A liberal surrender value in paid-up insurance is provided for in all ordinary policies, in case of forfeiture.

Tontine Savings Fund Policies may be terminated at the close of certain defined periods, on terms more advantageous than upon any other plan. These policies prove more profitable to the policy-holder than any other form of insurance.

Actual examples can be furnished at the Society's Office of persons being insured for ten years, and then, upon terminating their Tontine Policies, receiving cash, in some instances equal to the whole of the premiums paid, in others nearly all.

No technicalities nor arduous conditions in policy contracts.

Policies incontestable after having been in force for three years. All such incontestable policies will be paid at maturity, without rebate of interest, immediately after the receipt at the Society's Office in New York of satisfactory proofs of death, together with a valid and satisfactory discharge from the parties in interest, and without requiring any delay even for sixty or ninety days, as has been the custom heretofore, and is still usual with other companies.

PREFACE.

In presenting our edition for 1882, we would simply state that we have used all possible means to obtain correct information—and if omissions do occur we can scarcely be blamed, as many *refuse* particulars or give them wrongly for (perhaps) obvious reasons.

Owing to the Directory being printed in Montreal and the great changes constantly taking place in Winnipeg, a second revise of the business portion of the City was made for the time the book was in press. The new names will be found in the Addenda.

The Directory shows a great increase over last year. However, I know there are names missed, some of which I am to blame for only by not knowing everybody and how everybody's name is spelled. When you do not find a name your way of spelling, look for my way or their way, if they could spell. While thanking you for your very liberal patronage, I ask the same indulgence as in the past,—commendation for what I have done.

Very respectfully yours,

JAS. HENDERSON,

Compiler Manitoba Directories.

"A very clear exposition of our system of survey, and of the Dominion Lands Law and Regulations."—*Mr. Lindsay Russell, Surveyor General of Canada.*

THE LAND PROSPECTOR'S MANUAL AND FIELD-BOOK.

[ILLUSTRATED.]

FOR THE USE OF

Immigrants and Capitalists taking up Lands in Manitoba and the North-West Territories of Canada.

BY

CAPT. C. W. ALLEN,

OF WINNIPEG.

SECTION CORNER MOUND.

Part I explains "How to Prospect for Land," describing what outfit is really necessary for a trip over the prairie, and detailing the nature of such essential information as may be obtained at a Dominion Lands Office. It also gives plain instructions as to how a surveyed line may be best followed up, and shows how any particular section of a Township can be readily found and identified.

Part II gives full explanations, illustrated by numerous original diagrams, of the System of Survey employed in the North-West. The method of marking the posts (or other monuments) planted by surveyors, to establish the legal boundaries of sections and quarter-sections, is described so clearly that any man who hereafter gets "lost on the prairie" will be considered a fit subject for a straight jacket.

Part III furnishes a concise and intelligible synopsis of the various Dominion Lands Acts, Regulations, and Departmental decisions, with which everyone going to the North-West should be familiar. The chapter defining the legal position of a "squatter" will be read with interest by all who would like to escape the possibility of having their claims "jumped," and the "Useful Hints to Land Prospectors," which occupy the concluding pages, will be appreciated by homestead settlers who desire to be well informed as to their rights and obligations.

Last, but not least, the Appendix will be found replete, the specific information including a full list of the Dominion Lands Offices, rules for conducting correspondence with the Department of the Interior, the Natural zation Law; the Homestead Exemption Acts; and a number of official forms (filled in so as to furnish suitable examples) that anyone taking up Dominion Lands will require to use. Finally, four dozen lithographed skeleton diagrams of townships and sections, upon which a prospector can make personal memoranda (while in the field) for after use by himself or friends. This comprehensive little work of 120 pages, bound in a compact form suitable for pocket use, and also containing numerous advertisements affording information such as is specially required by new arrivals in the North-West, may be obtained at the cost of an ordinary memorandum book, viz.,

TOWN OF ST. BONIFACE.

The town of St. Boniface, opposite the city of Winnipeg, is remarkable for its religious, educational and charitable institutions. It is but natural that it should be so, as St. Boniface has seen the first church, the first school and the first hospital in the country. An iron traffic and passenger bridge, now in course of construction between St. Boniface and Winnipeg, will be opened before the opening of navigation, making St. Boniface virtually a suburb of Winnipeg. Population 1,000. Mail daily.

