No. 19

UNITED STATES NATIONAL ANTHEM. AIR-"The fine old English gentlemar." I'll sing you a bran-new song, made by fine young pate Of a fine young Yankee soldier, as he

appeared of late : Who among the ladies thought he could cul up at such a rate; With his fine, moustachio'd, warlike face, and very awkward gait; Like a fine young Yankee soldier, one of the

modern time. clothes; "pants" as red as Rose;

from top to toes: And his sword, and gun, and knapsack, and what else, dear only knows; Like a fine, &c., &c.

He cursed and stamped, blasphemed and swore, as only Yankees can; And told us "Heow them rebels, he would wallop till they ran,' Heow of all traitors and furriners he'd not

leave a single man, whole Continent should span,' Like a fine &c., &c.

In his newspapers the strangest stories he'd as dirt And J

was hurt!

Like a fine, &c., &c. At Washington he swore as how to Richmond he'd 'march on,' And Heore the glorious Stars and Stripes its walls should float upon,

Heow he'd maintain the Con-stitution and the Uni-on The somehow he never managed to get any

further than Bull's Run.

Like a fine, &c., &c. This fine young man who "all creation to etarnity would lick,' At Manasses Junction found his way so difficult to pick. That after a little thinkin' he turned right

But still we see old Dixie Land has not

pound into seven portions, one for each breakfast in the week, and make a quart of coffee out of it which will be sixty-four table spoons give the youngest two table spoons give the youngest two table spoons give the oldest a dozen; the remainder of the one cup being filled up with boiled milk.

The stultification of history, unfortunately has been all on the American side. If the federal cabinet had acted up to the views enunciated by Madison, and regarded with complaisance and honor by a long line o American statesmen, the commissioners would have been set at liberty without waiting for a demand from Great Britain. Th American people, aided by a clique of pandering lawyers, have stultified their political history by the loud clamor which they made for the detention of the commissioners. The Americans have not, as some of them

war liable to seizure when in transitu be-

lusions which have been made to the surrenty to the Administration, Mr. Vallanham condemned the surrender in scath terms. He regarded the event as ational humiliation, and inveighed most bit terly against the authors. For the first e in American history, he said, the nation ad strutted insolently into a quarrel with re the British Lion. He said the people v hereafter would demand a terrible reck ing for the unmanly surrender. Mr homas, a Republican member from Massahusetts, was fully as inimical to the governent as Mr. Vallandigham. He, too haracterized the sugrender as an unworthy ed under protest, or the decision migh ive been left to the arbitrament of a friend power. Mr. Thomas concluded a long rade against England, with an unfounded asolation, saying that the loss would ulti ately be borne by Great Britain. Engad he said, "had excited in the hearts of ong, of injury inflicted at a moment ght they would be girding themselves to trike the blow of righteous retribution!'

They are evidently trying to hide their lisappointment by giving vent to invectives apidly arming and organizing for defence. England, to meet any invasion that may be
