WILL LEAVE SUMMER HOME

Toronto Paper Announces
that Arthur Stringer will
Desert Erie Beach

His Charming Holiday Home Now
for Sale—His Plans for the Future.

The Toronto News says: Mr. Arthur Stringer, the well-known Canadian writer, wishes to sell his Kent County summer resort. For four summers now the poet and novelist has worked at his 14 acres on the edge of Lake Erie, twelve miles south of Chatham. He has made of it a prize garden, abounding with luscious fruits, such as he once knew on his father's farm. Under his laborious care it has become a secluded villa, such as even the poet Horace might have celebrated in one of his charming odes. A lovely green dotted with tasteful shrubs, leading to the edge of the bank, affords a commanding view of a large bay flanked to the southeast by a sandy beach.

For the past four summers the author of "Hephæstus," "The Silver Poppy," and "The Little Paradise," has been with him. Visited by all the birds known to Kent County, his villa has been a self-roofed, painted and built with porches and pillars of stone gathered from the beach below. Every summer until this one Mrs. Stringer, known to the stage world as "Jobyna Howland," has been with him. There she has learned the art of house-keeping and the ways of farm-life. There Mr. Stringer wrote most of "The Silver Poppy." There, too, he is now completing another book based on his last winter's travels with Mrs. Stringer in Italy.

Last summer during a visit to her Colorado home Mrs. Stringer became dangerously ill with typhoid. After her recovery instead of returning for the season to the New York stage, according to her custom, she went with her husband on the Italian tour. This summer, shortly after their return to Kent County, she received a telegram from her manager advising her to return at once to New York for the summer season. She went. Now Mr. Stringer is willing to sell his summer home.

Miss Minnie Killam, Chatham, is the guest of Miss Clara Pembroke, 21 Eagle street.—St. Thomas Times.

SEIZED BREAD

The Police Were After the Bakers
Who Sell Underweight Bread and
They Confiscated About 74
Loaves.

Chief Holmes and Officer Tom Groves made a few surprise parties yesterday morning, as a result of which the Home of the Friendless and the two hospitals are now well supplied with bread. It is the custom of the police to make sudden raids, weigh the bread turned out by the different bakeries, and all bread that does not weigh the required amount is confiscated. These visits are liable to come at any time and yesterday happened to be the wrong time for two bakeries—one a local one and the other a London concern.

The police took the morning for the work and visited every bakery in the city. Everything was found satisfactory at the establishments of Terry, Poole, Somerville, Mounter, Bogart and Wing, but the agent for the London bakery, who receives every day, had 48 loaves all underweight. These were all seized. When Waterhouse's was visited 150 loaves were weighed, and of these 26 were under weight. These were also seized.

SUCCESSFUL PIGNIO

One of the largest and most successful pignios ever held in Raleigh was the one celebrated by the Independent Foresters at South Buxton yesterday. It was held in J. Roe's bush and was very largely attended. Everyone present spent a most enjoyable time. The proceeds were donated towards the completion of the Forester's new hall at South Buxton.

T. A. Smith presided over a program of music and speeches in the evening. Addresses were delivered by H. S. Clements, M. P., Arch. McGeog, M. P., Geo. Wanda, and Jas. Chisholm; songs were given by Miss Smith and John Smith gave excellent piano music.

The Committee, L. Pardo, reeve and James Brady deserve great credit for their efforts in making the affair the success it was.

The firemen gave an exhibition run yesterday at noon for the benefit of the Canadian Association of Stationary Engineers. Box 52 was pulled, and the firemen made a very fast run.

Your choice of two hundred colored soft front shirts, sizes from 14 to 37, former prices 50c and 75c, while they last for 39c. Sale commences to-morrow, Saturday, 19th, Stone, The Hat-tr.

The following list of Justices of the Peace for East Kent has been approved by the government. The list includes seventeen reappointments and several of the former justices declined proffered re-appointment. The list, it will be seen, is comprised entirely of strong and worthy men, both political parties being well represented, and is a distinct advance. The number has been somewhat decreased, but the calibre of the new justices will inspire confidence and esteem. The list is distinctly creditable to Philip H. Bowyer, M. P. P., the valued member for the constituency of East Kent, and the new Provincial Government.

Her arrival was unexpected, as the officials here did not look for any of the racers before the afternoon. The Corona, another of the racers, was reported at 11.30 four miles off Chebucto Head. WAS DISGRACEFUL

Conduct at the Curling Rink Last
Night Will Injure Further Cele-
brations if not Reproved

One of the most disgraceful and repulsive affairs ever witnessed in Chatham occurred at the colored dance at the curling rink last evening.

The event was held as a grand finale to the Masonic convention which was held here, but the results of the evening showed that either these dances should be prohibited or a policeman should be on the spot to maintain orderly and decent conduct.

The dance passed off very pleasantly till about half past eleven o'clock, when a number of whites dropped in to see the dancing. One big colored man from Windsor, named Smith, weighing about 200 pounds, and his two brothers, who were just as weighty, were all there and when they saw a white man coming in, the first Smith walked over to him and was soon mixed up in a quarrel. Smith, suddenly turned on the white man and struck him on the face, knocking him down, and then jumped on him with his feet, injuring him quite seriously.

This was only one accident, and it was followed by several bloody "scrapes" which ended in all of the whites being thrown out of the hall. Then the colored people began to fight amongst themselves.

Later on in the evening a young man and his mother-in-law commenced to give vent to their differences. This also ended in a hand-to-hand fight which was sickening to witness. When it was over the young man's face and shirt were literally covered with blood, the woman was also bleeding at the face and her green silk dress torn in shreds.

