Donahue Trial Again In Court

James Fallon, Teamster and Dr. McKenzie Called to Stand at Thursday's Session

The case of King vs. Donahue and Gallah was resumed on Thursday morning last.

JAMES FALLON

The first witness was Jas. Fallon Jr. Witness knew Donahue and Gallah. Remembered driving Donahue and Gallah back to Archibald Stewart's on March 15th. Mrs. Donahue was carried out of the house and put on a sled. Witness didn't hear Mrs. Donahue make any noise as they were making a noise. Witness didn't hear Mrs. Donahue say anything. Witness didn't hear Mrs. Donahue after they got out of the crowd, she was so weak and the horse was making a noise. The road was fairly good, except for some ruts and a very low pitch. Witness as teamster, didn't drive very fast. Didn't know just when they left Stewart's but got to Chatham Hospital at exactly six o'clock. Witness didn't run the horse. Did not know James McNeil, met several men on the road. Witness didn't stop at any house on way to Chatham. Witness didn't know where John Ryan lived, but knew where Mrs. Butler lived, on the Chaplin Island Road. Did not remember stopping at John Ryan's house. Witness remembered meeting a man on the other side of Ryan's house, turned off road to pass, but didn't run the horse. The horse ran once at Copp's, but was not forced to run by teamster. Witness remembered a woman coming out of Ryan's house. Mr. Donahue asked Mrs. Ryan to come out, she had a cup in her hand, but witness didn't know whether Mrs. Donahue drank the contents or not. Witness couldn't swear that she was unconscious on any part of the road. Did not remember hearing Donahue or Gallah saying anything. They were met at Chatham Hospital by an orderly. Witness remembered hearing Mrs. Donahue moan, but not scream. When leaving Stewart's witness heard Donahue sing out, but he didn't hear what he said. Witness did not stop on the road to have more clothes put on Mrs. Donahue. The clothing that was in the sled was as follows: Horse blanket on bottom of the sled; a mat on top of that, feather mattress, about three or four blankets, one under her and two over her, three horse robes and two overcoats. The blankets were woollen. Witness didn't know what clothes she had on besides the clothes in the sled. Mr. Donahue put his cap on her head and went bareheaded part of the way. Witness was under directions of Mr. Donahue. There was a cold wind blowing that day. When I said there were three horse robes I meant three buffalo. I counted the quilts in with the blankets there were two woollen quilts and one blanket. Mr. Whalen asked witness if he heard the woman talking at Ryan's, he said he did not. When asked why he wasn't at court previous day, said he went away two weeks ago and just got back last night. His father-in-law in word and deed came back to attend the trial. Witness heard Mrs. Donahue moan whenever the sled got a bad slew or pitch.

Adjourned till 2.30.

DR. MCKENZIE

Dr. J. B. McKenzie of Loggieville, was the last witness called. He had been called in to see Mrs. Donahue. She was at Archibald Stewart's suffering from cancer. Nothing could be done for her but to alleviate her pain. He saw her on Feb. 28th, 1919. He had advised them to keep her at home hospital as far as cure was concerned. Had heard of her being taken to the hospital on the 15th. Removing from Stewart's to hospital would lower her vitality to a certain extent and might hasten death. If he thought anything would be gained he would have moved her. If she opposed moving he would have left it to his patient herself entirely. The excitement caused by moving her against her will might hasten her death. He saw there were three women in the house but he had not been informed as to whether any were trained. Driving might hasten her death. She had been comfortable and apparently well cared for as far as he could see.

To Mr. McDade, witness said that excitement might not hasten death. Vitality could be impaired in the case of any patient travelling. Frequently people moaned on the way and occasionally died. He did not think if patient was removed properly clad to the hospital the circumstances would justify a murder charge. He had been practising medicine since 1902. He had not previously heard of any woman having been moved to a hospital against her will.

Peace Treaty Ready For Signing

Pensions to Disabled Soldiers and for Widows and Orphans to be Included in Bill

Paris, April 4—The opinion was expressed tonight by a responsive British authority that the peace treaty would be ready for signing by Wednesday next.

London, April 4—The Paris correspondent of the Daily Telegraph wires that he is able to state on the highest authority that by next Sunday a complete agreement will have been reached by the Council of Four.