IS THE OLDEST HOUSE IN THE TRADE.

Their improvements are secured by Letters Patent.

Superior Advantages of our Family Machines.

They are the lightest running machines made, and are nearly noiseless—features which no lady can afford to overlook in the selection of a Sewing Machine.

They have the best Treadle ever attached to a Sewing Machine; are being so constructed as to operate with perfect ease, and without fatigue to the most delicate lady.

They have a device by which the Bobbins can be filled without running the entire machine, thereby relieving it from wear for this purpose, as also relieving the operator of the necessity of removing the work or attachments, as is the case in nearly all machines.

In their construction we have kept in view the known wants of the people :

CONFEDERATION LIFE ASSOCIATION.

HEAD OFFICE, - TORONTO, ONT.

A HOME COMPANY.

President:

SIR W. P. HOWLAND, K.C.B., Late Lieut.-Governor of Ontario.

Vice-Presidents:

Hon. WM. McMASTER, WM. ELLIOTT, Esq., J. K. MACDONALD, Managing Director.

EXAMPLES OF PROFITS:

Policy No. I, for $10,000, Ordinary Life; Premium, $238.20. Profits for 1876—Cash, $74.40, or bonus $217; Profits for 1877—Cash, $90.60 or bonus, $285; Policy No. 7, for $5,000, 10-payment Life, Premium, $259.40. Profits for 1876—Cash, $112.40, or bonus $297. Profits for 1877—Cash, $130, or bonus $333.

The above illustrates the immense advantage we give Policy-holders over the ordinary percentage plan, and it places the CONFEDERATION LIFE ASSOCIATION in the van of life companies in Canada. This position has been attained as follows:—By giving NINETY PER CENT. of the Profits to Policy-holders; by not paying more for business than it is worth; by adopting a high standard of valuation from the outset; by the exercise of care and economy in all branches of the business, and by employing a mode of division just in its results.

PROV. BOARD FOR MANITOBA:—Hon. A. G. B. Bannatyne; George Brown, Esq., Manager Ontario Bank; Wm. Hespeler, Esq., Dominion Immigration Agent.

LETTER RATES.

Between places within the Dominion..... 3 cts. per ½ oz.
Between Canada and the United States..... 3 cts. per ½ oz.
Between Canada and Newfoundland ..... 5 cts. per ½ oz.
Between Canada and the United Kingdom..... 5 cts per ½ oz.
Prepayment must in all cases be made by postage stamp.

REGISTRATION FEES.

Within the Dominion .....2 cts. each letter.
To the United States.....5 cts. each letter.
To Newfoundland .....2 cts. each letter.
To the United Kingdom.....5 cts. each letter.

These registration fees are, of course, in addition to the postage, and must be prepaid by registration stamps.

N.B.—Registration stamps cannot be accepted in payment of postage.

DISPOSAL OF UNPAID OR INSUFFICIENTLY PAID LETTERS MAILED IN CANADA.

If for places within the Dominion.—A letter wholly unpaid is not forwarded, but is sent to the dead letter office, Ottawa. If prepaid, at least one rate, that is 3 cents, the letter is forwarded to destination, but is rated with double the deficient postage. This rule applies also to city or "drop" letters, the postage on which is 1 cent per ½ ounce.

If for the United States.—A letter, whether wholly unpaid, or insufficiently paid, is not forwarded from Canada, but is sent to the dead letter office, Ottawa, in order to be there opened and returned to its writer. All classes of mail matter for the United States registered on payment of 5 cents in stamps.

If for the United Kingdom or for any country in the General Postal Union.—A letter wholly unpaid is forwarded, but is rated with double postage, that is 5d sterling per ½ ounce.

If for British Colonies or foreign countries not in the General Postage Union.—A letter, whether wholly unpaid, or only insffiuciently paid, is sent to the dead letter office, Ottawa.

LOCAL OR "DROP" LETTERS

One cent per ½ oz., to be prepaid by postage stamps.

POSTAL CARDS.

Canadian postal cards of one cent each circulate within the Dominion, and are transmissible, without further charge, to the United States and Newfoundland.

Special post cards, at two cents each, are issued for transmission to the United Kingdom, and other countries in the General Postal Union.