The music, which could be heard above the din and uproar, was good and was furnished by Finney's Orchestra of Detroit. There were people present at the convention and dance from Windsor, Cleveland, Columbus and Detroit. All of the colored people at the dance should not be held responsible for the disorder. There were many present who did not approve of the rough conduct of some of the people there, but the ultimate conclusion arrived at is that some one should be on hand to maintain order when the next dance is held in Chatham.

SUDDEN DEATH

Mrs. Mann, Sister of Mrs. W. Pringle
of this City Passes Away in St.
Thomas.

Mrs. Amelia A. Mann, widow of the late Jehiel Mann, a well-known barrister in this city, passed away on Tuesday morning at the home of her mother, Mrs. W. White, 122 Elgin street, St. Thomas, on Sunday last she was taken with a sudden illness which resulted in her death. Mrs. Mann was a daughter of the late W. J. White, police magistrate of St. Thomas for many years. Besides her mother, she leaves three brothers—Thomas H. White, of Bridgewater, N. S.; Wm. White, of Grand Rapids, and Charles, manager of the Imperial Bank, Ingersoll; and four sisters—Mrs. (Capt.) Norman, Toronto; Mrs. W. Pringle, Chatham; Mrs. Charles Ambridge, Mexico City; Miss Caroline A. White, St. Thomas; and two daughters, Mrs. H. B. Totten, of Winnipeg, and Miss Marion, of Ingersoll.

The funeral took place this afternoon at four o'clock at Trinity church, thence to St. Thomas cemetery.

Mr. and Mrs. Pringle, of this city, attended the funeral in St. Thomas.

CUTTING IS GENERAL.

Reports From Western Farms Are
Still of the Hottest.

Winnipeg, Aug. 24.—With continued hot dry weather the next few days will test severely the theory of railway people that cutting will not be general this week, if that is not already exploded.

Portage la Prairie reports one farm of 300 acres cut. Esterhazy reports cutting in full progress with a conservative estimate of 28 bushels to the acre. The same story comes from Indian Head and Qu'Appelle Valley generally. W. W. McMillan, of the Dominion Elevator Company, who has been out touring the country with grain men, estimates the wheat average for the entire west at from 22 to 25 bushels. In fact no individual district with the exception of light low lying lands south of Winnipeg gives an average under 20 bushels and some claim all the way up to 40.

Mrs. A. H. Clarke Dead.

Windsor, Aug. 24.—Mrs. Clarke, wife of A. H. Clarke, K. C. M. P., Dominion member for South Essex, died suddenly Tuesday night at her summer home near Kingsville, of heart trouble. Mrs. Clarke was a daughter of David Gibson, Brantford, and a niece of the Hon. J. M. Gibson, former Attorney-General of Ontario. She leaves a family of four young children, the youngest only ten days old.

TWO BAD MEN AT ROND EAU

Either Out for a Spree or
Something Worse Fright-
en and Annoy Cott-
agers

Keep it up Till Nearly Two O'clock
in the Morning—Centreville
Aroused—Mr. Moore
Lays Complaint

For the first time in some seasons several of the cottagers at Erieau last night were subjected to the annoyance and uneasiness resultant upon the peculiar and reprehensible behaviour of two men, who were apparently either out for a spree or something worse. They were first seen near Crawford's a little after nine o'clock and supposedly worked westward, their last visitations being shortly before two o'clock in the morning. The men are described as follows: one decidedly short and stockily built, the other considerably taller and wearing a black slouch hat. The one is said to hail from Bleheim and the other off the Cleveland boat.

The pair occasioned much annoyance at the rear of C. J. Moore's store shortly after it closed. Mr. Moore believed an effort was made to break in and reported the matter to Judge Houston this morning with intent to lay complaint if the miscreants are apprehended.

At Centreville the men were noticed skirting around the cottages, some of the ladies being much frightened. Several households were aroused and the men decamped. Dr. H. V. Bray, who was present, secured a good description of them.

Crossing from the lakeside near Jubilee they later were spotted prowling around some of the Eau shore cottages. Here, however, the dogs set up an uproar and the miscreants dumped hot-foot up past the Morley cottage and up the track towards Shrewsbury. They were last seen passing the Campbell cottage, where the dog gallantly aided their progress.

Whatever their object they may have some difficulty in explaining their actions if apprehended. Mr. Moore has signified his intention of prosecuting.

FOREST FIRES IN WEST.

Flames Threaten Big District Near
East Kootenay, B. C.

Nelson, B. C., Aug. 24.—Atnaworth Camp is threatened with a forest fire sweeping over the town. The inhabitants are packing their valuables, and the miners are out fighting the flames. Forest fires are also blazing on Elk River and Coal Creek and East Kootenay district, much good timber being destroyed. All last week the smoke of burning forests has been going up all over the Kootenay. Fires are reported from Ymlr, Rossland, Kaslo, Ladang, Marysville and Cranbrook. Many wagon roads have been rendered useless through the wiping out of their bridges, and prospectors' cabins and outlying mine buildings have been destroyed. Some ranches have been destroyed and others are in danger.

A force of fire fighters is here and there tackling the conflagrations, but little can really be done now until the rain comes, which is now expected after several weeks' drought. The fire is sweeping for four miles along Kootenay River, for three thousand feet up the north face of Morning Mountain, along the base of which are scattered numerous dairies and ranches, over and around which the flames have swept. No casualties are as yet reported.

GERMANY SENDS COMMISSIONER.

To Investigate Fruit and Farming In-
dustries in Canada.

London, Aug. 24.—(C. A. P.)—The Canadian Associated Press has been informed that the German Government is sending a commissioner to Canada to report upon the agricultural and fruit farming industries.

Owing to all the accommodation on the Dominion liner Canada having been taken up by other emigrants 200 Doukhobors will be detained at Liverpool for another week at the expense of the shipping company.