Paris, April 4—Pensions to disabled soldiers and for widows and orphans will be included in the bill to Germany for reparation. The Peace Conference leaders have decided that such relief to individuals for losses and sufferings during the war will be a proper charge under the armistice provisions. The reparation of losses to the civilian population will constitute a very considerable proportion of the \$30,000,000,000, the amount of the reparation bill as now approximately estimated. In the case of Great Britain, the pensions bill will probably constitute the largest item of the total claim. It is understood that the United States will not lodge any claim under this head, Americans being covered by the American soldiers insurance system.

Paris, April 4—The proposed limitation of German armaments has at present for the Germans largely an academic interest, as the dependable forces which the state and private enterprise have raised to raise by an incessant advertising campaign, and officers of good pay and bonuses to volunteers do not reach the lowest figure mentioned in reports as to the size of the army to be allowed Germany by the Peace Conference, according to the latest advice from German sources. The Socialists, in addition, retain their old objection to militarism and are not enthusiastic about even the proposed popular militia on the Swiss model.

Paris, April 4—King Albert of Belgium, appeared before the Council of Four today when it convened at 11 o'clock to discuss Belgian affairs. He was accompanied by Paul Hymans, the head of the Belgian peace delegation. It is understood that reparations and the territorial aspirations of Belgium were the principal subjects presented.

The absence of President Wilson from the meeting of the council did not affect the situation as King Albert yesterday had long conferences with both President Wilson and Colonel House concerning the case of Belgium.

Should All be Home By End of August

Brantford, Ont., April 6—A plan for the perpetuation of every overseas unit by assimilating it with some militia organization in Canada and the prospects of a great speeding up in demobilization, were announced here last night by Major General E. C. Ashton, Adjutant General, Ottawa. The occasion was a banquet by the Dufferin Rifles to the returned officers of Brantford district.

In regard to demobilization, Major General Ashton said there had been times when the Militia Department was not sure it could unload the number of men arriving in ports, because of the lack of facilities to move them out. The job at present was an appalling one, but was being met to the last car.

With the opening of the St. Lawrence for navigation, the rapidity of transit would be increased, and demobilization within a month the general expected, would be speeded up from 45,000 to 60,000 per month. By the end of August every Canadian soldier with the exception of many overseas, should be home.

More than 140,000 men had been demobilized since the armistice, the remainder could be handled in about a month if trains were available.

Mayor John H. Troy Has Passed Away

Prominent Young Business Man Ends Career—Funeral Largely Attended

Through the death of Mayor John H. Troy, which occurred at his residence at 5.30 o'clock on Wednesday morning last, Newcastle loses one of its most prominent and successful young citizens.

His Worship was the youngest son of Postmaster J. M. Troy of this town and was thirty years of age, his birthday being on March 7th last. Always courteous and obliging, he was a man who had a host of friends and will be greatly missed by the community.

The late Mayor Troy was born and brought up in Newcastle, receiving his education at Harkins' Academy. After graduating from there he entered the employ of Mr. A. E. Shaw, Druggist, after which he attended the Ontario College of Pharmacy, from which he graduated some ten years ago, with honors. Returning to Newcastle in company with Mr. C. M. Dickison, he opened up the well known firm of Dickison & Troy, in 1909, as Druggists and Opticians.

He took an active interest in all public matters, and devoted a large part of his time towards the welfare of the town and surrounding districts. He was elected Alderman for the town in 1917, leading the poll, and in 1918 was elected Mayor, which office he

LATE MAYOR JOHN H. TROY

held at the time of his death. He was chairman of West Northumberland of both the Y.M.C.A. and Salvation Army drives, Past Master of Northumberland Lodge, A.F. & A.M., President of the Newcastle Curling Club and Member of the Highland Society of Miramichi, and Independent Order of Oddfellows.

In the death of Mayor Troy, the community has lost a good citizen, his wife and children a kind husband and father and his father, sisters and brothers a beloved son and brother. He developed pneumonia, after being confined to his home with blood poisoning, but from which he appeared to be recovering, and on Sunday, March 30th, he took a turn for the worse, and never regained consciousness.

Flags were flying at half mast out of respect to the late Mayor. He leaves to mourn, his wife, formerly Miss Isabel Helen Cole, of Newcastle, and three small children, the eldest but six years old; also his father Postmaster James M. Troy of Newcastle; and the following brothers and sisters, Sherman, of Boston; Garfield, of Newcastle; Allan H., of Campbellton; Mrs. Charles Sargeant and Charlotte, widow of the late Col. A.E.G. McKenzie of Newcastle; and Mrs. Hamby, of Moose Jaw, Sask.

