[ADVERTISEMENT.]

THE EDITORS OF "THE YEAR BOOK AND ALMANAC OF NEWFOUNDLAND" regret much that unforeseen circumstances have delayed its publication to this late date. It will be issued in future about the beginning of December in each year. The size to which the work has extended renders it necessary, in order to ensure its issue at the time named, that Outport orders, advertisements, and communications should be sent in not later than the middle of October. St. John's orders, advertisements, &c., will be received till 1st November.

Address,—marked "ALMANAC,"

F. C. BERTEAU,
St. JOHN'S.

INTRODUCTION.

WE venture to believe that the Public will deem no apology necessary for the publication of a work which makes an honest and laborious attempt at fulfilling the most necessary requirements of an Almanac—fulness and accuracy. We do not pretend that we have exactly accomplished our object, some omissions and some inaccuracies will doubtless be discovered in our work. We trust that a friendly Public will make us aware of these defects, so that they may be remedied in subsequent editions. We are anxious to receive all suggestions which may make the work more valuable in the future, and shall always be ready to acknowledge and act upon them. To those gentlemen who have aided us in our undertaking we offer our hearty thanks.

All communications addressed to F. C. BERTEAU, Corresponding Editor of the Almanac, will receive our best attention.

THE EDITORS.

ST. JOHN'S, NEWFOUNDLAND, FEBRUARY, 1887.

A Representative Assembly was first granted to this Colony in 1832, under the Governorship of Sir THOMAS COCHRANE. By the Constitution nine Districts were established, returning fifteen members, who were to hold their seats during His Majesty's pleasure. In 1836 the members of the Assembly were elected for four years, and this term has been adhered to since that date.

In 1854, upon the granting of Responsible Government, the number of the members was increased, at the instance of the Imperial Government, to thirty. In 1874 the membership was further increased to thirty-one, by the addition of one member to the number of those representing the District of Twillingate and Fogo.

In 1882 the number of members was increased to thirty-three, by the erection of St. George and St. Barbe into Districts, with one member each. In 1885, after the publication of the Census of 1884, a partial re-distribution took place. The District of Twillingate and Fogo was divided, Twillingate retaining three members, Fogo was given one. Bay-de-Verds, which was made to include a part of Trinity District, was allowed an additional member, as was also Harbor Grace. These alterations increased the number of members to thirty-six.

Point à Leconte Light, situate on the Southwest Point of the Island of Dogs, 62 feet above the level of the sea, visible 7 miles. The light shows white between the bearings (from the tower) of S. E. $\frac{3}{4}$ S. and S. $\frac{1}{4}$ W. This white sector of the light marks the South East passage, so as to permit vessels which keep within this cove to avoid the Bataille shoal on the right and Cape Noir and Bertrand rocks on the left. It shows red from S. W. $\frac{1}{4}$ W., Westward, to N. W. $\frac{1}{2}$ W., and should be avoided by vessels entering by the S. E. passage. It will enable them when they have quitted the white cove to come to an anchor in the Roadstead or in the Barachois, by following the line of white light from Point aux Canons, and of the red light from the interior of the town.

Letters for Canada should be addressed to the Province as well as the Post Office.

Letters for the United States should be addressed to the State as well as the Post Office.

Letters containing gold or silver money, jewels, or anything liable to Customs' duties, cannot be forwarded by Post beyond the Colony. In the Colony they will be charged double rates. Always seal letters containing anything of value.

have been used before or not, will be sent to the Dead Letter Office for adjudication.

Unpaid and insufficiently paid letters, both local and foreign, will be charged, on delivery, with double the amount of postage unpaid.

RE-DIRECTED LETTERS.

Letters re-directed to places in Newfoundland, Great Britain, Canada, and the United States, without being taken out of the Post Office, are not liable to any additional postage.

REQUEST LETTERS.

Letters addressed to persons in Newfoundland when sent in envelopes having written or printed thereon a request from the sender, that the letter if not delivered at the office addressed within a certain time specified in the request, may be returned to his address as requested, will be returned to the sender at the expiration of the time specified.

Newspapers over two ounces are charged as books.

REGISTRATION.

Every letter and packet intended for registration must be handed in at the wicket, and a receipt obtained therefor. On no account should it be dropped into the letter box.

Registered letters containing coin, &c., will be forwarded in the Colony only, charged with double registration fee. Always obtain a receipt for registered letter or packet. (See above.)

Policies for Insurance against Loss or Damage by Fire are issued by the above well-known, long-established English Office, on the most Liberal Terms.

A. S. RENDELL, Agent.

Sun Life Assurance Company of Canada.

Unconditional Incontestable Life Policies.

ASSETS ABOUT \$1,500,000.

THE objection is very often made to Life Assurance that the Company may take advantage of some of the numerous and complicated conditions on the policies, and thus either avoid entirely the payment of claims, or compromise with the widow for a small sum. There is considerable force in this argument, but it cannot be urged indiscriminately against all Companies. The Sun Life Assurance Company of Canada issues absolutely unconditional policies. There is not one restriction of any kind on them. The assured may reside in any part of the world without giving notice or paying one cent of extra premium. He may change his occupation at will; he may travel, hunt or do anything else without any extra of any kind. The contrast is remarkable with other policies. Ask an Agent to show you one; it speaks for itself. Remember THE SUN is the only Company in America which issues an absolutely unconditional policy.