Mr. Donaldson of Ottawa, with his wife and two sons have just arrived at Geneva. They tell, says a Swiss newspaper, of an adventure on the Argentine glacier during a recent earthquake. They were about midway on the glacier when the ice seemed to heave upwards. The glacier opened up in all directions. A fissure three yards wide appeared in front of them, and avalanches of ice and snow thundered down the sides of the Alguille. Verbe with a noise like artillery firing. Rev. Robert E. Welch, formerly of St. George's Church, Brondesbury, London, has sailed for Canada to take up his duties as general secretary of the British Foreign Bible Society. He is a well-known writer.

THE LATE SENATOR WARK.

Senator Wark, who died a day or two ago, held an unique place among the legislators of the world. He has been a legislator for sixty-two years, during which time he had not missed a session in parliament until this last, when extreme old age had so weakened his constitution as to render it impossible for him to be present. Commenting upon his demise the Toronto Star speaks of him as follows:—His serene disposition and Christian confidence enabled him to look forward to the end with perfect equanimity, and though he took good care of his health, he did not surround his goings out and comings in with those minute precautions which make life a burden. He preferred to do for himself as much as possible, and refused assistance which as a valetudinarian he might have claimed. Brought up on the Spartan system he preserved those hardy characteristics to the day of his death. He even made light of his years, and held time at bay, so to speak, by his courage. In journeying from Fredericton to Ottawa it was his custom to decline the offer of parlor cars and to undergo the ordinary discomforts of travel.

Last year his friends in parliament honored the hundredth anniversary of his birthday by presenting Senator Wark with an oil painting of himself, which now graces the corridor of the senate along with the pictured faces of other personages famous in Canadian history. The occasion was a memorable one not only as a tribute to the oldest living legislator in the world, but from the words and bearing of the venerable senator himself. His extreme old age was to be seen in his bowed form and quavering voice, but no one doubted that his mind was clear and his reasoning faculty as strong as it was in his prime. He made a little speech, couched in the choice phrase of an older school of oratory, in which he acknowledged the goodness of God, in whose hands is the gift of days, and he reiterated the necessity of that faith which vitalizes the soul as the blood does the body. The thought in everyone's mind was that Death had passed over this grand old man so that he might be an example to a hurrying, eager generation of those solid foundations on which a calm and honored old age is built.

Senator Wark always advised a simple diet, but that was the smallest part of his secret. For him, as for others, the elixir of life lay in something more than mere food for the body. Senator Wark had a mind enriched by much reading and a soul fortified by the promises of the Christian religion. With these stores of solace and reflection, the days never came when he said: "I have no pleasure in them." He led a full life. He was interested in great public questions to the extent that he forgot his own feebleness. And above all he had that abiding faith and steadfast hope which make life placid, because death is esteemed a goal and a reward.

The Ottawa correspondent of The News in a thoughtful and appreciative article on the reorganization of Canada's defence, points out that for nearly all the improvements planned, Lord Dundonald was responsible. "For the taking over of the naval bases and for the headquarters reorganization credit must be given to Sir Frederick Borden. For the general scheme of the militia army, for the proposed 'second line,' for the organization of the militia into higher commands, for the reform in the distribution of arms, for a great deal of the movement to provide auxiliary and technical services—for, in short, almost the whole plan of organization short of that at headquarters, we must look to Lord Dundonald's brain. Moreover, he drafted excellent plans of training, and of provision for the 'second line,' which have been relegated to the background. The military members of the Militia Council seem to have realized the sagacity of the majority of Lord Dundonald's schemes, and Sir Frederick Borden has had the wisdom quietly to adopt them." It is a significant and instructive fact that Lord Dundonald was violently denounced by Sir Frederick Borden and all his echoes for the very suggestions for which Sir Frederick Borden and the Government are now seeking credit. The sincerity of the attack on Lord Dundonald may now be readily judged.

BEWARE OF SUMMER GERMS

Will Cause Sickness Unless Stomach is Strengthened With Mi-o-na

One tablet of Mi-o-na taken before each meal during the summer months, whenever the stomach is out of order, or the digestion weak, will do more than any other treatment to prevent the diseases caused by germs at this season.

If the stomach is weak so that food does not readily digest in it, the food will become a sour, slimy, fermenting mass in the digestive organs, the ideal condition for germs to cause bowel trouble, diarrhoea, or other summer illness. Mi-o-na will soothe and heal the irritated mucous membrane of the stomach and digestive tract, stimulate the solar plexus, and strengthen

the whole nervous system. This remarkable remedy will make the whole digestive system so healthy, clean and sweet that food cannot ferment, and any disease germs which may enter the stomach will be destroyed.

Just one small tablet out of a 50 cent box of Mi-o-na before eating, and you will have no headaches, backache, poor appetite, distress after eating, heart-burn, furred tongue, sleeplessness, or general debility. It will tone up the digestive system and give perfect health and strength.

Take Mi-o-na now, and C. H. Gunn & Co. will guarantee to refund the money if it does not cure. The risk is all theirs.

"THE GIRL FROM KAYS."

Everything points to the fact that the big production of "The Girl from Kays," which is to be made at the Grand on Saturday, will attract an audience as large as the house will hold. Of all the musical comedy successes of recent years the hit scored by the latest one has assumed the largest proportions. It is said to contain everything in its favor. The story it tells is sane, consistent and entertaining, the dialogue is exceptionally clever, the scenes are full of life, movement and harmonious colorings, and the tuneful melodies keep running through one's head long after they are once heard. The piece is to be given here exactly as it was given in London. There are no local allusions, cheap gags, or senile jokes in it and rag time music is conspicuous by its absence. All of the situations hang on the story and the humor of it all is simply irresistible. In New York it was looked upon as the most hilariously amusing work transplanted from the English stage in years. Bobby North, who is the star of the organization, plays the part of a wealthy cad who is trying to get into society. He desires that everyone should know that he is rich and he fondly imagines that he can talk to anyone and insult anyone because he is rich. The man is a type who has counterparts in all large cities. Prominent in the company is Miss Lila Blow, who is seen in the title part. The production is said to be a gorgeous one. There are a large number of young women moving through the three acts of the company and they wear gowns of the latest design and fashion. In fact, some of the pictures are described as dazzling. What with its humor, its cast and its rollicking melodies the comedy is said to furnish a delightful entertainment.