The funeral was held on Friday afternoon, and was one of the largest seen in Newcastle for many years, many people coming from outside places to attend. The town observed a holiday during the afternoon and the town turned out en masse to pay the last sad tribute to this popular young man. The services at the house was conducted by Rev. L. H. MacLean, the pastor of St. James' Presbyterian Church, assisted by Rev. Mr. Matthews of Millerton. The impressive funeral service of the Masonic Order was read at the grave side by W. M., Percy Burchill, assisted by Rev. Mr. MacLean. The funeral procession was headed by the Newcastle Band, followed by the Freemasons, and the general public. The pallbearers were Aldermen D. P. Doyle, Perley Russell, H. H. Stuart, R. W. Crocker, John Russell, W. L. Durick, A. J. Ritchie and Town Clerk Lindon.

Trouble Brewing On C. N. Railways

Increased Wage Schedule One of the Demands—Better Working Conditions

Ottawa, April 4—That trouble is brewing among the employes of the Canadian National Railways, of a nature which demands immediate government action, was the assertion of A. R. Mosher, of Halifax, a member of the Canadian Brotherhood of Railway Employees, in an interview today. Mr. Mosher is a member of a big deputation, thoroughly representative of the C.N.R. workers throughout the Dominion, which is taking the problem up with the Department of Labor.

The deputation had a preliminary interview with Senator Robertson today, when they were accorded a very cordial reception. Another conference will be held tomorrow. An increased wage schedule with an improvement in general working conditions are the two main complaints the deputation took up with Senator Robertson. While asking the adoption of a better wage schedule, the men urge that the old working conditions, which they enjoyed on the Canadian Northern Railway before the line was amalgamated with the government system, be re-established. It was stated by Mr. Mosher that the railway employes were unable to make any progress with the executive of the C.N.R. with the result that they were appealing to the government.

"The latter is reaching a crisis," asserted Mr. Mosher, "and the government must step in immediately or there will be trouble."

WEDDINGS

MALONEY—de'OLLIGUI
The marriage of J. W. Maloney of Rogersville, to Miss (Dr.) M. J. de'Olligui, daughter of Mrs. and the late Dr. de'Olligui, former residents of Weston, Kent Co., was solemnized in St. Dominic's Catholic Church, New York, at 8 o'clock on Wednesday morning, March 19th. The marriage ceremony was followed by Nuptial Mass. After a wedding trip to Atlantic City, Mr. and Mrs. Maloney arrived home Saturday night. They will reside in Newcastle.

Mr. Maloney is a prominent lumber man and has hosts of friends, who wish he and his bride a happy and prosperous future.

A Spring Tonic Greatly Increases Your Efficiency

Lay the Foundation of Good Health Now by Building up Your Blood and Strengthening Your Nerves

The old adage of taking a tonic in the springtime, like most of the customs of our forefathers, is based upon sound common sense and good medical practice. No matter how mild the winter is, it is a trying time for the human body. Many men, women and children do not in the springtime feel as well as they did during the winter. This is because the body has been weakened by the winter months. A tonic is needed to build up the system and to give the body a new lease of life.

Young men, women and children who are weak and who are suffering from nervousness, indigestion, and other ailments, will find Dr. Williams' Pink Pills a most valuable tonic. It will build up the system and give the body a new lease of life. It is a most valuable tonic for all who are weak and who are suffering from nervousness, indigestion, and other ailments.

NEVER FELT SO WELL
Miss Beatrice Bishop, Dundas, N. B., says: "I have never felt so well as I do since taking Dr. Williams' Pink Pills. When I began their use I was very much run down. I had no color, no appetite, could not get up stairs, without stopping to rest on the way. I had frequent headaches, and a feeling of despondency. I took Pink Pills regularly for about eight weeks and while I felt a benefit from them almost from the first, at the end of that time I was in better health than I had ever enjoyed before. I freely give you permission to publish this letter as my experience may be the means of pointing the way to new health to some other weak and run down girl."

GAINED WONDERFULLY
Mrs. Herbert Hanson, Lower Hainesville, N.B., says: "I have the very highest regard for Dr. Williams' Pink Pills. Before I began their use I suffered greatly with sick headache, dizziness and a feeling of depression and tiredness. A short treatment with the pills fully restored my health. My daughter Blanche was suffering from anaemia, and through the use of six boxes of Dr. Williams' Pink Pills gained wonderfully in weight, strength and general health. We think so much of Dr. Williams' Pink Pills that we are never without them in the house, and I consider them my best friend."

