## REPORT OF COMMITTEE ON STATISTICS.

Your Committee begs leave to report, that a resolution from the Waterloo District, recommending changes in the present Schedules, as issued from the Book Room, has been considered, and, with a view to bringing the matter before the General Conference, it is respectfully referred to the next Annual Conference.

Finding this year some improvement on the previous year's, but that there are still some cases of incomplete returns, your Committee kindly urges the advisability of having the District Schedules ready for publication before coming to Conference, in which case the Committee on Statistics will be able to present their completed report to the Conference not later than the morning session of the second day.

There is an increase in the total membership of 1,441.

## REPORT OF THE COMMITTEE ON THE STATE OF THE WORK.

Your Committee, having carefully examined the condition of the various financial and spiritual interests of the Church, in connection with the work of the past Conference year, has much pleasure in reporting as follows:—

1st. That the various connexional funds have generally been well sustained, and in some instances a considerable increase is reported.

2nd. That by the Divine blessing upon the regular preaching of the Word, and the special evangelistic services held on many Circuits, there is a very considerable increase in Church membership; and that among the subjects of grateful rejoicing in that regard are the continuous manifestations of gracious converting power in connection with the work of the ministry, and the large proportion of our membership who are rejoicing in the clear witness and abounding grace of full salvation.

3rd. That there is a most gratifying increase in the number of our Sabbath-schools, the aggregate attendance of pupils, the circulation of our own periodicals, the volumes in our libraries, the number of pupils who have signed the total abstinence pledge, and, best of all, in the number of conversions among the pupils during the year. A great work for our country, for Methodism, and for the kingdom of Christ, is being done in this department of our labours.

4th. That there is on all our Circuits and Missions a conviction, constantly growing wider and more intense, of the paramount importance of higher education, and an unfaltering determination to perpetuate in our educational policy the union of careful religious instruction and oversight with the most liberal intellectual culture.

5th. That there is cause for devout thanksgiving in the success which has attended the labours of our ministry in the promotion of the passage of the Scott Act; and further, abundant occasion for justifiable pride in the fact that the success of the prohibition campaign throughout the whole Dominion has been so largely due to the aggressive attitude and earnest labours of the Methodist Church.

6th. That there is cause for devout thanksgiving in the tidings of prosperity from our Foreign, Domestic, French, and Indian mission fields; and that in the latter, amid the confusion, disaster, and bloodshed of a foolish and wicked rebellion, the Christianity and loyalty of our converted Indians have been so nobly vindicated; and that the providence of Almighty God has guarded the lives of our missionaries and the general interests of our cause.

In conclusion, your Committee respectfully submits the following recommendations:—

That, so far as possible, arrangements be made at the Financial District Meetings for revival services on all the Circuits and Missions of each District, and that deputations of the brethren be appointed to assist at the same.

That a deputation consisting of the District Superintendent and two laymen from within the bounds of the District be appointed to visit each Circuit or Mission from which a deficiency is reported for the past year, and confer with the Official Board and the people generally with a view to securing more liberal contributions towards pastoral support.

That in all political elections held within the bounds of this Conference for the return of members of the House of Commons, our ministers and people shall consider themselves solemnly obligated, in loyalty to the Church and the State, to God and to humanity, to refuse their support to every candidate who is not pledged to maintain in their integrity the laws which guarantee to us the sanctity of the Christian Sabbath, and the right and power to totally prohibit the licensed liquor traffic.

G. H. DAVIS, *Chairman.*

G. H. PORTER, B.A., *Secretary.*

#### REPORT OF THE SABBATH-SCHOOL COMMITTEE.

In submitting the Annual Report your Committee find that gratifying progress has been made in almost every department of our Sabbath-school work.

We note an increase in the number of teachers, Sabbath-school scholars, and average attendance.

The circulation of our Sabbath-school papers has increased over 30 per cent.; and we find that many more of our schools are using the catechism; still there is great room for improvement in this respect.

We are glad to find that there is a large increase in the amounts raised for missions and for Sabbath-school purposes.

It is especially gratifying to report a large increase in the number of conversions during the year and in the number meeting in class.

The temperance agitation, which has so stirred the public mind of our country during the year, has evidently found its way into our Sabbath-schools, as we find a good increase in the number of those who have taken the total abstinence pledge.

Your Committee recommend that where possible our schools be kept open during the whole year, and that an earnest effort be made to introduce our own Sabbath-school literature in all our schools.

We have only one regret, that it is not found possible to organize schools at all our preaching appointments; and wherever it can be done, we would urge the extension of this work.

In summing up the Sabbath-school work of the year we thank God and take courage.

JAMES HENDERSON, *Chairman.*

## REPORT OF EVANGELISTIC SOCIETY.

TO THE MEMBERS OF THE EVANGELISTIC SOCIETY OF THE MONTREAL  
CONFERENCE OF THE METHODIST CHURCH:

DEAR BRETHREN,—At the close of the third year of your Society's existence, your Evangelist, in presenting his report, desires to express his devout gratitude to Almighty God for the mercies vouchsafed. Not an appointment has been missed through ill-health or any other circumstance. The following places have been visited during the year, viz.: Vankleek Hill, Pembroke, North Gower, Dunham, Clarenceville, Granby, Waterloo, South Stukely, Melbourne, Brockville (George Street), Mallorytown, Toledo, North Augusta, Portage du Fort, Ottawa (King Street), Delta, and Winchester Camp-meeting. In every place much good has been done; and in some places remarkable revivals of religion have taken place.

Your Evangelist desires to express his thankfulness to the brethren in charge of the places where he laboured, for the exceeding kindness shown, and the hearty co-operation of the people generally.

He would also mention the great sympathy and interest in his work of the Secretary-Treasurer of the Society, the Rev. A. B. Chambers, LL.B.

All of which is respectfully submitted.

D. WINTER, *Evangelist.*

The foregoing report was read by the Agent of the Society, and adopted by the Conference.

The Rev. A. B. Chambers, LL.B., read the financial report of the Evangelistic Society, which showed that the Circuits where the

Evangelist had laboured had contributed \$783.40, and the members of the Society \$104, leaving a deficiency on the year's operations of \$181.99.

The following recommendations from the Society were adopted by the Conference:—

1. That the Society be continued.
2. That the Stationing Committee be requested to appoint the Rev. D. Winter Agent of the Society.
3. That the Montreal ministers be a committee to direct the movements of the agent.

#### REPORT OF COMMITTEE ON CHURCH PROPERTY.

The Church Property Committee respectfully submit the following as their Report on the several cases submitted by the Conference:

##### REPORT No. I.

##### MONTREAL DISTRICT.

*St. Leonards.*—Your Committee recommend that permission be granted to the Trustees to sell the old Methodist church in the neighbourhood of St. Leonards, proceeds to be applied to Church improvement on the Montreal Third Circuit.

*Huntingdon.*—Your Committee recommend that permission be granted to the Trustees to sell the parsonage of the Circuit, the proceeds being applied towards the erection of a new parsonage on that Circuit.

*Lachute.*—Your Committee recommend that permission be granted to the Trustees of parsonage lot to sell the same, applying the proceeds towards the reduction of the debt on the church in said Circuit.

