Attend the band concert in Victoria Park this evening given by the Twenty-sixth Regiment Band, under the auspices of the International Association of Theatrical Stage Employes, for the benefit of one of the local members, Mr. William Deacon, who was unfortunate in having his foot taken off in an accident on the Canadian Pacific Railway at Quebec street crossing about a week ago.

The programme selected for the occasion is an exceptionally good one. It is not necessary to praise the Twentysixth Band. Everyone who has ever heard it play knows that it is one of the finest in the Dominion. Don't forget the silver collection that is to be taken up at the gate. Everyone is expected to donate, and to be generous, for all realize that the cause is a good one and you will never miss a quarter. Remember that the concert starts at 8 o'clock sharp. Thousands of cures prove the merit of Booth's Kidney Pills. Here is a case in London:

Mr. Ira Etcher, 309 Dundas street. London, Ont., says: "For months I have suffered from a kidney complaint, which gave me much pain and annoyance. I used Booth's Kidney Pills, procured at the drug store of W. T. Strong, and I am pleased to say that after a few weeks treatment I was cured, and I give Booth's Kidney Pills a hearty inforsement. The ailments that I was cured of were hard, duli, persistent backaches, pains through my limbs, loins and over the kidney regions. My back was weak, sore and lame. When I caught cold it would settle in my kidneys and t was exceedingly hard for me to stoop, bend over or lift."

BOWMAN CARRIES NORTH BRUCE

Temiskaming Will Go Censervative-Recounts for Lennox and Stormont.

Toronto, June 10 .- There are very few changes to record in the list of members elected to the Legislature as it appeared in yesterday's press reports. North Bruce was placed in the doubtful column then. Late returns show that Mr. C. M. Bowman, Liberal whip, has been re-elected by a big majority. Temiskaming, one of the other doubtfuls, is as emphatically Conser-

LOCAL OPTION IN HENSALL

Motion to Quash the Bylaw Dismissed by Chief Justice Mulock.

Toronto, June 10.-At Osgoode Hall, village of Hensall. Judgment (L.) on motion by James Coxwell to quash a local option bylaw of the village.

The first objection was that the bylaw at the time it received its first and second readings on Feb. 5, 1906, did not fix a time and place for the voting, etc. Held, that the bylaw, being legal on its face, this technical objection should not be entertained. The second objection was that 20 persons who were not qualified were allowed to vote. Held, that this objection, if well founded, would not af-

fect the majority. The third objection was that the bylaw was voted on on the 7th of January, 1907, and finally passed on the 14th of the same month, without allowing two weeks to elapse from the time of the declaration of the vote, as resection 369 of the municipal act. Held, that this objection was concluded against the applicant by the judgment of the court of appeal in re Duncan and town of Midland, 14 O.L.

No one objects to exhaustive criticism of the Government's acts if it is sincere. That is the purpose of an Opposition. But Mr. Borden and his lieutenants have gone far beyond that and their conduct is making parlia mentary proceedings a costly farce.

Those in the church not knowing the extent of the fire fortunately did not realize their peril, and on the clergy's request made their exit rapidly and in an orderly manner. The fire fighters discovered that foremen declare that only the cool-

ATHLETES TO MEET IN THE TWILIGHT

Local Associations Unite for Contests at Queen's Park.

Ex-Ald. Thomas Gillean has consented to act as starter at the inaugural twilight meet under the joint auspices of the Rambler, Pirate, St John's and Y. M. C. A. athletic associations tomorrow and Friday nights at Queen's Park.

Entries close tonight at 8 o'clock as Simmons' drug store, Dundas street; Perry's drug store, Richmond street, and the Y. M. C. A.

A large number of entries are looked for, and the races should prove successful, in which event they will be continued throughout the summer. The admission is but ten cents, and the races will doubtless be well patronized. An effort will be made to hold a band concert at Queen's Park tomorrow night.

Mr. S. Brent, of the Y. M. C. A., ischairman of the committee; Mr. R. T. Dunn, of the Ramblers, is secretary, Naps Wins From Boston in a Sand-Lot and Mr. J. E. Johnson, of St. John's, is treasurer.

TIZER TRUNDLERS

The Advertiser linotype operators and the Grocers came together on the Ideal alleys last night, and when the Bradley, 3b dust had settled the score sheet showed that the dispensers of food stuffs led by eighteen pins. One Millson, of the Grocers, led the

way for the pin-bumpers, although Fitzmaurice kept him moving all along the route, and came in a close second with 496. Smith hit up a merry clip, too, and

was trailed closely by Ruse. McKay fought it out with Floyd for cellar With the exception of Millson, the Grocers were very evenly balanced, al-

though Collins in the second game several times mistook the pillars along the side of the alleys for the pins. Next week the same teams come together, and the losers are confident of retrieving themselves. There is some talk of releasing Floyd, but it is possible that he will be allowed to try it again, after having been severely reprimanded by "Hank" Archer, who

take one of these three with a margin of 109 pins. The figures: Advertiser. McKay 134 148 127- 409

Rev. Dr. Dixon Speaks of "God's Search After Man"-Value of Individual Work.

There was scarcely an empty seat in Adelaide Street Church last evening, when Rev. Dr. A. C. Dixon, of Chicago, gave his masterly address before a keenly attentive audience. Rev. Dr. Arthur Woodburne (returned missionary from India), presided, and after a brief song service, conducted by Rev. T. W. Charlesworth, of Clinton, followed by prayer and the reading of Luke xv., by Rev. T. T. Shields, he introduced the speaker of the evening. It may truthfully be said that the advance notices of Rev Dr. Dixon's marvelous ability as a speaker - a word-painter-have not in the least been overdrawn.