SHOCKING CASE OF MATRICIDE IN ONTARIO
Mother Brutally Murdered—Son Said to be Religiously Insane
Bowmanville, Ont., April 1.—Mrs. Hannah Copeland was brutally murdered about nine o'clock this morning at her home in the village of Newtonville, ten miles from this town, and her son, Herbert Copeland, is in jail here on a charge of matricide. The crime was of a most shocking nature and the details are said to have been furnished largely by the accused himself. The dead body was lying in the back yard of the Copeland residence when High County Constable Richard Jarvis, of Bowmanville, arrived on the scene to make the arrest. In response to a telephone message from neighbors of the Copelands, they said they had witnessed the accused drag his mother's body out of the house into the yard.

When he failed to get it he made a vicious attack on her with a sharp bladed pocket knife, and slashed her abdomen. Then she attempted to run out of the house, but he seized an axe and struck her down with it. It is said that he then proceeded to disembowel her and cut her open as he might have done if butchering an animal, both the knife and axe being used in the operation. The entrails were cut out and thrown into the stove. Both of her arms were cut off and with the trunk of the body were placed beside the stove, with kindling wood around them. The kindling wood was lighted with the apparent purpose of destroying the evidence of the crime, but the fire was extinguished before this was accomplished. Then the mutilated body was dragged out into the yard.

A bunch of travellers were standing around Moncton waiting for connections, when a youth who had been sitting them up, picked a lively one, winked mysteriously, and tapping his hip pocket, whispered: "Want to buy some tea?" He did and a consultation behind the station resulted in the exchange of \$3 for a promising-looking bottle. He tipped off four others and four other deals were put through. That night they prepared to make merry. The cork was pulled in No. 1, and at the first "swig," a look of "swigger," "Great Soot!" he roared, "It is tea." And it was.

Premier Borden At Press Dinner

Canadians Participated in the War from Their Own Free Will and Had Never Wavered in Purpose he Said

Paris, April 1.—The French group of the Foreign Press Association gave a dinner to the delegates from the British dominions. The guests included Premiers Borden and Hughes and also Dr. Engelenberg of South Africa. Premier Borden in his speech, said the Canadians had participated in the war of their own free will, and during the whole length of the war they had never wavered in their purpose and never changed. The British Empire was itself a sort of league of nations and they in Canada might be said to typify the whole empire in microcosm. Canada was populated by many races and creeds of men and their task was to unite them all in a common national spirit. Canada, in smaller degree, showed the very same spirit and purpose that animated the league of nations. All efforts of the war would have been in vain unless a nobler association of nations than that of the past could be built up by united effort.

Many Soldiers Are Still Missing

Fate of Thousands Can Never Be Certain

Perhaps the saddest of all the reports that come from the battlefield is that of 'missing.' Those for whom it records the loss of a dear one have their misery long drawn out, an aching pain that is less merciful than the swift stab that announces a death in action. In this war there are thousands of soldiers whose fate can only be guessed at. They were seen going into action and then all trace of them was lost. Germany has announced that she has no secret prison camps, and that every Allied prisoner who is able to leave the country has been sent home. This in a measure, but only in a measure, since the word of no German is relied on—relieves the fears or puts an end to the suspense of thousands who believe that those near to them who had been reported missing might eventually be found hidden out of sight in some of the secret forests. In France, to date, there are 14,000 prisoners and none have been listed as 'missing' since the beginning of the war.

Hope will not completely die in the breasts of those who recall the past. Many years after the fighting has ceased, the British and American soldiers who had been reported missing are still being found in the forests of Germany. It is not known how many of these are still alive, but it is believed that some of them are still in the hands of the Germans.

There is one more story that is being told in the forests of Germany. It is the story of a soldier who was reported missing in 1914. He was never seen again until 1918, when he was found in a forest near the front. He had been in the hands of the Germans for four years. He had been in a secret prison camp, and he had been kept there for four years. He had been kept there for four years, and he had been kept there for four years.

