CIRCULAR.

HAMILTON as a residence is unsurpassed for healthfulness and beauty of location.

The building will accommodate 250 Boarders.

The rooms for Boarders are lofty, and have glass ventilators, connecting them with unusually lofty and spacious halls.

Each Sitting-Room is carpeted and furnished with everything necessary to convenience and comfort.

The Institution Drawing-Room (80 by 60 ft.) is well furnished, and looks out upon a beautiful fountain.

The Dining-Hall (86 by 70 ft.) is airy, light and finished in fresco, and being very large can be used for public gatherings.

There are cold, hot and shower baths, accessible at all proper times.

A spacious play ground, enclosed, with covered walks, will afford ample room for out-door exercise in all varieties of weather, and prove an inducement to healthful physical action.

In winter our grounds furnish an admirable Skating Rink.

There are three large School-Rooms, (80 by 60 ft.) furnished with chairs and tables suited to the comfort of the Student.

The Recitation-Rooms are large and airy. In no case will classes be crowded together, and obliged to breathe fetid and unwholesome air.

Remarks on Course of Study.

It is, we think a symmetrical course, containing nothing for mere show or pretence. Its Mastering will prepare the pupil to appreciate the standard works of the day in Science, Literature, Languages and Philosophy.

THE ENGLISH COURSE.

We aim at thoroughness everywhere. We have daily exercises in Penmanship, Spelling and Reading. Composition is required in forms varying with the advancement of the pupil, and in the advanced classes it is connected with the principles and practice of Literary Criticism. The results of the system are seen in the prize essays of the senior year, which are usually of a high order of literary merit.

We deprecate the feeling, all too prevalent, and we fear growing in some quarters, that in a lady's education, music, painting and kindred accomplishments should constitute the essence and chief attraction, often to the depreciation of a good English education, and the mental culture that must result therefrom. Young ladies, whose education has not embraced even the merest elements, talk at times of finishing with painting or music. These are charming accomplishments and we have rare and exceedingly valuable privileges to offer our pupils in both these departments, but we would urge upon our patrons the importance of having under these accomplishments, if not graduation, at least the ground work of a respectable English education.

INTERMEDIATE EXAMINATION.

Those wishing to prepare for the intermediate examination will find here all the classes they require.

NATURAL SCIENCE.

This department has always been in charge of a University graduate, and nothing will be spared to make it both thorough and practical. The Museum of the College furnishes abundance of material, the accumulation of over twenty years, for the illustration of the different branches of Science.

THE PRINCIPAL'S CLASSES.

The classes in Logic, Psychology, Moral Science, Evidences of Christianity and Higher English Literature are in the hands of the Principal who devotes three hours daily to these subjects.

MODERN LANGUAGES.

These Languages are taught by native teachers in a most thorough and practical manner, and our pupils attain to fluency in reading and conversation. Both in recitation and at table these languages are used as soon as a sufficient vocabulary is acquired.

Music—Instrumental.

Piano instruction is in charge of Prof. R. S. Ambrose, whose name, both as a composer and instructor, is well known through the Dominion.

It is designed to afford the best facilities in the departments both of Vocal and Instrumental Music. The selections of music will be under constant supervision, and only that will be allowed which is conducive to the cultivation of the most pure and elevated taste, as well as the most rapid progress of the pupil in the acquisition of this delightful accomplishment. Students may bring the instruction book they have used at home. Beyond this general training, those who desire it are instructed in selected classes and in private lessons. Professor Ambrose gives special attention to a Normal Class for the training of music teachers.

Instruction on the Pipe Organ is in charge of Prof. L. H. Parker, organist of the Centenary Church, who has under his control one of the largest and finest pipe organs in the Dominion.

Vocal Music and Voice Culture will receive due prominence, and most careful instruction is guaranteed.

ART DEPARTMENT.

The course of study in Fine Arts is systematic, comprehensive and artistic, laying a foundation in the laws of perspective, and proceeding so progressively as to lead the student pleasantly on from elementary pencilling from model to original sketching and coloring in oil, in water or in pastel.

