## SHEEP BEING PUR- CHASED FOR N. B.

Preparations for the campaign for the stocking of the farms of this province with sheep are progressing rapidly. Thomas Hetherington of Fredericton, Live Stock Husbandman of the Provincial Department of Agriculture today will reach Prince Edward Island in search of pure bred sheep which will be used later for the purpose of stocking. He already has covered Nova Scotia and New Brunswick.

Deputy Minister W. R. Reek will leave for Ottawa, this evening for the purpose of conferring with the Federal Department of Agriculture on various matters. He will return Thursday. It is probable that on his return statistics of crop production in New Brunswick will be issued.

There is considerable conjecture about the bean crop in this province. Last spring many farmers attracted by the remarkably high prices quoted for beans planted increased acreage. This is said to be particularly true of Carleton County. So far it has been impossible to make any estimate of the bean crop. Some damage was done by frosts early in the summer but the effect upon the crop is not known.

Protests by the Provincial Government against the running of farm laborers' excursions brought out the information that none is to be run in 1918.

## A Nurse's Success

The many friends of Miss Viva E. Stephenson, daughter of Mr. and Mrs. James A. Stephenson, will be glad to hear of her success at Clinton Hospital, Clinton, Mass., where she has been for the past three years in the School for Nursing and from which she has recently graduated with much credit to herself and the institution. Miss Stephenson easily carried off the honors of her class. In the final examinations she not only made the highest marks in all the subjects presented but she made a total average of 95.5, which facts speak for themselves. She also proved her efficiency in the surgery by giving such excellent service that she has been asked to take charge of that department. She will remain to take her examination before the State Board in October, after which she will probably come home for a well earned vacation.

## LIEUT. McCOLLUM VISITS OLD HOME

Was in Big Battle of Zeebregg and Ostend

Lieut. Frank A. McCollum, son of J. E. McCollum has been an interesting visitor in the village the last week. While serving with the Bank of Montreal at Montreal with whom he had been with for about ten years, Mr. McCollum decided that the navy was the place for him. He enlisted at once with the Imperial Naval Forces and went over within a few weeks after his enlistment. After serving for a number of months at the Royal Naval College, Greenwich, he became attached to a patrol vessel which he has commanded ever since.

The most outstanding event which has come in his life has been the active anticipation in the affair at Zeebregg. The boat of which he was in command had a very active part in preparation for sinking the old vessel "Vindictive" which was sunk to blockade the mouth of the Mole, a huge break-water to protect Zeebregg against any enemy onslaught. Of the vessels which accompanied the great Vindictive there were four scout vessels and Lieut. McCollum was in command of one. He accomplished his mission without serious casualty and the whole operation—the sinking of the Dreadnought loaded to the waters edge with cement was accomplished without any serious loss of life.

Lieut. McCollum is not permitted to tell for publication all the facts that are at his disposal. He will remain here for two or three week longer but is eager to get back into active service.

On Wednesday evening of last week he addressed the members of the Epworth League and a few members invited from other churches and was heard with a great deal of pleasure. Afterwards the company was served with ice cream and cake at his parents residence.

Burnt Land Brook

Farmers began haying last week but not much in the barns yet.

There was quite a frost Sunday morning but the heavy fog prevented much damage although the tops of tender plants were clipped, tomato blossoms suffered the most.

Mrs. Burridge is visiting her sister, Mrs. J. S. Jenkins.

Mrs. Eliza Everett, and her daughter Edie of Fort Fairfield were visiting relatives and friends in this place last week.

Mrs. Fred Rollins entertained the sewing circle last week. There was a large attendance. Mary Kearney won the sofa pillow made in the circle.

Mr. Kaine held his usual service in the union church on Sunday morning. He was the guest of Mr. and Mrs. Hayden Saturday night.

There was service in the Episcopal church Sunday afternoon.

Mrs. Alice Kilburn, Miss Kilburn and Mr. and Mrs. White passed through this place one day last week by auto and stopped to talk with their old neighbor, F. C. Bloodworth, for a short time.

Raspberries are getting ripe but they are not very plentiful around here.