A remarkable case is that of Frederick Fernor-Hesketh, son of Sir Thomas Fernor-Hesketh. Early one Sunday morning he crossed from Holyhead to Kingston, and there vanished as though the earth had swallowed him. He was a young man of unusual stature and grace, and his father spent a fortune in an effort to solve the mystery of his fate, but it remains to this day a mystery. It is also worth recalling that the present Earl of Aberdeen owed his titles and estates of the fact that his elder brother, the seventh earl, disappeared in 1863, and was last heard of as a sailor before the mast bound from Boston to Melbourne. A similar break in the succession some fifty years or so ago, when Lord Edward St. Maur vanished in India, diverted the title and great estates of the Dukes of Somerset to the father of the present duke. Many years later a man turned up in England claiming to be the missing peer, but he turned out to be a fraud.

Three Years' Office Experience

Ottawa, April 3—The Civil Service Regulations have been amended by the addition of the following provisions:

Persons who have been on active overseas service in the military or naval forces of His Majesty, or of any of the Allies during the Great War, who have left such service with an honorable record, or who have been honorably discharged, shall not be required to have had three years' office experience in order to be admitted to the examination, but marks in the nature of a bonus for their military or naval service shall be given to such candidates who obtain the required percentage in all other subjects.

They are the best medicine I know of for little ones and I would not be without them. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., New York, U.S.A."

He had been in a secret prison camp, and he had been kept there for four years. He had been kept there for four years, and he had been kept there for four years.

"Oh, You Do Look So Strong and Well"

"AND why shouldn't I?"

"You always wrote about how well you were, but we never thought you would be so hearty-looking as you are after all the hardships of camp and trench life."

"Oh, we had our share of hardships, all right, but except on rare occasions we had plenty of good, wholesome food and lots of fresh air and exercise. That is what makes a person strong and well. But I don't think I have it much over you. What have you been doing to look so hearty?"

"Didn't I tell you I was using Dr. Chase's Nerve Food?"

"You don't mean to say that has made such a difference. You were so thin and pale when I went away."

"Yes, it certainly has, and after you went away I had a regular break-down, and was in a bad state for some months."

I had nervous headaches, could not sleep, and grew down-hearted and discouraged. Mother got after me to try the Nerve Food, and I am so glad I did, for I did want to be well to welcome you home."

"It is a joy to me to find you so well. And now that we have such a good start surely we can keep well and enjoy life. My experience overseas has caused me to place a greater value on life and health than I ever had before, and your experience with Dr. Chase's Nerve Food convinces me that you women folks need not be pale and nervous if you will but use it when you feel tired out and run down."

Dr. Chase's Nerve Food, 50c a box, 6 for \$2.75, all dealers. Dr. W. W. Bates & Co., Ltd., Toronto. Every box of the genuine bears the receipt and signature of A. W. Chase, M.D., the famous Receipt Book author.

DAYLIGHT TIME

The fact that the railways, the express companies, the mails, are now doing business on Daylight Saving Time, should decide and determine the Town Council to make it a civic time for the summer months.
The railway and postal changes make daylight time obligatory in so many business establishments that civic accommodation is a matter of prime necessity. What may be said pro and con on the general question of daylight saving is made secondary importance by the decision of the railways. To avoid confusion it is now imperative to get uniformity. This can only be through a civic decision. That decision should be made without any delay. Otherwise there will be worse confusion than already exists.

The Civic Election is to be held just one week from today, and as yet only one candidate for aldermanic honors is in the field. Why such apathy on the part of our citizens?
Surely this is a bad state of affairs.

NOTES BY THE WAY

People who are stuck up seldom stick up for each other.

Conversation is listening to yourself in the presence of others.

A movement has been started to erect a monument to Sir Wilfrid Laurier on Jacques Cartier Square, in the heart of Quebec East, which he represented in the Commons for forty years.

Premier Lloyd George: "We have just completed the most gigantic task ever entrusted to a nation. And the part taken by Britain was no mean one. Had it not been for Britain where would the world have been?"

Detroit Free Press: Out of a combination of slag, clinkers and sawdust coated with metal an English firm contemplates making the world's cheapest automobile. Now for the inventor of a fuel composed of waste paper, shavings and dust-thrusted gasoline.

La Patrie—For some time past hundreds of Victory Bonds have been thrown on to the market. Of course the holders of these securities are free to dispose of them when they choose, but it seems extraordinary that so many people should wish to get rid of them prematurely. In one day alone, bonds to the value of a million dollars have changed hands. Are the people who are getting rid of the finest security the State has to offer feeling the pinch of the high cost of living or are they urged by a desire to speculate in other channels.