Newspapers.—Between places in the Dominion, to the United States, to Newfoundland, publishers prepay their edition in bulk, at the rate of one cent for each pound weight; no further charge on delivery. Transient newspapers within the Dominion, to the United States and Newfoundland, one cent per four ounces to be prepaid by stamp. Transient papers for the United Kingdom, two cents per 4 ounces—each paper being liable to a separate rate of postage.

Periodicals.—Published in Canada not less frequently than once a month, sent from office of publication, or from news agencies, for places in the Dominion, to the United States or to Newfoundland, the postage rate is the same as for newspapers, i.e., one cent per lb. when paid by the bulk weight. Transient periodicals one cent per 4 oz. Newspapers and periodicals for the Dominion, the United States and Newfoundland, weighing less than one oz. each may be posted singly; if prepaid by stamp ½ cent each.

Periodicals and books for United Kingdom, by Canadian Line, are subject to the British Book Post Rate, viz: —2 cents per 2 oz. or fraction thereof, whether by Canadian Line or *via* New York; the limit of weight for a single packet is 2 lbs. 3 oz.

Periodicals and books for France.—The rate is the same as to the United Kingdom. Newspapers to France and samples are sent at the above "French Book Post" rates.

A "book packet" may contain any number of separate books, publications, works of literature and art, maps or prints, photographs, daguerreotypes, when not in glass or in frames containing glass; any quantity of paper, vellum or parchment (to the exclusion of letters), and the books, maps, papers, etc., may be either written, printed or plain, or any mixture of the three, and may be either British, Colonial or Foreign. Book packages must be open at both ends or both sides.

Patterns.—Rates between Canada and United Kingdom and foreign countries generally, same as for Book Post.

Patterns or samples must be *bona fide* trade patterns or samples of merchandise for sale, and must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

Patterns, etc., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck; or, provided that bags be transparent, they may be entirely, closed if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts. Patterns and samples of merchandise, not exceeding the weight of 8 ounces, addressed to the United States, may be sent at the rate of 10 cents for each package.

A packet of patterns or samples sent to the United Kingdom or any foreign country, must not exceed 24 inches in length and 12 inches in width or depth. The limit of weight is 8½ oz. in all cases.

Parcel Post.—The following rates are for the transmission of parcels in Canada:

For each parcel weighing not more than 4 oz.....	6 cents
Exceeding 4 oz. and not exceeding 8 oz.....	12 cents
For each additional 4 oz. or fraction thereof.....	6 cents

Registration fee, 5 cents. Parcels can only be sent by post to places in Canada. Postages and registration fee must be prepaid. The limit of weight to parcels is 5 lbs.

There is no Parcel Post to any place beyond the limits of the Dominion of Canada. Parcels to Manitoba and British Columbia must not exceed 2 lbs. 3 oz. in weight.

Parcels weighing 4 lbs. may be forwarded to and from Winnipeg only.

This does not affect other places in Manitoba or the N.W.T.

Letters for registration must be mailed 15 minutes before the hour of closing.—Office hours —8 a.m. to 7 p.m. Money Order Business, 10 a.m. to 4 p.m.

Stamps sold in lobby of Post Office instead of the general wicket.

The postage stamps sold in Winnipeg for use in the city in the last three months of 1880 reached these figures:—Oct., $1,312; Nov., $1,559; Dec., $1,604—Total for the three months, $4,475. The sales of stamps for the same purpose during the three last months of the present year are:—Oct., $2,528; Nov., $2,975; Dec., $3,370—Total, $8,873. These figures, if they prove anything, show conclusively that the business of the Winnipeg post office in 1881 is double that which it was in 1880. The mail matter posted in Winnipeg for the week ending Sept. 18th, 1880, was as follows:—

Number of letters posted.....	9,831
Number of cards posted.....	739
Number of newspapers posted.....	1,436
Number of book posts posted..	820
Number of parcels posted.....	50
Number registered letters posted.....	276
Total.....	13,152

The same business for 1881 for the week ending Sept. 17 is recorded as follows:—

Number of letters posted.....	18,750
Number of cards posted.....	2,475
Number of newspapers posted.....	3,089
Number of book posts posted.....	754
Number of parcels posted.....	84
Number registered letters posted.....	276
Total.....	25,572

This is exclusive of free letters and newspapers mailed from the offices of publication. We have taken these figures from the month of September in each year—the month in which the smallest business is done in the whole year—and the result goes to show that the business was doubled in 1881 as against that of 1880. There is the same or greater increase in the money order and registered letter departments.

