## Proceedings in Arts.

### BACHELOR OF ARTS.

All candidates for this Degree must be Matriculated Students of Trinity College, and have kept nine complete Terms. They will be required by the University to pass the Primary, Previous, and Final Examinations.

Residence and attendance at Lectures may, however, be dispensed with in individual cases, in which application to that effect shall have been made to the Corporation, and the grounds assigned by the applicant unanimously approved by the Corporation. In such cases the applicant must not be less than twenty-five years of age, and will be required to pass the Matriculation Examination, the Primary, the Previous, and the Final Examinations at intervals not less than those which are prescribed in the case of resident students, and to pay for each Examination which he undergoes, in addition to the fees for Matriculation and Degree, the sum of \$5 to the University Chest. The permission to proceed to a degree in this manner by Examinations only, must be given by the Corporation before the candidate presents himself for the Matriculation Examination.

Students attending any Divinity School in connection with the Church of England, will be admitted to

the Degree of B.A., on condition of passing the usual Examinations, viz., the Matriculation, the Primary, the Previous, and Final Examinations, at the accustomed times, the Candidate producing on each occasion the necessary certificate from the authorities of his Divinity School, viz., at the Matriculation Examination that he has been admitted as a Student of the School, and at the Primary, Previous, and Final Examinations, that he has kept at least the requisite number of Terms, and that he is in good standing. Students who do not reside for so long a period as three years may be admitted to the Degree of B.A., on condition of keeping at Trinity College the rest of the Terms required, and of passing the necessary Examinations. Or they may make, severally, application to the Corporation of Trinity College to be allowed to avail themselves of the Statute under which applications are admitted to the Degree of B.A., by Examination only.

Students at Law of Osgoode Hall may be admitted to the Degree of B.A., if, during their Law Course, they have kept three terms in Trinity College, and have passed the Matriculation, the Primary, Previous, and Final Examinations for the Degree of B.A.

Undergraduates of other Universities may, at the discretion of the Provost, be admitted *ad eundem statum*, up to the end of the Second Year, provided they have kept their terms by attending Lectures and passing Examinations.

## Trinity College.

---

TRINITY COLLEGE was, by an Act of the Legislature of the Province of Canada, passed in the year of our Lord, 1851, constituted a body corporate, consisting of the Lord Bishop of Toronto (or, in case of the division of the Diocese of Toronto, of the Bishops of the several Dioceses into which the Diocese of Toronto shall be divided), the Trustees of the College and the College Council.

On the 1st of January, 1850, an Act of the Provincial Legislature came into operation, constituting the University of Toronto; and, under the provisions of this Act, the Faculty of Divinity was suppressed, and other changes made in King's College, now known as University College.

These important changes in the Constitution of a foundation, which owed its origin mainly to the long-continued and persevering efforts of the Bishop of Toronto, appeared to his Lordship, and to the great body of the Churchmen of this Province, to render indispensable the erection of a College under the control of the Church of England, but open to members of other religious bodies, in which secular instruction should not be dissociated from religious teaching.

The Bishop, consequently, on the 7th of February, 1850, issued a Pastoral Letter to the Clergy and Laity of the Diocese inviting their co-operation in the good

work. This appeal was nobly responded to, and about \$100,000 was subscribed in money, lands, and stock in building societies.

In the same year his Lordship proceeded to England, where he received very liberal assistance in carrying out his great design. The Society for the Propagation of the Gospel in Foreign Parts made a vote of two thousand pounds, payable by instalments of two hundred pounds per annum; and also gave seven acres and a half of land within the precincts of the City of Toronto. The Society for Promoting Christian Knowledge granted three thousand pounds; and the University of Oxford five hundred pounds. The subscriptions of individuals exceeded four thousand pounds.

On Wednesday, April 30th, 1851, the foundation stone of the College was laid, and on Thursday, the 15th of January, 1852, the Inauguration took place, and from that day the regular course of instruction commenced.