This department is in charge of Prof. H. Martin, O.S.A., who possesses enthusiasm in his art, and an experience of over thirty years acquaintance with schools of painting in Europe and America and a large and costly collection of models. Prof. Martin visits Europe almost every year, returning with fresh ideas and increased enthusiasm. He spends this summer in art studies in France.

WAX FRUIT AND FLOWERS.

An accomplished teacher will instruct in this beautiful art, if required.

MISCELLANY.

LECTURES.

Frequent informal lectures will be given upon topics connected with health, manners, etc. Courses of Lectures will be delivered on Astronomy, Chemistry, Natural Philosophy, History and Aesthetics, besides those connected with the Principal's department.

LIBRARY.

The Institution is furnished with a Library of several hundred newly selected volumes of general reading and for reference, also a Reading Room. Three of the largest Cyclopedias always accessible; also both the unabridged Dictionaries.

A cabinet of Geological and Botanical specimens, and of Historical and General Curiosities and Illustrations of Natural History has been commenced, and will be carried on as rapidly as circumstances will allow. More than a thousand Geological specimens are in the cabinet, containing an assortment of the fossils of all the strata, both of this continent and of Europe. Additions are constantly being made to this collection under the supervision of the Science Master. Contributions and exchanges are invited.

APPARATUS, MAPS, ETC.

The Institution is furnished with a fine set of Maps, Globes, Physiological Charts, a Microscope and Philosophical and Chemical Apparatus. The sets of charts for Geology, Botany and Natural History are very complete and beautifully colored.

LITERARY SOCIETY.

This Society consists of students of the third and fourth years. Its object is Literary Improvement. Weekly meetings are held, at which original articles are presented and selections from the best authors are read, varied with music and criticisms. It is in a flourishing condition.

The officers for the past year were—

<i>President,</i>	MISS B. SMITH.
<i>Vice-President,</i>	MISS FOWLER.
<i>Secretary,</i>	MISS M. GRIFFIN.
<i>Treasurer,</i>	MISS L. HENDERSON.

JUNIOR LITERARY SOCIETY.

This Society was organized for those students not in the other society, and has been of great interest and profit to its members. Its object and exercises are similar to those of the other society.

The officers during the past year were as follows:—

<i>President,</i>	MISS McDONALD.
<i>Vice-President,</i>	MISS RAYMOND.
<i>Secretary,</i>	MISS CUMMING.
<i>Treasurer,</i>	MISS E. KENNEDY.

THE PORTFOLIO.

The Portfolio is a monthly paper under the control of the Literary Society. It was, we believe, the first paper published by the pupils of any Ladies' College in the Province. It has thus far shown signs of real vitality and vivacity, and is destined to be a strong bond of union between students and ex-students. It solicits contributions from *Alumnae*, and friends generally. Its editors are chosen by the Literary Societies from among pupils actually in attendance. It is, in the strictest sense, a students' paper—the students being entirely responsible both for its editorial and its financial success, and as such it must be judged and should be appreciated. Many so called college papers are simply college advertisements. Every article has the smack of the faculty in it, and every item is so worded as to read in the interest of the college; every page of such papers is read and arranged, and every article corrected by the faculty before appearing. Thus far the publishers of *The Portfolio* have fully justified the confidence reposed in them and we have no fears for the future. It is published monthly at \$1 per year.

Prizes.

THE GOVERNOR-GENERAL'S PRIZE.

His Excellency the Governor-General has generously offered a Silver Medal for the best examination in English Literature, said examination to embrace not only English Literature in general, but some particular author or authors.

THE DENNIS MOORE PRIZES.

Dennis Moore, Esq., of Hamilton, the President of the Board, offers two prizes, one of \$25 and a second of \$15 for the two best essays on a given subject, to be assigned at the opening of the third term. The subject for this year was

"For modes of faith let graceless zealots fight,
His can't be wrong whose life is the right."

THE SANFORD PRIZE.

