MINUTES OF ANNUAL MEETING.

The Twenty-Eighth Annual Meeting of the Protestant Infants' Home was held in the Home, 508 Guy Street, on Wednesday, April 13th, 1898, at 3.30 p.m.

Among those present were His Lordship Bishop Bond, Rev. E. Bushell, Rev. E. M. Hill, Rev. F. M. Dewey, Rabbi Veld, Dr. A. W. Haldimand and J. H. Isaacson, Esq.

Letters of regret were received from the following:—Rev. Dean Carmichael, Rev. W. S. Barnes, Rev. Donald Grant, Rev. Dr. Evans, Rev. T. W. Winfield and Rev. Dr. Manly Benson.

His Lordship presided. The opening devotional exercises were conducted by Rev. E. McManus and J. Patterson.

The Chairman read the Secretary's report, Rev. E. Bushell presented the Treasurer's report, and Dr. A. W. Haldimand presented the Medical report. Rev. E. M. Hill moved the adoption of the several reports, and that they be printed and circulated, which was seconded by Rabbi Veld, and carried unanimously. It was moved by the Rev. F. M. Dewey, seconded by J. H. Isaacson, Esq., and carried, that the officers for the ensuing year be accepted. (List of names will be found on another page.)

The gentlemen present spoke very highly of the work as carried on by the Committee of Management, and expressed themselves as being heartily in accord with the projected addition of an Isolation Ward, which would tend to make the working of the Home easier and much more efficient. The Chairman extended an invitation to those present to remain after the Benediction was pronounced by the Rev. F. M. Dewey, and partake of light refreshments, which would be served in the dining-room.

THE TWENTY-EIGHTH ANNUAL REPORT
OF THE
PROTESTANT INFANTS' HOME.

SECRETARY'S REPORT.

"No one shall work for money,
No one shall work for fame.
Only the Master shall praise us,
And only the Master shall blame."

The Lady Managers of the Protestant Infants' Home, in presenting their Twenty-Eighth Annual Report, do so in the hope that their many kind friends who have so generously contributed to the support of the Home will feel that the funds entrusted to their care have been disbursed in such manner as to ensure the most good being attained.

There has been very little to mark this from preceding years. We have had our successes and our discouragements, such as are sure to be encountered in carrying on a work like ours, but we struggle bravely on, hoping with the Divine blessing to overcome all difficulties. At the beginning of the year just closed there were 52 children in the Home; 109 have since been admitted, making a total of 161. Of this number 69 have been removed by parents or friends, 1 transferred to the Orphan Asylum (he having attained the age of 5 years), 30 have died, and 61 remain in the Home. Of the total number of children received into the Home during the year, 5 were the children of widowers, 7 of widows, 17 with mothers sick in hospital, 4 with mothers in the asylum for insane, 21 were the children of deserted wives, 2 the children of parents unable to provide for them, 9 with one or both parents drunkards, 3 foundlings, and 41 were illegitimate; 28 women have been received in the Home during the year, and there they are busily employed in attending and caring for the little ones placed in their charge. When they are able to leave the Home, the ladies endeavor to secure situations for them or enable them to reach their friends.

We have been obliged to close the Home at different times during the year when chicken pox and then whooping cough, prevailed, consequently the number of children is not as large as it might otherwise be.

It is at such times that we feel the need of an addition or Isolation Ward, for we are so overcrowded that isolation in our present quarters is utterly impossible, and in spite of every precaution the contagion spreads, affecting at least half the children in the Home, if not the whole number. During these times the Home is closed to visitors and no applications received; then, too, many of the Lady Managers fear to visit the institution, lest they carry the infection home to their own little ones.