The total revenue from post offices in New Brunswick last year was \$749,963. The revenue of the St. John offices was \$225,832; Moncton, \$47,470; Fredericton, \$1,157; Campbellton, \$17,218; Woodstock, \$16,782; St. Stephen, \$17,932; Sackville, \$12,534; Sussex, \$14,357; Newcastle, \$12,551; Chatham, \$12,351; Bathurst, \$19,178; Edmundston, \$6,007; St. Andrew's, \$5,522; Shediac, \$5,173; McAdam Junction, \$3,661. Moncton ranks next to Halifax and St. John among the cities of the Maritime Provinces, ahead of Sydney and Charlottetown, though Sydney has a population considerably larger.

The Bishop Of
Fredericton On
War Savings

In a recent statement endorsing the War Savings Movement Bishop Richardson says:
"The decision of the Government to establish in the Dominion the War Savings Stamps system is one that will be most heartily commended by every thoughtful person, and ought to meet with a very large measure of support. Its primary purpose, I suppose, is to make it possible for the rank and file of Canadian people to take an effective part in the national task of meeting the tremendous financial burdens that have come upon us with the war. By the conditions under which the ordinary war loans have been floated, a large part of the population was almost necessarily excluded from taking a share in this patriotic duty. The War Savings Stamps system renders it easy for every wage-earner to make at least some direct contribution to that important end.
But apart altogether from the immediate value of the system in this regard, the enterprise is to be commended in that it can hardly fail to promote and foster amongst Canadians generally those habits of thrift and saving for which in the past they have not been very conspicuous. The really wealthy nation is not the nation which has at its command the largest material resources, but the nation whose people as a whole have acquired the habit of always spending a little less than they earn, and of wisely investing the sums so conserved. It is not too much to hope that the War Savings Stamps movement will to no small extent, help in that sense to make Canada a wealthy nation."

The Bolsheviks Have
No Regard for Clergy

Rome, April 2—The Observatore Romano, published correspondence between the Pope and the Bolshevik government relating to the treatment of the Russian clergy. Archbishop Sylvester, of Omsk, appealing to the Pope against this ill-treatment stated that the Bolsheviks had murdered twenty bishops and hundreds of priests, cutting their arms and legs and flaying others alive.
The Pope appealed to Lenin to spare the Russian clergy. Tchitcherin brutally replied that Russians were all equal whatever their religion and accused that clergy of hoarding food while the people were starving.

Sir Charles
Returns Money

Ottawa, April 4—Tuesday afternoon in the House of Commons, Sir Thomas White read the following letter, which he had received from Sir Charles Fitzpatrick, Lieutenant Governor of Quebec, regarding payments made to him, for two years for expenses to attend the meetings of the Privy Council in England, when he was not present:
"Re Dr. Edwards' resolution. In view of the statement which you made to the house Wednesday last, and which is clearly correct in fact and law, namely, that the money provided by the two votes in 1914-16 and 1916-17, was paid to me by way of allowance, was received by me in good faith and was legally and regularly so paid in monthly payments by the officers of the finance department upon the authorization of the auditor general, and in view of the fact that some members of the house state that they understood the two votes in question in a sense different from that which their language clearly bears and from the sense of which I understood and it is justified in understanding it, I enclose herewith my cheque for \$5,000 in your favor as acting prime minister, to be paid over to the Dominion treasury."
Sir Thomas White stated that he had endorsed the cheque and sent it to the receiver general.
Peace is in sight, but it is very much enclouded.

OBITUARY

MRS. WILLIAM GABRIEL

The death of Mrs. William Gabriel
took place at the Miramichi Hospital
on Thursday last. She had been suf
fering for a number of months with
cancer. She was 44 years of age, and
is survived by her husband, who is
at present overseas, and by the follow
ing children Mrs. LeRoy Edwin, who
is at present nursing in France with
the United States army; Annie, a stu
dent nurse in a Boston hospital; Wm.
Katherine, Loretta, Raymond, Viola,
John, Wilfred and Robert at home.
The deceased was formerly Miss Mc
Kinnon, of Rosebank. She also leaves
two brothers and two sisters, William
and Leo McKinnon; Mrs. Patrick Cobb
of Minnesota, and Mrs. Peter Gahan
of Newcastle.
The funeral was held on Sunday af
ternoon at 3 o'clock to St. Mary's
Church, where the funeral services
were conducted by Rev. Father Dixon
and interment was made in St. Mary's
Cemetery.

