs and furnishing. The convenience and comfort of all the College inmates have been greatly increased by the admission of water from the International Waterworks.

Although the College was closed for two weeks in November on account of sickness, and several students did not return until after Christmas, I shall be able to place a fair amount to the credit of the trustees.

IV.—The fact that the present principal is leaving after one year's experience at Stanstead, does not indicate that he has not faith in the success of the College ; he believes that the status of the College is better and the prospects brighter than ever before.

A. W. BANNISTER, M.A., *Principal.*

The staff of teachers for 1893-94, is as follows :

C. R. Flanders, B.A., *Principal, Mental and Moral Philosophy and History*; Mrs. Flanders, M.L.A. *Lady Principal*; Ethelwyn Pitcher, B.A., *Mathematics and English*; Hector W. Kollmeyer, B.A., *Classics, French and Physics*; O. H. Bresee, *Book-keeping, Penmanship and Correspondence*; A. Dorey, Lic. Music (England), F.C.O. (Canada), *Piano, Organ and Voice Culture*; Alice Bryant (Boston), *Piano, etc.*; Amy Liebich, *German, French and Drawing*; Catherine Howard, *Model School Department*.

THE METHODIST COLLEGE, St. John's, Nfld. This institution lost its stately and commodious buildings in the calamitous fire of June 8, 1892, which laid in ruins the largest and fairest part of St. John's. The College, with its fine suite of school-rooms, music hall, laboratory, museum, etc., etc., Principal's residence, and Home for Guardian Pupil Teachers and other students were swept off in the dreadful conflagration, and with them a splendid pipe-organ, much valuable chemical and other apparatus, furniture, etc. The crisis came at the beginning of summer holidays, before the end of which arrangements were made for re-opening College at the usual date, in the Centennial Hall, which seemed to have been providentially anticipated. Here five departments have found good accommodation, and as the Model School was conducted elsewhere, the results of educational operations for the year have been fairly satisfactory. Meantime, through the Divine blessing, the appeals of the Board of Governors for help to rebuild have received a kind and liberal response throughout the Dominion of Canada as well as in Newfoundland. A plan and specification for a new College and Home have been accepted, and a contract sealed for their immediate construction. By Christmas the Home and principal school-rooms, it is expected, will be ready for occupation, and the whole contract will be fulfilled with reasonable despatch. By a supreme effort of

friends in the colony, sustained by the benevolence of others, aiding in time of special need, the denomination will then have buildings more beautiful in exterior, more complete in their adaptations and equipments, and more enduring in materials than its former ones, around which memory loves to linger; and it is ardently hoped without any increase of former debt.

In Methodist College last year there were 252 scholars, and in all the public schools of the denomination, 8,717, or 379 more than previous year.

**THE COLUMBIAN METHODIST COLLEGE.** This institution was incorporated by the Legislature of British Columbia in 1893. It is at present in operation in New Westminster. Its permanent site is to be determined not later than October 1, 1893. The Rev. R. Whittington, M.A., B.Sc., has been appointed Principal. Its receipts the past year were \$5,258.00, and expenditure, \$7,426.71. This includes the Boarding Department.

### III. Proprietary Institutions.

**THE WESLEYAN LADIES' COLLEGE**, Hamilton, is too well known to require extended remarks. It is entering on its thirty-fourth year, having been organized July 6, 1860, and has made a splendid record. Its graduates are counted by the hundreds, and thousands of young ladies have been educated in its classes.

Its Faculty are all honor graduates of Universities and Colleges, and can prepare its students in any University work. The Curriculum covers every subject taught in any Ladies' College in the Dominion. The Conservatory Faculty are all specialists. Thoroughly qualified teachers have charge of Elocution, Book-keeping, Shorthand, etc. The discipline

and supervision of the institution are proverbial; not an accident of any kind has ever happened to a pupil while in attendance. The building has over 150 rooms. Erected for a first-class hotel, its halls, dining-room and parlors are on a scale far beyond that usually found in Ladies' Colleges. No building in the land could have a better health record. It is still under the presidency of Dr. A. Burns, which is a guarantee that, educationally, it must continue in the very front rank.

THE ONTARIO LADIES' COLLEGE, at Whitby, is one of the most progressive institutions in this country. A finer location for a college in close proximity to a large city can scarcely be imagined. A large and gifted Faculty, elegant and comfortable buildings, a new gymnasium and every modern means of amusement and exercise render it a delightful home for the higher education of young women. Pupils are regularly prepared for third-class, second-class and first-class teachers' certificates and for all the University examinations through the third year. The Faculty comprises the largest number of University specialists of any Ladies' College in Canada. Music pupils are prepared for the degree of Bachelor of Music. The Fine Art, Elocution and Commercial Departments are not surpassed, if indeed equalled in Canada. The Rev. Dr. Hare has been Principal since the inauguration of the College in 1874. Number of students, 1892-93, 147. Day pupils are not admitted to the literary classes, except in one or two special cases.

#### IV. Missionary Institutions.

One of the most interesting features of the work of our Missionary Societies is their educational operations. The principal institutions supported by the General Society are the

Anglo-Japanese College, Tokyo, Principal, Rev. Dr. Cochran ; Mount Elgin Indian Institute, Principal, Rev. W. W. Shepherd ; and the French Methodist Institute, Cote St. Antoine, Montreal (supported in part by the Woman's Missionary Society), Principal, Rev. W. Hall, M.A. ; and Indian Industrial Schools at Red Deer, Port Simpson, Morley and Chilliwack. These are attended by hundreds of students, who are thus brought under refining and evangelical Christian influences. The Board employs altogether 57 missionary teachers, as follows :—Indian, 30 ; French, 6 ; Chinese, 9 ; Japanese, 12.

The Woman's Missionary Society, with its growing income, which has now reached \$35,789, is maintaining very efficiently schools at Tokyo, Shizuoka, Kanazawa, and Kofu, Japan, the Crosby Home at Port Simpson, the Indian School at Chilliwack, the Chinese Rescue Home at Victoria, and three French schools in the Province of Quebec.

## V. Sabbath-schools.

The number of Sabbath-schools reported last year was 3,227, and of scholars 245,000 (increase 5,894). The number of Epworth Leagues in Canada is 747.

The foregoing *r  sum  * is given in order to present to the Church and to the public an idea of the extent of the educational work of Canadian Methodism. This work embraces, as we have seen, apart from Sunday-schools, 52 mission schools, 140 day schools in Newfoundland, and 11 Colleges, attended by 1,947 students.

\* Newfoundland and Manitoba Conferences are allowed to retain their entire income for their own students and other local purposes. The total amount available, less cash brought down, shows income for the year, \$19029.71.

¶ Conference Treasurers are very respectfully requested to forward to the REV. DR. SHAW, Secretary of the Board of Management, and to the GENERAL SECRETARY OF EDUCATION, their Financial Statements at the earliest possible moment during or at the close of the Sessions of Conference, and, for the sake of uniformity, to use the printed forms provided for the purpose. The delay of one Treasurer hinders the closing of the accounts, and the amounts to be paid to the Colleges cannot be determined until all the reports are sent in.