Charlotte Street Tibbits

Charlotte Street Tibbits, widow of Frank L. Tibbits, late president of the Tibbits Cameron company, died at her residence, 373 Lake drive, at 1 o'clock this morning. She would have been 73 years old in October. Mrs. Tibbits was born in Andover, New Brun-

wick, coming to Wisconsin with her husband in 1877. She was a resident of Milwaukee for the last twenty-five years. She is survived by a daughter, Maud, and a son, Fred Page, both of Milwaukee, also by two other sons, Heber L. of Sycamore, Ill., and Charles S. of Detroit, Mich. Private funeral service at the residence Saturday morning at 11:30 o'clock. Burial in Fairview mausoleum.—Evening Wisconsin, July 26, Milwaukee.

BABY'S GREAT DANGER DURING HOT WEATHER

More little ones die during the hot weather than at any other time of the year. Diarrhoea, dysentery, cholera infantum, and stomach troubles come without warning, and when a medicine is not at hand to give promptly the short delay too frequently means that the child has passed beyond aid. Baby's Own Tablets should always be kept in homes where there are young children. An occasional dose of the Tablets will prevent stomach and bowel troubles, or if these troubles come suddenly the prompt use of the Tablets will cure the baby. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Andrew Scott

The death took place at his home in Lindsay on Wednesday morning of heart trouble of Andrew Scott a well known and prosperous farmer. He was in his 66th year and is survived by two sons, Irs. of Woodstock, and Charles at home, and two daughters, Mrs. Wm. Sinner, St. Andrews, and Mrs. Frederick Cunningham, Weston. The funeral took place on Thursday, the Rev. Spencer Crisp of the Methodist church officiating.

Don't be Dyspeptic

The dyspeptic has thought only of the stomach when the real source of trouble is in the Liver, Kidneys and Bowels. Dr. Chase's Kidney-Liver Pills thoroughly cleanse and purify the digestive and excretory system and in this way put the organs of digestion into splendid working condition. A little patient urging one of these organs when sluggish will restore the habit of healthful digestion.

Serious Fire at Carleton

On Sunday evening fire destroyed the barn owned by Neil Pratt at Carleton Place. Although the flames were discovered about as soon as they started nothing in the buildings were saved and those who were inside at the time had narrow escape of their lives. Among other things lost were a fine span of horses. There were about six tons of hay in the barn. Mr. Pratt carried no insurance and as he is an elderly man he feels his loss very keenly.

A Builder of Health

Nothing can be of greater assistance in building up the system than Dr. Chase's Nerve Food for this food-cure forms new, rich blood, and nourishes and restores the feeble, wasted nerve cells. Gradually and naturally the body and mine regain vigor and energy, and you feel again the joy of living which comes only to people in good health.

## A NERVOUS BREAKDOWN

Miss Kelly Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Newark, N. J.—"For about three years I suffered from nervous breakdown and got so weak and had such a hard time standing and doing anything I could think of and was under a physician's care for two years. A girl friend had used Lydia E. Pinkham's Vegetable Compound and she told me about it. From the first day I took it I began to feel better and now I am well and able to do most any kind of work. I have been recommending the Compound ever since and give you my permission to publish this letter."—Miss FLO KELLER, 476 So. 14th St., Newark, N. J.

Helping Him.  
"I am always eager to get expert advice."  
"Are you?"  
"Indeed I am."  
"Lend me a dollar, please."

Had Experience.  
"What do you expect to enjoy the most about your vacation?"  
"Getting home again."

## YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS

You simply say to the drug store man, "Give me a quarter of an ounce of frezzone." This will cost very little but is sufficient to remove every hard or soft corn from one's feet.

A few drops of this new ether compound applied directly upon a tender, aching corn should relieve the soreness instantly, and soon the entire corn, root and all, will drop up and can be lifted out with the fingers.

This new way to rid one's feet of corns was introduced by a Cincinnati man, who says that while frezzone is sticky, it dries in a moment, and simply shrinks up the corn without inflaming or even irritating the surrounding tissue or skin.

Don't let the father die of infection or lockjaw from whitening at his corns, but clip this out and make him try it.

