**"ECHOES** of the Past:

Love !"

CHAPTER XX.

"I wouldn't have thought it of 'im, nervousness and self-consciousness of Mr. Clive," murmured Elisha sorslid from her like a loose garment. rowfully. "He was always so good." The clear, well-trained voice-for the "So he was." admitted Tibby: "but chevalier was a good master and had so's most men when they're in love trained her well-rose, in the intense Oh, I don't blame 'em. It's only natilence, as melodious as a bell. She ural. Look what a beautiful girl our not only a good voice, but she Mina is, an' quite a lady in her ways sang with expression, for the chevaand manner o' speakin'. He couldn't lier had chosen one of Tosti's lovehelp falling in love with her; so I ballads, and Mina sang with her heart meant to stop it, and I 'ave," she as well as her voice. wound up with a nod of her head. The outburst of hearty and gener-

enough before she began, but at the

end of the first note of the song her

"What have you done, Tibby?" ous applause startled her. She swept Elisha asked in a low voice. a curtsy and went off the platform. "Never you mind," replied Tibby deand was greeted by the chevalier with

fiantly. "I've stopped it an' that's a nod and a smile of satisfaction and enough. An' now if you don't want annroval any more shrimps, father, you can go "They want some more." he said an' listen to the band. I'll take a cup 'You must go on again. Sing them of tea up to Mina an' try to coax 'er

to come out. She'd stop an' moon in fetches them, for, though they are 'er room all by herself all day, if I'd within an hour and a half of London let 'er." of course, they feel as if they were a

Strangely enough, something did couple of thousand miles from home. turn up. Elislia went sadly down to Go on, my dear! What are you tremthe kursaal, his heart aching for bling about? Just you remember Mina and for his shaken trust in what I told you, and think only of the Leigh-on-Sands. The chevalier was song, and forget that the people are Elisha, presently lifting his bowed

her a turn on the programme, if she La Grippe and Colds In La Grippe and Colds, Anti-kamnia(A-K) Fablets are unexcelled, as they stop the pains, soothe the nerves, and bring the rest Elisha went home to his modest odgings, an old-fashioned cottage pains, soothe the nerves, and bring the rest so greatly needed by nature to restore the system to health. Physicians have used these tablets for over twenty years, in the treatment of colds, fevers and lagrippe, and have found no other remedy more useful in these conditions. Anti-kamnia Tablets are so inexpensive, so pleasant to take, so sat-isfactory in their results, and so useful in all conditions where there is pain, that A-K Tablets abould always be kept in the house way back from the front, and in ormed Mina of the chevalier's offer Her pale face flushed and a light tole into her eyes, of late so dim and stless, and she began to tremble though the heart may seem full

Tablets should always be kept in the house for the time of need. Many of our ablest physicians obtain perfect results in la grippe and colds, by cleansing the system with Ep-som salts or "Actoids", a very good catharof love, thwarted love, there is still som salts or "Actoids", a very good cathar-tic, putting the patient on a limited diet, and administering one A-K tablet every two or three hours. This treatment will usually break up the worst case in a day or two, while in milder cases, ease and comfort fol-low almost immediately. These tablets are also unexcelled for Neuralgia, Rheumatio Pains The Pains of Women. Indigestion "I'll try." she said, in a low voice 'if you think it is any good. Yes, I'll

She began to practice that same Pains. The Pains of Women, Indigestion lay, and a date was fixed for her apa. All druggists have them Genuine A.K Tablets bear the K mark. earance. The chevalier attached so nuch importance to her debut that he

of jugginses. I don't say that two of billed" her all over the place us ain't." she put in darkly: "but he's uge letters, and, on the night angot to take me into account. Three Mina appeared—as Miss pounds a week! Why, Mina will be Veronica Vernon-before a fairly getting more than that presently for large and, fortunately, good-natured a single song, she'll be worth thirty udience. Her heart throbbed as it or forty pounds a week; p'r'aps more so much more. Don't you go an' no agreement, father. No; if he likes to take the management of

Mina in hand he'll have to he satis-She was anxious and nervous fied with a commission, like any other agent. You leave me to talk to

> They did so and to his astonishnent, the chevalier found himself confronted by a woman's wit and sharpness concealed in the form of a weird creature whose face was that of a precocious child, but whose mental acuteness proved more that a match for him. He had to content earnings, and it may be hinted, Tibby's credit, that it was by neans an exorbitant one. Tibby also secured an engagement for Elisha in the chevalier's orchestra during the

terms of Mina's contract. For some reason which has never teen clearly defined, members of the dramatic and musical profession seem to prefer to work under any other 'Home. Sweet Home.' That always names than their own. Under the rather high-flown name. Veronica Vernon, by which the chevalier had means strong, it was decided that she too wise to let her appear too often,

walks about the pretty country round leigh-on-Sands, in which she found pportunities of recalling the past and of futile battlings with a love which would be neither thrust aside by reasoning nor crushed out by de termination

The season is a short one at such places as Leigh-on-Sands; and, imme diately the chevalier's engagement ran out, they started on a provincial tour. Tibby accompanied the others but, of course, not as an idle member of the party. Elisha and Mina would require "looking after" more than ever, and, then, there was the matte of Mina's wardrobe, which Tibby declared would demand nearly all her

Am seventy-two years old.

