ST. ANDREWS, AUG. 28, 1861.

We have crowded out matter of every kind this week in order to give lengthy extracts from Mr. Russell's lefter. To him alone can we, in common with the people at home, look for an impartial account of the scenes which lie describes. The most inexperienced need through the American papers are utterly unreliable, although by the Americans them cives they are sought for with an avidity and swallowed with a credulity peculiar to that people. That Mr. Russell's "style" is not so well appreciated at Washington as c'sewhere is evident from the fact that he has ately been refused a pass to go across the