## GIRLS! LEMON JUICE IS A SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart of the most remarkable lemon skin beautifier at about the cost one must pay for a quart of the ordinary cold cream. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

The only way to break even with the overcharges is to manage to turn them loose upon themselves.

The grifter doesn't believe in stealing trash, but is on the lookout for something that will enrich him for the remainder of his days.

How can you expect a man to stand up for himself when you are constantly sitting on him?

No Thellie.  
"How is the new chauffeur?"  
"Not any good."  
"Can't he keep the machine going?"  
"Oh, yes."  
"And in repair?"  
"He is all right there."  
"Then what's the trouble?"  
"He couldn't hit a post or a telegraph pole, let alone a person."

## SCRAPS of HUMOR

At the Post Office.  
Sweet Little Maiden—Is there a letter for me?  
Post Office Clerk—Who's me?  
Sweet Little Maiden—I'm Gladys Cummin.  
Post Office Clerk—Yes, I dare say you're glad he's coming; but what's your name?  
Sweet Little Maiden—How dare you? My name is Gladys Cummin.  
Post Office Clerk—Oh—oh—I beg your pardon.

Safe and Sane.  
"How long have you had your car?"  
"About one year."  
"Have you ever broken the speed laws?"  
"Never."  
"What kind of a motorist are you, anyway?"  
"The kind who is consistently ignored by joke writers and police court reporters."

A Success After All.  
"What became of the Yacht girl who was ambitious for a stage career?"  
"She turned out much better than her friends expected."  
"You don't mean to tell me she's starring now?"  
"No, indeed. She's the mother of six children and has a husband who doesn't run around at night."

Another Precinct to Come In.  
"Poor Mrs. Brown. I hear she has had a lot of trouble about her husband."  
"Yes, poor dear."  
"I understand there is a scandal mixed up in it."  
"But have you heard the worst?"  
"No—no—I haven't heard what Mrs. Gedabout has to say about it yet."

## THE REQUISIT

Mother—Your father always insists upon sitting on the front row at musical comedy shows.  
Son—Well, his bald head entitles him to it.

## Profiteering

Ten thousand for an airplane  
Or more than that is spent;  
Which is a lot considering  
They make them for ascent.

## Brutally Frank

"How would you look on me as a son-in-law?"  
"Judge for yourself."  
"Your eyes are fixed on the ceiling."  
"Yes; I can't see you in that capacity."

## Aid to the Tired

Yeast—A German invention of which may be lowered with a rope.  
Crimsonbeak—I can't see the good of that. Even if a man is short of stature he can lean against a tall post in time of need.—Yonkers Statesman.

## Not That Feminine

"She ought to make a good business woman."  
"What makes you think so?"  
"She doesn't insist on getting down to the depot an hour before it's time for her train to start."—Detroit Free Press.

## In the Installment Age

"When are you and Charley going to get married?"  
"Not right away. He doesn't think we ought to begin buying the furniture until he gets the ring paid for."

## Out of Commission

"I see you have a cold?"  
"Do you?"  
"It is very evident."  
"Wonderful! My eyes being swollen shut, you see I can't see it myself."

## Keeping Up the Average

"He's too lazy for anything."  
"Oh, no?"  
"What's he good for?"  
"To counterbalance some of you hustlers."

## BEDRIDDEN WITH RHEUMATISM

Felt That He Would Never Walk Again "FRUIT-A-LIVES" Brought Relief.

MR. LORENZO LEDUC

8 Ottawa St., Hull, P.Q.  
"Fruit-a-lives" is certainly a wonder. For a year, I suffered with Rheumatism; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.

"One day while lying in bed, I read about 'Fruit-a-lives' the great fruit medicine; and it seemed just what I needed, so I decided to try it.

The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.

I have every confidence in 'Fruit-a-lives' and strongly recommend them to every sufferer from Rheumatism."

## MARTYRS TO GIRDOLES

A Native Protest Against Feminine Fashions in Japan.

A caustic Japanese critic, Saito Man, has this to say in the Tokyo Advertiser about women's fashions in Japan:

"Archaic costumes, especially those universally worn by ladies, demand reform. The indigent world can be clothed out of the materials wasted in gorgeous kimono sleeves. Nothing is so absurd as the long, heavy, pendulant sleeves attached to a girl's holiday kimono. They serve no purpose, impede locomotion and are a pitiful spectacle.