MRS. L. B. McMURDO

The news was received here yester
day of the death in Moncton early
Monday morning of Mrs. Leslie B.
McMurdo, following a short illness of
pneumonia with complications. For
the past few days her condition was
critical but strong hopes were en
tertained for her recovery till the last.
Every care that loving hands could
bestow was given her, but all to no
avail.
The late Mrs. McMurdo was former
ly Miss Laura Miller, daughter of
the late Stanley W. Miller, for many years the
Mayor of Newcastle, and was a brother of
Donald & McMurdo.

The deceased lady is survived by
her husband, five sons, Jewel, Rogin
old, Harry, Beecher and Jack, and one
little daughter Margaret. Also the
following brothers Samuel, Harry and
Clarence of Newcastle, and Everett of
Vancouver, and Charles in British
Columbia, and one sister, Mrs. Dr.
H. Sprout of Newcastle. The late
Stanley W. Miller, for many years the
Mayor of Newcastle, and was a brother of
the deceased.
To the bereaved husband and fam
ily the heartfelt sympathy of the en
tire community will be extended.
The funeral will be held Wednes
day afternoon from her late residence
20 Alma Street, Moncton.

DONALD MacDIARMID

At Cleveland, Ohio, Donald G. Mac
Diarmid, a native of Centre Napan,
died on March 15th, aged 63 years. He
leaves his wife, three sons, two daugh
ters, one sister and seven brothers.

MARGARET STEWART

The death occurred at Lower New
castle, March 25th, after a lingering
illness, Margaret, wife of John Stew
art, aged 55 years, leaving a husband
one son and three daughters to mourn
their loss.

JAMES ATKINSON

Mr. and Mrs. H. T. Atkinson, of
Chatham Head, received a telegram
yesterday notifying them of the death
that day of James, the five months'
old child of Mr. and Mrs. Douglas
Atkinson of Amherst. The bereaved
parents recently returned from Doug
lastown to Amherst. They have three
children left, Eldon, Elieen and Lela.

MRS. FRANK DICKSON

The death of Mrs. Frank Dickson of
Blackville, occurred at the Newcastle
Hospital on Thursday. Deceased was
32 years of age. She leaves her hus
band, a daughter two weeks old, one
sister, Effie, a nurse overseas; and
two brothers, John and Everett Dav
idson. Deceased was formerly Miss
Sadie Davidson of Quarryville. The
funeral took place Saturday afternoon
with interment in the Presbyterian
Cemetery at Upper Derby.

ALBERT CRAWFORD

The death of Mr. Albert Crawford
took place at his home in Blackville
Saturday morning, after an illness of
several months which he bore with
great patience. The deceased is sur
vived by a family of six children, four
girls and two boys who have the sym
pathy of the community in their sad
bereavement. The funeral was held
Sunday afternoon and was largely at
tended. Interment was made in St.
Andrew's Cemetery.

MRS. CATHERINE EDMUNDS

The death of Mrs. Catherine Ed
munds, widow of the late David Ed
munds, occurred at the residence of
her son-in-law, Wm. M. Loggie, Lower
Napan, at noon on Monday, March 31.
The late Mrs. Edmunds was formerly
a resident of this town and had many
friends who will regret to hear of her
death. She was a member of St.
John's church, and was always a faith
ful attendant at its services. She
leaves to mourn her two daughters,
Mrs. T. B. McKay of Calgary, Alta.,
and Mrs. Wm. M. Loggie, Lower Na
pan. The funeral took place Wednes
day afternoon at 2 o'clock, interment
was in Pine Grove cemetery. Rev. F.
W. Thompson of Loggieville and Rev.
J. H. A. Anderson of St. John's
Church conducted the services and
paid a fitting tribute to the memory
of the deceased. Members of the Knox
Church choir were present and sang
the deceased's favorite hymns "Asleep
in Jesus" and "One Sweetly Solemn
Thought"—World.

BEDRIDDEN WITH RHEUMATISM

Felt That He Would Never Walk Again "FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDEC
3 Ottawa St., Hull, P.Q.

"Fruit-a-tives" is certainly a wonder. For a year, I suffered with rheumatism, being forced to stay in bed for five months. I tried all kinds of medicine but without getting better, and thought I would never be able to walk again. "One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine, and it seemed just what I needed, so I decided to try it. The first box helped me, and I took the tablets regularly until every trace of the rheumatism left me. I have every capsule in 'Fruit-a-tives' and strongly recommend them to every sufferer from rheumatism." JOHN W. LEDEC.