CHURCH OF ST. BONIFACE.

The first place of worship built in the country was erected by Rev. J. N. Provencher at St. Boniface in 1818. It was a very modest wooden construction, and was replaced five years later by a chapel in a more suitable form. In 1830 the Right Rev. J. M. Provencher, founder of St. Boniface mission, who had eight years previously been raised to the Episcopal dignity, began the construction of first stone church, the fine cathedral which was, in 1860, destroyed by fire.

The present cathedral was erected by Archbishop Taché. The exterior is not yet finished, but it shall be next year by several additions, notably of a steeple. The church is of stone, the front being of white cut-stone. The interior, though plain, is of good design and pleasing aspect. There is in the cathedral of St. Boniface a superb pipe organ of 24 stops, 2 manuals and 1 pedal. One is surprised at seeing such an instrument introduced into the country before there were railway facilities, and it ought to be so much the more gratifying to the people of St. Boniface as it is a present to their devoted Archbishop from his friends of the Province of Quebec. The organ was built by Mr. Mitchell of Montreal.

Near the cathedral is the Archbishop's palace, with a beautiful grove of trees and tastily laid-out grounds surrounding. The personnel of the palace, along with His Grace the Archbishop, are: the very Rev. J. Tissot, V.G, O.M.I., Rev. A. Maisonneuve, O.M.I., commissary for the Bishops of the North-West; Rev. George Dugast, Rev. J. McCarthy, O.M.I., Rev. J. B. Dufresne. And as his Grace gives hospitably to not only the sick clergy of His Archdiocese but to those of the whole Province of St. Boniface two missionaries from the North-West are now sharing this hospitality, viz., Rev. Z. Gascon, O.M.I., and Rev. J. Legoff, O.M.I.

SCHOOLS OF ST. BONIFACE.

The town possesses two superior educational establishments, the College of St. Boniface for boys and the Academy for girls.

COLLEGE OF ST. BONIFACE.

A school or college established in 1818, and incorporated as a college in 1871; was affiliated to the University of Manitoba at the time of the latter's creation.

Rev. J. M. Provencher, who was afterwards elected 1st bishop of St. Boniface, opened the first regular school in the country in 1818 in his own residence. Having hardly room enough for himself in his small house, he nevertheless gathered. Half-breed children and taught them reading and writing. Some of his scholars were even taught classics, and with such success that the Rev. S. J. N. Dumoulin, in a letter dated March 10th, 1824, and lately published, could state that "several children were already advanced in Humanities."

The present buildings have been erected by his Grace the Most Rev. Alex. Taché, D.D., O.M.I., Archbishop of St. Boniface, who is patron of the institution.

The new college just completed is beautifully situated in the centre of a grove at St. Boniface, opposite the city of Winnipeg, and adjacent to the railway station. It is the most spacious and magnificent educational building in the Province of Manitoba, constructed with strict regard to health and comfort, being lighted by gas, heated by hot-water furnaces, and supplied by water works of its own. The building is of stone and brick having four stories, containing 33 airy and well-ventilated apartments, consisting of two large dormitories, a chapel, study hall, ten class-rooms, two parlors, dining hall, spacious recreation hall, and sixteen private rooms. The spacious park, comprising 21 acres, surrounding the college, forms a delightful play-ground for the students.

The course of studies embraces all that is necessary to fit a young man for industrial, commercial and scientific pursuits. It includes, besides the elementary education in French and English, all the branches of science required by the University programme for taking degrees, thus preparing the students for the study of the liberal professions.

The Faculty of Theology is also attached to the Establishment.

Corporation of the College of St. Boniface.—His Grace the Most Rev. A. Taché, archbishop of St. Boniface, Rev. A. A. Cherrier, B.S., principal, Rev. G. Dugast, Rev. J. T. Lavoie, O.M.I., and Rev. Joseph McCarthy, O.M.I.