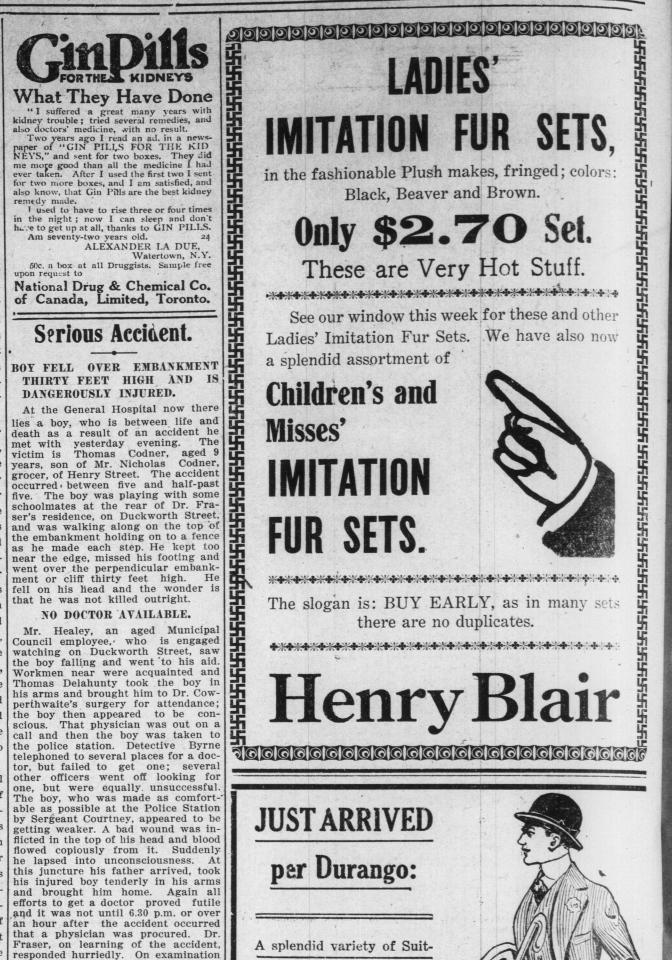

time to superintend, for it is well known by ladies in Tibby's position that an evening dress marked eight guineas in a shop-window may, with cunning and perseverance, be satisfactorily copied at home at a quarter of the cost

One of the first places on their route was Manchester. Of course, "Miss Veronica Vernon" was quite unkonwn in that metropolis not only of commerce but of art; therefore her five. The boy was playing with some name appeared quite modestly in the

programme for a couple of songs only. The hall was a good one and crowded; her appearance immediately prepossessed the audience in her favor, as usual, and her first song was fell on his head and the wonder is that he was not killed outright. received with great admiration. With

second she achieved a marked success; she was not only encored. at the end of the encore-she chevalier's tour-de-force, Home, Sweet Home"-the applause was vociferous, and she was called no back to the platform until, pale and trembling under the strain of the general excitement, she clung to Tibby and refused to appear again.

Now, it chanced that there had other officers went off looking for but were equally unsuccessful. been that afternoon a conference of The boy, who was made as comfortable as possible at the Police Station the local members of the Liberal parby Sergeant Courtney, appeared to be ty at which Lord Chesterleigh was getting weaker. A bad wound was inpresent. He had decided to remain flicted in the top of his head and blood until the next day to address another he lapsed into unconsciousness. At flowed copiously from it. Suddenly meeting, and after he had finished his this juncture his father arrived, took his injured boy tenderly in his arms dinner, he strolled out, the night be- and brought him home. Again all efforts to get a doctor proved futile ing fine. He came upon the concertand it was not until 6.30 p.m. or over hall, and, being passionately fond of an hour after the accident occurred music, went in, and was given a seat that a physician was procured. Dr. Fraser, on learning of the accident, in a private box by the booking-office responded hurriedly. On examination clerk, who recognized him; settling he found that the boy's injuries were such that he could do nothing for him himself, his lordship leaned back and, so he ordered him to Hospital he was immediately taken in the amputting politics away from him, was bulance. The patient is suffering quite prepared to enjoy the music. from a fractured skull and other internal serious injuries and his re-(To be Continued.)

#### had never throbbed when she was singing in the streets, as she looked The Recompense of down upon what, in her unsophistification, seemed like a sea of faces.

head, saw that the conductor was his friend, the old man who had given singing-lessons to Mina. Elisha waited until the programme had been got through and the audience had disnersed then he sought the conductor whose name was Robinson, but who was known at Leigh-on-Sands as Chevalier Sordelli. Robinson, alias Chevalier Sordelli, received Elisha warmly

"By Jingo!" he exclaimed. "The very man I want! Are you staving here, and are you disengaged? I want a first violin-mine's gone on the burst and I should like to sack him You're the very man! Thirty shillings a week and a benefit at the end of the season. What do you say?" Elisha closed at once, hurried back to tell Tibby and Mina of the good ped in. fortune that had befallen him, and,

next morning, took his place in the band, in which his presence was promptly welcomed and his talent as promptly appreciated.

After a time Mina grew strong more than a child in years, a woman enough to go down to the kursaal and of business, capable of meeting the chevalier on equal terms. She had hear the band-that is, Elisha-playseen the effect which Mina's grace ing, and one day the chevalier said to and beauty and her sweet, clear voice Elisha:

"Didn't I see your daughter, Miss had wrought upon the audience, and for herself; she was living in that Mina, among the audience? I thought she, too, saw that Mina was going to past in which Clive had moved as the so. Looked rather pale and lacka- be a success.