PIRATES AT WORK

Pirates were at work on the Thames last Tuesday night and yesterday morning Walter Scane, owner of the fine gasoline launch, found what several valuable articles were missing from his boat.

The robbery was committed late in the evening, as Mr. Scane and a party of men were out for a launch trip early the same evening and had occasion to use the said articles, and what they didn't use they left in the boat.

When Mr. Scane had his launch constructed he first had a big ice box made and then built the boat built around the ice box—just so that he would be sure to have a large enough ice box. The stuff stolen was taken from this ice box.

The police have been notified of the theft but have so far been unable to find any trace of the stolen bottles.

FUNNY STORIES TOLD BY THE CIRCUS CLOWN

Norris & Rowe Have a Good One in "Cherrie Jim" West.

What the comedian is to the theatre, the clown is to the circus arena. Both must be born funny men, it can hardly be acquired, and unless they possess the true sense of humor and be able to appreciate quickly the ludicrous side of life their efforts would go for naught in inciting laughter and a sense of the ridiculous. In the shadow of the dressing tents of a circus, many of the best stories are told, stories that seldom find their way into print. "Jim" West, principal clown of the Norris & Rowe Greater Circus, was recently overheard to tell several stories among which was the following:—Years ago he was with a small show that wintered in the south. At all the circus winter quarters, there are any number of men who loaf around doing odd jobs for their board and room until the show again takes to the road in the spring and they are once more placed on the salary list. One of these roustabouts approached the manager of the show one Saturday afternoon and the following conversation took place: "Could I have \$2.00, sir?" "No," exclaimed the astonished manager. "Why, my boy, don't you know we never advance money until the band plays?" "Well, for heaven's sake," exclaimed the man, "let the band play quick, for I need the money." It was said in such a tragic tone that it made even the manager laugh, and he produced the \$2.00 asked for. West tells another one of the same order. The manager received a letter one day which read like this: "When does the show open? Can I have my old place back? I don't care what the salary is. I am simply eager, anxious, and ready for the bell to ring." One could well imagine the manager's face when he read this fellow saw was visions of the cook house, regular meals and a berth on the circus train. James West is considered by Norris & Rowe to be the very best clown they have ever engaged. He will be seen here when the Norris & Rowe Shows exhibit at Chatham, Wednesday, August 30th.

CHINA SHOWER

Last Tuesday evening Miss Lolly Dunkley, Queen street, gave a "china shower," for her cousin, Miss Grace Jones. About twenty of Miss Jones' girl friends were assembled, and the evening very enjoyably spent in games. After a dainty luncheon was served, Miss Jones was the recipient of many and costly pieces of china, testifying to the high esteem in which the young lady is held.

SUDDEN DEATH

Mrs. A. H. Clarke, wife of A. H. Clarke, R. C. and M. P., for South Essex in the Canadian parliament, died suddenly Tuesday evening at Cedar Beach from heart failure. Mrs. Clarke was taken to her summer home at the beach so that she might recover more rapidly from the birth of a child 10 days ago. Her death was unexpected, although she has been a victim of heart trouble for some time.

Mrs. Clarke was a niece of the Hon. J. M. Gibson, of Hamilton, Ont., and was 40 years old. She leaves four young children.—Detroit Journal.

Mrs. Clarke was well known in this city, and her many friends are sorry to hear of her sad demise.

NOTHING ON THE MARKET THAT IS EQUAL TO CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by all druggists.

Ah, those are so beautiful Roman filigree combs, thus said the salesman with genuine enthusiasm.

Mrs. Nooritch was not very visibly impressed.

MAKES MEN
SOUND AND STRONG

Detrol Specialist Making Men's
Diseases a Specialty for Years.
Will Accept Your Case, Giving
It Individual Treatment. You
may Use It in the Privacy of
Your Own Home.

Yr Pay Pay When You are Cured.

A Detrol Specialist who has 14 diplomas and
certificates from medical colleges and state boards
of medical examiners, and who has a vast expe-
rience in detoring diseases of men, is positive he
can cure a great many so called incurable cases.

DR. S. GOLDBERG.

The possessor of 14 diplomas and certificates,
who would not money that he does not earn.
In order to convince patients that he has the abili-
ty to do so, he says, Dr. Goldberg will accept your
case for treatment, and you need not pay one
penny until a complete cure has been made; he
wants to treat patients who have been unable to
get cured, as he guarantees a positive cure for
all chronic, nervous, blood and skin diseases,
which he accepts for treatment. He not only cures
the condition itself, but likewise all the complica-
tions, such as rheumatism, bladder or kidney
trouble, blood poison, physical and nervous
debility, back of neck, stomach trouble, etc.
Dr. Goldberg realizes that it is one thing to make
a name and another thing to back them up; so he
has made it a rule not to ask for money unless he
cures you, and when you are cured, he feels sure
that you will willingly pay him a small fee. It
seems, therefore, that it is the best interests of
everyone who suffers to write the doctor confi-
dentially and lay your case before him, which will
receive careful attention, and a correct diagnosis
of your case will be made free of charge; if you
have lost faith write him, as you have everything
to gain and nothing to lose; you must remember
not one penny need be paid until you are cured.
All medicines for patients are prepared in his
own laboratory to meet the requirements of each
individual case. He will send a booklet on the
subject, which contains the 14 diplomas and cer-
tificates, entirely free. Address him simply 111
Detroit, Michigan. Medicines for Canadian pa-
tients sent from Windsor, Ont., consequently
there is no duty to be paid.