Faculty.—Rev. A. A. Cherrier, B.S., professor of Divinity and general superintendent of studies; Rev. Gabriel Cloutier, professor of Mental and Moral Philosophy and higher Mathematics; Rev. Stanislaus Moreau, professor of Natural Sciences and French Literature; Rev. T. Quevillon and Rev. J. B. Dufresne, professors of Classics and Modern Languages; Messrs. Remi Meloche and A. H. Morin, professors of English Literature and English Commercial Course; assistant teachers, Rev. T. L. Réné, Messrs. Joseph Messier, J. O. Barrett and A. Berubé.

Prefects of Discipline.—Rev N. Jutras and F. Brouillard; Instrumental Music, Mr. François Boucher (celebrated violonist).

Rev. Julien Doucet, bursar and steward.

His Grace Archbishop Taché, in addition to building the college, has founded several scholarships in favor of promising students. His Excellency the Governor General of Canada grants yearly a medal of honor to the most successful student in Greek.

The Collegiate year comprises two terms, the first beginning in August and the second in February.

ST. BONIFACE BOARDING SCHOOL FOR YOUNG LADIES.

This institution does for the girls of St. Boniface what the College does for the boys. It gives a refined education, and is conducted by the Sisters of Charity. English, French, music, drawing, plain and fancy needle work, and every thing required for a complete female education, are taught in this excellent institution. The modest appearance of the building does not convey the idea of the perfection to be acquired within, but it is to be soon replaced by a construction more in accordance with the value of the work. Many of the most accomplished ladies of Manitoba and of the North West received their education in this convent. It counts 35 boarders, and over 100 day scholars join with them in the classes. Rev. Sister Royal, Directress, and the Rev. Sisters Dunn (Mary Xavier), McDougall, Desnoyers, Bourassa, Truteau, Brouillet, and Samson are in charge of the different departments.. This most useful academy counts over 36 years of existence, and was founded when Manitoba was but a wilderness, and is situated in a very pleasant spot on the bank of Red River.

CHARITABLE ESTABLISHMENTS IN ST. BONIFACE.

Besides their schools, the Sisters of Charity of St. Boniface are largely engaged in charitable works, embracing four different departments, viz.: an orphanage, a refuge for the aged and infirm, visitation of the sick at home and in hospital.

ORPHANAGE.

This ward contains from 30 to 40 little girls of various nations and tribes, who receive the kindest treatment and most useful training. Rev. Sisters Boire and Derome are in charge of this department.

REFUGE.

Seven invalids occupy this ward, and are under the care of Rev. Sister Cusson.

VISITATION OF THE SICK.

Many families are benefited by this ministration of the Sisters of Charity by day and night, in cold and warm weather; the good Sisters are always ready to go to the bedside of sufferers to comfort and attend them. Several families of Winnipeg as well as of St. Boniface reap the fruits of this work of mercy. All the members of the Sisterhood not unavoidably engaged in other offices in the house share in the merits and fatigues of this branch of occupation.

The main building in which the Sisters reside was erected by the late Right Rev. J. N. Provencher in 1847. It was at the time the finest building in the country. The house is at present the habitual residence of 20 professed sisters and 6 novices. The principal officers of the house are: Rev. Mother Hamel, superioress; Rev. Sister Lamy, assistant, and mistress of novices; Rev. Sister Curran, secretary, and Rev. Sister St. Placide, bursar.

The Convent of St. Boniface, generally known as the General Hospital of St. Boniface, is the Mother House of the Convents of St. Francis Xavier, St. Norbert, and St. Vital. The Superioress has also jurisdiction over the Convents of St. Albert, Lac la Biche, Isle a la Crosse, Athabasca, and McKenzie River.

ST. BONIFACE HOSPITAL.

The Sisters of St. Boniface have an hospital for curable patients, and its eleven beds are almost constantly occupied by sick of different creeds, nationalities and localities. Rev. Sister Cleary is at the head of this department, assisted by Rev. Sister St. Ann, and when necessary by other members of the Sisterhood.

The following are the names of the officers and members of the Executive Council of the Society:

PUBLIC LIBRARY.

During the year, after many requests from citizens interested in the matter, the council agreed to undertake the formation of a public library for the benefit of the citizens. Mr. W. H. Hughan, a gentleman having a considerable acquaintance with libraries, was found willing to undertake the work. In a canvass, $1,800 was obtained in subscriptions and $500 from the City Council. A large number of books have been ordered, and still other works of reference are being selected. The library is now open for the use of the public.