In the year 1852, the Ven. A. N. Bethune, D.D., Archdeacon of York, raised further subscriptions in England; and in 1852-3, the Rev. Wm. McMurray, D.D., by the appointment of the Bishop, made a tour in the United States, for the purpose of soliciting subscriptions on behalf of the College. He met everywhere with a most cordial reception from the members of the sister Church; and obtained, in books and money, little short of \$10,000.

— Within the Diocese successful efforts were at the same time made by the Rev. T. B. Fuller, D.D., and by the Rev. Saltern Givins; the former, by the Bishop's

appointment, undertaking the canvas of the Western—the latter, that of the Eastern section of the Diocese.

In April, 1853, Dr. Burnside placed at the disposal of the College the munificent sum of \$24,000, in lands and money—a portion of which has been devoted to the foundation of two Burnside Scholarships for Students in Arts, in order permanently to associate with the College the name of this noble benefactor.

In the year 1864, the Rev. William McMurray, D.D., D.C.L., Rector of Niagara, was deputed by the Corporation of Trinity College, to visit England for the purpose of seeking aid towards the endowment of the College. The result of his laborious and successful endeavours was the realizing of an amount in money and in books of about \$20,000. The books are mentioned in detail in the account given of the Library of the College. Dr. McMurray's mission having been interrupted by the necessity of returning to Canada, the Rev. W. S. Darling, in the following year, took up the unfinished work, and succeeded in collecting \$2,526.

The Hon. James Gordon bequeathed to the College in 1865, the sum of \$2,000.

In the year 1866, Enoch Turner, Esq., of Toronto, bequeathed to the College \$8,000, "to be applied towards carrying on the charitable and holy purposes for which the College was incorporated."

Thomas Clark Street, Esq., bequeathed to the College, in the year 1871, the sum of \$4,000.

In the year 1876, the family of the late James Henderson, Esq., of Yorkville, being desirous of carry-

ing into effect the intention of their father, for which he had made no provision in his will, gave the College \$4,000.

This sum, together with Mr. Street's legacy of \$4,000, has been applied towards the erection of a Convocation Hall, which was formally opened on November 15th, 1877, the occasion of the installation of the Hon. G. W. Allan, D.C.L., as Chancellor of the University.

In the year 1882, in view of the urgent necessity of enlarging the Professorial Staff, the Corporation resolved to appeal to the country for the sum of \$200,000, as a Supplemental Endowment Fund, to enable them to found additional Chairs in Theology, Physical Science, English and English Literature, Moral and Mental Philosophy, History, and Modern Languages; to encourage post-graduate study, as well as to reinforce the Teaching Staff by the foundation of two or three small Fellowships; to erect a College Chapel, to complete the existing quadrangle so as to provide increased accommodation for resident students, and to construct an additional building containing a complete set of Lecture Rooms, Laboratory, &c.

During the year about \$45,000 was subscribed, including a donation of \$10,000 from the Henderson family for the new Chapel, in consequence of which the Corporation have been enabled to found a new Chair in Theology, which has been filled by the appointment of the Rev. G. A. S. Schneider, B.A., Caius College, Cambridge, and to proceed with the erection of the College Chapel, in accordance with the

plans of Messrs. Darling & Curry, Architects, of Toronto.

The Corporation has recently appointed the Rev. R. H. Starr, B.D., late Rector of Kincardine, to canvass on behalf of the Fund throughout Ontario, who at once entered upon his duties.

Other benefactors to the College will be found mentioned in connection with the Library, or under the head of Scholarships.

### The Corporation of Trinity College.

---

The Corporation, by an Act of the Legislature of the Province of Canada (15 Vic. ch. 32), is composed of the Bishops of the five Dioceses into which the original Diocese of Toronto has been divided, of the Trustees of Trinity College, and of the members of the Council of Trinity College. The College Council consists of three classes of members:—*ex officio*, nominated, and elected members. The *ex officio* members are the Chancellor of the University of Trinity College, the ex-Chancellors, the Provost, and Professors in Divinity and Arts of Trinity College. Sixteen members are nominated, four by each of the Bishops of Toronto, Huron, Ontario, and Niagara, from their respective Dioceses. Fifteen members are elected, eight by the same electors as the Chancellor (see page 17), to hold office for four years, two being elected in each year, and the remaining seven by the whole Corporation.