Prince Louis and the Bluejackets, and
Their Reception.

Montreal, Aug. 23.—Prince Louis, of
Battenberg, accompanied by his staff
arrived at Place Vigor Station early
yesterday morning from Quebec,
where his second cruiser squadron is
lying and was met by a civic and
military deputation, but there was no
guard of honor and very little cere-
mony. The party entered carriages
and went to the Windsor, where his
Serene Highness will be the guest of
the city during his stay. At 11 o'clock
the civic welcome to the Prince was
extended at the City Hall, when an
address was read by Alder Mayor
Cloutier. In the absence of Mayor La-
porie. Later in the day he drove out
to the Forest and Stream Club, where
he was entertained at luncheon. Last
evening he was dined by the officers

the Arena.

Three hundred sailors, under com-
mand of ten officers of the second
cruiser squadron, commanded by Rear
Admiral Prince Louis of Battenberg,
lying at Quebec, arrived here yester-
day morning and departed at West-
mont station of the C. P. R., and
from thence paraded to the Arena,
where they will camp during their two
days' stay. They will take part in
a naval tournament in aid of the city
hospitals, and will be liberally enter-
tained by the city and private corpora-
tions during their stay. In the after-
noon the men were taken for an elec-
tric car ride to Lachine, after going
around the city, and then boarded a
steamer and made the run down the
Lachine rapids.

Wanted at Windsor.
Windsor, Aug. 23.—An effort is being
made to have Prince Henry of Batte-
nberg visit this city, and, in view of
the fountain being constructed in memory
of the Essex volunteers who lost their
lives in the South African war.

CHANGES IN THE INTERCOLONIAL

One Position Abolished and a Thousand
Dollars a Month Saved.

Ottawa, Aug. 23.—Hon. Mr. Emmen-
son, Minister of Railways, has announ-
ced that among the changes to be made
in the management of the Intercolonial
Railway, the office of chief superin-
tendent, held by the late J. E. Price
of Montreal, will be abolished on the
recommendation of the Deputy Minister
and general manager, who advises that
by this step about a thousand dollars
a month will be saved in salaries, with-
out in any way impairing the efficiency
of the operation of the line.
It has been decided to place the track
and maintenance of the way depart-
ments under the charge of T. C. Bur-
pee, C. E., and all the other leading of-
ficials whose responsibilities are in-
creased will be held accountable for
the results in their respective spheres.

Horse Plunged Over Children.

Cornwall, Ont., Aug. 23.—While the
street parade of Morris & Rowe's circus
was passing up Pitts street yesterday
a horse took fright and ran away,
plunging through a great crowd of
people. None of their injuries are fa-
tal. Archie Cameron, a boy, was out
on the head and leg; George Eastman
had his head cut; J. Vallance had an
arm broken; Edith Phillips, Ida Ralphy,
two little girls named Carter, Wilfred
Fetterly and two other children were
cut and bruised. A cowboy, who was
one of the marshals of the parade, fol-
lowed the runaway and lassoed the
horse.

A Mid-Day Drowning.

Toronto, Aug. 23.—Frank Carroll, 16
years old, who lived at 229 Davenport
road, was drowned while bathing off
the dock at Harbor Square at 12:30
o'clock yesterday. Carroll, who was
employed as a clerk with the Copp-
Clark Co. went for a swim with some
of his fellow-employees during the noon
hour. He swam out about fifteen feet
towards a sail boat, and sank. His
absence was not noticed for some time,
and when he was missed several of his
companions dived unsuccessfully for him.
Mate Ackroyd recovered the body an
hour later. His father is employed in
the Crown Lands Department.

The Passing Year.
By slow degrees and varied ways
Along the highway of the days
We've held our course and now are here
Within the midway of the year.

When berry pies have faded and gone
And shortcake, fatter than the dawn,
Arise! Rocky Roads have passed from view.
The melancholy days are due!

All is Peace.

Tom—How's that?

ment.—Catholic Standard and Times.

A Givenway.

"Ah, writing poetry's a gift!" she wor-
shipfully sighed
To quillings who for years and years to
sell his rhymes had tried.
"No, writing it is not so much a gift, it
seems to me.
As is disposing of it—that's where it's a
gift," said he.

Her Sense of Humor.

Torque—Women have absolutely no
sense of humor, no sense of the ridicu-
lous, you know.
Mrs. Torque—There, there now. I
married you, didn't I?—New York

LOVE DIES.

Mrs. Ella Wheeler Wilcox says there
comes a time in the course of married love
when "the thrill goes out of the hand-
clasp and the kiss at times, and it is then
that husband and wife may be susceptible
to other magnetic personalities." The rea-
son for this condition of affairs is often the
fault of the husband, but how often is it
the fault of the wife's nervousness and irri-
tability due to some trouble with the or-
gans peculiarly feminine—the wife under
such circumstances feels languid and ap-
athetic—she suffers perhaps from headache
and sleeplessness.
Backed up by over a third of a century
of remarkable and uniform cures, a record
such as no other remedy for the diseases
and weaknesses peculiar to women ever
attained, the proprietors of Dr. Pierce's
Favorite Prescription now feel fully war-
ranted in offering to pay \$500 in legal
money of the United States, for any case
of Leucorrhoea, Female Weakness, Prolap-
se, or Falling of Womb, which they can-
not cure. All they ask is a fair and rea-
sonable trial of their means of cure.
A great many women may be saved by
keeping on hand a copy of Dr. Pierce's
Common Sense Medical Advice. Sent free,

FRANCE THREATENS SULTAN.

Demands Indemnity For Arrest of Al-
gerian Subject in Morocco.