It is much to be regretted that in a city so well equipped with hospitals and public institutions of all kinds, that there is no place where we can send such minor diseases as whooping cough, measles and chicken pox. Such a building would not only benefit public institutions, but would be of great benefit to mothers of large families where complete isolation in their own homes is impossible. Last spring we felt that we must add such an extension to our present building, it would be most invaluable to us in more ways than one, for the new comers could then be isolated for the space of two weeks before joining the others in the main building, thus preventing in many cases the introduction of infection into the Home; but the lack of funds deterred us, and the more we considered the ways and means of raising the necessary amount, the fainter grew our hearts, until at last we laid the idea aside for one year. In the meantime we have appealed to the churches to assist us in getting up a large Fair to be held in October, from which we expect to realize quite a nice little sum, as we hope all our friends will help us in this undertaking. Then, Prof. Norman has kindly offered us part of the proceeds of an entertainment, "A Carnival of Nations," to be given by him in our behalf towards the end of April. We are certainly determined to have that addition erected this summer, borrowing the money for this purpose from our permanent fund, depending largely upon a generous public to assist us in paying it back. We are indebted to Mr. Maxwell, Architect, for our plans of the proposed addition, which he kindly prepared for us.

In October a "Klondike Tea" and sale of home-made cake and candy was held in the parlors of Emmanuel Church, at which we succeeded in raising the sum of sixty-one dollars. We now take the opportunity of again thanking the many kind friends who assisted us in any way at that entertainment. Through the summer we received the sums of \$4.61 and \$3.16, the results of two bazaars given by Miss Gladys MacLean and her little friends; the sum of \$4.07 was also received from Miss Elsie Clarke, of Smiths Falls, the proceeds of a bazaar held by her and her little friends.

Such evidences of the thoughtfulness of our little friends for their less fortunate brothers and sisters is a great source of pleasure to us in the carrying on of our work. We have also to record the

receipt of a most munificent gift of \$4,000.00 towards our permanent fund from Mrs. J. H. R. Molson, and that of \$1,000.00, less the Government tax of ten per cent., from the estate of late Robt. Anderson, Esq.; \$100.00 from Lord Strathcona and Mount Royal, towards our proposed extension; and \$200.00 from estate Mrs. Davidson. Such gifts are indeed welcome, and always mark a bright era in our existence.

We regret that there are no adoptions to report this year; 129 have been adopted since the Home was first established.

The little ones were treated to an outing on all fine days during the past summer, picnicking in one of the fields on Cote des Neiges, kindly placed at our disposal by Mr. McCord. They also enjoyed two street car drives through the kindness of Miss Dow, who always contributes ten dollars for picnic money. Last summer we thought the car drives would be a greater source of pleasure, and so they proved to be, and many of the little ones were too excited to sleep the night preceding the drive, and the two hours and a-half they spent going through the principal thoroughfares of the city formed the chief topic of conversation for many days. Very happy they looked, both mothers and children, and I am sure if the walls could have spoken, they would have expressed wonder at the unusual silence, for every soul in the building was out and stowed away somewhere on the cars.

One motherless little one we sent to an aunt in England on the first trip of the "Parisian" last spring. She was entrusted to the care of a passenger, who delivered her safely to her aunt in Liverpool. She writes us that "little Lillie is a great source of pleasure to them, now that they are beginning to understand her," for at first they mistook her baby prattle for French which she was supposed to have learned during her stay in the Home.

We are sorry to report a decrease in our collections this year. Many of the ladies felt it impossible to go around soliciting help as formerly, so a lady collector was engaged, who has worked faithfully, but owing to business depression and other causes, our friends, who are always generous, found it impossible to subscribe as formerly, but we are still able to report a balance on hand sufficient to keep us until the fall, when the collector again starts forth to solicit the necessary funds to carry on the work.

We are indebted to several clergymen of different denominations for their attendance at the Home to hold services on Thursday evenings throughout the year, which have been a source of very great pleasure to the inmates. Our thanks are also tendered Mr. Peter Wood for Bible reading on Saturday evenings. The daily Family Prayer is conducted by the Matron.

The Committee regret very much that, owing to ill-health and

inability to attend, some of the members have resigned from the Board of Management.

