The copy filmed here has been reproduced thanks to the generosity of:

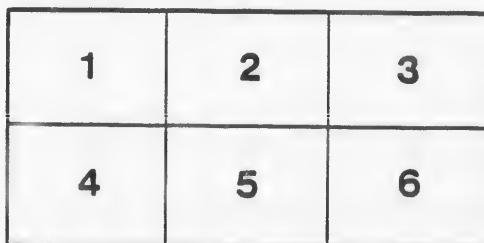

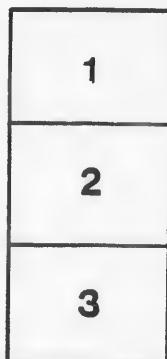

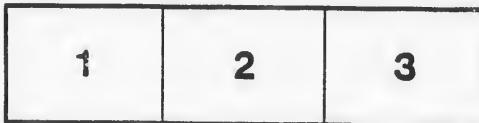

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shell contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originels sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

+ THE +
..PROGRAMME...

The primary idea of this Programme is, of course, to enlighten the audience as to the personnel of the artists taking part in the performances, incidentally to serve as a guide to the plot of the piece, and generally to give such information as will tend to the enjoyment of the auditor.

But there is a fund of information in the advertisements that may be seriously considered with profit.

The publishers are prepared to attend to all business in the way of general and special advertising.

Respectfully,

BELTON & ROOT,
Advertising Agents.

The management reserves the right to refuse admission to anyone.

DOORS open for matinees at 2 p. m.; curtain rises at 2.30 p. m.

Evenings.—Doors open at 7.30, and curtain rises at 8.15 p. m. sharp.

Tickets can be reserved two days in advance without extra charge. Office open from 9 a. m. to 5 p. m.

Seats can be secured by mail, telegraph or telephone. Telephone 732.

Seats ordered by Telephone or in Person, and not called for by 7.30 o'clock on the night of performance, will then be sold to avoid loss to the Theatre.

Physicians are requested to register at the Box Office, leaving seat number as this will enable Ushers to find them, if called for, without disturbing the audience.

Children in arms not admitted to evening performances. Children three years old or over, full price.

Patrons will confer a favor by reporting to the management any incivility or inattention on the part of the employees, and annoyances of any nature.

If the individual members of an audience would stop to think for just an instant, they would undoubtedly appreciate the fact that the habit of rising from their seat and leaving the theatre before the curtain falls, is a most annoying one, and one that should be stopped. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Carriages can be ordered at the Box Office or of the Chief Usher.

For all lost articles, apply at Box Office.

It is strange, but there is a class of people that seem to take an intense delight in bespattering the floor with tobacco juice, and in being boisterous and using profane language. These people should know at once that the courts authorize their immediate expulsion, should the management seem fit to exercise its rights.