Tangier, Aug. 23.—The French Min-
ister, St. Rene Taillandier, has pre-
sented to the Sultan, Mulai Abd-El-
Aziz, an energetic demand for an in-
demnity of \$2,000 for the recent arrest
of the official responsible for the arrest,
and an additional indemnity of \$100
daily until the prisoner is released.
It is believed that the Sultan will
probably grant the demands of the

SULTAN OF MOROCCO.

Minister, as it is definitely known that
the French Government is determined
to adopt forcible means to bring the
Sultan to terms should satisfaction not
be immediately given, including, if ne-
cessary, the occupation of a Moroccan
port.

This incident is independent of the
Franco-German controversy regarding
the proposed international conference.
Indeed, it is known that Germany ap-
proves the course of France in re-
sponding to the unwarranted arrest of one
of her citizens, and the German Gov-
ernment has given official notification
of its intention to support the action
of the French Government.

Moroccan officials recently arrest-
ed the chief of the Algerian settlement
at Ghazal because of local troubles. The
demand of the French Minister for the
release of the Algerian was refused,
the Sultan claiming that all Mus-
lim territory came under his juris-
diction as Caliph of Islam.

YOUTH FORGED CHEQUE, \$1,860.

Cashed It, Too, After Risky Prelimin-
aries, But Is Soon Detected.

Cayuga, Aug. 23.—One of the coolest
attempts at crime was perpetrated
here on Monday. Frank Thornton, a
boy 18 years of age, who was born in
Dundas, was on a visit to friends
here. His grandfather has a bank ac-
count in the Bank of Commerce.

Young Thornton went to the bank
with a cheque for \$1,860, having for-
ged the signature of his grandfather,
R. S. Thornton. They refused to mark
the cheque without the bank book, and
he went back to his grandfather's, and
by some means obtained the bank book,
came to the bank, got the cheque mark-
ed and cashed. This was at 3 o'clock.
He stayed in town till 7:15 when he
took the train west. The mistake was
not discovered till between 7 and 8
o'clock, when the bank officials sus-
picion was aroused.

The boy left the train at Simcoe,
walked two miles in the country, paid
a farmer \$5 to drive him to Waterloo
Station, a distance of about five miles.
He was then arrested. He had spent
\$14.

DOUBLE RUNAWAY FATALITY.

Farmer and Wife Thrown From Their
Rig and Killed.

Hamilton, Aug. 23.—Amos Clough
and Mrs. Clough of Abingdon, Caistor
Township, were killed in a runaway
Monday night. The started early to
drive to David Bell's, a nephew's place.
A few hours later a man named Dal-
rymple found the old woman uncon-
scious by the roadside. She died while
he was gone for assistance. Dr. Mc-
Lellan, who was sent for, found the
body of Mr. Clough. The horse was
found near the Clough farm with
pieces of the rig, which had been
wrecked.

DEATH ON THE TRACK.

Young Woman Instantly Killed by Ex-
press Train Near Lancaster.

Lancaster, Aug. 23.—No. 2 fast ex-
press, passing Lancaster at 5 o'clock
yesterday morning, struck and killed a
young woman named Margaret Du-
fresne, daughter of Chas. K. Dufresne.
She was walking on the track on her
way to her duties as a domestic in the
residence of a gentleman living about
a mile and a half east of this place.
When about a mile on her way the
train overtook her, striking her and
throwing her off the track. Death
must have been instantaneous.

Grand Trunk Asks Protection.

Toronto, Aug. 23.—The Grand Trunk
Railway has instituted legal proceed-
ings against the striking machinists at
Stratford. This morning application
was made at Osgoode Hall for an in-
junction to restrain Gilbert Johnson,
Robert Stamp, Enoch Brown, Christo-
pher Wilson, Samuel Hamilton and
several others from interfering with the
men they have employer to work in
the shops.

14-Year-Old Boy a Hero.

Walkerville, Aug. 23.—While playing
on the dock, Eleanor Pinnit, seven
years of age, fell into the river. There
were a number of people on the dock at
the time, but no one made any attempt
to rescue her until Arthur Kerr, four-
teen years old, jumped in the river and
brought her out safely.

Cars Collide on Brooklyn Bridge.

New York, Aug. 23.—One man was
killed and five persons injured in a
trolley car collision on the Brooklyn
Bridge yesterday. Two surface cars,
driving under the same stone arch on
the Brooklyn side of the bridge met in
a rear-end collision.

GALBRAITH PICNIC

One of the Largest and Most Successful Picnics Ever Held in the County—Interesting Base Ball Matches for a Cash Prize.

The picnic was a grand success in every way. It was held in Alfred Galbraith's bush on the Creek road. Mr. John Galbraith, Sr., who lives on the town line range, Harwich, was the most conspicuous person on the grounds, he being the giver of the day and fulfilled the duties most acceptably. On arriving at the ground, a fine spot for a picnic he is, a very dense bush, there was heard the sound of bag pipers of Detroit. They were seven in number and they created quite an impression among the real old Scotch, who were most delighted. They had a stand for their own special use, while O'Neill's orchestra from Ridgeway, which included Mr. Thomas Gardiner, of Chatham, the corner soloist, was in attendance and provided excellent music both in the afternoon and evening.

A large dance platform had been built and the dancing was enjoyed by the younger people until late in the evening. There was a large number present from surrounding towns and villages and the day was spent most pleasantly by everybody. Mr. Thompson, of Chatham, had a booth on the grounds. Mr. James Baker, of Dresden, sang a few solos in the evening to the edification of everybody.