W. E. Sanford, Esq., Vice-president of the Board, offers a prize of \$25 for the greatest progress in musical studies during the year.

THE JOHN MACDONALD PRIZE.

John Macdonald, Esq., of Toronto, with his marked liberality, offers a prize of \$25 for the best examination in Evidences of Christianity.

THE GURNEY PRIZE.

Edward Gurney, Esq., of Hamilton, offers a prize of \$25 for the best examination in mathematics, as high as and including trigonometry.

THE WANZER PRIZE.

R. M. Wanzer, Esq., of Hamilton, of sewing machine fame, offers for the best examination in Natural Science, (said examination to embrace at least anatomy, physiology, botany, natural philosophy and chemistry), one of his best machines, valued at \$60.

The Alumne prizes are described on the last page.

The honor of Valedictorian is given to the best student in the Graduating Class, Salutatorian to the next best.

As will be seen the prizes are all of real value and well worth competing for. We could offer many more but have a wholesome dread of multiplying beyond a reasonable number. It is possible that some of the above prizes may be changed to gold medals.

MERIT ROLL.

A record of standing, literary and moral, is daily kept; and cards corresponding to this record are given to the students once a fortnight, and should be transmitted to parents for information. An Honor Card is received by pupils entitled to it at the end of each term.

HONORS OF THE INSTITUTION.

Two courses of study have been established, a Classical and an English; and Diplomas will be given to those who satisfactorily complete either of them. The title of M. L. A., or Mistress of Liberal Arts, is given to the former; M. E. L., or Mistress of English Literature, to the latter. Certificates may be had by those who pass an examination in a partial course. Diplomas will be given to those who complete the course in music.

A good moral standing is necessary in order to obtain either Certificate or Diploma.

BOARDING, ETC.

The Institution, as a home, is designed to be the abode of comfort and pleasant associations.

Rooms are carpeted and furnished throughout, so that the pupil requires nothing in addition. Napkins are not provided.

The provision for the table is wholesome and abundant.

GOVERNMENT.

It is intended that the government of the Institution shall be firm without being arbitrary; that it shall be founded upon confidence in the pupils, and that its tendency shall be to teach them self control, obedience to *Principles*, and a conscientious regard for right.

No young lady will be allowed to retain her connection with the school, whose example tends to encourage indolence and insubordination, or whose influence in other respects is injurious.

DRESS, ETC.

Every young lady must be provided with thick boots, umbrella and overshoes.

School-room dresses should be simple and inexpensive, with high necks and long sleeves.

Every article belonging to a student should be marked with her full name before leaving home.

Very little jewelry or spending money should be at her disposal.

Carelessness and the possibility of dishonesty in servants, etc., make it proper that all funds should be deposited with the officer appointed for that purpose. This care involves no additional charge.

STUDENTS' CORRESPONDENCE.

Students are allowed to correspond with the home circle without any supervision; but correspondence beyond the home circle is not allowed without special permission, and letters not having this permission may be forwarded by the Principal to the parents.

On entering, a list of correspondents is to be given in, signed by the parent or guardian.

Some students have had too large a correspondence, occupying too much time, and diverting attention from school duties. This will in future be controlled.

☞ Candies, cakes, and eatables generally, sent from home, cause the receiver one or two days' sickness, and are a most pernicious kindness. Will parents and friends think of this?

SESSION HOURS.

For recitation and study, from 10 minutes to 9 to 1 P. M. Study hours 6.30 to 7.30 A. M.; 4 to 5.30 P. M.; and 7 to 9.30 P. M.

It is understood to be necessary that Day Students should spend at least two hours in study at home. Parents may be assured that something is wrong unless this is done.

Punctuality in the attendance of Day Students is of the utmost consequence. Tardiness results not only in loss to themselves, but is injurious to classes, and tends to general disorder. Tardiness and unexcused absence will stand against deportment on the cards. All excuses must be signed by the name of Parent or Guardian. Day pupils should be present at the Roll Call in the morning; absence often causes serious inconvenience.