During the year Mrs. Geo. Browne was elected to the Board of Managers. The Managers' Annual Meeting was held on April 6th, 1898. The following officers were elected for the ensuing year :—

President—Mrs. J. A. Harte.
 1st Vice-President—Mrs. Alex. Ramsay.
 2nd Vice-President—Mrs. F. S. Brush.
 Treasurer—Mrs. Chas. Ault
 Secretary—Mrs. W. J. Benallack.

Mrs. Van Allen, the Matron, and the Head Nurses are still fulfilling the duties pertaining to their respective positions with ability, gaining the approval of the Managers. The special thanks of the Managers are due and hereby tendered "The Ministering League" of St. James the Apostle, "The Good Samaritan Society" of the Church of the Messiah, "Willing Workers" of Stanley Street Presbyterian Church, "Ladies' Aid" of Erskine Church, "Ladies' Aid" of St. Paul's Church, "Dorcas Society" of the American Presbyterian Church, the "I. H. N. Society" and "Ladies' Aid" of St. Andrew's Church, for valuable donations of clothing, etc., received for the use of inmates; to the Medical Staff for their valuable services and advice so cheerfully given to promote the health and comfort of the inmates; to several of the clergy who have attended at the Home to administer the rites of baptism and conduct the burial service; to J. H. Isaacson, Esq., for a large amount of notarial work done gratuitously; to Messrs. Robertson, Fleet & Falconer for legal advice; to the Quebec Government for its annual grant; to the President and Directors of the City and District Savings Bank for their annual donation; to Messrs. R. A. Beckett & Co. for ice during the season; to the proprietors of the "Daily Witness" and "Gazette" for gratuitous advertising; to J. R. Dougall, Esq., for one copy of the "Daily Witness" throughout the year; to all who have sent donations during the year or have in any way contributed to the welfare and comfort of the inmates.

We cordially invite all interested in the work to visit the Home; it is open for inspection at all times.

All of which is respectfully submitted by the Managers.

ANNIE BENALLACK,
 Secretary.

MEDICAL REPORT.

To the Members of the Corporation of the
Protestant Infants' Home :—

Ladies and Gentlemen,—The members of the Medical Board have much pleasure in presenting their annual report for 1897-1898.

At the beginning of the year there were 53 children remaining in the Home ; 109 have been admitted since, making a total of 161.

During the year, of this number 30 have died.

The numbers that died each month were as follows :—

April	3
May	5
June	2
July	2
August	2
September	6
November	3
December	2
February	5
	—

Marasmus	8
Tuberculosis	1
Gastro Enteritis	2
Pneumonia	1
Broncho pneumonia	1
Measles	6
	<hr/>
	30

The Board regrets that the death rate has been so high. This is partly due to a severe epidemic of measles which attacked the inmates, cutting off many at the time, and weakening permanently many others, who subsequently succumbed to slighter ailments.

The Medical Board are glad to think that in the near future they will have at their command the inestimable advantages of an Isolation Ward, where children upon their entrance may be kept under observation for a few days, till it is positively assured that they have no disease lurking in the system. It is quite possible to admit a child apparently healthy, yet already in the incubation stage of some infectious disease. This ward will also be used for the isolation of any suspicious case of infectious disease in the Home until a definite diagnosis can be made. In an institution of this kind such a ward is an absolute necessity, and we trust a generous public may assist the ladies in this undertaking.

The Protestant Infants' Home has now been for many years one of the well-known institutions of our city. A glance at the names of the ladies who have been upon the directorate of the Home shews us that from its inception until the present day its affairs have been managed by those who, Dorcas-like, are best known amongst us for true charity and Christian work.

The Medical Board desire to thank the ladies for their hearty co-operation and kindness in carrying out any of their suggestions.

The Board would also take this opportunity of expressing their appreciation of the services of Mrs. Van Allan and her assistants, Mrs. Campbell, Miss Shaw and Miss Elliott.

Respectfully submitted,

W. GRANT STEWART, B.A., M.D.,
Sec. Medical Board.