*Montreal 6th.*—Your Committee recommend that the Trustees of the Sherbrooke Street Church be permitted to sell the vacant lot on the N. E. of the church, applying the proceeds towards a reduction of the debt thereon,—the remonstrance from certain of the Trustees having received consideration.

##### KINGSTON DISTRICT.

*Sydenham.*—Your Committee recommend that permission be granted to the Trustees to sell both parsonages on the Circuit, the proceeds to be applied towards the purchase of another parsonage. Also that the vacant lot be sold, applying proceeds to the parsonage.

*Seeley's Bay Circuit—Eatonville Church.*—Your Committee recommend that permission be given to the Trustees to sell accord-

ing to the direction given by a joint meeting of the Trustees and the District Committee, or to dispose of it to the Circuit authorities to be used as a parsonage, on condition that the Circuit pay the Trustees the amount of debt now upon the church.

*Verona.*—Your Committee recommend that permission be given to the Trustees of the late Primitive Methodist Church to sell the same, proceeds being applied towards purchasing a parsonage. Also that permission be given to the Trustees to sell a certain portion of their church lot, proceeds to be applied towards adding to the lot in another direction.

*Gananoque.*—Your Committee recommend that permission be granted to the Trustees of the late M. E. Church to sell the property, proceeds to be applied towards debt on the church now occupied by the united congregation.

*Collinsby Circuit—Bath Road Church.*—Your Committee recommend that permission be granted to sell the Bath Road Church, applying the proceeds towards the debt on the parsonage.

*Lansdowne West Circuit.*—Your Committee recommend that permission be granted to sell the parsonage property, applying proceeds towards debt.

#### BROCKVILLE DISTRICT.

*Addison.*—Your Committee recommend that permission be granted to the Trustees of the late C. M. Church in the village of Addison to dispose of the same, proceeds being applied towards the debt on the church retained for use.

*Lyn.*—Your Committee cannot recommend the request of the Trustees of this Circuit for permission to sell the late M. E. Church, at all events, until more definite information is furnished as to the disposition of the proceeds.

*Frankville and Toledo.*—Your Committee recommend that permission be given to sell the late C. M. Church and church lot in the village of Toledo, and apply the proceeds thereof towards the erection of sheds at the Brick Church.

#### PERTH DISTRICT.

*Pakenham.*—Your Committee recommend that permission be granted to the Trustees to sell the old parsonage, proceeds being applied towards the debt on the new parsonage.

*Arnprior.*—Your Committee recommend that permission be granted to sell the late M. E. Church and parsonage; also a church in McNab township. Proceeds of each sale to be applied towards a new parsonage on the Circuit.

*Lombardy.*—Your Committee recommend that permission be given to sell or dispose of part of the parsonage lot in the village in exchange for other church or parsonage property.

## OTTAWA DISTRICT.

*Carp.*—Your Committee recommend that permission be granted to sell the ~~South~~ Line Church, proceeds of sale being applied towards the parsonage on the Circuit—the letter from Mr. Ashfield against the sale having been considered.

*Billings' Bridge and Nepean.*—Your Committee recommend that permission be granted to the Trustees to sell the former M. E. Church at Britannia to Mr. John McAmmond, for the sum of \$125, to cover his claim on the said property.

*Ottawa (Metropolitan Church).*—Your Committee recommend the adoption of the following resolution in this matter, viz:

“Your Committee deeply regret that it is found necessary to recommend the Conference to grant permission for the sale of the Metropolitan Church in the City of Ottawa. While recommending that permission, the Committee disapprove of the measures followed by the Trustees of the said Church with a view to accomplish their purpose to sell. Impatient to relieve themselves from pecuniary responsibility, and indifferent to the interests of united Methodism, they have ignored the action of the united Official Boards of the Methodist Church in Ottawa, and have disregarded the opinions and proposals of the last Annual Conference, which were reiterated and confirmed by the Special Committee of the Conference last autumn. The sincere and persistent efforts of the President of the Conference and Superintendent of the Ottawa District to afford relief and save the property were contravened; and therefore, the Committee recommend that before the seal of the Conference and the signature of the President and Secretary of Conference be attached to the instrument of permission to sell, the accounts of the Trustees of the said Church shall be submitted to competent Auditors, selected by the Rev. William Hansford, at present of Ottawa; and any balance after paying all just indebtedness on the premises shall be paid over to the proper authorities as provided by the Basis of Union.”

Your Committee further recommend that a copy of the foregoing be sent by the Secretary of Conference to the Trustees of said Church, who shall report to the Secretary of Conference their compliance with the foregoing.

It was on motion *Resolved* to amend the Report of the Memorial Committee on the Metropolitan Church, Ottawa, as follows:—

“And further, that the report of the said Auditors be submitted to the Conference Special Committee next fall.”

## MATILDA DISTRICT.

*Chesterville Circuit.*—Your Committee recommend that permission be granted to the Trustees of the parsonage of the late M. E.

Church to sell the same, applying the proceeds to the payment of debts due thereon, and on the late M. E. Church.

Also that permission be given to the Trustees of a building lot belonging to the late C. M. Church to sell the same, applying the proceeds towards the payment for land recently purchased.

Also that permission be granted to the Trustees of the late C. M. Church to sell the same.

*West Winchester Circuit.*—Your Committee recommend that permission be given to the Trustees of the late M. E. Church to sell the same, applying the proceeds towards debt on new church.

Also that the Trustees be permitted to sell the Brick Church when the new church is completed, applying the proceeds towards the debt on the new church.

Also that the Trustees of the Stone Church have permission to deed to the Municipality of Winchester a strip of the church lot twelve feet wide, extending the whole length of the lot, along St. Lawrence Street, for the purpose of widening said street: provided that such deed be not executed unless all the property holders on both sides of St. Lawrence Street, from Church Street to the centre of the concession, convey a strip twelve feet wide from their properties fronting on St. Lawrence Street to the said Municipality, thus joining in a general movement for widening said street.

*Aultsville Circuit.*—Your Committee recommend that the Trustees of the late M. E. Church be permitted to sell the building and contents, (not the land), applying the proceeds to any repairs required on the church retained.

Also that permission be granted to the Trustees of the late M. E. parsonage to sell the same, applying the proceeds to pay the debt thereon, and the balance to be divided between the Aultsville and Gallinger congregations in the proportion in which each congregation contributed to the erection of such parsonage, and to be used for parsonage purposes only.

*Matilda Circuit.*—Your Committee cannot recommend the sale of the Rose Church, as the application for the disposing of the funds arising from such sale is not in accordance with the terms of the Basis of Union.

*Iroquois Circuit.*—Your Committee recommend that permission be granted to the Trustees of the late M. E. Church to sell the church and also the parsonage, the proceeds being applied, in the first place, towards paying all debts on the properties sold, and then on those retained for use; the balance to be divided equally, and paid to the Trustees of the Iroquois Circuit and Matilda Circuit; the expense of shingling the Iroquois parsonage not to be included as a debt; and that the amount allotted to the Iroquois Circuit be requested to be paid over to the Trust Relief Fund.