A student shall not be awarded a Scholarship in any department unless he shall have obtained at least two-thirds of the marks assigned to that department in the June and Christmas Examinations together, and shall have passed in all the other subjects in which he is required to present himself for examination both at Christmas and in the University Examinations in June.

TWO SCHOLARSHIPS, founded by the Society for the Propagation of the Gospel, from the Jubilee Fund of the year 1851, of the annual value of \$160, tenable for two years. One of these Scholarships is awarded yearly to the most deserving Bachelor of the year, who has obtained at least second class honours in Classics or Mathematics. On admission to the Scholarship, a declaration must be signed by the holder that it is his purpose to complete the Divinity Course of two years in Trinity College, and to present himself as a Candidate for Holy Orders, and should he fail to do so, he will be held bound to refund to the College such proceeds of the Scholarship as he shall have received.

THE SYNOD OF THE DIOCESE OF TORONTO provides Exhibitions, tenable by Students of Trinity College.

Exhibitioners are also nominated by the DIOCESES OF ONTARIO AND NIAGARA.

C. W. Cooper, Esq., of Mount Pleasant, left by will in 1866, the sum of \$4,000 in City of Hamilton debentures, for the purpose of endowing an Exhibition to be held in Trinity College, the Exhibitioner to be nominated by the Executors of Mr. Cooper's will during their lives, and afterwards by the Bishop of Toronto. The present value of the Exhibition is \$200, it is tenable for one year, and any matriculated Student of the College, not holding a Scholarship, is eligible, with a preference in all cases to the sons of Clergymen. The Exhibition will be forfeited if the holder fails to keep a term, or to pass any Examination at the regular time.

The Corporation has also provided that four Bursaries shall be open every year, tenable from year to year, for a period not exceeding three years, of the value of \$62 per annum. Any student who shall have passed the Matriculation Examination, and shall have satisfied the Corporation that he cannot, without the aid thus afforded, avail himself of the advantages of a University Education, shall be eligible for a Bursary, provided that he is not the holder of a Scholarship or Exhibition. *Ceteris paribus*, the sons of Clergymen will be preferred.

These Scholarships, Exhibitions, and Bursaries are held during good behaviour, with the further condition in the case of Scholarships, that the holder thereof shall attend Honour lectures, and satisfy the Professors in such lectures.

## Trinity College School.

---

*"Beati mundo corde."*

---

The School was first established in the village of Weston, near Toronto, and was opened on the first of May, 1865, under the Head-Mastership of the Rev. C. H. Badgley, M.A. During the summer of 1868, the School was removed to Port Hope. In January, 1872, the first portion of the new buildings was completed and occupied. The School premises now consist of over twenty acres of land, affording ample space for large Cricket and Foot-ball grounds, situated on high land outside the town of Port Hope; the large and handsome building, including a beautiful Chapel, presents a south front of about three hundred feet in length, and a west front of eighty feet; it is capable of containing a School of upwards of 150 boys.

Trinity College School was, by an Act of the Legislature of the Province of Ontario, passed during the Session of 1871-2, constituted a corporate body, consisting of the Lord Bishop of Toronto, the Chancellor of the University of Trinity College, the Provost, and the Professors in Arts of Trinity College, the Head

Master of the School, and such other persons as may from time to time be appointed by the Governing Body.

The Course of Instruction includes all the usual branches of a sound education in Classics, Mathematics, English, German, French, Natural Sciences, Book-keeping, Drawing, Vocal Music, and Military Drill. Pupils are prepared for the Matriculation Examination of the Universities, and the Entrance Examinations of the Law and Medical Schools, the Royal Military College, the Army, Navy, &c In the Modern Department special attention is directed to preparation for commercial pursuits. The discipline and general management of the School are based upon the English Public School System.