The girdle is more cumbersome and expensive, especially those worn in one piece of heaviest silk.

"Formerly the ladies were only worn at weddings and state affairs, now every girdle has one. Every wife must have one to sport at the theater. In price this marauder varies from 30 to 1,000 yen (\$15 to \$500) and upward. To girdle it requires all the strength of a well built husband or father. I do not know any Japanese woman who ever succeeded in putting on one herself.

"It is over three feet wide, folded into half that width when worn, and its length is three times the full height of its wearer. In weight it is terrific, thickly embroidered as it is with golden threads. It is chiefest attraction in the whole dress scheme of Japanese womanhood. One might as well ask a woman to discard her hair as it. Every well dressed Japanese lady is a martyr to her girdles. Her entire waist is covered with layers of belting. From the viewpoint of health the girdle (obi) is a most vile contrivance, as every doctor asserts."

## Could Not Lift Stick of Wood

Would Almost Faint From Severe Pain in Back — Doctors Could Not Get the Kidneys Right.

A great many people suffer the results of damaged kidneys and do not understand the cause of trouble or the way to obtain cure. The writer of this letter suffered excruciating pains in the back and in vain his physician tried to cure him. For some reason or other his medicines did not have the desired effect.

Mr. Otto's brother was a merchant selling, among other medicines, Dr. Chase's Kidney-Liver Pills and he heard his customers talking about how they were cured of kidney derangements by their use. This led to Mr. Otto putting them to the test, with the splendid results reported in this letter.

Mr. Otto, E. C. Otto, Benton, Carleton County, N. B., writes: "I am glad to let you know how much your medicine has done for me. I suffered from my kidneys, which at one time were so bad I could not lift a stick of wood without getting on my knees, and then would almost faint from the pain in my back. I consulted a doctor about it, and he gave me some medicine, but it did not help me. My brother, who is a merchant, and carries all your medicines, advised me to try Dr. Chase's Kidney-Liver Pills. I got one box, and they helped me, so I got another one, and kept on until I had taken five boxes, which cured me. I have had no trouble with my back since, and am never without Dr. Chase's Kidney-Liver Pills in the house. Last summer I also suffered from my kidneys. I used three boxes of your medicine, and it cured them. I can certainly recommend Dr. Chase's Pills and Ointment."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, 5 for \$1.00, at all dealers, or Edmondson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute or you will certainly be disappointed.

# Devonshire CANADA PROCLAMATION

GEORGE the FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come or whom the same may in any wise concern,—GREETING:

A Proclamation of conditional amnesty respecting men belonging to Class 1 under the Military Service Act, 1917, who have disobeyed our Proclamation of 13th October, 1917, or their orders to report for duty, or are deserters or absent without leave from the Canadian Expeditionary Force.

E. L. NEWCOMBE, } WHEREAS considerable numbers of men belonging to Class 1 under our Military Service Act, 1917, called out on active service in our Canadian Expeditionary Force for the defence of Canada under our Proclamation of 13th October, 1917, although they have thus become by law soldiers enlisted in the Military Service of Canada,

Have failed to report for duty as lawfully required of them under the said Military Service Act and the regulations thereunder, including the Order in Council duly passed on April 20 last,

Or have deserted,

Or absented themselves without leave from our Canadian Expeditionary Force,

And it is represented that the very serious and unfortunate situation in which these men find themselves is due in many cases to the fact that, notwithstanding the information and warning contained in our Proclamation aforesaid, they have misunderstood their duty or obligation, or have been misled by the advice of ill-disposed, disloyal or seditious persons.

AND WHEREAS we desire, if possible, to avoid the infliction of the heavy penalties which the law imposes for the offences of which these soldiers have thus been guilty, and to afford them an opportunity within a limited time to report and make their services available in our Canadian Expeditionary Force as is by law their bounden duty, and as is necessary for the defence of Our Dominion of Canada.