*Cardinal Circuit.*—Your Committee recommend that the Trus-

tees of the late M. E. Church at Ventnor have permission to sell the same, applying the proceeds towards the payment of the existing debt, and the balance towards the erection of a new parsonage.

*Morrisburg Circuit.*—Your Committee recommend that the Trustees of the late M. E. Church be permitted to sell the same, applying the proceeds thereof towards the debt thereon.

Also that no action be taken at present with reference to the church lot at Mariatown.

#### PEMBROKE DISTRICT.

*Beachburg.*—Your Committee recommend that permission be granted to sell the property of the late M. E. Church in the village, applying the proceeds, first, to pay the debts on both properties, the balance to repair or enlarge the other Methodist Church in the village; they also recommend that the parsonage be sold and \$50 given to the Cobden Circuit, applying the balance towards a new parsonage on the property of the late C. M. Church.

*Renfrew.*—Your Committee recommend that permission be given to the Trustees of the late M. E. parsonage in Horton, to sell the same, applying the proceeds equally between a parsonage for Haley's Station, and repairs and improvements in connection with the Horton Church.

Your Committee also recommend that permission be given for the sale of one of the Methodist Churches, applying the proceeds towards the debt of the other.

*Portage du Fort.*—Your Committee recommend that permission be granted to sell the church at Blackwell, applying the proceeds towards the church at Ross.

*Cobden and Locksley.*—Your Committee recommend that permission be given to the Trustees for the sale of the parsonage formerly used by the German Mission, applying proceeds towards the Cobden parsonage.

#### ST. LAWRENCE CENTRAL CAMP GROUND.

Your Committee have had before them the memorial from the Trustees, and having given careful consideration to the verbal statements made to them by several of the Trustees, submit for the approval of the Conference the following:—

1st. That your Committee, having fully considered the memorial of the Trustees of the St. Lawrence Central Camp Ground, and heard from the Trustees the present financial condition of the Institution, and the moral and spiritual result hitherto apparent from the enterprise, your Committee recommend the Conference to give to the Trustees its moral support, and, as far as practicable, to render such aid as will enable them to carry forward their enterprise to a successful issue, entertaining as we do the opinion that

the maintenance of the Camp Ground will subserve the interests of Christ's Church, and especially contribute to the promotion and prosperity of Sabbath-school operations.

2nd. Your Committee recommend the Conference to regard the St. Lawrence Central Camp Ground as eminently fitted by its situation to become henceforth a Camp Ground where, annually, meetings shall be held for the revival of religion, and the holding of an Annual Sunday-school Parliament, and for the advancement of Temperance legislation; that a Committee be appointed by the Conference to carry into effect these resolutions, and it is recommended that the Superintendent of the Brockville District be Chairman of the Camp Ground Camp Meeting Committee.

3rd. That with a view to bring the property of the St. Lawrence Central Camp Ground under the direct control and supervision of the Montreal Conference, your Committee recommend that a Committee be appointed, consisting of the Rev. W. I. Shaw, and A. L. Morden, Esq., whose duty it shall be to consider and determine on the course necessary to be taken, in order to place the title of the estate on Trustees to be appointed by the Conference, and who as such may obtain legislative incorporation in such form as the case may require. The said Committee to report not later than the Conference of 1886, or to report to the President of the Conference, if the said Committee agree to apply to the next meeting of the Ontario Legislature for incorporation.

Respectfully submitted.

W. GALBRAITH, *Chairman.*  
A. P. BRADLEY, *Secretary.*

#### REPORT No. II.

##### EMBARRASSED CHURCHES.

Your Committee report that, at a meeting of the Special Conference Committee held last autumn, the Rev. W. Galbraith, LL.B., was requested to visit as many places within the bounds of the Conference as possible, in order to ascertain what could be secured for this purpose, and to take subscriptions. That in the prosecution of his work he has reported to this Committee that \$3,882 has been secured in cash and subscriptions from the following localities, viz.:—Kingston, \$1,125; Montreal, \$976; Ottawa, \$340; Prescott, \$400; Morrisburg, \$550; West Winchester, \$70; Iroquois, \$125; Lynn, \$58; Mallorytown, \$138; Sherbrooke, \$40; Lennoxville, \$10; Pembroke, \$50; total, \$3,882 (not including Mr. Mavety's list). Of this amount \$725 has been paid in cash, independent of \$400 in cash and notes in the hands of the Rev. J. E. Mavety, and whatever may have been secured by Superintendents of Circuits

from whom we have not yet heard. Of the amount subscribed as above nearly one-half is payable this week.

It is the judgment of your Committee that a further sum of at least \$9,000 should be collected during the year within the bounds of this Conference, with the distinct understanding that the work is to be prosecuted on the line of the plan of the General Conference Special Committee.

Your Committee recommend that the Stationing Committee appoint an agent, to give as much time as possible to this work, and that during his absence from his Circuit a suitable supply be furnished.

Your Committee further recommend that the prompt and hearty co-operation of the several Superintendents of the Circuits be given to the agent in the prosecution of his work.

Your Committee also recommend that the Rev. J. E. Mavety be requested to secure all the available funds for the old subscription list of the Kingston Third Church.

#### QUEBEC DISTRICT.

*Levis.*—Your Committee recommend that the Trustees of the church on this Circuit have permission to sell the same, applying the proceeds as follows:—Two-thirds of the same to be given to the Church in Quebec, and the other three to be paid to the Trust Relief Fund.

*Windsor Mills.*—Your Committee recommend that the Trustees of the church on this Circuit have permission to sell the same, applying the proceeds towards the erection of a church in a more suitable place.

*Sherbrooke.*—Your Committee recommend that the Trustees of the church on this Circuit have permission to dispose of the church and parsonages, the proceeds to be applied towards the erection of more suitable buildings.

Respectfully submitted.

W. GALBRAITH, *Chairman.*  
A. P. BRADLEY, *Secretary.*

#### REPORT OF SPECIAL COMMITTEE STANSTEAD WESLEYAN COLLEGE TO THE MONTREAL CONFERENCE OF THE METHODIST CHURCH.

Your Committee appointed "to enquire, about the Christmas holidays, into the working expenses of the College, and if it be found that there is a prospect of a deficiency at the end of the year, to combine in one person the offices of Governor and Prin-

incipal for the following year" (see Minutes of Conference p. 32), beg  
leave to report:

1. At the call of the President of the Conference they met in  
the City of Montreal, on Tuesday, the 15th of January last, and  
passed the following resolution, viz.:

"That, believing that the intention of the Conference was to  
carry out the suggestions and wishes of the Trustee Board of  
Stanstead College as expressed in a resolution adopted by the  
Board, (see Minutes of the Montreal Conference of the Methodist  
Church of Canada p. 51,) appointing a Committee "to make  
arrangements for securing the proper person, and uniting in him  
the offices of Governor and Principal after this year;" and believing  
that it was the intention of the Conference that this Committee  
afterwards appointed (see Minutes of Conference, p. 32) should be  
empowered to secure the services of a suitable person in whom to  
unite the offices of Governor and Principal, this Committee does  
hereby undertake to perform such duty to the best of its ability."