VISITING AND RECEIVING VISITS.

STUDENTS' RECEPTION DAYS.—Friday afternoon and Saturday till 3.30 P. M.

Visitors are not received in the evenings or on Sundays.

All persons except immediate relatives, wishing to visit students, are expected to present a letter from Parents or Guardians, or to be otherwise *suitably* introduced. Visits without this preliminary must be declined.

Students are allowed, at proper times to visit such families as the Parents and Guardians may name to the Governor or Principal, but not to remain out over night, or over the Sabbath, except at the house of some near relative. Friends who are inviting must call for the young ladies and return with them.

When Students visit friends in the city, they will not be allowed to go except in charge of some one fully responsible. They will not visit any but the families, nor be allowed to visit from the house, make calls, walk about the streets, or visit shops and stores. Where this rule is violated students cannot be allowed to visit.

Young ladies are not allowed to *receive* invitations until they have been submitted to the Principal.

It is hoped that persons *entitled* to call upon students will adapt themselves to the hours of the institution. Officers would not like to disoblige, but must refuse permission to students to see their friends during recitation hours (from 9 to 2), except in *very Special cases*.

The most convenient time to see our pupils is from 2 to 3.

SHOPPING.

It is desired that students should be supplied, if possible, with all necessary things before leaving home. To provide, however, for necessities that may occur, students will be permitted to do shopping once a month, always accompanied by a teacher.

ATTENDING DIFFERENT CHURCHES.

Although the College is denominational in name, it is not sectarian in any sense. Several churches are represented in its faculty. Students attend those churches selected for them by their parents or guardians and all students are required to attend on each Sabbath unless excused.

Earnest efforts will be made to produce a strong conviction of the paramount importance of personal religion. There are Bible Classes on Sabbath afternoons, conducted by members of the faculty.

CALENDAR.

The College year consists of four terms of ten weeks each. The first term will begin on September 1st, and end on November 10th; the second term will begin on November 10th, and end on February 2nd; the third term will begin on February 2nd, and end on April 13th; the fourth term will begin on April 13th, and end on June 22nd.

Students on entering should be provided with about \$5.00 for text books, etc. The graduation fee for Diploma is \$5.00. 20 per cent.

discount on all fees is allowed to daughters of Ministers of all denominations. All bills payable quarterly *in advance*.

The above rates are barely sufficient to maintain the Institution in its growing efficiency, and with our present convictions of what a Ladies' College should be, those rates are more likely to be raised than to be lowered. If any College in the land can afford lower rates, we can. We are carrying no oppressive debts: we are able to turn every dollar of income to the legitimate work of education. Hamilton furnishes us with all the facilities of market we could desire, and at reasonable rates. Hence we know that our charges are the very minimum; and where rates are lower than ours, it must be at the sacrifice of efficiency and comfort. Our purpose is not to compete with those who are traversing the country advertising cheap boarding houses under the name of Colleges, but to aid in the higher education of women, by bringing advanced facilities within easy reach of all at very reasonable rates. As will be seen by our catalogue, our College is largely patronized by the City of Hamilton, although in educational facilities our City stands preeminent. As the influence of college life is so lasting, we would suggest to parents the advisability of visiting the institution in which they intend to place their daughters, of making strict enquiry touching board and other physical comforts, as well as the educational facilities that are afforded.

SPECIAL NOTICE.

Patrons will remember that the College is in a *city*, not a village or suburbs; and that our pupils have city advantages and city associations during their residence with us. The College is within a few minutes walk of the finest churches in the City. It is on the finest street in Hamilton, the Broadway of the City. Our pupils can attend church or concerts in all kinds of weather, and every year have opportunities of hearing the leading speakers and musicians. No College in the country can compare with ours in this regard, and we think we are not over-estimating the importance of these advantages when we would put them in the very front rank. The chief want of many of the young ladies that repair to College can be supplied only by institutions situated as this is. Justice to their daughters should lead parents to consider this when the relative expense of institutions is pressed upon them.

ADMISSION OF STUDENTS.