NOW KNOW YE that we in the exercise of Our powers, and of Our good will and pleasure in that behalf, do hereby proclaim and declare and cause to be published and made known THAT THE PENALTIES OF THE LAW WILL NOT BE IMPOSED OR EXACTED against the men who belong to Class 1 under Our Military Service Act, 1917, and who have disobeyed Our Proclamation aforesaid; or who have received notice from any of Our registrars or deputy registrars to report for duty on a day now past and have failed so to report; or who, having reported and obtained leave of absence, have failed to report at the expiry of their leave, or have become deserters from Our Expeditionary Force, PROVIDED THEY REPORT FOR DUTY ON OR BEFORE THE TWENTY FOURTH DAY OF AUGUST 1918.

AND WE DO HEREBY STRICTLY WARN AND SOLEMNLY IMPRESS UPON ALL SUCH MEN, and as well those who employ, harbour, conceal or assist them in their disobedience, that if they persist in their failure to report, absence or desertion until the expiry of the last mentioned day, they will be pursued and punished with all the rigour and severity of the law, SUBJECT TO THE JUDGMENT OF OUR COURTS MARTIAL WHICH WILL BE CONVENED TO TRY SUCH CASES or other competent tribunals; and also that those who employ, harbour, conceal or assist such men will be held strictly accountable as offenders and subject to the pains, penalties and forfeitures in that behalf by law provided for their said offence.

Provided however that nothing contained in this Our Proclamation is intended to release the men aforesaid from their obligation to report for duty as soon as possible or to grant them immunity from arrest or detention in the meantime for the purpose of compelling them to perform their military duty; Our intention being merely to forego or remit the penalties heretofore incurred for failure to report, absence without leave or desertion incurred by those men of the description aforesaid who shall be in the proper discharge of their military duties on or before the said twenty-fourth day of August, 1918.

Of all of which Our loving subjects and all others whom these presents may concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. Witness Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Duke of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter: One of Our Most Honourable Privy Council: Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of OTTAWA, this FIRST day of AUGUST, in the year of Our Lord one thousand nine hundred and eighteen, and in the ninth year of Our Reign.

By Command,

Thomas Mulvey  
Under-Secretary of State.

### Harold Olney Dies in France

France, July 1.  
Dear Mrs. Olney: It is with the deepest sympathy and regret that I write of your son's death and I cannot speak too highly of him.

Your son had one of the best Lewis Gun sections in the battalion and would not take stripes; he could have been a N.O.C. a year ago, and has been offered stripes several times since, even after he was wounded. He tried to make the stretcher bearer see to the others first saying he was done for. He was taken right away to the dressing station and died shortly after.

Harold was loved and respected by every one and has left a vacant place in our hearts that will be very difficult to fill.

I was away on a course but was very glad to hear that some of the men had written you.

Please accept my heart felt sympathy and if there is any in-

formation I can give will only be to glad. Harold is buried in a British Cemetery about eight miles back of line in a small French village.

Sincerely yours  
M. C. BUCHANAN, Lt., 29 Bn.

C. of E. Picnic a Success.

The Church of England picnic was held on Thursday of last week. Early in the day a good crowd began to assemble and before long fully as great a number as last year were on the ground. By a long shot the most interesting part of the program was the catering to the way of the inner man. The total receipts of the day, including concert in the evening was considerably more than \$300 while the full proceeds was \$245. The Concert in the evening was very well attended and about 250 people were present. The management who had the whole affair in hand are very grateful to those of outside churches who rendered such valuable and willing assistance. If any person lost any dishes at the picnic or concert they may get them at the rectory.

### NOTICE OF SALE

There will be sold at Public Auction in front of the Court House in the Town of Woodstock in the County of Carleton on Monday the eleventh day of November next at two of the clock in the afternoon the right, title, interest, possession, claim and demand which SANDY P. SMITH, formerly of Woodstock in the County of Carleton had on the first day of November, A.D. 1917, or whist he now has in, to, out of or upon the following described lands and premises, that is to say:—All that certain piece or parcel of land and premises in the Parish of Wicklow and County of Carleton bounded as follows:—Beginning at a cedar stake on the Eastern side of the Summerfield road and at the Northwest corner of land owned and occupied by Charles A. Smith; thence along said road eight rods to another stake; thence East ten rods to another stake; thence South eight rods to another stake; thence West along the side line between C. A. Smith and one Granville E. Pollett ten rods to the place of beginning, containing one half acre more or less, and known as a portion of the Horace Beardsley Grant, and being the same land conveyed to said S. P. Smith by G. E. Pollett and wife by deed registered in said Carleton County Records in Book 4 on pages 213-4, the 29th day of October 1908 as 5035.