The following is a list of the books with which the society hopes to begin. New books will be added as they come from the press and can be obtained.

ORANGE GRAND LODGE.

There is a Provincial Grand Lodge, 4 County Lodges and 13 Subordinate Lodges in the Province. We have been unable to obtain the names of the lodge officers.

—

MORRIS is situated on the west bank of Red River, at its confluence with the Morris (Scratching) River, nearly midway between Winnipeg and the International Boundary, being forty miles south of Winnipeg and twenty-four north of the Boundary. The town site was surveyed into lots in 1877, at that time the only buildings being a stopping place and store, since which the number of buildings that have been erected are over one hundred, the population being between six and eight hundred. No finer site for a town could be found in the Province, being located on ground sloping gently back from the two rivers which provide first-class drainage. The town is surrounded by what can be termed the garden of Manitoba, farm lands within a short distance of the town having already changed hands at from $12 to $20 per acre. The different businesses and industries which are represented here at the present time are a large flour and grist mill, with four run of stones, a large saw and planing mill capable of turning out 12,000 feet of lumber per day, four general stores, a wholesale liquor store, a hardware store and tin shop, a boot and shoe store, a merchant tailor, a harness shop, a stationery and fancy goods store, a weekly newspaper, printing office, a furniture store, two lumber yards, two brick yards, a blacksmith and carriage shop, a painter, four builders and contractors, two livery stables, four grain buyers, each having a large storehouse, a bakery, four loan and insurance agencies, three first-class hotels, four churches, each having a resident minister, several agricultural implement agencies, and one of the finest two-storey brick school houses in the Province with a first-class teacher, also a large number of private residences. Morris has also been chosen as the county town, the county buildings and registry office to be erected the present year. Steamboats plying between Winnipeg and Emerson call daily each way. The South Western branch of the Canadian Pacific Railway runs within five miles of the town, and a charter has been applied for from the local Government for a line running from Winnipeg to the boundary, through Morris and west to Portage la Prairie and the western boundary of the Province, and east to connect with the Winnipeg and Duluth Railway, which will make the town a railway centre. It is now the fourth town in the Province, and is bound to be a thriving city at no distant date.

MANITOBA MUNICIPALITIES.

Organized by Act of Parliament 43 Vict. cap. 1.

Under the above Act the Province was divided into 26 municipalities. The following are the boundaries of each, with such information as we could obtain. NO. 12, OR REINLAND.

Comprises that part of the Mennonite Reserve in the counties of Dufferin and Morris not included in Morris or South Dufferin. The council is elected by a general vote of the electors as follows, tp 1, rg 1 E, tp 1, 2, 3, rg 1, 2, 3, 4 W, and two Eastern sections in tp 1, 2, 3, rg 5 W.

The Mennonite Reserve west of Emerson comprises seventeen townships, and commences about six miles west of the town and extends forty miles westward. It contains a population of nearly four thousand people, divided among thirty-four villages, in some of which are small stores, while there are churches and school houses, a steam grist mill and a grist mill of which the motive power is a windmill. The first settlement was made in 1876. The population of the reserve in 1879 was 2,841 souls, and in that year the total amount of grain raised was a little over 200,000 bushels, while the value of their stock and implements was $140,000. It will be seen that the amount of *surplus* grain 1880—that is, grain over and above what is needed for seed and home consumption—amounts to nearly 300,000 bushels, while the value of their stock and agricultural implements amounts to nearly $400,000, showing a wonderful increase.

St. Lawrence Hall, Montreal.

ST. LAWRENCE HALL.

For the past thirty years this Hotel, familiarly known as the "ST. LAWRENCE," has been a "household word" to all travellers on the continent of North America, and has been patronized by all the Royal and noble personages who have visited the City of Montreal.

This Hotel has been recently re-taken by HENRY HOGAN, the former proprietor, who has handsomely and appropriately decorated and renovated the interior, and completely re-fitted the whole of the apartments with new furniture.

The Hotel is admirably situated, being in the very heart of the City, and contiguous to the General Post Office, the principal Banks, Public Buildings, Law Courts, Commercial Exchanges, Railway and Telegraph Offices.