Pupils are admitted at any time, and are charged in proportion to the time of their connection with the College, except in the following cases:—

No deduction will be made for delay in entering upon the duties of the term, except in cases of students entering for the first time and after the first two weeks.

Absence on account of sickness must be certified by a physician as necessary, and in such cases a deduction of one-half the regular charges will be made when the absence extends beyond two weeks. For absence of less than two weeks no deduction will be made.

No deduction will be allowed those leaving College during the last four weeks of the term.

To make such reduction would be putting a premium on irregularity. It is earnestly desired that students should be present at the organization of the School, both at the beginning of the year and at the opening of each term. No change in the classes can be made to accommodate those who are tardy in their return after the holidays. Tuition is received in four payments for the year. Pupils from a distance are required to board in the Institution, except in the case of those who have near relatives in town.

Whenever a pupil is entered in College, the Faculty consider that an implied contract is made between themselves and the patron, by which the latter is as much bound to continue the pupil in College until the close of the session as the Faculty are bound to instruct her for that time. Those who take away their daughters for a few days, without weighty reasons for such absence, not only impair the scholarship of their daughters, but impose unnecessary trouble upon the Faculty, and introduce a restlessness in the minds of all, very unfavorable to study.

LEAVING THE COLLEGE.

It is requested that definite and particular arrangements be made by Parents and Guardians, and indicated to the Governor of the Institution, respecting the leaving of the Students at the close of the session, the time of their leaving, and the company with whom they shall leave.

All payments of money due the College must be made before the Student leaves.

Notice of a month should be given to the Governor before the removal of a Student.

REDUCED RATES ON RAILROADS.

The various Railroads leading to Hamilton issue return tickets to our students and visitors at the usual reduced rates for holidays and commencement week.

CORRESPONDENCE.

All correspondence respecting any of the departments of Instruction, the admission or withdrawal of Students, their studies, etc., also letters pertaining to the finances of the College, or application for Catalogues, or information touching the College, should be addressed directly to the Principal.

Confidential letters regarding the personal interests of a pupil should be addressed to Mrs. Dr. Burns, who has the immediate supervision of all matters relating to the health and general comfort of the young ladies.

Alumnæ Association.

"Vita sine literis mors est."

THIS Association was established in June, 1868. The objects in view are the intellectual improvement of the members and the advancement of the interests of the Institution with which it is identified.

Through the indefatigable efforts of the resident Alumnæ, this Association has been a constant advantage to the College. The Commencement week offers many opportunities to the ever loyal Alumnæ to show their attachment to their *alma mater*, and the reception of the Association is among the most brilliant entertainments of the year. But their activity is not entirely spent on such feasts as this; they have been the means of bringing before the students of the College and the citizens of Hamilton the very best talent on the lecture platform of the Continent, and every year has this been repeated since the organization of the Association. Last winter but one lecture was secured, but it was one of rare and classic beauty and brimful of instruction and suggestions. It was delivered by W. H. C. Kerr, Esq., of Brantford, on "Talking as a Fine Art." The Alumnæ had also a very successful conversation in the College parlors.

Two prizes are offered annually by the Alumnæ; one to that member of the Association who writes the best essay on a given subject, the other to be competed for by the members of the Senior Literary Society, for the best essay presented at their regular meetings.

The subject for next year for the members of the Association is:—

"Honor and shame from no conditions rise,
Act well your part, there all the honour lies."

The total number of Alumnæ is 168.

Any graduate becomes a member of the Association by the payment of the annual fee of \$1.00.

Any member changing either name or address is requested to make the same known to the Secretary.

The following are the Officers for the present year:

President,	Miss MARY E. MOORE, M.L.A.
1st Vice-President,	Mrs. N. GALBREATH, M.E.L.
2nd Vice-President,	Mrs. S. F. LAZIER, M.E.L.
Corresponding Sec.,	Miss LUCY LISTER, M.E.L.
Recording Sec.-Treas.,	Miss EMILY A. WHITE, M.E.L.