2. Your Committee found that the Trustees had already, for  
financial reasons, accepted the resignation of the Governor, and  
had assigned the duties of the Governor to the Principal for the  
balance of the present scholastic year; and believing that it was the  
intention of the Conference to empower this Committee to make  
the changes recited in the resolution for the current year, if neces-  
sary, as well as for the next, your Committee confirmed by resolu-  
tions the action of the Trustees, believing the same to be necessary.

3. Your Committee found, on investigation, that, under the  
dual administration, there was a prospective deficiency of over  
\$900. In their judgment it was necessary and expedient that  
hereafter the offices of Governor and Principal should be united in  
one person, who should reside in the College.

4. Your Committee communicated with the Rev. A. Lee Holmes,  
M.A., for the purpose of ascertaining whether he would be willing  
to accept the position of Governor and Principal, with residence in  
the College, for the year 1885-6.

Mr. Holmes' final reply was that, owing to the ill-health of his  
family, it would be impossible for him to assume the duties of the  
combined offices or to reside in the College, and that he must  
decline the position.

5. Your Committee then corresponded with others, and finally  
offered the position to the Rev. Dr. Kennedy, of Sackville, at a  
salary of \$600, with board and residence for four, and educational  
facilities such as the College may afford for two.

6. Dr. Kennedy has accepted the position, subject to the action  
of the Stationing Committee and ratification of the Conference.

Respectfully submitted.

WILLIAM GALBRAITH, *Chairman.*  
CHAS. A. HANSON, *Secretary.*

## ANNUAL REPORT OF STANSTEAD WESLEYAN COLLEGE.

The Trustees of the Stanstead Wesleyan College, in presenting their Annual Report, are glad to inform the Conference that the results of the year are, on the whole, gratifying.

The Principal's Report shows that the number of pupils enrolled in all departments during the year has been 122.

The progress of the students has been very satisfactory. A large number have obtained diplomas as teachers, and, in nearly every case, of the first class in their respective grades.

The health of the inmates of the College during the year has been exceptionally good, and is an occasion of gratitude to your Trustees.

The financial statements supplied by the Governor, Mr. Saunders, and the Principal, Mr. Holmes, show that, after applying the income from the Endowment Fund and the Government Grant on Current Expense Account, the expenses exceeded the revenue for the first part of the year by about \$200, and that, as the result of retrenchments effected at about the time of the Christmas holidays, the revenue has exceeded the expense during the last part of the year by about the same sum; so that on the work of the whole year, the Conference will be pleased to learn, it is reasonably certain there will be, if no surplus, at any rate no deficit.

The Receipts for the year are as follows:—

To balance on hand last year .....	\$19 64
To Cash Collections .....	1015 08
To Subscriptions collected in Notes .....	151 75
	\$1186 47

The Payments are:—

By Interest Account .....	\$769 90
By Paid on Principal of Debt .....	190 00
By Expense Account .....	109 28
By Notes on Hand .....	151 75
	\$1220 93
Showing a balance due the Sec. Treas. of .....	\$34 46

## DEBT.

The total present debt of the College, including principal, and interest accruing, is \$12460, while the available subscriptions cannot safely be estimated at over \$500. The Trustees regret that the debt is so large. They have done their utmost to entirely liquidate it, but the large sums of money annually consumed in interest and the constantly recurring annual deficits in the current finances of the College, which have had largely to be provided for out of the Debt Fund, have rendered it impracticable. The Trustees have given the question of the debt their serious consideration, and now desire the earnest attention of the Conference to the same subject.

If the debt could be at once paid it would be a benediction, and would secure for the College a future of great usefulness; but if it is inexpedient to make such an effort at the present time, then the interest charges must, in some way, be provided for.

The Trustees, therefore, submit for your consideration the following resolution adopted by the Board, viz:—

“Whereas the total indebtedness, interest and principal, of the College is said to be \$12460.46; and

“Whereas the annual interest is said to be \$822, and

“Whereas there is no apparent available income with which to meet the annual charge, and

“Whereas it is essential to the existence of the College that the annual interest obligations be promptly met; therefore,

“Resolved,—That we respectfully request the Conference to give its sanction and assistance to the formation of an Interest Guarantee Fund, whereby at least one hundred and fifty shares of \$8 each, payable half-yearly, for a term of three years, can be subscribed in order to provide the payment of the interest charges on the debt at present existing.”

#### ENDOWMENT FUND.

The following are the Receipts for the year:—

To balance from last year .....	\$371 35
“ Subscriptions Collected in Cash .....	1543 60
“ “ “ by Note.....	323 40
	<hr/> \$2238 35

The Payments have been:—

By Expense Account .....	\$230 86
By Cash in Bank for Investment .....	1684 09
By Notes on Hand .....	323 40
	<hr/> \$2238 35

The present face value of the unpaid Subscription List is \$5407.62, and of this amount it is hoped that a fair proportion can be collected during the next year.

#### ENDOWMENT INVESTMENT FUND.

The Conference will be glad to learn that we have already invested in good solid securities the sum of \$13566.73, yielding a revenue of \$825.23. To this must be added the sum of \$1684.09 awaiting investment, making a total of invested funds of \$15250.82, which will yield an income of \$926.27.

The Governor, the Rev. Dr. Saunders, felt, during the year, that it was necessary for him to resign; and the Trustees felt that, in view of the financial condition of the College, no course was open to them but to accept the resignation, and to transfer the responsibilities and duties of the office of Governor to the Principal, who consented to discharge them for the balance of the scholastic year.

## PLANS FOR THE FUTURE.

In the changes in the staff, which have been necessitated by adopting the principle that hereafter the offices of Governor and Principal must be united in one person, and he be resident in the College, the Trustees report that the Rev. A. Lee Holmes has felt unable to comply with the conditions of the appointment, and, after twelve years of faithful service, he ceases to be the Principal.

As you have been advised by the Report of the Special Committee, the position of Governor and Principal has been offered to the Rev. Dr. Kennedy, of Sackville, N. B., and has been accepted by him, subject to your ratification; and with a view to increasing the attractiveness of the College as a home for young ladies, Mrs. Kennedy is to become the head of the Domestic Department.

Other changes have been made which, it is believed, will materially strengthen the staff, particularly in Music and French.

The Course of Study has also been revised, and such changes made as the Trustees believe will, without impairing the efficiency of the College, keep, so far as the ordinary expenses are concerned, the annual expenditure within the income.

The Trustees now deem it their duty to call the attention of the Conference to the material condition of the College buildings. By reason of lapse of time and limited expenditure in past years, the building has necessarily suffered, and repairs, more or less extensive, should now be made. The following resolution, unanimously adopted by the Trustees, is therefore submitted for the consideration of the Conference.

*Resolved*,—That we deem it our duty to inform the Conference that we cannot reasonably hope for the enlarged patronage so necessary to the success of the College, unless the Board be enabled to make considerable changes and improvements in the heating apparatus and sanitary arrangements, as well as various repairs on the College building. And we therefore respectfully request the Conference to favour the Trustee Board with definite instructions touching said improvements and the measures for meeting the necessary outlay."