At 1:30 the Centre Line of Harwich and Northwood played baseball. The game was very interesting as both teams played good ball, the latter team winning by 21 to 16. The Northwood boys played a good game and deserve great credit. At 3:30 p.m. the game was resumed and the better exhibition of baseball than the previous game was witnessed. McKay's Corners played the latter, winning by 12 to 5, after a quarrel in the seventh inning, in which Ridgeway left the field, McKay's Corners being left the winners. The latter game was a better exhibition of baseball than the former, as the score indicates. McKay's Corners and Northwood clashed in the final game, which was for a trophy presented by Mr. John Galbraith, Northwood winning.

After the baseball game the dancing was resumed and continued until the hour for closing one of the most successful picnics ever held in Kent.

ABOUT PAVEMENTS

Vivian Reeve of London an Old Chatham Boy has a Few Suggestions for the City Council.

Vivian Reeve, of London, an old Chatham boy, spent yesterday calling on his many Chatham friends. Mr. Reeve is well known here, having been organist of the Park street Methodist church for eleven years. In speaking to The Planet reporter he said:

"I have never visited a place of the same size where there is as much enterprise as you have here, Chatham. I heard an old London man say the other day after a trip to Chatham that he was surprised to see the town going ahead so fast. Your paving construction is far ahead of London. At the present time in London we are having a considerable work on paving, and the council is kept busy making motions and rescinding them by the actions of rival paving agents. We are now petitioning the government to amend the municipal act to give the councils of the different cities power over their own roadways. This will give the municipality a bigger voice in the matter of pavements and the agents will not have control of the streets through the property owners."

This is a good move and the Chatham Council should co-operate with the London Council in getting this amendment carried through. In event of it being adopted the council can go ahead, select the pavement and put it down.

"In London, however, conditions are different than they are here. There the council pays half the cost of every pavement and the property owners pay, each a quarter of the cost, according to their frontage; while here the property owners pay for the whole pavement, except at street intersections. I think our system is a fair one, but the better one for the residents who live on a paved street are not the only ones who use the pavement. It is put down for the benefit of citizens generally."

"I always like to come to Chatham," concluded Mr. Reeve. "There is still a warm spot in my heart for the old town and I am glad to see the Maple City blossoming out into one of the prettiest spots in Canada."

GASHED KNEE

Richard Mead, of the Bell Telephone Company staff, sustained a painful injury yesterday. While trimming one of the company's poles the drawing knife he was using slipped and cut a deep gash in his knee, which, fortunately, missed the tendon. Dr. J. P. Wheeler, who was summoned, found the cut required several stitches and placed the injured member in a plaster coat.

GOES TO NORTH-WEST

Frank Richardson, of the 27's, leaves on Tuesday morning on the Harvester excursion for Jack Fish Lake, N.W.T., where he will establish a home for himself with his brother Jack who is already there.

Frank is a very popular boy, and his many friends here will miss him. He has been a very successful cricketer and a very valued member of the Chatham team. Jack Fish Lake is situated near Battleford, one of the most thriving places in the North-West, and Frank should have a very bright future before him. He is followed by the good wishes of a very large circle of friends.

COUNTY COURT

Two County Court cases were enlarged before Judge Honston this morning. The case of Wilfred Edwards, charged with assault upon Theodore Smith, was enlarged to the 28th inst, defendant furnishing \$200 bail. F. E. Nelles, of Tilbury, appeared for the accused.

Gus Croft, a lad, charged W. H. Mansell with non-payment of \$10 wages, O. L. Lewis appearing for complainant and J. G. Kerr for deft. This case was adjourned till the 31st inst, to secure necessary witnesses.

NO LIGHTS TO-NIGHT

One of the Dynamos at the Electric Light station burned out last night and as a result part of the city was thrown into darkness, until the moon came out.

The dynamo will not be repaired and in working order to-night so all of the residents in the west end of south Chatham will understand the reason if they notice that the lights in that vicinity are not burning.

The dynamo over the river and over the west side of south Chatham will however be in working order.

It is expected that everything will be all right by to-morrow night.

MONTREAL ENTERTAINS PRINCE.

2,000 Citizens Meet Him at Afternoon Garden Party.

Montreal, Aug. 24.—The prince and staff have completed another busy day yesterday and will leave the city to-day for Ottawa.

In the morning, accompanied by Archbishop Bruchet, the admiral visited Notre Dame Church and seminary, where they were warmly welcomed by the reverend gentlemen in St. Sulpice. The beautiful altar was illuminated and when Prince Louis was leaving the organ pealed "God Save the King." The Hotel Dieu Hospital was also visited.

The event of the afternoon was the garden party in the Mountain Park. Some 2,000 citizens were presented to the admiral of the fleet. Last evening he was entertained by the members of the St. James' Club. F. D. Monk, M. P., proposed the "British Navy."

Washington, Aug. 24.—It was announced at the Navy Department yesterday that the British squadron, under the command of Prince Louis of Battenberg, would be entertained at Newport instead of at New York.

BUCKSHOT FOR HARVESTERS.

Italian Railway Laborer Retaliates For An Assault.

Winnipeg, Aug. 24.—At the Buda Tuesday afternoon, enraged by a fusillade of bottles, stones and empty cans discharged upon a railroad gang as the men stood aside from their work to allow one of the harvest excursions to pass, one of the foreign laborers fired a charge of buckshot from a pistol at one of the coaches, wounding Frederick W. Turnbull, a farm laborer, who was on the train. Missiles from the pistol entered Turnbull's hand and face.

No trouble occurred two miles west of Buda. All along the line excursionists on the train annoyed Italian and other foreign laborers engaged in large numbers on the Canadian Pacific putting the line in order for the winter season.

Turnbull, who comes from Springhill, N. S., is 19 years old and was brought on to St. Ignace.

SASKATCHEWAN TORIES

Decide to Throw off Straight Party Ties For Haltnait.