FIT-REFORM
Distinction—with a Difference
"1919" is imprinted in every line of the Fit-Reform Suits and Overcoats for spring. Newness and novelty are blended with happy conservatism. They are styles of distinction, with that difference which makes them stand out as products of a new season, reflecting a newer and happier period.
These Fit-Reform styles do not depend solely on correctness of line—but rather on perfect tailoring through and through, and on those fine fabrics which hold their shape for long periods of wear. There are many styles in many pleasing effects in our opening display of Fit-Reform Suits and Overcoats for spring.
Come in and see them.

Canadian National Railways Operating One Hour Earlier

Important Daylight Saving Change of Time At Two A. M. Sunday March 30th., 1919

All clocks and watches used in operation of Canadian National Railways were at 2 a.m. Sunday, March 30th, advanced one hour. To prevent serious confusion and inconvenience to the public the attention of all concerned is directed to the following conditions resulting from the important change of time. At cities, towns, villages and other municipal bodies do not change their local time to correspond with the new Railway time all concerned should keep in mind that while trains continue to leave railway stations on present schedule each schedule will be operated one hour ahead of present local time. Therefore any municipality whose local time is not changed to correspond with the new railway time passengers must reach railway stations ONE HOUR EARLIER than shown in current timetables and public time tables. Where municipalities have changed to correspond with the new Railway time the passengers will not experience difficulty moving out of the change.

Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Fremont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run-down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. GODDIN, 923 Napoleon St., Fremont, Ohio.

Wife Of Banker Killed In Garden By Deadly Bomb

Inhuman Outrage Follows Threatening Letter Received by George Greenwood of Oakland, California Last Year

Oakland, March 20.—Mrs. George Greenwood, wife of the vice-president of the Savings Loan Bank and Trust Company of San Francisco, was killed by a bomb explosion last night in the garden of the family home. Investigation failed to disclose whether the bomb was hurled at Mrs. Greenwood or whether she picked it up while out walking about the garden. Mr. Greenwood was ill in bed at the time. No one else was in the house except the servants. According to the police, a letter demanding money and threatening to destroy the home with dynamite unless the amount be paid, was sent to Mrs. Greenwood in 1918. The police of California has ordered a reward of \$1000 for apprehension of those responsible for the bomb outrage.

"The Original Red Belt"

"The Long-Grain Friction Belt"

¶ Dunlop "Gibraltar RedSpecial" is the proven benefactor of many an industry in this country which has felt the need of offsetting rising costs by speeding up production and by the elimination of belt trouble.

¶ "Gibraltar RedSpecial" is a real rubber belt. It may be compared to other brands of belts only as a powerful magnifying glass might be compared with the object whose imperfections it brings into the limelight.

¶ The first belts of this brand sold have been in use for years and have proven that scientific research—combined with approximately one quarter of a century's experience in the rubber goods manufacturing industry—could offer no more in belt merits than those features for which this Dunlop Product is so well and favourably known.

¶ We believe Dunlop "Gibraltar RedSpecial" cannot be made better. It is a red, frictioned-surface belt, constructed of the highest grade rubber, and specially-woven duck of tremendous tensile strength. This accounts for its great tenacity, its enduring flexibility and its absolute uniformity throughout.

¶ Provision has been made in "Gibraltar RedSpecial" against drying out and rotting. The richness of the rubber—compounded to retain its pliability indefinitely—waterproofs the duck as well as holds the plies securely together. It also serves to minimize internal chafing due to the constant bending of the belt. All unnecessary stretch is taken out in the manufacturing process.

¶ You will find Dunlop "Gibraltar RedSpecial" Frictioned-Surface Belting doing daily duty the year round in Pulp and Paper Mills, Iron Foundries, Steel and Rolling Mills, Saw and Lumber Mills, Mines, etc., in a truly efficient manner.

¶ We also specialize on Conveyor and Elevator Belts to meet every need.

The Dunlop Unreserved Guarantee

If you have a difficult drive anywhere in your factory drop a line to our Head Office, or to our nearest branch, and we will send a man experienced in belt engineering to consider your requirements. If it is an instance where "Gibraltar RedSpecial" Belting may be suitably employed we will recommend its use, and we will stand behind our recommendation with the fullest guarantee ever issued by a firm producing rubber products.