Your Trustees have had their attention frequently directed to the desirableness of a radical change in the character of the College, and although they are by no means prepared to express an opinion that changes are either expedient or necessary, yet they submit for the consideration of the Conference the following resolution which was adopted at a Special Meeting of the Board, held in Montreal on 15th of January last:—

"That the Trustees are of opinion that the question of changing Stanstead Wesleyan College from a mixed school, as at present conducted, to a Ladies' College, which has been discussed by the Trustees to-day, is one which deserves the serious consideration of the Montreal Conference at its next session."

## REPORT OF THE COMMITTEE ON MEMORIALS.

Your Committee, having had under consideration the several memorials referred to them, beg leave to submit the following report:—

1. The memorial of the Rev. William Scott, respecting the future of the Oka Indians. After a lengthy conversation, the following resolution was passed:

“*Resolved*,—That this Committee are not in possession of sufficient data to recommend the Conference to grant the prayer of the memorial.”

2. The memorial of the Montreal District, concerning the formation of a Home Mission for Montreal. Your Committee recommend the Conference to adopt the prayer of the memorial,

with the exception of the request of a thousand dollars from the Missionary Board. Your Committee recommend that the sum asked for be only five hundred dollars.

(The report of the Committee was amended so as to read one thousand dollars instead of five hundred dollars.)

3. Memorial from the Kingston District, concerning the relationship of children to the Church. Your Committee recommend the Conference to adopt the prayer of the memorial; and that the Conference request the Ministers to give special attention to the carrying out of the directions of *Discipline* (pp. 37, 38), in this regard.

4. Touching the memorial from the Pembroke District, on University Federation, your Committee beg leave to report that they do not see their way clear to recommend any course of action, owing to the very unsettled state of opinion on this subject.

(The report, as amended, was adopted by the Conference.)

H. F. BLAND, *Chairman.*  
S. CARD, *Secretary.*

#### REPORT OF COMMITTEE ON CONFERENCE ENTERTAINMENT.

The Committee recommend that the following method of entertaining the Conference shall be observed:—

1. The local Billeting Committee, under the direction of the pastor or pastors of the place where the Conference is held, shall ascertain how many billets in private houses are available.

2. Having determined what will be the probable attendance at Conference, as indicated by the attendance of previous years, arrangements will be made on the most favourable terms for securing for such members of Conference as may not be entertained gratuitously in private houses, accommodation in suitable hotels and boarding-houses. This accommodation shall be at the charge of the Billeting Committee.

3. To meet the aforesaid charge, there shall be levied equally upon all attending Conference such an assessment as may be necessary. Such assessment to be paid to the Secretary of the Billeting Committee immediately upon the arrival of the delegate at the seat of Conference.

4. As early as possible in the month of May the Committee shall send a circular to every minister, informing him of the amount of the assessment.

5. Copies of this circular shall be sent to the Superintendents of Districts, to be delivered by the District Secretary to the laymen elected to attend Conference, immediately after said election.

6. A printed list of billets shall, as heretofore, be sent to

clerical members of Conference as early as practicable ; but, inasmuch as lay delegates are in many instances not elected until within a few days of the session of Conference, and it is impossible to advise them where they are to be entertained if they attend Conference, the laymen attending shall, on arrival at the seat of Conference, report themselves at the Church where the Conference is to meet, at which Church some member of the Billeting Committee shall direct them to their billets.

7. Any contributions given by friends at the seat of Conference to the billeting fund shall go to lessen the assessment afore described ; and any surplus in such fund, after the meeting of all demands, shall be reserved for use and reduction of assessments at future Conferences.

WILLIAM I. SHAW, *Secretary.*

## SPECIAL RESOLUTIONS.

THE LATE GENERAL SUPERINTENDENT, REV. S. D. RICE, D.D.

Moved by the Rev. Dr. Douglas, seconded by the Rev. James Elliott, D.D., and

*Resolved*,—That this Conference desires to express and to place on record its deep sense of the loss experienced by the Methodist Church and by the entire country in the death of our late Senior General Superintendent, the Rev. Dr. Rice.

While in this, as in all things, we would bow to the dispensations of a Providence infinite alike in wisdom and in love, we would at the same time express our admiration of the blameless life, the wise judgment, and earnest zeal which characterized our departed brother, and testify to the profound sorrow by which our hearts are stirred through his removal from among us.

We desire also to convey to our bereaved friend and sister, Mrs. Rice, our deep and tender sympathy, praying that in this hour of earthly darkness the heavenly light may shine yet more and more, and that the manifested presence and divine consolations of that Christ who was himself "a man of sorrows and acquainted with grief," may prove to her a sure and sufficient comfort.

REV. JAMES ELLIOTT, D.D.

Moved by the Rev. Richard Wilson, seconded by the Rev. Geo. McRitchie, and

*Resolved*,—That this Conference has learned with deep regret that, owing to the failure of his health, the Rev. James Elliott, D.D., has had to ask for a superannuated relation.

His superior talents, which have enabled him to render most efficient service to the Church as Superintendent, Chairman, and President, on the platform and in the pulpit; the unsullied Christian and ministerial character which has crowned his whole ministry of forty-four years; and perhaps, above all; his unswerving loyalty to Methodism in all his official course, furnish abundant reason for us to glorify God in him.

And this Conference will pray that the richest comforts of the Holy Spirit may be shed upon the heart and home of our beloved brother, and that in his days of suffering and retirement he may be sustained by the power and grace of God.

## VICTORIA UNIVERSITY.

Moved by the Rev. W. Jackson, seconded by the Rev. L. Hooker, and

*Resolved*,—That this Conference has heard with interest and pleasure the statements of the Rev. Drs. Nelles and Burwash in regard to Victoria University, and we rejoice in the continued prosperity of an Institution, founded by the self-denying efforts of our fathers, and which for fifty years has rendered such eminent service to the cause of higher education in this land.

That this Conference is in hearty accord with the traditional policy of the Methodist Church, that education, and especially higher education, should ever be based on Christian principles, and permeated by Christian influences and teaching.

## GRATITUDE FOR PEACE.

Moved by the Rev. H. F. Bland, seconded by the Rev. T. G. Williams, and

*Resolved*,—That this Conference, devoutly recognizing the hand of God in the government of the world, hereby gives thanks for the gratifying prospect of peace in our own North-West, and for the pacific aspect of negotiations between England and Russia.

## HOSPITAL FOR THE INSANE.

Moved by the Rev. William Hall, M.A., seconded by the Rev. John Armstrong, and

*Resolved*,—That in view of the very defective provision for the comfort and treatment of the insane in the Province of Quebec, as testified to by several experts, and long felt to be a very serious grievance, especially to the Protestant community, this Conference desires to express its deep interest in the efforts now being made by the promoters of the *Protestant Hospital for the Insane*, of the City of Montreal, and trusts these gentlemen will not relax their endeavours until an Institution in which the patients shall have the benefit of the most recent therapeutic skill, and the solace of such religious consolation as they prefer, shall be an accomplished fact.