The Hotel will be managed by Mr. SAMUEL MONTGOMERY, under the immediate personal supervision of Mr. HOGAN, than whom no one is better qualified to conduct an hostelry of such magnitude as the St. Lawrence Hall, and than whom no one has gained a better reputation as an obliging, generous and considerate host.

SHOULD ADVERTISE IN THE

Journal of Commerce,

Which has now a *bona fide* circulation extending regularly to

EVERY TOWN AND VILLAGE

THROUGHOUT THE DOMINION,

This circulation is not confined to one or more hotels in each place, but is subscribed for in the regular way by each Merchant and Manufacturer. The *JOURNAL OF COMMERCE* is fufilling its mission in supplying wholesale Merchants, Manufacturers, Insurance Companies, &c., with a *First-Class Commercial Journal*, having a circulation among the business men of Ontario, Quebec, the Maritime Provinces, Manitoba, the North-West and British Columbia, second to none. The interests of our subscribers are continually borne in mind in furnishing them with the latest and most reliable information concerning the fluctuations in market prices at Montreal, Toronto and other trade centres, and on all matters necessary to their business welfare, rendering it worth to each ten times the price of subscription. The growing demand for back numbers is a proof of its permanent value as a work of reference.

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE

Great Connecting Link between the East and the West!

Its main line runs from Chicago to Council Bluffs and Omaha, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell and Des Moines (the capital of Iowa), with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth and Atchison; Washington to Sigourney, Oskaloosa and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independent, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe and Des Moines; Des Moines to Indianola and Winterset; Atlantic to Audubon, and Avoca to Harlan. This is positively the only Railroad which owns, controls and operates a through line between Chicago and Kansas.

This Company own and control their Sleeping Cars, which are inferior to none, and give you a double berth between Chicago and Council Bluffs, Leavenworth, or Atchison for Two Dollars and Fifty Cents, and a section for Five Dollars, while all other lines charge between the same points Three Dollars for a double berth, and Six Dollars for a section.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining and Restaurant Cars that accompany all Through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for seventy-five cents; or you can order what you like, and pay for what you get.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the enormous passenger business of this line warranting it), we are pleased to announce that this Company runs its PALACE SLEEPING CARS for Sleeping purposes, and its PALACE DINING CARS for Eating purposes. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Leavenworth and Atchison, connections being made in Union depots.

The Principal R. R. Connections on this Great Through Line are as follows:

At CHICAGO, with all diverging lines for the East and South.

At ENGLEWOOD, with the Lake Shore and Michigan Southern and Pittsburg, Ft. Wayne & Chicago Railroads.

At WASHINGTON HEIGHTS, with Pittsburg, Cincinnati & St. Louis R. R.

At LA SALLE, with Illinois Central R. R.

At PEORIA, with P., P. & J.; P., L. & D.; I. B. & W.; Ill. Midland; and T., P. & W. Railroads.

At ROCK ISLAND, with Western Union R. R. and Rock Island & Peoria Railroad.

At DAVENPORT, with the Davenport & North-Western R. R.

At WEST LIBERTY, with the Burlington, Cedar Rapids & Northern R. R.

At GRINNELL, with Central R. R. of Iowa.

At DES MOINES, with D. M. & Ft. Dodge R. R.

At COUNCIL BLUFFS, with Union Pacific R. R.

At OMAHA, with B. & Mo. R. R. R. (in Neb.)

At COLUMBUS JUNCTION, with Burlington, Cedar Rapids & Northern R. R.

At OTTUMWA, with Central R. R. of Iowa; St. Louis, Kan. City & Northern and C. B. & Q. R. Rds.

At KEOKUK, with Toledo, Peoria and Warsaw; Wabash and St. Louis, Keokuk & N. W. R. Rds.

At BEVERLY, with Kan. City, St. J. & C. B. R. R.

At ATCHISON, with Atchison, Topeka & Santa Fe.; Atchison & Neb. and Cen. Br. Union Pacific R. Rds.

At LEAVENWORTH, with K. P. and K. Central R. Rds.

PALACE CARS are Run Through to

PEORIA, DES MOINES, COUNCIL BLUFFS, ATCHISON & LEAVENWORTH.

Tickets via this Line, known as the "Great Rock Island Route," are sold by all Ticket Agents in the United States and Canada.