The above sale will be held under and by virtue of several executions issued against the said Sandy P. Smith now in my hands.  
For terms of sale and further particulars apply to the undersigned.

# Carleton Observer and Victoria Co. News

These two newspapers, combined under one management, have now a larger circulation than the combined efforts of any two papers north of Woodstock.

When it comes to printing, it has the most complete plant in the province exclusive of none. Commencing at once, changes, working towards improvement when once being made, will at once place The Observer and The News, singly, on a much stronger footing than any other paper.

While it is not the present intention to re-equip The News plant at Perth, it will be possible to meet there the ordinary needs coming to a newspaper office. The manager of The News finds the plant in a worse condition than when he relinquished its control more than 15 years ago. Thousands of dollars would be required to place it on an equal footing with the equipment of The Observer office which plant is very complete. In a recent issue of The Observer was described the splendid new press and outfit of type that has from time to time been assembled together. For the time being The Victoria Co. News and most of the printing coming through that office will be published at Hartland, where it seems the manager can render every satisfaction to his large number of readers. The circulation of The News and The Observer combined is 4,050 copies per week so it will be seen that the county is thoroughly covered and the printing plant, being equipped with three cylinder presses, three Gordon presses, one Pearl press, two Paper cutters and, in fact, a little more than two complete newspaper outfits. Some of this is "junk," pure and simple, but most of it is in prime condition, the best profitable condition for the carrying on of job and newspaper printing.

Possibly Victoria County people may feel that one of their money making industries has been lost to Carleton county, but such is very far from the true state of affairs. It is the manager's intention to pay more wages and employ more help than ever has been on the pay-roll of the Victoria Co. News. An office is now open at Perth under the present management of Miss Gladys Fletcher. Offices will be opened at Arrostook, Plaster Rock and Grand Falls as soon as the arrangements for this service can be completed.

#### THE FIRST LINE OF DEFENSE

Pure blood is the body's first  
line of defense against disease.  
Strong, healthy blood neutralizes  
the poisons of invading germs, or  
destroys the germ themselves.  
That is why many people exposed  
to disease do not contract it.  
Those whose blood is weak and  
watery and therefore lacking in  
defensive power are most liable  
to infection. Everybody may ob-  
serve that healthy, red-blooded  
people are less liable to colds and  
the grippe, than pale, bloodless  
people. It is the bloodless people  
who tire easily, who are short of  
breath at slight exertion, who  
have poor appetites, and who  
wake up in the morning as tired  
as when they went to bed. While  
women and girls chiefly suffer  
from bloodlessness the trouble  
also affects both boys and men.  
It simply affects girls and women  
to a greater extent because there  
is a greater demand upon their  
blood supply.

To renew and build up the blood  
there is no remedy can equal Dr.  
Williams' Pink Pills. They tone  
up the entire system, make the  
blood rich and red, feed, and  
strengthen starving nerves, in-  
crease the appetite, put color in  
the cheeks, give refreshing sleep  
and drive away that unnatural  
tired feeling. Plenty of sunlight  
and wholesome food will do the  
rest.

You can get Dr. Williams' Pink Pills through any dealer in  
medicine, or by mail at 50 cents  
a box or six boxes for \$2.50 from  
The Dr. Williams' Medicine Co.,  
Brookville, Ont.

A Dubious Question.  
"What did pa say when you told  
him you wanted to marry me, Char-  
ley?"

"A very queer thing, darling. He  
asked me if I had insanity in my fam-  
ily."

Might Be Much Worse.  
"When I hear the popular songs  
whistled on the street wherever I go,  
I'm so thankful to the whistlers!"

"Thankful?"  
"Yes; suppose they could whistle the  
words!"