## SUPERANNUATION FUND.

Moved by the Rev. A. B. Chambers, seconded by the Rev. William Ryan, and

*Resolved*,—That in the judgment of this Conference the legislation of the General Conference held in Hamilton, A.D. 1882, *re* the Superannuation Fund, was not, and cannot be regarded as retro-active.

## MUTILATION OF THE CANADA TEMPERANCE ACT.

Moved by the Rev. D. V. Lucas, M.A., seconded by the Rev. Dr. Douglas, and

*Resolved*,—That we, the ministers and laymen of the Montreal Conference of the Methodist Church, representing Methodism throughout the Province of Quebec and the eastern portion of the Province of Ontario, assembled in annual Conference at the City of Kingston, being deeply impressed with the baneful effects of the sale of alcohol in the form of beverage, and always in sympathy with any measures calculated to restrict or prohibit the sale of such beverage, and having confidence in the Canada Temperance Act of 1878 as a measure wisely framed for this end, desire to express our very great regret that our legislators of the Canadian Senate should have passed a resolution looking towards the exemption of certain alcoholic compounds from the prohibitory operations of the said Canada Temperance Act.

And we desire further to express our sincere hope that the House of Commons, composed of the people's chosen representatives, may not concur in the proposed change which would in our opinion virtually destroy the Act as a prohibitory measure.

Seeing the Canada Temperance Act has been so fully endorsed by the people of Canada as to have been successfully carried in sixty-five out of seventy-five contests, and to have received in its favour a majority of 45,000 out of an aggregate vote of 200,000, we would regard such a measure as proposed by the Senate, if concurred in by the House, as a direct thrust at the most valued element of political liberty, viz., legislation in harmony with the will of the majority.

For the reasons stated, and from a sense of duty to our country, our families and those under our pastoral care, we pledge ourselves to oppose with determined purpose, and with all the influence and power we possess, any attempt made by our legislators or others to destroy or injure an Act in the adoption of which, by so many counties and cities in Canada our people and ourselves have so largely co-operated at very considerable sacrifice of time and convenience.

We cannot think that our representatives in Parliament will be so far forgetful of the duty which they owe to their constituents as to concur in the very objectionable measure proposed. If, however, such a calamity should befall our present temperance movement as their concurrence would bring, we shall feel that those who have deliberately set themselves against so clear a manifestation of the popular will, are unworthy of the honourable position of legislators for a free and enlightened people, and shall govern ourselves accordingly in the time to come.

## CHRISTIAN GUARDIAN.

Moved by the Rev. W. Galbraith, seconded by the Rev. S. Card, and  
*Resolved*,—That the members of this Conference have heard with great pleasure and satisfaction the Rev. Dr. Dewart, representing the *Christian Guardian*, and the Rev. Dr. Withrow, representing the *Methodist Magazine* and Sunday-school publications; that we regard these connexional periodicals as of vast importance in promoting the spiritual growth of our Church, and that we will heartily co-operate in their wider circulation.

## EDITORS OF GUARDIAN.

Moved by the Rev. G. H. Porter, B.A., seconded by the Rev. W. H. Knowles, and

*Resolved*,—That this Conference desires to express its entire confidence in the judgment and impartiality of the editors of the *Guardian* in the control of the department of public correspondence.

## PUBLIC CORRESPONDENCE.

Moved by the Rev. G. H. Porter, B.A., seconded by the Rev. W. H. Knowles, and

*Resolved*,—That we earnestly recommend that all public correspondence relating to our connexional interests be conducted through the columns of the *Guardian*.

## BILLETING OF CONFERENCE.

Moved by the Rev. J. W. Clipsham, and seconded by the Rev. Geo. Rogers, and

*Resolved*,—That henceforth the Billeting Committee of this Conference billet as many members of the Conference as possible in the usual way, and that accommodation be provided in private houses and hotels for the remaining members, at a stipulated rate, and that the amount necessary to pay the board of those not freely billeted be assessed pro rata upon all the members attending.

## EQUALIZATION OF STIPENDS.

Moved by the Rev. Wm. Scott, seconded by Dr. Lavell, and

*Resolved*,—That the Conference desires to express its thankfulness to Dr. Sutherland for calling our attention to a possible proposition for the purpose of diminishing the inequalities of ministerial income on the principle of levelling up, and whatever form of sustenance may be adopted, this Conference sincerely trusts that some plan will be adopted by the General Conference to lessen the burdens which have been borne by many, and that thereafter there shall be a reasonable equalization of missionary and ministerial salaries.

The following resolution which passed the Conference last year was reaffirmed and ordered to be printed in the minutes.

Moved by the Rev. T. G. Williams, and seconded by Rev. George McRitchie,—

That inasmuch as in many parts of the Dominion of Canada the Protestant population is unable to maintain in each locality the ministers necessary to supply each separate denomination there represented with the Gospel without aid from the mission funds of the Churches; and whereas in many places one minister could supply the Gospel ordinances to people now divided into separate congregations, thus avoiding unnecessary expenditure of missionary money and a waste of ministerial force, therefore

*Resolved*,—That this Conference appoint a Committee whose duty it shall be to confer with any Committee or Committees which may be appointed by the other Conferences of the Methodist Church, or by the Courts of other Protestant Churches, for the purpose of preparing a plan to submit to the General Conference of the Methodist Church and the proper Courts of the other Churches appointing such Committees, by which the consolidation of the forces of our common Protestantism may be effected and our resources husbanded for the more economical and, at the same time, more extended prosecution of the work of God among the people residing in those sections of our Dominion where the denominations there represented are not able separately to support the minister among them.

The following Committee was appointed in harmony with the foregoing resolution:—

The President of the Conference, Revs. T. G. Williams, Wm. Scott, J. E. Mavety, Geo. McRitchie, Wm. Hansford.

The following resolutions were adopted by the Board of the Superannuation Fund, and unanimously recommended to the several Annual Conferences for their adoption and for publication in the Minutes of the Conferences:—

1. *Resolved*,—That the names and addresses of the Treasurers of the Fund be published in the Minutes of each Annual Conference, the names and addresses of the Superannuated Ministers and of all widows who are claimants on the Fund; also the names and dates of birth of all children of deceased ministers whose widows are now claimants on the Fund (the children being under sixteen years of age), be published in the Minutes of the Conferences to which they respectively belong.

2. That each Annual Conference forward to the Clerical Treasurer, through its Secretary, immediately at the close of the Conference, a certified copy of the tables containing the amounts raised for Ministerial Support and Connexional collections on each Circuit and Mission, omitting the Children's Fund, and any special

collections that may be ordered by the authority of the Annual Conference, as there is often a delay in the publication of the Minutes which interferes with the preparation of the report of the Committee of Estimates, etc., in time for the Financial District Meetings.

3. That all parties sending money to the Treasurer give a detailed statement of the amounts, so that he may know how to give due credit, either to the Circuit or minister entitled to receive such credits.

4. That any changes that may be made in the apportionments made to Circuits or Missions by the Financial District Meetings be reported to the Treasurer, and that the Secretary of the meeting furnish a complete list of these apportionments to the Clerical Treasurer, as finally passed by the District Meetings.