Regina, Aug. 24.—"Haltinait and Provincial Rights" is the platform on which the Conservatives of Saskatchewan will fight the coming Provincial elections, putting aside for the time being party lines. Such was the decision reached here last night amid great enthusiasm.

All the delegates present assented to this, but some Opposition may arise in certain constituencies where straight Conservatives were prepared to go into the field.

Indian Head, N.W.T., Aug. 24.—South Qu'Appelle may be the battleground of the two leaders, Scott and Haltinait both having received invitation to run here.

The Letter-Box

WORD FROM A PATRIOT.

Editor Chatham Planet, Chatham, Ont.:

Dear Sir,—What in the world do the good people of Chatham mean by letting the Americans go ready to take some old hulls, carried to Belle Isle as an object lesson to the youth of America how they whipped the British. That place is visited by millions, and that would be a pretty note.

Stir up a bit of patriotism: they have had enough of our territory, and show your good people that Americans cannot have what has been swallowed up.

Did you ever have your range grates burn out?

If you did you will know what that means in common ranges—it means plumbers, delay, muss and big bills—because common ranges are built that way. As range grates must some time burn out you are certain to have that kind of trouble if yours is a common range.

If you have the Pandora you won't have any trouble, because you can take out the old grates and put in the new ones in ten minutes, and a ten cent piece for a screw-driver does it easier in the Pandora than a whole kit of plumbers' tools will do it in common ranges.

A ten cent piece for a screw-driver is all you need to take out old and put in new Pandora grates.

TORONTO LIVE STOCK.

Receipts of live stock at the city market since Friday last, as reported by the rail ways, were 58 carloads, composed of 73 cattle, 627 hogs, 1228 sheep and lambs, about 100 calves, with 11 horses.

Exporters.
Few exporters were offered and they were of medium quality, and sold at medium prices. The best lot of seven exporters, 1220 lbs. each, sold at \$4.90 per cwt., by Maybee, Wilson & Hall, and these seven cattle were bought for butchers by the Detroit McDonald & Maybee sold three loads of exporters, 1200 to 1310 lbs. each, at \$4.30 to \$4.40 per cwt. There was no such price as \$4.75 reported for export cattle.

Butchers.
Butchers' cattle were cheaper than at any time this season, especially the common grades. Two picked heifers sold at \$4.35; another lot of three sold at \$4.30 per cwt. The best lot of seven exporters, 1220 lbs. each, sold at \$4.90 per cwt. There were few at the latter price. Medium butchers sold at \$3.50 to \$3.75; common at \$3 to \$3.25; rough and inferior at \$2.50 to \$3 per cwt.

Stockers and Feeders.
There is a slight demand for feeders of good quality, and a few are offered at \$2.50 per cwt. Stock butchers are in light demand at \$2 to \$2.25 for bulls weighing 900 to 1100 lbs., and \$2.25 to \$2.50 for bulls weighing 1100 to 1400 lbs. each.

Milk Cows.
Good milk cows and springers are in demand at \$40 to \$50 each; a few prime cows would bring \$60 each, but this kind is scarce. Common cows sell at from \$25 to \$35 each.

Veal Calves.
Veal calves are still selling at good prices—from \$3.50 to \$5.00 per cwt. Prime calves which are seldom offered, would bring \$3.75 to \$4 per cwt. Such prices were never known on this market at this season of the year before.

Sheep and Lambs.
There was a bit of demand for sheep and lambs, and drovers report them hard to buy. Prices were firmer at \$4.15 to \$4.20 for export ewes; bucks and culs at \$3 to \$3.40; lambs sold at \$3.25 to \$3.50 for the bulk, and as high as \$4.25 was paid for some picked lots of ewes and wethers.

Receipts were light, but this did not prevent prices going lower. Mr. Harris reports \$7.10 for select and \$6.85 for lights and fat.

THE BEGINNING OF THE TROUBLE

Is the Time to Stop it—And the Means of Stopping it are Provided by Dodd's Dyspepsia Tablets.

Have your meals become of interest to you simply because of the trouble they bring? Is your appetite gone? Do you get up in the morning with a dark brown taste in your mouth? Is your head muddled and sort of half aching? Is your day's work a burden? Do trifles worry you?

If you have any of these symptoms it is time to pay attention to your stomach. It has been overworked and needs help. Attend to it at once or you will drift into indigestion and from that to Dyspepsia. Help your stomach with Dodd's Dyspepsia Tablets. They never fail to tone up the stomach and bring it back to a healthy condition.

Maria Ann Bujold, of Marie Cap. Bonaventure Co., Que., says: "For two years my life was a burden. I could not take the simplest food without having a pain across my stomach. One box of Dodd's Dyspepsia Tablets cured me and I have had no return of the trouble."

A LIMIT TO ALL THINGS.

Even to What a Woman Can Do With the Handy Hairpin.

He had been away on a long journey, and upon his return his wife was detailing to him a number of reforms and improvements which she had successfully engineered during his absence.

"And you know," she said, "the drawer that was locked for over a month and which you said couldn't be opened except by a locksmith? Well"—triumphantly—"I opened it."

"Well, well. How did you do it?" "With a hairpin."

"And the oven door," she continued, "has been stopping around on one hinge for ever so long just because you were too lazy to fix it, but it's all right now."

"Well I'm glad you had it fixed." "Had it fixed? I fixed it myself—with a hairpin."

"And then there's that crayon portrait of mother that stood in the corner for almost six solid weeks because you never would bring me any picture books?"

"Well, I intended to, but"—

"Oh, but! Well, it don't make any difference now. I got it up with a hook I made myself—out of a hairpin."

"Ye gods!" he said.

"And there's Willie. You've been coaxing him and bribing him for a year, trying to break him off biting his nails, and I broke him in a week."

"With a hairpin?" he inquired weakly.

"No!" she snapped. "Don't be a goose! With a hairbrush."