The Treasurer would particularly request that all parties holding monies belonging to the Fund would forward promptly to him any sums that may be in their hands, in accordance with the above resolutions, to the Methodist Mission Rooms, Toronto.

Signed by order and on behalf of the Board of the Superannuation Fund of the Methodist Church.

JAMES GRAY, *Clerical Treasurer.*

These recommendations were adopted by the Conference, except the first recommendation, of which only the first clause received the sanction of the Conference.

Moved by the Rev. A. Campbell, seconded by the Rev. D. C. Sanderson, and

*Resolved*,—That this Conference desires to express its sympathy with the Rev. A. A. Smith, Superintendent of the Matilda District, who owing to serious illness is unable to be present with us.

We sincerely hope and pray, if consistent with the Divine will, that Bro. Smith may recover, and be long spared to the work of God and the Church.

#### OBSERVANCE OF THE SABBATH.

Moved by the Rev. John Scanlon, seconded by the Rev. A. Campbell,—

That whereas the enemies of the Christian religion are becoming bolder and more determined in their opposition to the Holy Sabbath, and whereas the laxness or indifference on the part of Christians in regard to the sacredness of the day will be a most serious injury to the cause of God:

*Resolved*,—That this Conference recommends that the Church under its care use all proper and lawful means to discountenance and prevent as far as possible the following doubtful and injurious practices:

"1. The opening of Camp-meeting grounds for the public on the Sabbath.

"2. The delivering and receiving of letters and newspapers on the Sabbath.

"3. The running of railway trains, steamboats, and street cars, and the opening of post offices on the Sabbath."

Moved by the Rev. L. N. Beaudry, seconded by the Rev. Joseph Pinel, and

*Resolved*,—That in all elections by ballot, except in the case of the election of President and Secretary of the Conference, the ballots be placed in the hands of tellers and the Secretary of Conference, who shall retire for the count, and report as soon as possible, so as to save the time of the Conference.

#### REBELLION IN THE NORTH-WEST.

On the motion of the Rev. S. D. Chown, seconded by the Rev. Richard Whiting, it was—

*Resolved*,—That this Conference desires to record its gratitude to Almighty God for the cessation of the rebellion which has recently disturbed our North-West Territory, and caused much painful anxiety throughout the several Provinces of this Dominion; to express its admiration of the prompt and loyal response to the call of duty, and the high military qualities displayed by our volunteer force in its suppression, and to assure the wounded and bereaved sufferers of our heartfelt sympathy and earnest prayers in their behalf.

The following resolution, which passed last Conference, was re-affirmed, and ordered to be printed in the Minutes:

#### CONNEXIONAL DOCUMENTS.

Moved by the Rev. S. Bond, seconded by the Rev. J. M. Hagar, M.A., and

*Resolved*,—That it is desirable to collect and preserve all books and documents relating to Annual District Meetings, Annual Conferences, and Connexional documents that are full or now cease to be used.

To carry this into effect, that the Rev. W. Scott be appointed for the purpose of receiving them for the Montreal Conference; and all ministers or others having these in their possession are requested to send them to the person appointed to receive them.

#### CHURCH RELIEF FUND.

Moved by the Rev. T. G. Williams, seconded by Henry Cunningham, Esq., and

#### CHANGING PLACE OF HOLDING CONFERENCE.

Moved by the Rev. S. Bond, seconded by the Rev. W. S. Scott, and

*Resolved*,—That this Conference approves of the action of the Conference Special Committee in authorizing the President to negotiate the removal of the place of holding this Conference from Stanstead, and of his action by which Kingston was selected.

#### TIME OF HOLDING CONFERENCE.

It was *Resolved*,—That the Stationing Committee meet henceforth on the Friday before the opening of the Conference, and that the Conference meet on the last Wednesday in May.

#### MINISTERS CHANGING CIRCUITS.

*Resolved*,—That all the Superintendents removing from one Circuit to another be responsible for the supply of the pulpit on the Circuit they are leaving two Sundays following the rising of Conference.

## VOTES OF THANKS.

## THANKS TO THE EX-PRESIDENT.

Moved by the Rev. A. B. Chambers, seconded by the Rev. W. Hansford, and

*Resolved*,—That the sincerest thanks of this Conference are due, and are by this resolution presented to the Rev. W. Galbraith, LL.B., for his very efficient and unusually laborious services rendered to this Conference and to Methodism during the past year. We rejoice that his health and cheerful willingness to labour have enabled him to render very great service on behalf of the Trust and Relief Fund, of which we desire to make special mention. In view of the transfer of Rev. Bro. Galbraith from this Conference, we desire to place on record our sincere appreciation of the brotherliness of his spirit, and the zeal with which he has laboured in every good work since the formation of the Montreal Conference, and we assure our dear brother that our best wishes will follow him, and our prayers go up to the Head of the Church that his life may be long spared and crowned with ever-increasing usefulness.

## JOHN CHARLTON, ESQ., M.P.

Moved by the Rev. S. E. Maudsley, seconded by the Rev. A. Campbell, and

*Resolved*,—That this Conference has noticed with pleasure the efforts of John Charlton, Esq., M.P., to procure in the House of Commons legislation for the better ordering of the Lord's Day throughout the Dominion; and we request our Secretary to convey to him our appreciation of the bold stand he has taken, and the Christian spirit animating him in seeking to procure for us and our fellow-subjects the birthright of humanity—the rest of the

Sabbath—and we trust he will continue his efforts, until an enlightened public sentiment enforces a legislative sanction to the same.

A. SUTHERLAND, D.D.

Moved by the Rev. Wm. Scott, seconded by A. P. Bradley, Esq., and

*Resolved*,—That this Conference has heard with great satisfaction the address of the Rev. Dr. Sutherland, Missionary Secretary, and gratefully recognize the good hand of our God upon the Methodist Church, as shown in the general prosperity of the missions under our care; and especially rejoice to know that during the recent troubles in the North-West the missionaries of our Church have been mercifully preserved, and that the Indians under the care of our Church have been faithful to Christ and loyal to the constituted authorities of the Dominion.

REV. WM. GALBRAITH.

Moved by the Rev. William Scott, seconded by C. W. Jenkins, Esq., and

## MODE OF EXAMINATION FOR THE MONTREAL CONFERENCE

Candidates of our ministry and Probationers shall be examined by means of papers prepared by the respective Examiners.

There shall also be an oral examination if required.

In addition to the usual thorough Theological Examination of Candidates before the District Meeting, the Chairman shall examine each Candidate as to his Studies and General Reading for the year, with a view to giving advice as to his course and method of study. No Candidate shall be allowed the year of probation until the studies for that year are completed.

The examination of Candidates shall be held in each District, under the supervision of the Chairman and the Examiners resident on the District, on the third Wednesday in April in each year; and at such place as the Chairman shall appoint. All papers shall be sent by the Examiners to the Chairman not later than the second Wednesday in April in each year. The answers to the papers shall be sent by the Chairman to the respective Examiners, who shall forward to the Secretary of the Board the valuation. The Secretary shall prepare the certificates, and forward them to the Chairman of the District, to be presented by him to the May District Meeting. The Secretary of the Board shall send the Chairman of each District the name of any Candidate or Probationer who may have taken part of the subjects in any given course, and the standing he has attained, but shall not issue the certificate in any year's course until the Candidate or Probationer has completed it; and, further, no certificate shall be issued unless the Candidate has reached the passing point of thirty-five per cent. in all subjects, except in cases where the papers have failed to come to hand.

That the Conference direct that existing regulations relating to the time and manner of examinations be imperatively observed, and more especially that it be deemed absolutely peremptory that the examinations be held on the same day throughout the whole Conference, and that all the young men in any District writing on any given subject write at the same hour.

PASTORAL ADDRESS  
OF THE  
MINISTERS OF THE MONTREAL CONFERENCE  
TO THE  
MEMBERS OF THE METHODIST CHURCH UNDER THEIR CARE.

DEARLY BELOVED BRETHREN,—Assembled in the ancient City of Kingston (the historic Fort Frontenac of early French occupation), and holding our sessions in a noble church erected by the untiring energy and far-seeing wisdom of the Rev. Dr. Rice, who so lately was summoned from the duties of Senior General Superintendent of our consolidated Methodism to the rest that remaineth for the peop'e of God, we send you warmest Christian greetings. While we would remind you that we are appointed as "overseers of the flock," we remind ourselves that we are "your servants for Jesus' sake."

The *Insurrection in the North-West* has brought two things to the surface: 1st. The fidelity of all our Methodist Indians; 2nd. The exuberant loyalty of our Canadian people. In the Minutes of our proceedings will be found devout acknowledgments of the mercy of God, who hath, in a measure, restored peace to us; our tender sympathy with the wounded and bereaved; and our hearty admiration of the bravery and endurance of our volunteer soldiers, who so vigorously responded to their country's call, and exposed their lives in the high places of the field.

Within the immediate borders of our own Conference this has been a year of peace; of prosperity also, as the increase of over 1,400 in our membership clearly indicates.

The *Union* so happily consummated twelve months ago has borne abundant fruit, and by degrees the new circuit arrangements are being happily adjusted. In many places gracious revivals have added to the Church, and indicated the Divine approval. During the year some churches, whose retention was not deemed desirable, have been sold. By this means and by the Trust Relief Fund—

which we hope will yet be largely augmented—many Trustees have been relieved from threatened loss.

While we counsel you, if you would “keep the unity of the Spirit in the bond of peace,” to avoid the rancour of party politics, we beseech you to “have no fellowship with the works of darkness;” and solemnly to avail yourselves of every influence—social, religious, and political—by which the cause of God may be advanced.

Making the franchise—the fruit and symbol of your civil freedom—a subject of thanksgiving to the Almighty and of fervent prayer, strike with all the energy of the ballot the enemies of God and humanity, so that it shall come to pass that no man whose course on *the Sanctity of the Sabbath* and the *Liquor Question* is hostile or uncertain, shall be your representative in the highest councils of the nation.

The Rev. George Meacham, D.D., and the Rev. Charles S. Eby, D.D., two of your honoured and successful *Missionaries from Japan*, are now home on furlough. Abundant labours there, in evangelizing and training native helpers, have necessitated at least temporary rest. In their absence, four male and two female missionaries “hold the fort.” Miss Spencer and Miss Cartmell are the pioneers of our noble Woman’s Missionary Society. Your increasing contributions to this and to our other missions show the enlarging of your sympathetic help. Can we not this year aim at carrying out the modest suggestion of our Missionary Secretary of “one cent a day from every member of the Church?”

Two millions, nearly, of French Canadians, increasing in rapid ratio, imperil the existence of many of our feeble Protestant settlements in the Province of Quebec. Heroic are the efforts of the small band of devoted and persecuted evangelists under our enthusiastic brother, the Rev. Louis N. Beaudry. The Conference has determined further to aid these workers by the employment of colporteurs during the present year.

We congratulate the Church on the growing efficiency of our *Educational Institutions*. Victoria University still lives in the loyal interest and confidence of our people, and is blessing our country with the inestimable benefits of a high education based upon Christian truth and principle. In the consideration of the future relations of the institution to the University system of Ontario, it is expected that such conclusions will be reached as will be honourable and satisfactory to our Church.

The Wesleyan Theological College, in Montreal, is manifestly growing in the favour and confidence of both our ministers and laity. To theological students it is becoming increasingly attrac-

tive, as a means of improvement and better equipment for the sacred work of the ministry. We regard with confidence the labours of its instructors as aiming at combining with an earnest, practical, Christian spirit, unswerving loyalty to the doctrines of Methodism. The institution is, we believe, of great benefit to the Church in taking its place with kindred institutions of three other evangelical Churches as a witness for the truth in the great commercial Metropolis of the Dominion.

The Stanstead Wesleyan College, we should not forget, is to be regarded by us with special interest and liberality, as the responsibility of its management now completely devolves upon the Montreal Conference. We trust that it will receive from our people the increased patronage and support which its thorough educational work deserves.

Let us in this age of materialism and "science falsely so called," induce as many bright-minded youths as possible to gain that serene summit of a Christian education on which men may lift up their heads above the enemies of the truth round about.

Many of the older members of our Church have watched with deep interest and satisfaction the growth and prosperity of our *Book and Publishing House* in Toronto, with its branches in Montreal and Halifax.

Consecrated to the development of intelligence and piety, this establishment has done a great work during the past half century. The *Methodist Magazine*, *Christian Guardian*, *Banner*, *Missionary Outlook*, with numerous *Sunday School Publications* better adapted for our schools than the productions of any rival house, and a multitude of such works as would have gladdened the heart of our venerable Founder, issue in an ever-increasing volume to enrich our land. Those homes where our connexional paper is a weekly visitor are kept informed about every living question which affects our Church; are cheered with accounts of revival in our own and other communions; and are furnished with news of our doings which can come to them through no other channel. As you would drive from your tables tainted food, so, dear brethren, keep from your family circles pernicious literature. See what books and papers your children read. Provide them with the best. You would not have them polluted and poisoned.

"Forsake not the assembling of yourselves together." Remember that reverence for God is the foundation of all acceptable worship. Cultivate a cheerful piety. Consecrate your substance and yourselves to the Lord. Band together for aggressive effort. "All at it, and always at it," was a combination of words that used to describe the early Methodists. Let it be also true of us. The

greatest blessing a Church can have is a group of office-bearers on fire with zeal for God. "The governors of Judah shall be as a torch of fire in a sheaf" in these latter days, and as a "hearth of fire among the wood."

Let the young men be strong, and let the Word of God abide in them. One of your own poets has said :

"His strength is as the strength of a tree,  
Because his heart is pure."

May the blessing of the "pure in heart," who "see God" *now*, daily, in all affairs of life, little and great, be yours.

Now and here, ere this pastoral address close, with us, your ministers, consecrate yourselves anew to God, and seek the sacred fire that comes from above; and may "the Lord God of your fathers make you a thousand times so many more as ye are, and bless you as He hath promised you."

Signed by order and on behalf of the Conference of the  
Methodist Church,

LE ROY HOOKER, *President.*

JAMES ALLEN, M.A., *Secretary.*
